There is good news and bad news. The good news is that our Service Leadership Programs (with the exception of CKI) are doing very well. We are growing in Builders Clubs and Key Clubs. Aktion Club needs a District Administrator, which will help growth. Circle K is in need of new clubs in order to stay viable.

The bad news is our membership figures. The last report issued by Kiwanis International shows a loss of just over 100 members in our district. The district secretary informs me that starting with this month we show a loss of approximately 40 more members. This is in line with the steady decline of membership throughout the North American Kiwanis world.

Is this bad? Yes, it is! Is it terminal? No, it is not! We have the means to turn this losing trend around. What is the answer? U and I can change the world one child at a time, and by extension one new member at a time. Each of us has a family member, friend, business acquaintance, member of our same religion, or even someone we just happen to meet. Those are our sources of potential members. Why aren’t all those people members? Because we have never asked them. People are afraid of rejection. It is kind of like going to the prom: we know who we want to ask, but what if he or she says no. This is more important than the prom; we are talking about saving Kiwanis, “A GLOBAL FORCE FOR GOOD.”

The first thing we must do is keep the members who are currently in our clubs. There isn’t anything we can do about members who leave for whatever personal reason. We can prevent the loss of members who just leave the club but stay in the area. We need to keep our meetings meaningful. If your meetings are just a time to meet and eat, you are headng for disaster. Having enlightening speakers, doing service projects, having service leadership programs-- those are all things we can do to make our meetings more inviting.

The second thing we must do is recruit more members to our clubs. Membership recruitment is not a onetime thing. We must continually keep inviting potential members, and each club should have a membership chair and a team to assist. (Continued on Page 2)
The third and possibly most important is building new clubs. With new clubs come a new energy, new members with new ideas. The sponsoring Kiwanis club should provide one or two mentors to work with the new club for at least a year. This provides the new club with an instant knowledge base to help the new club stay interested and informed about Kiwanis.

Think outside of the box; if the same old thing doesn’t work for you, try something different. The Lieutenant Governors of your divisions are your go-to source for help in our goal to change the trend from losing members to gaining members and new clubs.

Wear your Kiwanis pin everywhere you go, and show it proudly. Kiwanis does great things and we are made up of great people. Kiwanis is not as diverse in membership as it could be. Reach out to minorities in your community and invite them to join. Make them feel welcome, get them involved.

Please, please, please do not forget to invite younger adults to become members of Kiwanis. They are the ones that will keep Kiwanis growing and going.

There will be an incentive program called Kiwanis BUCKS, which will be outlined in an article in this edition. Mid-year conference will be at the Comfort Suites Hotel. 2250 South 1200 West, Ogden, UT 84401. The dates are March 22-23, 2013.

I ask that, at the very least, Lieutenant Governors, Current Presidents and Presidents-Elect, Membership and Club Building Chairs attend the Mid Year Conference. We will have training available to educate and assist you in membership retention, recruitment, and club building.

It is early in this Kiwanis year. With your help and assistance we can and will build our Kiwanis District to the number of clubs and members it is capable of sustaining.

I whole heartily agree and support Governor John’s comments about recruiting and retention of members. Whenever possible, retention is primary.

Think about it. If you are trying to grow your club (which we should all be doing), if you lose a member, you need to recruit 2 to get ahead. Governor John and I would like to start a District membership recruiting sharing network.

It is amazing how some of the clubs develop unique ways to recruit new members.

Gordon Lewis, Communications Director, is helping us set up a network to share our successful experiences in recruiting new members.

This is how it works…..

There are 5 ways that our successful experiences and information and can be submitted for inclusion in the network. They are:

1) E-mail your experiences to Gordon Lewis, gclbowl@comcast.net
2) Fill out form included in this issue and mail them to Gordon Lewis, 801 Park Shadows Circle, Bountiful, UT 84010
3) Download the form from the District Website, print it, fill it out, and mail it to Gordon Lewis.
4) Visit the District Website and fill out the online submittal form.
5) Soon a District Recruiting and Retention Blog will be created.

Be sure to also send in your ideas and experiences on Retention. This option is included on the form (printed/printable & online).

Information supplied will be included on the new Utah – Idaho District Recruiting and Retention Website (www.uikiwanis.com). This new website will be linked to the District Website, District and Utah Kiwanian Facebook Pages.

The Kiwanis buck program is the brainchild of our Kiwanis International Trustee, Jim Rochford. He used it very successfully in his district.

The idea is simple: reward those who participate in Kiwanis education, service projects, Interclubs, membership recruitment, club building and those who donate items for the Kiwanis Buck Program Silent Auction.

The more “Bucks” you accumulate, the more you can buy or perhaps bid on the more expensive items.

The real purpose of the “Buck” Program is to get Kiwanians involved. Participate with your club; educate yourself in how Kiwanis works; bring in new members; and, most important, build new clubs.

If we as a district want to succeed, we need to do the things listed above. You cannot wait for someone else to do it; you must be the force that starts us on the road to recovery.

The illustrations that you see with this article are just samples. The finished product will show a photo of our district treasurer Marvin Chamberlain on the $50 bill, my picture will be on the $100 bill (they will be called Kiwanis Safari Bucks) and the $500 bill will show the picture of Kiwanis International President Thomas DeJulio.

Your Division Lieutenant Governors will be giving out Kiwanis Bucks during their club visits and division council meetings. I will be giving out Kiwanis Bucks during my visits and at Midyear Conference and District Convention. They will be dispensed based on Secretaries’ Reports, club president verification of participation, Kiwanis reports of webinars attended, silent auction gifts, and participation in club building efforts.

Kiwanis Bucks can be used at the Utah – Idaho District Conference Silent Auction or Kiwanis Store (1/10th the stated value) at the Red Lion Hotel, 161 West 600 South, Salt Lake City, UT. The dates are: August 16-18, 2013. The room rate is $75 plus tax. Cut off date for rooms at the $75 rate is Friday, August 2, 2013.

I hope this Kiwanis Buck Program gives you that little extra push that you may need to become more involved with Kiwanis.

Good luck and remember: “EARN THOSE KIWANIS BUCKS”

MONTHLY MESSAGES: CHECK IN WITH TOM DEJULIO

Every month, Kiwanis International President Tom DeJulio has a new and inspiring message for all Kiwanians. October’s message focused on the six Objects of Kiwanis, our guideposts for becoming the world’s greatest champions for children. What will November’s message include? Watch this month’s video message on the President’s page at www.KiwanisOne.org—and don’t forget to bookmark the page on your browser.

Twin Falls Club President, Trent Stimpson, accepts $180 from Jake Packham, Canyon Ridge High School Key Club member for Project Eliminate
High School Seniors in 2013 are required to plan and conduct a Senior Project for graduation in Idaho. Jake Packham, a Key Club member at Canyon Ridge High School, Twin Falls, became aware of Kiwanis International Project Eliminate at his club meetings and decided to do something about it. He planned his senior project around the theme of “Beat Screech”, the Canyon Ridge Mascot, and designed a Fun Run over a 2 mile course around the high school for children, teens and families. Runners donated $5 each or $20/family to compete against Screech. Project Eliminate pins and buttons as well as informational brochures about MNT were provided to all contestants. Jake was interviewed about the project on Hot 100 FM radio by station DJ, James Rabe, Key Club Advisor.

**A PERSONAL WORD FROM YOUR PROJECT ELIMINATE DISTRICT COORDINATOR**

By Revis Turner

First, let me thank the District Leadership for support, enthusiasm, and energy for the Utah-Idaho portion of this chance to change the world. I really sense a growing interest and recognition of what this means for the families and children around our globe. I anticipate the next 4 years to be a grand application of our Kiwanis values, hard work, and heartfelt endeavor to do something wonderful.

Second, with the help of Rayleen Barnes, an excellent group of volunteers are preparing for the Kiwanis Year of Preparation 2012-2013. Many of our fund-raising efforts will be engaged during this year. This will set the stage for a large increase in our contributions.

Third, communication is an important key. The Project Eliminate leadership wants to hear about your plans, questions, ideas, concerns and successes. In addition, there are a tremendous amount of resources available for clubs. Check out the website: [http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/newresources/howtogetstarted.aspx](http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/newresources/howtogetstarted.aspx)

**EVERYTHING YOU NEED TO KNOW ABOUT THE NEW CLUB BYLAWS**

Last month, the Kiwanis International Board approved the final version of the new Standard Form for Club Bylaws. What does that mean for your club? In a word: flexibility.

The new club bylaws present clubs with fewer rules and more options than in the past, plus new club policies that can be adapted to each club. For example, the minimum number of club directors will be three (not five).

The revised Standard Form is being prepared now for clubs to submit online beginning approximately December 1. In the meantime, go to [www.KiwanisOne.org/NewClubBylaws](http://KiwanisOne.org/NewClubBylaws) to preview the new copy and consult the updated FAQs.

**UTAH – IDAHO KIWANIS DISTRICT FOUNDATION DONATION CONTRIBUTION FORM**

The Reed Culp Medal – Reed Culp medal has been created to honor our Past International President Reed Culp. Reed Culp was a member of the Salt Lake Kiwanis Club and was an active Club leader. He was a partner and owner with his brothers and later with his sons of Culp & Sons Sheep Co. He was named to the national board of Boys Clubs of America and was appointed to the Salt Lake Mayor’s Committee on Juvenile Delinquency.

Contributions in amounts of $100 or more, entitle the donor to a very distinctive lapel pin and a medallion depicting the likeness of Reed Club to be worn on a brightly colored neck-ribbon.

Fill Out and Send with your Donation/Contribution to:

Marvin D. "Marry" CHAMBERLAIN
P.O. Box 25
Twin Falls, ID. 83301-0025

The only source of funding for the Foundation is through the generosity of its members, Kiwanis Clubs, and other interested persons/organizations. Each year the Foundation makes an appeal to all Kiwanis Clubs to consider a club gift to the foundation. We ask each club to donate $5 per person or $100 whichever is greater. With 100% participation by the clubs, the Foundation would be able to award up to five matching scholarships each to Key Club members and Circle K members. The annual campaign is the primary source of income and determines much of the Foundation’s impact, particularly in the areas of supporting Kiwanis sponsored programs.

This is an exciting time for members of the Kiwanis International Foundation. As the 2012–2013 Kiwanis year begins, we’re introducing a new giving structure. Now every dollar you give goes farther to help children.

That makes it a perfect time to activate your membership—by making an annual gift. After all, you’re a Kiwanian so you can have a positive impact on children’s lives. As a member of our foundation, you extend your Kiwanis impact.

When you make a gift, we make it work. And then you see the results—from your own hometown to communities around the world. Activate your membership today . . . and help Kiwanians reach children near and far.

If you make a gift before September 30, 2013, you’ll qualify for recognition as a charter annual donor!

(ANNUAL GIVING)

THE IMPACT YOU MAKE TODAY
At the Kiwanis International Foundation, every gift matters. Because every gift helps reach children in need.

With an annual gift to the Kiwanis Children’s Fund, you serve children today—supporting programs and initiatives that benefit many thousands of children each year.

Your gift helps fund our foundation’s grants for service projects and programs that would otherwise remain beyond the financial reach of individual Kiwanis-family clubs and districts.

Your gift also supports Kiwanis Service Leadership Programs that help young people and adults with disabilities develop service and leadership skills.

YOUR GIFTS, OUR GRATITUDE
At the Kiwanis International Foundation, we honor the difference you make. So we’ve recently improved our annual giving benefits to ensure that every gift you make goes farther.

The result: opportunities to support our mission at a level that’s appropriate to your interests and circumstances. They also give you good reasons to continue giving—by honoring your generosity in ways that reflect your ongoing investment in our mission.

FOR CONTINUING IMPACT
It’s not just the funding that matters. It’s the personal commitment of those who give. After all, your loyalty to the Kiwanis International Foundation is a gift, and that gift makes a continuing impact. So we honor it.

For your consistent generosity, we offer recognition as a Kiwanis Loyalist. Recognition begins when you have given to our foundation for at least five consecutive years—with progressive honors and benefits up to 25 years.

RISK MANAGEMENT AND GENERAL LIABILITY

BACKGROUND CHECKS

Protect your club … and those you serve. Kiwanis-club membership is a wonderful opportunity and an important responsibility. From working with young people to managing club finances, member activities require trust and integrity.

These days, more organizations are protecting themselves with background checks. Thanks to Kiwanis International’s relationship with Safe Hiring Solutions, your Kiwanis club has access to criminal-history background checks for club members. For any Kiwanis club whose members work with children, manage club accounts or take on other potentially sensitive roles, it’s an important option to consider.

Safeguard what matters most to Kiwanians: the children you serve, your members’ confidence and your club’s reputation.

About Safe Hiring Solutions

Criminal-history background checks are an optional service for Kiwanis clubs. With Safe Hiring Solutions’ secure electronic process, background checks require no paperwork for you or your club. Safe Hiring Solutions provides criminal-history background checks, employment screening, investigation and verification. Clients include corporations, schools, nonprofit organizations and many other entities.

Tourism Vancouver has graciously provided us with a set of first-rate prizes. We’ll feature prizes each month from October 2012 through February 2013. In each of those months, we’ll give one prize each to a lucky, randomly selected convention registrant. In February, the grand prize will be an “experience pass” that gives exclusive access to some of Vancouver’s best attractions and opportunities. Remember, you must sign up to be eligible for the prizes. And to sign up, you must be registered for convention. Once you sign up, your name will be included in all the remaining monthly selections. (If you do win a prize, we’ll take your name out of the subsequent months to give everyone a chance. But your name will be included in the grand prize selection.)

Win or lose ... show your badge!

Show your conference badge at participating businesses—and get discounts offered exclusively to Kiwanis convention attendees. It’s your chance to save money on attractions and sightseeing tours, shops, spas, transportation, restaurants, liquor stores and night clubs.

A few things to note:
1. Convention registrants (including guests registered by a Kiwanian who are not Kiwanians themselves) may also enter to be eligible to win.
2. The entire pool of registrants by the end of each month is added to the pool of possible winners for that month’s prizes.
3. A month’s prize winners are selected on the first business day after the end of that month. For example, the winner of the October drawing will be determined on November 1.
4. Prize winners will be excluded from all subsequent months—except for the grand prize opportunity. Everyone who registers for convention and signs up for the prizes will be eligible to win the grand prize.
5. Prizes unclaimed within 30 days or refused will be made available again in a subsequent month.
6. Prizes must be accepted as awarded. They may not be substituted and have no cash value.

CONVENTION NEWS
KIWANIS INTERNATIONAL TO RECOGNIZE SARAH McLACHLAN WITH THE 2013 WORLD SERVICE MEDAL

Music is a passion for international singer and songwriter Sarah McLachlan, and next year she’ll be honored as the 2013 recipient of the Kiwanis International World Service Medal for her dedication to music education. The medal will be presented in June at the 98th Annual Kiwanis International Convention in Vancouver, British Columbia.

The Sarah McLachlan School of Music in Vancouver provides music education to underserved and at-risk youth at no cost. The school is dedicated to helping young people build community and find their voice.

“When I was growing up, we had music in our schools. It was a given. These days, many of these programs are not available. I don’t know what I would have done without music in my life when I was growing up,” McLachlan says. “I was unpopular and picked on, but for me, music was my refuge and solace—the one thing I knew I was good at; it fed me and kept me going.”

During the convention’s closing session, McLachlan will accept the award, speak and sing for the convention attendees. Performing at a Kiwanis event is not new to McLachlan. In 1987, she took first place at the Nova Scotia Kiwanis Music Festival. (Continued on Page 18)
Sparked by the influence of music in her life, McLachlan dreamed of opening a music school for inner-city youth. Her dream first took shape with the creation of The Sarah McLachlan Foundation in 1999, and in 2002, she launched a free after-school music program. Since then, more than 700 students have received instruction in piano, guitar, percussion, choir, voice, songwriting, student bands and sound lab.

In 2010, her foundation received a donated building from the Wolverton Foundation, allowing the foundation to create a permanent music school, the Sarah McLachlan School of Music.

The World Service Medal is presented annually at the Kiwanis International convention, being held next year in Vancouver. One medal is awarded each year to an individual or organization working to improve the quality of life for children. Previous winners have included actors and humanitarians Sir Roger Moore, Audrey Hepburn and Jamie Lee Curtis; First Ladies Nancy Reagan and Rosalynn Carter; and organizations Heifer International and Sleeping Children Around the World.

JOHN O’LEARY TO SPEAK DURING OPENING SESSION

John O’Leary is proof of the power of the human spirit. As a nine-year-old boy, he was burned on 100% of his body and given less than one percent chance to survive. He endured months in the hospital, years in therapy, dozens of surgeries, and lost all of his fingers to amputation. Despite the odds, he overcame those challenges to become a college graduate, business owner, hospital chaplain, the Ambassador for Big Brothers, Big Sisters, international speaker, husband and father.

John powerfully reveals our greatest challenges can be transformed into outstanding growth. Through emotional story-telling and great humor, John empowers audiences to move past their comfort zone, dream again, re-ignite their passion and take positive action. His presentations have been described as “captivating, amazing and life-changing.” Audiences around the world are re-ignited with a life full of possibility and passion not yet imagined.

Because of the release and poignant response from his parents’ book, Overwhelming Odds, John began his professional focus as an international speaker.

In 2011, John was honored to receive the “Members Choice” Speaker Award from Vistage International. John was chosen as one of the Top Ten “Most Interesting People” in Saint Louis, Missouri in 2009 and was selected the St. Louis University Young Alumni of the Year in 2007. John was also the first inductee into the Energizer “Keep Going” Hall of Fame in 2006.

John will address Kiwanians and guests during opening session in Vancouver.

VIENNA BECKONS: CELEBRATE KIWANIS’ 50TH ANNIVERSARY IN EUROPE

In March 2013, Kiwanis will celebrate 50 years in Europe with an anniversary party in Vienna. And you’re invited.

Why Vienna? It’s one of the world’s most culturally important cities—and the birthplace of Kiwanis in Europe. Vienna-Europe 1, which was organized in 1963 as Europe’s first Kiwanis Club, invites members worldwide to a golden anniversary celebration, March 15–17. Kiwanians and their guests will be treated to a special Vienna Boys’ Choir concert, an evening at a typical Viennese wine tavern, a performance by the Lipizzan horses at the Spanish Riding School and guided tours of the Vienna Museum of Fine Arts, the National Library and the historic city center.

PREFERRED CHARITY

As a Kiwanis International Preferred Charity, partnering organizations commit to providing various in-kind promotion and access benefits. In exchange, your organization will be recognized as a Kiwanis International Preferred Charity, and Kiwanis will encourage local club support via fundraising and service projects.

Our current Preferred Charities:

In 2008, Kiwanis International joined in a memorandum of understanding with Boys & Girls Clubs of America to foster, nurture and establish a legacy of serving children—a cornerstone mission for both organizations.

Kiwanis’ newest partner, Boys & Girls Clubs of Canada, is comprised of 100 clubs across the nation. The organization provides a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life.

Kiwanis has partnered with Boy Scouts of America to ensure boys, young men and women may grow in character, citizenship responsibility and leadership to achieve their greatest potential.

Key Club participates with Children’s Miracle Network by sponsoring fundraising events. Key Club members also participate in service projects at their local children’s hospital.

Kiwanis International, CKI and Key Club partner with the March of Dimes to give every baby a healthy start. Kiwanis-family members raise thousands of dollars annually through various programs, including its signature event, March for Babies.

Kiwanis International and its family of clubs joined forces with UNICEF to virtually eliminate iodine deficiency disorders during the Worldwide Service Project for IDD. Now, Kiwanis and UNICEF are partnering again on The Eliminate Project. Our Global Campaign for Children will raise US$110 million by 2015 to reach some of the world’s poorest and most underserved women and children—and help eliminate maternal and neonatal tetanus from the planet.

KEY CLUB FALL TRAINING RALLIES

This year, the Utah-Idaho District Key Club decided to hold two Fall Training Rally events in order to extend the opportunity for members in Idaho and Utah to attend. The rallies were held at the College of Southern Idaho in Twin Falls, Idaho and the University of Utah in Salt Lake City, Utah. It was great to see many eager Key Club members coming to the rally to learn more about Key Club, their duties, and gain and share service project ideas for their clubs. The rallies consisted of informative workshops, fun presentations, and a service project. We made over 200 drawstring backpacks and the members filled these bags with school supplies, hygienic supplies, hats, and books which were donated to Big Brothers Big Sisters organization in Idaho and the Real Life Salt Lake program in Utah which helps teen refugees. We are extremely grateful to Erland Elmer and his wife for helping us at the Utah rally and for making the long trip to Idaho to assist us with workshops and presentations. We would also like to thank John Brown for attending our Utah rally this Saturday. The Utah-Idaho Key Club board will continue working hard on our future events and we hope to continue spreading the spirit of service!
RECOGNITION FOR YOUR KIWANIS-FAMILY CLUBS

Every US$1.80 counts when we’re talking about protecting mothers and babies from maternal and neonatal tetanus. We know it will take the efforts of every Kiwanis-family member to reach our US$110 million goal. That’s why Service Leadership Programs (SLP) -CKI, Key Club, Aktion Club, Builders Club and K-Kids club- and their members are being recognized for their contributions.

New this Kiwanis year, starting October 1, 2012, Kiwanis-family clubs are eligible for special annual recognition when their contributions reach an established level of giving.

Elimidallion: award given to any SLP member or advisor who makes a one-time donation of US$625 1K Clubs: status given to SLP clubs reaching the US$1,000 donation level in one year (Oct. 1–Sept. 30) Global Service Society: gold, silver and bronze levels of recognition, based on the SLP’s per-member average of their contributions within one year (Oct. 1–Sept. 30).

TRACKING OUR PROGRESS:
ON TARGET TO ELIMINATE MNT

As of September 2012, the Kiwanis family has raised more than US$18.2 million for The Eliminate Project, which will save or protect more than 10 million mothers and their future babies from maternal and neonatal tetanus.

Those who have held fundraisers and those who have made contributions of any size should feel good about our progress. This success will keep our momentum going so share The Eliminate Project progress on your website, in your communications and especially in any thank-you notes.

Thank you for all you and your club have done to get us where we are with this campaign!

ELIMINATING MNT: THREE DOWN, 31 TO GO

Recently the World Health Organization conducted validation surveys in China, East Timor and Tanzania, and the results show that these countries have eliminated maternal and neonatal tetanus. That’s a big deal! In these three countries, the lives of newborns and mothers are now free from the anguish of tetanus.

Since 1999, UNICEF and its partners—including the Kiwanis family—have eliminated the disease in 28 countries, including Liberia, Senegal, Burkina Faso and Guinea-Bissau. MNT remains a deadly threat in 31 countries. The final push to eliminate MNT globally will require US$110 million and the dedicated work of UNICEF and every member of the Kiwanis family. Thanks for your contribution so far!

KID-TO-KID ADVICE ON CHARITABLE GIVING

Middle school students are generally most influenced by their peers. That’s why this guide to charitable giving just might make an impression on your club members—it was written by a kid.

At age 14, Freddi Zeiler realized there were children going hungry, working instead of going to school and fighting diseases that were no longer a threat in our part of the world. She did some research about organizations dealing with these issues and how she could best lend her support. With a little encouragement, she decided to compile her research into a guide to charitable giving for other kids her age.

Freddi’s manual is a quick read that encourages kids to consider what issues are close to their hearts and to research their options on which organizations to support. She defines ways to contribute: by giving money, things or time. And she offers a reference list of charities, organized by the issues they address: people, animals and the environment.

This book inspires and motivates kids to care about others and to do something about it. Consider adding it to your club’s suggested reading list.
EXTEND YOUR IMPACT AS THE YEAR ENDS

As the holiday season approaches and the year winds down, many people are considering ways to share their generosity even beyond family and friends.

With a gift to the Kiwanis International Foundation, you help reach children near and far through grants for service projects in local communities. That means a gift can make a difference in your hometown, and it can reach children in other parts of the worlds. Our foundation extends your Kiwanis impact.

What better way to enjoy the holiday spirit? What better time to fulfill your hopes for a great 2012? To make a gift online, go to www.kiwanis.org/foundation.

MAKE HOLIDAY PLANS THAT INCLUDE YOUR SPONSORED YOUTH CLUBS

How is your club’s December calendar looking? Before it fills up, contact Key Club, Builders Club and K-Kids clubs to plan a holiday party or joint service project. Find out what those groups are doing to celebrate the holidays as a club and lend your support.

Looking for some fun ideas of how to spread holiday cheer? Try one of these:

- Bake cookies and deliver some to fire stations, Ronald McDonald houses, or homeless shelters.
- Collect small toys, toothbrushes, card games and candy and fill stockings for children at area shelters.
- Write holiday wishes on strips of colorful paper then link the n together to create a paper chain to decorate your school hallways.
- Invite members and their families to go caroling.

FILER KIWANIS FILER ELEMENTARY
WB DONATION OCTOBER 4, 2012

FILER- The school year’s winter season brings potential for the spread of germs and illness. Filer Elementary School and the Kiwanis Clubs of Filer have joined together in an effort to safeguard the health of children.

Kiwanis made its second annual donation, October 3, of water bottles for each of the 89 students in the school’s first-grade classes. These stay in the classroom until year’s end and then go home with the student.

“I think our involvement in providing something like this is very important, because Kiwanis’ focus is to serve the children,” said Filer Kiwanis Past President Vickie Cowger “It goes a long way in reducing germs through things like sharing a drinking fountain.”

John Graham, Filer School District Superintendent, expanded on this view by referring to additional benefits of helping make sure students drink enough water and stay properly hydrated.

“There have been studies that provide possible evidence that good hydration improves a student’s ability to focus and their performance on tests,” Graham said. “I don’t know whether that’s true, but being part of this as an educator and a Kiwanian is great.”
