Wow!!! Another great year has been and gone. As the incoming Kiwanian Governor of Utah/Idaho District, I thank you for the opportunity to serve in this position. This time of the Kiwanian year is devoted to planning, leading, organizing and training. I would like to make a few comments and suggestions about what I know from my experiences, that might give us motivation, recall, and “ah-hah”.

Planning: Above and beyond the technical planning we do, I hope you will take the time to assess where your clubs have been and where they can go. I am promoting the old adage “thinking outside the box” process. The first step is to devote a meeting to describe your club and its “box”. Get creative! Look at what you are doing in the community. Are your service projects still relevant and useful to the best contribution? Consider “cleaning your plate” (projects) to free up time to do more with your effective projects, and be able to start a new one.

Incoming International President Gunter Gasser said that “change is good”.

Leading: Most of the clubs have elected their officers and committee chairs. I propose and hope that this coming Kiwanian year that we have our Division Lieutenant Governors elected by January, and our Club Officers by May. This will give us all an opportunity to have a back-up, some time to learn the position, and be available for training. This will also allow the incumbent to have a partner and share some of the duties and responsibilities which benefits the clubs and our kids.

Organizing: My emphasis will be on communication. Talk to each other; visit with each other, share with other clubs. Don’t “try” to make Inter-club visits. Do it! Put the visits into your annual planning. If you are the host, devote the program to the visiting club to share what they are doing. One of my priorities is to overcome the District phenomenon that we don’t know each other or our leadership. We have past governors, officers, committee chairs that have a wealth of Kiwanian information and personal/professional experience and education. I call this “share your assets”. At our Annual Convention in Salt Lake City, our Board of Past Governors pledged to us that they are available for mentoring, problem solving, club and membership development, and training. Going forward, let everyone know who you are, and what you are willing to offer as far as training, leadership, information, and mentoring. We all want to be needed. If you don’t know the person, get acquainted!!

Training: Our Board of Trustees is re-designing the training program for the District to include more instructors. I have asked them to make training an internal District priority. I have appointed 3 more instructors to augment the current training staff of 3 to 6. We will have a “travelling team” of instructors that will be teaching on a geographical region basis to make it easier for us to get to training events. We are also open for requests for traditional training and/or special training.

Finally, I thank Governor John Brown for all that he has done leading our District this past year, and especially for “taking me under his wing” to mentor me. I thank Janet Flinders, Secretary for the District, for her leadership, guidance and faithful service. I also thank all of the outgoing and past leaders, and the entire membership of the Utah and Idaho District for what you have done for the children of the world.
Hello Fellow Kiwanians:

First, let me say that I am very surprised that I am in a position to write this introductory column as the 2013-14 Governor-Elect. I attended the first District Convention as the Twin Falls Club President-Elect in 2005 and never in my imagination did I think I would be in the district leadership position. I’m not sure I even aspired to it. However, when wonderful leaders like John Brown and Jim Spinelli paved the way with a progressive plan for the Utah-Idaho District, the Governor’s leadership position seemed like a doable proposition for me.

Second, it occurs to me that I have a lot to learn about what is required at this level of Kiwanis leadership. Assuming the district coordinator position of The Eliminate Project has taught me a great deal, but I’m assured there is more to learn. I am thankful to be surrounded by great leaders who will patiently mentor me in the next several months. So, I, humbly, accept the challenge.

Third, I am excited about the opportunities that Jim Spinelli’s leadership will bring next year as well as the 2014-15 term when I serve as Governor. In looking forward, this will be the 100th year celebration of the beginning of Kiwanis Clubs and the “Year of Celebration” for the Eliminate Project. I like celebrations and my aim is to plan our celebrations well.

Finally, on a personal note, I would like to give you a snapshot of my Kiwanis background. I grew up in a small community in Central Illinois. The first time I heard of a Kiwanis Club was when I was 11 and the Little League team on which I played was the League Champion. Our team was honored at a dinner at a fancy restaurant by the local Kiwanis club and given plaques with our names engraved on it. I kept that Kiwanis plaque for many years. Three decades later, I moved to Twin Falls, Idaho from Southwest Ohio in 1988. My realtor was a Kiwanian and invited me to the club luncheon. I returned the next week at his urging (he paid for it) and have been attending ever since. I just celebrated my 25th year as a Twin Falls club member. I thoroughly enjoy participating in the service projects and see the difference our club makes in the community. Also, having attended three International Conventions has impressed on me the global nature of our organization, and in particular seeing that perspective at the 2011 Geneva Convention. We are more than just our local and district clubs. Our impact is world-wide. To that end, I pledge my whole-hearted effort to serve the Utah-Idaho District of Kiwanis Clubs.

Compliments of a friend supporting Kiwanis Clubs!

Be alert to give service. What counts a great deal in life is what we do for others. - Anonymous
THANK YOU FOR THE TIME OF MY LIFE
John Brown, Immediate Past Utah-Idaho District Governor

It has been quite a year. I have accomplished the majority of my goals. The District Service Leadership Programs are growing, and more clubs are involved. I filled all but one of my District Board of Trustee positions. District membership is still down from last year but is recovering. No new clubs have been built but we are still working on that, as of this letter.

I have not been able to visit all of the clubs, but I have been to quite a few. Each Kiwanis club is unique. Each has its own way of doing things, and each has different ideas of what is important.

What they all have in common is A Kiwanis Heart: a desire to help others and a willingness of give of their time and fortunes. Please take joy in what you do, for each of you makes a difference. If you give with an open heart, you and the recipient are the better for it. It is not what you do but how you do it. The smallest thing can make the biggest difference.

The saying goes that “20 percent of the people do 80 percent of the work.” Find a job for everyone. It doesn’t matter what the job is; just give everyone a chance to contribute and develop a Kiwanis heart.

Governor Jim Spinelli and the new District Board of Trustees are working together to improve the communication among the District and the clubs and to improve the district convention. Hopefully, this will entice more club members to attend. Jim has worked hard as Governor Elect, and I am sure he will carry on that work ethic as Governor.

I have said this before, but it bears repeating: this is not my District or Jim’s District; it is OUR district. If we are a team there is nothing we can’t do; if we each go our own way we will be splintered and accomplish very little. Work together, serve together and have fun together. Please enjoy your efforts in Kiwanis. Never forget that together we can move mountains.

I wish to thank Immediate Past Governor Charles “Chuck” Baker and his District Board of Trustees for having faith in my abilities to lead our district and for appointing me as Governor - Elect. And, by extension, allowing me to serve as Governor of the Utah-Idaho District for the year 2012-2013.

I want to thank the House of Delegates for voting to pass a resolution endorsing my candidacy for International Trustee.

Finally, Thank You fellow Kiwanians for all that you do for your clubs, for our division, for our district, and for Kiwanis International. U and I can change the world one child at a time.

DISTRICT COMMUNICATIONS IMPROVEMENT PROJECT

Fellow Kiwanians,

Since the April / May 2007 Issue of the U & I Kiwanian I have had the pleasure of putting together these issues for you. It has also been my pleasure of putting together and maintaining the District website since October 2007.

Having the opportunity to be at the District Board Meetings, I often hear that the District’s Officers, Lieutenant Governors, Committee Chairs, and occasionally others express desires that everything go well for the children we serve, the District membership, and the clubs in the District. Challenges are expressed and solutions to them are explored.

During this past year, the District has desired to provide better and timelier communication to the membership about upcoming Local, Division, and District events, and any other circumstances that would require quick communication. Also, to have a vehicle that is available to the clubs to use as a way to communicate the things they are doing that others in the District and area could participate in.

Several months ago we began exploring possible solutions and we have found one. It is Constant Contact (www.constantcontact.com). They offer several solutions to help businesses, groups, and others to be able keep better in touch and enhance their efforts.

The District has decided to use the e-mail solution that Constant Contact offers to help improve our communications in the District. To make this an effective tool for everyone in the District, each Club is being asked to provide a list of those members who have e-mail addresses and who want to receive e-mail communication through it. The lists can be submitted to either Kelly Ryan Rush or myself. When we get them, we will enter them into Constant Contact.

The forms and any information about this project will be available from the Lieutenant Governors, District Officers, myself, and will soon be available for download on the District website as well.

The sooner the information is returned to us, the sooner this will become a valuable tool for us to use.

Thanks,
Yours in Service
Gordon Lewis
My name is Kelly Ryan Rush and I am excited for this new year. Part of the excitement is due to the fact that I have little to no idea of what I have gotten myself into. Governor Jim Spinelli has asked if I would assist him as District Secretary for his term, and, like many of you, I am incapable of saying “no”. I guess that is why we are all so involved in our clubs and in Kiwanis as a whole because our hearts are bigger than our common sense.

Janet Flinders has done an amazing job in this position and there is no way to duplicate her success, so I am not even going to try. I will never be able to assist the district with the grace and level of knowledge she has attained over the years. I can only bring my own attributes to the position and in turn, I promise you I will do my best. I am already receiving much help and support from many of you – please keep it coming.

A bit about me…
I have been a Meridian Kiwanis member since 2001 and I am just coming off 3 years as our club president. I look forward to sitting back in the crowd again and letting someone else run our meetings.

I enjoy romantic comedies, people, reading, my job and incorporating fun in what I am doing at the moment. My one objective is to do the best I can as your district secretary while enjoying meeting many more of you and learning how I can help you better your individual members, clubs and the district as a whole. I will confess, I am not sure what and how to go about this so I welcome any input you might have to give.

I hope to be a strengthening force within our organization and to be an asset to you through the coming year.

Yours in Service,
Kelly Ryan Rush

ELIMINATE PROJECT
IN THE UTAH – IDAHO DISTRICT

District Zeller Presentations
David Ross was honored by the Bannock Club of Pocatello with a Walter Zeller Award at the U-I District Convention. Representing the club and Division 4 Lt. Governor Elect, Mark Gunning honored David with recognition of his service to the club as a founding member 17 years ago. Presenting the award Certificate is Revis Turner, Eliminate District Coordinator.

Tooele Club member, Louise Brown, was presented a Walter Zeller Award by her spouse, Governor John Brown. Bill Mullins, Division 2 Lt. Governor, assisted in the recognition of Louise’s service to the District as First Lady.

Zeller Awards protect 690 mothers and their future children from tetanus. U-I Kwanians have given 28 awards to this date, and two more will be given by the Meridian club at their installation banquet. This brings a total of 20,700 mothers who are protected from tetanus.

Utah-Idaho District Convention attendees enjoyed a 30 minute before breakfast walk on Saturday, August 17 in downtown Salt Lake City. Beginning at the Red Lion, members walked to Washington Park and back for a brisk journey. $373 in donations were raised by the walkers for the Eliminate Project. With the 30 minute walk, 207 mothers and their future children were protected.

CLUB FUNDRAISING IDEAS FOR THE ELIMINATE PROJECT

Twin Falls Kiwanis Club hosted a Magic Spectacular weekend that featured a Friday night dinner and auction and Saturday Magic shows featuring magicians from the local Magic Valley Magic Club. The fundraiser donations were designated to local youth projects and the Eliminate Project.

A total of $3000 was raised.

Hosting a Baby Shower
All babies deserve the best start possible.
By hosting a baby shower for new mothers in your community, your club is providing more than just diapers, soft toys and tiny clothing—you are showing a mother support, giving her the confidence that, with this help, she can be a good parent. Both baby and mommy benefit from a baby shower, and your club will enjoy it too. Think of it as a baby’s pre-birthday party! Start by forming a baby shower planning committee, including your best party planners, some parents and grandparents, and any members who have a connection to mothers and babies in your communities. The committee can use these resources and follow these step-by-step instructions to make a great start for a baby in your community.

Dinner & Show
When a local Theater production company is preparing a show, ask to host a dinner before the last Dress Rehearsal. Sell tickets for the Dinner and the show is free because it is a dress rehearsal.

Pet Mayor Contest
Have a contest for Mayor of the City, only the candidates are pets. Have pictures of pets posted and people can cast a ballot for the best pet to be recognized as Mayor. Local businesses sponsor pet candidates and provide polling places on their premises. Voters donate $$ for each vote. (This could be set up on a website, too.) Collaborate with your local Humane Society or Animal Shelter. Check this out! New Resources website Link:
http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/newresources/clubtoolkits/ServiceProjects.aspx

● Other Ideas
  ○ Pancake & Karnival for Kids.
  ○ Sponsor Boat Trips—”Mother’s Day Cruises”
  ○ Road Rally
  ○ Walk-a-thon
  ○ Ask a Business to sponsor an event.

● Resources 101 Website Webinar - Presented by Amy Zimmerman, Multi-Division Coordinator” is up under Presentation Tools and Materials for all leadership positions in the CRC. Here is the direct link:

Another Important Tip

Include Key Clubbers in fund-raiser events. Be sure to include them on your planning committee as well as a volunteer body at the event. This is a great opportunity to mentor them.

Utah–Idaho Progress

- US$186,682.69 has been raised by the Utah–Idaho district.
- 48% clubs are participating by raising funds through individual donations, fundraising projects, club donations and support from their community.
- Is your club participating in The Eliminate Project?

The heroes

Five U-I Model Clubs have pledged to save 417 lives per member:

- Bonneville, SLC—$19,500—raised=$3,415
- Rexburg—$25,500—raised=$2,784
- Twin Falls—$51,750—raised=$5,760
- Treasure Valley of Nampa—$12,000—raised=$3,580
- Heber Valley—$9,000—raised=$2,030

155 U-I Kiwanians will protect 64,635 mothers and their future children

Other Leaders

These clubs are raising funds at a Model Club Pace.

- Sugar House, SLC $4300 $195.45/mbr
- Tooele $6,990 $179.23/mbr
- Logan $7,125 $142.50/mbr
- Provo Golden K $3,250 $135.42/mbr
- Provo $4,250 $128.79/mbr
- Jerome $1480 $105.74/mbr
- Bannock-Pocatello $1400 $93.33/mbr
- Spanish Fork $2,643 $91.14/mbr
- Saratoga Springs $2802 $87.47/mbr

NEED CLUB PROGRAM OR SPEAKER IDEAS?

Kiwanis clubs attract fascinating speakers to their regular meetings. For example, Jimmy Weldon, the ventriloquist who put words in the beak of Hanna-Barbera’s Yakky Doodle, inspired audiences at the Fontana and Santa Clarita, California, Kiwanis clubs’ meetings with a message about the American flag. And former NASA astronaut Jack Lousma launched the Colonial Plymouth, Michigan, Kiwanis Club into orbit with tales from his missions aboard Skylab and the space shuttle Columbia.

If you’re looking for good programs, here’s a list of popular presentations compiled by Kiwanis Facebook users:

- Colville, Washington, high school technology students described alternative energy programs and robots. What fascinating subjects are local students studying?
- A survivor of suicide told the West Lorne, Ontario, club how she’s supporting families struggling with this complex issue. A mental health agency may be able to recommend advocates for a number of causes.
- A Washington, Virginia, Kiwanian described a professor’s speech about childhood obesity as “very informative.” Ask a doctor or other expert to address a problem that’s affecting children in your community.
- A Key Leader participant told her sponsoring Greenwood, South Carolina, Kiwanis Club about her experiences. If your club has not yet sponsored a Key Leader teen, borrow one from a nearby club.

LANDSCAPE STRUCTURES OFFERS FREE RECOGNITION

Kiwanians put blood, sweat, tears and heart into every new playground they build. Kiwanis Vision Partner Landscape Structures wants to honor your hard work and dedication by bringing recognition to your club.

Landscape Structures is proud to provide high-quality commercial playground equipment and services that reflect the high degree of integrity that Kiwanis demands. Through our partnership, with the purchase of a play structure, Kiwanis clubs may receive one of three items to bring recognition to their club on the playground they helped create:

- Kaleidoscope bench made of post-consumer recycled Permalene® featuring a multicolored seat and a choice of colors for the rounded-off square end panels that include a large color Kiwanis logo
- Welcome sign custom designed (including posts) with space for seven lines of text and a color logo inset
- Driver play panel with an optional steering wheel, hardware, a color logo and room for two lines of text

Visit www.playlsi.com/kiwanis or call 1-888-438-6574 (US and Canada) to start building today.
GET READY FOR THE TOKYO-CHIBA CONVENTION!

Get informed by consulting the Visit Japan website (http://www.jnto.go.jp/eng/). Click on “Plan your trip”.

Learn more about dining (http://www.jnto.go.jp/eng/attractions/dining/).

Check out shopping all over Japan (http://www.jnto.go.jp/eng/attractions/shopping/shopguide/index.html).

Plan your transportation (http://www.jnto.go.jp/eng/arrange/transportation/index.html).

The "Japan in-depth" (http://www.jnto.go.jp/eng/) tab offers great insight into Japan’s cultural specificity.

Remember to apply for a passport and/or visa early (http://www.jnto.go.jp/eng/arrange/essential/visa.html), depending on which country you’re from, and check with your cell phone provider about phone rates and special calling plans when using your phone abroad.

The 99th Kiwanis International Convention will be held at the Makuhari Messe, (http://www.m-messe.co.jp/en/index.html) conveniently located within 30 minutes of Tokyo and the Narita International Airport.

From the airport, take a bus to Makuhari (http://www.ccb.or.jp/e/chiba-city-makuhari). A one-way ticket can be purchased for 1,100 yen (see the conversion rate for your currency [http://themoneyconverter.com/USD/JPY.aspx]). The information booth inside the airport offers help in several languages. Buses stop at all major hotels. Be aware that buses from the Narita airport no longer stop at individual hotels after 11 p.m., they drop passengers off at the train station. Consult the area map inside the train station before heading to your hotel.

It is recommended you use public transportation, as taxi fares can get costly in Japan.

KIMBERLY CLUB PROVIDED BOOKS TO KIMBERLY LIBRARY

The Kimberly Kiwanis Club has provided over 200 books to the Kimberly Library for distribution and usage in their on-going reading program for Kimberly area youth. The books were provided by former Kiwanis District Governor, Brent Ashworth; stored and transported by Bob Parish, Kimberly Kiwanis member; and more importantly, coordinated with the library by Kathleen Noh, retired Kimberly Schools Superintendent and Kiwanis Club member. The Kimberly Key Club members, through direction by Jody Widmier, Key Club President, will be involved in an on-going reading program for children. Also, Paul Price, a Kiwanis member and Key Club advisor will be working with this on-going service project.

As a foot note, the Kimberly Key Club is the largest Key Club in the Utah-Idaho District and has plans for many service and fund raising projects during the coming school year.

LOREN EMERSON MARMON
February 17, 1924 - August 26, 2013

Loren Emerson Marmon, 89, of Caldwell, passed away with his family by his side at a local hospital on Monday, August 26th after a brief illness.

Loren was born at home in the Pleasant Ridge Community of Caldwell Idaho on February 27, 1924, the youngest child of Nathaniel Crew Marmon and Eunice Ann Darling Matteson Marmon.
His first eight grades of school were spent at Pleasant Ridge School. He went on to Caldwell High School, where he graduated in 1942. Loren enlisted as an Infantryman in the U.S. Army in June 1944 and served in Rhineland, Central Europe, earning numerous medals including a Bronze Star. His service was completed in June 1946. In May 1947, he reenlisted in the Idaho Army National Guard and was attached to the 25th Army Band unit in Caldwell, serving as its Administrator under the leadership of CWO Bill Rankin and CWO Don Roblyer. The family was stationed in Colorado and New Jersey during the Korean conflict. He was a member of the Idaho National Guard Rifle Team, competing in training and matches across the country, and was qualified as a trainer in Rifle Marksmanship. He retired from the U.S. Army in February 1984 after nearly forty years of service with the rank of Sergeant First Class (E-7).

After his return from the European campaign of World War II, he enrolled at the College of Idaho in Caldwell, where he earned his Bachelor of Science degree in Biology in 1952. While a student at the C of I, Loren took a screen printing class from Arthur Hart—a skill he would later pursue professionally.

Loren worked in the insurance industry as an agent for Franklin Mutual Life and Northwestern Mutual Life while serving as Administrator of the Idaho National Guard's 25th Army Band. He began screen printing "true" decals in 1953 in the basement of his home, and demand for his work quickly grew. Soon, it replaced his other endeavors, and his business, Treasure Craft Decals, grew to one of the largest businesses of its kind in Idaho.

In a note to the family from their friend, Sylvia Hunt, she wrote, "In this time of emotion, we grieve for the loss of Loren—the patriarch, the husband, father, grandfather, uncle, Kiwanian, Fine Arts supporter, veteran, carpenter, printer, businessman, and gentle person who will be gone from us in the way we have known and loved him." Loren was all of those things and so much more. There is so much more to Loren's story in the dash of time between 1924 and 2013 than we can print here.
ELMER JUNIOR HAGERTY

TWIN FALLS • Elmer died of a lingering illness at his home in Twin Falls on Monday, July 22, 2013. He was 91.

He was born to Elmer C. and Carrie (Johnson) Hagerty in the Lafayette (Indiana) Home Hospital on his father’s birthday. He grew up on the family farm northwest of Brookston, Ind. He enjoyed being a country boy. He belonged to a 4-H Club, the Rural Youth and the Future Farmers of America. (He was awarded the FFA American Farmer’s degree in 1943.) When he was 15, he was invited to attend the Indiana State 4-H Leader’s Camp. There he met 13-year-old Dorothy Bridge. They were married eight years later in the Pike Creek (Indiana) Church of the Brethren, a marriage that lasted 66 years.

In the fall of 1940, he entered the Purdue University College of Agriculture. At Purdue, he was an ROTC Cadet Colonel and belonged to the CERES, Alpha Zeta and Kappa Delta Pi honor societies. After a war interruption, he returned to Purdue and resumed his studies, graduating in 1947 with degrees in chemistry and agricultural education.

As a member of Purdue ROTC, his Army career started when the United States entered World War II. He spent a total of 37 years in the Army, five years during World War II, three years during the Korean Conflict and the remainder in the active Army Reserve. He graduated from the Army’s OCS flight training school, artillery school, adjutant general school, and Command and General Staff College. Serving in the Pacific Theater in World War II, he was among the first troops sent into Japan for the occupation. While there, he made many flights into Hiroshima and Nagasaki to allow visiting military and political personnel to see the damage done by the atomic bombs dropped over those cities.

After graduating from Purdue, Elmer entered a management training program with Swift and Company in Marion, Ind. While there, he rose to manager of the dairy and poultry division plant. In 1951, he was suddenly called back into service and was sent to Germany to spend three years flying border patrol between East and West Germany. He finished his Army career by teaching the five-year C&GS course to officers from southern Idaho. He retired from the Army with the rank of Lt. colonel.

Elmer was transferred to Twin Falls in 1962 to manage the Twin Falls plant. While there, he persuaded corporate headquarters to build a new plant. It opened on South Washington Street in 1972, and he managed it for 10 years before retiring in 1982. (The plant is now the Glanbia Twin Falls cheese plant.) For his part in coordinating the planning and construction of the plant, Swift and Company sponsored Elmer on a 1982 two-week agricultural tour of China (organized and led by the University of Idaho). During his years at Swift, he belonged to the Idaho Dairy Processors Association and served a year as its president.

After retiring from Swift and Company in 1982, he enjoyed his many years of retirement. He rarely missed any sports event, drama production or musical event at CSI. He followed the CSI Men’s Basketball team eight times to the NJCAA tournament in Kansas. He enjoyed fishing and often made his own lures. His hunting trips were really just camping trips! He liked to garden, play cards and work jigsaw puzzles. Throughout his life, Elmer was involved in volunteer activities. He was an active member of the Kiwanian Club for more than 45 years and was heavily involved in its Paint Magic and recycling projects. He served on the Twin Falls Salvation Army Advisory Board for more than 30 years, earning him a lifetime membership. (He received the Salvation Army’s “Others” award in 1994 for his years of service.) Elmer was a charter member of the Salvation Army-Idaho Power Project Share, and served on its board for many years.

Others of his volunteer activities included a two-term membership on the Twin Falls Airport Board, Republican Precinct committee man, two-campaign organizer of the local Republican headquarters, three-time organizer of the Western Days Parade and two-year president of the CSI Boosters Club. He helped his wife with their church youth group for nearly 10 years and led a 4-H club while in Indiana. And he was just one pint shy of two gallons of blood donated to the local Red Cross!

For these and other activities, he received the Twin Falls Chamber of Commerce Lifetime Achievement Award in 1990. For much of his life, Elmer was bothered by health problems, starting with pneumonia as an infant. He survived two cancers and two open heart surgeries. But he had a strong recovery instinct and was faithful about walking daily for his health (usually cleaning the streets of trash and picking up cans as he went.) Elmer was a happy person and a good father, husband and employer. He simply liked to meet and help people and felt he gained more than he gave.

He is survived by his wife, Dorothy: two sons, Stephen and Kevin; daughter-in-law, Liliane; grandson, Dylan; and sister-in-law, Bessie. He was preceded in death by two sisters, Viola and Elizabeth; and two brothers, Robert and Carl.
