A Moment on Hunger for Kiwanis Meetings

The purpose of the following is to provide Kiwanis Clubs (and any others who might want to use them) with ready-made "moments" to provide information about hunger in Nebraska, Iowa, America (and beyond) to (1) inform about the problem and show the impact (2) encourage support - time and money and (3) to present projects that the club and individuals can perform to help alleviate hunger.

These will be provided to the clubs in electronic or paper format to make it as easy for them to use as possible.

A club member will read one of these at each regular meeting to keep the topic of hunger in front of the members regularly.
