The first thought that came to my mind when Jim Spinelli and Lt. Gov. Trent Stimpson talked to me about taking on the position as Utah-Idaho Governor was “Are they serious?” After sharing their vision for the U-I District and with the enthusiastic support of Past Governor, John Brown, I began to believe that this is something I would like to be a part of to make a difference ultimately for the children and youth in our communities.

Later that Fall, I attended the Governors training conducted by the Kiwanis International Staff and led by Dr. John Button, Kiwanis President-elect. A Canadian, Dr. Button chose as his theme for 2014-15, “The Way Ahead”. This featured the “Inukshuk”, stones placed on top of each other, as the symbol for the year. I was very inspired and enthused by what can be accomplished in our district as we join together. Following Dr. John’s lead, the theme I’ve chosen is “The Way Ahead: Celebrating 100 years of Service, Fun & Fellowship.”

What is an Inukshuk? Dr. Button tells us “Across Canada’s north, the Inuit people erected stone monuments called Inukshuks to serve as navigation and direction markers in the harsh and desolate Arctic. These primitive stone images showed the way ahead.”. The Inukshuk guided people across the frozen tundra and gave them hope in barren places t...

That’s exactly what I want for the over 50 clubs in our two states. We’ve defined our goals for the next several months. We have a vision of the direction of what we want our district to be. Simply, the Utah-Idaho Kiwanis District for 2014-15 has three markers (Inukshuks) that point The Way Ahead.

Marker 1. Kiwanis’ Centennial Celebration.

In order to properly celebrate the 100th year of the beginning of Kiwanis, I submitted a plan to the U-I Kiwanis Board at the end of the District Annual Convention in August. This would bring focus and inclusion on the 100 Year Celebration to all of the Utah-Idaho Kiwanis Clubs, and our goal is to have all of our clubs participate in the Division meetings. Here are some suggested ways to participate.

- Recognize the longest existing club and newest club in your division. A certificate/patch will be awarded.
- Clubs would bring any items of club history to share with the division. These could be pictures, meeting items, banners, scrapbooks to be displayed.
- Clubs could share significant events in their last decade of serving children.
- Invite a Centenarian from your community or club who would be awarded the “Utah-Idaho Kiwanis District Century of Service Award.”
- Identify a Legacy Project your club/division will be planning.

Each division’s Lt. Governor has been assigned a month to plan the Governor’s Division Meeting and details to be assisted by the division club presidents. We’ll only have one chance to celebrate the 100th year of Kiwanis beginnings. Let’s make it special not only for our club, but for our communities. (Continued on Page 2)
GOVERNORS MESSAGE (CONTINUED)

Marker 2. Legacy Birthday Present to the World.

We are nearing the culmination of the 5 years of planning and pledging for the $110 Million needed for the UNICEF elimination of Maternal/Neonatal Tetanus. Currently, over $61 USD million has been raised. Utah-Idaho has raised almost $300 thousand of our $775 thousand goal ($474/member). We have quite a distance to go to meet our challenge, but I have confidence that we can make great strides toward our goal. It’s going to take commitment and sacrifice on the part of each of us to make a difference for such a dreaded scourge of the world’s most vulnerable women and children. Announcing in 2015 that Kiwanis has been able to provide the means to Eliminate MNT would be a wonderful birthday present to the world.

What would my community look like if my Kiwanis Club was not present? Or let’s state it another way: What would my community or division look like if we could established one more club? It could mean that there are more hands available for service and making a difference for the children. It could mean more schools will have Service Leadership Programs impacting hundreds of children & teens. It could mean Key Leader Camps could be offered in Utah as well as Idaho. Kiwanis Clubs have something very valuable for each community. It’s time to come to understand what we love about it. It’s time to commit to living it and it’s very important that we share it. Several sites for new clubs have been selected, and as of this month, a new satellite of the Bonneville Club has been established in, Richfield, UT. The District Formula Campaign led by Past Governor, Jim Spinelli and co-chair, Wesley Sine, Governor Elect, are gathering leaders in the district to move forward in growing & strengthening clubs. I look forward to meeting many of you, hearing your stories of successful challenges, and celebrating the enterprise of service and improving our communities as we forge THE WAY AHEAD!

IDAHO FALLS CLUB’S ANNUAL KIWANIS TEEN FILM FESTIVAL FEATURED IN THE SEPTEMBER 2014 KIWANIS MAGAZINE

The Article: Making Movies: Young Artists Find Their Dreams Come Alive on Screen in Article, Story and Photos by Curtis Billue is found on pages 12 - 17 of the September 2014 Kiwanis Magazine Issue. The issue was distributed in early September but if you need a copy, you can go to the home page of the district website and click on the link to download a copy (.pdf). "The idea for the festival started in 2003, when Idaho Falls Kiwanis Club member Steve Parry saw his nephew’s snowboarding video and thought there should be a place for youth to show off their hard work. He took his ideas to his Kiwanis club, and together they started organizing the first film festival in 2004. "The Kiwanis Teen Film Festival has something for everyone. The master teacher, Paul Jenkins inspires his students. Parents, accompanied by other siblings, support their children. And the young filmmakers inspire the community with their visions of the world."
KIWANIS IS SERVICE
Wesley Sine, 2014 – 2015 Governor-Elect

Kiwanis is service. Service to the community by challenging our youth to be involved through service in CKI Clubs, Key Clubs, Builders Clubs, and K Kids. Service to the community through Key Leader programs. Service to the World by eradicating MNT.

Did you know that Kiwanis has an anti-bullying program? There is a Kiwanis program to meet every need of our youth. There is a program to serve as a compass for our youth to follow. The youth of today, are the best the world has yet produced. They have an internal desire to better the World, and thus justify their reason for existence. A reason to be part of the World. A goal to dedicate themselves to that will benefit mankind. That reason can be found through service through the youth programs of Kiwanis.

To produce those programs, we need more members in Kiwanis. We need to go to our friends and acquaintances and ask them to help us save the children of the World, One Child at a Time. Everyone wants to help the youth. We just have to let them know how Kiwanis can be the means and that they are needed to help in this great work.

The Bonneville Club in Salt Lake City started a Key Club at East High three years ago. They demonstrated to the administration of East High that they wanted to help the youth by giving away two scholarships, one to a boy and one to a girl. In conjunction with those scholarships, Bonneville wanted to form a Key Club to do service projects for the School. Last year five East High Key Clubbers received two One Thousand Dollar Scholarships and three Two Hundred Fifty Dollar Scholarships.

This year Bonneville has agreed to send two Key Clubbers to Key Leaders as a reward for outstanding service in their Key Club and have obtained a donation for the purchase of golf shirts for the members with the Key Club logo and Letter Sweaters with the Key Club logo for the Officers. It is anticipated that the students will wear their golf shirts and Letter Sweaters once each week on a predetermined day.

As I have mentioned in our last news letter, Kiwanis has the programs to help save the children of our communities from drugs and gangs by giving them an alternative of service to the school. Local Kiwanis Clubs simply have to start these programs.

Satellite Kiwanis Clubs: Bonneville Kiwanis started its first Satellite Kiwanis Club. When I wrote this article, they had had two meetings. Presently, the Satellite Club has scheduled speakers for the next two meetings. It is a slow process but by using the satellite program, the club meetings can be started immediately. Each of the new members receives a weekly newsletter, a computerized telephone call reminding them of their next meeting, and a schedule of the forthcoming speakers.

There seems to be a need for active clubs dedicated to helping the youth. The other service clubs are providing funds but not the organized youth programs. They are going through the motions without the actual production which they desire. Thus is a reason for Kiwanis to obtain new members to help with the youth programs. Members joining Service Clubs want to be actively involved in service.

A new horizon lies ahead, be a part of it and save the children of the World one child at a time.

A NOTE ON THIS ISSUE
It is my pleasure to bring you this 1st issue of our U & I Kiwanian. This is our annual roster issue, which includes the listing of those in Utah - Idaho District positions. Two Great Conventions—No Waiting!
Captain Jim Vaughan 2014-15 Vice Governor

What a great summer for Kiwanis, and Sandy and me! In July Sandy and I traveled to Japan for the Kiwanis International Convention. We both feel Japan was simply the best we have attended. Sandy and I also observed our 45th wedding anniversary the last day of activities, making the trip even more momentous. The Japan convention does not imply that the other 9-10 International Conventions we have experienced were “bad”, or lacking in something, but as an Airline Pilot I always observe how close the activities occur “on time”. In Japan, each day started per the time schedule, and ended right on the minute! Also, our flights on Delta were exactly on time, as well as our return to Salt Lake City from Seattle, actually arriving 17 minutes early.

The entertainment was top notch, with a Tokyo High School offering a choir and orchestra, an elementary school group that played drums, and, what I consider large xylophones. The afternoon included the special appearance of the Prince of Japan’s Imperial Family. The Prince spoke, and spent over an hour attending the Convention, listening to the speakers. When the time came for the Prince to depart, I was ever so proud to be a Kiwanian experiencing the respect and reverence shown to him and his entourage.

Our Utah-Idaho District convention in Pocatello early August went very well from what I saw. Hats off to the Pocatello and Bannock Kiwanis clubs for their hard work, hospitality and arranging the various functions. Due to work restraints, I arrived on Saturday just before lunch. Sandy had driven up the day before with Past Governor John Brown, and I thank John and wife Louise for attending to Sandy, and seeing to her needs.

It was great to see old friends again, and make new ones. I was impressed at the attendance numbers, and how well the Clarion Inn staff worked to make our convention a memorable experience. My personal thanks to all that worked on the “Pokie” convention!

If you are new to Kiwanis, make every effort to attend the conventions and learn as much information as you can absorb. Next years 2015 International Convention will be in “Indy”, the home base of Kiwanis! It will prove to be one super convention as it is the 100th anniversary of this great organization! Indy is a fun town, lots to see and do, so begin planning now for one fantastic time!

We Build Bridges For Children to the Future — It’s All About the Kids
Jim Spinelli, Immediate Past Governor, Utah/Idaho District

This was International President 2013-2014, Gunter Gasser’s theme for my class of 50 International Governors. With his guidance, we were allowed to interpret this mission for each of our Districts. This is because each district is in a “different place” as to projects, SLP’s, membership, cultures, etc. This was a return to the basic concept that “it’s all about the kids”, whatever we do.

I would like to do a “year in review” of some of the successes, and challenges left for us to continue to pursue with Governor Revis Turner this coming year.

For the past two years, starting with former Gov. John Brown, our district is being revitalized. We’ve made subtle positive changes that benefit the district, divisions, clubs, members and future members. Our recent annual convention in Pocatello, ID only cost $35 for registration to help increase attendance - up over 100% from last year! This event became a district team effort with the local area clubs as hosts (Pocatello and Bannock). The annual convention is now the convention for the incoming governor, not the outgoing, looking forward not backwards.

We now have a long range succession/replacement plan for Governor-Elects and a newly created position of Vice Governor as the 3rd seat in line for Governor, to be on the Senior Board of Officers. This creates a new level of leadership and continuity to complete long range projects and planning. With this, a 4-5 year long range district strategic plan is being developed.

Our district training program has been revitalized with more relevant and up to date information and skills, incorporating “hands-on” workshops. Training is now regionalized to bring the training to the field (UT & ID), and allow attendance at each if one is missed.

We implemented a 5 year growth program called the Formula (for growth) internationally. This is a plan to help clubs retain members, grow membership, and open new clubs in areas, that don’t have a Kiwanis club in their community that need our services.

One of the biggest bridges we built is communications – up, down and sideways! We are talking to each other and sharing more information. Constant Contact services have started to restore accuracy in member, club, division and district communications information. We increased inter-club visits. We are attending more events of other clubs, and offering help and suggestions. We are getting the media and the entire communities involved in what we are doing, and inviting more non-members to attend our service projects.

WE BUILD BRIDGES FOR CHILDREN TO THE FUTURE — IT’S ALL ABOUT THE KIDS

I am so grateful that you allowed me to be a part of this terrific year. I congratulate and thank everyone in the clubs, divisions, and district because each and everyone had a part to play this year in building the district and bridges for the kids.

Please join the District Officers, Board of Trustees, Lieutenant Governors, and Club Officers to support Governor Revis Turner’s vision for us - “The Way Ahead: Celebrating 100 years of Service, Fun & Fellowship”. Continue to grow our membership to serve more children and “lighten the load” of our member volunteers, find your replacements if you are an officer for overlap and transition, re-look at the service projects you are doing to make sure they are still valuable and relevant to community needs, if you need help ask for it, talk to each other and share, and most important - continue to have FUN!!.

SERVICE

Jim Fields, District Human & Spiritual Values Chair

As each has received a gift, use it to serve one another. (1 Peter 4:10)

Through Kiwanis, we are privileged to serve our communities. We serve physically through local club projects, and financially to regional and international projects. We are privileged to help people and youth in our communities. Working together on community projects is a great way to help and get to know other Kiwanians better. “Light is the task where many share the toil.” (Homer) And as important as group service is our individual attitude toward daily personal service.

We should go the extra mile to be of service in our communities. We need to think to ourselves “How may I help?”. Remember that our purpose is to serve others. Be proud of being able to see problems from the perspective of others.

As we assist others, there are two things for us to strive for:
1) never look another person in the eye and say that’s not my job; and
2) never leave a situation, where you could have improved someone else’s life, and then say I wish I had (done something).

Yes, never say ‘it’s not my job’ or ‘I wish I had.’ Service is important to understanding God’s wisdom. Proverbs teaches us that we must acquire wisdom. We must perceive the prudence of wisdom and use good sense. This gives us guidance to do the right thing. Value is what we give. It is something we add to others. So value what you give and what you add to others. Giving priority to something places it first in your life. People will listen longer and remember longer to what we do than to what we say. So add value to people around us by being responsive to unmet needs. As community leaders, we should strive to do something to help others every day. It needn’t be something grand. For example, we can make a difference, with an action as simple as smiling at a stranger in a store or on the street.

Live responsively and with integrity. For what we do every day affects both those around us and ourselves. As we serve we will positively impact those with whom we come in contact. Thus our small individual service footprints will leave the world a bit better place.

(Thanks also to The Proverbial Cracker Jack, by Dale Henry). Thanks, Kiwanians for all you do for others!
NEW! – DIRECTORS AND OFFICERS LIABILITY INSURANCE

Nobody expects to be involved in a lawsuit. But insurance is designed to protect against the unforeseen. In the U.S. and Canada, directors and officers liability insurance helps protect Kiwanis clubs, districts and members against such claims—so Kiwanians can concentrate on service and fellowship.

Kiwanis International’s new D&O Liability Insurance Program makes this coverage less expensive for most clubs in North America. In fact, the insurance costs just US$4 per member for Kiwanis clubs. For any club with fewer than 125 members, that’s a savings from the previous $500-per-club premium. The coverage is effective November 1, 2014 (the beginning of the policy year), and all clubs in the U.S. and Canada will be billed for this coverage with their dues billing.

Why coverage matters

D&O liability insurance protects club or district assets and the assets of members against the costs of lawsuits. Just a few of the potential costs covered are employment practices liability (including accusations of discrimination, sexual harassment and wrongful termination), allegations of mismanagement of funds, failure to enforce bylaws and violation of state/provincial and federal bylaws.

D&O liability insurance protects the club or district itself as well as directors and officers—and it also includes committee chairs, other club members and even volunteers and employees. Thanks to the broad coverage, financial protection can even extend to foundations, and the Key Club and Circle K International clubs that a Kiwanis club sponsors.

What does the premium pay for?

For Kiwanis clubs, the low per-member cost of D&O liability insurance pays for the premium and a small administration cost. It also helps fund Kiwanis International’s payment of the US$50,000 deductible. (The deductible is paid by Kiwanis International and is not the responsibility of the club)

The premium can be paid from the club or district’s service account. As with general liability coverage, the premium will be automatically included with the dues billing. The claim process is also the same as for general liability insurance.

Questions?

More details about the coverage will be available in Kiwanis International’s annual insurance guide. If you have questions or comments, you can contact Kiwanis International Risk Management at riskmgmt@kiwanis.org.

UTAH - IDAHO DISTRICT
"100 YEAR PIN FOR UT/ID DISTRICT MEMBERS"

In celebration of our Kiwanis International 100 Year Anniversary, the district designed a fantastic commemorative lapel pin for this momentous event, highlighting UT/ID District, thanks to the art work design by Div. 1, LTG Dick and Marilyn Sanford. The pin is 1 inch wide, silver with white “K”, and a blue and silver banner on the bottom. These pins are available for sale at $10 each. They will be available for your LTG’s to pick up for you, at the October Board of Trustees meeting in October. So, place your order, with payment, to your LTG to be purchased at the BOT meeting in October. All proceeds from the sales will be going to the Utah - Idaho District Foundation.

**PROUD PAST, BRIGHT FUTURE**

Erected to make the way easier and safer for those who follow, an Inukshuk represents safety and nourishment, trust and reassurance. It symbolizes cooperation, balance and unselfishness. Each stone, while separate, supports and is supported by the one above and below it. No one piece is any more important than the other. As we Kiwanians celebrate 100 years of service and enter our second century, the message of the Inukshuk shows us The Way Ahead.

PARK CITY CLUB IS NOW OPERATING AS AN INTERNET CLUB

As you may have noticed in the Roster the Park City Club is now an Internet Club. This provides an excellent opportunity for have people join this club from throughout the district who for whatever reason can't make it to meeting in a physical location but would be able to participate online. Keep this in mind for those that fit that situation. Additionally, anyone in the district who would like to participate in an internet club is invited to contact the Park City Leadership. Reverend John Jaster

Cedar City

It is with heavy hearts that the family of the Reverend John Jaster of Cedar City announce his passing at the age of 76 on the morning of January 15th, 2014 at the home of his daughters in Las Vegas surrounded by his wife, Millie, daughters Sharon and Karen and son Mark. It was a blessing that his Lord took him to his Heavenly home when he did to spare him from further pain in his battle with cancer. In his ministry, Pastor Jaster helped build churches, congregations, relationships, faith, and so much more. His work is now done, but we continue it in his memory.

John was born on February 4, 1937 to Catherine (Skooglund) and Arthur Jaster in Vancouver, WA. After high school, he attended Concordia College in Portland, OR and Concordia University in Fort Wayne, IN, receiving a Bachelor of Arts degree. He received his Masters of Divinity from Concordia College in St. Louis, MO.

In 1962 John married his loving wife Millie Lotz. In the summer of 2012 they celebrated their 50th wedding anniversary. John and Millie had four children together: sons Mark of Las Vegas, NV, Craig of La Quinta, CA, daughters Sharon and Karen both of Las Vegas, NV. While attending school John played football, basketball, baseball, and golf. He continued his love of sports while watching his children participate in many athletic endeavors as they grew up. Long after his children had left the nest John was an enthusiastic spectator of local sporting events wherever he lived, but most recently found a home as an avid fan of Southern Utah University athletics.

A favorite family anecdote told on many occasions remembered young John helping his Grandpa Carl Skooglund build homes during summer breaks. Grandpa Carl knew John was studying to become a minister and would yell out, "Plaster faster, Pastor Jaster or you will never get done!"

For the past 52 years Pastor Jaster served churches in Illinois, California, Nevada, Arizona and Utah. He began his 10 years of service at Trinity Lutheran Church in Cedar City, Utah in February of 2002. During most of that period, he also drove to Richfield on Sunday afternoons to hold services at Good Shepherd Lutheran Church there. John was also very active in the Cedar City community, participating in organizations such as the Kiwanis Club and the Music Arts Festival. He was also instrumental in forming the Cedar Area Interfaith Alliance (CAIFA) and helped orchestrate the first National Day of Prayer breakfast in Cedar City sponsored by CAIFA which continues as an annual event here. Following his retirement from Trinity, Pastor Jaster served for many months as Pastor at Our Savior Evangelical Lutheran Church in St. George.

John Jaster leaves behind his loving wife Mildred (Cedar City, UT); brother David (Marbella, Spain); sons Mark (Las Vegas, NV) and Craig (Denise) (La Quinta, CA); daughters Sharon and Karen (Las Vegas, NV); grandchildren Luke (St. Louis, MO) and Leyna (La Quinta, CA).
