MIDYEAR, HERE WE COME!

The Utah – Idaho District Mid-year Conference is fast approaching. March 21-23, 2013 is only a little over two months away. Registration, Agenda and room rates are available in this issue of the UI Kiwanian.

There is good news in our efforts to build new clubs in the District. Immediate Past Governor Chuck Baker and Wesley Sine (Bonneville Kiwanis Club) are on board with the intent of building a breakfast club in the South Davis area. Lieutenant Governor Larry Hunter (Division 6) is involved with Kiwanis clubs in his area in club building. Lieutenant Governor William Mullins and I are involved in building a breakfast club in the Tooele area. I am in hopes that at least one new club will be chartered in time for our Mid-year Conference. If that happens we will have the chartering ceremony at Mid-year.

I am sure there are other Kiwanians out there who are actively recruiting new members and building new clubs. To all of you involved in this worthwhile pursuit I give my thanks and the thanks of the District.

Governor-Elect Jim Spinelli and I would ask each of the Kiwanis Clubs in our District to hold their officer elections prior to our Midyear. We would request that all current and incoming Presidents, membership chairs, Club Building chairs, Eliminate chairs (and anyone else interested) attend Midyear Conference.

Our downward slump in members has stabilized. Now we can begin the process of increasing our numbers through membership recruitment and new club building.

We have Kiwanians with the drive, desire, and talent to go out and increase our membership. Our recruitment motto should be “Just Ask.” Ask your family, friends, business associates and people you happen to meet if they might be interested in joining a great organization.

Recruitment is everyone’s job, not just the District Lieutenant Governors’. I would recommend that you talk to your Division Lieutenant Governor about your plans to build new clubs. These folks are a great resource! You might also avoid duplication of effort.

U and I can change the world one child at a time. If you remember this motto you will succeed.

John Brown
District Governor 2012-2013

China removed from nations at-risk for MNT. The World Health Organization recently conducted validation surveys in China, and the results show that the country has eliminated maternal and neonatal tetanus (MNT). More newborns and mothers’ lives are now free from the anguish of tetanus. 31 countries remain on the MNT At-Risk List. For more information go to this website link: http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/MNT/Updates/Maternal_and_neonatal_tetanus_elimination_updates.aspx.

Protect the Connection. Over 11 million mothers and their babies have been protected with over USD$20 million raise through Dec 2012. Utah-Idaho has pledged or raised $165,666 thus far. This averages $100.77 per member. U-I ranks the 13th highest per member average Internationally & 7th highest among US Districts. As we move into the Year of Participation we want to accomplish an increased total to $300,000. So, we have a lot of work to do to spread the message and involve each member in this wonderful opportunity to make a major difference in the world.

District Zeller Award Recipients—The Walter Zeller Award is exclusive to the Eliminate Campaign. By making a contribution of $1250, over 690 lives are protected. 23 U-I Kiwanians have chosen to receive the Zeller Award. That represents $28,750 contributed to the project and 15,972 mothers protected. Our goal is to have 48 Kiwanians receive Zeller Awards. Contact your club coordinator or Division Coordinator to make a pledge for the Zeller Award. Compliments of a friend supporting Kiwanis Clubs!
The Utah-Idaho District Eliminate Project is very pleased to announce that Bay Area Kiwanian, Judy Kramer, will be a Project Eliminate guest speaker Mid year Conference Eliminate Presentation on Friday, March 22. She will share information and inspiration about her most recent trip to a UNICEF medical site. Her presentation will be encouraging to us in our efforts to spread the word and work about what Kiwanis International is accomplishing to make a wonderful difference in the world for women and their children.

A Message from Randy DeLay, International Chairman.
You have already helped to save or protect more than 11.6 million lives through the more than US$21 million in cash and pledges raised since the beginning of The Eliminate Project. Global immunization efforts have eliminated maternal and neonatal tetanus in 8 countries, leaving 31 countries where MNT is still a threat to mothers and babies. Four counties have eliminated MNT since our last Worldwide Report Day in May 2012. We have supported the work of UNICEF in the field to provide the lifesaving tetanus vaccine and education on safe birthing practices to women all over the world. MNT is a preventable tragedy, and your work has a direct impact on its prevention. When US$1.80 is all it takes to save or protect a life, every effort counts.

UTAH – IDAHO KIWANIS DISTRICT FOUNDATION DONATION/CONTRIBUTION FORM

The Reed Culp Medal - Reed Culp medal has been created to honor our Past International President Reed Culp. Reed Culp was a member of the Salt Lake Kiwanis Club and was an active civic leader. He was a partner and co-owner with his brothers and later with his sons of Culp & Sons Sheep Co. He was named to the national board of Boys Clubs of America and was appointed to the Salt Lake Mayor's Committee on Juvenile Delinquency.

Contributions in amounts of $1000 or more enable the donor to receive a very distinctive lapel pin and a medallion depicting the likeness of Reed Culp to be worn on a sterling silver neck ribbon.

Fill out and send with your donation/ contribution to:

Marvin D. "Marty" CHAMBERLAIN
F. O. Box 25
Twin Falls, ID 83301-0025

The only source of funding for the Foundation is through the generosity of its members, Kiwanis Clubs, and other interested persons and corporations. Each year the Foundation asks all Kiwanians to consider a club gift to the Foundation. We ask each club to donate $5 per person or $100 whichever is greater. With 100% participation by the clubs the Foundation would be able to award up to five matching scholarships each to Key Club members and Circle K members.

The annual campaign is the primary source of income and determines much of the Foundation's impact, particularly in the areas of supporting Kiwanis sponsored programs.

KIWANIS-FAMILY CLUBS BREAK MEMBERSHIP RECORDS

At Kiwanis, we have a lot to celebrate. Once again, all Kiwanis-family clubs for young people and adults with disabilities set membership records during the 2011–2012 administrative year. That includes Circle K for university students, Key Club for teens, Builders Club for tweens, K-Kids for elementary-school students and Aktion Club for adults with disabilities.

Key Club increased its membership by 5,000 students, climbing to more than 267,000 members. Adding in Builders Club and K-Kids, nearly 350,000 Kiwanis International members are school-age youth.

Find out more about Kiwanis programs for youth and adults with disabilities, or learn how you can be a part of the movement by chartering a club.

OBJECTS OF KIWANIS

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

- To give primacy to the human and spiritual rather than to the material values of life.
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption and the application of higher social, business, and professional standards.
- To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

KIWANIS ONE DAY—NOT THAT FAR AWAY!

Kiwanis One Day: a day known in the Kiwanis family—and hopefully in your community—as a day of united service.

The date to keep in mind is April 6, 2013. But now is the time to make your grand plans because the Kiwanis One Day contest is coming up: we start accepting contest entries January 15. Look for the announcement of contest rules that day, put together a winning project and presentation, and earn your service project some Kiwanis community wide coverage.

Kiwanis One Day resources—including tools, tips and inspiring ideas—are available at www.KiwanisOne.org/OneDay.

THE KIWANIS BUCK PROGRAM

The Kiwanis buck program is the brainchild of our Kiwanis International Trustee, Jim Rochford. He used it very successfully in his district.

The idea is simple: reward those who participate in Kiwanis education, service projects, Interclubs, membership recruitment, club building and those who donate items for the Kiwanis Buck Program Silent Auction.

The more “Bucks” you accumulate, the more you can buy or perhaps bid on the more expensive items.

The real purpose of the “Buck” Program is to get Kiwanians involved. Participate with your club; educate yourself in how Kiwanis works; bring in new members; and, most important, build new clubs.

If we as a district want to succeed, we need to do the things listed above. You cannot wait for someone else to do it; you must be the force that starts us on the road to recovery.

The illustrations that you see with this article are just samples. The finished product will show a photo of our district treasurer Marvin Chamberlain on the $50 bill, my picture will be on the $100 bill (they will be called Kiwanis Safari Bucks) and the $500 bill will show the picture of Kiwanis International President Thomas DeJulio.

Your Division Lieutenant Governors will be giving out Kiwanis Bucks during their club visits and division council meetings. I will be giving out Kiwanis Bucks during my visits and at Midyear Conference and District Convention. They will be dispensed based on Secretaries’ Reports, club president verification of participation, Kiwanis reports of webinars attended, silent auction gifts, and participation in club building efforts Kiwanis Bucks can be used at the Utah – Idaho District Conference Silent Auction or Kiwanis Store (1/10th the stated value) at the Red Lion Hotel, 161 West 600 South, Salt Lake City, UT. The dates are: August 16-18, 2013. The room rate is $75 plus tax. Cutoff date for rooms at the $75 rate is Friday, August 2, 2013.

I hope this Kiwanis Buck Program gives you that little extra push that you may need to become more involved with Kiwanis.

Good luck and remember: “EARN THOSE KIWANIS BUCKS!”

UTAH-IDAHO KIWANIS CLUB LEADERSHIP EDUCATION (CLE) PROGRAM FOR 2013

Club Leadership Education (CLE) for incoming club presidents, secretaries, treasurers, any other incoming or serving club officers, and in fact anyone in your club interested in attending, is scheduled for Thursday March 21, 2013 at the conference hotel, as noted elsewhere in this newsletter.

Facts:
* CLE for incoming Club Presidents is mandatory, as of last year.
* The U-I District WILL hold CLE sessions at both Mid-Year Conference, and District Convention.
* We expect the convention session to be at least two hours in duration; and longer if needed and appropriate. See below; your input is needed. (The MidYear Conference session will be as noted in the schedule, and above.)
* Completing the Kiwanis International On-Line CLE program at your own pace, between now and September 30, 2013 meets the requirement. HOWEVER, your District CLE Team knows that something like a two-hour session at either or both of our District gatherings… to meet each other, share thoughts, ideas, and ask questions, resolve concerns, and get important new information and updates, is a critical part of the CLE program. Hence the meetings we have outlined. Another point: if you have ever attended one of our CLE sessions, we say that this gives you credit toward this requirement. HOWEVER, if it’s been a while; we strongly recommend that at least, you complete the on-line version, to get yourself current. The sessions we hold will do that for you, too!

What we need:
* Your input: what day and time you would like the sessions held at our District Convention in August. We are open to having sessions in the afternoon the day before the start of Conferences / Conventions. Let us know what you think, and what works for you. This gives you more time to attend the other workshops during the main meetings.
  * If it works to have the CLE as part of the workshop schedule, let us know that, too.
  * Known topics you’d like covered for sure.
  * Send this information to Erland Elmer, 3459 So Crestwood Drive, SLC, UT 84109-3272 (mail); e-mail: janelmer@excite.com; home phone: 801-272-1527 (preferred); cell: 801-824-0740. (Or see me at Mid-Year!)
  * I prefer written messages if possible; I’m getting very hard of hearing, and neither the phones, their message systems, nor my hearing aids, help me much…!) And, I’m sorry, I don’t do Facebook or Twitter… e-mail is IT.

Your input will help us plan for the District Convention in August.

~ Erland Elmer, U-I Kiwanis District CLE Coordinator

Be a delegate in Vancouver. Help shape the future of Kiwanis by voting for officers who will lead the organization in upcoming years, and express your opinion on proposed amendments. Kiwanis clubs in good standing are allowed two representatives in the House of Delegates, along with two alternates. Download the certificate of election of club delegates and alternates and fill it out (providing copies as indicated on the form).
Keynote speaker Nick Katsoris will deliver his inspirational message on Saturday, June 29, during the Faith and Humor Breakfast. The author of the acclaimed Loukoumi children’s book series, Nick also teaches children how to perform good deeds by sponsoring the annual Growing Up with Loukoumi Dream Day Contest, which gives kids an opportunity to spend the day in their dream careers. As a result, kids have witnessed the landing of a spaceship on Mars from NASA’s Mission Control, played soccer with the New York Red Bulls, cooked on the air with CBS chef Tony Tantillo and visited Rachael Ray on the set of her hit show.

Following breakfast, Nick will sign books in the exhibit hall.

GIVE YOUTH THE GIFT OF INSPIRATION

Each year, Key Club and CKI members around the world meet up for their international conventions, where they receive leadership training in workshops, enjoy the company of other Kiwanis-family members and celebrate an amazing year of service. In 2013, the 70th Annual Key Club International Convention will be in Washington, D.C., July 3–7. And CKI is joining Kiwanis in Vancouver, British Columbia, next summer for its 58th annual convention, June 26–30.

International convention is a fantastic experience for your youth, but it does come at a cost. Students might not be able to cover the cost of registration fees, transportation and food.

You can help! Consider sponsoring members of a Key Club or CKI club near you to attend their Kiwanis-family branch’s convention. You’re giving them more than just a trip to Vancouver or Washington, D.C.—you’re giving them opportunities to learn, grow, be inspired and in turn inspire others.

Talk to the Key Club and CKI members you sponsor. Team up to raise money to help subsidize the cost of convention—and provide your youth with an experience they’ll never forget. For Key Club, go to keyclub.org/convention, then click on the event sponsorship toolkit and PowerPoint presentation on the right-hand side of the page. For CKI, go to circlek.org/resources, then click on “For membership” to find the club sponsorship toolkit.

- **The go-anywhere Kiwanis shirt for men**
  How about a shirt that is 55% cotton, 45% polyester and 100% Kiwanis? While this may be questionable math, there’s no question about the quality. Look like the leader you are at club events and elsewhere with this broadcloth button-down shirt.

- **Heartwarming outerwear for women**
  Looking for a way to keep the chill away? Try a microfleece vest from the Kiwanis Family Store as a cozy option. With a comfortable, contoured fit and a price that’s comfortable too, consider wearing it at any Kiwanis event, indoors or out.

JESSE NEAL DAVIS OBITUARY
1925 ~ 2012

Jesse Neal Davis passed from this life in the afternoon of December 27, 2012, at the age of 87. No one who knew him will be surprised that he was out working, doing what needed to be done.

Jess was born in 1925 to Gertrude and Stephen Davis in Salt Lake City, and spoke of these “goodly parents”, who immigrated from Britain to follow the LDS church. He was the youngest of five children. He valued education, and attended Forest School, Irving Jr. High, South High School and graduated from the University of Utah.

Jess volunteered in the conflict of World War II, where he served in the Pacific 402nd Bombardment Squadron, 502nd Bombardment Group, of the 315th Bomb Wing. He was chosen to receive special training as a repairman for the remote control electrical/computer gun systems on the B-29 bomber, and was later stationed on Guam in the South Pacific.

After the war, he chose to serve his Heavenly Father through a mission to the Northern States mission, presided over by Creed Haymond, who had a strong influence for good on him through the rest of his life.

Shortly before his mission, he won the heart of his sweetheart, Audrey, and they were married upon his return, in the Salt Lake Temple in 1949. Their sixty-three year marriage was one of devotion and sweetness, worthy of the love stories of which his romantic soul was so fond. Together they raised four energetic sons, who all served missions and became good fathers like he was.

Jess spent the majority of his career with the US Labor Department as an investigator and eventually as Area Director. He remembered with satisfaction one instance where he wrote a ruling that was accepted into law by the US Supreme Court.

He served faithfully in his church, contributing in the youth and scouting organizations, as Bishop of Cottonwood 3rd Ward, and many other callings. He felt blessed for his life-long membership in the LDS church.

Jess served his local community through many years of volunteering both at the LDS Hospital and in the Bonneville Kiwanis club.

Throughout his life, Jess loved creating beautiful woodwork, which graced his home and his children's homes. He also loved camping, hiking, and enjoying music, books, and St. George.

He was eager for the success of his children and grandchildren. He actively encouraged education for all of his offspring, and loved to help them with all kinds of projects.

We will remember this tall silver-haired figure with his jaunty walk and expression, deep musical voice, infectious laughter, and merrily mischievous sense of humor. He left us a legacy of working hard and living a full and happy life. We will love and miss him always.

Jess is survived by his wife Audrey, his children: Stephen (Cathy), Greg (Kellie), Jon (Anna), Kirk (Alana); his grandchildren: Matthew (Holly), Libby, Chris (Pam), Josh (Dawn), Zaque (Amy), Laura (Dave), Jonathan (Lydia), Daniel, Michael, Jessica, Hayden, Hailey; and great-grandchildren: Ashlyn, Savannah, Dutch, Dane, Xander, Brandon, Jacob, Hailey Marie.

The family would like to thank the medical personnel of the IHC Cardiac Rehab, Utah Heart Clinic, and Bryner Clinic who have kept him going these past twenty eight years. We are also grateful for the love and care given to Jess by Dr. Corwin Edwards and the other members of the 3rd Ward, and from his many friends.

ROBERT AMOUREUX OBITUARY

Robert Amoureux, 82, of Jerome, passed away Sunday, Nov. 11, 2012, in Jerome. He lived a full and exciting life with a loving family.

Robert was born June 29, 1930, in Boise, Idaho, to Margaret Francis Armitage Amoureux and Amos LaRoche. He was later joined by a younger brother and sister. He graduated from Ontario, Ore., High School in 1949. He served in the U.S. Navy during the Korean War. After he returned home, he married Jane Borup in the Salt Lake Temple for all eternity. He attended Boise Junior College, Utah State and then BYU, where he received his master’s degree in medical entomology. After living in Pakistan and many other locations, he moved his family to Jerome in 1970 and worked as the county health inspector for several years until he retired due to ill health. In 1998, he became the Kiwanis governor of the Utah/Idaho District.
