Fellow Kiwanians, It is my honor to serve and represent the Utah-Idaho District as its new Governor.

I have been involved with Kiwanis for many years and I find service to our fellow man our greatest joy and it is service is the glue that keeps us together.

My goal is to bring Kiwanis into the 21st century. Social networking is an amazing tool and I would ask that each member join face book and make the Utah-Idaho district Kiwanis their friend. We can communicate so easily this way, we can share pictures, videos, and have direct communication, at little or no cost.

Those of you with no computer access can use club meetings to communicate, as more and more clubs have access to the internet.

The use of face book is merely a tool to keep us closer together, not replace, human interaction. The better communication we have, the more and better organized our meetings and service projects can become. Another goal that I have been working toward is working together with other service organizations.

My wife, the First Lady Paula Baker, is working on a project with the YWCA. The goals of the YWCA are Empowering Women, and Eliminating Racism. They operate many shelters in Utah and Idaho for battered women and their children, and they need simple things like clothing, underwear, coats etc., things that Kiwanis could really be of help in providing.

We need more women members ... the clubs that have a strong percentage of women are really thriving. The YWCA project could help in recruitment to help coordinate Paulas’ project.

Kiwanis international is thinking big. Eliminate, the new worldwide project, will raise 110 million to help with Unicef on the ground in 40 underdeveloped countries to provide Tetanus vaccine for women and children to stop a very preventable disease. Patty Hansen is the regional coordinator for this effort.

Sometimes thinking big even in a poor economy is the best medicine for success. To carry that metaphor further, some of the world’s greatest companies got their start in the depression. GE, Walt Disney and many others.

I believe there is no better time in history that to have faith in the future and recognize every opportunity that presents itself. The world has need of our service more than ever, and this will drive membership as we grow to meet the needs of those we serve.

My congratulations to Governor Bob Dempsey who had stunning growth in membership and really righted the ship of Kiwanis. Thanks again to the Lt. Governors, as they really carried the drive members

A MESSAGE FROM THE FIRST LADY...

I am Paula Baker, the First Lady of the Utah-Idaho district. My husband is Chuck Baker, the Governor of the Utah-Idaho district for 2011-2012. Chuck and I have been married for 32 exciting years. We are the proud parents of three wonderful children, and one very energetic two year old grandson. I am looking forward to my role as First Lady for this upcoming year.

I would like to keep the tradition of having a First Lady project. My project is to partner with the YWCA in helping abused women and children living in shelters. There are a large number of women’s shelters in the Utah-Idaho district. My role is to coordinate the needs of each shelter with a local Kiwanis club. Each shelter has a top ten list of needed items for everyday living.

I feel strongly about this project and I feel that this project will help to get more women involved with Kiwanis. There are a lot of women running these shelters, and we might encourage each shelter to send a representative to the local Kiwanis club. This would allow the representatives to see firsthand that Kiwanis is an international organization of volunteers dedicated to changing the world one child and one community at a time.

I would like to challenge each club to assist in this great cause. If any individual or club would like to help with this project please e-mail me at: paulabkr97@gmail.com

Yours in Kiwanis service, Paula Baker

THANKS TO ALL OF YOU FOR A GREAT RIDE!
By Bob Dempsey, 2010-2011 Governor

As you read this the end of September will be upon us and another Kiwanis year will be ending. A year ago I wrote an article for the U&I Kiwanian, which listed the goals and objectives that we had set for this year.

Through the efforts of all the clubs and the members of those clubs we have been successful in doing what we said we could do. We have a new club in Kimberly and have planted the seed for a club in Morgan.

Our major goal was to make our District stronger by increasing membership by 1. At the end of August the district was 62 members stronger than when we started the year. This is a success story in itself. Without the help of so many people this would not have happened.

Kiwanians in our district care; they care about babies with the Babycare Cupboards in so many cities; they care for their communities and the children of these communities by giving so generously of their time and their money.

It has been such an honor to serve as your district governor and to be a part of this wonderful group of volunteers. Serving with you and working with you has been one of the major highlights of my life. Arlene and I thank you for allowing us to be a part of this Kiwanis family.

Let us continue our successes this coming year. Give Chuck the support that you have given me. Chuck Baker is a dedicated Kiwanian and will serve the district extremely well. He is committed to leading us into the new world of social media. This is indeed a strong challenge that will only make our District better and more connected. HE CARES.

God bless all of you as we continue to ‘Serve the Children of the World, One Child at a Time’

This is a little different than most of my articles for the Human and Spiritual Value articles but I found this material to be very interesting. In an article by Larry Broughton titled “Special Ops Leadership Secrets Exposed” he indicates there are 14 practices that business leaders can deploy to create extraordinary success. I started to wonder if our Kiwanis leadership could employ these same attributes to have successful clubs.

Create the Best – Train and motivate for excellence. Training is an important part for all Kiwanis leaders and members. Encourage them to go to our District Conventions.

Dare the Impossible – Give member’s high-impact jobs – don’t waste your resources. When we give our members meaningful things to do they will come through.

Throw the Rulebook Away – Develop a tolerance for the curious and bizarre. Let’s think outside the box and try different things in our clubs. Sometimes we are afraid to get away from tradition.

Be Where the Action Is – Lead from the front. Good leaders are there giving encouragement to other members.

Commit and Require Total Commitment – Show total commitment to a project or mission. Once a project has been decided by the club everyone needs to be committed.

Demand Tough Discipline – Develop self-discipline by setting the example. Build a Commando Team – Commandoes don’t work as individuals. Encourage all members to join the team and participate.

Inspire Others to Follow Your Vision – You must have a clean vision where you want to go. Make your message compelling and meaningful to the members. Accept Full Blame; Give Full Credit – Delegate authority, but not responsibility. Take Charge! – Commandos respect and follow leaders who establish objectives early and communicate effectively.

Reward Effectively – Rewards should be timely, fair, and tied to accomplishments. It’s important that we let our members know how much we appreciate them.

Make the Most of What you Have – Focus on developing cohesion and teamwork. Not everyone in our clubs has the same talents and skills but they all want to participate so bring out the best in everyone.

Never Give up – Perseverance and tenacity makes all the difference. When the going gets tough, that’s when we need to step up and remind members of the great work Kiwanis does.

Fight to win – Possess an eagerness to take risks and determination to overcome obstacles. We all have challenges in our clubs but with determination we can have a fun and successful clubs.

The one thing never to forget with all this is to make our clubs fun and exciting. Make it a place where everyone looks forward to coming to the next meeting.

92nd ANNUAL HOUSE OF DELEGATES MINUTES
6 AUGUST 2011
DISTRICT CONVENTION AT CLARION HOTEL IN POCATELLO, ID

Meeting was called to order by Governor Bob Dempsey at 4:33pm. International Trustee Stephen Hill was invited to sit at the front of the room.

Janet Flinders gave the Secretary's report of attendance: 30 regular delegates, 14 At-Large Delegates, with 25 clubs being represented. Bill Mullins moved to accept the delegate report; Mary Chamberlain seconded; vote was unanimous.

Elsa Bennett nominated Mark Bennett for Governor-elect for 2011-2012 by telling everyone about Mark. He is creative, focused, a mediator, listens, has respect for tradition, has leadership skills, personable and can see the big picture. He joined the Capital City, Boise Kiwanis Club in 1994, then transferred to Meridian Kiwanis. He served for two years in a row as President and will finish this year as the Lt. Governor of Division 6. He was voted the Meridian Chamber of Commerce “Man of the Year”, Small Business of the Year for 2011, has three children and a passion for Kiwanis.

Kelly Ryan-Rush seconded the nomination by saying he has been a great leader and has set an even greater example. He follows through and has the best organizational skills.

Bill Mullins moved to close the nominations; Bob Baker seconded; vote was unanimous.
Mark Bennett accepted the honor of running for Governor-elect. We are all Kiwanians—it’s my turn to step up and make it better in Utah-Idaho.

Marvin Chamberlain moved to have the Secretary cast a unanimous vote. Chuck Baker seconded.

Bill Mullins nominated Chuck Baker for Governor for 2011-2012. He is capable, served two years as Lt. Governor of Division 2. Many people mentored and educated him. Bill has the proud pleasure of nominating Chuck Baker.

Bob Parish seconded the nomination of Chuck Baker for Governor. Chuck wants to be recognized as the social networking Governor, wants to change the Strategic Plan to include social networking. He has been a Kiwanian for ten years and was a member of the TAG Team. He was the District Chair over the Kiwanis International Foundation fund-raising and he put together Pre-tours to the International Conventions after Ralph Benson retired.

Marvin Chamberlain moved to close nominations; Bill Mullins seconded; vote was unanimous.

Marvin Chamberlain moved to have the Secretary cast a unanimous vote; Pattie Hansen seconded.

Chuck Baker accepted by saying he enjoys working with such intelligent and talented people as are in the Utah-Idaho District. He walked into the Bonneville Kiwanis Club to join. As Governor he wants to make it easier to join Kiwanis; stop the trend of forgetting what Kiwanis is. He will set reachable goals and stretch to make a difference; make Kiwanis affordable and fun. He wants to visit fun clubs, like Sugar House and Meridian. He also wants to share ideas and bring us up to higher standards.

Bob Parish nominated Marvin Chamberlain for Treasurer. Jim Terry seconded.

Pattie Hansen moved and Bill Mullins seconded.

Bill Mullins moved to have the Secretary cast a unanimous vote. Bob Baker seconded.

Marvin Chamberlain appreciates the confidence that the District has in him. Utah-Idaho Foundation needs a new Foundation member. Jim Terry has served his three year term. He has been asked to run for a second three year term. Chuck Baker moved; Bill Mullins seconded. The vote was unanimous.

Governor Bob Dempsey presented four Resolutions:

Resolution #1 – SUPPORT OF THE UTAH-IDAHO DISTRICT FOUNDATION: The Utah-Idaho District Foundation Board has accepted the goal to raise matching funds for the scholarship money received from the Kiwanis International Foundation. Because of the strong support of 100% of the clubs in the Utah-Idaho District making contributions to the Kiwanis International Foundation, the District has received $5,000 or $6,000 in scholarship funds during the last few years.

Therefore, be it Resolved that: The Utah-Idaho District House of Delegates encourages the clubs to support the District Foundation by donating $6 per member or $150 per club to the District Foundation for support of the scholarship fund.

Marvin Chamberlain moved; Bill Mullins seconded; vote was unanimous.

Resolution #2 – COMMITMENT TO STRATEGIC PLAN: A Strategic Plan for the Utah-Idaho District was developed in 2002 in four major study sessions totaling over 260 hours with over 30 Kiwanis members participating. Under the guidance of Andy Carey, Kiwanis International Assistant Executive Director, key issues, district strengths, opportunities, and desires were studied. Core values and a core purpose to improve the quality of life for those children in communities we serve were developed.

Six major goal areas were selected: communication, membership, education, service, finance, and Sponsored Organizations and Programs.

Strategies have been developed to achieve the goals.

Therefore, be it Resolved that: The Utah-Idaho District House of Delegates reaffirms its commitment to the Strategic Plan as updated.

Nancy Chantry moved; Don Chantry seconded; vote was unanimous.

Resolution #3 – SUPPORT OF THE KIWANIS INTERNATIONAL FOUNDATION: The Utah-Idaho District Board has accepted the goal to raise funds for the support of the Kiwanis International Foundation and its many humanitarian projects it supports.

Therefore, be it Resolved that: The Utah-Idaho District House of Delegates encourages the clubs to support the Kiwanis International Foundation by donating $6 per member or $150 per club to the Kiwanis International Foundation.

Erland Elmer moved; Janice Elmer seconded; vote was unanimous.

Resolution #4 – SUPPORT OF THE KIWANIS INTERNATIONAL ELIMINATE PROJECT: The Utah-Idaho District Board has accepted the goal to raise funds over the next few years to be used for the Elimination of Maternal and Neo-natal Tetanus in developing countries.
Therefore, be it Resolved that: The Utah-Idaho District House of Delegates encourages the clubs and individuals to support the International Eliminate Project. Pattie Lopshire proposed to change the resolution to help support as determined by club or member to reach the Kiwanis International goal of $110,000,000. Stephen Hill suggested to support the Eliminate Project at a minimum of $6.00 per member. LaMar Anderson amended that the club pay a minimum of $6.00 per individual member.

It was decided to change it to: the clubs donate a minimum of $6.00 per member and all individuals to donate at whatever level they are comfortable with.

Bob Baker moved to accept the resolution with the proposed changes; Bill Mullins seconded; vote was unanimous.

If you haven’t sent in your monthly reports, please catch up. I will do whatever I can to help you, just let me know if you need my help. I am willing to input your monthly report info or help you get online and enter it yourself. Just know that I am here for you.

GIVE FAST FEEDBACK, GET FAST ANSWERS

Support and feedback for the KiwanisOne.org member website just got a little easier to find, request and submit. Click the “Get Help / Share Idea” link in the top left corner of www.KiwanisOne.org to reveal a captcha code entry box (our spam-killer). Input the letters and numbers exactly as shown. The user support form that appears after the code entry is short—only 7 fields asking for basic contact information and a large text box for your comments.
UNITED AS KIWANIANS WE WILL ELIMINATE MATERNAL AND NEONATAL TETANUS

Each year, thousands of mothers and newborns are needlessly dying from maternal and neonatal tetanus. This horrifying but easily preventable disease kills one baby every nine minutes. It targets the poorest, most underserved women and children on Earth. But it can be eliminated.

The effects of the disease are excruciating—tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch, sensitivity so severe that they cannot even be comforted by their mother’s touch.

Maternal and neonatal tetanus is easily prevented by a series of three vaccinations to women of childbearing age, costing roughly $1.80 US. If a woman is properly vaccinated against tetanus, she will have immunity through the majority of her childbearing years and will pass on her protection to her future children.

Babies born to mothers who have been vaccinated will be protected through the first two months of life.

This is where Kiwanis comes in. Kiwanis will help protect the connection between mother and child and end this senseless disease.

The Eliminate Project will be the greatest endeavor the Kiwanis family has ever undertaken.

Send your club and individual contributions to: Utah Idaho Kiwanis Eliminate Project c/o Patricia Lopshire PO Box 1521 Twin Falls, ID 83303

ELIMINATE MNT, EARN THANKS

It’s going to take hard work from all of Kiwanis International to raise the US$110 million needed to save and protect millions of mothers and babies from maternal and neonatal tetanus. And while the focus of The Eliminate Project is outward, it’s nice to get a pat on the back now and then.

Pledges can be made over five years and there are thank-yous for both you and your club along the way. Individual awards start at US$300 raised, and those who give at least US$1,250 become part of the Walter Zeller Fellowship or the Diamond-level Zeller Fellowship. Major gifts of US$25,000 and lead gifts of US$100,000 are honored with medallions, special invitations and recognition in publications and at the Kiwanis International Office. Be sure to ask a foundation staff member how you can combine your foundation giving with that of The Eliminate Project, so you can earn separate Kiwanis International Foundation recognition, too.

Clubs that raise US$100,000 will be named 100K clubs, and a donation of $750 per member earns Model Club status. Progressive recognition, demonstrated with pins and banner patches, is available for incremental giving increases. The Global Service Society includes clubs in which every member has given generously and there’s also a 100 Percent Participation award.

Learn more about awards and requirements for each giving level, plus other special honors, at www.TheEliminateProject.org/recognition. Then get busy earning yours today.

Another valuable resource for new leaders is the Leadership guide (www.kiwanisone.org/Pages/Resources/default.aspx?PageID=286), which includes a list of responsibilities, timelines and sample forms. Download the entire guide or the appropriate section.

NEW RESOURCES TO HELP YOU SPREAD THE WORD ABOUT THE ELIMINATE PROJECT

Maternal and neonatal tetanus affects many, many mothers and babies in the poorest countries of the world, and it’s going to take the help of many, many people to eliminate it from the world. To help you reach those many people, Kiwanis is constantly creating resources for your campaign, so keep visiting the Resources page (http://www.theeliminateproject.org/resources) of The Eliminate Project website to find out what’s new. Here’s what’s new this month:

• Turn a can into a coin collection container using the club coin label (http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/newresources/handouts.aspx) Print them off and start collecting. Every contribution counts!
• Download The Eliminate Project logos (http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/newresources/logos.aspx) in your preferred format: JPEG, GIF or EPS. Be sure to follow the logo guidelines when placing the logos in your promotional materials.
• Look and sound professional as you educate groups about The Eliminate Project using presentation resources (http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/newresources/presentations.aspx) including the new PowerPoint template (http://sites.kiwanis.org/Kiwanis/Projects/Presentations_-_MNT_-_EN/The_Eliminate_Project_official_PowerPoint_templates.sflb.aspx). Add photos (http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/newresources/Photos.aspx) and copy from the Talking Points (http://sites.kiwanis.org/Kiwanis/Libraries/Presentations_-_MNT_-_EN/The_Eliminate_Project_fundraising_campaign_-_Speech_Talking_Points.sflb.aspx) and you are ready to present!
Management and Investment, Inc.

From red rocks to mountain tops we’ve got you covered. Stay at any A & B Hotel in Utah and feel like you are at home. Be greeted by our friendly staff, relax in our swimming pools after a day exploring and sleep soundly in our comfortable beds. We look forward to welcoming you!

INTRODUCING THE SERVICE PROJECT DATABASE!

If your club’s looking for its next service project, check out the Service Project Database (in English). Located at www.KiwanisOne.org/findaproject, this online resource lets Kiwanis-family members to browse through various projects, find ideas and inspiration, read helpful tips, download materials to duplicate a successful project and more.

To maximize this new tool, clubs are asked to submit their best service project for consideration. If you have a great success story or project idea, submit your details to service@kiwanis.org.

EASY ONLINE FORMS—SEE WHAT YOU CAN CREATE WITH GOOGLE

A Google form or survey is simply one the best tools you can use on your Kiwanis club’s website to gather information. It’s an easy-to-use method to collect data and feedback from your members and other visitors to your site, as well as compile and track participation and responses. There are seven different form field types available and they can be used in any combination to create a seemingly endless amount of forms on the fly. Below are just a few examples of how your club website could use the Google Forms tool:

- Vote for service project ideas
- Speaker or event evaluation
- Feedback form for new Web pages
- Non-members “contact me” request
- Poll members about meal options
- Event RSVPs
- Fun trivia quiz
- Newsletter signup
- Virtual suggestion box

Has your club created another type of form or survey? We’d love to hear and share your unique ways of using the Google Forms tool. Email us your example at kiwanisone@kiwanis.org.

For step-by-step help creating a Google form or survey, refer to the easy tutorial (http://community.kiwanisone.org/media/p/18998.aspx).
