Kiwanis International and UNICEF have joined forces to save the lives of babies and their mothers by eliminating maternal/neonatal tetanus (MNT), a disease that kills an estimated 60,000 newborns and 30,000 mothers each year. UNICEF Ambassador and actor Tea Leoni delivered the announcement at the 95th Annual Kiwanis International Convention.

“Kiwanis believes that no baby or mother should have to suffer the devastating effects of MNT,” said Kiwanis International President Paul Palazzolo. “Kiwanis will mobilize its nearly 600,000 family members to become tireless advocates for these children and raise needed funds to defeat this deadly disease.”

MNT is easily prevented by a series of three vaccinations to women of childbearing age, costing roughly US$1.80. The Eliminate Project: Kiwanis eliminating maternal/neonatal tetanus will raise US$110 million over the next five years to fill the funding gap required to provide an estimated 387 million doses of the vaccine.

The Eliminate Project will deliver life saving vaccines to the most vulnerable women and children in the world: those in remote and difficult-to-reach places. This project is saving the lives of babies and their mothers in 172 countries.

The Eliminate Project will protect mothers and newborns from Tetanus. Children in the world are suffering and need our help. As of today, we have raised over US$6 million to reduce maternal and neonatal tetanus.

“With Kiwanis by our side, we will be able to conquer maternal/neonatal tetanus,” said U.S. Fund for UNICEF President and Chief Executive Officer Caryl Stern. “I’ve seen how this little access to healthcare devastates families. Infants suffer, while mothers are unable to comfort their babies. Kiwanis is providing the final push that will protect vulnerable women and their newborns.”

Dear Fellow Kiwanians,

Charlene and I have just returned from the 2010 Kiwanis International Convention held in Las Vegas, Nevada. We both believe it was the best IK Convention we have had the privilege to attend. Two of the highlights were Colin Powell’s uplifting and entertaining keynote address, enthusiastically supporting Kiwanis’ efforts to help our youth and the new ELIMINATE worldwide service project announcement by actress Tia Leoni, UNICEF and others, including the Bill and Marinda Gates Foundation to help stamp out maternal and Neonatal Tetanus. We all learned this scourge is still the cause of over 125,000 deaths of mothers and newborn infants each year in third-world countries, despite its having been almost eliminated throughout the rest of the planet decades ago. The goal is to eradicate this menace worldwide within the next half decade. I know Kiwanians can do it! International President, Paul Palazzolo, inspired us with his Kiwanis Spirit and message to help our youth. He has truly been one of our most inspiring leaders. Our in-coming International President Sylvester Neal, spoke enthusiastically to us as the convention wound down to join him in lighting a Kiwanis fire that can enlighten, engulf and serve the youth of the world, our future.

Stuart Collyer, who along with his wife Cindy, are most responsible for getting up the new Saratoga Springs, Utah, Club this past month, visited me in my office after the 4th of July. I told him that, due to their efforts and others, Charlene and I were invited over the convention microphone by our great current KI President, Paul Palazzolo, to join some fellow governors and their wives to meet and have our pictures taken with Jay Leno, after what has to be one of his great performances. I even got Jay to sign my name badge with his chin caricature which I proudly wore the remainder of the convention! When Paul called us governors to a meeting in February to discuss locations and personnel for possible new clubs, my first thought was to call on Stuart at Saratoga Springs. Stuart, his dear wife Cindy and others took up the challenge and now we have a new club, including the principal of the new Westlake High School, who are already in the process of serving our youth by organizing a new Key Club and other activities at that school!

I mention this, because I committed with International President Paul to organize four new clubs for our district this year and while we have some activity in seven other locations, we are lagging in completing the work we started and committed to do. I believe if we can all do our part not to make a liar out of me, and start by getting behind and asking others to join our new Salt Lake City Creek Internet Club, which Gordon Lewis, Chuck Baker and others of our great Bonneville Salt Lake Club are sponsoring, we can have a second new club in our district early in August. That leaves us a lot of August and September, the last two months of my term as your governor, to get up the final two committed clubs. How about it, our great Idaho Kiwanians? I know you have youth there who are falling through the cracks, as well as those here in Utah. They need our help, which we can only give by strengthening our clubs AND by building new ones. Please join me in this great effort. Nothing is accomplished by mere talk. Our goals and commitments mean nothing if we are insincere or unwilling to do the work necessary to accomplish them. I know that working together these next few months, we can do it!

I also appeal to each of you join us at our annual Utah-Idaho District Convention in Provo, August 27-29, 2010. It is looking to be the best convention our district has ever held. Don't miss this one! Please sign up today!

Thank you in advance for your supporting our 2010 goals and especially for caring for our young people, our future.

In Kiwanis Spirit and Service,

Brent

THE COMMON WELFARE
Jim Terry, Spiritual & Human Values Chair

At our International Convention in Las Vegas our Kiwanis President Paul Palazzolo talked about the book “A Christmas Carol” by Charles Dickens. He told the story of Jacob Marley visiting with Scrooge. So I decided I would reread that portion of the book when Jacob Marley came and visited Ebenezer Scrooge. In one part Marley states, “I wear the chain I forged in life…I made it link by link, and yard by yard.” Scrooge says to Marley “But you were always a good man of business.” “Business!” cried the Ghost, “…Mankind was my business. The common welfare was my business; charity, mercy, forbearance, and benevolence, were, all, my business. The dealings of my trade were but a drop of water in the comprehensive ocean of my business!”

What about our book? In our book there may be things as public records of our lawful existence to a specific place or country. There are id numbers, passport numbers, social security numbers that are necessary for all our official transactions. At the end, whether we officially exist or not as citizens of a country, depends on whether our names are written in its books. But there are other more important things that should be in our book. Shouldn’t there be something that indicates mankind was our business? Shouldn’t there be things about charity, mercy, forbearance and benevolence? Charity – generosity and helpfulness especially toward the need or suffering – pure love of God. Mercy – lenient or compassionate treatment. Forbearance – a refraining from the enforcement of something (as a debt, right, or obligation) that is due. Benevolence – a disposition to do good, an act of kindness, a generous gift. These are all things we can be putting in our book. We are the authors of our own book. Each chapter is a stage in our life. We have a great opportunity to make “mankind our business.” Let us each day add a little more to our book of those things which are important like charity, mercy, forbearance, and benevolence.

Life isn’t about how to survive the storm, but how to dance in the rain. (Unknown)

The majority of mothers and newborns dying of MNT live in 40 countries located in Africa, and Southern and East Asia. The disease kills one baby every nine minutes. Its effects are excruciating—tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch.

“As a mother of two children, I have known the great joy of welcoming a new life into this world. I couldn’t imagine watching my child suffer and die from a disease that is as easily preventable as MNT is,” said Tea Leoni. “With this new partnership between Kiwanis and UNICEF, so many lives will be saved.”

Not only will The Eliminate Project protect women and babies from tetanus, the project also will create a path for other services, such as clean water, nutrition and other vaccines, to reach the world’s most vulnerable people.

Partnering with UNICEF, Kiwanis successfully completed its first global campaign for children to virtually eliminate iodine deficiency disorders (IDD), the leading cause of preventable mental impairment. Kiwanis raised and leveraged more than US$100 million, which helped change lives in 103 nations. The number of households estimated to be consuming iodized salt has jumped from less than 20 percent in 1990 to more than 70 percent, and the effort has been heralded as one of the most successful health initiatives in the world.

About UNICEF

UNICEF has saved more children’s lives than any other humanitarian organization in the world. Working in over 150 countries, UNICEF provides children with health care, clean water, nutrition, education, emergency relief, and more. The U.S. Fund for UNICEF supports UNICEF’s work through fundraising, advocacy, and education in the United States.

UNICEF is at the forefront of efforts to reduce child mortality worldwide. There has been substantial progress—the annual number of under-five deaths dropped from 13 million in 1990 to 8.8 million in 2008. But still, 24,000 children die each day from preventable causes. Our mission is to do whatever it takes to make that number zero by giving children the essentials for a safe and healthy childhood. For more information, visit www.unicefusa.org.

MATERNAL/NEONATAL TETANUS (MNT)

What is MNT?

In 40 countries around the world, maternal and neonatal tetanus (MNT) can quickly turn the joy of childbirth into tragedy. MNT kills one baby every nine minutes. Its effects are excruciating — tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. There is little hope of survival. And tetanus kills mothers too.

Who suffers from MNT?

MNT is caused when tetanus spores, found in soil everywhere, come into contact with open cuts during childbirth. The disease strikes the poorest of the poor, the geographically hard to reach and those without health care.

Can MNT be stopped?

Yes! MNT is highly preventable. Just three doses of a 60-cent immunization protect mothers, who then pass on the immunity to their future babies. Together, Kiwanis and UNICEF can stop this disease.
MATERNAL/NEONATAL TETANUS (MNT) (Continued)

Why hasn't MNT been eliminated already?
UNICEF has helped to successfully eliminate MNT in many countries. But in 40 countries in Africa, Asia, Europe and North America, it still strikes babies and mothers who have little or no access to health care — either because they are poor, live in remote areas or are caught in humanitarian emergencies. More funds and resources are needed to reach all babies and mothers at risk.

What will it take to eliminate MNT from the Earth by 2015?
129 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. It will take $110 million — and the dedicated work of UNICEF and every member of the Kiwanis family.

Why focus on this issue?
It is unacceptable that innocent newborns and their mothers suffer and die from MNT when it can be prevented so easily. This is also an amazing opportunity to reach the poorest, most neglected mothers and babies with lifesaving health care. Developing delivery systems for MNT vaccines will blaze a trail to provide additional desperately needed services to these marginalized families.

What is the ELIMINATE partnership?
Hand in hand, Kiwanis and UNICEF will eliminate MNT and change the world. Kiwanis' commitment, vision and strength in reaching communities and leaders will help wipe out this cruel, centuries-old disease and pave the way for other interventions. UNICEF has staff working in the most isolated corners of the globe and an unbeatable supply chain.

Dear Fellow Kiwanians,

You’re attending this convention during one of the most historic times in Kiwanis history! With our new global project for children to ELIMINATE maternal and neo-natal tetanus, this is the right time to prepare for continued success in the Utah-Idaho District.

To tackle this new global initiative along with local efforts, we need to be strong and we need to be ready. That’s why I’m asking for your pledge to help your club achieve its potential for service by achieving its potential for membership strength! When you return home from this convention, please make the commitment to:

1. Sponsor a new member into your club before the end of the year. Ask someone to be a part of the fun and service that you enjoy!
2. Organize an effort to “ReMember” Kiwanians in your club who may not be as active as they once were. Bring them “back home” to your club. Whatever their reason for inactivity, reach out before you delete them from the roster.
3. Energize your Kiwanis Family clubs. The new school year brings opportunities to fulfill our responsibilities of sponsorship and perhaps gain some new Kiwanians from school personnel and parents.

Too much to ask? Not when it comes to making your club the best possible Kiwanis experience for your members, for your community AND for the children of the world.

Thanks for all you do as a Kiwanian. Have a great convention.
Yours in service,
Paul Palazzolo, Kiwanis International President

WHAT IF YOU COULD SAVE A BABY’S LIFE?

There are few events more joyful than the day a new baby is welcomed to the world. But in 40 countries, a dreaded disease quickly turns that joy into tragedy. Maternal and neonatal tetanus (MNT) kills one baby every nine minutes — that’s 60,000 babies every year who will never grow up, make their mothers laugh, play with friends or dream about the future. 2009 – 2010 ANNUAL CLUB GIFT CAMPAIGN UPDATE
LaMar Anderson, District Annual Club Gift Campaign Chair

As of June 30th, our Utah-Idaho District had contributed $9,719.00 to the Kiwanis International Foundation’s 2009-2010 annual club gift campaign. This equates to $5.80 per member and keeps our district in first place among all Kiwanis districts on a per member basis; Kansas is in 2nd place having donated $5.47 per member. Five of our Divisions have now donated in excess of $5 per member to this year’s campaign—Divisions 2, 3, 6, 8, and 10.

Lt. Governors from these divisions will be recognized at our district convention next month.

DISTRICT FOUNDATION
Jim Terry, District Foundation President

As we are approaching the District Convention in August we are making an appeal for all clubs and members to help make our district foundation a success. This money goes directly back to the clubs in scholarships and supporting Key Club and CKI. We cannot support them unless we have your help. You can help several ways.

1. Gift Baskets for the District Convention. We are asking each club to donate a basket for the auction.
2. Heads & Tails donation. We are asking that each member attending the convention to bring at least $20 to donate. A great prize will be donated to the winner of the Heads & Tails game. We have an opportunity to raise over $2000 for the foundation.
3. We are asking each club to donate $6 per member to the foundation or $100 whichever is greater. This is another great way your club can make a difference in the lives of children.
4. Purchase a Reed Culp Medal for $1000. This will put you in a group of distinguished members of our district who have done this.

A Utah – Idaho Kiwanis District Foundation Donation/Contribution Form is on Page 16 of this U & I Kiwanian.

Each member of the District Board greatly appreciates all that you do in your support of Kiwanis.

Come in to one of our many Utah locations!
CALL TO THE 91st ANNUAL DISTRICT CONVENTION  
27-29 AUGUST 2010  
PROVO MARRIOTT IN PROVO, UTAH  
By Janet Flinders, District Secretary

All Kiwanians are invited to attend the Utah-Idaho District Convention August 27-29, 2010 at the Provo Marriott in Provo, UT. Please note in this issue the registration form and tentative schedule.

Three delegates are encouraged from every club in the District. Be sure to have your club secretary fill out the Delegate Registration Form which is also included in this issue. Delegates at large are CURRENT District Board of Trustees (Governor, Governor-elect, Immediate Past Governor, Secretary, Treasurer and Lt. Governors) plus ALL Past Governors.

Come for the fun of meeting other Kiwanians, seeing friends, learning more about Kiwanis, checking out new fund-raising ideas, taking care of a Baby Care Cupboard in a shelter or food pantry, how to bring new members into your club, and other service projects.

ALL LT. GOVERNORS-ELECT who haven’t been trained, must be trained on Friday, August 20th from 1pm-5pm.

Any and all Presidents-elect and Secretaries-elect need to attend Club Leadership Education (CLE) plus any member of a Kiwanis Club and join in this training.

The Krafty-K-Korner will have gift baskets for sale (Please make sure your club donates a basket or money). All monies received will go directly to the Utah-Idaho District Foundation. All monies raised will go directly to the U-I District Foundation. Our Foundation supports the Service Leadership Programs in the District and it gets more expensive every year. The Foundation must match the funds received from Kiwanis International Foundation for scholarships for Key Club and CKI. The number of scholarships depends on the dollar per capita raised for the Annual Club Gift Campaign. ALL clubs are asked to donate at least $6.00 per member.

CONVENTION FUND RAISER

We have an exciting fund raiser scheduled for this year’s District Foundation. Bring lots of $5 bills to donate to this case that is so important to help support our youth organizations and to give matching scholarships outs. We will have a great gift for the last person standing in our fund raiser of heads and tails with the last person standing winning the gift. We need everyone’s support in this to make it a success.

We still are asking for gift baskets from the clubs to help support the district foundation.

AMENDMENT #1

Purpose: To Move Dues Billing to October 1 for All Clubs
Effective Date: October 1, 2010

Since the District dues are billed and collected by Kiwanis International (thus saving District resources) the District must follow the same system and timing used by Kiwanis International. For that reason, this amendment is housekeeping in nature.

Article XIV. Revenue

Section 1. Each member club shall pay to the District for each of its members, with the exception of its honorary members, the sum of $2.00 per annum as the subscription price of the District bulletin, and $20.00 per annum as dues. The total amount shall be due annually on the club's anniversary date as set forth in the International Bylaws, on October 1 payable not later than sixty (60) days thereafter, and is to be based upon the annual membership report of the respective clubs as shown by the reports to Kiwanis International as of September 30. Such annual membership report shall be due eighty (80) days prior to the due date for the club's annual dues payment and shall be made on the official forms provided by Kiwanis International. The total amount shall include all District charges other than the new member add fee and registration fees for District conventions or conferences.

PROVISO: Between October 1, 2010, and October 1, 2012:
- For clubs organized between September 1 and December 31:
  - For the year 2010-11, payment shall be based on the club roster as of September 30, 2010, and shall be due October 1, 2010, and payable no later than November 30, 2010.
  - For clubs organized between January 1 and April 30:
  - For the year 2010-11, payment shall be based on the club roster as of Sept. 30, 2010, and shall be due December 1, 2010, and payable no later than January 31, 2011;
  - For the year 2011-12, payment shall be based on the club roster as of Sept. 30, 2011, and shall be due October 1, 2011, and payable no later than November 30, 2011.
- For clubs organized between May 1 and August 31:
  - For the year 2010-11, payment shall be based on the club roster as of Sept. 30, 2010, and shall be due February 1, 2011, and payable no later than March 31, 2011;
  - For the year 2011-12, payment shall be based on the club roster as of Sept. 30, 2011, and shall be due December 1, 2011, and payable no later than January 31, 2012;
  - For the year 2012-13, payment shall be based on the club roster as of Sept. 30, 2012, and shall be due October 1, 2012, and payable no later than November 30, 2012.

Section 2. Annual dues payments, as required by Article VI, Section 10, of the International Bylaws shall be due and payable according to the club's organization date as follows:
- Payment for clubs organized between September 1 and December 31 shall be due on December 31st.
- Payment for clubs organized between January 1 and April 30 shall be due on March 31st.
- Payment for clubs organized between May 1 and August 31 shall be due on May 31st.
(The remaining Sections of this Article will be renumbered.)

AMENDMENT TO DISTRICT BYLAWS

TO MOVE DUES BILLING TO OCTOBER 1st FOR ALL CLUBS
(per Kiwanis International Bylaw Amendment Adopted in 2009 at the International Convention in Nashville, TN)

The District Bylaws need to be amended to show when the dues for all clubs in Kiwanis International will be due eventually on October 1st and payable no later than November 30th.

The effective date of this bylaw amendment is October 1, 2010, not immediately upon adoption at the District Convention in August.

Be aware that the Proviso is a necessary component since it states how Groups 2 and 3 clubs will transition into the new system.

All clubs need to know how and when their dues billing will be sent and when payment will be due.

### UTAH – IDAHO KIWANIS DISTRICT FOUNDATION DONATION/CONTRIBUTION FORM

**The Reed Culp Medal** – Reed Culp medal has been created to honor our Past International President Reed Culp. Reed Club was a member of the Salt Lake Kiwanis Club and was an active Civic leader. He was a partner and owner with his brothers and later with his sons of Culp & Sons Sheep Co. He was named to the national board of Boys Clubs of America and was appointed to the Salt Lake Mayor's Committee on Juvenile Delinquency.

Contributions in amounts of $1000 or more, entitle the donor to a very distinctive lapel pin and a medallion depicting the likeness of Reed Club to be worn on a brightly colored neck-ribbon.

The only source of funding for the Foundation is through the generosity of its members, Kiwanis Clubs, and other interested persons/corporations. Each year the Foundation makes an appeal to all Kiwanis Clubs to consider a club gift to the foundation. We ask each club to donate $6 per person or $100 whichever is greater. With 100% participation by the clubs the Foundation would be able to award up to five matching scholarships each to Key Club members and Circle K members. The annual campaign is the primary source of income and determines much of the Foundation's impact, particularly in the areas of supporting Kiwanis sponsored programs.

FOOLS FALL IN LOVE ... AND ALL OVER AGAIN!

By Matt Ryerson
Published July 1, 2010, in the Cleveland Daily Banner

CLEVELAND, TENNESSEE—As incoming president of the Kiwanis Club of Cleveland, I recently had the distinct pleasure of serving as a delegate at the Kiwanis International Conference.

After holding the conference in previous years in places like Toronto, Tokyo and now next year in Geneva, Switzerland, this year I learn, they hold it in Las Vegas. They must have known I was coming.

As we walked through the convention center during the conference, a woman walked up to us and said, “Do you want to get married ... by Elvis?”

Since I began writing this column, I have been asked some strange questions, but this one was definitely unique. Anywhere else, this question would have seemed out of place, but considering the fact we were in Las Vegas, it seemed just about right. So of course, my wife and I almost immediately and simultaneously said, “Yes!” It was actually quite a coincidence she asked because when we were engaged we often joked about slipping off to Las Vegas and getting married by Elvis. Now we were faced with the real-life opportunity.

Following our positive response, the woman quickly warned us, “Now this is for real ... it will be official. Elvis is an ordained minister.” We took pause. A few thoughts ran through my head. First, I thought, wouldn’t it be funny if the real Elvis really was an ordained minister and had done weddings when he was performing in Vegas? Second, I figured it would be legal to get married since I had already been married for more than six years (assuming I was marrying the same woman, which after a quick inspection, I was). Lastly, I wondered if my wife would actually agree to marry me again, considering she has spent six years getting to know me (for all of you who were wondering, she did).

Despite the warning, we agreed to go ahead with the ceremony. We introduced ourselves to Elvis (he was slightly shorter than I had imagined) and he quickly reminded us again that he was an ordained minister and that this was a real ceremony.

I wondered for a moment why they were so persistent on making this point clear and then I had a picture of some unsuspecting couple out on their first date, thinking this would be cute, going through a “mock” wedding ceremony, only to find out after the fact that they had actually been married by an ordained minister impersonating Elvis (it might make a great reality TV show).

After the reminder that I was indeed going through an official marriage ceremony with my wife, I informed us that he had left his guitar in the trunk of his car. This was almost a deal-breaker. What kind of self-respecting Elvis would leave his guitar in the trunk of his car when he planned on doing wedding ceremonies? I bet the real Elvis would have never allowed that to happen. Nonetheless, I had become overwhelmed with wedding fever and agreed to go through with the ceremony despite the absence of the guitar.

We jumped into the ceremony and with a number of Kiwanians observing, my wife agreed to “Love Me Tender” and never leave me at “Heartbreak Hotel.” I, in turn, agreed to not be a “Hound Dog” and be her, “Big Hunk O’Love,” while having a “Burning Love” for her for all of my days.

Just like that, we went from attending an International Kiwanis Conference to being on our second honeymoon, Viva Las Vegas! I guess after six years of marriage, renewing our vows made the old Elvis ballad “I Can't Help Falling in Love with You” true once again.

**THE VALUE OF A VIDEO**

If a picture is worth a thousand words, what’s the value of a two-minute video? Quite high if it’s a video capturing Kiwanians working on a One Day project or announcing the details of the Eliminate Project. Kiwanis videos are available for download. Use them to educate yourself or inspire others at a club meeting or link to them from your club or district site. Follow instructions in this how-to guide (http://community.kiwanisone.org/blogs/kiwanis_public_news/archive/2010/06/03/how-to-access-kiwanis-videos.aspx) to download, access or request a copy of the Kiwanis videos.

May was a busy month for the Rupert Kiwanis Club. Finally finding an afternoon free from stormy weather, members joined forces to clean their three-mile section of highway in the state “Adopt A Highway” program. Our annual Skip-A-Meal meeting is just that—members skip the luncheon meal and instead work in the community park planting flowers in preparation for the activities held during the summer months. Special attention was paid on another afternoon to the designated “Kiwanis Corner” in the park. Money saved when skipping lunch is donated to the Skip A Meal program and the local homeless shelter. Also in the month of May, members clean the building used for the high schools “Senior Celebration.”

Perhaps the highlight of the month was our involvement with three of our Sponsored Youth groups. We participated in an interclub with the East Minico Middle School Builders Club when they held their annual prayer breakfast. Also in May, we were asked by the Paul Elementary K-Kids to help cover staff duties while they recognized teachers and staff at an appreciation luncheon. At Rupert Elementary School, two interclub meetings were recorded when we were invited to attend K-Kids Club meetings—first to hear campaign speeches from candidates for club offices; and later to be a part of the officer installation and new member induction for the coming 2010-2011 school year. The candidates give impressive talks about their qualifications and their interest in being K-Kids leaders.

Rupert Kiwanis Club Makes $8000 Donation to Minidoka County School District Libraries

Monday, June 21st, the Rupert Kiwanis Club’s Past President, Dan Gammon, presented an $8,000 check to the Minidoka County School District - $1,000 each for the district’s eight libraries. Pictured is Dan Gammon presenting the check to Minidoka School District Board Chair, Brian Duncan and the district librarians.
Donald H. Smith, 92, died June 10, 2010, at his home in Provo, Utah. He was born in Ogden, Utah on February 15, 1918, to Mary McKenzie and Edward E. Smith. His early years were divided between Ogden and southern Idaho. He graduated from Ogden High School, Weber College and Brigham Young University. He worked for the USDA Soil Conservation Service, then enlisted in the Army Air Corps and flew 35 combat missions as a B-17 bomber pilot. He attended graduate school at Iowa State College, and received his PhD degree in Soil Microbiology in 1951. He was employed by the USDA Agricultural Research Service as Soil Scientist, then for 10 years by Pineapple Research Institute, Honolulu, Hawaii, as Soil Chemist. In 1963 he became Agricultural Research Director and Research Manager for Del Monte’s operations on Mindanao in the Philippines. In 1973 he returned from abroad and served as a research manager for Del Monte in California until his retirement in 1983.

In his younger years he was active in scouting, attained the Eagle rank, and later served as Scoutmaster and Explorer Advisor. He became a member of the LDS Church as a young adult and worked in several clerical and leadership positions.

He married Evelyn Dixon of Provo in 1940. She was a loving and supportive wife. She died in 1980, and he married another lovely lady, Jean Hulme Tippetts, in 1981. He is survived by his wife, Jean, two daughters, Karen Griggs and Susan (Byron) Purves, step-daughters Leah (A. J.) Smith and Laura (David) Harmon, step-sons Tom (Lisa) Tippetts and Tracy (Elizabeth) Tippetts. He and Jean together have 28 grandchildren and 54 great-grandchildren. He is preceded in death by his parents, two sisters and a granddaughter, Jennifer Lynne Purves. He was a wonderful neighbor, friend, husband, father, grandfather and great-grandfather and will be greatly missed.

Consistent with his desire to help others, Don donated his body to the University of Utah Medical School.

Don has requested that in lieu of flowers, any donations may be made to Latter-day Saint Charities (Humanitarian Services) at www.ldsphilanthropies.org, or through a local congregation.

JEAN HULME TIPPETT S SMITH
April 27, 1924 - June 25, 2010

Our mother is our heroine. She was totally dedicated to our individual sense of fulfillment and happiness. We did not discover this in hindsight “we knew it all along. Friends who came into our home couldn’t help but be envious of our good fortune. They were welcome to stay a night or a month. The food would be great and the activities, fun. Whether it was the rowdy play of her twin boys or the messy “projects” of her creatively-minded girls, she was not one to put a damper on any of the things we enjoyed. Our dreams had her full support “she was both our mother and our fairy god-mother. How many times did she save the day by catering our weddings, making our prom...
dresses, financing our missions and being a faithful correspondent to each of us, writing weekly after we left home? Her magic letters helped us through our hard times.

Jean Hulme Tippetts Smith was born in Bloomington, Idaho, the only daughter of Ben and Louise Krogue Hulme. She was sandwiched between two older brothers, Harold and David and three younger brothers, Russell, John and Paul. She lived in the following cities, all located on Highway 89: Bloomington, Logan, Panguitch, Paris, Manti, Ephraim, Orem, Salt Lake, and Provo. She lived for 33 years in California.

Jean graduated from Manti High and Snow College. At Snow, she was the first female student body president and valedictorian, earning her tuition by playing piano accompaniment for the college orchestra. While teaching at Manti High, she met her husband Joyce Tippetts, a recently discharged naval officer from Ephraim who was the son of one of her favorite professors at Snow College. They both played in Lenny Myer's dance orchestra 'he on bass fiddle and she as pianist. They were married on September 3, 1946.

Joyce's career in campus planning took them from Berkeley to UCLA to BYU and then to UCSD. While in San Diego, she graduated as one of the top three students at San Diego State in 1963, earning her the privilege of shaking President John F. Kennedy's hand, who spoke at her graduation. Jean started teaching elementary school that year, later earning a master's degree as a reading specialist. Jean's first marriage lasted for nearly thirty years. After their divorce, she found enjoyment in her children, church assignments and teaching, but she was thrilled to open a new chapter in her life after being introduced to Don Smith, whose wife Evelyn had died in 1980. They were married in 1981 and had nearly thirty happy years together, embracing each other's families, traveling, and enjoying BYU cultural and athletic events. Jean loved her involvement in Literary League, BYU Women, DUP, and Kiwanis. She always asked us "What would I ever do without Don?" She never had to find out, dying unexpectedly just 10 days after his funeral.

She is survived by her children: Leah Smith (A.J.), Laura Harmon (David), Tom (Lisa) Tippetts, and Tracy (Elizabeth) Tippetts; and step-daughters Karen Griggs and Susan (Byron) Purves. Don and Jean together have 28 grandchildren and 55 great-grandchildren. She is preceded in death by her parents and three brothers.

Our heartfelt thanks go to Don and Jean's wonderful ward neighbors. In lieu of flowers, any donations could be made to the Humanitarian Fund of the LDS Church.
