UTAH-IDAHO DISTRICT ANNUAL CONVENTION

GUEST SPEAKERS

Utah-Idaho Kiwanians will have someone familiar and someone new as the guests for the 2014-15 District Annual Convention. Two outstanding International Trustees will provide leadership in several presentations throughout the 3-day convention.

Jim Rochford, Kiwanis International Trustee, is the familiar leader. He has been with us at past district events providing outstanding insight into the Kiwanis movement. He hails from the Illinois-Iowa District and has served in several leadership positions in his Kiwanis lifetime. He will speak at the opening General Session and the Saturday Dinner as well as assist in workshop presentations.

In addition to Jim, one of the newly elected International Trustees, Florencio “Poly” Lat of the Philippines will grace us with his dynamic presence as guest speaker and workshop leader. Poly was elected International Trustee of Kiwanis International in March 2013 at the Kiwanis Asia-Pacific Convention in Hiroshima, Japan.

Poly has been a Kiwanian member for more than 25 years. He became President of the Kiwanis Club of Intercity Homes in 1991, Lieutenant Governor in 2000, and served as Governor for the Philippine Luzon District in 2011-12. He is also a Charter Member of the Kiwanis Clubs of Manila Bay and Fort Bonifacio Global City.

Poly, a Charter Walter Zeller Fellow and George F. Hixson Fellow, is one of the Distinguished District Governors honored in the 98th Annual Kiwanis International Convention in Vancouver, British Columbia. He is also a recipient of the Presidential Inspiration Award and Legion of Honor. Kiwanis ASPAC conferred him the Awards as Champion in New Kiwanis and SLP Club Building for organizing 28 New Kiwanis Clubs and 17 New SLP Clubs within his term. In ASPAC Convention in Colombo, Sri Lanka, the Philippine Luzon District also won ASPAC’s Best Service Project Award.

On top of these recognitions under his leadership, Kiwanis received The Outstanding Philippine Leadership Excellence Award in philanthropy (TOLEAP Award) for Environment, from a joint project of the Rotary Club and Jaycees International.

A Senior Officer of the Philippine National Bank, Poly spends his non-Kiwanis time playing tennis, badminton, chess and having fun with his family and friends.

THE FORMULA –
GLOBAL CAMPAIGN FOR GROWTH
Jim Spinelli, 2013-2014 Utah/Idaho District Governor

It’s a great day in Utah and Idaho!

At the beginning of June, Kiwanis International held a Regional conference/training session to familiarize the members of the Formula Team with processes, procedures and expectations. The Formula is a five-year, member-led initiative to strengthen Kiwanis membership.

The Formula was created in response to a multi-year, International-wide decline in clubs and membership. The specific goals are: build a growth leadership structure with 2,700 additional leaders, take Kiwanis to 1,650 new communities, and increase per club membership by a net average of 10 members over the next 5 years.

To help accomplish this in the District, I will be the Formula District Chair. Each Division will have a New Club Builder designated, and a Club Counselor designated, that will help the Lieutenant Governors with new and established clubs. What this means to the District is that we will have more leaders, KI investment, financial support, and opportunities for growth and club strengthening. What this means for each club is improved resources to support membership recruitment, and opportunities to ensure your club is strong and providing relevant service for your community.

What can you do as a member of your club? Talk about your club (love it, share it, live it). Sponsor a new member. Serve as a campaign leader. Share the excitement!

Within the next couple of months, you will be hearing more about the progress of the Formula project. I will be asking for more leaders to take Club Builder and Counseling responsibilities. You will all be asked to help identify new club sites to be evaluated by the team.

In my opinion, this project is vital for our KI Mission. With dwindling membership and clubs, it has started to affect the quality and quantity of the services we provide for our kids world-wide.

Please join the Formula Team & enjoy the benefits of increased service to the kids.

GOAL OF KIWANIS IS TO
SAVE THE CHILDREN OF THE WORLD
Wesley Sine, 2014 – 2015 Governor-Elect Candidate

Each year, Bonneville Kiwanis along with a number of other clubs in Utah recognize students in both sixth grade with the Hope of America Award and the ninth grade with the Freedom Leadership Award. I am always amazed at the great young people that are receiving these awards.

I was also present when $1,000 scholarships were awarded to two East High Key Club members. Of the five applicants, four came from families who only had mothers. No fathers were part of these young people’s lives. One girl had a 3.8 average and scored 35 out of 36 on the ACT. She was President of the East High Key Club.

Subsequently, I attended The Formula Project sponsored by Kiwanis International. While the staff was concerned with numbers, it dawned on me that yes we need numbers, lots of numbers, but not to stay up with previous years but to save the children.

The children in our schools that need to learn leadership skills and find serving their community their cause. That vehicle to save the children, is the K-Kids, the Builders Clubs, the Key Clubs, and of course the Circle K. Many young people do not get the experience of leadership that is found in many of the Churches of today and they look elsewhere for gratification of service falling into the pit falls of gangs or enhancing drugs.

Kiwanis’ problem is that we do not have enough members to serve all of the Elementary Schools, the Middle Schools, the High Schools and the Colleges in our areas so these programs suffer. Kiwanis’ goal is to save the children of the world one child at a time. While we are doing this is the maternal tetanus program, there is an even greater need in our neighborhoods and cities. That is the program of teaching leadership and service which found in our youth programs.

Each of us should familiarize ourselves with the various Kiwanis Youth Programs and go to our friends to join us in promulgating these programs to our educational institutions. Our school educators feel alone in their battle to save America’s children. We Kiwanians must step forward and support them with our Youth Programs. This is especially true in the Title One Schools.

Join me in bringing your friends together to help save the children of the World, our World Utah - Idaho. This is our cause and we have to shout it from the roof tops. Friends join us to save our kids.

AN OUNCE OF CONVENTION
IS WORTH YOUR CLUB FOR SURE!
James (Jim) Vaughan, 2014 – 2015 Vice Governor-Elect Candidate

Kiwanis International holds their annual Convention at various locations around the world. This year Kiwanians will meet in Japan—I do hope you will attend. Sandy and I are very excited to be part of the exodus to what I feel will be one of Internationals best ever.

The various Districts hold conventions throughout the year, usually located in the cities most easy to reach for the members, and they too offer many exciting moments. The next Utah-Idaho District Convention is almost upon us, being held August 1-3, 2014 at the Clarion Inn, Pocatello, Idaho. See your U&I Kiwanian June / July issue for more details. District Conventions offer training classes, luncheons and banquets, and a host of the fun outing things that offer interaction with other District Kiwanians. Renew old friendships, or create new ones is the norm of these fine gatherings.

Pocatello is a fun city, with many lovely sights. Someone made a great choice for this Convention location. Plan to join us in August for a super time to share ideas or learn new ones to give your Club a booster shot of knowledge for the coming year!

YOUTH PROTECTION BEGINS
WITH EACH OF US
By John Brown, Youth Protection Chair

Kiwanis International requires Governors, Governors Elect, Vice Governors and all Service Leadership Program Chairs to have a background check.

Kiwanis Clubs are requested to have background checks for all of their Kiwanis Club Service Leadership Program Advisors.

Several clubs in the Utah – Idaho District of Kiwanis have policies requiring background checks on all members of their clubs.

It is in the best interests of the children we serve and in the best interests of our clubs for each of our members to have a background check. Currently this level of protection is not required by Kiwanis International. I feel that, in an abundance of caution, this is a very good idea.

As Kiwanis members, we cannot and should not be too careful when dealing with our young people.

Plan Youth Protection Week
Kiwanis is committed to protecting children—and your club members. Is your Kiwanis club ready to act according to the highest standards? Youth Protection Week, September 7–13, 2014, is the perfect time to make sure.

Start planning now so in September you can:

After completing the training, you and your club members should be able to understand the youth protection guidelines; protect yourselves and the youth you serve; identify troubling behavior or abuse; and respond appropriately if a child discloses abuse to you or if you witness troubling behavior. Prepare for Youth Protection Week, September 7–13 now (http://www.kiwanis.org/kiwanisone/lead/risk-management/youth-protection-week-U6ApvJRdVmg).
Kiwanis International understands that financial protection is an important component of a strong Kiwanis club. That’s why Kiwanis provides general liability insurance that’s dependable and affordable.

Kiwanis International General Liability Risk Management Information for 2013–14 (policy period November 1, 2013–November 1, 2014) is sent each year to your club secretary and recommended for your Appointed Safety Coordinator and available online at http://www.kiwanis.org/kiwanisone/lead/risk-management#.U5tw-vldV8E. Use this guide to make your general liability insurance a well-integrated part of your club’s operations. Also, If your club does not have an appointed Safety Coordinator, please add this to the agenda for your next board meeting!

As you review the contents, you’ll find important information about your club’s coverage. You’ll also find tips and guidelines for using it in connection with club functions and activities — as well as samples of forms and a handy loss prevention worksheet.

As you may know, the fee for general liability insurance is included with your club dues billing. If your club is in good standing, the fee (US$12 per member) is already paid.

In addition, please note these important facts:

• Directors’ and officers’ liability insurance and crime insurance are not included with this general liability insurance program. Each of those coverage options can be purchased separately. Information is available at www.KiwanisOne.org/liability (click on Optional Insurance Resource Guide).

• This general liability insurance does not include workers’ compensation, property and other special-category insurance. Clubs must purchase those forms of coverage on their own.

• If a claim arises from an activity that is not covered, any claim costs and legal fees are the club’s responsibility.

Please give this guide to your club’s safety coordinator. If your club doesn’t have a safety coordinator, appoint one as soon as possible. The position of safety coordinator is designed to help reduce potential risks during club activities. Reduced risk helps reduce insurance expenses—which keeps coverage like general Liability insurance affordable for Kiwanis clubs.

Visit the Kiwanis website for Risk Management Resources, the Club insurance guide, background checks (New!), Certificates of Insurance, Hold Harmless Agreement and sample waivers. How to report a liability claim, Incident Investigation reports and loss prevention worksheets and more.

Thank you to the Utah-Idaho Clubs who are doing a great job at keeping our activities safe and free from accidents and losses.

Yours in Service,

Lori L. Bergsma, Utah-Idaho District Risk Manager (208) 736-8111/ (208) 350-6221 lori@balancedrockinsurance.com

BUILD PLAYGROUND TO CELEBRATE KIWANIS’ 100TH ANNIVERSARY

As your club starts planning to celebrate Kiwanis’ 100th anniversary, consider honoring your community with a legacy gift of play from Landscape Structures, a Kiwanis Vision Partner.

Landscape Structures has created three personalized designs that showcase Kiwanis’ 100th anniversary to match your community needs and budget. Why not make it your 2015 Kiwanis One Day project and engage your entire Kiwanis family with a community playground build?

Start with Landscape Structures’ playground planning guide, discuss the idea with your club and contact your local LSI playground consultant for ideas. What a way to ring in 100 years of service to children!

Think about this: Kiwanis clubs enrich their communities with six million hours of service each year. Think about what could happen if we shared our stories and inspired others.
SPREAD KIWANIS’ IMPACT TO NEW COMMUNITY

Many Kiwanians find that sharing the Kiwanis experience can be their greatest service reward. That’s The Formula at work: sharing something you love so others can love it, too. You’re leaving a legacy of service when you open a new club. But don’t take our word for it: see why some seasoned new-club builders enjoy the process.

New clubs need encouragement and guidance—and that requires access to experienced, effective leaders. That’s the role of a new club opening team. Team members and the sponsoring club can gain insights, skills and energy they can channel into improving their own club experience.

Learn more about The Formula (http://www.kiwanis.org/theformula/what-s-your-formula#.U3zKzSgzia4) and bringing Kiwanis to new communities at www.kiwanis.org/newcommunities. If you’re interested in leaving your own Kiwanis legacy, email us at TheFormula@kiwanis.org to ask about potential new club sites near you.

HAVE YOU TOLD SOMEONE WHY YOU LOVE KIWANIS LATELY?

Every day more Kiwanians are shaping the future of their clubs and the service that impacts their communities by using The Formula: Love it. Share it. Live it. You can use it too, when you:

1. Think about what you love about your club.
2. Tell other people.
3. Do more of the things you enjoy—and invite others to join you!

Visit www.kiwanis.org/formulaprogress to see how other members like you are sharing Kiwanis with others. Now it’s your turn! Have you told someone why you love Kiwanis lately?

MAKE A GIFT TO HONOR SOMEONE WHO DESERVES RECOGNITION

Club members who give their all in service to the children of the world should be honored with something that’s as special as they are. Consider naming a top member of your club to the Kiwanis Leadership Society with a gift of US$250 or more to the Kiwanis International Foundation.

And with a gift of US$1,000, you can recognize a leader’s exemplary service with membership into the George F. Hixson Fellowship.

District convention is the perfect time to honor your most dedicated members. Consider these and other Kiwanis International Foundation recognition options (http://www.kiwanis.org/foundation/give-and-extend-your-kiwanis-impact/donor-recognition#.U3zQKygzia4), and then order your recognition at least six weeks before your presentation to allow ample time for processing. Or make a gift online quickly and securely right now (https://secure.qgiv.com/for/?key=kif).

WHEN YOU GIVE TO THE FOUNDATION, YOUR DISTRICT BENEFITS

Did you know that gifts in your district to the Kiwanis International Foundation come right back to benefit your district? Five percent of each district’s individual and club gifts return as grants to provide scholarships and/or support the district’s donor recognition activities at one major conference each year. It’s that easy. No applications needed.

So, the more you give, the more you’ll get from the Kiwanis International Foundation (http://www.kiwanis.org/foundation). Give today (https://secure.qgiv.com/for/?key=kif).

SEE FOUNDATION GIFTS AT WORK

Find out how your gifts to the Kiwanis International Foundation have made an impact with one simple click.

ANOTHER COUNTRY HAS ELIMINATED MNT

Madagascar has been declared MNT free. The number of countries that have eliminated MNT now stands at 35. However, there are still 24 countries and millions of lives at risk. We have made great strides in ensuring no mother anywhere needs to worry about losing her baby to tetanus. Now is the time to pledge your club’s commitment to UNICEF to meet our goal by the time we celebrate our 100th anniversary in June of 2015.

Utah Idaho District has increased its gifts and pledges by almost $40,000 during the past six months, now totaling $253,556.36. Sixty three per cent of our District clubs are participating in Eliminate.

- We have six clubs who have committed to be Model Clubs: Bonneville Salt Lake City, Logan, Rexburg, Twin Falls, Heber Valley and Treasure Valley of Nampa.
- One club, Rupert, has pledged as a Silver Club.
- Two clubs, Tooele and Spanish Fork, have committed as Bronze Clubs.
- We have two individual gifts from Patty Lopshire and Barry Wood and two corporate gifts from Chevrolet of Twin Falls, and Egbert’s Idaho Inc.
- Forty two Key Clubs have contributed gifts to a total of $15,103.25.
- Thirty nine Zeller Fellowship Awards have been given. The Utah Idaho District has given 4,482.97.

District Convention is a great time to consider making an individual gift to Eliminate or pledge your club as a Model or Silver Club. All newly pledged clubs will be recognized. Join the morning walk and invite your club to sponsor you to raise funds for Eliminate. Share your clubs successes with others and if your club is considering a pledge, schedule time with your District Coordinator or other clubs to get more information.

Now is our time to make a difference for the children of the world. As we enter the final year of the campaign, the “Year of Celebration,” we need the support of the entire Kiwanis family. Women and babies in 24 countries are counting on Kiwanis to eliminate maternal and neonatal tetanus once and for all.
MODEL CLUBS MAKE THE DIFFERENCE

The only way to eat an elephant—especially one as large as The Eliminate Project: Kiwanis eliminating maternal and neonatal tetanus—is one bite at a time. That’s why Model Clubs are essential for Kiwanis’ success.

Join the 714 clubs that have already become Model Clubs for The Eliminate Project. Model Clubs pledge to contribute an average of US$750 per member over five years. That’s US$150 per member a year, which is less than US$13 a month and less than US$0.50 a day. The commitment sets a fundraising goal for a club, but it also sets an example to other clubs and people in your community. And each member will save or protect 416 lives.

Find what you need to know about becoming a Model Club at http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/Recognition/ModelClub.aspx and complete your commitment form today!

**PROUD PAST, BRIGHT FUTURE**

Erected to make the way easier and safer for those who follow, an Inukshuk represents safety and nourishment, trust and reassurance. It symbolizes cooperation, balance and unselfishness. Each stone, while separate, supports and is supported by the one above and below it. No one piece is any more important than the other. As we Kiwanians celebrate 100 years of service and enter our second century, the message of the Inukshuk shows us The Way Ahead.

DISTRICT COMMUNICATIONS IMPROVEMENT PROJECT

Fellow Kiwanians in the Utah – Idaho District,

With the start of this Kiwanis year we began our District Communications Improvement Project. The project includes using the e-mail solution that Constant Contact offers to help improve our communications in the District.

The District has desired to provide better and timelier communication to the membership about upcoming Local, Division, and District events, and any other circumstances that would require quick communication. Also, to have a vehicle that is available to the clubs to use as a way to communicate the things they are doing that others in the District and area could participate in.

The sooner everyone in the District who wants to receive information directly from the District is in Constant Contact, the sooner it will become a valuable tool for everyone in the District to use. However, before members e-mail addresses can be entered into Constant Contact they need to opt-in. Opting in can be done on a club basis by filling out the form included in this issue of the U & I Kiwanian or individually by going online to the District Website (www.uikiwanis.org) and clicking on the link on the homepage that says: “Click Here to Sign-up to Stay in Touch with the Utah - Idaho Kiwanis District by E-mail”

To make this an effective tool for everyone in the District, each Club is being asked to provide a list of those members who have e-mail addresses and who want to receive e-mail communication through it. To date about 25% of the District Membership is in Constant Contact. Those clubs haven’t yet submitted your lists, please do so as soon as possible.

The lists can be submitted to either Kelly Ryan Rush or myself. When we get them, we will enter them into Constant Contact.

ATTENTION DISTRICT CONVENTION ATTENDEES!!

One of the workshop offerings led by the two Pocatello club officers, “I LOVE MY CLUB!” will be a session for Kiwanians to brag and share great/good ideas about what your club is doing.

In order to have an opportunity to present your idea to the group, you will need to contribute to the Eliminate Project by giving $5 to the “Thunder Mug”.

It will be worth the $5 to brag about your club to others in your district. It would be helpful to bring a written description that can be shared in subsequent issues of the U-I Kiwanian.

Bring your club’s good ideas for service projects, fund raisers, meeting ideas and share reasons why you LOVE YOUR CLUB.
I would like to begin by sharing a quote from Connie Hodson. Connie wrote this after we had the regional training in Utah last month. Many others shared her same sentiment and were truly pleased by the content as well as the format of these regional trainings.

“We have been members since 1998. We have served in all of the positions and attended many conventions. By far this was the best that have ever attended. I asked my husband about it on the way home. His comment was it was simple. My thought was I received what I went for. Thank you for all of the efforts.”

Dick and Connie Hodson

In order to continue with the same spirit and making sure you get the information you came for there are many people putting in great efforts to make this convention the BEST one ever! (Thank you Pocatello club for your efforts and your hospitality!) The Board of Trustees, planning committee and your fellow members are excited to have you join us for this year’s Annual Convention. The Pocatello club has been working hard to provide a fun, relevant agenda along with many activities to keep your family members busy while you are learning all things to better your clubs and your Kiwanis knowledge. Annual Convention is also a great time to learn from others, build relationships, and get ideas about fundraisers and service projects that help build stronger clubs.

Also, we will be having the House of Delegates on Saturday afternoon. This is where you see the dynamic governing that happens at the district level, which YOU may be a part of. Make sure your club assigns who will represent them in the House of Delegates and be sure to get the enclosed form back to me no later than July 24th, 2014. You can scan and email it to kryan@clearvoicetel.com or mail it to:

Kelly Ryan Rush

Registration is ready and you can either fill out the form in this Kiwanian or go to the District website uikiwans.org. Thanks Gordon for pulling all of this together!

I truly can’t wait to see all of you there!

All my best,
Kelly Ryan Rush

KIWANIS AWARDS

“Volunteers don’t get paid, not because they’re worthless, but because they’re priceless.” — Sherry Anderson

What gets recognized gets repeated. The ripple effect of recognition helps build a culture of appreciation, which is an important way to show members they’re valued. You can recognize exceptional members with any of the following awards.

Ruby K Award

Honor Kiwanians who recruit five or more new members during their Kiwanis career with a Ruby K Award, free of charge. Ruby K pins recognize members for inviting new members—from five to 100 people. (Further Ruby K awards are given for multiples of 25 over 100.) The award is cumulative, so previous recipients are eligible for a new Ruby K when they invite additional members.

Distinguished members

Kiwanis International gives “distinguished member” awards to Kiwanians who meet established criteria that demonstrate special dedication to service, membership strength and Kiwanis education. Distinguished members receive a lapel pin and special recognition at the Kiwanis International convention. These awards also recognize exemplary clubs and divisions.

Life membership

Thank a member who has demonstrated exemplary commitment to the Objects and objectives of Kiwanis International with life member status. A gold-tone membership card, desktop award, distinctive lapel pin and lifelong exemption from Kiwanis International dues are some of the ways life members are honored.

Legion of Honor

Honor members who have served in Kiwanis for 25 years or more with the Legion of Honor award. They deserve recognition for helping to make Kiwanis the great organization it is today. Certificates signed by the Kiwanis International president and executive director, as well as lapel pins that reflect the highest office held by the honoree, are available for presentation.

For additional information on these forms of recognition, call Kiwanis International at 1-800-KIWANIS (U.S. and Canada) or +1-317-875-8755 (worldwide), ext. 411. Or email memberservices@kiwanis.org.

As part of The Formula, special awards are being established to recognize those who actively work on strengthening clubs and our organization as a whole. More information will be available soon.

COMMUNITY IMPACT

Since October 2013...

Shape the future of your club and the service that impacts your community.

A net increase of 7,887 Kiwanians have joined the Kiwanis family. 1,090 leaders have made strengthening Kiwanis a priority. Kiwanis clubs have been opened in 100 new communities.

CREATING PUBLIC AWARENESS

No one shares your club’s stories like members of your own club. Start sharing your news—using the tools and advice available in the Public relations toolkit for club strengthening.

The resources in this toolkit are designed to help you publicize and market your club’s activities and service projects in a professional and well-branded way. By doing so, you can help build awareness and understanding of the ways Kiwanis improves the lives of children and youth, locally and globally.

The toolkit offers you tips and tricks for publicizing your club’s activities, whether it’s a first for your club or a tried-and-tested project you’ve been doing for years. It will help you:

• Determine who to pitch a story to
• Learn how to approach the media with an intriguing story
• Prepare for and conduct interviews

Additional resources you can find on the Promote your club section of KiwanisOne.org include:

• Print and broadcast public service announcements (PSAs)
• News release templates
• Communications resources
• Logos, graphics and images
• Club website tools

CALVIN "CAL" MCPHIE
1923 - 2014
Bonneville Kiwanis Club Member

Murray, Utah—Calvin "Cal" McPhie died June 8, 2014 in Murray Utah at the age of 90. He was born on September 10, 1923 at home in Salt Lake City, Utah. Cal was the seventh of nine children born to Joseph Hyrum and Ruby Larsen McPhie. He married the love of his life Dodie Butters on October 20, 1950. Dad grew up in the Old Pioneer stake during the Great Depression. He was a proud graduate of West High School.

Cal was very proud of his military service in the Navy. He loved his country and the freedom we all share and enjoy. Dad served on the USS Finback whose many missions included rescuing a shot down pilot by the name of George HW Bush, who would later become the 41st President of the United States. Cal loved being a submariner and as an active veteran he shared his story with civic, school and church groups. Dad has been instrumental in getting the ball rolling for the Submarine Memorial and has been actively pursuing the relocation of the coning tower from the retired Nuclear Sub USS Salt Lake City.

Right after the war Cal started working at Alta Ski Area. Skiing was a passion he shared with his wife and children. After dad and mom were married dad became a welder. He was very good at his profession. His specialty was repairing crane booms. He worked at Shurtleff and Andrews for what seemed like forever. We don't know if dad ever retired from there as he was still called in to do his specialty welding. Mom and Dad owned Little Mountain Ski area up Emigration Canyon starting in 1951. Anyone who was ever anyone learned to ski there!! It was a fun family place to introduce children and adults to skiing. And ski we did!!! In the mid 1960's Cal operated Gorgoza. It offered both night and day skiing, skating, tubing and the first toboggan run in Utah. Gorgoza was a favorite gathering place for many. Cal and Dodie were very active with the Intermountain Ski Association and Dad was honored at the Alf Engen Museum at the Utah Olympic Park. Cal was always thinking ahead and was truly a pioneer in the ski industry here in Utah.

He was accepting, non-judgmental, and quiet in faith, humorous, generous and kind. He was a joy to know and is loved and respected by many. To have Cal as a friend was to know he would always be there for you no matter what. He never asked why or what was needed, he just gave. Dad was a man of all men. Dad was a member of the Church of Jesus Christ of Latter day saints.

Cal loved each of his children and was proud of all of their accomplishments. He adored his grandchildren and in turn they adored him. He felt his family was rather remarkable.

Dad is proceeded in death by his parents and brothers Ruel, Mac and Reed, 3 sisters Jeanie, Beth and Virginia, 2 infant sons David, Mark and son Matt. Cal is survived by his loving wife Dodie, son Scott McPhie (Kristie) Bozeman Montana, daughter Lisa Cox, South Jordan and his brothers Jerry and Bill. Grandchildren Meagan McPhie Binenstock (Stuart), Mark Eagle McPhie, Heather McPhie, MacKenzie Cox (Cameron), Caitlin Cox, Mark Cox (Emily), Brent Cox (Megan), Cindy Winget (David), Karen Ford (Ryan), Darin Cox and Michelle Cox. Also surviving him are 10 great-grandchildren, and many beloved nieces, nephews and friends.

Dad could fix anything from the crack of dawn to a broken heart, we wish he were here right now to fix mom's. Love ya too much!!!!
