TO: All members of the Utah-Idaho District of Kiwanis International

As the 2010-2011 year rapidly approaches I look forward to another successful year in our district. I am indeed honored by the fact that the district membership has shown in me to assume this position at this point in time. I will not betray the trust that you have placed in me. Let us go forward through the next year and continue to support the children in our communities and the children of the world.

As always our primary focus is Service to the Children through our many service projects, Sponsored Youth, Our new International Service Project and other areas that each club performs. International President Designate Sylvester Neal has selected his 2010-2011 theme to be; “LIGHTING THE FIRE”

Get Back to Basics fundamentals and values.
Take a holistic approach to growth and membership – Plus One!
Refocus on service and support of our new global service initiative.
Support, strengthen and grow our clubs.
Work smarter with better utilization of WEB resources,
on-line reporting and KI and District technical resources.
Commit to teamwork and excellence through Servant Leadership
All the clubs in Kiwanis are following this plan for the coming year so that we are more committed to the children of the world, better educated about what Kiwanis is and does, willing to grow the membership of Kiwanis and able to link to Kiwanis through better communications.

Our 2010-2011 District Motto is “BACK TO BASICS”.

How many of us have read “The Objects of Kiwanis International”?
How many of us have read “The Kiwanis Code of Ethics”?
How many of us live by these?

The following details the goals and objectives that I believe we should have for the coming year.

To attain the District and International goals and ideals will require the commitment of all the members of the district. As a district we depend on the success of the clubs to achieve both the district and international goals. We will focus on the fact that the success of the club leaders will result in success of the clubs, which will result in the success of the Utah-Idaho District in achieving its goals.

The club is the cornerstone of our organization. Membership in Kiwanis is at the club level. As we succeed as a club in providing service for our communities, we succeed in enriching the lives of our members and our communities.

To reiterate, I believe that the function of the district is to work with club leadership and to encourage each club leader to make this the best year of service in their life. To achieve these aims, we will be exploring the following areas for Kiwanis clubs and their leaders for the coming year.

I. Growth in Membership: Without members we cannot provide service.

Every year we commit ourselves to increasing membership by adding new clubs, adding new members and retaining existing members. Many times our members and we feel that this is the only objective of Kiwanis. We seem to many times be little the many great things that our Kiwanis clubs and members do for their communities and our children. The hard facts are that service clubs throughout America are losing members and are able to provide as much service to our communities as we have in the past. To mitigate this erosion we need to continue to bring new members into our clubs; individuals who are committed to the same ideals of service that we as Kiwanians are committed to provide.

To achieve this growth we set the following goals: (Continued on Page 2)
A. Build two new clubs in the Utah-Idaho district.

We have been successful in the last few years in building new clubs in areas of the district that have not been represented by Kiwanis. Again this year we will be asking the Lt. Governors to target areas in their divisions that are potential sites for a new club. A leadership team of dedicated Kiwanians will assist in canvassing and contacting potential members for the new club. Kiwanis International has committed to help in any way they can to make this endeavor possible.

There are new opportunities for building new clubs besides the traditional club structure. We have added to the mix the concept of the satellite club, the corporate club, the company club, internet clubs, and breakfast clubs. Kiwanis still has a goal of a million members by 2015 that is part of their strategic plan and these new club ideas will allow us to reach that goal.

These new club concepts have been added to allow individuals to be a part of the Kiwanis experience without the necessity of meeting each week in a traditional lunch environment. The Kiwanis experience is to provide service to our communities and our children, not have lunch.

B. Recruit new members and retain existing members in our clubs. The goal for our district is to grow by ONE member. If the District will have a positive growth we will have reversed many years of declining membership. We must feel and believe that we have reached the bottom and there is only one way to go and that is too grow.

The key to success as a district resides in the existing clubs. They are aware of the concerns of their communities and the potential of new members in the community. There are many programs available to the clubs for finding new members. Our membership committee will be willing to provide assistance and advice on what methods and programs have worked in other clubs and will work for your club.

The second part of this equation is to retain existing members. Statistics for our district show that we lose 67% of our membership within the first five years after they join our clubs. As you can see we need to continue to recruit new members just to cover this decrease. Our membership committee will help in showing what can be done to keep members involved for longer periods of time.

II. Growth in Service.

A. EVERY CLUB TO CONCENTRATE ON YOUNG CHILDREN-PRIORITY ONE.

We need to continue to provide service for our communities; that is why we exist. But we also need to expand our service. As we attempt to increase our membership we need to remember that one of reasons people leave the club is lack of service projects, the main reason that they joined.

The district wide service project is that each club commit to a renewed emphasis on “Young Children”. We are the best service organization when it comes to supporting our elementary, middle schools, high schools and colleges through our Service Leadership programs. I feel strongly that the children that we need to concentrate on are those that are pre-school, those whose voice is too small to hear. These are the children that we try to serve through our “Young Children-Priority One” Program. It has always struck me as ironic that Young Children are our number one priority and yet we do not emphasize this in our actions.

There is also the new Kiwanis International World Wide Service Project, “ELIMINATE”, that we are going to promote and encourage the clubs to support. This will be the major district wide project for the coming year.

In addition to these each club should add one new service project that is peculiar to your own community. This project should be a hands on effort and possibly involve potential new members or done in conjunction with another Kiwanis club or another service club in your area.

III. Leadership Training: All club leaders to be trained before they assume office.

We need to insure that all club leaders are trained in what their duties and responsibilities are before they take office. There are too many club officers that have not been trained and consequently do not promote and are not aware of the responsibilities that they owe to the clubs and to their district. From experience we know that a club can operate without this training, but wouldn’t it operate better and be more aware of who they represent if they were trained in Kiwanis?

In addition to our District and International training staff there are many resources available on-line in the form of Webinars. Many of you have already attended some of these sessions and have been impressed with the quality and information content that they provide.

IV. Distinguished Achievement Status.

This year the district goal is to have 30% of our clubs receive distinguished status. The criteria to do this are attached.

The reason to do this is not necessarily for the recognition, but to achieve this status a club needs to do all the things that we as Kiwanians say we do. This recognition is visible proof that we in fact care about our children, our communities, our clubs and our members.

There is also the goal to have 20% of our members receive distinguished status. Again, if we truly believe in the ideals of Kiwanis, we should all strive to meet these criteria.

V. Kiwanis International Foundation and the Utah-Idaho District Foundation.

Our goal is 100% participation in the Kiwanis International Gift Campaign. If all clubs achieve this the District receives $6,000 in matching scholarships for our Sponsored Youth programs, a great return on our money.

Our goal is also that 100% of the clubs will contribute the same amount to the District
“BACK TO BASICS” (Continued)

Foundation’s that they contribute to the International Foundation. The funds from this endowment fund are also used for scholarships for the Sponsored Youth Programs.

VI. Sponsored Youth

The goal is for all clubs to have a sponsored youth program and for 10% of the clubs that have a Sponsored Youth Program to add another K-Kid or Builders Club. These clubs in the lower grades offer great benefits to the children but they offer great benefits to their sponsoring clubs and to the community. Kids get excited about doing service; we need to encourage this tendency to care.

More financial and volunteer assistance needs to be provided to the administrators of these organizations.

There are a number of Key Clubs in our district that do not have a sponsoring Kiwanis club. The goal will be to get these Key clubs connected to a local Kiwanis club.

We would encourage all Kiwanis clubs to provide more than financial support to their Sponsored Youth clubs. We need to attend their functions and service projects and they need to be involved in our functions and service projects.

VII. Conventions.

We need to promote the benefits of attending the district and international conventions.

Our very modest goal for this year is for 10% of the membership to attend our district convention and mid-year conference.

To achieve this goal we need to offer a wider diversity of activities that will meet the needs of the membership. The major problem we face with the convention and mid-year is “Making them relevant and Interesting”. We continue to hear the phrase, ‘Same old Stuff’. I appreciate that and can empathize with those who say and feel that. The things we need to understand is what is the function of the Convention and Mid-year gatherings?

The conventions primary function is to conduct the business of the District and elect new officers. In conjunction with that we do honors and recognitions for achievements by clubs and individuals during the past year. It is also a time to learn more about Kiwanis and also met other Kiwanians. We have to do all of this in a time frame that does not break the bank of either the district or the membership. The Mid-year meeting was established as a training session and time of district side fellowship.

IF YOU HAVE ANY IDEAS ON HOW TO MAKE THESE MORE RELAVENT AND INTERSTING, PLEASE LET ME KNOW. (208-431-8666 or arlro@safelink.net) I am aware that each year we draw fewer and fewer members to these events. There Must Be a Better Way.

VIII. Communications

Our district WEB site is GREAT. Our goal is to utilize this resource to make current information concerning the district available to all the membership. There is access to District and International information and also a link to many of the club WEB sites. Gordon has done us a tremendous job.

For those who would like to contact me my e-mail is arlro@safelink.net and I would encourage any member with a comment to contact me. Kiwanis is a family.

IX. District Strategic Plan.

Our goal is the continued implementation of the District Strategic Plan. It details where we are and where we need to be in future years.

X. Diversity.

Our goal is to have an increase in female members in the clubs. As Kiwanians with our focus as children and young adults, should we not encourage those humans that God has blessed by being female and make them a part of Kiwanis? Who better understands children than those who have birthed and reared them?

Our goal is a 5% increase in women in the district membership and more women in both club leadership and in the district leadership.

As the strategic plan details we need to work harder at attracting the minority population into Kiwanis, either into our existing clubs or into new clubs. These groups can provide a new insight into helping us serve the children.

IT’S A PRIVILEGE TO SERVE

Dear Fellow Kiwanians,

It is a real privilege to be able to serve as governor-elect. I will be visiting many clubs over the next year with a goal of meeting many members in the two state region. I will be in training for this position and will learn the ropes. I will be supporting Governor Bob Dempsey in every way possible, including working with the new Vice-Governor, Bill Mullins. Their long and deep experience, combined with my community connections and positive attitude will insure a very productive year. I would like any ideas from the members on how increase fundraising, membership growth ideas, and other ways to serve our local communities best. My best email address is cbaker1044@gmail.com. Governor Bob has asked my to form a board to oversee the programs that serve youth under 5 in our region.

Any who wish to help with this please contact me. I look forward for the opportunities we have to really have an impact this year. Thank You, Charles Baker, Governor-Elect.
My Dear Fellow Kiwanians,

We have just wrapped up a wonderful annual convention, perhaps one of the finest and most memorable in the recent history of our Utah-Idaho District of Kiwanis International. Appropriately, the evening before our convention kicked off at the Provo Marriott Hotel, many of us were privileged to participate in the Charter Meeting of our newest club at Saratoga Springs, Utah. Stuart Collyer who along with his wife Cindy and other Charter Members, were most responsible for getting up the club, was installed as its Charter President. Others were installed on the Charter Board and as Charter Officers. It was an honor to have our International Trustee and his wife, Governor of the Italy District for Kiwanis International present as well as myself and six former Governors of our U-I District, as well as our District Secretary and District Treasurer. The meal and entertainment were wonderful, the setting across from Utah Lake was beautiful and the event was most memorable to all of us present. I hope like events can follow in the near future for other locations we have have larded this past year to establish new clubs. It is only by doing this and in retaining and adding members to our existing clubs that we will be able to continue to serve the young people who are our purpose.

Our annual convention at the Provo Marriott Hotel was marked with fine speakers, tasty meals and great accommodations. We were privileged to hear from legendary retired BYU football coach LaVell Edwards and his lovely wife Patti as well as our own Don Gale and award-winning author Richard Paul Evans. We conducted auctions which raised over $7,000.00 for the District Foundation to help us provide future scholarships for our youth. We were instructed by great Kiwanians and had opportunities to renew old associations as well as make new friends in the great cause for which we are engaged. Jim Courtright, our able and true Kiwanis International Advisor, honored us by choosing to visit our convention as his last Kiwanis event prior to his retirement at the end of this service year. We returned to our homes uplifted by our common mission and goals and rededicated to fulfilling and completing them.

As my administrative year as your governor comes to its conclusion, may I ask that we all continue to stay united in our efforts to assist our youth, build new clubs and strengthen our existing ones by helping our members and communities in all the ways which are part of our tradition. Please join me in giving our incoming Governor Bob Dempsay and our new Board and District Leadership our complete support. I look forward with you to a great new year of Kiwanis service.

In Kiwanis Friendship, Brent

**MINUTES OF THE HOUSE OF DElegates**

**UTAH-IDAHO DISTRICT CONVENTION AT THE PROVO MARriott IN PROVO, UT**

28 AUGUST 2010

Governor Brent Ashworth called the House of Delegates to order at 4:35 pm and welcomed all delegates and guests.

Janet Fliders gave the statistical report: 27 Clubs are represented; 37 Members and 18 At-Large with a total of 55 Delegates in attendance.

Cheryl Juntenon nominated Marvin Chamberlain for 2010-2011 District Treasurer with the 2nd by Jim Terry. LaMar Anderson moved for an unanimous vote. The vote was unanimous. Chuck accepted the nomination saying:

“That’s a relief! I appreciate the kind words. Have had great times going on the On-to-International Convention tours. It is a privilege to serve. What a great Kiwanis family I have. Thank you for this opportunity. I will do my very best to serve the District.”

Bill Mullins nominated and moved to elect Robert “Chuck” Baker as 2010-2011 Governor-elect. Lowell R. Inklely 2nd the nomination. Marvin Chamberlain called the question, Janet Flinders 2nd. The vote was unanimous. Chuck accepted the nomination saying:

“I apologize for not wearing a suit, but this golf shirt say Kiwanis. An unfortunate accident happened to Bill Driscoll, so I was appointed by the District to fill his job as Governor. Andy Carey trained me personally. This time I ran for the position and was elected. I promise to do all I can. I cannot turn this District around, only the Kiwanians can turn the membership around. It all happens at the club level. We are blessed with the very best membership in all of Kiwanis. Get your boots out on the ground doing service. We do things that matter. What we do impacts people & children. We affect their lives and futures. Kids are our future. God Bless!”

Jim Terry thanked everyone who participated in the Foundation Fund-raising Event at Lunch today. $1,850.25 was raised. Three new members are replacing previous Board Members whose term has expired. Rayleen Barnes, Janet Flinders and Bill Mullins have been invited by the Utah-Idaho District Foundation Board to hold positions on the Board of

**FORGIVENESS**

Jim Terry, Human & Spiritual Values

It was a great District Convention we had in August. Congratulations to all those who helped make it a success and thanks to Chuck Baker for arranging Richard Paul Evans to be one of our speakers who is the author of several books including the “The Christmas Box”. He discussed several things that I would like to repeat because they can be so useful in our life.

- **Know that there is a reason you are here** – You are divine beings. Listen to the still small voice and act upon it. It is pure communication.
- **If you want to move forward** – forgive. Don’t tie yourself to the past. The ship releases the anchor because it is going somewhere. Forgiveness makes you free.
- **Become something** – do something with your life – take risks.

What great advice he gave. Forgiveness can be so hard. Forgiveness does not come easy for most of us. Our natural instinct is to recoil in self-protection when we’ve been injured. Nearly everyone has been hurt by the actions or words of another. These things can leave us with lasting feelings of anger, bitterness and even vengeance but it if we keep it with us then we are the ones that suffer. In most cases the person who offends us does not know they have offended us. Forgiveness doesn’t mean that you deny the other person’s responsibility for hurting you, and it doesn’t minimize or justify the wrong. You can forgive the person without excusing the act. Forgiveness brings a kind of peace that helps you go on with your life. Dr. Sidney Simon, a recognized authority on values realization, has provided an excellent definition of forgiveness as it applies to human relationships: “Forgiveness is freeing up and putting to better use the energy once consumed by holding grudges, harboring resentments, and nursing unhealed wounds. It is rediscovering the strengths we always had and relocating our limitless capacity to understand and accept other people and ourselves.” I found a great quote from Catherine Ponder “When you hold resentment toward another, you are bound to that person or condition by an emotional link that is stronger than steel. Forgiveness is the only way to dissolve that link and get free.” That is so true. As long as we hold onto that we are never free. We are always connected unless we release it.

Colossians 3:13 - Forbearing one another, and forgiving one another, if any man have a quarrel against any: even as Christ forgave you, so also do ye.

Pier Grasso brought greetings from the International President Paul Palazzolo and President elect Sylvester Neal. It was an honor to attend the Saratoga Springs Kiwanis Club Charter night. It is great to add to the Kiwanis family everyday. Good job!!

Pier Grasso stated that the Annual Club Gift Campaign to the Kiwanis International Foundation as of 20 Aug 2010 is at $6.32 per capita. The total donations were $10,586. This qualifies the District to receive 6 scholarships for Key Club and 6 scholarships for Circle K (CKI). We are a small district and expect to get the maximum scholarships. Five divisions have reached $5.00 per capita and 5 have not. The following clubs have not yet donated: Div 1 – Orem; Div 2 – Clearfield; Div 3 – Preston; Div 4 – Bannock; Div 5 – Burley; Div 7 – Cedar City, Santa Clara; Div 8 – Midvale, Sugar House; Div 9 – Nampa, New Plymouth, Ontario, Payette; Div 10 – Payson, Springville.

**MINUTES OF THE FIFTH BOARD MEETING OF THE UTAH-IDADO DISTRICT 2009-2010 BOARD OF TRUSTEES OF KIWANIS INTERNATIONAL**

Held at the Provo Marriott Conference Center, Provo, Utah 28 August 2010

Welcome at 1:44 pm by Governor Brent Ashworth. Special welcomes to Governor-elect Bob Dempsay and International Trustee Piero Grasso.

Pattie Hansen. It was appreciated the help with the Saratoga Springs Club and the two internet club in Utah & Idaho. Kimberly club is also in process. Governor Brent was also glad that all in attendance can be here where the Provo Club meets. At different times during the course of the meeting Governor Brent quoted Abraham Lincoln. Reminded everyone to bring money to the Silent Auction, there is a lot to buy.

Invocation by Pattie Hansen.

Janet presented the minutes of the fourth board meeting. Marvin moved; Cheryl Juntunen seconded to accept minutes; vote was unanimous.

Marvin presented the financial reports. Investments are up since a year ago. Pattie moved and John 2nd with the vote being unanimous. MINUTES OF THE FIRST BOARD MEETING

OF THE UTAH-IDAHO DISTRICT 2010-2011 BOARD OF TRUSTEES
OF KIWANIS INTERNATIONAL

HELD AT THE PROVO MARriott CONFERENCE CENTER, PROVO, UTAH
28 August 2010

Welcome at 2:43 pm by Governor-elect Bob Dempsey.
Invocation by Jim Terry

Bob Dempsey presented a packet with a letter to the Board of Trustees with dates of all Board Meetings for 2010-2011, which listed: Format for Board meetings; A need to improve attendance at District Mid-Year Conference, Kiwanis Intl Convention and District Convention; and A need to work smarter and harder to revitalize clubs with new members, young and old.

Dates of the 2010-2011 Board Meetings are: August 28, 2010 – Provo; October 30, 2010 – Tremonton; March 25, 2011 – Logan (Mid-Year Conf); July 8, 2011 – Geneva, Switzerland (Kiwanis International Conv); August 26, 2011 – Pocatello (Annual District Convention).

A second letter was included in this packet that will be printed in the U&I Kiwanian. A Young Children Priority One slide show (printed copy) was also included.
Pocatello Kiwanis Club is celebrating its 90th Birthday on Sep 24, 2010 and the Ogden Kiwanis Club will celebrate their 90th Birthday on Dec 30, 2010. Kiwanis International is 95 years old and it's amazing that clubs in the Utah-Idaho District have been in existence so long.

Special welcome to International Trustee Piero Grasso from Italy.
Piero Grasso brought greetings from the International President Paul Palazzolo and President-elect Sylvester Neal. He works to serve the children and does this everywhere, here, Italy, in his house and everywhere. I do this because there are thousands of children who need help.

In attendance: Governor-elect Bob Dempsey, Governor Brent Ashworth, Immediate Past Governor Pattie Hansen, Secretary Janet Flinders, and Treasurer Marvin Chamberlain. Lt. Governors: Div 2 – John Brown; Div 3 – Janet Flinders; Div 4 – Jim Terry; Div 5 – Cheryl Juntunen; Div 6 – Frankie Marler; Div 8 – Rayleen Barnes; and Div 10 – Gene Colledge. Lt. Governors-elect: Div 2 – Bob Baker; Div 3 – Don Chantry; Div 4 – Chuck Humphrey; Div 5 – Jim Spinelli; Div 6 – Mark Bennett. Kiwanis International Guests:

NOTE: The following submitted to the District Secretary written final division reports: Div 2
Chuck Humphrey; Div 5 – Chuck Baker; Div 6 – Cheryl Juntunen; Div 8 – Janet Flinders; Div 10 – Mark Bennett.

Jim Terry presented the District Foundation's upcoming fund-raiser at lunch on Saturday of the convention. Prizes will be $50 to the Kiwanis Store, Golf Simulator game, 1st edition of the Lincoln/Douglas debates, Ipod, and much, much more. The winner will take all. IOU donation slips will be accepted until after the game is over. The goal is to exceed at least $1,000. Several clubs have not yet donated to the Foundation and it is about $2,000 short right now. He will send e-mails to let each Lt. Governor know who hasn't donated. The Blackfoot Club dissolved and sent in about $5,000 to the Foundation per Mary Chamberlain.
Pattie Hansen spoke about new club building: Shout out for Saratoga Springs because it is chartered. Internet clubs in the works, 1 in Utah and possibly 2 in Idaho. At Saratoga Springs there were 25 charter members in attendance with 3 not there. Brent had a great time giving each one a charter member pin. Kimberly, Id is still being worked on. Bob Parish & Pattie are working to build a full club and not have it be a satellite club. It should be happening soon. Meridian and Filer are both working on internet clubs. Filer has a satellite internet club.

Norman Taylor is working on building a club in Morgan, Ut. He will meet with the principal of the High School next week about turning the Lions Club into a Kiwanis Club.

Jim Courtwright said the International Board decided to have alternative modes of membership. Satellite, Corporate and Company based clubs. When forming a club and have 17 members and hit a brick wall, then build it into a satellite club. A true Kiwanis club needs 25 members to charter. Don't stop short! Now go back to your town and get 5 new members right away, because your club secretary is going to go through the roster and delete the dead wood. Jim was given a standing ovation for his hard work with the Utah-Idaho District.

He is retiring 30 Sep 2010.

John Brown, CKI District Administrator, has 5 active clubs. Reactivating a club at UUV with the Orem Kiwanis as sponsor. The Dean of USU-Tooele Regional campus is behind CKI all the way and will appoint afaculty advisor with the Tooele Kiwanis as sponsor. Both of these clubs need to build their membership to charter strength in order to get a charter. On October 1st the dues schedule will be changing. There will be an annual fee of $600.00. Since BYU CKI cannot do any fund-raising the Provo Club has been paying for them to be a club. The future might hold problems for getting this much money from a Kiwanis Club. The Budget was presented with income and expense being $7,800 for the year. Barrin.g no problems.

Weber State Medical Facility wants a CKI; the College of Western Idaho needs a CKI per Mark Bennett; Southern Utah University has been worked on by Gail Waite and is ready for a CKI.

Norman Taylor, Key Club Administrator, announced that every member of the District Key Club Board (except one) attended the Key Club International convention in Memphis, TN. Key Club is helping in Africa. Most of the Key Club Board will attend this convention.

The Ogden Kiwanis Club is going to recharter the Fremont High School Key Club with the help of the incoming Lt. Governor Don Chantry. Weber High School needs a Key Club. Elsa Bennett is helping with answering questions that Norman has and they work well together.

Derek Schenck sent a report on Key Leader that was passed around for all to read.
Chuck Baker – On-to-Geneva – This is a chance of a lifetime. What a wonderful excuse to go. Lots of tours are being offered. Geneva to Paris on the bullet train. More information will be forth-coming. Start now to put away $300.00 per month until convention time. Take your family. Piero Grasso said “Don't forget Italy.”

John Brown mentioned that clubs should have quarterly training available; teach about CKI Outreach; Donation to the District Foundation, etc. Let the clubs know what they are not participating in and get them educated.

Division 5 is putting together a Kiwanis commercial.

Jim Terry is trying to get the Rexburg Key Club chartered. The Pocatello Club is celebrating its 90th Birthday on Sep 24th at 6:30pm. There will be a special presentation to Colonel David Kirkpatrick. Must RSVP to Jim Terry in order to attend.

Brent had a very big THANK YOU to Mike Gordon, John Brown, Janet Flinders, Jim Terry, Cheryl Juntunen, Frankie Marler, Blake Frei, Tayleen Barnes, Bill Augsberger, Eugene Colledge, Gordon Lewis and Marvin Chamberlain.

There are 14-15 boxes of kids books available to pick up today. Saratoga Springs is building a library and just took 144 boxes of books.

The meeting was adjourned at 2:42pm.
First Board Meeting (Continued)

Kiwanis International Trustee – Piero Grasso; Kiwanis International Interpreter – Cristiana Thielmann and Kiwanis International Area Manager – Jim Courtright. Guests: Norman Taylor – Key Club Administrator; LaMar Anderson – Kiwanis International Foundation Chair; Chuck Baker – On-to-International Convention Chair; Erland Elmer – District Education Chair; Gordon Lewis – U&I Kiwanian Editor & Website Manager; Past Governors: Ralph Benson, Bill Mullins, Bob Parish and Geral Wilde.

Each person introduced themselves:

Eugene Colledge, Lt. Gov & Lt. Gov-elect Div 10 is a member of the Spanish Fork Kiwanis Club. He joined Kiwanis as an avenue to help children and scouting. This way he gets to work with young children.

Chuck Humphrey, Lt. Gov-elect Div 4 is a member of the Pocatello Kiwanis Club. He is a retired professor and has spent 40 years in community service. This is how he gets enjoyment.

Don Chantry, Lt. Gov-elect Div 3 is a member of the North Ogden Kiwanis Club. Service is all he can give. Has been a Boy Scout leader for many years. It is important to make a difference and has a desire to help serve anyway he can.

Mark Bennett, Lt. Gov-elect Div 6 is a member of the Meridian Kiwanis Club. He has learned a lot from his mother Elsa Bennett (Past Key Club Administrator).

John Brown, Lt. Gov Div 2 & CKI Administrator is a member of the Tooele Kiwanis Club. He joined because Kiwanis is child-oriented and focused locally, but also internationally.

Jim Terry, Lt. Gov Div 4, President of the District Foundation, District Human & Spiritual Values Chair, Past Governor & District Education Assistant is a member of the Rexburg Kiwanis Club. He is always working with youth. So it was a natural fit to join Kiwanis. Working with children is a blessing.

Janet Flinders, Lt. Gov Div 3 & District Secretary is a member of the Logan Kiwanis Club. She joined Kiwanis because she was asked. She became a Kiwanian by serving children.

Bill Mullins, Past Governor is a member of the Tooele Kiwanis Club. He joined because CKI was part of his college life. He served under Bob Dempsey as a Lt. Governor of Div 2 and knows that Bob can get the job done.

Bob Baker, Lt. Gov-elect Div 2 is a member of the South Salt Lake Valley Kiwanis Club. He is proud to be a charter member and was part of Key Club in High School.

Jim Spinelli, Lt. Governor-elect Div 5 is a member of the Hailey Idaho and the Wood River Valley Kiwanis Club. The three Bob's (Bob Cameron, Bob Dempsey and Bob Parish) came to Wood River Valley and recruited him. He has had the grandest time serving the children. The side benefit is the camaraderie.

Carter Jones, Lt. Gov-elect Div 8 is a member of the Salt Lake City Kiwanis Club. He joined 20 years ago because he was invited by a client. He then moved to Denver and his job required that he join Rotary. When he came back to Salt Lake City, he rejoined Kiwanis and enjoys the local service projects and the people he sees at Kiwanis.

Marvin Chamberlain, District Treasurer & District Foundation Treasurer is a member of the Twin Falls Kiwanis Club. He joined Kiwanis because of service and the friendships that grow from that.

Norman Taylor, SLP Chairman & Key Club Administrator is a member of the Ogden Kiwanis Club. He refuses to grow up and enjoys working with the kids. Best decision in my life was to join Kiwanis.

Chuck Baker, On-to-Intl Conv Chair and running for Governor-elect is a member of the Bonneville Kiwanis Club. In 1953 this club was a spin-off from the Salt Lake City Club. It has heritage and class. He parallels Carter Jones' opinion. He walked into the Bonneville Club and met Barney Tanner & Dick Bird. Looks forward to the weekly meetings. He loves putting together tours for On-to-Convention and enjoyed being the District Kiwanis Intl Foundation Chair, and love working with Kiwanis and Kiwanians.

LaMar Anderson, Kiwanis Intl' Foundation Chair and Past Governor is a member of the Logan Kiwanis Club. He spent 60+ years of Boy Scouts and many years in Kiwanis.

Erland Elmer, District Education Chair is a member of the Sugar House Kiwanis Club. His Dad paid dues in the Payson Kiwanis Club and became President of the club. He worked for the National Guard and at at Chuc-A-Rama. Because of this heritage he joined Kiwanis right away.

Jim Courtright, Kiwanis International Area Manager is a member of Kiwanis in Arizona. He has been in Kiwanis 34 years and the last 12 years on staff at KI. He is retiring September 30, 2010.

Bob Parish, Past Governor is a member of the Filer Kiwanis Club. He joined 21 years ago and spends his time trying to build up clubs in Idaho (proceeding slowly). It is great to be a Kiwanian.

Bob Dempsey, Governor-elect, Past Governor, Resolutions Chair & member of the Service Leadership Program Committee is a member of the Rupert Kiwanis Club. He was invited by a kid he grew up with, who invited Bob's older brother to join Kiwanis. Bob joined in 1995. His first Kiwanis Intl Convetion was in 1996 in Salt Lake City. He has been involved ever since. Kiwanians do hands-on service, other organizations pay. We do children right. It's a pleasure to work with children. There are at least 3 Boy Scouts in the group. He worked with scouts while his sons were part of that organization.

There are wonderful stories of why we all joined Kiwanis. For the Hailey Idaho and Wood River Valley Kiwanis Club charter night, I signed the charter. It's a wonderful experience to have your name on a document that could still be around in 90 years. It's a great year. The future is always bright. There are so many things we can do to impact lives for good.

The Budget was presented for 2010-2011. Any questions, please contact Mary Chamberlain. It is an in-progress budget. The money for Intl Convention is just to help you get there. It will not pay all your expenses. The amount is divided by 15. The District will spend the whole amount. Eight board members are planning on attending: Bob Dempsey, Chuck Baker, Janet Flinders, Marvin Chamberlain, Bob Baker, Don Chantry, Chuck Humphrey, and Carter Jones.

Questions about the budget are now open. You will have to live with the decision you make today. There were Lt. Governors in the past that didn't take their reimbursement check and it can be donated to the District Foundation toward a Reed Culp.

1. Chuck Humphrey asked about the line item “Credit Card Discounts”. These came from the PayPal Account for registrations to the Mid-Year Conference and the District Convention through the internet. Mary moved & Bob Baker 2nd. Vote was unanimous.

2. In the next 6 weeks the District will be billed for Officers insurance D&O. It is $400 per year. The CPA is Dennis Brown. The book and Bob Baker moved & Jim Spinelli 2nd. Vote was unanimous.

Bob Dempsey refused the Life Membership offered to the Governor for his service and is donating it to the District Foundation.

The Governor's Project: There used to be a Governor's quilt. There will be an official Governor's Quilt this year and Lt. Governors will sell tickets in their division. In Idaho we're honest; in Utah the raffle tickets are called donations to the District Foundation.

The Kiwanis International Worldwide Service Project is Maternal & Neonatal Tetanus Elimination. It has been accepted by the Kiwanis membership in attendance at the Intl Convention in Las Vegas, NV and Kiwanis Intl is working on getting the project started. We were all going in the same direction helping people by eliminating IDD. Now the MNT project is the next step to helping kids in 3rd world countries. Gordon Lewis has hooked up MNT to the District Website.
FIRST BOARD MEETING (Continued)

We are really good at youth, CKI, Key Club, Builders Club, K-Kids. We don't do pre-school well and not Aktion Club. These “kids” get left out of the loop. Aktion Clubs are in Caldwell and Provo. Why not everywhere? Socks & Underwear for underprivileged kids and Babycare Cupboards need to be everywhere. People who are forgotten are those who don't have a voice. We will renew emphasis on projects for young children (pre-school)...This is YCPO. Babycare Cupboards and domestic violence groups have needs for diapers, etc. We need to help abused kids get a hospital kit with clothes and supplies because their clothes have been confiscated for evidence.

It is hard to get 60 clubs going in exactly the same direction. Jim Spinelli said the Hailey Club is fund-raising for the children's project against abuse. They provide a backpack with clothes, etc for those kids when they leave the hospital.

Most clubs do a reading program, but we need to expand that to a program that is above and beyond providing books. Kids need clothes. School supplies for schools is a great project to work on. Wal-mart sells school supplies for almost nothing. We should be buying these things and give them to the schools. Teachers are expected to provide supplies for their classes and not get reimbursed. Check with the schools to see what they are not able to provide.

Chuck Baker suggested a small committee to contact Lt. Governors and provide information about projects that really need to get done. Chuck Baker, Gordon Lewis, Don Chantry and Jim Spinelli will be the mini-board for kid's projects.

Don't forget the District Convention will be August 26, 2011 at the Holiday Inn in Pocatello.

You can get more accomplished if you have the information you will be talking about in front of you before the meeting. You will then be able to discuss this knowledgeably and intelligently. When you get your Lt. Governor reports, send them in to be packaged in an e-mail to all board members.

Are we happy to have 5% of the members at convention? Cost is a problem. We need to change the format of what is happening on Saturday. In Italy and Europe & the U.S., the member doesn’t feel like a part of the District, just their club. It's the job of the Lt. Governor to let the members know that they are important. You need to explain to the member that without him nothing would exist in Kiwanis. It's our main job to convince the member to participate. AND we need to let him know that he is the person we are trying to reach to help the kids.

The ELIMINATE Project won't happen without the members getting involved.

Carter Jones attended meetings while 2nd VP thru Pres. of his club, but he didn't feel he was needed to be here at District meetings. He wants to do things with his family and golf. Cost of District meetings is a problem.

Bob Dempsey enlightened the group with the reason for the convention. It is to elect officers at the House of Delegates and do District business.

John Brown at CKI Mid-Year wants to do a service project and have Convention for business. Kiwanis could do a mini-service project.

Bob Dempsey said there was a problem with policy 6 years ago. A training staff ws set up to do training in each division to take it away from the Convention and Mid-Year Convention. The only people showing up are those who have been trained. We cannot generate enough people to come to District Conferences/Conventions to cover the cost. Maybe we should start meeting at a High School where there are free rooms. This will be discussed further at the next Board meeting in Tremonton.

The Governor picks the site and historically it is the same every year. We are n't appealing or attractive to the general membership. Only the officers show up. Bottom line is most members don't know the District exists. Members are the important part of the club. That's what it is all about. District is a tier of people to help make the club experience better. One Kiwanis Club was asked by Bob: Who is the Kiwanis Int'l. President? No idea. The Club didn't know who the governor was. WE NEED TO BE SEEN AND MAKE A DIFFERENCE.

Marv said we should go back to our clubs and let them know what they missed. The clubs should be told what a great convention we just attended, and tell them that if they were there, we could have done more.

Two Lt. Governors have not been trained, but both have taken the training on the internet. Don Chantry and Jim Spinelli still need to be trained by Erland Elmer. He will be doing training one-on-one if necessary, but it is better if there is a group. It needs to be part of Mid-Year Conference. All Lt. Governors-elect should be elected by then, so they can start working with the clubs in their divisions sooner. The Lt. Governors-elect Elections should be in January.

Bob brought up the Amendments to the Int'l Bylaws. We need to implement those changes. The Concept of Vice Governor needs to be addressed. Bylaw changes must be submitted to the District Board and then voted on at District Convention in the House of Delegates.

In closing – what does the District expect from Lt. Governors?
Be the link between the District Leaders and the Clubs. Pass on information from the District to the Clubs and they should pass information up the chain to the District from the Clubs.

Attend a Board Meeting of every club and a meeting of every club. Have President's Council Meetings every quarter or more. Speak at each club every quarter with news of ongoing projects, etc.

Attend all District Board meetings and be prepared to participate.

Train the Lt. Governors-designate to handle club installations in their division.

To run for Governor, Governor-elect or Vice-Governor, you must have a background check. Background checks should be happening in the clubs for all who work with children. It is for self-preservation. Make sure your club has background checks on all the club members who work with kids.

Meeting was adjourned at 4:32 pm

MINUTES OF THE UTAH-IDAHO DISTRICT FOUNDATION
Friday, 27 August 2010
Provo Marriott Conference Center, Provo, Utah

Minutes of the Utah-Idaho District Foundation held Friday, August 27, 2010, at the Provo Marriott Conference Center, Provo, Utah at 4:45pm President Jim Terry conducted the meeting. Board Members present were: J. LaMar Anderson, Marvin Chamberlain, Janet Flinders, Josh Holt, Bob Parish, and Jim Terry. Absent was: Gene Piland. Guest: Ralph Benson, Bob Dempsey, Piero Grasso, Bill Mullins and Cristina Thielmann (Piero's Interpreter).

Invocation by Marv Chamberlain.

Minutes of the February 20, 2010 Board meeting were presented by Janet Flinders. Josh moved and Bob Parish 2nd The vote was unanimous.

Marv presented the financials. Only one Reed Culp Medal was sold this year.

Kiwanis International sent $5,500.00 for matching scholarships for CKI and Key Club. The Foundation must now match the $5,500.00 for these scholarships.
9th Annual Motorcycle Escort to Camp Rainbow Gold

On Sunday August 1st, the Kiwanis Club of Hailey and the Wood River Valley, Idaho, hosted the Motorcyclists’ BBQ for the 5th year, with the help of the newly formed Key Club of Wood River High School. The event took place for the 1st time at the Bellevue City Memorial Park. The Kiwanis Club cooks a BBQ for the Motorcyclists that escort the bus that carries approximately 80 children in Idaho, who have or had cancer, to a weeklong fun summer camp at Cathedral Pines. The event raised over $4000 with the BBQ and a money raffle, which all goes to the Camp Rainbow Gold. There were over 500 motorcycles and over 800 people at the park enjoying the event in anticipation of the arrival of the bus.

MORE SCHOOL SUPPLIES NEEDED AT BLAINE SCHOOLS!!

The Kiwanis Club of the Wood River Valley is hoping to supply kids, teachers and counselors with any and all school supplies. We would love to have backpacks, markers, glue sticks, paper, pencils, calculators, etc. We will have drop off boxes inside the front doors of the schools throughout Blaine County. If you are interested in a monetary donation or would like a Kiwanian to pick up your donation, please call Kim Baker at 727-7408 and she would be happy to assist. The Kiwanis' main purpose is to serve the children of the community and because of the economic state there are a lot of children in need of supplies this year. The Kiwanis will be purchasing supplies only from local stores here in the valley.

Hailey Kiwanis Club Officer Elections

On Wednesday, September 8, the Kiwanis Club of Hailey and the Wood River Valley installed their new officers for 2010-2011: Jim Spinelli as President, Trina Isaacs from the City of Hailey as President Elect 2011, Kim Baker from Professional Roofing as Vice President, Sarah Gray from Mountain West Bank as Treasurer, and Dale Ewersen from Splash and Dash as Secretary. Outgoing officers are: Dr. Kyle Williams from Hailey Eye Center as President, Jim Spinelli as President Elect, Sarah Gray from Mountain West Bank as Treasurer, and Dale Ewersen from Splash and Dash as Secretary. For more information about the Kiwanis Club call 481-1112.

DISTRICT FOUNDATION MINUTES (Continued)

Donations have been received from the following:

Key Club went way over budget. Norman Taylor has not turned in any receipts for Key Club International Convention and said they were lost. Norman sent a letter to every Kiwanis Club asking for $300.00 each to the Key Club District. A letter will be sent to the Administrator on how to resolve this issue of lost receipts and being over budget. Marv will write the letter and Jim Terry will sign it.

Proposed that Dennis Brown be the CPA who checks over the books. Josh moved and Bob Parish 2nd. The vote was unanimous.

Jim Terry will remain as President and Josh Holt will be Vice President for the coming year. Gene Piland, La Mar Anderson and Janet Flinders' terms have expired. Proposed that Janet Flinders will remain for another 3 years as Secretary, with Bill Mullins and Rayleen Barnes as suggested new members. A vote will be taken at the House of Delegates.

ELIMINATE funds should go toward Hixson and MNT. The District Foundation Fund-raiser will be on Saturday. Josh explained: Heads and Tails. A person will flip a coin. All participants will give $5.00, and so on until someone wins the pot of prizes. The goal is to raise $1,500. One prize to the last man standing. Only one person wins or last 3 people win 1/3.

Next year we need to have a concert for a fund-raiser for the Foundation at District Convention.

Josh moved, Marv 2nd to adjourn at 5:55pm. Vote was unanimous.
George was an active member of the church of Jesus Christ of Latter Day Saints and served in various church callings, his favorite being Sunday School Teacher for the youth and Sunday School President.

George's favorite thing to do was to spend time with his family, especially skiing in Sun Valley and “sailing” at Balboa Island. He was a very dedicated husband, father and grandfather. His hobbies included golfing, scuba diving, fishing and working. Survivors include children, Terra Lee (Michiold) Oldroyd of Idaho Falls, Vickie (Kirk) Norman of El Dorado Hills, Calif., Cyndy Shelton of South Jordan, Utah, James Douglas Petersen of Salt Lake City, Utah, F. Lene (Paul) Krass of Saratoga Springs, N.Y., Laurie (Bill) Croft of Idaho Falls and Deneen (David) Bybee of Kaysville, Utah; 23 grandchildren and eleven great-grandchildren; brothers, Victor (Evelyn) Petersen, Mack (Vicky) Petersen, sisters, Betty Petersen and Renee (Keith) Workman. He was preceded in death by his wife, Evelyn, his parents; a sister, Dorothy; a son-in-law, Niel Shelton; and a grandson, James Brandon Oldroyd.

TERRY PARKER SMITH

Terry Parker Smith, 72, passed away August 21, 2010 at St. Alphonsus hospital from heart failure. The son of Gladys and Riley Smith, Terry Smith was born January 11th 1938 in Cherokee, Oklahoma. His family lived many places during his childhood, including Kansas and California, before settling in Idaho. He graduated from Weiser High School in 1956. Continuing with his education, Terry moved to Boise and attended Boise Junior College in 1959. He continued his education at the University of Idaho, graduating with a degree in Finance in 1963. Later in his career he graduated from the Pacific Coast Banking School in 1978. The day after graduating from high school Terry started with Idaho First National Bank. This began a banking career that spanned 48 years. He continued to work for Idaho First all during his time in college. He eventually would become a Vice-President of Idaho First and then West One Bank. During his early career he was transferred to many towns throughout Idaho. In Sandpoint, ID he met Julie Cameron. They married in 1969 and were then transferred to the Kellogg area, where they had both of their children. In 1978 they were transferred a last time to Meridian. There Terry served as the branch manager for Idaho First, then West One, and finally retired with US Bank. Soon after he worked as Vice President at Idaho Independent Bank in Meridian. He eventually retired, for good this time, in 2004. Throughout his life Terry was a tireless community volunteer. Among the many activities, too innumerable to list here, was bringing Paint the Town to Meridian and serving on a number of committees for the City of Meridian, including the Mayor’s Advisory, Parks & Recreation, Transportation, and Generations Plaza. He also was President of the Meridian Kiwanis, President of the Meridian Chamber of Commerce along with many other offices, and served as secretary/treasurer of the Meridian Historical Foundation. In 1975 he was awarded the John N. Mattmiller Civic Achievement award in Kellogg, Idaho. In 1981 he was named the Meridian Chamber of Commerce Man of the year and in 1991 named their Man of the Decade. In 2007 Mayor Tammy De Weerd Awarded Terry the Mayor’s Legacy Award. Terry was a member of the Meridian United Methodist Church, the Meridian Kiwanis, the Meridian Chamber of Commerce, the Meridian Historical Foundation, and the Treasure Valley chapter of the Train Collectors of America. As many would know, Terry was a train enthusiast. He loved collecting toy trains and, both with the TCA and on his own, took great joy in sharing his trains with children of all ages. He also loved electronic gadgets, photography, and gardening. In his retirement he enjoyed traveling and spending time with his grandchildren. He lived his life in the moment and enjoyed everything he was involved in to the fullest. Terry is survived by his wife Julie, his daughter Stacy Mason with her husband Brandon Oldroyd, his son, Niel Shelton; and a grandson, James Brandon Oldroyd.
