Chuck Baker at 801 can be set up for Friday and Saturday for $100 or a larger space can be had for $150. Call.

If you have never met a Kiwanis International President before, now is the time to register for the Mid-Year Conference. The registration form is included in this issue. Let’s honor President Alan Penn and his First Lady by having the best attendance at a Mid-Year Conference in a very long time.

There will be lots to learn and fun to be had. Socializing and fellowshipping, meeting new Kiwanis friends, and being in a tremendous environment that will inspire you to live in a changing world.

Incoming club Presidents and Secretaries need to attend Club Leadership Education, but don’t stop there. Bring members from your club who might be considering stepping up to a leadership position. Everyone is invited to attend CLE, all sessions, workshops, and meals.

The ELIMINATE Project, “Anti-aging” and learning how to use “Facebook” to your advantage. These are just some of the new and entertaining and interesting workshops that are being planned. This will not be a same-old, same-old Mid-Year Conference. The feel is changing because we live in a changing world.

With the new Kiwanis International World-wide Project that was kicked off in Geneva, Switzerland this summer, we need to learn what we are expected to accomplish in our District for Eliminating Maternal and Neonatal Tetanus. The Kiwanis world has the goal of $110 million in just a few years. Let’s get everyone on board to help save the lives of children and mothers in third-world countries around the world.

Sponsors are being sought to advertise at the Mid-Year Conference. A small booth can be set up for Friday and Saturday for $100 or a larger space can be had for $150. Call Chuck Baker at 801-390-6772 if interested.

Let’s keep the Kiwanis spirit alive and well in the Utah-Idaho District. Come to Mid-Year Conference to learn and have some FUN.

Pledge To Do Your Business with A Kiwanian

Once you have boarded an aircraft, the instructions given are, in case of loss of cabin air pressure, put your oxygen mask on first, and then help others. When Kiwanis was formed in 1915, it was a business club devoted to the purpose of sharing business ideas and services with one another, doing business with like-minded individuals in the community.

One of the most vibrant Kiwanis clubs in our district, which is off the charts with its successes in service projects and membership growth, has a business leads club just prior to the Kiwanis meeting. My point about the aircraft boarding is, this is a challenging economy. We the members need to be financially secure ourselves (i.e. put your oxygen mask on first), to better serve others next. What can we do? Always try to give a fellow Kiwanian your business first. The real estate agent, insurance agent, the broker, the grocer, the barber, the advertiser in the Kiwanian.

Let us really support our members. Look in your checkbook, did you buy that product or service from a Kiwanian? If we really work at this, we can grow members. Greed can outmotivate guilt. The number 4 reason a new member joins Kiwanis is for networking, even though we have no formal networking structure. If word gets out that Kiwanis is a great place for networking, we could expand membership and thus service.

This weak economy has produced vibrant networking groups, such as BNI and the Corporate Alliance. They have rapid and exiting growth numbers. BNI is nearly as large as Kiwanis, though only age 22. Therefore, I propose we consider:

1. Pledge to business with a Kiwanian,
2. Ask someone you do business with to visit your club (new business for him/her!) ,
3. Consider the model of the Meridian club, form a new "Kiwanis Leads Group", that could meet thirty minutes before your regular meeting.

Let us do everything to help our members first, giving us the strength to serve the children and the communities throughout the world.

Yours in Kiwanis Service, Chuck Baker

TO MY FELLOW KIWANIANS
Mark Bennett, 2011 – 2012 Utah – Idaho Kiwanis District Governor-Elect

Fellow Kiwanians, it is my honor to serve and represent the Utah - Idaho District as its new Governor Elect.

I have been involved with Kiwanis since 1994 and can honestly say that it’s all because my mother, Elsa Bennett, made me join. I have seen all pieces and parts of how a club works and how an effective club can have an influence on its community and most importantly its youth.

I will work on supporting Governor Chuck Baker on helping increase our clubs in becoming as he calls it “socially connected”. Technology is here to stay and spreading the word of Kiwanis via all the resources available is our choice. Either be part of the future or join those that “wished” they had.

The numbers just came out for International membership and we can be proud to say we were 1 of only 9 Districts to show positive growth from 2010-2011! We should all take a moment to thank our fellow Kiwanian, our club officers, our Lt. Governors and our District Board members and our Past Governor Bob Dempsey.

Are you done... now forget the past year and focus on now and the year ahead of you! I am fortunate to be member of a very active Kiwanis Club, served as its president for 2 years following in the footsteps of 2 amazing presidents, served as Lt. Governor for Division 6 for a year and watched and helped my mother with enough Key Clubs activities to fill the U & I Kiwanian.

Even with all the new advances in technology that are available to us, Governor Baker makes an excellent point.... human interaction can't be replaced!

W.W.W.  Workers - Wealth - Wisdom
Every club has a mixture of these 3Ws. The challenge is for the leadership of your club to find the best formula to make their club's mixture of Ws create the best results. There are no magic answers to how much of each W a club needs to be successful. It’s apparent that too much of one or more W isn’t healthy for the success of a club.

P.E.P.  People - Energy - Projects
People is important but more people isn’t always the answer to “fix” the problem. Ever heard of the phrase, “too many cooks in the kitchen”? I constantly hear from clubs that they don't have enough members to “do” stuff like other clubs do. Find things that only require 4-6 people to accomplish.

Energy isn’t given it’s created. It doesn’t matter how many members you have in your club if there isn't any Energy to “be involved”. If your luncheon isn't a buzz of Energy how can you impress on your guests or potential members that this, is somewhere they need to be, and, be part of!

Projects is the key to many clubs success. There are a few exceptions out there but for a club to be successful it needs Projects. This doesn't mean just one Big Project but many projects throughout the year. Your club should be known in your community for ALL they do and, be part of!

I’ll close with two words - Key Club.

Anyone that's ever been part of a Key Club event should have left either fully energized or completely worn out. So I ask you... if most Key Club members are typically a Key Club member for only 2-3 years, where did the Wisdom come from? And who supplied the Wealth? Who gave them Projects to burn all their Energy on? And how do they go from one project to another and not lose momentum? Key Club membership numbers increased once again last year but Kiwanis numbers decreased over 7000 members.

Governor Baker hit the infamous “nail on the head” in a recent Board meeting when he said we need to focus on having FUN in our clubs instead of worrying about all the committees and reports and membership drives we spend so much time on. Organization is important to any club but I believe if we treat our club more like a family than a business, we will retain members and not have to worry about holding membership drives. New members will come to you because they want to be part of your family. They want to known as a Kiwanian in their community and will be the best recruiter you can hope for.

Fourth things come not back: the spoken word, the sped arrow, the past life, the neglected opportunity.

Feel free to contact me either by friending me on FaceBook (Mark Bennett not by the Eiffell Tower), or mlbennett7@q.com or my cell 208-870-6194. Thank you.

UPCOMING U & I KIWANIAN DEADLINES
WHAT DOES KIWANIS STAND FOR?

By Jim Terry, Human & Spiritual Values Chair

Since 1915 Kiwanis has provided service to others, in our own communities, in our respective states and around the world. KIWANIS. What does the word mean? As I searched the Kiwanis International Web site and various other web sites there are different interpretations of the word Kee-wanis. The word comes from one of the native languages of North America, Otschipew. Nunc Kee-wanis which some say it means “we let ourselves be known”, “we trade”, “we share our talents”, and a few others. Kiwanis International in its original motto interpreted it as “We Build.” We know now that the motto has been changed to “Serving the Children of the World.” Whatever the true meaning is for us as Kiwanians it represents a clear message for us. We serve and spread our message to others.

We all know our defining statement, Kiwanis International is a global organization of volunteers dedicated to changing the world one child and one community at a time and we know we have six permanent Objects. Do we know what our sponsored youth programs stand for?

**Builders club** which is the largest service organization for middle school students stands for the following:
- **Motto:** Building leaders
- **Vision:** To develop competent, capable, caring leaders through the vehicle of service.
- **Mission:** Builders Club is an international student-led organization providing members with opportunities to perform service, build character and develop leadership.

**Core values:**
- Character building: The ability to do the right thing, even when it might be the unpopular choice.
- Leadership: The ability to listen, communicate, serve and guide others.
- Inclusiveness: Accepting and welcoming differences in other people.
- Caring: The act of being concerned about or interested in other people or situations.

**Key Club** is the oldest and largest service program for high school students.
- **Motto:** Caring – Our Way of Life
- **Vision:** We are caring and competent servant leaders transforming communities worldwide.
- **Mission statement:** Key Club is an international student-led organization which provides its members with opportunities to provide service build character and develop leadership.

**Core values:** The core values of Key Club International are leadership, character building, caring and inclusiveness.

**CKI** is an organization of college and university students which promotes community service, leadership development and fellowship.
- **Motto:** Live to Serve, Love to Serve
- **Vision:** To be the leading global community-service organization on college and university campuses that enriches the world one member, one child and one community at a time.
- **Mission:** Developing college and university students into a global network of responsible citizens and leaders with a lifelong commitment to service

**Tenets:** Service, Leadership and Fellowship

Kiwanis is an organization for everyone. No matter what your age, where you live, what religion you belong to or don’t belong to. All that is asked of its members is to give. Whether that is of your time or your knowledge or financially we need all of you. This is an organization made up of volunteers who care and want to make their communities better. That’s the fun part of being a Kiwanian. All we have to do is look at what our sponsored youth programs stand for and that should put a smile on our face.

***

**CASA,** a national program, stands for Court Appointed Special Advocate. CASA is the only volunteer organization that empowers everyday citizens as officers of the court. Being a CASA volunteer does not require any special education or background, simply the desire to help abused and neglected children find safe, permanent homes. A volunteer’s three primary duties are to investigate the case, advocate for a child’s best interest, and to report to the Guardian ad Litem attorney.

CASA’s are the “eyes and ears” of the GAL and give the children they work with a voice in the courts.

Utah Idaho District of Kiwanis International is pleased to announce a second level of leadership in the UI District Eliminate Team. Rayleen Barnes, Utah Multi-Division Coordinator and Revis Turner, Idaho Multi-Division Coordinator join Pattie Lopshire, District Coordinator. Rayleen is a member of the Heber Valley Utah Kiwanis Club and Revis belongs to the Twin Falls Idaho Club. They recently attended extensive training for the Eliminate project and are both actively recruiting Division Coordinators who will assist the clubs in recruiting Club Eliminate Project Chairs. Training for Division and club leaders will take place before and during Mid-Winter Convention. The tiers of leadership will ensure success through the Kiwanis organization in raising the $110 million dollars needed to meet the goal of saving over 61 million lives. In September Kiwanis International made the initial contribution to the project with a gift of $750,000 US dollars representing over 416,666 lives saved. Charter Walter Zeller Awards in the UI District have been awarded to: Lamar Anderson, Brent Ashworth, Rayleen Barnes, Wally and Judy Breitenstein, David Bond and Janet Flinders. Additional Kiwanis members have pledged to become Zeller Fellows over two years with a minimum gift of $1250. Clubs who have given or pledged leadership contributions (including Zeller Awards) are Logan, Provo, Provo Golden K, Saratoga Springs, Spanish Fork, Caldwell, Heber Valley, Rupert, Tooele and Twin Falls.

TO MAKE A DONATION: Include your club name (your club will receive credit for your donation towards total club giving) If you send a donation directly to Kiwanis International please include your club name.

At the end of the day do your actions have life or death consequences? For most of us, generally not. The decisions we make and actions we take on a day to day basis do not change the course of the world outside of our own sphere of influence. We hear about individuals who have saved someone from a burning building, a horrific car accident, a flood, or other life threatening situations. We read about the Steve Jobs, Bill Gates and the Louis Pasteur’s of the world who truly have made remarkable differences by their innovations, actions and discoveries. Remarkable people and acts of heroism never fail to amaze and inspire us. In our own lives we sometimes take life-changing action, but rarely do we have the chance to make a life “saving” difference.

Through the Eliminate Project, we have been given the opportunity to save not one, but millions of lives. This can be a defining moment for each of us. Together we will make a difference for humanity and change the world.

With The Eliminate Project, Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of nearly 60,000 innocent babies and a significant number of women each year. The effects of the disease are excruciating — tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. To eliminate MNT from the Earth, more than 100 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation,
thousands of skilled staff and more. It will take US$110 million — and the dedicated work of UNICEF and every member of the Kiwanis family to eliminate MNT from the face of the Earth. And in doing so, the project will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families.

When I pledged to become a Zeller fellow, I committed to join in the Kiwanis MNT Project. But more importantly I committed to save lives. This has become very important to me personally. My donation will save the equivalent of 30 kindergarten classes. When I mailed my first installment this week it thrilled me to know that my donation could save a small village. This is probably the greatest thing I will do in my life. To have this opportunity is a gift to me. I am thrilled to participate in a global project that will save millions of mothers and their babies and literally change the face of the world. Please join me and consider a pledge today.

In Kiwanis service, Pattie Lopshire

2010-2011 ANNUAL CLUB GIFT CAMPAIGN

By J. LaMar Anderson

A special thanks to all Utah-Idaho District Clubs who contributed to the 2010-2011 Kiwanis International Annual Club Gift Campaign! The annual club gift campaign is conducted during the Kiwanis fiscal year, October 1 through September 30 of each year. A total of $714,038 was contributed to the 2010-2011 campaign by 59% of the international Kiwanis Clubs. Eighty five percent of Utah Idaho Kiwanis clubs contributed a total of $11,138 to this campaign. Seven of our Divisions had 100% of its clubs making donations to last year's campaign (we are now beginning the 2011-2012 campaign); our total contribution equated to $6.81 per member. Only the Japan District contributed more per member than we did. The Kansas District had 100% of its clubs contributing to last year's annual club gift campaign. I would also like to extend a personal Thank You to individuals who made personal contributions to the annual gift campaign in the name of one of our Kiwanis clubs!

At the 2011 U-I annual Kiwanis convention, a resolution as passed that clubs in our district would again donate a minimum of $6 per member to both the Kiwanis International Foundation's 2011-2012 annual club gift campaign and to our U-I District Foundation. To meet this goal will require extra effort this year because of at least two factors, our continued down economy and Kiwanis International's second World Service Project, Eliminate, that is now in full swing.

During October 20-23 I attended a Kiwanis International Foundation Board Meeting as I began a three-year term as a Kiwanis International Foundation Trustee. In addition to serving on the Grants and Connelly Committee and the Bylaws/Policies Committee, I learned much about the progress of Kiwanis' world service project. In cooperation with UNICEF, our Kiwanis goal is to raise $110 million to Eliminate maternal/neonatal tetanus over a five year period. As a start to raise this amount, individual and club contributions had exceeded $2.5 million as of September 30, and $750,000 had been turned over to UNICEF.

Thanks again for all your individual and club support!

There have been quite a few changes to the roster since the Roster issue was put together and printed. Please contact Gordon Lewis, (801) 296-0180 or Cell (801) 915-6228, e-mail: gelbowl@comcast.net or newsletter@uikiwanis.org, for instructions on how to get the updates.

August 7, 2011 at The Clarion Inn, Pocatello, ID

8:47am Meeting was called to order by Governor Bob Dempsey. Invocation was given by LaMar Anderson.

This has been an interesting convention, but the least attended one since 1920. People with health problems are not empathized by people who have never suffered. Thanks to all who cared and helped after Bob Dempsay's auto accident.

In attendance were: Bob Dempsey, Governor; Chuck Baker, Governor-Designate; Mark Bennett, Governor-Elect Designate & Lt. Gov Div 6; Janet Flinders, Secretary; Marvin Chamberlain, Treasurer; Lt. Governors: Bob Baker, Div 2; Don Chantry, Div 3; Chuck Humphrey Div 4; Carter Jones, Div 8; and Gene Colledge, Div 10. Chairpersons: LaMar Anderson, Kiwanis Intl Foundation; John Brown, CKI Administrator; Gordon Lewis, U&I Kiwanian Editor and Website Mgr; Bill Mullins, Assistant to the Governor; Guests: Steven Hill, Kiwanis Intl Trustee and District Counselor; Stephanie Ursini, Kiwanis Intl Area Director; and Nancy Chantry, No. Ogden Club.

Minutes from the Third Board Meeting held at Mid-Year Conference in Logan, UT were presented. Marv moved and Chuck Humphrey seconded to accept the minutes as presented; vote was unanimous.

Report of Missing Club Election Report was presented showing 22 clubs of 59 in the District had submitted their 2011-2012 officer's election report to Kiwanis International. 37 clubs had been delinquent in their reporting duties. Lt Governors were asked to call the clubs in their divisions, get the missing information and send it to Janet Flinders.

Report of Missing Monthly Reports was presented showing 10 clubs did not report all year long; another 4 stopped in November; 1 in December; 2 in January; 1 in February; 3 in March; 3 in April; and 4 in May. By May 28 clubs were not reporting monthly.

District Financial report was presented by Marv Chamberlain. Discussion of going online only with the U&I Kiwanian Newspaper: What happens to the advertising income? Janet is to get a wallet bookmark with the Criteria on it. The Criteria will be available online.

Bob Dempsay suggested that the investment policies should be re-looked at and see where the money should be invested. Marv will bring investment policy to the October Board Meeting in Tremonton, UT and will show how investments have fared. Chuck Baker suggested a small committee should get together – Bob Dempsay suggested the committee should be Chuck Baker, Marv Chamberlain and Carter Jones. They should get together to give the Board guidance on District investments and review the District Foundation investments also. Chuck Humphrey moved and Carter Jones seconded to accept the financials; vote was unanimous.

Foundation financials were submitted as information only. Membership Comparison was presented. The report from Kiwanis Intl showed the District membership at Sept 30, 2010 to be 1,624 members. At the end of July 2011 it showed 1,701. We are plus 66 members. Bob Dempsay hopes that each club will end the year at +1.

The cleansing of the books at club level in Sept is really hard to counteract. Governor reported that the District had submitted their 2011-2012 officer's election report to Kiwanis International. 37 clubs had been delinquent in their reporting duties. Lt Governors were asked to call the clubs in their divisions, get the missing information and send it to Janet Flinders.

Report of Missing Club Election Report was presented showing 22 clubs of 59 in the District had submitted their 2011-2012 officer's election report to Kiwanis International. 37 clubs had been delinquent in their reporting duties. Lt Governors were asked to call the clubs in their divisions, get the missing information and send it to Janet Flinders.

Report of Missing Monthly Reports was presented showing 10 clubs did not report all year long; another 4 stopped in November; 1 in December; 2 in January; 1 in February; 3 in March; 3 in April; and 4 in May. By May 28 clubs were not reporting monthly.

District Financial report was presented by Marv Chamberlain. Discussion of going online only with the U&I Kiwanian Newspaper: What happens to the advertising income? Janet is to get a wallet bookmark with the Criteria on it. The Criteria will be available online.
MINUTES OF THE FIRST BOARD MEETING (Continued)

meetings to count as an interclub. Two Kiwanis members are needed for CKI, Key Club, Builders Club, K-Kids, Aktion Club – NOT including the Club Faculty Advisor. The Kiwanis Advisor to the Club does count as one of the two.

Lt. Governors are to meet face to face with each club in their division. Talk to them about interclubs and mixing/sharing ideas for service projects and fund-raising. Each club should be invited to have a minimum of two NEW service projects to earn a banner patch for 2011-2012.

Janet is to compile fund-raising ideas to share with the District and have “Show and Tell Fund-raising” at District Convention in August 2012.

Marv Chamberlain suggested that a discount on the registration fee to Mid-Year Conference and District Convention for clubs that turned in timely monthly reports. It is important to have 10% of the District in attendance at Mid-Year Conference. The Kiwanis Intl President and First Lady will be in attendance. This discount should be front page news in the Dec/Jan U&I Kiwanian. Gordon Lewis suggested that clubs and members be encouraged to send in down payment on District Convention. Maybe a prize will be given to the early sign-ups.

Every Club should have a media person. Kiwanis should be in the newspaper every week. Keep the Kiwanis image out there for people to see and hear about. The media person should contact all media outlets in their area with information and pictures. Try to include the Sponsored Leadership Programs projects, too.

Membership Retention: What can be done? Amnesty to members in arrears might help to reactivate embarrassed members. Think about it for later discussion.

The District Convention will be August 17-19, 2012. A committee is getting quotes from Red Lion and Marriott.

Bill Mullins offered his services to go out to help clubs attract new members. His cell is 435-830-7816. John Brown said to call him if having problems with Kiwanis Intl. His cell is 435-830-8380.

Spanish Fork Kiwanis is having their 90th Birthday party/Open House on Nov 5th from 1-3pm in Spanish Fork. They will be doing 90 acts of random service in the community.

Gordon Lewis note the deadline for the U&I Kiwanian articles is August 31, 2011. Mark Bennett will help find a Lt. Governor for Division 9. It was suggested he check with the Caldwell Kiwanis Club.

LaMar Anderson talked about the Annual Club Gift Campaign: Div 1, 7 and 9 need to donate. The Utah-Idaho District is #1 in per capita donations in all of Kiwanis Intl except for Japan. Hopefully, Annual Club Gift will not suffer next year, since the Eliminate Project will be asking for donations also.

Marv Chamberlain will bring a tentative budget to the October Board Meeting based on the last few years. It will need approval then. Janet moved to allow Marv to pay any bills from the first to the fifteenth of October, if necessary. Mark Bennett seconded. Vote was unanimous.

Stephanie Ursini will provide a flash drive to Chuck Baker, who will get it to the rest of the Board. A good book to read is “Strengths Finder” for $15.00 at book stores. It focuses on strengths, not weaknesses. Get more people with strengths to work more in their own clubs.

Steve Hill added it was a pleasure to be here. Deal with attainable goals!! Most clubs are divided in 3 categories: 1/3 Terrific, 1/3 Mediocre, and 1/3 Awful. Try to build up the Mediocre members to Terrific. He and Stephanie would also like to be part of the Utah-Idaho District Board Facebook. Asked Chuck to find an “Unsung Hero”. Interclubs are necessary to show weak clubs how to be better. “You have to laugh. Fun is so important. Mediocre members to Terrific."

Chuck Baker suggested that the District money should be held in an FDIC Money Market Account to protect the assets. Also District Board members must attend board meetings to get travel checks.

MINUTES OF THE SECOND BOARD MEETING
OF THE UTAH-IDAHO DISTRICT
OF KIWANIS INTERNATIONAL
15 October 2011 in Tremonton, Utah

Welcome by Governor Chuck Baker at 8:40am.

Invocation by Immediate Past Governor Bob Dempsey.

In attendance were: Chuck Baker, Governor; Bob Dempsey, Immediate Past Governor; Mark Bennett, Governor-elect; Janet Flinders, Secretary; Marv Chamberlain, Treasurer.

Lt. Governors: Div 2 – Bob Baker; Div 3 – Don Chantry; Div 4 – John Tanner; Div 8 – Carter Jones. Guests: LaMar Anderson, Kiwanis Intl Foundation Chair; John Brown, CKI Admin-istrator; Nancy Chantry, North Ogden Kiwanis Club; Gordon Lewis, U&I Kiwanian Editor & Website Manager.

Missing Lt. Governors: Div 1 – Not elected yet; Div 5 – Dean Banner; Div 6 – Frankie Marler; Div 7 – Not elected yet; Div 9 – Not elected yet; and Div 10 Doug Lund.

Minutes of the first board meeting 26 August 2011 were presented. Moved by Marv and seconded by Carter; vote was unanimous.

Chuck Baker suggested that the District money should be held in an FDIC Money Market Account to protect the assets. Also District Board members must attend board meetings to get travel checks.
MINUTES OF THE SECOND BOARD MEETING (Continued)

Financials were presented by Marv Chamberlain. Moved by Bob Baker and seconded by Don Chantry; vote was unanimous.

District Foundation financials were presented as Information only. Orem Golden K has donated $150.00 for Key Leader.

Dennis Brown reviews the financial statements for the District and Foundation. Bob Dempsay moved and Bob Baker seconded to keep Dennis Brown as the CPS to handle these reviews. Vote was unanimous. The cost of the reviews is $500.00.ようやく

Was able to approve PayPal, US Bank, Putnam, and Lewiston State Bank as depositories and authorize Marv Chamberlain to expend funds without approval. Bob Dempsay moved and John Tanner seconded; vote was unanimous.

Only two Reed Culp Awards were purchased and presented during 2010-2011. These were to Randy White of Rupert Kiwanis and Dick Mills of Ogden Kiwanis.

The proposal for 2011-2012 budget is based on history and Marv's experience. Moved to increase Governor's stipend to $4,000; New Club Building Chair increase to $200 per month based on receipts; International Convention proposed for $8,000 – Bob Dempsay proposed $1,000 per board member increasing it to $12,000; add a line item of $7,000 from reserves. Marv proposed three changes and John Tanner seconded; vote was unanimous.

Note: If monies keep being needed from reserves, a dues increase will need to be addressed.

Bob Dempsay moved to approve budget as changed, Carter Jones seconded; vote was unanimous.

Bob Baker, Gordon Lewis, Bill Mullins, and John Tanner will join Gov Chuck Baker as the Mid-Year Conference Committee.

Mid-Year will be in Salt Lake City, UT 23-24 March 2012 and District Convention will be 24-25 August 2012 in Salt Lake City, UT.

The Distinguished criteria was reviewed.

Frankie Marler – Div 6 Report was given by Mark Bennett: Les Bois Kiwanians is closing – members are moving to Capital City, Boise. Total membership numbers in Div 6 are up. Mark Bennett will collect all Kiwanis items from the Les Bois Club; finances will be sent to Mary Chamberlain (the District Board will decide where to put the money). No SLP's will be lost, and No fund-raising projects will be lost. (**NOTE: as of 9 November the following members from Les Bois had transferred to Capital City, Boise: Cordell R. Chigbrow, Gary Dyer, Steven Fields, Jack W. Green, Thurman B. Haskell, Bill Homan, Cyndi Friend Kay, Ken R. Trefaller, and George Weissbeck. Thanks to all these Kiwanians for staying active with a firm and committed club like Capital City, Boise.)

Letters have been sent to all Div 9 club secretaries looking for a replacement for Bill Augsberger. Treasure Valley of Nampa Club installation was filled with lots of energy and lots of youth as members. Division 9 really needs someone to Step-Up and be the Lt. Governor.

Don Chantry – Div 3: Five of Seven Installations are done. Preston will be done on 19 October. They are young and having more activities than other clubs in the division. Wasatch-Roy/Riverdale hasn't changed their officers – so they don't feel an installation is necessary and they are happy with the 8 members they have and do complete a lot of community service projects. They have no SLP clubs and are happy with the status quo. Five of the seven clubs are doing club reports.

Bob Baker – Div 2: Bonneville has shown growth over the last year and with the Governor being from their home club, I'm looking for a lot more activity out of them this year. Capitol Hill, SLC continues its unwavering support of West High School Key Club selling concessions at their football games and other activities. Their weekly donations of books to elementary schools is ongoing and they are working on revitalizing the U of U CKI Club. Clearfield had quite a few people at their installation although the president is serving their last 4 years and found we had raised $15,000 so far. More drives and a new membership drive are next on the agenda. Toole held a very successful Golf Tournament and also did their SLP Fun Run. They have also shown some growth in keeping another company to sponsor some members. Their installation was a fun event full of love and thank yous to everyone. They hold the most "Kiwanis" style installations of any club I serve. Every member gets some kind of recognition.

Carter Jones – Div 8: Grateful for diversity in Kiwanis. Feel if the clubs are doing service, he is very happy with them. Wants to recognize more people for their hard work. All clubs have been installed except for Heber Valley. Some clubs are happy being small and don't want changes. Park City received a $4,500 grant sent to the District Foundation. Marv needed receipts for the money will be expended.
MINUTES OF THE SECOND BOARD MEETING (Continued)

Sugar House is viable and growing. West Valley, SLC is growing slowly – they have 3 Key Clubs that they sponsor. Salt Lake City is also growing, but a couple members have passed away. Midvale’s President is taking on a second term. Park City and Heber are both strong, but small.

John Tanner – Div 4: 3 of 5 installations have been completed. All officers are members. Excited to visit Shelley this week and Idaho Falls is sending an interclub to Rexburg.

In future all Kiwanians should be recognized for their good deeds. The awards will be removed from their packing and awarded with flair. Plaques should be out of their boxes and proudly displayed.

Gordon Lewis – District U&I Kiwanian Editor and Website Manager: Governor Chuck Baker wants everyone on the Board to be on Facebook. Using a smart phone is the way to go. You can see Chuck with the Eiffel Tower on Facebook. You can see everything immediately as it happens. Chuck wants Gordon to help us get in the media, advertising our service projects and especially the Babycare Cupboard. Should this advertising be in the newspaper, on TV or on the radio? It should be sent everywhere. Kiwanis qualifies for Public Service Announcements. Send your information to Chuck, who will store it in his Kiwanis file, and to Gordon, who will help clubs get the info out into the media. Trina Isaacs should be our Facebook Coordinator.

District projects are being submitted by Kiwanis International. KI wants ALL clubs to focus on the Eliminate Project.

First Lady Paula Baker has set up to help the YWCA, baby clothes, shoes, etc for the Women’s shelter. The point is you don’t know where the shelters are because they are secret. Contact Paula for more information.

More women are needed in our Kiwanis Clubs. Invite the women involved with the shelter to be a member of Kiwanis. Women’s Children Alliance in Treasure Valley can be visited on other organizations coattails. Find community projects that need help (Lions, Rotary, etc.). Get the Chamber of Commerce, city, county, other service organizations to get together to combine on service projects.

District Convention will be 24-25 August 2012 – If too many conflicts, this date can be amended. Board meeting at Kiwanis International Convention will be Friday, 29 June 2012 at 7am after a caucus afterward before going to workshops at the convention center in New Orleans, LA.

John Brown – CKI Administrator: Current active clubs: BYU-Provo, College of Idaho in Caldwell, Utah State University in Logan, Westminster College in Salt Lake City (with a dues problem). Inactive Clubs: Northwest Nazarene University (inactive since 10/01/2006) and Utah Valley State University (Inactive since 10/01/2009). Clubs currently building membership to charter status: Utah Valley University in Orem, UT, University of Utah (need 7 more students to reactivate) in Salt Lake City, UT, and LDS Business College in Salt Lake City, UT. Potential clubs: Dixie State College in St. George, UT, USU Regional Campus in Tooele, UT, College of Southern Idaho in Twin Falls, ID.

Key Club District Convention will be 30 March to 1 April, 2012 in Boise, Idaho. Twin Falls had the Key Club write a grant proposal for a community service project: Community Carnival $500.00 and the project was successful. Chuck wants all SLP organizations to work for the money they get. They need to buy in to the money. Meridian has 16 SLP clubs. John Brown and Kaleen Knight have gone to the school board and asked for which elementary schools need a sponsor for BUG and RIF, plus other YCPO (Young Children Priority One) projects are being accomplished by our Kiwanis Clubs. Lt. Governors need to ask their clubs what YCPO projects they are doing. Children safety awareness and the ELIMINATE Project are also YCPO.

Youth Services – Hope of America Awards were started by the Bonneville Club. Sugar House does a little different spin on this award. They have each recipient do a community service project, write about it and how many hours they served. Kiwanis Int’l has approved new types of clubs: Corporate memberships are golden. If more than one person from the corporation attends the same Kiwanis meeting, the club bills for the extra person just for the cost of the meal. Lt. Governors need to check with each club and ask about corporate membership among their members. Wal-Mart, Banks, City Hall, Police Dept., Fire Dept, etc. Chuck and Mark will write up a couple of paragraphs about membership suggestions and give it to Gordon for e-mailing. Lt. Governors should talk about Corporate Memberships at their President Council Meetings. There should be at least 4 Council meetings every year in every division.

The ELIMINATE Project – Each club should have an ELIMINATE chairperson. Rayleen Barnes is trying to get a member in each division in Utah to be over ELIMINATE. Forty (40) countries still don’t have the vaccine to take care of Maternal and Neo-Natal Tetanus. Do 8 for eliminate.

Every club should add a NEW fund-raiser, so every club can budget a donation every year to ELIMINATE. Also tap your friends, who are well off, to donate to this world-wide project. ELIMINATE – pass your buck to Chuck.
The District Foundation only sold 2 Reed Culp Medals last year. The budget was for 6. Payments can be made to buy a Reed Culp over a two-year period. The total for a Reed Culp is $1,000.00 made payable to the Utah-Idaho Kiwanis District Foundation. This money to the Foundation supports SLP. The District needs to match the scholarship monies received from Kiwanis Int'l Foundation for our over $6.00 per capita donation to the Annual Club Gift Campaign. A goal has been set for 2011-2012 to sell ten (10) Reed Culp Medals this year. When a club makes up their budget, they need to have line items for Eliminate, Hixon and Reed Culp every year. Recognition for Reed Culp should be created by the committee.

Kiwanis Int'l Foundation – LaMar Anderson: $6.81 per capita is what we accomplished last year. Japan sends a check for $20,000, so their per capita is $12. Malaysia ended at $5.82 and Southwest ended at $5.55 per capita. The Utah-Idaho District was able to do more for two reasons. We had a resolution at the previous District Convention House of Delegates to have each club donate $6.00 per capita to the District Foundation and $6.00 per capita to the Int'l Foundation. Every Lt. Governor needs to understand and buy in to encouraging each club to donate to the Annual Club Gift Campaign. The total raised for 2010-2011 was $717,000 throughout KI. The amount is down because membership is down. As a note: Southwest beat us about 30 years ago.

LaMar Anderson is now on the KIF Board of Trustees and is on the Grant Disbursement Committee. Kiwanis does a lot of humanitarian work in addition to grants that they send out. IDD money is still trickling in. People made commitments and are fulfilling them still. Any national or international catastrophes can receive money from KIF, so it is money in and money out. Clubs need to be reminded that they can write grants to KIF and other organizations. Larger clubs should have a grant writing specialist.

A person putting their life at risk for someone else, should send this information to KIF to be judged for the Connolly Medal.

Education – Erland Elmer: Josh Holt is the certified instructor and has the title in Utah-Idaho District as Master Instructor. Jim Terry and Erland Elmer work under him. Lt. Governors are asked to look for possible instructors. All three we have now are willing to travel, but it would be easier to have others to lean on for help. Cyndi Friend Kay, David Howard and Kelly Ryan Rush would be great. Club Leadership education will be conducted at Mid-Year Conference and District Convention. Everyone can take the CLE training online. It is great and introduces you to Kiwanis. Complete the process and you are given a session for spouses. What if you don’t have a spouse? Get new people from your club, from other Kiwanis clubs or from non-Kiwanis organizations. When you do the CLE, you can check on things you can’t remember. CLE will take 3 to 4 hours in person. There is no substitute with being taught in person. The Education Committee can do training on a regional basis or division basis. They will take care of whatever education is necessary. It is the responsibility of the club president to make sure there is a Lt. Governor in their division.

Mid-Year Conference – What particular workshops do we want to get rid of or add: SLP workshop with representatives from Builders Club, Key Club and CKI. Have some K-Kids Clubs make some posters with pictures of their service projects.

Get people to come to Convention by giving them a job. Give them an award for their service. Cancel the weekly meeting and have the clubs close to the convention site have their meeting at Convention. People ask “What are you going to do that you haven’t done before?” We have to make the Convention and Mid-Year Conference FUN. Consider having a session for spouses – a speaker who would relate to women. Get someone from a woman’s organization to speak to the women. Carter Jones gave accolades for the “Go-Giver” program and the Eliminate Program at District Convention in Pocatello because they were exceptional. Classes should be handled like Education Week: Economist/Financial: United Way, etc. We need to listen to new speakers about things we can take back to our home and clubs.

If you haven’t been an officer in your club, then you will probably be one in the future. Everyone should attend CLE.

All scholarship applications for Key Club and CKI need to be revised to include an action picture and permission to advertise their award. John Brown should set up a Key Club and CKI to run one of the meals at District Convention.

Mark Bennett was asked to be on the program committee for Mid-Year Conference. On-to-New Orleans: Chuck and Ralph Benson are working together on a trip in conjunction with the International Convention. It should be a 2 or 3 day tour before the Kiwanis Int'l Convention.

Governor’s quilt or Navajo rug? It is still being decided. A list of CLE attendees was passed out. Erland Elmer would like the essay by Colby Tibbits to be posted on the Utah-Idaho Kiwanis Website. Next issue of the U&I Kiwanian needs to be submitted by Nov 10th, with all info and registration form for Mid-Year Conference.

Bob Dempsey moved and Bob Baker seconded to adjourn at 12:40pm. So it was done.

NEW ORLEANS
RISK MANAGEMENT AND GENERAL LIABILITY

New Certificates of Insurance and Risk Management Packets are effective November 1.

Club Leader Tools are online at: http://www.kiwanisone.org!

While planning fundraisers and activities, your club will want to keep an eye toward safety to avoid accidents and reduce liability. Some activities inherently involve some risk, while with others, the risks aren’t as obvious. Especially if you are the safety coordinator for a club or district, there’s a lot to know about risk management: what is covered by insurance and what is excluded, what activities beg a waiver, and how to report a claim if an accident does occur. Use these tools to educate yourself and other club leadership on how to financially protect your club and physically protect members and participants.

You Are Covered brochures - Overview of General Liability Insurance for clubs in US and Canada, including who is insured, coverage, key exclusions, claim reporting information, and FAQs. Also the following forms can be downloaded for your club review and use:

• Certificate of Insurance (2010-11)
• Certificate of Insurance (2011-12)
• Certificate of Insurance (Canada)
• Certificate of Insurance Requirements
• Club Accident Brochure and app – U.S. and Canada
• Club Crime Insurance (US)
• D&O Brochure and app – U.S.
• D&O Brochure and app – Canada
• Hold Harmless Agreement
• How and When to Use the Waiver of Liability Form
• How to Report a Liability Claim
• Incident Investigation Report
• Loss Prevention Worksheets
• Optional Insurance Guide 2011-12
• Request Certificate of Insurance with Additional Insured Wording
• Risk Management Techniques
• Sample Affirmation and Liability Release
• Sample Waiver of Subrogation
• Special Release - Safety Coordinator

CLUB LEADERS: PREPARE FOR YOUR POSITION

An essential element of any project is having the right tools to accomplish the job. This is also true for leadership positions in Kiwanis. Each position has a unique set of tools and resources. The majority of these tools are accessible to anyone online. Prepare for your upcoming leadership year. Find your tools at www.KiwanisOne.org/clubleadertools.

You’ll find resources for these leader positions:

• Club president
• Club secretary
• Club treasurer
• Lieutenant governor
• Membership chair
• Committee on Club Administration
• Committee on Community Services
• Committee on Finance and Fundraising
• Committee on Membership Growth and Education
• Committee on Public Relations
• Committee on Service Leadership Programs
• Committee on Young Children: Priority One
This is the time of year many clubs reflect on where they are and where they want to be:

- What can you do to meet your fundraising goals?
- Are your regular meetings full of energetic members?
- Are there new ideas for service projects or social events?

Use the Club Excellence Tool (http://www.kiwanisone.org/clubexcellencetoolonline) to find out what your membership thinks about these topics and more. The online version allows members to take the survey anonymously and at their convenience. Compiled results will show where your club is strong and where it can stand to improve. The Club Excellence Tool also links directly to resources that will help your club take steps to strengthen any weaknesses. Have your membership take part now so you have ideas for the year ahead.

**IT'S NOT ALL COWS AND COOKING:**

**MERIDIAN 4H LEADER HONORED**

Meridianite Frankie Marler has a distinction that only 14 other Americans share: an induction this year into the National 4-H Hall of Fame. Each year, 4-H recognizes people for their lifetime achievements and contributions to the youth development organization. For Frankie Marler, that’s 64 years. She joined 4-H as a 10-year-old farm girl in King Hill, east of Mountain Home. Her family grew vegetables, raised cattle, milked cows and sold the milk to the Gooding Co-op. Marler majored in home economics education at the University of Idaho. She spent her working life as a teacher, was drafted by her sons to become a 4-H leader, then rose through the ranks, ending her career as a 4-H agent at the local extension office.

“I couldn’t believe it, and I still don’t,” Marler said about her nomination.

“To me, I was just doing my job all those years.”

She told the Idaho Statesman more:

1. **What was your first 4-H project?**
   In 1947, I took Sewing I. In 1948, I took Cooking I. Then I went on to do Sewing II and fashion ‘review.’ We had to walk across the stage and model whatever we’d sewn. I used to be very shy.
   In those days, there wasn’t a lot to choose from, especially for girls.
2. **How has 4-H evolved over the years?**
   Everything has changed. 4-H’ers do so many projects, from aerospace to computers. I only had cooking and sewing. There are probably more girls in 4-H now than boys. And they do everything.
3. **What are misconceptions about 4-H?**
   The thing that I hear the most, people think it’s all cows and cooking. We used to have a pin we wore that said it’s not.
4. **What old-time traditions live on?**
   The structure’s the same, an organized group with an adult leader. You have this person outside your own family who becomes a teacher to you. Members still have to do demonstrations in front of their clubs, and tell about their projects, beginning at age 9. From 9 years old, you’re scared to death.
   But if you’re good enough, you get to go to the fair. I’ve had young adults who learned to do public speaking through their 4-H demonstrations.
5. **How did 4-H start, and what do the H’s stand for?**
   It started in 1902 in Ohio. The idea was to have ‘corn’ and ‘cooking’ clubs. The organization wanted to teach young people about university research going on with those topics,
then take the information home to their parents. Now, the purpose of 4-H is to prepare youth to become good citizens.

The four H’s stand for head, heart, hands and health. At every meeting, members pledge their head to clearer thinking, their heart to greater loyalty, their hands to larger service and their health to better living.

6. What’s the most useful thing 4-H has taught you?
I’ve become so appreciative of volunteers. 4-H wouldn’t exist if it weren’t for volunteer leaders who run the clubs.

7. Here’s a city person’s question: How do you raise an animal and keep the difference between “pet” and “product” clear in your mind?
It’s very hard, especially with the little girls who raise the lambs. But it’s also a business for them. They know this animal is going to be butchered, and they will receive money. They learn how much it costs to raise an animal and get the results of their efforts. But it’s not easy.

8. Any 4-H skill you could not conquer?
Even though I love sewing and have all these ribbons, I still never did learn to tailor. I didn’t make a suit or a formal, never went that far. And I never did make slipcovers.

9. Who can join 4-H?
You can start when you’re 9 and go until you’re 19. There’s also the Clover Buds program for kids 5 to 9. They do simple little projects. It started because so many little kids wanted to be in 4-H like their older siblings.

10. What was your favorite project of all time?
My sewing. In 1950, I was 13. I had to make pajamas, a robe and slippers to match.

I also remember making a tea towel, hemming it with a blind stitch. I had to remove the stitches again and again, but finally I got it right. What you learn from 4-H is you have to finish what you start.

**DR. WILMER W. TANNER**

1909 ~ 2011

Dr. Wilmer W. Tanner passed away October 28, 2011 surrounded by his family. Almost two years ago, our father was honored on his 100th birthday by family, friends, and colleagues for his ethical hard work and contribution to all of our lives as well as the many lives he has touched over the course of his long and productive career. In 1934 our Dad chose wisely and married Helen Brown in the Salt Lake Temple. Our Father was preceded in death by his wife, Helen Tanner, of 60 years. He then married Otella Tyndal Devey Tanner who passed away in 1999. He was also preceded by his parents, 2 brothers, Ray and Vasco, and 2 sisters, Lura and Jean. He is survived by 2 sons and 1 daughter, Dr. Lynn Tanner (Margaret), David W. Tanner (Linda), and Mary Ann Barnett (Dennis); 10 grandchildren and 24 great-grandchildren.

Wilmer was born on December 17, 1909, in Sanpete County, Utah to John Myron and Lois Ann Stevens Tanner. In November 1929 Wilmer served a mission for The Church of Jesus Christ of Latter-day Saints in the Netherlands. He received a BS and MA degree from Brigham Young University in Zoology. He taught at Provo High School then obtained his Ph.D. from the University of Kansas in Herpetology. He then returned to BYU as a faculty member in 1949.

Professor Tanner was focused on his research throughout his life with many scientific publications. His graduate students were treated as family members. Work, family, church, community and partnership with his wife Helen were all deeply embraced and cared for by this world-renowned naturalist and teacher. The noble and principled example he has maintained over the last 101 years has generated great intellectual and social benefits to society. His singular contribution to his family, church, profession and community have been impressive.

From 1960 to 1967, he edited Herpetological and succeeded in saving its host organization, the Herpetologists' League from financial collapse. Wilmer was heavily involved in the American Association for the Advancement of Science, appointed in 1961 (and reappointed in 1966) as secretary-treasurer of the Utah Academy and elected president of the same in 1969 (serving through 1971).

Professor Wilmer Tanner was appointed as the curator of the BYU Life Science Museum in 1972 and quickly began working towards a building for the University's collection. He worked closely with Monte L. Bean and convinced him to fund the construction of a Life Science Museum building. Monte Bean also decided to donate his extensive trophy collection to the University to augment its life science collection. Wilmer oversaw the construction of the Monte L. Bean Life Science Museum and was quite pleased with the results. Wilmer also worked diligently to create an endowment for the museum. The Bean Museum opened its doors in 1978. At the time of his death, Dad was looking forward to the upcoming ground breaking on the expansion of the Museum and was actively engaged in writing and publishing family and museum history. Our father's love and respect for his students and academic colleagues is seen every day at the Bean Museum. A person's legacy is seldom as varied and tangible as our father's. Wilmer has set a high bar for all of us. We express here our love for his life so well exampled and lived.

The last several years of his life were lived at the Courtyard at Jamestown. We wish to express our thanks to all who provided loving care and service. We love and will miss you, Dad.

Your family

In lieu of flowers, please send donations to the Monte L. Bean Museum, Brigham Young University, Provo, Utah.
Arthur W. Frantz, 90, of Twin Falls, passed quietly Tuesday, Oct. 11, 2011. He was a husband, father, grand-father, great-grandfather and a friend to many.

Art was born Jan. 14, 1921 to W.W. “Frenchy” and Phoebe Frantz in Salt Lake City, Utah. As a child, the family relocated to Twin Falls where W.W. went to work for the U.S. Postal Service, eventually becoming postmaster. Art graduated from Twin Falls High School with the class of 1938. With the onset of World War II, Art enlisted in the United States Air Force and was honorably discharged in 1944. During his military career, he met Betty Stellene Collins at a USO dance while stationed in Colorado Springs, Colo. They married in 1945 and celebrated their 66th anniversary Feb. 16, 2011.

As a graduate of Idaho State University in 1950 and the University of Dentistry at Northwestern University in Chicago, Ill., in 1954, Art taught dentistry at Creighton University in Omaha, Neb., until 1956, when he moved back to Twin Falls to establish a private dental practice—a practice that spanned more than 30 years. Art devoted a lifetime to his family, his patients and to his community. A co-founding member of the Dilettantes in 1958, Art was a singer and actor in more than 30 productions and a board member for 20 years. He also served as the president of Dilettantes in 1961 and again 1989 to 1991. He was inducted as a charter member into the Dilettantes Hall of Fame in 2000. He was also a co-founder and active member of Magic Valley Little Theater, performing in more than 20 performances. Art and Betty were awarded the “Lifetime Achievement” award from the Magic Valley Arts Council in 2010. His love of music was ever present throughout his life and, until recently, you would find him at City Park every Thursday listening to the city band. As an active Kiwanian since 1958, he served as president in 1986. The same year Art, a former high school track lettermen, initiated the Hershey Track Meet for youngsters who wouldn’t otherwise have the chance to compete in track and field events. He also served as the Kiwanian lieutenant governor in 1997 to 1998. Art served on the Twin Falls City Council for 12 years and also served a stint as vice mayor during this time. He chaired the Twin Falls Airport Committee, area Office on the Aging Committee, Prime Time Foundation, was a board member for the Twin Falls Library Foundation from 2000 to 2006 and served on the State Senior Council. Art was also honored in 2001 with a “Lifetime Achievement” award by the Twin Falls Chamber of Commerce and was chosen as the Pioneer of the Year by the city of Twin Falls in 2007. In 1991, Art was acknowledged by then-Gov. Cecil Andrus as a “Distinguished Citizen of Idaho.”

Dad loved people and had the gift of gab to prove it. You would never leave his dental chair, a casual conversation, a meeting or any other interaction without a story and a memory of who this man was. Among colleagues, his hole-in-one at the Twin Falls Municipal Golf Course was a thing of beauty; in private, he would admit it was the worst tee shot he’d ever hit. His rendition of “If I Were a Rich Man” around a campfire on the Middle Fork of the Salmon River with his boat crew, was unequalled and talked about for years. His ability to break into song at any given time, whether while driving down a road, at a family barbecue or even if you were in the middle of your back swing on the golf course, was legendary and brought smiles and laughter to anyone around him. His friendships were considered lifetime commitments, and he went far beyond the call of duty when it came to his family. He will be deeply missed, not only by his family, friends and anyone who met him but by the community as well.

Art is survived by his wife and the “Wind Beneath his Wings” of 66 years, Betty; a daughter, Jeanne English; and three sons, Dave (Raedine) Frantz, Rick (Sandi) Frantz and Matthew Frantz; 10 grandchildren; and 13 great-grandchildren. He was preceded in death by his parents, W.W and Phoebe; a sister, Jane Henderson; and a great-granddaughter, Makennah Anderson.

The family would also like to thank his many caregivers at the Twin Falls Care Center for being there to listen to his many stories and holding his hand when we couldn’t. In lieu of flowers, the family asks that donations be made to the Twin Falls Humane Society.

“My name, and my place, and my tomb, all forgotten.
The brief race of time well and patiently run.
So let me pass away, peacefully, silently,
Only remembered by what I have done.”
