Greetings fellow Kiwanians! I have just returned from New Orleans, the site of the 2012 International Kiwanis Convention. The mission of Kiwanis is to serve the children and communities of the world is stronger than ever. Much like our current economy, we are doing more service than ever with less. We are part of a very organized and efficient machine, at the ready to help anywhere we are needed. UNICEF has been keeping track of our success, and due to your donations 10 countries have already eliminated neonatal tetanus. Wow! Every Zeller Medal saves 695 lives. It is hard to believe that a little money can go that far. I am happy about that. Maybe money can buy a little happiness. The Dalai Lama twittered the other day about happiness. Someone wrote him said "I want happiness", how can I achieve it? His response was... first take out the "I" (obvious reference to the egocentric self). Then take out the "want" (perhaps our striving to have it all) and you are left with "happiness". Again, wow! As a service club, we serve others and this helps us create and spread happiness. It is a joy to serve the Utah-Idaho District. Please share your success stories with me. The next big thing is the District convention in Boise this August. Thanks to Kelly Ryan, we will have the best convention ever. We are looking forward to this event. Yours in Kiwanis Service, Chuck Baker, Governor.
Today, 26 percent of the organization’s total membership is comprised of women.

The face of Kiwanis International changed forever in the summer of 1987 when delegates at the 72nd annual convention voted to allow women to join the organization. It was a historic vote that changed everything.

During the Opening Reception at the Kiwanis International Convention in New Orleans, Kiwanis International hosted a special Legion of Honor ceremony to recognize female members with 25 years of Kiwanis service. For the first time, women were awarded a Legion of Honor pin and recognized for 25 years of service by Kiwanis International President Alan Penn. Fifty-five women traveled from around the world to receive this distinguished honor. Many of these women have served in leadership positions at both the district and club levels.

Watch the new animation video honoring Women in Kiwanis! (http://www.youtube.com/watch?v=_irBOR4EyIA&list=UUo64ut042uoS15g6raPW-jQ&index=4&feature=plpp_video).

The other reason to celebrate is the 2012 Kiwanis International Convention in New Orleans. This year the Kiwanis International Convention and the Circle K International Convention were held at the same time in the same city. Aktion Club is also holding a Training Conference. How often is it that you can go to three big events at an International Convention?

Earlier, I mentioned an unwillingness to change. However, that is what we Kiwanians will have to do if we want our organization to thrive in the future. Kiwanis leaders have come up with innovative programs to increase membership, change how clubs are chartered, and also change the makeup of their clubs. I firmly believe in the saying “If it ain’t broke don’t fix it,” but something must be wrong because Kiwanis in North America is losing members and clubs. Some folks blame the current economic situation, but we were losing members before the economy took a hit. Some have said that Kiwanis is the best kept secret in the world. Why keep it a secret? Spread the word about Kiwanis, its clubs, programs and, of course, our wonderful members. Please note that Key Club International held their Convention in Orlando, Florida from July 4-8. Please assist Key Club in any way you can to allow members from our district to attend conventions like these. The Key Club District Administrator, Mike Sims, plans for the Key Club District Board to attend. He works long and hard to further Key Club in our district, with little recognition and even less help. Mike is looking for two assistants, one for southern Utah and one for Idaho. Please e-mail Mike at msims1197@yahoo.com if you are interested. When you see Mike at our District Convention in Boise, Idaho, August 23-25, please thank him for all he has done.

If I don’t see you before August, I hope to see you at our Utah – Idaho District Convention in Boise. This is your convention. Please join all of us for an enjoyable, educational weekend.

Kiwanis clubs will soon have new bylaws. A revised Standard Form for Club Bylaws, which will become effective early during the 2012-13 Kiwanis year, will allow clubs more flexibility in their operations. The changes also simplified the standard form, with increased global application. This past June, the House of Delegates approved four Kiwanis International Bylaws amendments that allow the new club bylaws to be implemented (see amendments 1-4 in the "Approved" list on page 4).

Six other amendments approved by the Kiwanis International Council this past January, also helped effect these club bylaws changes. (See amendments 1-6 in “Council Adopts Bylaws Amendments,” February 2012 Kiwanis International Update.)

In accordance with the Kiwanis International Bylaws, which states that all clubs must conform to the accepted standards for clubs, all clubs are urged to adopt the new club bylaws sometime during the 2012–13 year. A fillable online version of the new club bylaws will be available approximately October 1.

Even if you didn't make it to this year's convention, you may still find great value in the session materials. Some are suitable for guest presentations to your club or district.

THE UTAH-IDaho ELIMINATE PROJECT REPORT
By Revis Turner, Utah-Idaho District Coordinator

As a worldwide campaign, Randy DeLay, MNT Campaign Chairman, reports almost 8 million lives have been saved and $14 million has been raised by Kiwanis International. During the last 18 months, 4 nations have been removed from the At Risk list by the World Health Organization. The Eliminate Project is moving ahead. 2012-13 is the Year of Participation in which each participating club will have leadership and commitment in place to reach goals for education, service, and fundraising.

What is the status of the Utah-Idaho District Eliminate Project? The U-I District, as of June 15, has pledged or raised $124,493.19 or about $75.73 per member. This includes three clubs, Heber City, Rexburg & Twin Falls who have committed to become Model Clubs. Over the next 4 years, they will raise an average of $750/member. In addition, our district has presented the Walter Zeller Award Medal to fourteen Kiwanians. These are $1250 gifts. Two other Kiwanians have made pledges to receive the Zeller Award. Currently, 19 clubs in the U-I District have contributed or pledged toward the campaign. Also, 17 Key Clubs have raised $3518, saving 1955 mothers and their future children.

With these commitments, the Utah-Idaho District is off to a wonderful start to eliminate this devastating disease from the planet and to Protect the Connection. Yet, we have a lot of work ahead of us to fulfill our task.

CALL FOR CLUB COORDINATORS

The Eliminate Project leadership team is almost complete. As we return from the 2012 Kiwanis International convention in New Orleans, inspired and excited to advance the campaign, we’re focusing on recruiting club coordinators—the final piece of our volunteer leadership team. The club coordinators fill an essential role in the campaign because they have direct contact with club members.

If you are interested in a leadership role—and if your club has not yet secured a club coordinator—contact The Eliminate Project campaign office at campaign@TheEliminateProject.org or call +1-317-217-6213.
FIRE UP MEMBERS WITH CLUB GOALS

Model Clubs are among the most energizing aspects of The Eliminate Project. Clubs around the world have boosted enthusiasm by pledging a US$750 per-member average. Clubs have raised these funds through a variety of methods, including individual gifts, club gifts and fundraising events.

This energy was on full display at the convention in New Orleans. Several districts in particular stood out. For instance, the Australia District is not one of the biggest worldwide, but it has been a leader in securing Model Clubs. The Ohio and the Carolinas districts have also led the way with Model Clubs—and with 100K Clubs, which commit to raising at least US$100,000 for The Eliminate Project.

See the full list of Model Clubs, where each member saving or protecting more than 416 women and their future babies (http://sites.kiwanis.org/Kiwanis/en/TheELIMINATEproject/Recognition/RecognitionDashboard.aspx).

THE ELIMINATE PROJECT WALK SHOWCASED THE KIWANIS FAMILY SPIRIT AT THE 2012 KIWANIS INTERNATIONAL CONVENTION

"Baby steps." It’s a saying you often hear when people are trying to reach a large goal, but it rang true this morning at The Eliminate Project Walk in New Orleans. More than 350 Kiwanis-club, Circle K International and Aktion Club members participated and volunteered in the event, which raised money to save or protect mothers and their future babies.

Shortly after 5 a.m., CKI volunteers began lining the course along the city’s Riverwalk to cheer on Kiwanians who walked one mile to raise awareness for The Eliminate Project: Kiwanis eliminating maternal and neonatal tetanus. Kiwanis International President Alan Penn, The Eliminate Project Chairman Randy DeLay and former UNICEF staff member Dr. Francois Gasse kicked off the event shortly after 6 a.m.

As the sun rose over the Mississippi River, enthusiasm and support began shining even brighter. Cheered on by CKI members, the walkers were then greeted at the finish line by Aktion Club volunteers, who gave out water, snacks and plenty of smiles. The Eliminate Project Walk not only showcased the Kiwanis family spirit, but also raised more than US$4,500 for The Eliminate Project, saving or protecting more than 2,500 lives. This walk brings us one step closer to eliminating MNT. Thank you to every Kiwanian who made this year a success.

HUGE SUCCESS IN NEW ORLEANS

This year’s Kiwanis International convention was a huge success for The Eliminate Project. Hundreds of Kiwanians attended workshops on getting involved with this lifesaving work and making their efforts as successful as possible. In addition, 44 Kiwanians became members of the Walter Zeller Fellowship, each saving or protecting more than 690 mothers and their future babies.

Members of the entire Kiwanis family also came together to participate in The Eliminate Project walk, which showcased our message throughout New Orleans. Through the generosity of the Kiwanis family, more than US$72,750 was raised—and more than 40,400 lives were saved or protected. This was truly an outstanding convention! Thank you to everyone who made this Kiwanian who made this year a success.

CKI, AKTION CLUB ATTENDEES TAKE ON TETANUS

The Eliminate Project wasn’t just prominent during the Kiwanis International convention in New Orleans. It was also a part of the Circle K International convention and the Aktion Club Training and Leadership Conference, which took place in the same city at the same time.

The Eliminate Project was featured in workshops, panel discussions and convention booths—as well as in service projects that raised more than US$1,000, saving or protecting more than 500 lives.

Circle K incorporated The Eliminate Project into its annual Large-Scale Service Project and created paper flowers that were auctioned during The Eliminate Project luncheon.

Aktion Club members created buttons and bookmarks, which were given away for donation during the closing session of the Kiwanis International convention.

The excitement of our Kiwanis-family members was inspiring. Thanks to everyone who supported the members of CKI and Aktion Club in their efforts to raise funds and eliminate maternal and neonatal tetanus.
ANNUAL CLUB GIFT UPDATE
Lamar Anderson, Utah – Idaho District Chair

As of June 30th, clubs in the Utah-Idaho Kiwanis District had donated $7,120 to the Kiwanis International Foundation’s 2011-2012 annual club gift campaign. No additional contributions from our clubs had been received since the June 15th update. This amount is $3,200 less than the amount we had donated one year ago by June 30th.

Donations from clubs in all of Kiwanis districts is down about 1/3 from what contributed by this date a year ago. Needless to say, the international foundation is concerned about the lack of annual club gifts coming in this year. Donations to our world service project, Eliminate, may be a factor in the low amounts being donated by clubs to the annual club gift campaign. Donations to Eliminate go to our project with UNICEF, not to our foundation to fund our other service projects.

Please review what your club has donated (see below) and if your club has not yet participated this year, we encourage your club to do so by sending in your contributions within the remaining three months of our fiscal year.

I, Janet Flinders, promise to bring in a new member by the end of August.

I hope a lot of our members will make this same pledge and bring in a new member within the next two months. The Utah-Idaho District needs more members to accomplish more service in our communities. Stop the downward trend and bring your friends to Kiwanis. They will thank you as I have thanked my sponsor from 1989. I was so happy to be invited to a Kiwanis meeting. I gained new friends and found new service projects.

To me this is what happiness is: doing others without regard for self; making a new someone smile every day; and saving children in Third World Countries. There are many more things that make you happy, so make your list and pay it forward.

CLUB SECRETARIES BEWARE OF LASSITUDE
By Janet Flinders, District Secretary

There are 32 clubs out of 60 in the Utah-Idaho Kiwanis District who are trying to get their monthly reports in as of May 2012. In October 2011 there were 47 clubs who were excited to start the new year off right. If you need help, let me know at 435-757-2950. I will try to help or I will work it out with Kiwanis International. Please get your monthly reports caught up. If you are not ONLINE, send me the paper copy and I will input it for you.

ELECTION REPORTS: I have seven as of July 7th. The reports are due to Kiwanis International by June 1st. The following clubs have submitted their officer information for 2012-2013 (GOOD JOB):

Tooele 5/15/12  Park City 5/24/12
Logan 5/18/12  Sugar House 6/12/12
North Ogden 6/28/12  Weiser 5/22/12
Hailey 5/19/12

If you feel that you have already submitted your election report, please contact me ASAP to figure out what happened to it.

Kiwanis International prints a directory every year. If the information doesn’t get to them timely, they cannot get the info into the 2012-13 Directory. I also need this information for printing in the U&I Kiwanian roster issue (the October/November issue), which goes to press in early September. Please have your elections and get the results to me quickly. If needed, I will get the info to KI. My address is:

I am here to help you. Please don’t hesitate to call, if you need me.

Most of the District missed the Kiwanis International Convention in New Orleans. It was especially great. Honoring 25 years of Women in Kiwanis. Honoring the Utah-Idaho District as Distinguished for 2011-2012 with Governor Bob Dempsay leading the way. A big thank you to all who helped with bringing in new members and building a new club; doing more service; donating to the Annual Club Gift Campaign and the District Foundation; donating to help Eliminate Maternal & Neonatal Tetanus; and just by being great Kiwanians. Every Kiwanian should make sure their club is on the good and up-to-date list.

FIRST MODEL CLUBS FOR TWO DISTRICTS

Utah-Idaho and The Pacific Northwest districts secured their first Model Clubs Two districts have recently secured their first Model Clubs. Multidivision Coordinator Rayleen Barnes’s home club, the Kiwanis Club of Heber Valley, Utah, became Utah-Idaho’s first Model Club. Two Kiwanis clubs in Idaho quickly followed: The Twin Falls and Rexburg clubs brought the district’s Model Club count to three in just one week.

When Multidivision Coordinator Doug Button presented information about The Eliminate Project to the Downtown Kamloops Club, the club agreed shortly afterward to be the Pacific Northwest District’s first Model Club. Congratulations to everyone!

By Janet Flinders, District Secretary

Mark your calendar!!! Don’t let this date slip by you. The Utah-Idaho Kiwanis District Convention is going to be a happening event. There will be training for Lt. Governors-elect and Presidents/Secretaries and any Kiwanian interested in learning about taking on a leadership role in your Kiwanis club.

Plan for a golf tournament, awesome food, great camaraderie, workshops, House of Delegates, silent auction, retiring current District Officers and installing newly elected District Officers and having loads of fun. Meeting Kiwanians from around the District will bring you in contact with new ideas for service and fundraising.

If you missed the Mid-Year Conference, you really need to attend the District Convention. If you attended the Mid-Year, you know how interesting the workshops were and how great it is to get together.

Be sure to have your club secretary fill out the Delegate Registration form and send it to Janet Flinders, 515 Bringhurst Dr., Providence, UT 84332-9439.

There will be a firm schedule and the Convention Registration form in the next U&I Kiwanian.

The District Board of Trustees and the District Convention Committee are looking forward to seeing you there.

WHAT TO EXPECT IN VANCOUVER

Majestic mountains. A sparkling ocean. Rainforests and beautiful foliage. In any season, Vancouver is one of the world’s most beautiful cities. It’s no surprise Condé Nast Traveler magazine named Vancouver the “Best City in the Americas.”

During the brief but beautiful summer months, the city comes to life. People enjoy vibrant festivals, patio dining, Canada’s best beaches and many other outdoor opportunities.

Then there are the residents. Canada is known for its people, and Vancouver is a great example of why. Friendly with a laid-back vibe, people here take great pride in the welcoming atmosphere and the clean, safe streets — day or night, all year round. With activities and adventure for everyone, visitors experience a modern city of timeless beauty.

Why come to Vancouver? Because it’s a cosmopolitan culture with a breathtaking landscape. It’s ready for business, and it’s surrounded by beauty. It’s friendly and full of fellowship. It’s you.

LEADERSHIP 101

OK, you’re not a novice to leadership. But maybe you’re new to your particular leadership position. No sweat. When you step into your new role this October, be ready to take charge with Club Leadership Education. Whatever your office — secretary or president — Club Leadership Education offers position-specific training and a breakdown of job responsibilities and schedules to help you lead.

Sessions cover the nuts and bolts of each task, detailing procedures for conducting meetings, creating budgets and filing reports. Plan to invest a few hours, and you’ll learn the critical components of leading your club. You’ll also take home helpful Kiwanis-family materials — including the leadership guide, the go-to manual full of resources for success.

If you would prefer to complete Club Leadership Education online, you don’t have to complete the education all at once; you can stop, come back later and pick up where you left off. You can also repeat sections at any time for refreshers or reference.

This session is conducted by representatives from your district who have been in your shoes. You’ll also meet peers and other club members who can provide support when you need ideas. Visit www.KiwanisOne.org/cle for more information.

One ought never to turn one’s back on a threatened danger and try to run away from it. If you do that, you will double the danger. But if you meet it promptly and without flinching, you will reduce the danger by half. Sir Winston Churchill
The Kiwanis Club of Pocatello had 55 sixth graders participate in the BUGS recognition night. The Idaho State University Reed Gym was rented for an evening. The sixth graders ascended the climbing wall; played basketball, tennis and/or handball; walked the track; swam; and ate pizza. This activity was held the first Friday in May.

Later in May we attended sixth grade classes’ awards assemblies and awarded approximately 60 recipients Hope of America certificates. The first of June we had a reception for all recipients and parents in the Pocatello Chubbuck School District central office building. A group picture was taken; then a picture was taken of parents and students from each school plus picture of individual recipient with his/her parent(s) was taken. These pictures were then sent to each student via e-mail. (They all had e-mail addresses!)

The same weekend as the Hope of America reception we had our Kiwanis One Day. Benny Hong, past member of our club, was instrumental in our main fundraiser, the pancake breakfast. A pavilion was erected by Kiwanis and named after Benny. The pavilion needed painting, and as our annual pancake breakfast is the last weekend in June, we decided to paint the pavilion this year for our Kiwanis One Day. This project was a major undertaking, but with the City of Pocatello providing the paint and our person power, we accomplished our goal.

The pancake fundraiser was a fun event this year. We all pulled together and contributed out areas of expertise to make it successful! Our newest member is in the Idaho State University Physics Department. He and his students performed physics experiments during the breakfast and we rented a jump house for the younger attendees. The Shriner clowns come and make balloon animals. So, children were entertained via various mediums. We appreciate all who contribute their time and talent and all who purchase and/or donate items for the breakfast. We also hold a raffle in conjunction with the breakfast. Over 30 items were raffled. It was a successful time!

Hank Kennedy, Past President of Kiwanis Club of Sugar House, was honored at the New Orleans International Convention as a Distinguished Member. Hank is one of only two Utah-Idaho District Kiwanians to receive this award for the year ending September, 2011; the other is Governor Chuck Baker of the Bonneville Club.

At a minimum, members receiving this award attended one or more District or International conventions, participated in two or more service projects and recruited at least two new members, in additional to providing unusually distinguished service to Kiwanis. The Sugar House Club nominated Hank after he supported every one of the Club’s many projects, and served as Club President for 18 months, when a member scheduled as incoming President was unable to serve.

Hank is the owner of Custom Realty, Inc. in Salt Lake, and has been selling real estate in northern Utah for over 20 years. He is also experienced in commercial and investment real estate. He and his wife Cindi are parents of Emily and Trey, as well as a beautiful Golden Retriever, Beau, who is a big hit each year when Hank brings him for Salvation Army bell-ringing during the holidays.

Hank joined Kiwanis in 2005, and serves the Sugar House Club this year as Fund-Raising Chair. On tap are an Extreme Yard Sale in August and Spaghetti Dinner on Saturday, September 8th at the Boys and Girls Club of Sugar House. Save the date, and come hungry!
