WE CAN’T CHANGE THE PAST.
WE HOPE WE CAN CHANGE THE FUTURE.
WE WORK IN THE PRESENT.
By John Brown, 2012 - 2013 Utah - Idaho District Governor

Everything we do should be based on the above. The past is gone. We can learn from it, but we cannot change it. Declining attendance at this past Mid Year Conferences tells us that it is not working; therefore for this year we canceled it. It is my recommendation that for the year 2014 we cancel Mid Year and return to area training for CLE and Lieutenant Governors. This is only a recommendation, as Jim Spinelli will be Governor in that year and it is his and the District Board’s decision.

In recent memory attendance at District Convention have had bad years and acceptable years -- but not good years. We want to make District Convention the go-to event in the Utah – Idaho District year. My board and I will work to make this upcoming District Convention something that the members will want to come to and something they will remember and look forward to each year.

In the past we have had a difficult time filling the position of District Governor. Seldom was there actually a contested ballot. In my case, I was appointed to fill the position of Governor-Elect. Thus, I have proposed two by-laws changes. The first will add the position of Vice-Governor, who will be third in line for the position of Governor of the Utah-Idaho District.

The second is a district dues increase of $10 per member per year. Both of these proposals were voted on and approved by the district board to be placed on the ballot for a vote of the House of Delegates.

If you have feelings either for or against these by-law changes, your club needs to send voting delegates to this year’s District Convention. My hope is that by passing these by-law changes at this year’s convention we will see a positive effect on our election process for governor and increase our attendance at our annual Convention. District Convention is each Kiwanis Club’s chance to let its voice be heard through the ability to vote for or against by-law changes.

Please read the article that addresses these by-law changes in this issue of the U & I Kiwanian.

Other issues that affect our district’s future are sustaining our current clubs and building new clubs. I am asking each member of our Kiwanis family to take a critical look at your club and determine whether or not your club is healthy. I mean by that: Do you look forward to going to meetings? Do you have good speakers? If you were a new member would you feel welcome?

If some or all of the things I have just mentioned do not pertain to your club, then your club may be in trouble, acknowledged or not. If you feel your club needs help, please have your club President or Secretary contact your division Lieutenant Governor and schedule a meeting with him. I am still looking for a Lieutenant Governor for Division 7. The clubs in that division are Cedar City, Santa Clara, and St. George.

There are clubs and divisions that show membership increases. Please see the article entitled:

Utah-Idaho District of Kiwanis Divisions and Clubs that Show Positive Membership Recruitment as of April 30, 2013

We are doing well with our Eliminate Project thanks to the efforts of Revis Turner, the District Coordinator for Eliminate. I cannot thank Revis enough for the time and effort he has put into this worthwhile project.

The District is going to compile a cookbook made up of recipes submitted by Kiwanis members and friends of Kiwanis for sale at the District Convention. Please see the article entitled:

U and I Kan Kook

I thank you for all that you do for Kiwanis, our district and your clubs.

John Brown, Governor 2012 - 2013
Show Key Club and CKI members that graduation doesn’t mean the end of their Kiwanis-family experience. Connect them with the next step in the Kiwanis family, whether it’s CKI for future college students or Kiwanis-club membership for young adults entering the workforce. And encourage them to sign up for the Key Club and CKI alumni networks, where they can stay in touch with their friends, with the SLP they love—and with Kiwanis.

I would like to thank all of the clubs in our district for all the wonderful things you do for children. “Many hands make light work” is a thought that we need to embrace as a district. The more Kiwanis members we have, the easier it is for our Kiwanis clubs to do all of the things we want and need to do. The divisions and clubs listed below are working hard to increase our membership and thus increase our ability to do more for children.

We do have divisions and clubs that are gaining members; that proves that we can buck the trend of losing members in our district.

Division 2, Lieutenant Governor William “Bill” Mullins: Bonneville Kiwanis Club, +3 members, Tooele Kiwanis Club, +3;

Division 4, Lieutenant Governor Jim Terry: Bannock - Pocatello Kiwanis Club, +4; Pocatello Kiwanis Club, +5.

Individual clubs with positive membership growth in Idaho are: Burley, +1; Rupert, +1; Capitol City Boise, +7; Eagle, +3; Emmett +1.

Individual clubs with positive membership growth in Utah are: Springville, +1, Tremonton, +4; Heber Valley, +1, Park City, +1, Sugar House Salt Lake City, +1; West Valley Salt Lake City, +1.

The only club in Oregon, Ontario +5.

It is possible to increase your clubs’ membership, just look at the clubs listed above.

Well done all of you who have increased the membership in your Kiwanis Clubs’.

John Brown,
Governor 2012 - 2013

UTAH – IDAHO DISTRICT BY-LAW CHANGES
DISTRICT CONVENTION AUGUST 17, 2013

The House of Delegates will be asked to vote on or ratify changes to the Utah – Idaho District By-Laws during our District Convention in August 2013.

Lieutenant Governor of Division 6, Larry Hunter, has been working on bringing our by-laws into compliance with changes made to the Kiwanis International By-Laws at the 2012 Kiwanis International Convention. We will be asked to ratify those changes.

The District Board and I have asked for the addition of the position of Vice-Governor which needs to be ratified. We asked for this change to make the election of Governor a smoother process, similar to what many of our Kiwanis Clubs already have. The Vice-Governor would be third in line and, once elected, would be the only candidate for Governor-Elect and then the only candidate for Governor.

The District Board and I are asking for a District dues increase of $10 per member per year. This would bring the total District dues to $30 per person per year. The highest district dues paid by a North American district are $58.80. The average district dues are $30.28, and the median is $30. The additional money raised by the dues increase will be used to fund District Convention. This will reduce registration fees, allow for better speakers and entertainment and help offset food costs. The dues increase will also be used to fund a stipend for the new position of Vice-Governor.

John Brown,
Governor 2012 - 2013
With seven months of our fiscal year behind us, clubs in our Utah-Idaho Kiwanis District has donated a total of $4,710.00 to the Kiwanis International Foundation’s 2012-2013 annual club gift campaign. This total equated to $3.03 per member for the District. Note that donations made to the Kiwanis World Service Project, ELIMINATE, are not included in the annual club gift campaign; these funds are dedicated to eliminating neonatal tetanus.

Listed below are contributions to this year’s annual club gift campaign by Divisions and Clubs in the Utah-Idaho District.

The Kiwanis International Foundation recommended that all Kiwanis Club donate at least $6 per member this fiscal year. Our Utah-Idaho District at last year’s annual convention passed a resolution at all clubs in our district consider donating at least $6 per member to both the Kiwanis International Foundation and our Utah-Idaho Foundation during this fiscal year. Lt. Governors whose Division contribute at least $5 per member to the KIF annual club gift campaign will be recognized by the International Foundation. Kiwanis Districts that donate at least $5 per member to the annual club gift campaign this year will receive $5,000.00 from the International Foundation to be used as matching scholarships for their Circle K and Key Clubs. For each of the last several years our Utah-Idaho District has received $5,000 from the KIF to use as matching scholarships. A few of those years we led all Kiwanis Districts on a per member basis by contributing more than $6.00 per member from our district. Our Utah-Idaho District is lagging behind in the amount donated to the annual club gift campaign as of this date last year. We need help in at least three ways: 1) Clubs that have not as yet donated to the annual club gift campaign, will you please send in $6 per member contribution to the Kiwanis International Foundation to arrive prior to September 30th. 2) Clubs that have donated less than $5 or $6 per member, will you consider sending in a second gift. 3) Individual Kiwanians can make a personal contribution to KIF’s annual club gift campaign in the name of their club; a few past U-I District Governors have done so in the past and again this year.

Thanks for your help, Sincerely, LaMar Anderson, district CKI chairman
John Brown stated that we need to turn around the diminishing membership. Build new clubs in the areas that have closed clubs in the past. Lt. Governors need to work with clubs who are having trouble – John will meet with them, too.

Lt. Governor Reports:

Div 2 – Bill Mullins – Bonneville has a decent group. Capitol Hill is having trouble getting people to run for office. Cleafield has a couple of new members, but need to continue building up their club. Layton has two members that continue to do a yearly exchange of President and Secretary; they have been small for about 10 years, but support 3 Key Clubs. South Salt Lake Valley was great, but has lost many members. The members just need to bring prospective members to rebuild their club. Tooele has many members who are bringing new members. This division has been working on Membership Growth since Bob Dempsey said +1 and he was distinguished his year.

Div 1 – Bob Baker – Orem is working on an ELIMINATE Project. They are OK and keeping their membership up. Price doesn't have women yet and if you wear a tie to visit their meeting, they will cut it off. Orem Golden K has Ralph Benson to keep it a tight club. Pleasant Grove has lots of activity, but membership fluctuates. When a member passed away, they asked in lieu of flowers send money to ELIMINATE. Saratoga Springs' membership is down, but they are working on getting a new Key Club.

Div 8 – Newell Johnson – Heber Valley might close. Midvale/Fort Union is struggling, but Janet Flinders visited and brought training manuals for the new president and secretary. Park City is not meeting much, but is doing service. Salt Lake City is holding its own with great speakers. They need better attendance. Lunch is $19.00 + dues. They have a fund-raiser: 1st Annual Daddy-Daughter Ball. Sugar House has good speakers, great fund-raisers and lots of service. West Valley is active with service and Key Clubs, but needs to work on membership.

Div 5 – Dean Banner – Buhl meets at Spaghetti Place and sell corn as a fund-raiser for $3.00 per dozen or $5.00 per two dozen. Burley is very active. They sponsor a Soccer League in the Fall and have a 5K Run. Filer is a good group; active and strong. Hailey puts out a monthly newsletter and keeps busy. Jerome is very small, but after Bob Amoureux passed away, they got a new member. They have an internet site about their food drive. Kimberly meets twice a month. Lost their President-elect, but got a new one. The new school superintendent is interested in joining. Rupert gained 3 new members, then lost 4. President and President-elect are both in their 30’s. Twin Falls has good leadership in the club; wants to charter a Key Club at a Charter School. Wants to build a Builders Club. They support Key Clubs at Twin Falls High School and Canyon Ridge High School. Larry Hunter is an alumni of the Twin Falls Key Club. All the clubs need to involve parents of Key Club members in a project or a celebration dinner.

Div 10 – Doug Lund – The President of Spanish Fork resigned abruptly; President-elect has taken over for the rest of this year and his term next year. Doing well. A Doctor in the club hates Unicef and wants no one to donate to ELIMINATE. Stephanie Bennett inserted that each club should be aware of guests attending, so they don't become embarrassed. Nephi only had one member attend the installation banquet, but they are doing good service. A couple of clubs have turned into lunch socials. Has encouraged the clubs to get involved in service and get non-Kiwanians to help at their service projects. They need to get Key Clubbers to attend Kiwanis to tell how they are doing. Provo Gold lost their meeting place, but were invited into the Provo Library with a free room. They voted to disband – the money needs to go to the District Foundation. The
MINUTES OF THE THIRD BOARD MEETING  
(Continued)

District Foundation Board will vote on whether to send it to ELIMINATE. It's rejuvenating to attend other clubs and meet with Kiwanians.

Div 6 – Larry Hunter – Wants the division to have more unity, so they are having a division service project “Adopt-A-Park (Camelback) on Apr 13th to do clean-up and replace bark. All the clubs are encouraged to attend Kiwanis Intl Convention and all clubs have ELIMINATE fund-raisers including a Silent Movie Nite in March every year. Boise Gem State is solid; has programs; supports 2 Key Clubs; and has good ideas for increasing membership. Capital City, Boise is growing; has weekly meetings with programs; has a great web page (Gordon Lewis asked for the webmaster's info); supports 5 Key Clubs; many members bring guests. Eagle is small, but holding their own. They are a very good club with lots of potential for growth. Meridian is now at 47 members; very active; and have good projects. Emmett is small, but have started getting corporate members; and are very active.

Div 4 – Jim Terry – Bannock is getting schools to be corporate members and is starting a K-Kids in September 2013. They have a Big Kiwanis Garage Sale as their fund-raiser. Idaho Falls is getting smaller. They have a Film-fest by Students as a fund-raiser. Shelley has a community Easter Egg Hunt and they do a lot in the community. They have a booth at the Blackfoot Fair as a fund-raiser. Pocatello is getting smaller, but are working on Chartering a Malad High School Key Club. Their big fund-raiser is the Bing Hong Pancake Breakfast. Rexburg sponsors an Easter Egg Hunt with 5,000 eggs filled with candy. The Lt. Governor for next year is Mark Gunning from Bannock.

LaMar Anderson spoke about the Annual Club Gift to the Kiwanis Intl Foundation. Encouraged clubs to donate $6.00 per member. If the whole district donates $5.00 per member KIF gives back $5,000 for matching scholarships. In 2013-2014 KIF is making a big change: They will only give scholarships to the top 5 Districts. Japan is always the top #1 District and will receive $10,000. Second place is $4,000; Third place is $3,000; Fourth place is $2,000 and Fifth place is $1,000. All Districts will get 5% back of monies donated to Annual Club Gift, Skip-A-Meal, Hixson & Zellers (that don't got to ELIMINATE), and for Tablets of Honor. Clubs can apply for grants from KIF, but not for building anything. A project that is too big for a club or district. KIF could only fund 20% of the proposals received this year. Right now Utah-Idaho ranks 8th with the Districts at $2.68 per capita. Each Lt. Governor needs to explain Annual Club Gift to their clubs. Annual Club Gift is the priority gift to KIF because we can get back scholarship money. There are 35 Districts in North America. Clubs need to be educated about filling out grant requests to KIF. Also, clubs should consider sending a request for the Connelly Medal for people who are heroes.

Communication – If you feel a club is in trouble, send an e-mail to John Brown and he will visit them to try to boost them up. Keep him informed as to club status.

New club Bylaws are ready for on-line submission
The District needs a YCPO Chair. Since we don't have one yet, John Brown will attend the YCPO Conference.
District Convention will be 16-18 August 2013 in Salt Lake City, UT. The registration form and information will be in the next U&I Kiwanian. Friday will have training and a catered BBQ; Saturday will be workshops and the House of Delegates; Sunday will be the Memorial Service and both Board Meetings. The BBQ will be delegated to a club to handle. Registration will be one price; meals will be broken out for each day (all day).
District Mid-Year Conference was canceled.
Governors Quilt – Bill Mullins is in charge of ticket sales. $5.00 each or 3 for $10.00. He passed out 40 tickets, price list and a picture to each Lt. Governor in attendance.
Governor's visits to each division need to happen very soon. Each Lt. Governor needs to contact Governor Brown about his schedule of when he could attend a division banquet to honor him. Please no gifts.

Miscellaneous:
1. Elimination of Mid-Year Conference has caused training to be done in each division.
2. Need to set up multi-year booking of District Conventions.
3. Western Canada and Montana have encouraged co-conventions every 3 years.
4. Establish a Vice Governor with a Bylaw change.
5. Increase the number of master trainers (Lt Governors while visiting your clubs, ask any who might be good).
6. On-going Growth Committee. Larry Hunter said to have 3 year terms and rotate so they are 3 years.
7. Club and District Websites need to be compatible.
8. Kiwanis Family get-to-ethers meet in a large hotel or go to a campsite to bond and enjoy each other's company (Kiwanis & CKI).
9. Need more educational and fun ideas at District Convention. Have a computer room where someone can look up Webinars of interest at Kiwanis International.
10. The Montana Governor got the rights to Bill Cosby Videos (made them available during breaks and lifted everyone's moods).

11. Tele-conferencing with Lt. Governors with more lead time.

12. Int’l Convention in Vancouver BC – There are great places to visit: Lionsdale Market; take a sea bus $9.50 all day pass; Eastside Marios is a great Restaurant. Thursday night June 27th is set for a District Dinner.

13. Raise District Due by $10.00 per person to pay for DCON reg and part of food. Motion by Doug Lund; 2nd by Jim Spinelli to be brought before the House of Delegates August 17, 2013 to raise the District Dues from $20.00 per year to $30.00 per year. The vote was unanimous. Voter information packets need to be put together and it needs to be advertised in the U&I Kiwanian.

Jerry Steelman – Builders Club Administrator – Tooele just built two new Builders Clubs. There are 16 in the District. Need one new one in every division. The Great American Award is presented by some Kiwanis Clubs: 5th Graders must learn the Pledge of Allegiance (including punctuation and spelling), Preamble to the Constitution, Gettysburg Address, All Presidents in order, and all States with their Capitols.

Revis Turner – ELIMINATE World-wide Service Project – Need to have $200,000 pledged or raised by May 1st. $370 + per member over 5 years. This District’s Achievement Goal is to raise $650,000 by 2015. The Challenge Goal is to raise $756,000 or $474 + per member. Mother’s Day Zeller’s are different from last year. Last year the ribbon was pink. This year is blue and turquoise. Buy one for $1,250.00 for a special woman in your life by June 15th – this protects 690 mothers from Maternal & Neonatal Tetanus. There are bumper stickers for sale at $5.00 each or more. If someone purchases a Zeller by June 15th, the club or person will get 10 pumper stickers to give or sell. The ELIMINATE Committee purchased 250 as a first order.

John Brown presented a Certificate of Appreciation to Bill Mullins when he awarded him with his Zeller.

Larry Hunter moved to change the District Bylaws to include a Vice Governor; Bob Baker seconded. The vote was unanimous. The next Governor-elect should be from Utah and the Vice Governor from Idaho.

Jim Spinelli needs Lt. Governors for 2013-2014. These are who he has at this time:

Div 1 Bob Baker; Div 2 Bill Mullins; Div 4 Mark Gunning; Div 6 Larry Hunter; Div 8 Newell Johnson; Div 9 Stan Boster; Div 10 Chad Bunn. Need Lt. Governors for Div 3, 5, and 7.

Bill Mullins moved to adjourn the meeting at 12:20pm; Newell Johnson 2nd; vote was unanimous.

OPTIONAL DIRECTORS AND OFFICERS / CRIME INSURANCE PROGRAM

All clubs should know that Kiwanis International purchases liability insurance for all of the clubs and activities that covers the legal liability for the Kiwanis family. However, coverage for directors and officers and crime coverage for the individual clubs are optional and the responsible to purchase if desired. This policy is available for a reduced cost from the Kiwanis program insurance carrier, the Hylant group and information to purchase is sent directly to the clubs. If you serve as a member of the board, you will want to know if this is something you want for your club to have. The Utah – Idaho district has its’ own coverage but this does not extend to each club. This coverage mainly is for decisions made by the board and the crime would cover money.

As a reminder, clubs still have a limited opportunity to purchase either or both of the optional Directors’ and Officers’ liability and crime coverage’s. The enrollment will be closing on July 31st. After that, clubs will have to wait until November 1st of this year to apply. If you have any questions, feel free to contact Hylant Group directly at P 317-817-5139 or email Adam Reiff at adam.reiff@hylant.com.

May all your efforts be safe and prosperous!

Thank you for all you do for Kiwanis.

Sincerely,
Lori I. Bergsma

UTAH – IDAHO KIWANIS DISTRICT FOUNDATION DONATION/CONTRIBUTION FORM

Fill Out and Send with your Donation/Contribution to:

Marvin D. "Marty" CHAMERLAIN
P. O. Box 25
Twin Falls, ID 83301-0025

The Reed Culp Medal – Reed Club medal has been created to honor our Past International President Reed Culp. Reed Club was a member of the Salt Lake Kiwanis Club and was an active Kiwanian. He was a partner and owner with his brothers and later with his sons of Culp & Sons Sheep Co. He was named to the national board of Boys Clubs of America and was appointed to the Salt Lake Mayor’s Committee on Juvenile Delinquency.

Contributions in amounts of $1000 or more, name the donor to a very distinctive legal plan and as mentioned depicted the likeness of Reed Culp to be worn on a brightly colored sock ribbon.

The only source of funding for the Foundation is through the generosity of its members, Kiwanis Clubs, and other interested person/corporations. Each year the Foundation makes an appeal to all Kiwanis Clubs to consider a club gift to the Foundation. We ask each club to donate $5 per person or $100 whichever is greater. With 100% participation by the clubs the Foundation would be able to award up to five matching scholarships each to Key Club members and Circle K members. The annual campaign is the primary source of income and determines much of the Foundation’s impact, particularly in the area of supporting Kiwanis sponsored programs.

Utah – Idaho District Dinner
Kiwanis International Convention
June 27, 2013
Vancouver British Columbia

We will be eating at East Side Mario’s just across the bay from the convention center. The address is 123 Carrie Cates Court, North Vancouver BC; it is in Lower Lonsdale neighborhood. There are many shops and markets in the immediate area. If you wish to see a menu, go to: http://www.eastsidemarios.com I have made reservations for the entire Utah – Idaho District contingent. Dinner will be ordered off of the menu. The cost will depend on your order, but in most cases should be less than $20 per person. Please let me know if you do not desire to go to dinner, I will inform the restaurant to adjust our reservation. Getting to East Side Mario’s is very easy, just take the Seabus.

The first choice for accessing North Vancouver for many visitors is the Seabus, a 400-passenger catamaran ferry that travels between the Waterfront Station in downtown Vancouver and Lonsdale Quay in North Vancouver. The Seabus is part of TransLink, Metro Vancouver’s public transit system. The crossing takes 12 minutes, and the Seabus operates from about 6am to 1am Monday to Saturday, and 8am to 11pm on Sunday.

I hope to see all of you at the International Convention and also at our District Dinner. The dress for dinner will be casual.

CALL TO DISTRICT CONVENTION
AUGUST 16 – 18, 2013
RED LION HOTEL SALT LAKE DOWNTOWN
161 West 600 South, Salt Lake City, UT 84101
By Janet Flinders, District Secretary

Mark your calendar!!! Don’t let this date slip by you. The 94th Annual Utah-Idaho Kiwanis District Convention is going to be a happening event. There will be training for Lt. Governors-elect and Presidents/Secretaries and any Kiwanian interested in learning about taking on a leadership role in your Kiwanis club.

Plan for awesome food, great camaraderie, workshops, House of Delegates, silent auction, retiring current District Officers and installing newly elected District Officers and having loads of fun. Meeting Kiwanians from around the District will bring you in contact with new ideas for service and fund-raising.

This year there are important District By-Law Changes that will be voted upon or ratified during the House of Delegates on August 17th. These are to bring the District By-Laws into compliance with changes made to the Kiwanis International By-Laws at the 2012 Kiwanis International Convention. Also, the addition of the position of Vice-Governor and a per person dues increase will be voted on. Be sure to review Governor Brown’s article on these changes earlier in this issue of the U & I Kiwanian.

These changes impact you and your club, make sure your club is represented for the votes on these changes. Be sure to have your club secretary fill out the Delegate Registration form and send it to Janet Flinders, 515 Bringham Dr., Providence, UT 84332-9439 so that it is received by August 9, 2013. Also, be sure to review the Conventions Tentative Agenda in this issue of the U&I Kiwanian.

Registration for the Annual Convention is now open and can be done by either mailing in the registration form to Janet Flinders or registering online through the District Website. If you register online, be sure to let Janet Flinders know that you have registered online. And, make sure that your registration is done and received by Janet by August 2, 2013. Walk-in registration will be available at the convention. The District Board of Trustees and the District Convention Committee are looking forward to seeing you there.

### U AND I KAN KOOK
(UTAH-IDAHO DISTRICT OF KIWANIS COOKBOOK)

A cookbook consisting of the combined recipes of members of the District and friends of Kiwanis has the potential to raise a substantial amount of money. All the profit from the sale will go to the ELIMINATE Project.

The profit from the recipe book sales will be divided equally based on:

1. Club that submits the most recipes
2. Club with the highest percentage of club participation (Under 20 members)
3. Club with the highest percentage of club participation (20-40 members)
4. Club with the highest percentage of club participation (41 members and above)

The clubs who receive an award amount will be able to use it toward their club’s ELIMINATE suggested giving amount. The money could conceivably be enough for a Walter Zeller Award for a member of your club.

Please contact your division Lieutenant Governor if you are willing to be the lead person in your division for this fundraiser.

Please send your recipes to me: uikiwanisjb@aol.com. All of the recipes need to be in by July 1, 2013 for submission to the printer.

Governor 2012 - 2013

The Utah-Idaho District Challenge to have gifts and pledges total $200,000 by May 31. As a district we have received at the Kiwanis International Foundation, $178,910 as of April 16. We want to encourage all clubs to send in funds raised by the Eliminate Project club committees to reach our goal of $200,000. Remember as soon as the money is sent in to the KI Foundation, the funds are sent to UNICEF for the immunization of mothers and babies. With $200 K our District will protect 111,100 mothers and their children.

The Rupert Kiwanis Club is excited to announce their first Annual Mother’s Day Award to honor a special woman in Minidoka County for her efforts in benefiting young children (six and under) and/or pregnant women. Kiwanis is honoring this woman in conjunction with the challenge to be a major player in the International ELIMINATE MNT PROJECT. Our fundraising will help mothers and babies throughout the world become immune to Tetanus, which claims the life of a baby every nine minutes and a mother every eighteen minutes. This will be done through the efforts of UNICEF, which is providing tetanus shots and boosters, and further education about cleanliness and sterility in the birthing of babies.

We are asking for nominations for a woman from Minidoka County who is a mother or mother-figure. This opens up the field to almost anyone who might be in the medical, daycare or education profession. Or it could be your next-door neighbor who has done something outstanding with young children or pregnant mothers.

Updates from the field
UNICEF shared that it is awaiting the results of the validation surveys that the World Health Organization (WHO) completed in Cote d’Ivoire, Iraq and Sierra Leone. I have provided some additional updates from the field for you to use as encouragement and evidence of our hard work to eliminate maternal and neonatal tetanus.

Countries that have upcoming validation surveys include:
- Four states (Mizoram, Odisha, Delhi and Uttarkhand) in India are conducting validation surveys this month.
- Gabon has scheduled its validation survey in July.
- Lao PDR and Equatorial Guinea both successfully completed their pre-validation surveys and are now ready to conduct validation surveys.

The following countries have Tetanus Toxoid Supplemental Immunization Activities (TT SIAs) planned for April and May:
- South Sudan is currently conducting TT SIAs in four states, aiming to immunize more than 1.2 million women of reproductive age.
- Haiti, where our delegation will travel next week, will conduct SIAs at the end of this month and into early May, aiming to immunize approximately 1.3 million women of reproductive age.
- Afghanistan is aiming to vaccinate 800,000 women of reproductive age in May.
- Mali plans to conduct SIAs in 22 districts in May.

Kenya plans to conduct the first round of SIAs at the end of May, aiming to immunize approximately 1.5 million women of reproductive age.
The Annual Mother’s Day Award was presented at the Rupert Club Weekly Luncheon on Tuesday, May 14.

The Twin Falls Kiwanis Club celebrated Mother’s Day at the Noon Luncheon on May 9 with a program focusing on Project Eliminate. Guest Speaker for the meeting was Dr. Jonathon Tripp of Twin Falls who provided medical information about Tetanus and the effects on mothers and babies. Other guests included Dr. John Keys, CEO of St. Luke’s Magic Valley Medical Center who announced to the club that the St. Luke’s Foundation will award $600 for Project Eliminate. Linda Wright-Hartgen and Gina Carney are co-chairs of the local committee.

**KURE MOTORCYCLE VISIT AT THE DIVISION 7 INTERCLUB HOSTED BY THE SANTA CLARA CLUB**

One Kiwanian with a vision for the open road for the elimination of Maternal-Neonatal Tetanus is putting his efforts into riding his motorcycle in a summer tour of all 48 states. Bob Burleson, a member of the La Canada Kiwanis Club, California, will attempt to ride his motorcycle over 12,000 miles for the longest all-in-one-country ride and break the World Guinness Book Record in doing so. The trip will begin at the La Canada Club on Memorial Day, May 27, and conclude with a return trip home by Labor Day.

Bob “The Eliminator” Burlison will be attending at least one Kiwanis Club meeting in each of the 48 states during his summer journey. The Santa Clara Kiwanis Club will host Bob when it meets on May 30 at 12:30 pm at the Golden Corral in St. George. Division 7 has scheduled an Interclub for the event, and Governor John Brown and Lt. Gov. Bill Mullins will be in attendance as well.

As reported in the LA Times, “Burlison is a longtime member of the Kiwanis Club of La Cañada-AM. The Kiwanis Unity Ride to Eliminate (KURE) project will support the Eliminate Project, an international effort by Kiwanis and UNICEF to defeat maternal and neonatal tetanus. Thousands of children in developing countries — and some mothers — die from the disease every year.

“This seemed like a pretty good excuse to take a little ride,” said Burlison. “I hope it will strengthen the Kiwanis name and unite everyone across the nation.”

His ride is a new BMW bike. His high-tech helmet includes a Bluetooth device, a navigation system and a hook-up for a MP3 player. He will wear a jumpsuit, which he hopes to decorate with a symbol from each state.”
In addition to the Kiwanis Unity Ride to Eliminate (KURE) MNT, the La Canada Club will hold a drawing for a BMW C650GT motorcycle, a Grand Prize of $10,000. Tickets are $50 and can be purchased through the website, www.kure2013.com. The drawing will be held on Labor Day, September 2.

Details of the trip can be found on the website and at www.facebook.com/KURE2013.

Honor a special woman in your family or community with a Mother's Day Zeller. http://kwn.is/y5zKK1

Congratulations to Grace Kelsey of the Idaho Falls Kiwanis Club who was presented with the Walter Zeller Award in memory of her husband Victor by Chuck Humphrey, Division 4 Coordinator.

Husband, Lt. Gov. Bill Mullins, honored his wife and fellow Kiwanian with a Mother's Day Zeller Award at the recent U-I District Project Eliminate Training on March 22. Members of the Tooele Club, Bill was also honored with a Zeller award at the District Board Meeting, March 23 by the Tooele Club for his outstanding Kiwanis leadership.

Jodell Webb, Sammy Rickelman and Debbie Anderson club members are registering golfers for the fund raising event to benefit Project Eliminate.

Players from the 20 golf teams enjoyed the BBQ and fellowship at the conclusion of the day.

Treasure Valley Club of Nampa hosted a “Swing for the Kids” golf tournament on Friday, May 10 at the Riverside golf course. Raising over $6000 for local charities including the Mentoring Network, Optimist Little League Football, and the Eliminate Project the tournament had twenty teams of golfers. Under the leadership of Kiwanian Matt Wade, committee chair, the fun day featured a silent auction and a skeet shooting event.

The Treasure Valley Club has pledged to be a Model Club for the Eliminate Project. Chair for the Club is Matt Meininger who is also Division 9 Coordinator for the project.

Kiwanis of Hailey and the Wood River Valley is proud to announce Jessica Lamprecht as this year’s first recipient of the $1000 scholarship. Jessica presented an essay entitled “Chain Reaction” of how she will change the world one community, one child at a time. Jessica was an active member in the Key Club at WRHS. The scholarship funds were raised locally at the 4th of July rodeo concessions.

In the photo is Jessica Lamprecht, left, with Kim Baker, Hailey, ID President, right.

Key Club Scholarship Essay

Chain Reaction

What does “changing the world, one child and one community at time” mean to me? To me, it means that if I want to change the world, it’s not going to happen by some great big event or invention I come up with. You change the world by first changing yourself, and then helping every person you can. Focusing on the individual in a community starts a chain reaction. If each one of us could make one person’s life better, then that one person we touched will want to do the same for someone else and they, in turn, help someone else and it goes on and on until it builds into a wave of people helping people which changes communities and changes the world. I want to be that person who makes this world better one person at a time. I’m going to school as a business major with a minor in photography so I can own my own photography business. Being a professional photographer, my whole job will be focusing on each person I photograph to make them feel attractive and special. I want every client I have to walk away from their session feeling they have worth. Especially when it comes to girls, I want to give them that certain kind of confidence in themselves that they don’t have when they don’t feel beautiful. Our world is so drenched in all these unachievable perceptions of beauty that I want to make people realize that they don’t have to strive for unachievable to be beautiful. I want to inspire them with confidence to go out into the world and contribute in their own ways to changing the world. You can’t fix the world by yourself. It only comes with teamwork. I’m going to start a chain reaction and change the world, one person and one community at a time.

KIWANIS HIXON AWARD/JIM SPINELLI

The Kiwanis of Hailey and the Wood River Valley is proud to announce Jim Spinelli as the George F. Hixon Fellowship recipient. This award was chosen by club membership for commitment to the children of the community and involvement and passion in our local club. Funds were donated to help with the elimination of maternal and neonatal tetanus. We would like to thank Jim for his dedicated service to Kiwanis of our community. Jim is the governor elect for 2012-2013 and governor 2013-2014 of the Utah-Idaho District.

A CERTIFICATE FOR DISTINGUISHED SERVICE WAS PRESENTED TO KIM BAKER

A Certificate for Distinguished Service was presented to Kim Baker, the President of the Hailey and the Wood River Valley Kiwanis Club in Idaho on May 2, 2013. President Kim has been instrumental in recruiting new members into the club and focusing the clubs efforts towards the needs of the community. The Hailey and the Wood River Valley Kiwanis Club is on track to fulfill the requirements to become a Distinguished Club.
Ben LaBarge, the Vice-President of the Bannock Kiwanis is also the manager of the Pocatello Habitat for Humanity ReStore. Members of the club were discussing possible projects to work on with the Pocatello Kiwanis Club, and Ben suggested working on the latest Habitat for Humanity home and participating in a major clean-up of the Restore. The North Garfield neighborhood is being revitalized one home at a time and a home was nearing completion.

The new, modest two-story home with red and blue siding and gray trim now stands on the lot with plans to build another one nearby. Saturday morning, April 6th, the front yard of the new home was filled with volunteers from the Pocatello and Bannock Kiwanis Clubs. Using shovels, rakes and wheelbarrows, they were grading the front yard and planting trees. “It’s exciting when two clubs to work together,” said Bannock Kiwanis member Anne LoPiccalo. It was the value of the Habitat for Humanity project that drew the Kiwanis together to apply a little elbow grease to the front yard of the home. The slope away from the porch on the home had to be improved and trees needed to be planted. About 10 volunteers from the mixed Kiwanis clubs pitched in to help project manager, Zane Robinson.

“We appreciate all the volunteer help we can get,” Robinson said. He’s hoping to finish the home in May. LoPiccalo said its club members sit down each year and looks at needs in the community. This spring they contacted the other Kiwanis club in Pocatello and combined efforts on the Habitat for Humanity project.

And even though 10 volunteers were busy moving dirt, removing rocks and planting trees, LoPiccalo apologized that there weren’t more. “The problem is we have so many things going on today,” she said. Club members from both chapters were attending the Zonta Women of Achievement awards luncheon, and others were at the ReStore, which helps generate money for Habitat for Humanity. There were also several sports events being hosted in the Gate City on that day.

Volunteers make it all happen. Though Kiwanis members were doing landscaping Saturday, over the past few months volunteers from BYU-Idaho built the cedar fence and the footings for the home, including labor, were donated by Spring Creek Construction.

The North Garfield project is the tenth one tackled by the organization. Robinson said so far every owner who has moved into a Habitat for Humanity home has stayed.
