“The Way Ahead: More 100th Year Celebrations Coming”  
By Revis Turner, District Governor 2014-15

As Governor, I was privileged to represent Utah-Idaho Kiwanis District was well represented at the Centennial Celebration in Detroit, January 22-24 and Governor-Elect Wes Sine. Over 1000 Kiwanians from almost every corner of the globe joined the members of Detroit #1 club to celebrate the charter of the very first club on January 21, 1915. To say it was a wonderful event is to really understake the enthusiasm of the members present. Not only did the #1 Club hosted the Gala event on Saturday night, but they led in a service project of providing 1000s of books to the children in the city of Detroit. Over the years, hundreds of thousands of books have been donated to children.

The Class of Governors, of which I am a member, contributed books to the project. My contribution representing Utah-Idaho was a book, co-authored by Pat Marcantonio (wife of Filer Kiwanian Jerry Marcantonio), titled “Billie Neville Takes a Leap”. It’s set in 1974 when Evel Knievel was about to launch his Skycycle over the Snake River Canyon. 10 year old Billie wants to be a daredevil, too, like Evel. The story unveils her discovery about the courage it takes to be a hero.

Preceding the Gala Celebration, the International Council heard reports on the successful fundraising of the Eliminate Project which is at the $78 million mark. Chair Randy DeLay introduced the Centennial Award offered to recognize a $1500 gift to the Eliminate Project. It is available through June of this year and recipients will receive a special plaque, a medallion and pin.

Wouldn’t it be great for 100 Utah-Idaho Kiwanians to register for this convention? If 2 Kiwanians from each club registers, we would reach that goal.

The plans for the 100 year celebration in Indianapolis on June 25-28 are set and details are included on page (?) of the U-I Kiwanian. I want to encourage all U-I members to join many of us at this once-in-a-century event. Doubtless, this is the only time we will be able to attend a Kiwanis Centennial Celebration. At the present time, your Board of Trustees is deliberating the possible bus charter and sight-seeing trip to Indianapolis and back. More details will come by mid- April.  (Continued on Page 2)
Utah-Idaho District Annual Convention—August 7-9

The culmination of Utah-Idaho Kiwanians’ celebrating 100 years of service will be the 96th Annual Convention, August 7-9 in Ogden, UT. The theme chosen by Governor-Elect, Wes Sine, and his committee is “Save the Children of the World One Child at a Time.” It will be a time of fellowship, renewal of service, and a robust, good time. We want to honor and celebrate those who have given so much to our organization and communities, but also to look ahead to the next 100 years. What will Utah-Idaho Kiwanis deliver to our communities in servant-leadership, purpose, and the promise of goodness?

Finally, let me state that service is how we are known in our communities. Celebrations bring us together, uniting us to build on the good that delivers a sense of purpose, joy and well-being.

Let’s Love Kiwanis, Share Kiwanis, Live Kiwanis.

V! A! C! A! T! I! O! N! --in the Summer sun...

"V! A! C! A! T! I! O! N! --in the Summer sun..." Not only did Connie Francis teach me to spell back in the early '60s, but her energizing tune gave me something to look forward to after school let out for the summer! I hope you will consider planning your vacation around the Utah-Idaho District Convention this summer in Ogden, Utah. The convention will be held in the heart of downtown Ogden, at the Courtyard by Marriott hotel August 7-9, 2015.

The hotel offers plenty of secure parking if you want to drive in with your RV, and you will find most attractions to be just a short walk. Museums, video game parlors, bowling, baseball with the local farm team, and great people to make one feel very welcome during your stay. Antelope Island is a short drive, and as a State Park provides lectures and sights that will remain with us long after the summer has again faded to Fall. The Hill AFB Museum offers tours, speakers, and a gift shop that is open during the day for the free time you will have. Ogden also caters to the “hot rod” set, hosting classic, street rods, and antique car shows at the local parks. Stroll under the trees as you take in the sights and sounds of days gone by. Craft shows, music, food, and Historic 25th Street closed to auto traffic rounds out a delightful weekend. Arrive to the convention at your leisure--on your way to points north or south, or on your way back. Either way, I know you will have” one fine day...” hey, wasn’t that a song title?” Watch for more information in your edition of the U&I Kiwanian coming soon. SEE YOU IN AUGUST!

The Utah-Idaho Centennial Quilt for the 2015 Governor’s project was designed and crafted by Mrs. Rita Blevins of Afton, TN. The quilt is a “Memory” pattern and is made for a King size bed. The center of the quilt features the 2014-15 Class of Governor’s Theme and Logo “The Way Ahead” as well as the U-I Theme of “A Century of Service”. Each Kiwanis Club in the U-I District is embroidered into a white square with its name and date of charter.

Proceeds from the quilt will be donated to the Eliminate Project. Last year’s quilt raised $2500 for the Eliminate Project. Will we top it this year? Tickets are now available by contacting Governor Revis Turner (revisturner@outlook.com).

Donations for tickets are as follows:
- $5 per 1 ticket
- $10 for 5 tickets
- $15 for 10 tickets
- $20 for 20 tickets

Drawing will be held at the District Annual Convention Saturday evening Celebration, August 8, 2015.

GOAL OF KIWANIS
Wesley Sine, 2014 – 2015 Governor-Elect

The goal of Kiwanis is to serve the Children of the World. This is done in many ways. We do international projects where salt is iodized helping to raise the intelligence level of children located in third world countries. We partner with UNICEF to eradicate maternal neonatal tetanus by furnishing the serum for vaccinations which protect delivering mothers and babies from catching tetanus. The various Kiwanis Clubs around the world have many additional projects to benefit various needs in their communities relating to children.

An example of one of these programs is the Hope of America Award sponsored by a Utah Kiwanis Club. These certificates recognize children in the Sixth Grade who show exceptional scholarship, moral character and service to the community. This award was developed by a Elementary School Principal to fulfill a need he saw in the schools. The award is determined by the teachers in the school and there is no set limit as to how many or how few can be given out. The certificate is signed by the Principal and the President of the sponsoring Kiwanis Club. At some award programs, parents of the children receiving
GOAL OF KIWANIS (Continued)

the award also received the award when they were sixth graders. The program has been so well received both by the parents and the schools, that other Utah and Idaho Kiwanis Clubs purchase the Certificates and present them in schools in their neighborhoods.

A second example of these programs is the Freedom Leadership Award which is presented to graduating students of a Middle School. They can be either Eighth or Ninth Graders depending upon the particular school program. This Award was also developed by a Junior High Principal and rewards students for exceptional grades, moral character, and service to the community. Once again the certificate is signed by the President of the sponsoring Kiwanis Club and the Principal of the School. The certificate is placed in an attractive but not expensive frame and presented to the Student at an Award Assembly by a member of the sponsoring Kiwanis Club.

Presently, a U-I Kiwanis Club is preparing a certificate to recognize outstanding teachers in the various schools. All of these programs are aimed at supporting the education of our youth.

Kiwanis has a fantastic program for training leadership. For the Elementary Students there is the K-Kids Program. This is aimed at students in the Elementary School and teaches leadership, service to the community, and responsibility. It gives the students an alternative to gangs and negative associations by giving recognition and opportunity for the students to be engaged in worthwhile projects rather than projects which can get the students into trouble.

In the Middle Schools, Kiwanis offers the Builders Club which continues the opportunity for students to become engaged in worthwhile programs as an alternative to Gangs. One Middle School Adviser was astonished at the Program. She thought that she would have to develop the Builders Club all by herself but found that everything was there for her to activate the Builders Club in her Middle School. Her principal used the Builders Club as a foundation for the schools officers.

The High Schools have the Key Club organization which has over 275,000 members in the USA. BYU study found that students who belong to Clubs or Athletic Groups have a greater chance for success in College and the working world. Once again this is a opportunity to direct the energies of the student away from gangs and drugs to worthwhile service projects in their communities.

Finally there is the CKI organization. This serves as a foundation for College students to do service projects in their communities. Employers are impressed by applicants who have served in Kiwanis sponsored service clubs and set the applicant apart from other applicants.

There is also the Key Leadership program where Ninth and Tenth Grade Students are taught leadership skills at a mountain retreat for several days each year.

It is our responsibility as Kiwanians to aggressively sponsor these Youth Service Clubs in our neighborhood schools to save the Children of the World One child at a time. This is where we can make a real difference in the fight against Gangs and Drugs.

As Kiwanians you are the best.

INSPIRATION

Jim Fields, District Human & Spiritual Values Chair
Dedicated to Dr. Ben Katz (1922 - 2015)

As I prepare this column, I think of a long time member of our community and the Twin Falls Kiwanis club, who just passed away. Dr. Katz was an inspirational leader of our community and our state. He loved children. He was a pediatrician/doctor of the old school – believing in taking the time necessary to talk with his patients and even to make house calls. I never got to know him in that capacity, having returned home only after being gone for many years. But I got to work with him and know of his impact on our community. He was a Legion of Honor Kiwanian (55 years) and a practicing doctor for about the same time. He was influential in the improvement of health care and in building our recent, state of the art hospital. Ben walked the walk; he was a straight talker; and he gave generously of his time on committees and boards. At the age of 93, he died suddenly, while in the company of a friend and fellow board member, on the way to a foundation meeting, whose stated purpose is “pursuit of improving the health of people in our region.” If your actions inspire others to dream more, do more and become more, you are a leader. (John Quincy Adams)
INSPIRATION (Continued)

In order to be filled with light I have to take the risk of plugging myself in. The more often I dip into the well of inspiration the more likely I am to be inspired. The seed grows in darkness before the tree bursts forth into the light. (Derek Chamberlain)

Following are some unrelated comments, notes and quotes that can help us “plug in,” rejuvenate us and help restore our energy, hopes and dreams. (Special thanks to Beliefnet and to Dale Henry’s The Proverbial Cracker Jack.)

- Receiving a smile from a stranger. It is second in impact only to giving a smile in the first place.
- Hearing a child’s laugh.
- Witnessing an unsolicited act of kindness. Whether it is “paying something forward” or picking up a piece of trash on a sidewalk, remember that there are others in the world who want to help. Maybe all they need is a quick reminder from us.
- Getting (or giving) recognition at work.
- Running into an old friend. Reconnecting with someone can remind them and us of the importance of others in our lives.
- Going to breakfast (or) brunch with a friend. Talk about your life and kids, but not about work. It will be fun and can recharge your inspirational batteries.
- Watching a favorite movie. Slow down and take time from the daily grind to do something for yourself to recharge your batteries. Movies that make us laugh are especially important.
- Reading a good book. Perhaps Faulkner or Hemingway. I recommend C.J. Box (Wyoming Game and Fish mysteries), or Patrick McManus (humorous fictional Idaho sheriff mysteries), or Dale Henry’s inspiring book (The Proverbial Cracker Jack).
- Getting outside. A walk in the cool, spring air will help recharge your inspirational batteries.
- Spending an afternoon with a child.
- Exercising. It gets those inspiring-producing endorphins going and adds energy to your life.
- Skyping your kids, grandkids or friends you haven’t seen for awhile.
- Doing nothing - for as long as long as you can stand it. Our culture is not conducive to sitting and contemplating. But time spent doing absolutely nothing will clear you mind, recharge and reinvigorate you.
- Taking a day off in the middle of the week from work. If you are retired, this is no longer possible. But the few times I took a quiet vacation day in the middle of the week were usually more relaxing and refreshing than a long weekend or regular vacation that always seemed too busy.
- Praying. Talking with your God or higher being allows you to expand your being.

Don’t wait for extraordinary opportunities. Seize common occasions and make them great. (Orison Swett Marden)

You miss 100% of the shots you don’t take. (Wayne Gretzky)

Every artist was first an amateur. (Ralph Waldo Emerson)

If you want to be inspired, inspire others. (anonymous)

Thanks, Kiwanians, for all you for others!

Communities change constantly. People move. Families grow. New organizations arrive. The best Kiwanis clubs evolve with the times. Kiwanis clubs change too as new members and leaders offer new ideas and visions of how Kiwanis can support the community’s needs.

Community surveys help your club learn about its service impact, partnership opportunities and possibilities for expansion. Scheduling surveys annually keeps the club’s service relevant and helps evolution feel natural. To get started, download the Rediscovering your community tool. It will walk you through the steps of conducting a helpful survey.

Step 1: Create contact lists
Brainstorm to identify community members who could provide the most useful information. These individuals may be partners or business and community leaders—anyone whose opinion will help your club understand where members’ hearts and hands are most needed.

Step 2: Identify team members
Put together small teams to conduct interviews. Look for members who are eager to learn and comfortable interviewing people.

Step 3: Schedule and conduct interviews
Ask about the community’s needs. What makes the community great? Where could it use improvement? How can Kiwanis help?

Step 4: Debrief and reflect
How can your club make itself even stronger and more relevant? Collect the input from the interviews and discuss ideas for potential new service projects or fundraisers, partnerships or sponsorships and even potential new members at the next membership committee meeting.

FLEXIBLE MEMBERSHIP OPTIONS

Things change. That’s why Kiwanis offers alternative membership options. Explore some ways to add members, not paperwork—and to keep current members engaged.

Corporate membership
Your club can offer corporate memberships to local organizations or companies.

How it works:

The organization joins the club as a member like an individual ordinarily would through a representative.

The company is represented at meetings and events by a designated employee.

If the designated employee changes jobs, a new employee can be designated to take his or her place without being charged a new member fee.

For companies interested in corporate social responsibility, this membership is appealing because of the value of affiliation with a well-respected service organization. The club wins too: The member represents company interests within the club and develops a relationship between the company, Kiwanis and other community groups.
FLEXIBLE MEMBERSHIP OPTIONS (Continued)

Club satellites
A club satellite is an extension of your club that meets at another time and often operates independently. Club satellites often help clubs expand into a new area or demographic—particularly if the group isn’t large enough to become its own club.

How it works:
- Both groups establish the guidelines of the relationship.
- The host club’s board authorizes service and fundraising activities, and maintains financial oversight.
- By retaining the affiliation to the parent club, members of a satellite remain focused on their service impact rather than administrative concerns—making it a great option for busy lifestyles.
- Since they are still part of the host club, club satellite members enjoy the benefits of Kiwanis, including elected positions, attendance at conventions, Kiwanis magazine and insurance coverage.
- If a satellite group reaches 15 or more, it can consider petitioning for its own charter.

CENTURY OF SERVICE AWARDS PRESENTED TO KIWANIANS FROM DIVISION 8

Lt. Governor Carter Jones, Division 8, led the Governor’s Division Meeting on February 26 at the Joseph Smith Memorial Building, Salt Lake City. The highlight of the meeting was the presentation of the U-I Kiwanis Century of Service Awards to 6 persons who translated the Kiwanis motto of “Serving the Children of the World” into a lifelong endeavor of Kiwanis servant leadership. Those honored were Rosemary Baron & Don Gale of the Salt Lake City Club, Dan Milano, Pete Buniva, and Ted Bisping of the West Jordan Club and Clair Hadley of the Sugar House Club. These Kiwanians represent over 200 years of leadership to the children of the greater Salt Lake City Community.

KIMBERLY MIDDLE SCHOOL BUILDER’S CLUB

The Kimberly Middle School Builder’s Club, sponsored by the Kimberly Kiwanis Club, just started in January. They are off to an enthusiastic start. Club officers are: Sasha Edgar - Pres., Nathan Cahoon - Vice Pres., Ally Jackman - Secretary, Natalia Edgar - Historian, and Jordan Berkley - Treasurer. We are meeting twice a month. The first meeting is a lunch meeting where we work on small service projects, and the second meeting is a larger after school service project. So far, the club has wrapped presents for the Kimberly community food bank, labeled books for a city reading project, eaten lunch with seniors at the Ageless Senior Center, and cleaned at the community library. Our future plans include cleaning graffiti at the Kimberly City Park, conducting a talent show at the Ageless Senior Center, participating in a Kimberly Middle School campus clean up, and sending two members for the Key Leader Camp in June. Kiwanians, Tami Cahoon and Pam Seibel, indicate the Builders Club has had a great turn out of students who are willing to become leaders through service!

ENGAGING EDUCATION IN NEW FORMATS

Feedback from the 2014 Kiwanis International convention in Japan was clear: Attendees loved the shorter education sessions focused on key topic areas. In addition to new pre-convention education tracks, the 2015 convention will offer:

- 30-minute “round robin” workshops focused on the four areas of the I-Plan, Kiwanis’ strategic plan:
  1. Membership and engagement
  2. Meaningful service
  3. Image
  4. Financial viability
- A TED-style, Idea Exchange morning where members hear real success stories and learn success secrets from other members.

ELECTIONS

Be a delegate at the 100th anniversary convention. Help shape the future of Kiwanis. Vote for officers who will lead the organization. Kiwanis clubs in good standing are allowed two representatives in the House of Delegates, along with two alternates. Download the certificate of election of club delegates and alternates to the Kiwanis International convention. Candidates’ pages will be posted as information is received from candidates.
CERTIFICATE OF ELECTION OF CLUB DELEGATES AND ALTERNATES TO THE KIWANIS INTERNATIONAL CONVENTION

- The Kiwanis International Bylaws entitle each chartered club in good standing to two voting delegates and two alternate delegates as representatives at the Kiwanis International convention. Use this form to indicate the names of your club’s elected delegates and alternates.
- This is not a convention registration form. Delegates and alternates must also complete the convention registration form and submit it with payment to receive voting credentials.
- No delegate will receive voting credentials for any club that has any indebtedness to Kiwanis International. Please ensure your club’s financial obligations are paid prior to the convention.
- If no member of your club is able to attend the convention, you may prearrange to have representation through a current or past lieutenant governor or a past district secretary, all residing in your club’s division, or the current district secretary (regardless of location).
- Delegates at large need not complete this form unless planning to represent a specific club.

Complete and return this form no later than April 30 to: Kiwanis International, Member Services, 3636 Woodview Trace, Indianapolis, IN 46268, USA, or fax it to +1-317/879-0204 or email scanned copies to: memberservices@kiwanis.org.

Questions? Contact Member Services toll-free in the USA and Canada at 1-800-549-2647, ext. 411 or worldwide at +1-317-875-8755, ext. 411, or by e-mail at memberservices@kiwanis.org.

AMENDMENTS AND RESOLUTIONS PROPOSALS

Don't just have an opinion. Put it into action. Important amendments and resolutions are submitted for votes at the convention every year. As a convention delegate, you'll be a part of the discussion.

Here are the current proposed amendments to be discussed and voted on during the 2015 Kiwanis International convention:

1. Allow greater flexibility in club meeting frequency and clarify provisions regarding club satellites.
2. Provide that, if a governor cannot attend a council meeting, the district may select any district officer to attend in the governor’s place.
3. Provide that the final date for district conventions will be September 25, rather than September 15.
4. Allow district vice governors to be delegates-at-large at Kiwanis International convention.
5. Permanently adopt corporate membership.
6. Provide that voting for Kiwanis International business (elections, amendments, resolutions) will be conducted online rather than at the Kiwanis International convention.
8. Provide that Kiwanis International dues may be adjusted annually by no more than five percent (5%) of the previous year’s amount (effective Oct. 1, 2016).
9. Provide that Kiwanis International will approve and oversee foundations, charitable funds, and other entities affiliated with Kiwanis International.

This year, delegates will also consider reports on two administrative resolutions adopted by previous Houses of Delegates on the topics of new forms of membership and online voting.

NOTE: All proposals are considered tentative until official notice is sent to clubs 90 days before the convention begins.

If you plan to represent your club as a delegate in 2015, download the certificate of election of club delegates and alternates. Complete and submit it to Kiwanis International (providing copies as indicated on the form).

**PROUD PAST, BRIGHT FUTURE**

Erected to make the way easier and safer for those who follow, an Inukshuk represents safety and nourishment, trust and reassurance. It symbolizes cooperation, balance and unselfishness. Each stone, while separate, supports and is supported by the one above and below it. No one piece is any more important than the other. As we Kiwanians celebrate 100 years of service and enter our second century, the message of the Inukshuk shows us The Way Ahead.
The Culp Medal – Culp Club award has been created to honor our Past International President, Reed Culp. Reed Club was a member of the Salt Lake Kiwanis Club and was an active Civic leader. He was a partner and owner with his brothers and later with his sons of Culp & Sons Sheep Co. He was named to the national board of Boys Clubs of America and appointed to the Salt Lake Mayor’s Committee on Juvenile Delinquency.

Contributions in amounts of $1,000 or more entitle the donor to a very distinctive lapel pin and a medallion depicting the likeness of Reed Club to be worn on a bright colored neck ribbon.

The only source of funding for the Foundation is through the generosity of its members, Kiwanis Clubs, and other interested persons and corporations. Each year the Foundation makes an appeal to all Kiwanis Clubs to consider a club gift to the foundation. We ask each club to donate $4 per person or $100 whichever is greater. With 100% participation by the clubs the Foundation would be able to award up to five matching scholarships each to Key Club members and Circle K members. The annual campaign is the primary source of income and determines much of the Foundation’s impact, particularly in the area of supporting Kiwanis sponsored programs.

Kiwanis International empowers people at every stage of life to become competent, capable, and compassionate leaders by helping them learn to help others. Through its Service Leadership Programs, Kiwanis teaches young leaders new ways to change the world by serving one child and one community at a time.

We define Service Leadership as the next step beyond service learning. Once a young person fully understands the concept of learning by helping others, he or she begins to grow personally as a leader.

The Service Leadership concept is based on the philosophy of Servant Leadership, a term coined by Robert K. Greenleaf to define a leader who is servant first. “It begins with the natural feeling that one wants to serve, to serve first,” Greenleaf wrote. “Then conscious choice brings one to aspire to lead.”

NORMAN DEE TAYLOR
May 28, 1940 ~ March 3, 2015
Utah – Idaho 2005 – 2006 District Governor

Norman Taylor, our beloved husband, father, and grandfather passed away peacefully on March 3, 2015 surrounded by his loved ones. He was born on May 28, 1940 in Preston, Idaho where he was raised. He loved life and lived it to the fullest. Growing up, he enjoyed running track, performing in musicals, and excelled academically. He was always helping his neighbors and developed a strong work ethic early on in his life. He served in the New England States Mission and enjoyed sharing the gospel and serving in the mission home. This began a lifelong love for serving others.

Norman was sealed to his sweetheart and eternal companion, Dorothy Cooper, in the Logan Temple on April 12, 1963. They have two beautiful daughters and seven grandchildren who were the highlight of his life. They brought immeasurable love, joy, and happiness to him.

He dedicated his life to the service of others. He was a faithful member of the Church of Jesus Christ of Latter-day Saints, where he served in many leadership capacities. He was also an active and loyal member of the Kiwanis Club serving as the Governor for Utah/Idaho. He served for many years as the Key Club Advisor for local high schools and then was appointed the Administrator for Circle K working with universities. In addition, he was an enthusiastic supporter of Weber State University serving on WSU’s Wildcat Club Board of Directors as well as a proud sponsor of the athletics’ program.

He is survived by his wife, Dorothy, and children, Suzanne Bolar (Robert) and Maridee Harrison (Daniel) as well as his grandchildren. He is also survived by many nephews and nieces whom he loved dearly.

We would like to express our sincere gratitude to the staff at the George Wahlen Veterans Home for the compassionate care that they showed him daily. Norman’s love and service to others will live forever in the lives and hearts of all those whom he touched. We will always be grateful for the wonderful memories he created for us, the example that he set, and the never ending love and commitment he showed to us.

With sadness, we announce the death of Benjamin Edward Katz. He was 93 years old.

Ben was the third child and only son of Max S. Katz and Minnie Salzer Katz. He was born on September 11, 1921, in Osage, Iowa. He received his Bachelor of Science degree from the University of Iowa in 1943, and his Medical Degree from that institution in 1946. He then interned at the University of Utah hospital in Salt Lake City. In July 1947, he reported to the Navy in Vallejo, California. He served for two years, with his last posting as the medical officer for Destroyer Division 92.

While in Salt Lake City he met Gloria Elaine Emery. They married on July 2, 1947. They lived in the San Francisco Bay Area and later in San Diego while he completed his service in the Navy, then in New York City and Minneapolis during his internship and residency in pediatrics. They moved to Twin Falls, Idaho in 1952, which remained home until Ben’s death. He and Gloria had five children: Leanne (Jack Holt), Brian, Kent (Carolyn), Betsy (Stephen Goodman) and Ned.

His active pediatric practice in Twin Falls lasted 45 years—-from 1952 through his retirement in 1997—and in his working life he touched several generations of families in Twin Falls. He was a well trained, highly skilled, and dedicated physician, the first board certified pediatrician in the town, and a recognized leader in the medical community not only locally but statewide. Actively involved in the development of Magic Valley Hospital, he was deeply committed to its provision of high quality medical care to all the residents of the Magic Valley. He served for many years on the hospital board of the Magic Valley Regional Medical Center, and was in fact the first physician to serve in that capacity. In addition, he had a term (1988-1990) as chairman of the hospital board. He served as the Clinical Director of the Neurological Clinic of Idaho Crippled Children’s Services (1953) and Consultant Cardiac Clinics (1965+). He was a Fellow of the American Academy of Pediatrics and served as State Chairman (1962-1968), Alternate District VIII Chairman (1968-1971), and Alternate State Chairman (1983-1990). He was President of the Idaho Pediatric Society (1966-1968) and served on the Intermountain Pediatric Society Board of Directors (1975-1977). He served as Idaho Heart Association President (1963-1964) and was on the Idaho State Board of Medicine (1969-1975), also serving as Chairman (1973-1975). He was on the Governor’s committee on Facilities for the Handicapped and was the recipient of the Idaho Medical Association’s A. H. Robins award for community service in 1984. He was instrumental in bringing about the merger of the Twin Falls Clinic with the Magic Valley Regional Medical Center and its medical group. In later years he was an active member of the Hospital Foundation promoting, supporting, and raising funds for the construction of the new St. Luke’s Magic Valley Medical Center. In 2013 he was honored as Philanthropist of the Year by St. Luke’s Magic Valley Health Foundation.

Ben was preceded in death by his parents, Max and Minnie, his two sisters Miriam and Ruth, and his wife, Gloria. He is survived by his five children, eight grandchildren, and six (soon to be seven) great-grandchildren. Also surviving are nephews, nieces and their children, who were as much a part of his family as his kids.

Ben died suddenly doing something he loved: in company with a friend and fellow board member, he was en route to a Foundation meeting whose stated purpose was “pursuit of improving the health of people in our region.” A member of Kiwanis and the LDS Church, he remained remarkably and endlessly interested in his community and its people.

Dr. Ben Katz loved the local hospital and was passionate about the care of children. In lieu of flowers, his family suggests a donation to the St. Luke’s Magic Valley Health Foundation in Twin Falls, Idaho.
