CALL TO THE 91st ANNUAL DISTRICT CONVENTION
27-29 AUGUST 2010
PROVO MARRIOTT IN PROVO, UTAH
By Janet Flinders, District Secretary

All Kiwanians are invited to attend the Utah-Idaho District Convention August 27-29, 2010 at the Provo Marriott in Provo, UT. Please note in this issue the registration form and tentative schedule.

Three delegates are encouraged from every club in the District. Be sure to have your club secretary fill out the Delegate Registration Form which is also included in this issue. Delegates at large are CURRENT District Board of Trustees (Governor, Governor-elect, Immediate Past Governor, Secretary, Treasurer and Lt. Governors) plus ALL Past Governors.

Come for the fun of meeting other Kiwanians, seeing friends, learning more about Kiwanis, checking out new fund-raising ideas, taking care of a Babycape Cupboard in a shelter or food pantry, how to bring new members into your club, and other service projects. ALL LT. GOVERNORS-ELECT who haven’t been trained, must be trained on Friday, August 20th from 1pm-5pm.

Any and all Presidents-elect and Secretaries-elect need to attend Club Leadership Education (CLE) plus any member of a Kiwanis Club and join in this training.

The Krafty-K-Korner will have gift baskets for sale (Please make sure your club donates a basket or money). All monies received will go directly to the Utah-Idaho District Foundation. All monies raised will go directly to the U-I District Foundation. Our Foundation supports the Service Leadership Programs in the District and it gets more expensive every year. The Foundation must match the funds received from Kiwanis International Foundation for scholarships for Key Club and CKI. The number of scholarships depends on the dollar per capita raised for the Annual Club Gift Campaign. ALL clubs are asked to donate at least $6.00 per member.

My dear fellow Kiwanians:

I am excited to give you a progress report on recent efforts to boost membership and form new clubs in our Utah-Idaho District. Stuart Collyer, Secretary of our Provo, Utah club and I met with an enthusiastic group of “charter” members of what we hope will very soon be our new Saratoga Springs, Utah Club at the golf clubhouse in that new community on May 5. A small but very enthusiastic group of interested new Kiwanians, including a candidate for the school board and a new member of the city council there, were among those in attendance. After a decision was voted to create the new club with a target date of May 31, the first official meeting was discussed and the top priority was determined to be the creation of a Key Club for their new Westlake High School. Obviously, more work needs to be done, but the excitement was obvious and catching. Driven to help their wonderful and struggling youth, these good folks could readily see the importance of Kiwanis to their new community.

Expressions of gratitude need to be made to Stuart and his dear wife and others who ran with the idea that we establish a new club where they now lived on the other side of Utah Lake and ran with it. Thanks should also go to the Provo, Utah club who handed the new club organizers a $500 check to sponsor this new club! Our new club chairman and Immediate Past Governor, Pattie Hansen, tells me progress is also being made in turning our Kimberly, Idaho satellite club into a full-membered club in the next few months. We appreciate our Twin Falls, Idaho club for helping sponsor these good folks in Kimberly with this effort.

Other efforts are being made in Grantsville and Morgan, Utah and in Idaho Falls and American Falls, Idaho as well as a new internet club being sponsored by our Bonneville, Salt Lake Club. Thanks you all for your efforts in serving the youth of our two states through the service each of these and our existing clubs represent.

Kiwanis is one of the greatest service organizations in existence and owes its success over the years to dedicated members, most of us otherwise ordinary men and women who sincerely care about our communities and young people.

May I also take this opportunity to thank Chuck Baker, chairman of this year's annual district convention to be held at the Marriott Hotel in downtown Provo, Utah, and his committee for their hard work in helping put together what promises to be the best annual convention in our history. Our friends, Lavell and Patty Edwards will keynote and speak at this year's convention. Jim Courtright from Kiwanis International has agreed to come and lead discussions on those growth areas of most concern to our district at this critical time. A sign-up sheet for the hotel and convention is to be found in this newsletter. Please sign up early as this convention promises to be a sell-out.

On a personal note, I announced at our Mid-Year convention in Layton that my book and collectibles shop, B. Ashworth's, Inc., was being closed due to facing the wrecking ball. I am delighted to announce that our new store, just a block to the east of our Provo annual convention site will reopen on Flag Day, June 14. My Governor's Project has been to provide any child or young person in our district who wants one with a book of his or her own this year. Any clubs needing good used books to disperse for this or any other project, please contact me at bashworths@hotmail.com or my phone number, 801-368-6001 and we will have them available for you to pick up during the convention at our new location, Provo Town Square, Suite 120, 55 North University Avenue, Provo, Utah 84601.

In the meantime, I hope to see all of you at the Kiwanis International Convention at Las Vegas, Nevada, June 24-27. Let's all support Paul and Sylvester and our wonderful KI Board and Leadership in helping prepare the youth of tomorrow today.

All my best to you great Kiwanians!

Brent

Dear Members:  

This is my letter of intent to run for Governor-Elect of the Utah-Idaho Kiwanis district for 2010-2011. In pondering this decision to serve, I came across my club’s original charter, ‘The Kiwanis club of Bonneville ′, on its formation on November 16, 1953. Like the constitution of the United States, the original Kiwanis principles ring true today. As governor-elect, I will strive to bring back our sacred purpose and mission to serve. I pledge to respect the following from that charter:  

To give primacy to the human and spiritual, rather than to the material values of life, To encourage the daily living of the Golden Rule in all human relationships, To promote the adoption and the application of higher social, business, and professional standards, To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship, To provide, through this club, a practical means to form enduring friendships, to render altruistic services, and to build a better community, To cooperate in creating and maintaining that sound public opinion and high idealism which makes possible the increase of righteousness, justice, patriotism, and good will.  

I hope that I can find support for my next calling in this great Kiwanis community. Thank you for all you do.  

Yours in Kiwanis Service,  
Chuck Baker

Kiwanis
Risk Management

Kiwanis is a service organization but the law still holds the organization liable for its negligent acts which might cause injury. Liability Insurance is vitally needed and the role it fills allows Kiwanis to conceive and execute fundraising and community service programs.

Risk of injury to persons and of damage to property of others exists in all Kiwanis activities. Clubs and Safety coordinators must analyze basic risk factors and discover those which can be managed so claims will not result therefrom.

Within the scope of activities sponsored by local clubs there are several such areas wherein the risk may, and should, be transferred to others. Here is an area where clubs in particular may make a major contribution in keeping such claims away from Kiwanis and from its insurance carrier.

Sponsored Events:

These are events wherein an outside firm or organization actually presents the event, furnishes equipment, or sells products or services. Such events are carnivals, circuses, rodeos, sporting events, air shows, auto shows, and races are among those which fall into this category. In such cases, the individual or firm involved should assume all liability arising therefrom.

Contracts or agreement for such activities should be in writing and they should include:

1. A hold-harmless provision whereby the operator agrees to hold Kiwanis and its members harmless as to any and all claims for injury or death resulting therefrom and for damage to property of others which might arise from the event, and

2. Provision that the operator will furnish to the Kiwanis sponsors prior to the event evidence of insurance to cover any claims which might arise to a limit of at least $1 million for bodily injury and property damage, including premises, operations, and products exposures.

Such evidence must be in the form of a certificate of insurance issued and countersigned by an authorized representative of the insurance carriers of the supplier and should contain provisions for a written notice of cancellation or material modification of coverage to the sponsor at least thirty days prior to such cancellation or change becoming effective. The certificate should name the Kiwanis club and Kiwanis International as additional named insured.

Important note: In these cases listed above, the issuance of a certificate of insurance does not end the responsibility of the club. The positive action and surveillance of the safety coordinator and members of the club are required.

For additional information, contact Kiwanis International Risk Management or lori@balancedrockinsurance.com.

Did you know that in the United States every two seconds someone needs blood? That any one of us may be in need of blood at some point in our lives? The American Red Cross is tasked to provide a safe and adequate blood supply for those in need and is asking for our help because the summer months are a difficult time for collecting blood. The Utah and Idaho Kiwanis clubs are partnering with the American Red Cross for Kiwanis Blood Donor Month to be held throughout these two states the month of June. Have your members report their donations to your club secretary. The Red Cross will present a certificate to the Kiwanis club with the most donations.

District Governor Brent F. Ashworth said, “Donating blood is an excellent service opportunity for us as we work to change the world one community at a time. Often children are the recipients of blood donations which helps us fulfill our motto to serve children. I encourage all the Kiwanians in Idaho and Utah to donate blood with the American Red Cross in June.”

We invite you, your family, and friends to give the gift of life by calling 1-800-RED CROSS or go to redcrossblood.org and enter your zip code to find a blood drive near you. If you have questions about your eligibility to donate please call 866-236-3276. Thank you for your support of this important community service.

THE KIWANIS FAMILY IS GOING DIGITAL

There’s a new way to check out the latest editions of Kiwanis-family magazines. This month, they’ll all debut online in new digital formats. Take a look at Kiwanis magazine, CKI magazine and Key Club magazine, which just launched. Builders Club’s Builders Bloc magazine and Kiwanis Kids’ K-Kids Zone magazines will launch later this month.
Have you ever heard of a man by the name of Harry Truman? Not the president, Harry Truman the other Harry Truman.

Harry Randall Truman ran the Mount St. Helens Lodge at Spirit Lake. Born in West Virginia back in 1896, Harry brought his family to Spirit Lake in 1926, where he started a small business that consisted of a gas station, grocery store and boat rental shop.

A successful man with a successful business and a long life of prosperity. But then came the spring of 1980, when park rangers came and knocked on Harry’s door telling him to get off the mountain because it appeared that Mount St. Helens was going to blow.

In Harry’s mind the reports of danger at Mount St. Helens were greatly exaggerated. He had lived around that mountain for 54 years and felt he knew it better than anyone else. He grinned on national television and said, “Nobody knows more about this mountain than Harry, and it don’t dare blow up on him.” With warnings blaring from loudspeakers on patrol cars and helicopters, from radio and television, announcers pled with their audiences to flee to safety. Harry Truman ignored them all. So Harry stayed with his 16 cats and 18 raccoon and mowed his lawn while 2,000 people were evacuated from the area. On May 18, 1980 at 8:31 AM the mountain exploded with a force 500 times greater than a Hiroshima atomic bomb. I cannot help wondering if Harry regretted his decision, in the millisecond he had before the concussive waves flattened him and everything else around him. Harry Truman lost his life, and to this day his body has never been found, because it’s buried so deeply under the ash and debris of Mount St. Helens.

One can image many different lessons from this story that one can learn from. One of not ignoring warning signs, listening to those who know and countless others, but mine for this article is don’t forget those acts of kindness before it is too late. We never know when a Mount St. Helens might happen in our life or to someone else that we have been thinking about showing kindness to. We have a short time here and we should take advantage of that time by helping others. There is something very special in each and every one of us. We have all been gifted with the ability to make a difference. No act of kindness, no matter how small, is ever wasted. We should always be on the lookout for random acts of kindness and service that we can give. If we have impressions to help someone we should do it and not think I will do it another day. We do not know when a Mount St. Helens could be around the corner.

If you haven't any charity in your heart, you have the worst kind of heart trouble. ~Bob Hope

**KIWANIS INTERNATIONAL FOUNDATION**

**HISTORIC CAMPAIGN SURPASSES $750,000 GOAL**

Kiwanis International Foundation on May 7th announced that more than $750,000 was secured in a historic, seven-month fundraising campaign formulated by its parent organization, Kiwanis International.

The New Beginning Campaign, a lively collaboration in which Kiwanis International matched, dollar for dollar, all unrestricted gifts to the foundation, saw participation by 547 clubs and nearly 4,000 Kiwanians from all U.S. states, the District of Columbia, and 14 nations. The $1.5 million in funds will bolster the foundation's grants and programs that help underwrite Kiwanis club and district projects worldwide.

"The generosity of Kiwanians and Kiwanis clubs never ceases to amaze me," remarks Paul Palazzolo, International President. "There was such superb collaboration at all levels for the New Beginning Campaign. More than ever, Kiwanis International and its foundation are partnering to fulfill the Kiwanis mission of representing the least and last of society."

A task force of Kiwanis International and foundation trustees, led by Ellen H. Arnold, CFRE, a foundation board member and Kiwanian from Hanover, PA, provided the campaign's leadership.

"The spirit of philanthropy exemplified by New Beginning Campaign donors is heartwarming," states Ellen H. Arnold, CFRE, campaign chair and Kiwanis International Foundation trustee. "From contributions for Hixson Fellowships from Japan, Malaysia, the United States and other countries; to hundreds of dollars in Skip-A-Meal gifts from Kiwanis clubs all over the world; to thousands of checks ranging from $10 to $5,000, Kiwanians opened their hearts to help the foundation dramatically increase its unrestricted funds. The foundation also recognizes the extraordinary support of two major donors: Mel Cowart, ..."
HISTORIC CAMPAIGN (Continued)

who provided $50,000 and Warren Bolton, who contributed $30,000. Financial commitments such as these helped us to attain the $750,000 goal."

"The importance of achieving this campaign goal in such a short period of time is that it enables Kiwanis to now prepare for the larger, more significant campaign associated with our soon-to-be-announced worldwide service project," says Stan Soderstrom, Kiwanis International executive director.

The campaign comes at a juncture when Kiwanis and the foundation begin to prepare for the organization’s next Worldwide Service Project, which will be revealed on Thursday, June 24, at the 95th Annual Kiwanis International Convention in Las Vegas. The Kiwanis International Board narrowed the candidates to three initiatives: Malaria: Malaria No More; Maternal and Neonatal Tetanus: UNICEF; and Neglected Tropical Diseases: The Global Network for Neglected Tropical Diseases. Each of the initiatives will involve multimillion-dollar fundraising initiatives.

DON’T MISS OUT ON VEGAS

If you haven’t registered for the 95th Annual Kiwanis International Convention in Las Vegas, you aren’t too late.

If you missed the May 25 deadline for online registration, that’s OK. You still can sign up on-site in Las Vegas. Hope to see everyone there!

INTERNATIONAL CONVENTION DELEGATES: BE INFORMED BEFORE YOU VOTE

Whose names are on the ballot? What bylaws changes are being proposed?

It’s best you know what you’re voting on before you enter the Business Session—so read up on the amendments and resolutions (http://community.kiwanisone.org/media/p/18324/download.aspx) and learn more about the candidates (http://slp.kiwanis.org/vegasicon2010/Libraries/Documents_PDFs/Bio_Candidates_for_International_Office_pdf.sflb.ashx?download=true) today.

And by the way, voting should be a breeze. Handheld units are back this year after proving to be quite a success last year in Nashville.

ONLINE MEMBER MANAGEMENT NOW AVAILABLE

Clubs now have the option to add, edit and delete members online under Club Management within www.KiwanisOne.org (the member resource site). This is the same area used for online monthly and annual reporting.

This quick process puts your new member(s) immediately into the Kiwanis International database. Bonus - you can generate the invoice to send with payment.

To get started, sign in at www.KiwanisOne.org/login. Click the Member Management link on the default secretary dashboard or click the Member Management (KI) nav in the left-hand Secretary menu.

Member Management will be available in several languages later this year.

One of the serious obstacles to the improvement of our race is indiscriminate charity.

Andrew Carnegie (1835 - 1919)
Members can see the site’s transformation as the new face for Kiwanis International at www.kiwanis.org.

Kiwanis.org is a public site, meaning more emphasis is on navigation aimed at prospective members, media and supporters wanting to learn more about Kiwanis and its mission. The aim is to provide several avenues of exploration to cater to all types of users (those who like visuals, those who rely on easy navigation links, those who like to click around and those who jump straight to search). In addition, members-only information is neatly tucked away behind a bright orange Member Area button (top right) that leads to www.KiwanisOne.org in a single click.

A few things you’ll see on the new site:

● The club locator (find a club) moves to bottom right and is more prominent.
   • Functionality has improved.

● Within a couple months, much of the site will be translated into seven languages.

● Left navigation starts with icons and expands into simple categories. The main category, Discover, leads to information about who we are, what we do and why we do it with a nod to our history and partners.

● The main Web page under Discover features a flash video that illustrates the impact of Kiwanis through animated words and music. This video was a massive collaboration project and first-ever experiment with using flash technology to tell the Kiwanis story. This is a link you’ll want to share!

● Find news, fact sheet, leadership listings, press releases and videos under Media Center.

● Links to International Convention have moved to the Member Area (KiwanisOne).

● Share Your Story is undergoing a transformation and submission has been simplified. Continue to submit to www.kiwanis.org/shareyourstory.

We think you’ll agree that the site transformation is dramatically different and highly anticipated. The changes are strategic, positive and propel the organization forward for global recognition, growth, public interest and support, and member pride.

FINDERS KEEPERS: CHECK OUT THE NEW CLUB LOCATOR

Every month, about 400 potential Kiwanis members search the Find a Club locator at www.Kiwanis.org (the public site).

A recent upgrade improves the experience for these guests (and club and district leaders) by simplifying the search and inquiry process. Less personal information is required making the process faster and more appealing.

Inquiring visitors have two contact options:

● Search for a club using Google maps and make up to 3 choices for desired club locations.

● Skip the geo-locating part and opt for simple follow-up via e-mail or phone. The new locator displays better club data and is tied directly into the Kiwanis database.

Changes to your club’s meeting date, place, time or Web site are reflected in real time.

TO DO

1. Search for your club.
2. Make sure your information is correct.
3. Be sure your club’s Web site is listed.
4. Edit if necessary. Go to www.KiwanisOne.org/login and edit via the link in top right of the secretary dashboard.
5. Share this link! www.kiwanis.org/findachub

KIWANIS INTERNATIONAL CONVENTION
I have the updated list of attendees to the International Convention. We have 40 Kiwanians and many partners/spouses. This is a great opportunity since the convention is so close to our District. Las Vegas is lots closer than Geneva, Switzerland (where the convention will be in 2011). Only one delegate registration report has been received in this office. Please get these in immediately. We need to have every Kiwanian member registered as a delegate. I know that fourteen are Delegates-At-Large (being members of the current District Board or Past Governors of the District). This leaves a whole lot of members who haven't had their club secretary send in the delegate registration form.

REMEMBER: All club dues must be paid for your club delegate to be allowed into the House of Delegates in Las Vegas.

UNIVERSITY OF PHOENIX AND HANDSON NETWORK RECOGNIZE RICKIE SANTER AS A UNIVERSITY OF PHOENIX™ VOLUNTEER LEADER AWARD HONOREE

ATLANTA, GA. (April 20, 2010)- Rickie Santer, of Levittown, NY has been named a University of Phoenix Volunteer Leader Award Honoree, an award given by HandsOn Network and the University of Phoenix to 10 outstanding volunteer leaders in the nation. These leaders motivate others and are catalysts for change in their communities.

The award celebrates the first anniversary of the landmark Edward M. Kennedy Serve America Act, which authorized the largest expansion of national service in America in decades. Santer will receive $10,000 to donate to the nonprofit organization of his choice and has selected to donate it to the Kiwanis Pediatric Trauma Center at North Shore –LIJ.

Rickie Santer has made service an integral part of his life. His involvement with the Woodland Middle School Builders Club, a community service club for middle school students sponsored by Kiwanis International, inspired him to value service.

In high school, he continued serving through Key Club, a student-led organization that teaches leadership through service to others. He was elected President of the Division Avenue Key Club, and began creating a community of youth excited to develop themselves as they built up their schools and communities.

The following year, as the acting New York District Key Club Lt. Governor, Santer planned and coordinated service projects for the 11 Key Clubs of his division. In his first large-scale service project, he coordinated a Spotlight 4 Sight Talent Show benefiting the Foundation Fighting Blindness. Santer was inspired to raise $10,000 for research after learning that one of his Key Club presidents had been diagnosed with retinitis pigmentosa, a genetic disease which causes reduced vision and/or blindness.

When Santer graduated high school, he continued his work building healthy communities. At Adelphi University, his coordination of large service projects continues.

Most important, Santer is leading leaders. He recently helped charter K-Kids and Builders Clubs in elementary and middle schools in New York. These clubs provide elementary and middle school students with the opportunity to grow in leadership through service to the community. He involves these younger K-family members in service projects, providing mentor opportunities between older volunteers and elementary and middle-school K-family members.

Santer has grown the Long Island Circle K Division from one club when he entered Adelphi as a freshman, to five clubs with more in the process of chartering. His Circle K Division has had the largest growth in the state, and one of his newly chartered clubs is the largest in the world with more than 115 members.

At the New York District Circle K Convention in March, Santer was elected Governor. His goals for the state include increasing memembership, expanding service opportunities for members and recognizing those that make a difference in their community through volunteerism.

EARTH DAY: DAISY GIRL SCOUTS HELP CHATHAM KIWANIS RECYCLE NEWSPAPERS

CHATHAM TOWNSHIP, NEW JERSEY - To celebrate Earth Day, Southern Boulevard School Daisy Girl Scouts recycled newspapers. Daisies collected and tied newspapers into bundles.

Their leaders Jill Gallagher and Katie Lyons, provided transportation to the Chatham Kiwanis newspaper recycling site, located in the Chatham Borough parking lot near the old post office.

Lidgetwood, who is the Kiwanis leader managing the newspaper recycling project, set up the conveyor for the girls to roll bundles into the recycling container. Close to the container is a wooden platform where residents drop off their newspapers and every week about 10 Kiwanis members meet to load the newspapers into the container.

Rich Behling, president of the club, was on hand to tell the Daisies about the value of recycling.

Income from the sale of recycled newspapers helps fund youth-oriented projects. Kiwanis is an international service organization which sponsors student service clubs (like Key Club and Builders Club) - their motto is “Serving the Children of the World.” Visit the club's website at “ChathamKiwanis.org” to learn more.

Dear Friends:

Circle K International held its very first meeting some fifty-five years ago in the Bryan Auditorium on the former Carthage College Campus in Carthage, Illinois. This became the birthplace of Circle K International and while the organization has gone on to see growth and prosperity, the auditorium building has not. For the past seventeen years, it has been sitting dormant as a structural disaster. But today, the community of Carthage, Illinois, and Carl Sandburg College are working to bring the building back to life and restore its status as a premier performing arts facility.

The Charger Community Center Auditorium Campaign will provide a portion of the funding necessary for this renovation project. Because of the historic significance as the location of the first Circle K International meeting, we invite you to join us and financially support the renovation campaign. Participation from Kiwanis International members and Kiwanis Family partners will provide support to a worthy project as well as serve as a lasting tribute to Circle K. Discussions with Carl Sandburg College have included such ideas as establishing a Circle K archival display in the facility, creating a permanent plaque to honor the first meeting and recognizing financial contributors of the project.

By honoring Circle K International’s birthplace in the Auditorium, you are not only giving recognition to CKI’s founders, but you are continuing the tradition these young people started fifty-five years ago with two simple words—"We Build". Your tax-deductible donation will serve to support the renovations along with supporting the Circle K and Kiwanis legacy. A gift made in honor or in memory of a fellow Kiwanian or a Kiwanis Club or Circle K Club is one of the most meaningful types of gifts. Please join with us and send in your donation today.

Sincerely,

ESSAY CONTEST

A third community projects this year is new and challenging it’s called the Freedom Essay Contest. In July of 2009 a club member brought an idea and a request for funding to the Board of Directors. The club agreed to fund $3000. for scholarships, additional private party donations were made in the amount of $1400. A committee was gathered and the project began. There were guidelines and rules to be developed, judges and couriers to be recruited, and sponsors to be enlisted. The Weber County School District was consulted for authorization of the contest. An eight person committee devoted literally hundred’s of hours developing, planning, and checking every detail. Some 22 schools were given binders with information about the contest and application forms for the students. Private and home schooled students were also eligible. A sponsor agreed to give a book on the Constitution to every student who wrote an essay. Wells Fargo Bank gave a “Freedom” T-shirt to every student who entered. Three state legislators and three federal legislators wrote letters of commendation to the top 15 students. Awards were made in three grade levels: 4th thru 6th, 7th thru 9th, and 10th thru 12th. The First prize scholarship for Senior High was a $1000 Certificate of Deposit, for Junior High a $1000. savings bond, and for Elementary a $750. savings bond. Second and third place received lesser cash awards, fourth and fifth place received gift coupons. Every student who entered received congratulatory letters from the club. One hundred fifty two essays were received, one hundred thirty seven were evaluated. The judging was “double blind” and three tiered and a month after the March 1st deadline winners emerged. At an awards banquet on May 18th students accompanied by their parents will receive their awards. They will also be treated to a great dinner cooked by Kiwanis members.

The committee has put together a book of the top 15 essays to be given to sponsors. Some books will be available for donations to help “Pay it Forward” for next year’s Contest. This exercise required that students research the Constitution and related documents to determine how our freedoms are guaranteed, how we sometime misuse and take them for granted, and how we can secure them for the future. The North Ogden Kiwanis believe this to be a worthwhile project and dedicate it to Utah’s Veterans, past and present.

It has been a busy year for North Ogden Kiwanis members but, that’s OK, President George Comber and the club like it that way.

In Memoriam: Past International President Aubrey Irby
THREE EVENTS RAISE FUNDS FOR THREE COMMUNITY PROJECTS OF NORTH OGDEN KIWANIS

PANCAKE BREAKFAST
Chartered in 1946, the North Ogden Kiwanis Club has been cooking a pancake breakfast for 30 plus years at the 4th of July Cherry Days Festival. They started cooking on pans out of their kitchens but soon graduated to 30 inch wide grills as the crowds grew. Last year the club built four new grills in the back yard of member Bob Christopherson, and now uses ten to twelve grills to cook for some 900 to 1200 guests each year. Serving from 7 AM until almost 10 AM the work is fast and furious. An enclosed trailer was purchased last year to transport grills, propane tanks and utensils to the Cherry Days site. The club gets help from spouses, the Junior Council and from Wal-Mart employees who volunteer. The project takes weeks of planning but the chairman, usually Club President, learns quickly that most members know their job and it’s a matter of letting them do it.

GOLF TOURNAMENT
A “Two Person Scramble” Golf Tournament at The Barn Golf Club is now in its seventh year. Last year’s version featured a Continental Breakfast and free driving range plus a hole in one contest. Awards were made for longest drive, closest to the pin, and low score in age and gender divisions. The lone woman player, Pat Maddox walked away with an armful of prizes during the lunch time awards and drawing. It’s a fun day and one that golfers and club members look forward to each year.

MEAT BONANZA
Working with Lee’s Market the club had its first “Meat Bonanza” and held a drawing on the 4th of July. Three lucky people had their choice of meats from Lee’s totaling $1750. Members worked diligently taking donations for the drawings and the “Meat Bonanza” netted over $3000. Combined with the other fundraisers the club added nearly $14,000. to its Projects Account. This provided the “fuel” for three community projects.

BOOKS PROJECT
For the past six years North Ogden Kiwanis have worked with Mrs. Carol North, teacher at Majestic Elementary, to provide books for six elementary schools in the area. Most years the Weber Foundation has given matching funds. To date the club has contributed over $13,000. to the project and some 22,000 books have been purchased for the schools. This is a fun project for club members. When notified by Mrs. North, members go to her school library to sort books. They also stamp every book with a “Donated by North Ogden Kiwanis Club” imprint. This year some 4500 books were sorted, stamped and delivered by April. For the club this is a labor of love, for teachers and librarians it’s a “godsend”. Carol North’s contribution to this project cannot be over stated, she has been the key to success. Her husband Gordon North, Kiwanis member, keeps the club apprised of the project status.

VA HOME
Many of the Kiwanis members are veterans so naturally when the new VA Home was built nearby in Ogden the club agreed to sponsor a room. A $3500. donation was made and now there is a room that displays a plaque showing that North Ogden Kiwanis is the sponsor.

KIWANIS OF ONTARIO, OREGON
SOCCER FIELD DEDICATION, MARCH 31, 2010
This year the Kiwanis of Ontario built a "Campo de Futbol" or Soccer Field in Eastside Kiwanis Park in Ontario, Oregon. The Soccer Field was inspired by the painted mural on the fence in the background which has 11 images of soccer players. The soccer field is being used as a Community practice field. All ages are using the field. Parents, High School, Middle and Elementary School students, boys and girls are all enjoying the field. We wanted to give the community a positive healthy activity. Enjoy the photo of people enjoying the soccer field

HAILEY AND THE WOOD RIVER CLUB HOSTS 4TH ANNUAL CHILI COOK OFF FOR THE KIDS
On March 27th, the little Hailey Club in Idaho hosted their 4th Annual Chili Cook Off, at the Blaine County Senior Connection. The beneficiaries of the proceeds are the 36 children that attend the local Head Start Program, ages 3-5. The money pays for their swimming lessons in the Summer time while they are out of school. The Business Award went to Kiwanis Member Kim Baker of Professional Roofing, and the Individual Award went to the Roy Love Family for the 2nd year in a row. Thank you, and it's still a great day in Hailey, Idaho!
KEY CLUB INTERNATIONAL PRESIDENT VISITS ECHS CHARLOTTE

INDIANAPOLIS, IND. - Key Club International surpassed 250,000 members when Edison Collegiate High School Charlotte Campus received its charter during a ceremony on Wednesday, May 19 at 1 p.m.

Edison Collegiate High School (ECHS) is Southwest Florida's first collegiate high school and Charlotte County's only charter school. Located on the Charlotte campus of Edison State College, students of ECHS will enjoy a collegiate environment and graduate with both a diploma and associates degree.

Key Club International President Abigail McKamey and Director Mike Downs will present ECHS its charter and install members firsthand to commemorate the historic milestone. The ceremony will be held in the Edison State College Charlotte Campus auditorium.

"Our students have been very passionate in regards to community involvement and they understand what a tremendous organization Key Club is," ECHS Principal Diane Juneau said. "To have our own charter means a lot to our students and faculty alike. The fact President McKamey will be on campus for the occasion is an incredible honor and something everyone involved will cherish for a long time."

Key Club International is the oldest and largest service program for high schools students in the world. An affiliate of Kiwanis International, Key Club is a student-led organization that teaches leadership through serving others as members build themselves as they build their schools and communities.

Key Clubs thrive on more than 5,000 high school campuses in the United States, Canada, the Caribbean, Central and South America, Asia and Australia. Since 1925, Key Club International has provided more than 12 million hours of service to homes, schools and communities each year.

"We are excited to have such wonderful examples of youth who care about the world around them and have taken the initiative to be servant leaders," said Kiwanis International President Paul Palazzolo. "We are happy these young men and women have a passion to share their time, talent and treasure with others."

The ECHS Charter opens with 18 members and an environmental focus under the guidance of teacher Michael E. Mitchell. Marissa Butcosk will serve as president; Taylor Richards as vice president; Carissa Stepp as secretary; Gabriella Austin as treasurer; and Holly Osborne as editor.

The ECHS charter is sponsored the Port Charlotte Sunrise Kiwanis and President Tom Natoli, who also will be on hand for Wednesday's ceremony. Sunrise member Connie Thrasher serves as the ECHS advisor.

"The students of Edison Collegiate High School have been tremendous from the start; their energy and commitment are inspiring to everyone at Edison State College," Charlotte Campus President Dr. Patricia Land said. "I think the addition of Key Club is a perfect fit and will allow the ECHS student to continue developing as leaders and role models for the future."

LAWRENCE JAY YOUNG

Lawrence Jay Young, age 84, was reunited with his eternal companion Gloria Carter Young, when he passed away Thursday, April 1, 2010 in Provo suddenly and peacefully in the arms of his daughter with his son at his head surrounded by other loving family members.

Lawrence was born June 13, 1925 in Provo, to George Henry & Agnes Johnson Young. He married his high school sweetheart, Gloria, on September 10, 1945 in the Manti Temple. She passed away on February 20, 2009 and from that day on Lawrence longed to be reunited with the sunshine of his life. He made every effort to endure to the end by participating in family activities, Kiwanis meetings, Eldred's Center and ward activities. It was his faith, family and friends that often lifted his spirit.

Lawrence grew up in Provo & graduated from Provo High School. He joined the Air Force during World War II. After returning home, he worked at the Nash auto dealership and eventually was employed in the Rolling Mills at Geneva Steel where he eventually retired. He served as the Business Manager of the Geneva Recreation Association (GRA) where he was instrumental in developing the GRA Park in west Provo. After his retirement he began a new successful career as a salesman for AFLAC insurance.

He and Gloria enjoyed traveling and were blessed to visit many states and countries around the world. No matter where they went, they were surrounded with friends.

He was an avid BYU and Jazz fan. After Gloria's passing, the sport activities often helped pass his many lonely evenings.

Lawrence was a faithful member of the LDS church and served in various church positions. He influenced the lives of many varsity scouts. He and his wife worked for many years in the Provo Temple. One of his favorite callings was serving with his wife at the Provo Temple.

He loved his family and built his life around close relationships with his children, grandchildren and great grandchildren.

Lawrence was preceded in death by his angel wife, Gloria, his son James, two brothers: Grant and Ray Young and his parents.

Lawrence is survived by 2 of his children: Dell (Vicki) Young of Pleasant Grove; Becky (Scott) Ward, of Provo. 15 grandchildren; 41 great-grandchildren; with 3 more on the way.

As a family we would like to thank all those couples that have cared for Dad & Mom. They helped make it possible for them to stay in their own home. It is because of them and great friends and neighbors that their lives were a bit of heaven on earth.

WILFORD E. SMITH

Courageously submitting to a recent crippling illness, Wilford E. Smith died at home on April 20, 2010. He was born in Holladay, Utah on May 16, 1916 to George Carlos and Lillian Emery Smith, their seventh child and second son. He grew up on the Smith Brothers Dairy Farm, forming tight bonds with his three younger brothers in their daily chores and playful frolicking.

After his father died, he found work at a CCC camp in Southern Utah. He was a motivated learner and doggedly pursued his ambitions to be a teacher.

He served as Chaplain in the U.S. Army, participating in the Pacific Theater in WWII and achieving the rank of Colonel. After retirement, he was elected President of the National Chaplains Reserve Association.

He held memberships in many professional and service organizations acting as president in them on many occasions. He especially enjoyed being a part of Central Utah Football Officials Association and coaching his sons among other young boys in many sports.

He earned a Bachelors Degree from the University of Utah, lettering in wrestling. His Masters degree was granted at B.Y.U. and his PH.D was earned at the University of Washington. He taught in several seminaries and for thirty-five years taught sociology at B.Y.U. He directed educational tours for B.Y.U. He spoke Maori, French, and Bislama.
WILFORD E. SMITH (Continued)

He was a member of the Church of Jesus Christ of Latter-Day Saints and served in many capacities; notably as a missionary to New Zealand under President Matthew Cowley, twice as a bishop, and as a Mission President over the Suva Fiji Mission. His testimony was unwavering. He authored two text books on sociology, wrote articles for professional publications, as well as several journals of discourses, personal histories, and poems for his posterity.

He always told us he was the richest of men because of his extraordinary wife and wonderful children. He carefully tended to her care during all of her illnesses spanning 68 years. He was a mentor to extended family, students and friends. Every mealtime in his home became a mini seminar on a variety of subjects. He taught righteous precepts and was a consistent example of those tenets. He, Papa, is loved because he first loved us. He was always looking out for the underdog. He shall be dearly missed, but we gain comfort in knowing he is joyously reunited with his dear wife, Ruth, his forebears, all ten of his siblings, and his son, George, who lived but a few hours in mortality.

He is survived by his children, Charlotte (Kent) Knudsen, Boise, Idaho; W. Emery, Jr. (Pamela Packer) Smith, Salt Lake City; Sherman Christensen (Bobbi Aboe) Smith, Salt Lake City; Ronald Tye (Adriana Castalan) Smith, Cedar Hills; Jeffrey Randall (Karen Bone) Smith, Provo; twenty-eight grandchildren, fifty-nine great grandchildren, Andrew Christensen, brother-in-law; Beth Christensen Cannon, Leah Smith, sisters-in-law, and many nieces and nephews.

Contributions to the Perpetual Education Fund would be a valuable remembrance.

Farewell then, to an honorable, noble, son, husband, father, friend, our Papa.

HELEN CARLISLE BLACK

Helen Carlisle Black, our beloved, wife, mother, grandmother and great-grandmother passed away March 8, 2010 at the age of 89.

Helen was born in Millcreek, Utah on December 5, 1920, the second daughter of Charles Luther and Margaret Gilmour Burt Carlisle.

Later the family moved to a dairy farm on the West Mountain in Payson where Helen completed her high school education, graduating Valedictorian of her class of '38 and received a scholarship to Utah State University. Due to a knee injury, her dream of obtaining a college education was interrupted later to be fulfilled when she graduated from Western State College in Gunnison, CO in 1966 with a degree in elementary education. She taught for 13 years in the Nebo School District. When she began her first semester at Utah State she met her best friend and eternal companion, Read Lamont Black, of Nephi, Utah. They were married April 8, 1940, in the Salt Lake Temple.

The first few years of their marriage required many moves as she accompanied her husband in his various professional and military assignments. While Read was overseas during WWII, Helen, along with her first son, continued her education at Utah State. She was a hard working and dedicated wife and mother. She loved to study, read and work on family history. Unselfish service was an integral part of her life. She served in many callings of The Church of Jesus Christ of Latter-day Saints including several callings as relief society and primary president and various teaching positions. While her husband was involved in professional consultation work in Asia, from 1980-1985, Helen worked at the request of the Manilla LDS Mission Presidency with the personnel of BYU in the preparation of a series of educational lessons designed to teach home management, health awareness and dietary improvement to the local people. During this time, she also taught at the International School System of the Philippines and was involved with the Mother Theresa program. In later years, she served as a temple ordinance worker and was active in the Kiwanis Club serving as the first female president of Provo Golden K International. She was a Diamond Hixson Fellow of Kiwanis International and was in charge of the "Reading is Fundamental" program until the time of her terminal illness.

Helen is survived by her husband Read; children, Stephen (Linda) Black, Marjorie (Gerald) Hill, Richard (Kathi) Black, Harold (Jolynne) Black, Terri (Mark-deceased) Jarvis and Carl (Nan) Black; 32 grandchildren; 62 great-grandchildren; sisters, Ila Peterson and Lois Moore; brother, David Carlisle. She is preceded in death by one son, Donald Black.

Dear Kiwanians of the Utah and Idaho District:

Many of you will remember Charla Joyce Benson. She was indispensable in making several of our pre-convention tours possible. Charla handled the thousand of details that make these tours a memorable reality for those who went on them.

The tour to St. Louis by way of Branson and the “Throwing of the Rolls at Lamberts”, dining with an Amish family, and cruising the Mississippi on the Mark Twain. The tour to Indianapolis through the Land of Lincoln and the Meramac Caverns made famous by Jessie James. The tour to Montreal by way of Niagara Falls, the Erie Canal and the Thousand Islands of the St. Lawrence, The tour to St. Louis by way of Tuacahn, the Shakespearean Festival, the dinner cruise on Lake Powell, rafting the Colorado, and the loveliness of Canyon de Chelly. All these wonderful trips and even better memories were, in large measure, a product of Charla’s efforts and dedication. I am sorry to report that this lovely girl passed away of cancer on the 14th of this month. As I held her hand on the last day, she said to me, “Ralph, I have lost the war, but I have won the Peace”. And, indeed she has. I hope the next time you enjoy a Navajo taco you will think of Charla and the lovely Indian family we dined with on the rim of beautiful Canyon de Chelly.

Charla really loved Kiwanians, and I know that many of you felt the same toward her.

“Hey, Charla, Thanks for the Memories!!!!” Sincerely, Your Brother-in-law, Ralph.
