MODEL CLUBS: LEADERS OF THIS CAMPAIGN

Model Clubs pledge to raise and give an average of $13 a month per member for 5 full years. That is the equivalent of US$150 a year per member, for 5 years. Clubs that pledge to be a Model Club are pledging to save or protect more than 418 mothers and their babies for each member of their club.

Clubs can raise funds from the community through fundraising projects, make gifts from their treasury or foundation, ask for donations from local businesses and organizations, or even have gifts from individual members—all of this counts towards a clubs Model Club goal.
Utah and Idaho can change the world, one child at a time.

By John M. Brown, 2012 - 2013 Governor, Utah – Idaho District

Utah and Idaho can change the world, one child at a time. The world seems like a very large place to us, but to a child the world is very small. It is where they live, go to school (hopefully), and where they eat (again hopefully.)

The world doesn’t necessarily mean a location outside the U.S.A. There are Kiwanis clubs that are very involved in their local area but are not inclined to global outreach. The only Kiwanis International project that is requested we become involved with is the ELIMINATE Project. A large number of clubs in our district are on the ELIMINATE bandwagon; to those that aren’t I say, “Get on and enjoy the ride!”

We should not embrace the ELIMINATE Project and neglect our local projects or cut back on our participation in Service Leadership Programs. The clubs in the Utah- Idaho District are quite capable of raising funds, participating in local service projects, and finding new ways to raise money for the Eliminate Project.

The Service Leadership Programs -- K-Kids, Builders Club, Key Club, Circle K International, Key Leader and Aktion Club -- are what set Kiwanis apart from other service organizations. Our service leadership programs have a total count that exceeds the total of our adult Kiwanis members. Our district SLP programs are growing; our adult Kiwanis clubs and membership are not.

U and I need to grow clubs in our district to survive; we need to grow to support our SLP programs; and we need to grow to keep costs down. Recently Kiwanis International proposed a 15% increase in dues because of declining membership. We are trying to do what we have always done with fewer members and consequently less money.

U and I as a district can ease the workload, increase our participation in service projects and fund raisers, and bring the fun back into our clubs if we increase our membership. If each club would bring in just one new member, we would have about 60 new members. We have members in our district who have recruited 10, 20, 30, members and more. To those members, “I say well done. You have kept our district alive.”

What is the secret to recruiting a new member? The answer is: just ask someone. Tell him or her why you became member, what you enjoy about Kiwanis, and why you think that person would be a good fit.

U and I can change the world one child at a time. But you and I have to want to change the world. And you and I have to work to change the world; and, most of all, you and I have to recruit new members so that we have the people we need to bring about that change.

I am dedicated to changing the world one child at a time. Are you?

John M. Brown, Governor, Utah – Idaho District

TRICK-OR-TREAT FOR UNICEF TO BENEFIT THE ELIMINATE PROJECT

In 2011 Kiwanis-family clubs participated in Trick-or-Treat for UNICEF and raised more than US$600,000 to support The Eliminate Project. This translates to saving or protecting more than 333,000 mothers and their future children from maternal and neonatal tetanus. That’s amazing! And it shows the power of people of all ages to help children around the world.

Are your SLP clubs ready to do it again? Check with your club advisors to make sure they receive their fundraising kits in September. This year, Kiwanis-family participants will receive design-your-own collection boxes so they can show off their creativity.

Check out the Treat-or-Treat for UNICEF page on The Eliminate Project’s website to view the list of clubs who will receive fundraising kits or to learn how your club can order collection boxes. Do what you can to encourage your SLP club members to have fun while raising money for The Eliminate Project.
I totally support Gov. Brown’s remarks in his article. I just attended the UT/ID convention in Boise and the air was electric with excitement and motivation for this next year: recruit new members, retention and development of members, fund-raising, new leadership, and eliminate the “Eliminate Project” through success.

We are an international club, but U & I can change the world, one child at a time, really brings it to home. This should be our “mantra” for this coming year.

I have some observations during my brief 8 year membership with Kiwanis.

● Recruiting: As Gov. Brown mentioned, if you don’t ask you don’t get. Engage potential members in conversation about our organization. I bet they don’t know who we are or what we do. And I bet 99% are parents.

● Retention: We have lots of members who don’t regularly attend meetings or participate in events. Make sure someone calls or emails them to let them know we care about them and would love to see them more often.

● Communicate: There is no need to re-invent the wheel. If you are thinking about a new process or event, call the other clubs in or out of your division. Trust me; it is flattering when another club calls me to find out what we are doing in the Wood River Valley. Call me any time to brainstorm ideas about fundraising or recruiting new members. This past year our club doubled its membership and tripled our annual revenue in a community that has 18,000 residents (50% 2nd homeowners) 208-721-7246.

Personal Notes: At this past convention, it was apparent that most of us do not know our officers in leadership positions. I want to change that by sharing some of my past experiences with you all. I moved to Idaho from Hawaii in 1995, having lived on Maui for 11 years. I have 2 children. My wife, Shirley, and I are the first husband and wife members of our club. I was the #1 Charter Member of the Club in Hailey and the Wood River Valley 8 years ago. I have been the President 3 times and past Lt. Gov. for Division 5. I retired from a 32 year insurance career, and then was the Executive Director of the Hailey Chamber of Commerce 2 different times, and in between those, the Hailey City Administrator.

THANKS FOR THE OPPORTUNITY TO SERVE
By Chuck Baker, Utah – Idaho District Immediate Past Governor

I can’t believe it has been a year since I started my term as Utah-Idaho District Governor.

Our district has accomplished much. We have had growth in Key club and the SLP programs. Our membership has dipped a bit, in some part due to death of many of our great Kiwanians. With John Brown at the helm, we are moving forward to start five new clubs and I am working to create an internet club to bring the Kiwanis Model into the 21st century. There are so many that can’t take a lunch break but would love to join us in service and fellowship.

Thanks to the distinguished members this year. If each club could have just one, our membership growth problems would disappear and stop being such a debilitating worry and we could focus on service and serving the children of the world. I like to brag that I am the son of a Rocket Scientist. Just as my father had many creative ideas and many patents, I would like to be known as the Kiwanian that brought the use of social networking and brought new and innovative ideas to an organization that needs a bit of refreshing.

It with that thought in mind that I have requested the support of the district and was approved to be a candidate for Kiwanis International Trustee. This is a volunteer position and I must run against a slate of candidates at the Kiwanis International Convention in Vancouver, BC next June. More to come on this!
THANKS FOR THE OPPORTUNITY TO SERVE

Chuck Baker, Immediate Past Governor.

- Satisfy at least eight (8) additional criteria within the Six Objects achieving a total of twelve (12) items completed.

District Governors (or those they authorize) must certify compliance with the above criteria before any distinguished status is granted.

A Kiwanis One web page will be created to provide suggestions for the various projects a club may undertake to achieve distinguished status.

The Objects of Kiwanis International
To give primacy to the human and spiritual rather than to the material values of life.
To encourage the daily living of the Golden Rule in all human relationships.
To promote the adoption and the application of higher social, business, and professional standards.
To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

GIVING I CARE CERTIFICATES TO HONOR WOMEN
http://www.KiwanisOne.org/women

This is the 25th anniversary of women in Kiwanis—a great time to recognize the women who make a difference in your club and your community. Honor them with I CARE certificates. I CARE stands for Integrity, Compassion, Accountability, Respect and Excellence.

Of course, it’s exciting to present Legion of Honor 25-year pins to women who have been dedicated to Kiwanis since 1987 (and even before). But you also know other extraordinary women who haven’t yet reached 25 years of Kiwanis-club membership. This year we want to recognize women in Kiwanis—and in our communities—who possess and demonstrate the I CARE qualities. Here’s the perfect way.

COVERAGE CORNER

Use of Automobiles in Kiwanis Activities

Many times the need arises for Kiwanians to use automobiles to conduct Kiwanis activities. This could involve transporting Key Club members to a conference, taking children to a Kiwanis camp or outing, delivering Meals on Wheels, etc. Therefore, it is important for Kiwanians to understand what coverage is afforded under the Kiwanis Commercial General Liability policy for these exposures.

We must first look at some basic definitions in order to fully understand how Kiwanis insurance coverage does or does not apply. For insurance purposes, and in simplistic terms, an “owned auto” would be an automobile owned by a Kiwanis Club or Kiwanis District. It could be a pickup truck owned by a Club that hauls the Club’s concession stand or perhaps tows the Club’s float in the 4th of July parade. It could...
also be a school bus used by a Club/District to transport children to and from a Kiwanis camp. There is no coverage under the Kiwanis Commercial General Liability policy for owned autos. If your Club or District owns a truck, bus, or automobile licensed for over-the-road use, then it must purchase a Commercial Auto Policy to provide Auto Liability Insurance required by the state, as well as Physical Damage coverage (Comprehensive and Collision) that the Club/District may want to carry on the vehicle.

A “non-owned auto” is an automobile that is not owned by a Club or District. Vehicles owned or borrowed by Club members would be considered “non-owned” autos under the Kiwanis Liability policy. The Kiwanis Commercial General Liability policy does provide Liability coverage for “non-owned” autos when used for Kiwanis activities. Coverage would apply on a Primary basis for the Club or District, and would serve as excess coverage over and above a Club member’s personal Auto and Personal Umbrella policies.

For example, if a Club member was using his/her personal auto on club business, had an at-fault accident, and he/she and the Club were sued by the injured parties, the Kiwanis policy would be primary and defend the Club, and would serve as excess (additional) coverage for the Club member (driver), but only after all his/her applicable personal insurance [Personal Auto policy and Personal Umbrella (if any)] were exhausted. The Kiwanis policy would not provide Physical Damage coverage (Comprehensive or Collision) for the Club member’s damaged vehicle.

This Non-Owned Auto Liability coverage also includes coverage for “hired autos” defined as autos rented by a Club or District for use in Kiwanis activities. So if a Club borrowed a van from a local dealership, the Kiwanis policy would cover both the Club (on a Primary basis) and the club member driving the vehicle (on an excess basis), but it would not cover the dealership nor would it provide Physical Damage coverage (Comprehensive and Collision) should the van be damaged in an accident. Non-Owned and Hired Auto Liability coverage provides protection only for accidents involving Bodily Injury and Property Damage, and does not provide any Physical Damage coverage for the non-owned/hired auto. In this case the Club would want to make sure the Dealership was providing the Physical Damage coverage or else it would have to try and purchase that coverage from the Dealership, perhaps by means of a rental agreement.

If a Club/District were to charter buses for a Kiwanis activity, the Kiwanis policy would provide Liability protection for the Club/District relative to the vicarious liability incurred as a result of the charter agreement. However, the Club/District should request the bus company to provide a Certificate of Insurance evidencing Automobile Liability with a minimum limit of $5,000,000 and naming the Club/District and Kiwanis International as Additional Insureds for the period of the charter. Additionally, the charter company should also be required to sign a Hold Harmless Agreement indemnifying Kiwanis for any liability arising out of their operations on behalf of Kiwanis.

MAJOR POINT: The use of autos in Kiwanis activities is a very common occurrence, but can pose a significant hazard in terms of potential for catastrophic losses. Extreme care should be taken to make sure all Kiwanians operating vehicles on Kiwanis business have a valid driver’s license with no major violations in the last three years, and they carry adequate limits of insurance ($500,000 Combined Single Limit Bodily Injury and Property Damage as a minimum). When using a charter company, $5,000,000 limits are the suggested minimum and the Kiwanis club should obtain a Certificate of Insurance indicating they are named as an Additional Insured on the charter company’s auto policy.

Note: the Non-Owned Auto Liability coverage afforded under the Kiwanis policy is not intended to cover club members or volunteers driving to or from Kiwanis activities or meetings, but rather only to cover them while they are actually on Kiwanis business of participating in Kiwanis activities.

MY THOUGHTS AS A KIWIANAN
Pattie Hansen-Lopshire, Former UI District Governor,
Current President Twin Falls Idaho Kiwanis Club

As a woman in Kiwanis at this 25th anniversary year of women membership, I am so fortunate to be a part of the Kiwanis International Organization. My life was forever changed when I stepped into a Kiwanis Club meeting as a guest. Being a Kiwanian is now ingrained into who I am and I am a better person for the experience and for the great Kiwanians I have met in my journey. I would like to challenge each of you to take a new look at the Six Objects of Kiwanis and personalize them into your Kiwanis experience. Here are mine, I hope they help you remember why you joined Kiwanis, your journey and possibly help you set some goals for the coming year.

To give primacy to the human and spiritual, rather than to material things of life.

When I joined Kiwanis the IDD project was wrapping up and I loved the idea that a local group who are members of an International organization would have a project with Humanitarian focus. Our new project, Eliminate Maternal Neonatal Tetanus has had a profound effect on me as a Kiwanian. When I received training on the Eliminate Project one of the District Coordinators from Pacific Northwest District, Patrick Ewing, gave an example of the importance of this project that I will never forget. He was in a business conference meeting and the presenter was making a point that often some of the deadlines we give ourselves may not come to fruition and it is not the end of the world if we do not complete them. He said, “What is the worst thing that will happen…will a baby die?” There was silence in the room as these words sunk in. Yes, if we do not complete our Kiwanis goal for the Eliminate project a baby will die, thousands of them, and their mothers. I realized then that my participation in Eliminate would probably be one of the most significant things I would do in my lifetime. I committed then to give up some of the superficial things in life to assist in this world-changing endeavor. We are changing the world.
MY THOUGHTS AS A KIWIANIAN (Continued)

To encourage the daily living of the golden rule in all human relationships.

I like to have friends and be regarded in a kind manner...so I try to do the same. When I joined Kiwanis in the Rupert Club the single thing that kept me returning those first few weekly meetings was the welcome I received each and every time I attended. In my nine years as a member of the Rupert Club it never changed, I felt welcomed, valued and important. I try to be welcoming not only in Kiwanis settings but in all things I do. We never know who is hurting on the inside, having a bad day or just needs a little pick-me-up. Even tenured members need a warm welcome. Try it, and see if your Kiwanis meetings and your day isn’t a little brighter when you treat others kindly.

To promote the adoption and application of higher social, business, and professional standards.

We can all live better, be kinder, more honest, give more, and criticize less. Kiwanis helps me remember this important value in my professional and social life. In my dealings with Kiwanis members I see this object shining forth in the lives of fellow Kiwanis members in my club, district and among my treasured Kiwanis friends throughout the world.

To develop by precept and example, a more intelligent, aggressive, and servicable citizenship.

In Kiwanis our main goal is to enhance our community by building its children and youth. We teach servant leadership to our youth in Key Clubs, Builders Club, K-Kids, CKI, Aktion and other youth programs. We must be aggressive as we teach servant –leadership to our future leaders and show our example to them by living Kiwanis service. Each Kiwanis club should look at their commitment to youth in their community and increase their efforts in development of service citizenship.

To provide through Kiwanis Clubs, a practical means to form enduring friendships, render service and build a better community.

The friendships I have made in Kiwanis encompass the globe. My membership in the Rupert, Twin Falls and Kimberly Idaho Clubs have widened my circle and understanding of community and that there are truly good people in all faiths, races, political parties and genders. Everywhere I travel in Kiwanis I am blessed to find friends that are good honorable people. I tell my kids that if they are ever stranded anywhere to find a Kiwanian and they will take care of them.

To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and goodwill.

I am so thankful that Kiwanis is a patriotic group. I am fortunate to sit at meetings with men and women who have serve or currently serve our country and community so me and mine are safe and free. “Kiwanis is good people” we are idealistic, fair and just and express goodwill in our lives and in Kiwanis Service. I am so glad that I am a Kiwanian.

HOBY-UTAH THANKS KIWANIS

As President of the Hugh O’Brian (HOBY) Youth Leadership of Utah, I take this welcome opportunity to express our sincere appreciation for participating Kiwanis clubs in making this past year a VERY successful HOBY year.

With your generous assistance, this past August HOBY-Utah was able to make available 31 scholarships worth $251,034, and now to date over $1.5M. That was truly OUTSTANDING!!

These sophomore HOBY Ambassadors are some of the very best Utah students, highly-selected from over 92 high schools, and are leadership and service proven during their entire junior year.

As they are energized by the exposure to the nearly fifty high-powered adult leaders and mentors from whom they learn during their three-day leadership seminar, they then return to their schools, gather other students around them and attack and take on many social problems that they find in peer levels in their schools—something they never would have otherwise considered. The program is profoundly life changing and likewise positive school changing.
HOBY-UTAH THANKS KIWANIS (Continued)

HOBY is a fulfillment of the action as Margaret Meade stated: “Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it’s the only thing that ever has.”

Because our numbers are increasing to over 140 HOBY Ambassadors, we would hope that Kiwanians might take this into consideration as you determine what support you might be able to provide in your budgets for next year.

The university offered scholarships become a major focus point for our highly selected HOBY Ambassadors, enabling them to demonstrate maximum performance in scholarship and service. The recipients are truly sharpened to do their best for their entire junior year, and beyond, in order to receive the best scholarship that they can merit.

You may also wish to visit our showcase website:

http://www.hobyutah.org/winners.htm

http://www.hobyutah.org/

Again we look forward to working with fellow Kiwanians in behalf of these great young HOBY Ambassadors—our leaders for tomorrow and potential leaders in your communities.

Sincerely,

Dave Olpin, Provo Utah Kiwanian, HOBY-Utah Corporate President

TOP 5 GO-TO RESOURCES FOR KIWANIS LEADERS AT EVERY LEVEL

Whether you are a seasoned club secretary or a first-time club president, everyone can agree: There’s a lot to know about running a Kiwanis club. To support the new club leaders taking office within the next month, we’ve gathered the most helpful information into one list: our top five resources for running your club.

2. Grow and Build Clubs. Instructions and ideas for improving the member experience and growing your club membership [http://www.kiwanisone.org/Pages/Resources/default.aspx?PageID=184]

4. Webinars. Live or archived discussions of topics that are current and pertinent to your club [http://www.kiwanisone.org/Pages/Resources/default.aspx?PageID=379]

5. Club Leadership Education online. A refresher course you can visit any time during your year of service [https://www.kiwanisone.org/kiwanisonlinetraining/login.aspx]

In addition to running your club well, you can manage your club wisely with online club management tools. Kiwanis International recommends the KiwanisOne Club Management System powered by Portalbuzz (Club Resource, Inc.). This suite of tools, including a public website, will turbo-boost your club and member experience. Test drive the system for free: www.KiwanisOne.org/manageyourclub.
LAYTON KIWANIS CLUB SPONSORS WOMEN’S SELF PROTECTION WORKSHOP

“Real Protection when it matters most”

Layton, UT: The Layton Kiwanis Club has once again teamed with MP USA, with the support of Performax Gym, to offer a Women’s Self Protection Workshop. The workshop will be held Saturday Oct 20th, 2012 from 1:00 P.M. to 4:30 P.M. at the Performax Gym, 1659 East, 1400 South in Clearfield Utah. The fee for the workshop is $15.00 per student and $25.00 for an adult ($20.00 if they bring a friend). The Layton Kiwanis Club, which sponsors Key Clubs in three of our local high schools (Layton, Davis and Northridge) first teamed with MP USA three years ago after learning that one of our local high school students had been sexually assaulted.

Layton Kiwanis Club President, Jeanene Moran, a recent workshop graduate, stated, “we’ve heard several stories of would-be assailants being fended off by graduates of the workshop. In fact, a father recently told us he signed up his daughter for the workshop after a friend of hers, who had just taken the workshop, fended off two such assailants.”

Statistically, some 683,000 forcible rapes occur every year, which equals 56,916 per month, 1,871 per day, 78 per hour, or 1.3 per minute. Don’t be a statistic!

For more information about the workshop, watch the workshop video at mp-usa.org, or call Layton Kiwanis Club President, Jeanene Moran at 801-775-9192.

WAYS TO THANK YOUR CLUB PRESIDENT

The Kiwanis International Foundation has a couple of great options for honoring your outgoing club president—while helping to improve children’s lives.

With a gift of US$1,250 to The Eliminate Project, your Kiwanis club can recognize the president’s commitment to children with a Walter Zeller Fellowship. You’ll save or protect more than 690 women and their future babies from maternal and neonatal tetanus—and the president being honored will receive a special medallion, lapel pin and certificate.

You can also honor your outgoing president with a Kiwanis Leadership Society gift (www.kiwanis.org/foundation/leadership). A Kiwanian becomes a member of the Kiwanis Leadership Society with a gift of US$250. You and your club can make a gift in your club president’s name—and make him or her a member. The honoree will also receive the society’s personalized plaque.

Honor a deserving Kiwanian—and reflect the generosity of your Kiwanis club. And don’t forget:

• Outgoing club vice presidents, secretaries, treasurers and other officers
• Charter members
• Governors or lieutenant governors
• Family, friends and fellow Kiwanians

It’s easy and secure to give online—whether you’re giving to The Eliminate Project (http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/Give.aspx) or making a Leadership Society gift (https://secure.qgiv.com/for/?key=kifklz).

BUILDING YOUR BUDGET: WHERE TO BEGIN

Every club needs a budget. It sets parameters and expectations in October and provides guideposts as the year progresses. But how do you ensure you’re covering all your bases when the year has only just begun? Here are four sources to consult while planning.

1. History books. Previous years’ budgets, treasurer reports and expense checks are a good place to start. For a quick reference, take a look at the sample treasurer’s report in the Leadership guide.

2. Calendars. Consider all the special Kiwanis-family events your club will take part in. Sending two delegates to the Kiwanis International convention in Vancouver? What will you do for Kiwanis Family Month in November, Kiwanis International’s anniversary in January, Kiwanis One Day in April, or your club anniversary? Is what you budgeted last year for these events enough or are you doing something new?

3. SLP toolkits. How much should you budget for ongoing support of your SLP clubs? Are you considering chartering a new club this year? Check out the sample budget and budget recommendations that are part of each SLP’s sponsorship toolkit.
CALLING ALL PHILATELISTS: CELEBRATE 100 YEARS OF KIWANIS

Ever wonder how the United States Post Office decides what to put on their stamps? The stamp collectors among us probably know that a group called the Citizens’ Stamp Advisory Committee recommends subjects and designs to the postmaster general. These recommendations are guided by 12 major criteria. Here’s the one we’re most interested in: “Events of historical significance shall be considered for commemoration only on anniversaries in multiples of 50 years.” If you feel that the formation of Kiwanis International was historically significant, let’s hear from you—and let’s get Kiwanis International’s 100th anniversary on a postage stamp. Download the most recent (Sept) Kiwanis International Update (http://www.kiwanisone.org/Pages/Resources/default.aspx?PageID=274) for information about this topic. Fill in and sign the CSAC letter (http://community.kiwanisone.org/media/p/26997.aspx) and mail it in. Don’t forget to affix a stamp!

BUDGET NOW: COVERING THE COSTS OF CONVENTION REPRESENTATION

Just think: A year from now, your club’s convention delegates will be back from Vancouver. They’ll be sharing the latest news on The Eliminate Project, exciting ideas for getting members involved, strategies to ensure your club is known in its community and a renewed enthusiasm for being part of your club and of Kiwanis. It’s an energy that money can’t buy. But it does take money to get these delegates to the convention next year. That’s why you should budget for it now.

The convention budgeting page (http://sites.kiwanis.org/Kiwanis/en/vancouver-convention/register/conventionbudget.aspx) will walk you through the list of expenses this line item should include. Consider it an investment in your club’s future and a way to ensure that your club will have a voice in Vancouver.
REGISTER FOR THE VANCOUVER CONVENTION—TODAY!

Those who attended the New Orleans convention left feelin’ jazzed. Relive or review some of these convention highlights with this video (http://www.youtube.com/watch?v=MCEstyV0c&list=PL12F9234B6D2FDDB&index=0&feature=plcp). And keep that convention momentum going—by registering now to join us next year in Vancouver.

Engage and exchange with other Kiwanians, gather tools you will use once you’re back in your club and make sure your club has a voice. Vote (http://sites.kiwanis.org/Kiwanis/en/vancouver-convention/Experience-Convention/elections.aspx) for the future leaders of Kiwanis and weigh in on proposed amendments (http://sites.kiwanis.org/Kiwanis/en/vancouver-convention/Experience-Convention/amendments.aspx). Vancouver’s scenic skylines, picturesque waterfronts and majestic mountains will provide the perfect backdrop. Come experience all that Vancouver—and Kiwanis—has to offer at our 98th annual convention, June 27–30, 2013.

Register online (http://sites.kiwanis.org/Kiwanis/en/vancouver-convention/register.aspx#T-hlqLVwJ8F), or download the form (http://sites.kiwanis.org/Kiwanis/Libraries/Vancouver_documents/Vancouver_Registration_Form.sflb.ashx) and mail or fax it in. Discounted fees are available now through April 1, 2013.

TOP 7 REASONS TO JOIN US IN VANCOUVER

Vancouver has so much to offer its visitors: mountains and waterfronts formed by ancient glaciers, a culture formed by a diverse people—and in 2013, the 98th annual Kiwanis International Convention!

WHO’S THAT CLUB?

What does your community know about your club? Do they know you’re making a difference in schools, shelters and parks? Do they know your club is made of their neighbors and coworkers? Would they want to join you in service if they did know more about you? It’s time to get the word out. Here’s how.

Use the new public awareness toolkit (link to www.kiwanisone.org/awareness) to create awareness in your community. In big ways and small. Through billboard ads and social media, signage and public service announcements. Let your community know you’re there—local people, making a local difference.

CLUB LEADERSHIP 101

OK, you’re not a novice to leadership. But maybe you’re new to your particular leadership position. No sweat. When you step into your new role this October, be ready to take charge with Club Leadership Education. Whatever your office—secretary or president—Club Leadership Education offers position-specific training and a breakdown of job responsibilities and schedules to help you lead.

Sessions cover the nuts and bolts of each task, detailing procedures for conducting meetings, creating budgets and filing reports. Plan to invest a few hours, and you’ll learn the critical components of leading your club. You’ll also take home helpful Kiwanis-family materials—including the leadership guide, the go-to manual full of resources for success.

If you would prefer to complete Club Leadership Education online, you don’t have to complete it all at once; you can stop, come back later and pick up where you left off. You can also repeat sections at any time for refreshers or reference.

This session is conducted by representatives from your district who have been in your shoes. You’ll also meet peers and other club members who can provide support when you need ideas. Visit www.KiwanisOne.org/cle for more information.
In March 2012 a new Key Club was sponsored at Copper Hills High School. The new club was chartered with nearly 40 paying members and has already been active in serving their school and community. We are grateful to their former advisor, Dominick Bruso, for all of his work, and look forward to working with their new advisor, Erica Ball.

The 3rd Annual Kiwanis 5k at Gardner Village was a success thanks to the leadership of Race Director Greg Green. We had good support on race day from several club members and representatives from the Hillcrest Key Club. Participants applauded the races organization and beautiful run on the Jordan River Trail. All proceeds from the race go towards local Kiwanis programs. Details for our race can be found at Kiwanis5k.com.

The Club also supported a local tradition, Midvale City’s Harvest Days celebration. Kiwanian and Mayor JoAnn Seghini and members of the Kiwanis Club and Key Clubs again demonstrated some old fashioned fun by providing a tug-of-war contest, gunnysack races, and three-legged races for local kids. “This is one of the reasons we come to Harvest Days,” said one parent. Harvest Days was started by local Kiwanians nearly 75 years ago. More on this event at MidvaleHarvestDays.com.

Lastly, we bid farewell to a 25-year veteran of Kiwanis, Glen Purdie. Glen was a stalwart member of the Kiwanis Club of Oakland for many years and came to the Midvale/Fort Union club a few years ago. He will be missed.

HOMER R. WHITNEY
1923 ~ 2012

Homer R. Whitney passed away July 24, 2012 at the home of his daughter Julie in West Jordan. He was born August 1, 1923 in Parawan, Utah, to Zella Rose and Blanchard Eli Whitney. During World War II, he served in the Air Force in the air transport command. When he returned, he attended BYU and graduated with a degree in accounting. He got a job with Provo City and worked there for 36 years.

He married Marie Griner on March 14, 1955 in the Mesa Arizona Temple. They had 3 children. Homer and Marie loved their children, family and making memories were very important to them. They have left us with many. Homer was an active member of The Church of Jesus Christ of Latter-day Saints and served faithfully in many callings including several bishoprics. He was a member of Kiwanis for over 30 years and loved the time he spent there.

Homer is preceded by his wife, Marie, his parents, sister Joyce Marie and brother Gordon. He is survived by his children: Joyce (David) Morrison, Steven (Monika) Whitney and Julie (Eric) Woodard, sister Elaine (LaMar) Duke, 9 grandchildren and 8 great-grandchildren.
