I would like to begin by sharing a quote from Connie Hodson. Connie wrote this after we had the regional training in Utah last month. Many others shared her same sentiment and were truly pleased by the content as well as the format of these regional trainings.

“We have been members since 1998. We have served in all of the positions and attended many conventions. By far this was the best that have ever attended. I asked my husband about it on the way home. His comment was it was simple. My thought was I received what I went for. Thank you for all of the efforts.” Dick and Connie Hodson

In order to continue with the same spirit and making sure you get the information you came for there are many people putting in great efforts to make this convention the BEST one ever! (Thank you Pocatello club for your efforts and your hospitality!) The Board of Trustees, planning committee and your fellow members are excited to have you join us for this year’s Annual Convention. The Pocatello club has been working hard to provide a fun, relevant agenda along with many activities to keep your family members busy while you are learning all things to better your clubs and your Kiwanis knowledge. Annual Convention is also a great time to learn from others, build relationships, and get ideas about fundraisers and service projects that help build stronger clubs.

Also, we will be having the House of Delegates on Saturday afternoon. This is where you see the dynamic governing that happens at the district level, which YOU may be a part of. Make sure your club assigns who will represent them in the House of Delegates and be sure to get the enclosed form back to me no later than July 24th, 2014. You can scan and email it to kryan@clearvoicetel.com or mail it to:

Registration is ready and you can either fill out the form in this Kiwanian or go to the District website uikiwanis.org. Thanks Gordon for pulling all of this together!

I truly can’t wait to see all of you there!
All my best,
Kelly Ryan Rush

KIWANIS OBJECTS

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Kiwanis International Convention in Denver, Colorado. Through the decades, they have remained unchanged.

- To give primacy to the human and spiritual rather than to the material values of life.
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption and the application of higher social, business and professional standards.
- To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship.
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities.
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and goodwill.

Service is at the heart of every Kiwanis International club, no matter where in the world it’s located. Kiwanis members stage nearly 150,000 service projects, devote more than 6 million hours of service and raise nearly US$100 million every year for communities, families and projects. Key Club members pitch in 12 million hours of service each year, and CKI members another 500,000 hours of service! Aktion Club members donate another 92,000 hours of service every year. Add it all up, and that’s more than 18 million hours of service every year!
AN INTROSPECTIVE LOOK AT KIWANIS
By Revis Turner, Governor-Elect

As a college counselor, I am always interested in differences of personality traits and the impact on our ability to function in social and business situations. The e-zine article, “Interview Tips for Introverts,” caught my eye. Since I am a diagnosed introvert, I am aware, as the article suggests, that we have more difficulty with job interviews than most people who have extrovert traits. When it comes to job interview components, most introverts could live without making small talk, being the center of attention, or tooting your own horn. These bring special challenges; yet, using an introvert’s strength and tendencies to one’s advantage is a strategy worth exploring. The bottom line, according to most career counselors, is that an introvert’s path to success is dependent on developing the discipline to “practice, practice, practice.” (M.O. Laney, The Introvert Advantage: How to Thrive in an Extrovert World.)

How does this apply to the Utah-Idaho Kiwanis District?

1. Kiwanis is a global organization, yet our membership is lower than it was in the previous decade. Perhaps, we have taken on introvert traits that have overshadowed our essential mission diminishing our ability to “toot our own horn” and make public our good deeds.

We must be resolved to strengthen our focus on our mission: “Serving the Children of the World.” The clubs I have visited in the last several weeks are doing wonderful things for children in our communities. I’ve found that Utah-Idaho clubs are very responsible at listening and responding to the needs of the communities. We must be intentional about “tooting our horn,” making a practice of informing the public of the mission of serving children in our home communities, as well as our global concern for children.

2. One observation I would make is that Kiwanians are very creative when volunteering. We put a lot of good ideas into practice. Instead of letting our communities know about our good deeds, the introvert trait of humility kicks in. Our mission to “Serve the Children” is a proud legacy and Kiwanians work hard at making this a premier facet of our efforts.

We must be resolved to get the good news of our hard work and good deeds to the community. Every club should have a communications/publicity leader or committee to practice sharing the wonderful community spirit that envelopes our local organizations.

3. Reflective thinking is a strength of an introvert. That is, an introvert will often think over thoughts before talking in contrast to extroverts who talk in order to think. Detail work and planning are introvert strengths. Yet, this requires intentional practice leading to ideas and projects that are well done.

We must be resolved to place the creative and thoughtful Kiwanians in positions where they can give leadership to our clubs and projects. We must resolve to train them and provide resources that will enhance their abilities to further the mission of Kiwanis.

4. Finally, introverts are often characterized by the strength and depth of relationships they develop. When Kiwanians practice the art of empathy and caring, we put a spotlight on the purpose of our clubs. This provides a window into the spirit of Kiwanis and magnifies the reason why people from diverse backgrounds can be united around common purposes. We must be resolved to provide the opportunity to be welcoming clubs, to grow with comradeship of its members.

As Laney suggests, this takes, “Practice, Practice, Practice.” Utah-Idaho Kiwanis Clubs have amazing opportunities to use the strengths and abilities of a diverse population to become a global club by growing a stronger mission to serve the children of the world.

James (Jim) Vaughan

Jim joined the Kiwanis Club of Willis, Michigan in the Fall of 1987. Upon relocating to Utah in January of 1990 he transferred his membership to the Clearfield Kiwanis Club.

Jim has held the office of President of the Clearfield Club and was the Lt. Governor of Division 2 of the Utah-Idaho District 2001-2003. Jim has again taken on the position of President for the Clearfield Club.

Jim, an Air Force Viet Nam Veteran, is retired from Frontier Airlines, as a Captain, and is currently employed by Corporate Air of Billings, MT, as a contract pilot for Federal Express, based at the Salt Lake City Airport.

Jim enjoys antique cars, tractors and, of course, old airplanes.

Jim has been married to Sandra (Sandy) since 1969, and they will celebrate their 45th anniversary at the International Convention in Japan. When asked what Jim enjoys most about Kiwanis, he responded: “I have been blessed my entire life by abundance and protection, and I want to share my wellbeing to my fellow human beings. Kiwanis has allowed me to do that.”

Kiwanis International was founded in 1915 in Detroit, Michigan, and became an international organization with the creation of the Kiwanis Club of Hamilton, Ontario, the following year. In 2015, Kiwanis celebrates its 100th anniversary, share in the excitement, get ready to participate.

In the early years, members focused on business networking but in 1919, the organization changed its focus to service. In the 1960s, worldwide expansion was approved and within the decade, Kiwanis International-Europe was formed, representing Kiwanians in 11 European nations. In 1987, women officially were allowed into the membership.

1916 - The first convention, May 18-19, in Cleveland, Ohio, unified the founding clubs into “The National Kiwanis Club,” and a Constitution was approved. George F. Hixson was elected to the first of his two terms as President of the National Kiwanis Club. Later that year, headlines would proclaim “Kiwanis Becomes International,” when the Kiwanis Club of Hamilton, Ontario, was organized on November 1.

1919 -- Kiwanis declared its independence in Birmingham, Alabama. In a wave of check writing, attendees raised $17,500 in one-half hour to buy Kiwanis from founder Allen Browne.

DISTRICT COMMUNICATIONS IMPROVEMENT PROJECT

Fellow Kiwanians in the Utah – Idaho District,

With the start of this Kiwanis year we began our District Communications Improvement Project. The project includes using the e-mail solution that Constant Contact offers to help improve our communications in the District.

The District has desired to provide better and timelier communication to the membership about upcoming Local, Division, and District events, and any other circumstances that would require quick communication. Also, to have a vehicle that is available to the clubs to use as a way to communicate the things they are doing that others in the District and area could participate in.

The sooner everyone in the District who wants to receive information directly from the District is in Constant Contact, the sooner it will become a valuable tool for everyone in the District to use. However, before members e-mail addresses can be entered into Constant Contact they need to opt-in. Opting in can be done on a club basis by filling out the form included in this issue of the U & I Kiwanian or Individually by going online to the District Website (www.uikiwanis.org) and clicking on the link on the homepage that says: “Click Here to Sign-up to Stay in Touch with the Utah - Idaho Kiwanis District by E-mail”

To make this an effective tool for everyone in the District, each Club is being asked to provide a list of those members who have e-mail addresses and who want to receive e-mail communication through it. To date about 25% of the District Membership is in Constant Contact. Those clubs haven’t yet submitted your lists, please do so as soon as possible.

The lists can be submitted to either Kelly Ryan Rush or myself. When we get them, we will enter them into Constant Contact.

The form to use to gather the information that will go into constant contact is included in this issue (on Page 22), and can be obtained on the District Website or by Contacting your Lt. Governor, Kelly Ryan Rush or Gordon Lewis. Note that each page needs to include the club name, and for each person desiring to receive e-mails through Constant Contact we need: their name, e-mail address, and to indicate that they are opting in to receive these e-mails.

Thanks for your support, Yours in Service
Gordon Lewis, Utah – Idaho Kiwanis District Communications Chair

NEW LOGO AND GRAPHICS LEARNING CENTER LAUNCHES

The Kiwanis logo stands for nearly 100 years of community service. To do its job - communicating Kiwanis’ message to the world—the logo needs to be used the right way. Kiwanis has set up the Logo and Graphics Learning Center at www.KiwanisOne.org/logos so you’ll know the appropriate Kiwanis-family logo to use for your project.

Logos and graphics are divided into categories: Clubs, Programs, Events and Campaigns. Each page at the learning center displays the variations and types of logos available for download. Use the help button to find out which logo is right for your type of project, whether it will appear on paper, on an item like a sign or T-shirt or on a website. There are also brand guidelines for each logo that you can download, read and share with your vendor.

Update your club’s image with help from the Kiwanis Logo and Graphics Learning Center and the right graphics today. Contact Member Services at memberservices@kiwanis.org with questions.
Collectively, the Kiwanis family and the U.S. Fund for UNICEF have raised more than US$51.9 million in cash and pledges as of April 29, 2014—nearly halfway to our US$110 million goal. These funds will save or protect at least 28.8 million women and their future babies from maternal and neonatal tetanus.

With less than 15 months left in The Eliminate Project, each day counts. “As our gift to the world and in celebration of 100 years of Kiwanis, we have a very practical way to show our dedication to children through the elimination of maternal and neonatal tetanus,” said Illinois-Eastern Iowa District Coordinator John Vanderheyden.

Visit www.TheEliminateProject.org/WWRD to see more highlights from Worldwide Report Day, including a new thank you message from Kenya [video], recommended fundraisers and words of wisdom from district teams.

**Funding from Utah-Idaho Kiwanis Clubs are providing needed vaccine for Kenya & Haiti.**

Through The Eliminate Project, the Kiwanis family will forever change the world. The campaign will raise US$110 million to save or protect millions of women and their future babies from maternal and neonatal tetanus—and protect the connection that this deadly disease destroys.

At the beginning of April, a Kiwanis International and U.S. Fund for UNICEF delegation made a special visit to Haiti to see The Eliminate Project in action. Nearly 50 percent of tetanus cases in the Caribbean occur in Haiti. The island country carried out a nationwide campaign against maternal and neonatal tetanus, aiming to immunize nearly 1.5 million women of reproductive age, in April.

Less than two weeks earlier (in late March), a different Kiwanis International and U.S. Fund for UNICEF delegation visited Kenya on behalf of The Eliminate Project. Located in the Eastern and Southern African Region, Kenya is one of only two countries (Kenya and Madagascar) in the region that has yet to achieve maternal and neonatal tetanus elimination.

Find a small glimpse of what the groups experienced in Haiti and Kenya on the following website—https://www.facebook.com/TheEliminateProject/photos_albums—from smiling moms and babies to bright colors and breathtaking scenery. See how UNICEF and Kiwanis are, again, making a difference in the lives of countless families around the world.

Join the Eliminate MNT Team Walk at the DCON set for Saturday morning, August 2, 7:00 am. We will be done before 8:00 am in time for breakfast. The route will be less than 3K and we want you to get sponsoring pledges from your club. Registration will be taken at the Convention Eliminate Table. CONTINUING LEADERSHIP EDUCATION (CLE) TRAINING CLUB PRESIDENTS AND PRESIDENTS ELECT

“Now that I am elected, what do I do?” This is a “hands on” workshop that goes above and beyond the KI Club Presidents’ Handbook. District Secretary and District Master Instructor Kelly Ryan will lead this workshop, assisted by John Brown (immediate Past Governor), Jim Spinelli (outgoing Governor), Revis Turner (Incoming Governor), Wes Sine (Governor Elect 2014–2015), and Jim Vaughan (our very 1st , Vice Governor). This is what you need to know to be successful, and to avoid the pitfalls of your Presidency. Although this workshop is for Club Presidents, all are invited to observe and participate.

By the 9th Annual International Convention, prominent speakers were invited to address the conventions on non–Kiwanis topics. Through Kiwanis’ history, these speakers have included the Honorable Angus MacDonald, premier of Nova Scotia (1934); US Federal Bureau of Investigation Director, J. Edgar Hoover (1936); US Vice-President Richard Nixon; Christian evangelist Dr. Billy Graham; Roman Catholic Archbishop Fulton J. Sheen; TV personality Art Linkletter, and US President Ronald Reagan.

### FOUNDATION UNVEILS NEW PROGRAM FOR LOYAL DONORS

Many members of the Kiwanis International Foundation have been supporters for years. To honor that consistent commitment, our foundation has started a new donor recognition program, the Kiwanis Loyalty Society.

It’s simple. When you make a gift for two consecutive years, you automatically become a member. And benefits begin after five years. There are three Kiwanis Loyalty Society levels:

- Blue, 5–9 years of consecutive giving
- Silver, 10–24 years of consecutive giving
- Gold, 25 or more years of consecutive giving

It’s our foundation’s way of thanking you for your continued support on behalf of all of the children whose lives we have impacted together. Learn more about the Kiwanis Loyalty Society or contact Jereme Grinslade, alumni and annual fund administrator, at +1-317-217-6157 (U.S. and Canada) or jgrinslade@kiwanis.org.

FOUNDATION ANNUAL REPORT NOW ONLINE

The Kiwanis International Foundation’s annual report is now available to view in the April-May 2014 digital issue of Kiwanis magazine.

Check out the Kiwanis International Foundation’s annual report at www.kiwanis.org/annualreport.

WHAT DO YOU LOVE ABOUT KIWANIS?

Why did you become a Kiwanian, was it because your father or grandfather was a member? Was it because you saw the impact that clubs have in schools? Think about what you enjoy about your Kiwanis experience. Why do you remain committed to serving the children of the world?

Now, consider what would make your experience better. Think about your club’s aspirations and what it would take to reach them. Find unmet service needs in your community and ponder how even more hearts and hands working together could solve them. Try a new fundraiser. Make your community an even better place.

Use The Formula to strengthen the future of your club, your community and the Kiwanis family. Start now.

1927 - Efforts to provide educational opportunities began with the convention in Memphis, Tennessee. Various forums, workshops, and other instructional sessions have been provided over the years.
Your one-minute speech

A guide to engaging new members, sponsors and partners

What’s the best way to attract new people to your Kiwanis club? By grabbing their interest—and respecting their time. Put together a “one-minute speech” by thinking of answers to a few simple questions.

Why my club?
Think about what you love most about your club—and your community. Consider how the two matter to each other.

What’s our community impact?
Pick the service project that makes you proudest of your club. And think of a young person—or group—your club has mentored.

How do we make an impact?
By working together with people in our community who care. More hearts and more hands mean more opportunities for service and partnership.

Other tips
Nothing attracts a new member like a happy member. Be sure to:
- Practice your speech.
- Listen to the other person.
- Maintain eye contact.
- Smile and speak firmly.
- Most important of all: Invite him or her to a meeting or service project.

People to consider:
- Family and friends
- Coworkers
- Local business owners
- Parents of Service Leadership Program members
- Neighbors
- Clients
- Fellow church members
- Fellow parents (PTO, Little League, etc.)
- Teachers and principals
- Insurance agents, accountants, bankers and other providers

Now it’s your turn!
On the reverse side, we’ve left some room for you to create your own one-minute speech to promote your Kiwanis club.

How do we do it?

Share your story in your community

Why my club?

What’s our community impact?

This year our annual golf tournament funds are going for a great cause that is near and dear to the heart of Kiwanis. Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of nearly 60,000 innocent babies and a significant number of women each year. The effects of the disease are excruciating – tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch.

To eliminate MNT from the Earth, more than 100 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. It will take US$110 million – and the dedicated work of UNICEF and every member of the Kiwanis family. It only takes 3 shots at 60¢ a shot to save the life of the mother and unborn baby. You can help us reach this goal with your support.

Golfing &/or dinner is still an activity for Kiwanis members & their guests. It is still a fun, NON-serious fellowshipping activity to encourage interaction among fellow Kiwanians and potential members. Bring your children, a friend or an associate. Even if you don't golf, or if your potential member doesn't, still try to come to the dinner.

The entry fee & charges can be paid the day of the event. Because it is difficult to reorganize the whole pairing system if even 1 golfer cancels at the last minute, please try to have true commitments to this outing and call or email me with the names of your golfers ASAP.

A tee-box can be sponsored for $75. A professional 18”x24” sign with logo will be placed at each sponsored location. If you wish to be a new sponsor, we need adequate time to prepare your sign. (see attachment)

You can support the 31st annual “Golf-N-Grub” Kiwanis Charity Golf Tournament in the following 3 ways:

1. Play Golf and Eat Lunch (3 options)
   - * Golf, Cart, Drinks, Treats, Lunch == $65
   - Use Golf Pass ================ $39
   - Same without Lunch =========== $53
   - * Lunch only, no golf == $12

   AND/OR
2. ** Sponsor-A-Hole (2 options)
   - Tee-box Sponsorship ========= $75
   - Tee-box and Green Sponsorship ==== $125
   [Professional 18”x 24” sign with logo already included in the sponsorship.]

   AND/OR

3. Donate Door Prizes (Anything!)
   - Sky is the limit! Company branded merchandise, gift cards; if you can give it away we would be grateful to have it. If the retail value of the prize exceeds $75, we will put your sign out. If less than $75, we will mention you in our thank-you letter-to-the-editor.

   **Thanks for your participation!**
   *This year’s proceeds go to support the Kiwanis International Project to Eliminate Maternal and Neonatal Tetanus.*

   AS A MEMBER OF, KIWANIS YOU CAN CONTACT ME AT:
   Name/Contact Info: Tom Ehrhart; 435-734-2054; tom@sftom.com

   * Brigham City Kiwanis Club Members are not charged for lunch.

CHANGE A STUDENT’S LIFE WITH LEADERSHIP ACADEMY

Did you know that your sponsored CKI members could have a life-changing opportunity this July? That epic event is CKI’s Leadership Academy.

For six days, CKI members from all over North America will meet at Waycross Camp and Conference Center in Morgantown, Indiana, for the CKI Leadership Academy (http://www.circlek.org/leadershipacademy). There, they’ll learn about and develop skills in servant leadership. From July 27–August 1, 2014, students will trade their social media for a focus on real human interaction and service.

Encourage students to apply online (http://www.circlek.org/leadershipacademy) for the CKI Leadership Academy before the July 7 deadline. And consider helping to pay their US$195 registration fee, which includes food, lodging and leadership activities. A better life is only six days away.
