LET’S HAVE FUN IN 2013/2014!!!

Jim Spinelli, 2013-2014 Utah/Idaho Kiwanis District Governor

The Kiwanis Board of Trustees (BOT) for the Utah/Idaho District met for the first time in the new Kiwanis year, on October 25th, in Burley, Idaho. Since the minutes will not be published for a couple of months, I thought I would summarize some of the issues and projects.

The changes to our District By-Laws that were approved at the Annual Convention by the delegates were reviewed. LTG Larry Hunter took us through the changes and explained a few more “administrative” changes that need to be added from KI. These did not require the delegates to vote.

The Budget for 2013/2014 was approved unanimously. Treasurer Marvin Chamberlain took us though last year’s results and recommended a few improvements which were welcomed. Some of these changes included increases in expenses with the additional revenue this year from the increased District dues: training expenses for increased training and regional training (bringing the training to the members), mileage for BOT members, additional money to the Annual Convention to offset member expenses to encourage greater participation, additional compensation to the Communications Director Gordon Lewis for the Constant Contact and personal member data base implementation project, and a new District PC for the Treasurer.

This year the 10 Lieutenant Governors will be planning the Annual Convention (ACON) for this summer. Each LTG signed up for one of the major responsibilities for planning and implementing the ACON. The first deadline is for the Site Selection Committee (November 8), to come up with a date and place for the event. After that the rest of the planning can take place.

There was discussion about whether to have a mid-year conference or not. The LTG’s will be surveying their members, to let the BOT know the results. Weather, busy, and lack of attendance were the primary considerations.

Upcoming training needs were identified. Some of the suggestions were: Kiwanis 101 for new members, LTG training for newbies, and advanced class for experienced or returning LTG’s, Electronic Communications use, Treasurer training, and advanced management training.

The BOT addressed a few opportunities for leadership vacancies. There was a great deal of discussion regarding the recruiting process for replacing Mike Sims as the District Key Club advisor. Meanwhile, James Rabe, President of the Twin Falls Club, ID, is the interim Advisor. Division 3 does not have a LTG. Former Gov. Chuck Baker was appointed by me to be the interim liaison for Div. 3, to the BOT.

The BOT voted unanimously to support the nomination and election of Past. Gov. John Brown, for International Trustee at the International Convention in Japan next year.

Bill Mullins, former Governor, and LTG for Div. 2 this year, presented the outline for the 5 year, KI Growth Plan. Bill will be recruiting a Club Building specialist for each Division and 2 club counselors for each division between now and January. There will be training for these positions sometime in the spring 2014.

Finally, we are so lucky to have such a great team of Leaders this year. Their wealth of experience in Kiwanis and life bring much strength to the BOT: open mindedness, leadership, commitment, passion for their clubs, energy, progressive ideas, and genuine concern for the success of Kiwanis International. I am dedicated to do the best I can to support them and cheer them on. After completing all the KI goals and objectives, my personal one for the District is to generate improvements in all forms of communications (complete, accurate, timely, one-on-one, inter-clubs and members, and division and districts, and Kiwanis International). I hope that all the new recruits this year are true Kiwanians. Oh, by the way, make sure you have fun!!
DISTRICT COMMUNICATION IMPROVEMENT PROJECT UPDATE

With the beginning of the new Kiwanis Year, the District began its District Communication Improvement Project. Through this project the District's Clubs, Divisions, and the District will be able to communicate quicker and better with each other to let each other know about events and other happenings going on in within the District.

Central in the project, is the use of the e-mail service that Constant Contact provides. Members are being asked to indicate on forms that they want to receive e-mail communication through the Constant Contact e-mail service. Through the Lt. Governors these forms are available and the forms can be submitted back to Gordon Lewis or Kelly Ryan Rush directly or through the Lt. Governors. An additional way has been set up to opt-in. If you have a QR Code Program on your smartphone you can use the QR Code to the left of this article to get to the page to sign-up online.

WHAT MORE COULD I DO?"
By Revis Turner, Utah-Idaho Governor Elect

In their book “The Big Book of Jewish Humor (Harper Collins, 1981), the authors Novak and Waldoks tell of a woman from New York who, on her 80th birthday, decided to prepare her last will and testament. She went to her rabbi to make two final requests. First, she insisted on cremation.

“What is your second request?” the rabbi asked. “I want my ashes scattered over the Bloomingdale’s store.” “Why Bloomingdale’s?” “Then I’ll be sure that my daughters visit me twice a week.”

I know we can’t ensure others will show they care in the way we expect, though we all want to know that people do care. Maybe it’s about being assured that we are not alone in this world. For that reason, we are drawn to those who make us feel as if we matter.

I can’t help but feel that is why many of us become Kiwanis members. We are welcomed by those who want us to be a part of the Kiwanis family. The bumper sticker designed by the Pacific Northwest Kiwanis Team proclaims, “Difference Maker…World Changer…Kiwanis Member.” This mantra underlines the signature message of Kiwanians who are “Serving the Children of the World.”

We are people who care about children in our Utah-Idaho Communities as well as other communities in the world whether urban or in the bush. By our actions we show that children are not left alone but are an important part of the people we care about and serve.

How do we do that? Service projects that bring a sense of joy and esteem to children and youth enhance the Kiwanis message. Soccer fields or playground equipment are provided by local Kiwanis Clubs. Kiwanis sponsored arts and music events for community children contribute to wellness of the communities. The reading programs for wiggling pre-schoolers at the various venues in our local communities bring smiles to faces. When we provide a connection between the adult Kiwanis world and the world of Key and Builders Clubs, we pave the way by mentoring young leaders.

Recently, I viewed a youtube video (http://www.youtube.com/watch?v=2AEH6NQCd7c), with a Jerome High School Key Club gathering. It was produced by a US Key Club titled,”Shoes”. The video’s theme is a metaphor about life’s direction and the influence we have on others. One line stuck in my mind.

“Shoes are made to take us places…It’s about following in the footsteps of others, and blazing your own trails. Because no matter where you want to go, it starts with the first step.”

Caring Beyond our Borders. Currently, our district is in an historic campaign to bring about real global change. Why? Because we care. And we have the resources to share with some of the world’s most vulnerable families through Project Eliminate. The fact is, whether we think it’s true or not, our commitment to the Kiwanis mission does not end at one’s city limits, but extends to regions and people beyond our local thinking. As mentors of those coming after us, it’s most imperative that we are seen giving our time and resources out of our abundance in the mission of caring.

This leads me to the final question that incidentally was raised by 2013 Convention speaker, John O’Leary, “What more could I do?” “What more can I do each day that would bring focus on the Kiwanis value of bringing justice and righteousness to the world? What more can each Kiwanis Club do every day for their community? What more can the Utah-Idaho District do to pave the way for future leaders to fill the shoes of those who have so wisely walked before us?

26 Countries remain on the At-Risk List

The World Health Organization conducted validation surveys in Sierra Leone and Gabon, and the results show that both countries have eliminated maternal and neonatal tetanus (MNT). More newborns and mothers’ lives are now free from the anguish of tetanus.

Since 1999, UNICEF and its partners have eliminated the disease in 33 countries, including Cote d’Ivoire, Iraq, Cameroon, and China. MNT still remains a deadly threat in 26 countries.

With The Eliminate Project, we’re part of the final push to eliminate MNT from the face of the Earth. That will require US$110 million, along with the participation of every Kiwanis-family member and the continuing work of UNICEF.

**FUNDRAISER IDEAS**

A fundraiser doesn’t have to be a huge endeavor. Take advantage of what’s already on your club, family, neighborhood and school schedules this fall to educate and raise funds for The Eliminate Project. Your club could:

- Clean out and clean up. Forget “spring” cleaning; when seasons change, old stuff turns up to sell, plus crisper fall temps make sales more shoppable. Find an empty and available garage, deliver items the week before and gather Saturday to sell it all. Give out brochures [http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/newresources/handouts.aspx](http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/newresources/handouts.aspx), show inspirational videos [http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/newresources/videos.aspx](http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/newresources/videos.aspx) and charge prices aligned with lives saved or protected; sell small items for US$1.80 (saves or protects one woman and her future babies), medium for US$5.40 (saves or protects three women and their future babies) and each big-ticket for US$180, saving or protecting 100+ lives. Hail shoppers on their deals—and lives saved.

- **SAFE LIVES IN HONOR OF YOUR KIWANIS CLUB PRESIDENT**

Kiwanis club presidents dedicate their lives to serving their clubs, their communities and children around the world. What a better way to appreciate their incredible commitment than by saving lives in their honor?

For $1250 Kiwanis clubs can recognize club president who serve during the Eliminate Project campaign as a Presidential Zeller Fellow. This award will save or protect 690 women and their future babies.

Two simple ways to reach the $1250 total include asking each member (in secret) for a donation to combine for a true club gift, or adding up the club’s fiscal year donations which also may apply. Presidents who serve between 2010 and 2016 are eligible.

You’ll find additional fundraising ideas and more at [www.TheEliminateProject.org/resources](http://www.TheEliminateProject.org/resources). Don’t forget to share your fall fundraising ideas with us as well as post pictures from your activities on The Eliminate Project Facebook or Twitter accounts.
RISK MANAGEMENT AND GENERAL LIABILITY

Background checks

Protect your club … and those you serve. Kiwanis-club membership is a wonderful opportunity and an important responsibility. From working with young people to managing club finances, member activities require trust and integrity.

These days, more organizations are protecting themselves with background checks. Thanks to Kiwanis International’s relationship with Safe Hiring Solutions, your Kiwanis club has access to criminal-history background checks for club members. For any Kiwanis club whose members work with children, manage club accounts or take on other potentially sensitive roles, it’s an important option to consider.

Safeguard what matters most to Kiwanians: the children you serve, your members’ confidence and your club’s reputation.

About Safe Hiring Solutions

Criminal-history background checks are an optional service for Kiwanis clubs. With Safe Hiring Solutions’ secure electronic process, background checks require no paperwork for you or your club. Safe Hiring Solutions provides criminal-history background checks, employment screening, investigation and verification. Clients include corporations, schools, nonprofit organizations and many other entities.

Due to the convention center's close proximity to all official hotels, no shuttle service will be available.

CONVENTION BUDGETING

Make sure your club has a voice at the Tokyo-Chiba convention. Make a place in your club’s budget. Include funds for two club representatives to attend the 2014 Kiwanis International convention. Delegates need to fill out the certificate of election of club delegates and alternates to the Kiwanis International convention.

As required by the Kiwanis International bylaws, the funds for sending club delegates will come from your club’s administrative budget. When you calculate the budget for the convention, here are the costs you should consider covering for two people:

• Registration fee and select ticketed events
• Travel
• Hotel accommodations
• Per diem

If your club needs some guidance with budgeting, a template for a club budget is available in the Leadership Guide. Go to the treasurer’s section to find the template.

In the meantime, we hope you’ll take the opportunity to send club delegates to the upcoming convention. They’ll vote on issues shaping the future of Kiwanis. And they’ll return better equipped to help your club serve your community.

After all, representation at Kiwanis International convention is more than just a line item in your club’s budget. It’s your club’s voice.

BOOK YOUR HOTEL WITH KIWANIS RATES

As a Kiwanian, you can get your room at preferred Kiwanis rates. So don’t book until you see the discount you’ll get with us. We book hotels in blocks for greater discounts. Book smart: More tips for lower airfare:

• Book as early as possible. Tickets booked early are generally cheaper than those booked closer to the date of departure. You’ll also have more options, with a better chance at the itinerary you really want, at the times most convenient for you. nd you can choose your preferred seat.
• Travel in the middle of the week. Fares are typically cheaper when you avoid the peak travel days of Friday through Monday.
• Know all the airports in your vicinity. You could save money if you’re willing to fly out of an airport beyond the one that’s closest to your home.
• Fly early (or late). If you are willing to leave very early in the morning or fly overnight, fares are often lower.

VOLUNTEER

Become a sergeant-at-arms.

Consider volunteering for the Sergeant-at-Arms Committee. Sergeants-at-arms play an important role by providing logistical assistance and support at all sessions, forums and events. They enjoy a behind-the-scenes role—with plenty of time left over to enjoy other convention activities. Make sure to indicate your wish to be a sergeant-at-arms on your registration form.

Become a volunteer from the host district, Japan

Consider volunteering with the Host Committee. Members put their regional knowledge to use, performing tasks such as advising Kiwanians about things to do in Japan and around the convention site, staffing the registration desk and more. Plus you get a discounted registration rate. Members are asked to perform a minimum of three volunteer hours. The registration form allows you to sign up as a volunteer.

NOTE: The Sergeant-At-Arms Committee is separate from the convention Host Committee. Being a sergeant-at-arms does not entitle you to the host committee volunteer rate.

Welcome by Governor John Brown at 10:05am.

Invocation by Chuck Baker.

In Attendance: Governor John Brown, Governor Designate Jim Spinelli, Governor-Elect Designate Revis Turner, Immediate Past Governor Chuck Baker, Secretary Janet Flinders, Treasurer Marvin Chamberlain.

Lt. Governors: Div 1 – Dick Sanford; Div 2 – Bill Mullins; Div 3 – Mike Burdett; Div 4 – Jim Terry; Div 6 – Larry Hunter; Div 10 – Doug Lund. Excused: Div 5 – Dean Banner (Had Back Surgery); Div 7 – (No Lt Gov in place); Div 9 – Stanley Boster (Family Emergency). Unexcused: Div 8 Newell Johnson.

Visitors: Div 4 Lt Gov Designate Mark Gunning; Div 10 Lt Gov Designate Chad Bunn; Website Mgr and Editor of U&I Kiwanian Gordon Lewis; Secretary Designate Kelly Rush; Key Club Administrator Michael Sims.

Minutes of the Fourth Board of Trustees Meeting were presented. Bill moved and Chuck seconded. Vote was unanimous.

Janet asked the Lt Governors to contact each club in their division who had not turned in Club Election Reports to get that information to her by September 1st. A list was given to each Lt Governor of the clubs whose information was needed.

Janet gave each board member an accounting of club membership through July 2013 and asked each Lt Governor to encourage the clubs in their division to gain at least one new member over the beginning total at September 30, 2012.

Provo Golden K is closing. Where is their money going? Marv presented the financial report. Larry moved to require a budget for conventions to be compiled with a five (5) year average of costs. Chuck seconded. The vote was unanimous. Doug moved to accept the financial report; Bill seconded. The vote was unanimous.

Lt Governor Reports:

Div 1 – No Report
Div 2 – Bill Mullins: Bonneville is doing great and has a wonderful meeting place. Capital Hill SLC meets early morning and is doing well. They worry about membership and food costs. Clearfield is strong, but have lost too many members and need to focus on building up their membership by bringing in friends and neighbors. Tooele is the largest club in the division and has had a growth spurt right now. Not only one person invites; at least five people are busy inviting. Babycare Cupboard donations are great. Have almost reached $5.00 per member for the Annual Club Gift Campaign. They also donate $150.00 per year to CKI Outreach.
Div 3 – Mike Burdett: Ogden is doing well. Just had a successful community breakfast. Hopes to have a better report next year.
Div 4 – Jim Terry: Bannock and Pocatello are striving to build up their membership. Idaho Falls stagnated a little and needs to get reports in and their Annual Club Gift donation. Shelley and Rexburg need a push for new members. Fund-raisers at the State Fair brings in money: Shelley sells Tiger Ears (scones) and Rexburg sells baked potatoes.

Div 6 – Larry Hunter: Five of the six clubs are all up in membership, except Meridian, who is gaining. Eagle has great potential for growth. Eagle and Emmett both have Corporate Members. The Division holds a Division Council Meeting every 2nd Thursday of the month. It is very useful for the exchange of ideas and in getting to know each other. They have a Division Service Project – Boise Parks Dept asked for them to Adopt-A-Park. They work at the park at the beginning of the year and again at the end of the year. At the beginning of the year they mulch trees and each month each club takes a turn doing clean up. Expect the Key Clubs to help. Every club has a Key Club and other SLPs. Working on chartering a CKI Club at Boise State, who requires 3 members to start a club. Prospects are very good to build this CKI. All clubs have service projects.
Div 7 – No Lt Governor this year
Div 8 – Not in attendance.
Div 9 – Excused
Div 10 – Doug Lund: Provo Golden K is closing because it is hard to recruit old people. Some clubs have become lunch or dinner clubs. Provo meets at the Marriott and lunch costs are hindering new members. Encouraging clubs to get away from social hour and food, to focus on service. All need to be taught the difference between fund-raisers and service projects. Service projects should be tailored to the needs of the community.

Div 5 – Dean Banner had back surgery and incoming Lt Governor is Trent Stimpson. The Harlem Ambassadors will be performing at Twin Falls High School. Proceeds will be divided among the seven clubs for donation to Eliminate. Hailey meets at the...
Senior Center and must guarantee so many meals, then the food price increased. Meetings are still being held there, but with a nominal room fee and no food guarantee. If you want to eat, get your food from the Center. Seniors are $5.00; Everyone else is $8.50.

Chuck added that the Bonneville Club moved from a hotel to Sizzler. No room charge and you pay your own meal.

John Brown thanks everyone for their reports and insights. Asked the Lt Governors to fix problems, if you see them happening.

Marv gave the Utah-Idaho Foundation Report as information only. The Foundation needs $6.00 per member from every club. He will send a letter to all clubs who don't support a CKI, to donate $150.00 for CKI Outreach.

The District Foundation needs every club's support. This is the last year that $5.00 per member will bring 5 CKI scholarships and 5 Key Club scholarships from the Kiwanis International Foundation. Next year will be very different and will be much more difficult to receive scholarships.

Utah-Idaho Key Club convention is set for March 28-30, 2014. The registration packets are available at www.uikeyclub.org. It will be held at the Red Lion Boise. Wally Studer is in charge of scholarship grading. Recipients of scholarships need to be publicized.

Larry needs a list of donors to the Annual Club Gift Campaign. He will get the information from Kelly Rush.

Notice: The Constant Contact Workshop went well. Jim moved to expand Constant Contact to the entire District. It would be able to send up to 2,500 e-mails at a time. E-mail addresses need to be sent to the District Secretary. Bill seconded. The vote passed with one vote opposed.

John thanked everyone for late board meeting calls, phone discussion and e-mails.

A big THANK YOU to everyone.

Meeting closed at 11:45am

Ideas can be life-changing. Sometimes all you need to open the door is just one more good idea. ~Jim Rohn
The Kiwanis Club of St. George just finished with its 16th Annual Red Rocks Car Show. This year’s show had more than 160 entrants in 38 different Car Classes. This was our most successful car show for net funds raised and with an approximately 7,000 people viewing our show.

We would like to thank the St. George Area Chamber of Commerce and the Desert Rodder’s Car Club for donating hours of volunteer service. Also assisting us with the show operation was the Washington County Sheriff’s Law Enforcement Explorers Troop.

Funds raised by this great event will be used to help the children of Southern Utah.

**NEW BUILDERS CLUB IN IDAHO**

The Builders Club at Alameda Middle School in Pocatello, Idaho was chartered on 8/23/2013. The Bannock, Pocatello Club is the sponsor of this new Builders Club.

**BONNEVILLE CLUB HELPS IN THE OPERATION SCHOOL BELL PROGRAM**

Operation School Bell, the signature program of the Assistance League, provides assistance to children in need. Chapters determine the specific needs in their local communities, then develop, fund and implement the programs.

Operation School Bell began in the 1950s as a one-woman effort to provide clothing to disadvantaged children so they could attend school.

In 2011-2012, Operation School Bell programs for 120 chapters across the United States with combined annual budgets totaling more than $15 million clothed more than 317,000 children. Since 1958, more than 3.5 million children have benefited from Ruth Ann Montgomery’s vision of one woman making a difference in her community. Assistance League member volunteers make a difference every day through programs such as Operation School Bell.

Through this program, over 5,000 children in need in the Salt Lake area receive bags of new school clothing before the cold weather sets in.
Have you seen Circle K International’s new video?

Watch “Maybe it’s more” to see how CKI incorporates leadership, fellowship and—of course—service into its everyday activities. Share the video with your sponsored CKI club and encourage CKI members to share the video with their friends and classmates. Watch the new video now at www.circlek.org/chooseCKI.

Does your club not sponsor a CKI club? There might be a need for one in your community. Check out www.kiwanisone.org/charter for more information about getting started.
The Jerome High School Key Club has been very busy during these first few weeks of school, and have several projects scheduled for the months of October and November. Key Club members have participated in home football game clean-ups and have also helped with Sarah King’s Senior Project, which was planning and hosting the JHS Homecoming Dance. Sarah, this year's Key Club President, raised approximately $250.00 from the dance, which she is generously donating to UNICEF. Sarah also raised two very large boxes full of canned food items, which were donated by students attending the dance. She will be donating the food to the Martha and Mary Food Pantry in Jerome. In October, the entire JHS Key Club will be working all month long to raise funds for the 'Trick or Treat for UNICEF' project! A school-wide class competition will be held to see which class can raise the most money in one month for this worthy cause, which provides clean drinking water and vaccinations for children all around the world. In November the Key Clubbers will be participating in the 'Stars for our Veterans' project for a $1.00, any Jerome citizen can contact the Key Club and the club will create a memorial 'star' to honor a veteran who has served in the past or is currently serving in any branch of the military. These memorial 'stars' will hang in the hall near the main office throughout the month of November. All proceeds raised will be donated to our local Veterans’ Groups to help with services that they provide. The Jerome High School Key club is made up of a wonderful group of students this year and we are very excited to have Key Club back at Jerome High School. The Key Club along with our local Kiwanis, are doing great things in our community!

PARTNER RUSTIC PATHWAYS ASKS WHAT INSPIRES KEY CLUB SERVICE

At this year’s Key Club International Convention, Rustic Pathways asked Key Club members, “What inspires you to do service with Key Club?”

After reviewing hundreds of responses, Rustic Pathways selected this submission written by Soumya from the New England Key Club District.

Congratulations from Rustic Pathways and Key Club, Soumya!

“Every day we encounter large problems that affect the entire world. The scale of these issues might initially intimidate or even discourage us, but serving through Key Club helps to overcome these challenges and creates hope for a brighter future. One person might not be able to solve the entire problem alone but together, as a group of 265,000 Key Clubbers, we have the ability to help make a difference and inspire millions of others in the process.”
