I would like to personally thank all Utah-Idaho Kiwanians in their dedicated service to Kiwanis and the youth in each of our communities.

I am proud to be a Kiwanian. I am encouraged by the many clubs who are at work by their efforts to…
- provide food for food banks and others in need;
- raise funds for shelters and disadvantaged youth programs;
- promote community service among our Service Leadership to youth and children’s programs;
- provide service to meet the needs in the community;
- make it possible for children and families to experience the joy of the holiday season.

Thus, it is very appropriate that I wish you a Happy New Year! We are now beginning our 100th year celebration for 2015. Many events are planned and the first of those will take place to honor the founding of the very first Kiwanis Club in Detroit, MI.

U-I Kiwanians will have three separate ways to celebrate the Centennial Birthday.

First, the International 100th Anniversary Celebration to be hosted by the first Kiwanis Club in Detroit will have several U-I Kiwanis representatives present. Those of us who attend will be more than willing to share our experiences with you.

Second, a trip to the 100th International Convention in Indianapolis will be a highlight of the summer and our goal is to have a large delegation from our district. The trip planning committee led by Past President, Jim Spinelli, is working on a plan to get us there as a group. Look for details in the by the Mid-Year Training events. (A survey has been emailed to all district members. Deadline for submission is February 28, 2015.)

Third, the Utah-Idaho District Annual Convention held August 7-9 in Ogden, UT will not only focus on the International Celebration, but we will observe the 96th Year of Kiwanis in the Intermountain states.

Even though that’s enough to create a party, there’s more. As Governor, I am working with Division Lt. Governor’s to set dates to recognize persons who will be awarded the U-I District “Century of Service” Awards. We want to celebrate the accomplishments of those who have served the children in our communities over the years.

And finally, the International Service Project, The Eliminate Project, will conclude its pledging drive at the convention in Indianapolis in June with the culmination of raising and pledging $110 million USD. The U-I Eliminate Coordinators, Cheryl Juntunen and Barbara Mullins, will lead our District Annual Convention in August with the final push to raise our district goal of $800,000 USD. A Centennial Quilt will be raffled for the Eliminate Project at the District Annual Convention in August.

**CENTENNIAL QUILT RAFFLE FOR THE ELIMINATE PROJECT**

The Utah-Idaho Centennial Quilt for the 2015 Governor’s project was designed and crafted by Mrs. Rita Blevins of Afton, TN. The quilt is a “Memory” pattern and is made for a King size bed. The center of the quilt features the 2014-15 Class of Governor’s Theme and Logo “The Way Ahead” as well as the U-I Theme of “A Century of Service”. Each Kiwanis Club in the U-I District is embroidered into a white square with its name and date of charter.

Proceeds from the quilt will be donated to the Eliminate Project. Last year’s quilt raised $2500 for the Eliminate Project. Will we top it this year? Tickets are now available by contacting Governor Revis Turner (revisturner@outlook.com). Donations for tickets are as follows:

- $5 per 1 ticket
- $10 for 5 tickets
- $15 for 10 tickets
- $20 for 20 tickets

I am not a mathematician or a rocket scientist, but I am positive that if our District gains more members that are strategically located in areas that do not have Kiwanis involvement; we can increase the quality of life for our kids.

Gov. Revis Turner & I would like to ask each Lt. Gov., Club President, and member to identify at least one location in their geographical area, where a new Kiwanis Club would benefit the community by serving the children. This isn’t a major undertaking, but requires an honest, committed attempt to identify areas where we can serve the children. It can be as simple as devoting 1 club meeting to brainstorm this idea. Then follow the lead to the community and talk to the Mayor, City Council, Dept. of Health and Welfare Services, School District, etc. to see if their community needs are being met by their city or other service clubs. If their children’s needs are being met – go on to the next opportunity. If not, you just struck Kiwanis Gold!

Please contact Revis Turner, Jim Spinelli (Formula Growth Chair), Wes Sine (Gov. Elect & Formula Co-Chair), and/or Jim Vaughan (Vice Gov.) for assistance.

**UTAH – IDAHO KEY LEADER**

Key Leader changes lives! Key Leader is a program for today’s emerging leaders. This life-changing event focuses on service leadership as the first, most meaningful leadership development experience. A Key Leader will learn the most important lesson of leadership—leadership comes from helping others succeed.

Participation in the program begins with attending a Key Leader conference, which is a weekend retreat for teens age 14–18. Workshops, lectures and team-building activities take place over the course of the weekend, providing opportunities to grow in confidence, make new friends and learn skills that can be taken back to the school community. Positive interaction with other Key Leader “graduates” can offer continuing reinforcement, encouragement and growth of leadership skills.

Since 2005, there have been more than 16,000 graduates throughout the United States, Canada, Grand Cayman, Brazil, El Salvador, Singapore and Malaysia.

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them. (John F. Kennedy)

At this time of year, I like to reflect about the wonderful things people have done for others over the Christmas holiday and throughout the past year. Volunteers are among my greatest heroes. When someone gives, at least two people benefit – the person receiving and the person giving. Thanks to all of you Kiwanians. Thank you for volunteering unselfishly of your personal time and funds to help others. Your efforts make a difference in our communities.

There is as much greatness of mind in acknowledging a good turn, as in doing it. (Seneca) One of the hardest things I learned came from my wise wife. It was the simple act of just saying ‘thank you,’ when someone acknowledged something I had done. Like you, I try to give service because it helps others, not to be recognized. In fact, it has sometimes been embarrassing when someone acknowledged my efforts. In our culture, many of us have been taught to essentially reply “ah, shucks, it was nothing.” when our efforts may have required considerable effort. But, as my wife said, someone who acknowledges you doesn’t want you to make a big thing about their words or have you underplay your efforts. Just reply to them ‘thank you.’ They appreciate this quiet acknowledgement of their thanks.

This is a good time for us to thank those in our clubs who have helped our community efforts. Someone needs to plan, organize and follow through on club and community projects. Let’s tell them how much we appreciate their efforts to help make our communities better places for all of us. Our gratitude and expressed appreciation will also help keep them willing to be active with projects in the future. Now is also a perfect time to tell the officers, board members and committee members of our clubs thank you for the extra time they spend. And don’t forget to thank the officers of our District and Divisions.

He enjoys much who is thankful for little; a grateful mind is both a great and a happy mind. (Thomas Secker) Studies have shown that happiness is not dependent on income, social position or age. As Melody Beattie said, Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend.

So, let’s be grateful for what we have. Let’s continue to give to our communities. And Let’s tell those around us that we are grateful for them and what they do. Thanks, Kiwanians, for all you do for others!

KIWANIS IS SERVICE

Kiwanis is service. Service to the community by challenging our youth to be involved through service in CKI Clubs, Key Clubs, Builders Clubs, and K Kids. Service to the community through Key Leader programs. Service to the World by eradicating MNT.

Did you know that Kiwanis has an anti-bullying program. There is a Kiwanis program to meet every need of our youth. There is a program to serve as a compass for our youth to follow. The youth of today, are the best the world has yet produced. They have an internal desire to better the World, and thus justify their reason for existence. A reason to be part of the World. A goal to dedicate themselves to, that will benefit mankind. That reason can be found through service through the youth programs of Kiwanis.

To produce those programs, we need more members in Kiwanis. We need to go to our friends and acquaintances and ask them to help us save the children of the World, One Child at a Time. Everyone wants to help the youth. We just have to let them know how Kiwanis can be the means and that they are needed to help in this great work.

The Bonneville Club in Salt Lake City started a Key Club at East High three years ago. They demonstrated to the administration of East High that they wanted to help the youth by giving away two scholarships, one to a boy and one to a girl. In conjunction with those scholarships, Bonneville wanted to form a Key Club to do service projects for the School. Last year five East High Key Clubbers received two One Thousand Dollar Scholarships and three Two Hundred Fifty Dollar Scholarships.

This year Bonneville has agreed to send two Key Clubbers to Key Leaders as a reward for outstanding service in their Key Club and have obtained a donation for the purchase of golf shirts for the members with the Key Club logo and Letter Sweaters with the Key Club logo for the Officers. It is anticipated that the students will wear their golf shirts and Letter Sweaters once each week on a predetermined day.

As I have mentioned in our last news letter, Kiwanis has the programs to help save the children of our communities from drugs and gangs by giving them an alternative of service to the school. Local Kiwanis Clubs simply have to start these programs.

Satellite Kiwanis Clubs. Bonneville Kiwanis started its first Satellite Kiwanis Club. They have had two meetings. Presently, the Saellite Club has scheduled speakers for the next two meetings. It is a slow process but by using the satellite program, the club meetings can be started immediately. Each of the new members receive a weekly newsletter, a computerized telephone call reminding them of their next meeting, and a schedule of the forthcoming speakers.

There seems to be a need for active clubs dedicated to helping the youth. The other service clubs are providing funds but not the organized youth programs. They are going through the motions without the actual production which they desire. Thus a reason for Kiwanis to obtain new members to help with the youth programs. Members joining Service Clubs want to be actively involved in service.

A new horizon lies ahead, be a part of it and save the children of the World one child at a time.
Dear Kiwanians,

Happy 100th Anniversary. You are part of Kiwanis’ century-long legacy of serving the children of the world. For me, it is humbling to be part of an organization that is helping countless people around the world. I trust you have the same feeling.

As we celebrate our 100th Anniversary in 2015, I invite you to be part of Kiwanis’ anniversary gift to the world—a world free of maternal and neonatal tetanus. When I went to Guinea in 2012 to review the progress of our investment in The Eliminate Project, a group of mothers gave me faith that elimination of MNT is possible. These 12 women personally knew children and mothers who died from this painful, yet easily preventable disease. These women were dedicated to making sure every woman of childbearing age in their village was vaccinated. Many people around Guinea shared that same commitment.

I hope you will make the same commitment. For just US$1.80, you can save lives. Will you pledge to Save a Baby a Day? Will you prevent the death of at least one of the 134 newborns who die every day from this dreadful disease? It’s easy, convenient and most importantly, it saves lives. Visit www.TheEliminateProject.org/Baby for details.

In addition, I hope you will join me in celebrating our many achievements during the past century. All members of the Kiwanis family are invited to attend events as part of the Centennial Tour. You can find more information about all the stops on the 100th Anniversary page of our website, www.kiwanis.org/100. I also encourage you to host a celebration with your club. Share the gift of Kiwanis by inviting the community and the media to a club event. Take photos and share them through social media. I would like to see them too. Post them on the Kiwanis Facebook, Twitter and Instagram pages, and tag them with #Kiwanis100.

I have seen many changes to Kiwanis since I first joined the Kiwanis Club of Ridgetown, Ontario, Canada, in 1978. Our organization has changed as society has changed. It is clear that Kiwanis is still relevant and needed today.

Yours in Kiwanis service,

John R. Button, M.D.
2014-15 President

AMENDMENT PROPOSALS

Don't just have an opinion. Put it into action. Important amendments and resolutions are submitted for votes at the convention every year. As a convention delegate, you'll be a part of the discussion.

Here are the current proposed amendments to be discussed and voted on during the 2015 Kiwanis International convention:

1. Allow district vice governors to be delegates-at-large at Kiwanis International convention
2. Provide that Kiwanis International will approve and review the bylaws and policies of Kiwanis-affiliated foundations and nonprofit organizations
3. Provide that voting for Kiwanis International business (elections, amendments, resolutions) will be conducted online rather than at the Kiwanis International convention

NOTE: All proposals are considered tentative until official notice is sent to clubs 90 days before the convention begins. More amendment proposals may be added as they are approved.

If you plan to represent your club as a delegate in 2015, download the certificate of election of club delegates and alternates. Complete and submit it to Kiwanis International (providing copies as indicated on the form).

ENGAGING EDUCATION IN NEW FORMATS

Feedback from the 2014 Kiwanis International convention in Japan was clear: Attendees loved the shorter education sessions focused on key topic areas. In addition to new pre-convention education tracks, the 2015 convention will offer:

  1. Membership and engagement
  2. Meaningful service
  3. Image
  4. Financial viability
- A TED-style, Idea Exchange morning where members hear real success stories and learn success secrets from other members.

THE UTAH - IDAHO KIWANIS DISTRICT BOARD OF TRUSTEES WANT TO HEAR FROM YOU 100TH KIWANIS INTERNATIONAL CONVENTION QUESTIONNAIRE

Dear Utah-Idaho Kiwanis Members:
The Utah-Idaho District Board of Trustees is interested in gathering information about the upcoming 100th Kiwanis International Convention in Indianapolis, June 24-27, 2015.
The information will be shared only with the Utah-Idaho Board of Trustees in order to make a decision about a possible transportation choice. Answering the questions will only take a few minutes of your time and will help your district officers plan the proposed trip.

We are anticipating a larger number of Kiwanians attending and want to be prepared for it. The proposal is for Utah-Idaho Kiwanians to travel by bus (coach) beginning in Caldwell/Boise, travel through Twin Falls, to Utah pick up Kiwanians along the way and take either I-80 or I-70 to Indianapolis. The cost for the bus (coach) if full would be less than $300/ person. If we stay overnight instead of driving straight through this would add to the cost.

Information/Results will be communicated to the District and Club leaderships in early March and will be included in the April/May 2015 U &I Kiwanian issue.

Questionnaire is active until 11:59 pm MST on Saturday, February 28, 2015

DISTRICT RISK MANAGER CHANGE ANNOUNCEMENT

Fellow Kiwanians:

Lori Bergsma has been a wonderful and valuable asset for Utah-Idaho risk management having served over 12 years in this position. She has been always available to answer our calls, provide correct information, and represent our district at the International level. We thank her with a note of gratitude of a job well done.

As Governor, it is my responsibility to appoint someone to complete the 2014-15 term. I agreed to accept Lori’s recommendation of replacement, a fellow Kiwanian and charter member of the Hailey/Wood River Club, and knowledgeable insurance person, Past-Governor, Jim Spinelli. He has agreed to assume the responsibilities, will attend the KI Risk Management Conference in March and be available to receive your calls and concerns about risk management.”

December 31, 2014

Dear Gov. Turner, Secretary Kelly, District Board, KI and Kiwanis friends,

It has been my pleasure to be the District Risk Manager for many years for the Utah-Idaho District and I have met many great Kiwanis members and made many friends along the way. During the last board meeting scheduled in Utah, our son asked if I would be able watch our twin granddaughters who were born in March and I knew then I needed to make a choice. We now have five small grandchildren and along with being an insurance agent for over 30 years and running a successful insurance agency specializing in municipalities and other volunteer work, I no longer have the time to devote to the position.

It is with sadness that I will resign as the Utah – Idaho District Risk Manager but I am happy to say that I am not going away anywhere and will help transition the new appointed Risk Manager. I would also like to recommend Jim Spinelli to the open position for the District Risk Manager if willing. Jim has a genuine passion for Kiwanis and has an extensive insurance background and would be able to keep involved in the momentum that he has successfully begun for our district since the position is longstanding.

There have also been some exciting new improvements made with the insurance program with the addition of the Directors and Officers liability coverage being added and the district risk managers training will be in March 2015 in Indianapolis, so the timing is good for our new Risk Manager.

Sincerely,

Lori L. Bergsma

Criminal History background checks through Kiwanis International’s approved vendor Safe Hiring Solutions are valid for two years. Background checks through other approved vendors are valid for up to ten years (as determined by each individual Kiwanis club).

Kiwanis International events that involve youth -- Key Club International Convention and CKI International Convention -- require a Criminal History Background check through Safe Hiring Solutions even if you have a background check through some other agency.

Youth Protection Guideline training is REQUIRED every year for each club in the district. The statistics for Kiwanis Clubs in our district that completed Youth Protection Guideline Training last year (October 1, 2013 to September 30, 2014) are as follows:

- Pocatello
- Idaho Falls
- Ontario
- Clearfield
- Brigham City
- Jerome
- Capital City, Boise
- Rupert
- Sugar House, Salt Lake City
- Tremonton
- Boise, Gem State
- Tooele
- Bannock, Pocatello
- Meridian
- Hailey Idaho & Wood River Valley
- Westlake

There are 50 clubs in the Utah-Idaho District, 16 of which have complied with Youth Protection Guideline training for the 2013-2014 Kiwanis year. Each club should have a Youth Protection Manager who can oversee and conduct training for their club. You can take the Youth Protection Guideline Training via the internet from Kiwanisone.org. I will be visiting district Kiwanis clubs, as requested, to assist or conduct Youth Protection Guideline Training.

Please contact me at uikiwanisjb@aol.com if you have any questions or concerns.

GET TIPS TO MAKE YOUR KIWANIS ONE DAY VIDEO

Kiwanis One Day, the day when all clubs participate in a community service project, will be April 11, 2015. To help your club shoot, upload and share your service project, we’re preparing a how-to video that will be ready in early March. Unsure of how to share on YouTube, Facebook or Twitter? We’ll show you how and provide instructions on the best way to record certain shots, make a quick edit and save your masterpiece for later viewing.

After Kiwanis One Day, we’ll ask every club to share their videos on Facebook, with the hashtag #kiwanis1day, and we’ll assemble a montage to play at convention. Start your planning now at www.kiwanis.org/kiwanisone/serve/kiwanis-one-day.

UNICEF, KIWANIS WITNESS PROGRESS IN LAO PDR

Lao People’s Democratic Republic, a landlocked country in Southeast Asia, is a success story for The Eliminate Project. A Kiwanis International delegation recently returned from Lao PDR, where they met with local volunteers and medical experts, visited schools and observed health services, including UNICEF-led vaccination campaigns.

In December 2013, the World Health Organization announced that Lao PDR had successfully eliminated maternal and neonatal tetanus. Lao PDR has come a long way since 2001, when it had one of the world's highest neonatal tetanus rates. Today, the socioeconomic conditions and the coverage of immunizations are improving. Check out photos and read about the trip. You can help eliminate the disease in the 24 countries where it still threatens. Give today at www.TheEliminateProject.org.

The best thing to give to your enemy is forgiveness; to an opponent, tolerance; to a friend, your heart; to your child, a good example; to a father, deference; to your mother, conduct that will make her proud of you; to yourself, respect; to all men, charity. - Francis Maitland Balfour
CELEBRATE CENTENNIAL WITH GIFT TO THE WORLD

Honor our past while extending your impact into the future. With a gift of US$1,500 to Kiwanis International, you will receive the Centennial Award. Your generosity will help the Kiwanis family provide an anniversary gift to the world by eliminating maternal and neonatal tetanus.

Celebrate the spirit of Kiwanis service with a Centennial Award gift to benefit The Eliminate Project. Give now at www.TheEliminateProject.org/CentennialAward.

CENTURY OF SERVICE AWARD

Archie Stradley honored with Utah-Idaho “Century of Service Award” presented at the Division 9 Governor’s Meeting.

The “Century of Service” Award was presented during the December 18th meeting of the Caldwell, Idaho Kiwanis Club to Archie Stradley. Presenting him the award was Lt. Governor of Division 9, Stan Boster and U-I Governor, Revis Turner.

Archie was born in Caldwell, Idaho and graduated from Caldwell High School. A veteran of the US Army, Archie returned home for employment. But the highlight of his life is his service to others, especially children in the community. He has been a member of the Caldwell Kiwanis Club since 1954 and has earned 60 years perfect attendance this December. In 1974 he received the Kiwanian of the Year Award from the Caldwell club.

In 1978 he was recognized as “A Distinguished Citizen” by the Idaho Statesman. He served on the Salvation Army Board of Directors and was presented with the “American Institute of Public Service, Jefferson Award” by Idaho Governor, Cecil Andrus in 1991. He is currently chair of the Annual Caldwell Veterans Day Honoring Committee. In addition, he has been a member of the Caldwell Elks Club, Elk of the year in 1968, and serving as treasurer for 48 years. He continues to oversee the loaning of Elks owned equipment for individuals needing Home Care nearly averaging 200 calls per month.

Archie serves as the official Santa Claus through the Caldwell Chamber of Commerce and the Caldwell Fire Department. For 39 years he has had children sitting on his lap and now some of those children are adults. One comment that makes it worthwhile is when child sits on his lap and asks, “Santa please bring my Daddy back home!” In his spare time, he repairs clocks for many people in the Caldwell area. Archie and his late wife have two sons, one who lives in Caldwell and one in San Antonio.

**PROUD PAST, BRIGHT FUTURE**

Erected to make the way easier and safer for those who follow, an Inukshuk represents safety and nourishment, trust and reassurance. It symbolizes cooperation, balance and unselfishness. Each stone, while separate, supports and is supported by the one above and below it. No one piece is any more important than the other. As we Kiwanians celebrate 100 years of service and enter our second century, the message of the Inukshuk shows us The Way Ahead.
ONLINE REPORTING

If you’re a club secretary tasked with completing club reports, begin reporting online and gain back hours of your time previously spent with traditional administrative paperwork. Online reporting in KiwanisOne provides you with a one-stop, single login destination for various reports:

Monthly Club Report
Due by the 10th of every month.
Example: The new online monthly report for October is due November 10. This report fulfills your requirements to Kiwanis International, provides data to improve our programs, and alleviates the need for a more extensive year-end report. This report now includes tracking for signature club projects, such as Kiwanis One Day, Read Around the World, and YCPO. By completing all 12 months of this report, data is automatically rolled into the Annual Club Report for you, including Distinguished Club reporting.

To access the new monthly report, follow the steps below:

1. Log in to the new system at https://reporting.kiwanisone.org.
2. Click the Secretary Dashboard icon in the navigation on the left.
3. Click on Monthly Reports in the menu at the top of the page.
4. Click the pencil icon in the Part 1 column for the October monthly report.

Annual Club Report
Report available November 1
Due November 30
Clubs that have been reporting monthly will have an opportunity to review a compilation of the submitted data around November 1 and may modify any of the 2013-14 monthly reports as needed. Changes are easy: go back to your individual Monthly Club Report and make edits. Revisions flow into the Annual Club Report.
Clubs that have not filed monthly reports online all 12 months are asked to complete an Annual Club Report found on the Secretary Dashboard. Remember—the Annual Club Report is no longer available in paper/postal mail version.

Member Management (for club secretaries only)
Adds, edits, deletes
Clubs are now able to add, delete and edit members online. These adds, deletes and edits are automatically made in the Kiwanis International database. This will cut down on the amount of time spent maintaining club rosters. Clubs can generate and print out invoices to send into the International office. Also, district administration will receive updates of when members are added and deleted and will not need to receive paper copies for new members.

Election Report
Due June 1
Also serves as the Mid-Year Change in Officer Report
Often referred to as Club Election report, clubs have until June 1 to submit officers for the next fiscal year. Although mid-year change in officers can be done anytime. Club elections are reported directly on the club secretary dashboard in KiwanisOne reporting area. You can log in as a secretary and complete your report without any paperwork.

Club meeting & website changes
Clubs can add or edit their meeting place, which is then displayed in the club locator (Find A Club) so that prospective members and guests can find you when searching for a club to join near their home or work. The secretary dashboard in the KiwanisOne reporting area (via club secretary login) features an option for clubs to update their meeting information and public website and have it feed real-time data into the club locator. Be sure your club's meeting location is an actual mailing address for the club locator mapping software to correctly identify your club.
THE NEXT CENTURY

Not too many things last a century, let alone thrive. But that's just what Kiwanis has done. Launched in 1915 by a handful of civic-minded community businessmen, it has since grown to become a global service organization whose impact is felt throughout the world.

There will be much to celebrate when Kiwanis marks its first century of service in 2015. That's 100 years of fellowship. Of service. And of working to bring real, lasting change to children and communities.

It's a major accomplishment and a great source of pride. The achievements of our first century show the world the relevance of our organization, inspire current members and attract new ones.

But this is also a great time to think about what comes next. About what can be achieved during Kiwanis' second century. And what we can do to ensure we stand ready to meet our vision.

Here are some things you could do now to set the stage for future successes:

**Strengthen your club.** For Kiwanis' impact to last another 100 years, our clubs need to be healthy and thriving. Take time to examine your club's strengths and weaknesses. Make sure your club is an exciting, inviting place to be—for current and potential members alike.

**Extend personal invitations.** Make an anniversary membership pledge. Then take action. Tell others what you love about your club through membership drives and personal invitations. Spread the word to the community around you.

**Extend Kiwanis' impact to a community near you.** Which nearby community can benefit from Kiwanis? Be the driving force to organize the leaders of that community under a Kiwanis club and extend the legacy into the next century.

**Invest in the future.** Think about what you and your Service Leadership Programs can do together to celebrate the 100th anniversary of Kiwanis in your community. Work together and strengthen ties to your local Key Club, Circle K International or Aktion clubs, and plant the seed of Kiwanis.

**Go back to your roots.** Attract community interest through community involvement. From service to fundraising, make sure what you do is rooted in the needs around you.

**Plan a 100th anniversary service project.** Have you been thinking about trying a new and innovative fundraising idea? There's no better time than now. It's the dawn of a new century, so greet it with new ideas.

What will the next Kiwanis century bring? No one can say. But by taking these concrete steps right now, you and your club can help ensure that Kiwanis remains a strong, capable organization that can handle any challenges the future offers. Build the foundation for tomorrow's achievements today.

**GEM STATE KIWANIS CLUB IS LOOKING FOR DONORS TO HELP SUPPORT THEIR ANNUAL 4TH OF JULY BREAKFAST**

The Gem State Kiwanis club is looking for donors to help support the 52nd Annual 4th of July Pancake breakfast. This event is held every 4th of July at Julia Davis Park in Boise. This year’s celebration is being expanded to include the antique Ford auto club as well as the regular performance by the Boise Community Band. It is guaranteed to have you whistling your favorite John Phillip Sousa song while you walk through the park with a full belly.

Gem State’s goal is to partner with businesses such as Tate’s Rentals and Moxie Java to offset all of the food and facilities expenses so 100% of the money raised by the event will go to youth services, scholarships and youth related activities.

The $500 or $1,000 donations will include a block of breakfast tickets as well as advertising banners displayed at the event on behalf of the donor. Typical attendance in the past has been well over 1,000 people. The event has been covered live for several years by Channel 7 in Boise. If you are interested, or know of someone who might be interested, in supporting this well established community event, please contact Denny Colgan at 208-602-2754 or at dcolgan@atova.com.

Filer Club honors 2 members with the Reed Culp Medal

Filer- Kiwanis Club of Filer members Shirley Gailey and Gilbert DeKlotz were honored Tuesday for many years of service to the club and their community. They both received the Reed C. Culp Service Medal. The medal was developed in memory of Reed C. Culp. A Salt Lake City businessman and member of the Salt Lake Kiwanis Club, Culp championed Kiwanis’ dedication to improving the lives of children and assisting with meeting the needs of local communities. He served as Kiwanis International President in 1956.

“Receiving the Reed Culp was very unexpected,” DeKotz said. “I don’t exactly remember how many years I’ve been a member of Kiwanis, but it’s a club with an important mission that gives me something to do, helping communities and children locally and worldwide.”

The 600,000 members that make up Kiwanis International Clubs share a team focus of making the needs of “Young Children Priority One.” Filer Kiwanis Club donated $2,000, in the names of these two Reed C. Culp Medal recipients, toward Kiwanis International campaign efforts to eliminate maternal and neonatal tetanus around the world. This $110 million project, undertaken in partnership with UNICEF, continues reaching toward the goal of vaccinating 100 million mothers and protecting their unborn children. Neonatal tetanus kills nearly 60,000 infants and takes the lives of a significant number of mothers every year.

“I joined Filer Kiwanis Club in 1993 and it’s been a rewarding experience,” Gailey said Kiwanis Club of Filer meets every Tuesday, at 12 noon for lunch, at the Filer United Methodist Church on the corner of 5th and Union Street. Come join us.

Filer Kiwanis Club Has Filer High School Madrigals sing at December Program.
The club’s 68th year was a busy and productive one for its 30 members. Several long standing projects and a few new ones were completed in 2014. Club President Dave Powers and incoming President Dave Lundstrom led the way in guiding the club to help the communities of North Ogden, Pleasant View, Harrisville and surrounding area.

Hope of America awards were presented to sixth graders in eight schools, Roger Shupe coordinated the work and lined up members and schools. In addition to a certificate students also received gift certificates from Walmart that totaled $1350.

Achievement Awards were presented to two graduating students at Fremont and Weber High Schools by Kiwanis Members. The award recognizes a student who had struggled with grades and citizenship early on but who turned things around to do well their final year. Two $500 cash awards were given.

Dave Powers heard about students at a local elementary who needed a section of sidewalk to safely get to school and the club worked with the PTA to solve the problem with the club giving $1500 to help fund a new section of sidewalk.

Books this year were given to six elementary schools in the form of audio books. Kiwanis donated $3000 and it was matched by the Weber Schools Foundation. Over the past ten years the club has given well over 25000 books to these schools. STEM, a project to promote technology subjects in elementary schools was given a boost by the club with a gift of $500 to Green Acres elementary.

The annual Easter Egg Hunt in North Ogden Park was again successful with about 400 children and parents participating. Every child got decorated real eggs and candy eggs and many children were dressed in Easter costumes; the club purchased about $550 in candy. Our club’s annual Cherry Days Pancake Breakfast was again successful with a little help from our friends who made it possible to serve over 1200 hungry parade goers. The project is a major fundraiser for the club and is a challenge in logistics and manpower but the challenge has been met for over 30 years.

In addition, the club provided monetary and moral support for a wide range of community projects including – sponsoring two students to Debate Competition, assisting a student with travel expenses for Fencing competition, co-sponsored an American Spirit Essay Contest, and co-sponsored a Constitution Day Sunrise Ceremony as well as a Constitution Quiz Contest.

Christmas Families – four families were helped with boxes of food and checks for $200 each. The club had a successful fundraising year thanks to members, friends and supporters who contributed over $9700. The club makes it a practice to use up funds in its Projects Account to benefit the community. North Ogden Kiwanis also donated $2000 to the Project Eliminate Fund in 2014 and achieved Blue Level Status in Today’s Club program.

The Small and Mighty North Ogden Kiwanis Club keeps rolling on, hopefully for another 68 years.
