*** ANNUAL ROSTER ISSUE - DO NOT TOSS ***
SUPPORT UTAH IDAHO DISTRICT FOUNDATION
WITH A $100 DONATION TO COMMEMORATE 100 YEARS OF Kiwanis SERVICE
We need your support today to sustain our tradition of making scholarships possible for Key Club and Circle K members in our District. The Foundation in the past has been able to award up to five $1000 scholarships each to Key Club members and Circle K members through donations by Kiwanis Clubs in a “Club Gifts” to the Foundation. “Club Gift” traditionally has been to donate $6 per person or $100 whichever is greater. Half of the scholarships were provided by a matching grant from International Kiwanis Foundation. Last year the International Foundation stopped its program to match half of those scholarships.

The only source of funding for the Utah-Idaho Foundation is through the generosity of its members, Kiwanis Clubs, and other interested persons/corporations. Today, we need you as members to increase support to Utah-Idaho District Foundation. In addition to the traditional “Club Gift” we are asking members to make a donation as well.

We invite you as Kiwanian members in the Utah-Idaho District to donate $100 in honor of the 100th Anniversary of Kiwanis International to Utah-Idaho District Foundation to help support youth service clubs and scholarships.

In celebration of our Kiwanis International 100 Year Anniversary, the district designed a fantastic 100 year commemorative lapel pin for this momentous event, highlighting UT/ID District, thanks to the art work design by Div. 1, LTG Dick and Marilyn Sanford. The pin is 1 inch wide, silver with white “K”, and a blue and silver banner on the bottom. These pins are available for sale at $10 each. They will be available for your LTG’s to pick up for you, at the October Board of Trustees meeting in October. So, place your order, with payment, to your LTG to be purchased at the BOT meeting in October. All proceeds from the sales will be going to the Utah - Idaho District Foundation.

The Reed Culp Medal – Reed Club medal has been created to honor our Past International President Reed Culp. Reed Club was a member of the Salt Lake Kiwanis Club and was an active Civic leader. He was a partner and owner with his brothers and later with his sons of Culp & Sons Sheep Co. He was named to the national board of Boys Clubs of America and was appointed to the Salt Lake Mayor’s Committee on Juvenile Delinquency.

The function and goal of the Utah-Idaho District Kiwanis Foundation is to establish permanency, through contributions and donations that will assure our youth leadership and development programs will continue without interruption. Promoting high moral, ethical and spiritual leadership examples to our youth is the key to this. As you may know, this annual campaign is the primary source of income and determines much of the Foundation’s impact, particularly in the areas of supporting Kiwanis sponsored programs.

I pledge to support the Utah Idaho District Foundation in the amount of $100 in commemoration of the International Kiwanis 100 years of service, please join me.

Pattie Lopshire,

He was named to the national board of Boys Clubs of America and appointed to the Salt Lake Mayor’s Committee on Juvenile Delinquency.

Contributions in amounts of $1000 or more, entitle the donor to a very distinctive lapel pin and a medallion depicting the likeness of Reed Club to be worn on a brightly colored neck-cloths.

The only source of funding for the Foundation is through the generosity of its members, Kiwanian Clubs, and other interested persons/corporations. Each year the Foundation makes an appeal to all Kiwanian Clubs to consider a club gift to the Foundation. We ask each club to donate $5 per person or $100 whichever is greater. With 100% participation by the clubs the Foundation would be able to award up to five matching scholarships each to Key Club members and Circle K members. The annual campaign is the primary source of income and determines much of the Foundation’s impact, particularly in the areas of supporting Kiwanian sponsored programs.

U & I KIWANIAN IMPORTANT DATES
December 2015 / January 2016 Volume 20 Issue 2
ACCEPTING CONTENT E-MAIL Monday, October 12th
CONTENT DEADLINE Thursday, October 22nd
SUBMIT FOR PRINTING Thursday, November 5th

HELLO KIWANIANS!

My name is Elizabeth Kwan and I will be serving as the 2015-2016 Utah-Idaho Circle K District Governor. I am a sophomore studying psychology and music at the University of Utah. This will be my fifth year in the Kiwanis family – second in CKI – and after spending every moment in the UI district, I can see what a great impact we make on our community, even though we are a smaller district. Now, imagine the difference we could make if we had more members.

My main goal is to stimulate long-term growth in our district. Currently, the UI district has 70 members from our 5 active CKI clubs: Brigham Young University, College of Idaho, Treasure Valley Community College, Utah State University, and the University of Utah. Part of that goal includes starting CKI clubs at the Salt Lake Community College and Boise State University. I have met with Kiwanis clubs in the Salt Lake City and Boise areas to help with this process. Along with that, the district has provided formal training to all club officers, so they will be prepared to spread the word about CKI and increase membership.

Another goal I have this year is to build the relationship among the members of the Kiwanis Family. Most of the CKI clubs already have a strong relationship with their sponsoring Kiwanis club, but the district is really going to stress the importance of working with the other branches as well, especially Key Club. Our hope is that through our growing relationship, Key Clubbers will want to continue their journey through the Kiwanis family after they graduate from high school. We have already taken a step towards this by planning a joint Fall Rally with Key Club in Utah and brainstorming project ideas with our club officers. I’m looking forward to work with our members to reach these goals this year!
Greetings

I am Connie Zhou, a leader, a servant, but most importantly, a Key Clubber. I am excited to be able to serve as the 2015-2016 Utah-Idaho Key Club Governor and hope to accomplish many goals throughout my term. During my term, I will be working on the membership growth and development of Key Clubs, the increase of successful Key Clubs, and the strengthening of Kiwanis Family Relations.

The biggest resource for any Key Club is their Kiwanis advisor club. During my year as governor, I plan on enforcing that bond between Key Club and their Kiwanis Family and to help each other grow.

During my term, I aim to see more Key Clubs reach out to their Kiwanis Advisor clubs to do service and learn more about the great organization that sponsors them.

I hope to see many of our Key Clubbers continue their journey as service leaders and join Circle K, and hopefully one day, Kiwanis.

My email is ui.keyclub.dgov@gmail.com. If anyone has any questions for me about Key Club, I will be happy to answer them.

Our website is: http://uikeyclub.org/ to learn more about what Key Club is doing.

Thank you and I cannot wait for another successful year filled with service!

At the end of the day, the goals are simple: safety and security. - Jodi Rell
As your Governor for the 2015 – 2016 year, I would like to take this opportunity to thank the Convention Committee for a job well done. Those who attended agree that there was something for everyone. The tour of the Aero Space Museum at Hill Field was spectacular and our guide was very competent. We found out later that he was a Captain in US Air Force and did this in his spare time.

Thanks to the Bonneville Club for arranging for the Luncheon on Friday. The mayor of Ogden was a credit to his city. By the way Ogden is a fantastic place. Twenty Fifth Street has something for everyone. It featured great food and many Boutique Shops.

The educational classes were well done with something for everyone.

Ruth Incitti gave a first-hand view of the Eliminate Program and what it means to so many women and children. For the first time I really felt the great work that is being done and committed myself to working harder to fulfill my obligation to this mighty program.

The Fish Farm was without peer with fantastic food and professional Western Music. I don’t know how many caught fish, but the hamburgers were the best. Thanks again to the Ogden and North Ogden Kiwanis Clubs.

Thanks also to the Ogden and North Ogden Clubs for officiating at the Saturday Luncheon. International Trustee Lance Incitti gave a great presentation making all of us proud to be a part of Kiwanis International.
THANKS TO ALL (Continued)
The Panel on CKI, Key Club, Builders Club, and K Kids was very informative and exciting to all that attended. Many questions were answered for those who attended. The CKI Governor and the Key Club Governors are exceptional young women and give cause to our support of these great programs.

Finally, the Banquet was well done and the Speaker Attorney General Sean Reyes gave us a view of the world and the vulnerability of the youth to those who would take advantage of them for personal gain. Once again affirming Kiwanis commitment to serve the children of the world. The Freedom Leadership award was presented the Governor Mitt Romney and the Hope of America award was presented the Orrin Hatch in absentia.

Oh Yes, thanks to the Stewart Family for the fantastic gifts that were given during the convention. The dolls, some costing $100.00 were to be treasured and handed down from generation to generation.

I wish to thank all that made this convention great, and thank those who came. I know that you were all well rewarded for your efforts.

Next year the convention will be in Sun Valley, Idaho on August 11, 12 and 13. Make this your vacation for the summer and bring the whole family. There will be much to do and much to learn.

I’d like to take a moment to say thanks to all of who you planned and participated in the Utah-Idaho District Convention this year! I had a great time and it was wonderful to see many of you that I only get to see every so often. I appreciate the camaraderie our Utah-Idaho District has built as well as the hard work we do as clubs, divisions and as a district. Each one of us matters, so thank you.

Wishing you a wonderful New Kiwanis Year. Please let me know what you found particularly helpful, or if you have any follow up questions or suggestions. We strive to make the regional trainings and convention better each time. We don’t know how to do that without hearing from you.

You’re the best! Kelly

WHAT DID YOU DO THIS SUMMER?
I have had a very enjoyable summer! It started with a fantastic International Kiwanis Convention in our organizations backyard, Indy! Big things are in the works for Kiwanis International, and I am proud to be a part of this great family we call Kiwanis. More recently, our Utah-Idaho District Convention reinforced my belief in Kiwanis: So many small details came together to create a wonderful memory of fellowship and service. To kick things off, Thursday evening was the "Hospitality Suite" that allowed everyone to greet and talk with International Trustee Lance Incitti and his lovely wife Ruth. The Ogden, and the North Ogden Kiwanis Clubs' hosted a very pleasant bar-b-que on Friday to get everyone excited for the week-end ahead. The Eliminate Walk reinforced our commitment to our partner, UNICEF in our tagline for this convention- "Save the Children". The Bonneville Club provided the program for a lunch with Ogden Mayor Mike Caldwell and his very gracious welcome to the Utah-Idaho members. The Saturday evening banquet had everyone rocking with Sun-Shade-and- Rain "doo-wop" singing group, before the Utah Attorney General Sean Reyes spoke on a most important subject, the child traffic industry. I use the term industry, because of the international scope of the problem. Those in control are not your back alley weirdos and perverts, but many people in higher realms of other business enterprises. Mr. Reyes opened many eyes of this vicious, global menace, and perhaps Kiwanis International could take on this problem in the future. On a District level we could begin to learn now how we may create an impact to fight this dreaded atrocity.

On Sunday morning we paid tribute to Kiwanis members that have passed on, followed by a very inspiring message by Rabbi Ilana Schwartzman. My personal thanks to all that organized the service. The convention however was not just eating and entertaining, but offered many fine informative seminars and training sessions. Prizes were awarded, just by attending the classes, and I do hope folks came away with a greater knowledge of Kiwanis. The next Utah-Idaho District Kiwanis Convention will be August 12-14, 2016 in Sun Valley, Idaho. Past Governor Jim Spinelli is already canvasing the venues in the area, and in October Sandy and I plan to visit the Sun Valley area on a "fact finding" mission as well. The next Kiwanis International Convention in the summer of 2016 will be held in Toronto, Canada. Two great conventions next year--make your plans now to join us in our goal to "SAVE THE CHILDREN!!"

In Kiwanis service, Captain Jim Vaughan, Governor Elect

SERVICE INDUSTRIES
Larry Hunter, Utah-Idaho 2015-2016 Vice Governor

Greetings from Argentina and my thanks for your support at the District Convention. I will do all I can through electronic communications to get up to speed and stay up to speed with regards to my obligations as Vice Governor. I will be back in the United States at the beginning of May, 2016 and hope to see many of you thereafter.

Argentina is a beautiful, diverse country, but it has one glaring weakness: there are no Kiwanis Clubs (there are Rotary Clubs). Nonetheless, the people are very hospitable, friendly and cultured. Buenos Aires, where my wife, Iris, and I live is a cosmopolitan city of 2.5 million residents within the city limits and 8 million in the greater Buenos Aires metropolitan area. My wife and I are kept busy with our assignments: I work in my Church’s Area Legal Department and she is the Area Mental Health Adviser.

Since we are unpaid missionaries, you could say that we are in the “service” industry. Indeed, as members of Kiwanis, we are all in the business of serving others. Of the many reasons that we belong to Kiwanis, I have always felt that serving others is the most essential, without taking anything away from the other purposes and benefits. When we serve out community as a club we can do things that we...
I know from experience that most clubs have service projects and some Divisions do. I would encourage all of us in this upcoming Kiwanis year to participate in a club service project—make service to your community a part of your Kiwanis experience.

ABOUT LARRY HUNTER …

In addition to his active litigation and dispute resolution practice, Larry Hunter has been a leader in Bar governance. He was President of the Idaho State Bar, a member of the State Bar Commission, and is currently a member of the American Bar Association’s basic governing body, the House of Delegates (HOD). He has been a State Bar Delegate to the HOD since 2004. He has also served on numerous commissions, governing boards, and steering committees in both the State Bar and the American Bar Association.

His current practice emphasizes dispute resolution and he has served as a mediator, arbitrator, hearing officer, and neutral evaluator. He has helped dozens of litigants reach satisfactory settlements or other resolutions.

As a litigator, Mr. Hunter has over 35 years of experience in trying cases before state and federal judges and juries. Mr. Hunter is known as an effective advocate for his clients’ position while participating in an ethical and professional manner. He is particularly adept at finding inconsistencies and other weaknesses in the opposing party’s case and exposing them both before and during trial.

After graduation from college and prior to attending law school, Larry spent two years as a missionary for his church in Chile and then two years working for the Latin America Division of Bank of America’s International Banking Department. While in law school, aside from working part-time, he served as the Lay Minister (Branch President) of a Spanish-speaking congregation in Chicago. Thus, for the past 40 years, Larry and his wife have been conversant in Spanish and included in Spanish-speaking activities.

Kiwanis is on a journey to Serve the Children of the World. I’ve discovered there are as many ways to serve as there are clubs in Utah-Idaho. Although there are many challenges along our journey, each club from the smallest to the largest in our district has the opportunity to choose a path to make that journey.

Our Kiwanis theme for 2014-15 was “The Way Ahead: A Century of Service”. We celebrated that part of the Journey in many ways.

First, for me, it was a highlight to present worthy Kiwanians the Century of Service Award. I met many wonderful people who have given many hours in service to communities, clubs and children. Among those:

- Two members celebrated 100th birthdays this past year-- Dr David Kirkpatrick of Pocatello & Bob Wangsgard of Ogden.
- Archie Stradley—Caldwell’s Mr Santa Claus and recorded 60 years of perfect attendance.
- John Colias—an Idaho Person of the Year as recognized by the Boise Community, and a Capital City club member for almost 60 years. He and wife have been married 75 yrs.
- Tom McCarthy, of the Boise Gem State Club, 61 year member.
- Rita Haggarth, an educator in Pocatello and first woman member of any U-I Kiwanis club -- the Bannock, Pocatello club...
MY JOURNEY AS U-I GOVERNOR (Continued)

- Ralph Benson former U-I Governor and member of the Provo Club. Later on a member of the Orem Golden K club.
- Bob Christopherson, 95 years old and a member of the North Ogden club who wore his WWII uniform at the tour of the Hill AF Base Museum. The uniform still fit—that was amazing.
- Over 36 wonderful Kiwanis servant-leaders were recognized with an awesome legacy given to us over the last 100 years.

Second, there are many more highlights dotted throughout the year that focused on training and our Service Leadership Programs.

- Our Education team organized two area training events with close to 100 people attending. The Kiwanis 100th Birthday party in Detroit with close to 1000 other Kiwanians in which your district was represented by Wes Sine, Gov-Elect and myself.

Our District Key Club board successfully held a DCON in March after a year’s absence. A New Key Club began at Horizonte High School in Salt Lake City under the watchful eye of Kiwanis Advisor & Div 8 LTG. Carter Jones. This high school provides education for a special population in their school district. I congratulate the SLC club for their initiative to meet this vulnerable population.

- The Price Kiwanis Club will start the 2nd century of service voting women into their membership. Thank you to the leadership of Div 1 LTG Dick Sanford and Price President, Bowdy Blanton for guiding this change.

The U-I District Eliminate Project fundraising challenge to provide vaccine to the 61 million women of the world has committed over $310,000 from 80% of our clubs. The Centennial Quilt raffle contributed $1361 to our district campaign.

Congratulations to Dave Nelson, Bonneville Club for having the winning ticket. There are almost 60 Kiwanians with Walter Zeller Awards. Thanks to Cheryl Juntunen and Barbara Mullins for their leadership.

- Distinguished Service Awards to deserving District Kiwanians.
  - Kiwanian of the Year was presented to Wally Studer, Rupert, for his district leadership in promoting the Key Leader Camp.
  - Utah-Idaho Lifetime of Service Award was given to Don Gale, Salt Lake City for his outstanding servant leadership through the Salt Lake City Club.

- We experienced the beginning of the Formula Campaign to strengthen current clubs and to begin new clubs in strategic areas.
  - At the last report, U-I has reported a net increase in membership after the last few years of declining numbers. However, let me add quickly, Kiwanis influence isn’t entirely about numbers, but about the opportunity to serve the children of our communities, the district and the world. Our clubs are doing that in large and small ways. Of course, the more hands we have on board, the more service we can engage in and the more children and youth for whom we can provide servant leadership.

- And finally, the challenge of the journey of “The Way Ahead” in 2014-15 for each of us is to become the best club we can be and engage in the best service that will bring out the best in the children and teens to become the best citizens for our world. Because what we do in our district events provide the foundation for the impact on Serving the Children of the World in preparation for a Second Century of Kiwanis Service. Hence, this is the theme of the 96th U-I Kiwanis District Annual Convention—“Serving the Children of the World One Child at a Time.”

In this portion of our journey, let’s continue our conversation about what our clubs, divisions, and district will look like in the next 100 years.

Governor Revis Turner presents Utah-Idaho District Kiwanian of the Year Award to Wally Studer for his leadership with Key Leader Camp at the regular meeting of the Rupert Kiwanis Club.
The Lifetime of Service Award is presented to Kiwanis members who have demonstrated over many years of service the ideals of what it means to be a Kiwanis servant-leader. The far-reaching impact of Don Gale on his community represents the best of Kiwanis and most importantly provides an avenue for the youth to have productive lives.

Don Gale joined Kiwanis in 1988. He was elected president of the Salt Lake club in the early 1990’s when it was the largest club in the Utah-Idaho District. He agreed to be the district chair of the IDD (iodized salt) for Kiwanis International. He helped to rank the U-I District and the Salt Lake City Club among the top ten in fund-raising per capita, worldwide. He is a strong supporter of Key Clubs and the Terrific Kids effort. He attended three international conventions and he wears a diamond Hixson pin. He was a featured speaker at several district conventions and at many club meetings in Utah and Idaho.

Professionally, Gale was editorial spokesperson for KSL radio and television. He wrote and delivered six thousand editorial comments. After “retirement,” he started a small consulting company. He has written regular newspaper columns for almost twenty years. He wrote and published three books, including the biography of a prominent Salt Lake City businessman, published by a University of Utah Press. He wrote and presented hundreds of speeches to groups ranging from accountants to educators. He served on many community service organizations boards, from Ballet West to the Reading Room for the Blind.

Additionally, Gale co-founded and co-chaired for fourteen years a citizens committee called Understanding Chemical addiction Disease. In that capacity, he wrote and produced several television documentaries about addiction disease, one of which was voluntarily aired on every television station in Utah. He recently finished a fourth book, and he is working on a memoir titled “Magic Moments.”

Why coverage matters

D&O liability insurance protects club or district assets and the assets of members against the costs of lawsuits. Just a few of the potential costs covered are employment practices liability (including accusations of discrimination, sexual harassment and wrongful termination), allegations of mismanagement of funds, failure to enforce bylaws and violation of state/provincial and federal bylaws.

D&O liability insurance protects the club or district itself as well as directors and officers—and it also includes committee chairs, other club members and even volunteers and employees. Thanks to the broad coverage, financial protection can even extend to foundations, and the Key Club and Circle K International clubs that a Kiwanis club sponsors.

Questions?

More details about the coverage will be available in Kiwanis International’s annual insurance guide. If you have questions or comments, you can contact Kiwanis International Risk Management at riskmgmt@kiwanis.org.

Robert G. Barton, born September 18, 1928 in Manti, Utah to Clinton W. Barton and Geneva Michaelson Barton. He was educated in Midvale and Duchesne schools. His family moved to the Avenues in Salt Lake City and he graduated from East High School. Having been raised in the patriotic era of World War II, he could hardly wait to join the Navy, which he did, early, at age 17. He served two years and was honorably discharged as a veteran at age 19. Bob entered the University of Utah on his return and earned BS and MS degrees. While at the U, he was on the wrestling team and received the Scholarship Award and at 155 lbs, he could beat any wrestler on the team due as much to his tenacity as his skill. Bob always credited his success to the GI Bill and the University of Utah. He was employed by the LDS hospital system, which later became Intermountain Health Care. After his retirement, he returned to the U of U and learned to speak Russian and Spanish. He married Bette Jean Frahm June 5, 1950; a happy marriage of 65 years. Bob and Bette are the parents of four amazing children, grandparents of seven boys and two girls, and great-grandparents to two girls and one boy. Always loyal to U of U athletics, they have had season tickets for football and basketball games for 40 years. Bob was committed to community and service and belonged to Kiwanis Club for most of his working and retirement years. He also volunteered as a coach for several basketball teams and as an English as a Second Language tutor. Robert G. Barton is survived by his wife Bette, children Richard G. Barton, Marie), Julie Rasmussen (Arthur, deceased), Tina Aramaki (Craig), Robert Michael Barton (Holly), Janet Douglas Barton (daughter-in-law), nine grandchildren, and three great grandchildren. He is also survived by his brothers John Lynn and Douglas, and predeceased by his beloved sister Vivian and brothers Hal and Kay Stephen. Bob’s loyal companion Pete, a Goldendoodle, looks for his master every day and sleeps at the foot of his bed, waiting for Bob’s return. Special thanks to CNS hospice staff (Cindy, Mindy, Jennifer, and Dave) and his daughter Julie, for their compassionate care in making Bob’s final months as comfortable and peaceful as possible. In lieu of flowers, please consider a scholarship donation to the Crimson Club Athletic Fund in remembrance of Robert G. Barton. See http://www.crimsonclub.utah.edu or mail to 1825 East South Campus Drive SLC, UT 84112. Published in Salt Lake Tribune from Sept. 2 to Sept. 3, 2015

Dr. Harry Franklin Brumbach, Jr., known to family and friends as Harry, HB, Lint, Dad, Pops, Lover Boy, Harry the Hammer, and Dr. B, lived a wonderful and long life; but he lost his battle with cancer on August 8, 2015 at 91 years of age. It is hard for many to imagine that Harry had a life prior to being an Idahoan, but his adventure began when he was born to Harry and Myrtle Brumbach in Essex County, New Jersey in 1924. He graduated from High School in Newark, NJ and received his
college degree from Bucknell University in Harrisburg, PA. After graduating from New York University's med school, Harry completed his residency in Surgery at the National Institute of Health and Cancer Institute in Baltimore, MD.

It was at this point in his career, 1957, that Dr. B made the big move west with his wife, Mebs, and 4 kids, in a small non-air conditioned station wagon bound for Idaho's Magic Valley with the goal of experiencing the great "wild" west and setting up a private practice specializing in general surgery; a practice that ended up spanning 41 years. During these golden years, Harry and Mebs bore one more daughter and together raised 5 wonderful children.

He then met and married his beloved wife, Jan, and together they brought two more beautiful boys into this community. Despite being a "seasoned" father, he maintained his boundless energy, giving of himself to his family, patients, and community. He gave his all to everything he cherished. Adventurous horse trail rides with his children, loud cheering during non-stop baseball games under the blazing sun, family re-enactments of the trek of Lewis and Clark near the beloved family cabin. This forever instilled a love of the mountains in his children. These are just a few of the ways he dedicated himself to his family.

He also loved nothing better than seeing a patient re-gain health! This was not un-noticed by his staff and colleagues; he was nominated by his surgical nurses, and subsequently awarded, the Ageless Hero Award. This award he held in high regard. He gave to his community in many ways including chairing the fundraising committee that brought CSI its Civic Auditorium. He served as chairman for the Bio Medical Ethics Committee of Magic Valley Regional Medical Center for over 20 years, and he was the president for the Dilettantes and an avid Kiwanian to the end.

He was a 50 year Legion of Honor member, 2005 Community Service awardee, and Twin Falls Club President in 1992-93.

Harry was a proud, yet humble man, and prided himself in helping support his 7 children through college. This allowed them peace to work toward their dreams. He did not however go without a little self-indulgence— near to his last breath, he finished each day with a hearty bowl of butter pecan or vanilla ice cream!

Upon retiring from his practice, Harry took up woodworking, and as with everything else in his life, he gave it his all; it became his passion. He spent countless hours perfecting his hand at making step-stools for nearly every family in Twin Falls, furniture for his close family and friends, and found a love behind his lathe sculpting bowls, lamps, and candlesticks. We can all cherish these works of his hands for years to come. He will always be remembered with love and joy by his family including his wife of 38 years, Jan and children: Kevin Brumbach (Liza), Chuck Brumbach (Cheryl); Todd Brumbach (Glenda); Kim Brumbach; Claudia Brumbach; Marsha Farley (Cliff).

Grandchildren: Keefer Brumbach (Courtney), Katrina Zepeda (Mark); Zach Brumbach (Hope), Mike Brumbach (Barb), Sara Duke (Adam), Carly Brumbach, Dylan Brumbach, Clara McFarlin (Riley) and Emma Farley. Great Grandchildren: Dom, Ben, Mercedes, Auggie, Josie Zepeda – Caleb, Micah, Benson, Marcella Brumbach. Brother-in-law, Bob Wissenback (Jan). Harry was preceded in death by his son, Jonathan Brumbach.

The family would like to extend their deepest gratitude to Visions Hospice for the loving care and support they provided to Harry, as well as Jan and the family during the last several months of his life.

In lieu of flowers, please make donations in honor of Harry to the organizations he was committed to including St. Luke's Medical Center Foundation, CSI Foundation, and Twin Falls Ascension Episcopal Church.

Con condolences may be left for the family by visiting www.reynoldschapel.com.

GEORGE ANTHONY (TONY) WOLFF
Jul 30, 1943 - July 21, 2015

George Anthony (Tony) Wolff, 71, of Nampa, died on July 21, 2015 and went to Heaven be with his Lord and Savior, Jesus Christ. He had struggled many years with Parkinson's disease.

Tony was born in Edmonton, Alberta, Canada on July 30, 1943. He moved with his parents, Dr. R. George and Lenora (Trix) Wolff, and younger sister Penny, to Homedale, ID when he was 8 years old. His father was the only medical doctor in
GEORGE ANTHONY (TONY) WOLFF (Continued)

Homedale for 15 years. Times were different then, and Tony and Penny learned to drive a car while transporting their father to attend to his house calls.

Tony graduated from Homedale High School in 1961 and attended the University of Idaho where he met his future wife, Katherine. They were married on June 18, 1965 after their graduation. They spent their next four years in Missouri where Tony attended dental school at Washington University, St. Louis where he became a naturalized American citizen so he could practice in Idaho.

Kathy taught first and second grade. After graduation, they moved to Alameda, California, where Tony served in the Public Health Service at the Coast Guard base at Government Island from 1969-1971. Their first child, David, was born there.

In January, 1972, Tony became Dr. Charles Hanson's associate, and practiced dentistry in Nampa, ID until retiring in 2003. He loved his patients, and was most appreciative of his fine staff and caring front office assistants, dental assistants and hygienists. Two more children, Matthew and Allison, were born to their family. They loved living in Nampa and were thankful for the community and for such a great place to raise a family.

Tony served in various leadership positions in the community and in the dental profession. He was Club-Master of pack #116, Indian Guides leader, President of the Kiwanis Club, served on the school board at St. Paul's, Vice-President of the Board of Directors at Broadmore Country Club, named "Boss of the Year" by the Credit Women's Bureau, and a member of the College Church of the Nazarene where he loved singing in the choir and in the Living Christmas Tree. He was President of the Southwest District Dental Society, President of the Idaho State Board of Trustees, President of the Board of Directors of the Delta Dental Plan, chairman of the Idaho State Peer Review Committee, head of the dental staff at Mercy Medical Center, a member of Doctors With a Heart, and a fellow of the International College of Dentists.

Tony loved his family and placed them first in his life. He so enjoyed golfing and had many long-time golfing friends. He and his children raised Suffolk sheep and showed them in 4-H competitions.

A church trip to Haiti in 1993, where he attended to the dental needs of many of the Haitian people, was very meaningful to him.

His family was devoted to him and offer praises to God for giving them such a fine, loving husband and father. He is survived by his wife of 50 years, Katherine, his sister Penny, Aunts Gladys and Jean, his children David, Matthew, and Allison, six wonderful grandchildren, nieces, nephews, and cousins.

The family expresses their heartfelt gratitude to the gentle, patient, and consistent care supplied by the caregivers and staff of Harrison's Hope Hospice. The family is also very thankful for the sensitive and specialized care from the caregivers and administration at the Streamside Facility in Nampa.

STEVEN DELROY JONES
1939 - 2015

Steven Delroy Jones - born the 1st of November, 1939 to Don Carlos and Lucy Stevenson Jones - left this world for another on the 14th of this month, which happens to be the 55th anniversary of the best day of his life.

Steve was a fiercely loyal son, brother, husband, father, grandfather, and friend. He gave everything he did 200% and could not understand any other way of doing things! It only makes sense that an intense, incredibly fast-acting cancer is what took him from us.

Steve believed in and was the perfect example of hard work, but he also played just as hard. Until very recently he could still be found fixing roofs, on top of scaffolding, digging fence posts through concrete, playing basketball with guys half his age, or playing blue birds with his grandkids.

He was preceded in death by an infant son Keith, with whom we are sure he has been happily reunited; his parents; his little sister, Donnar; a great-grandson, Jimmy; and many, many friends. He is survived by his loving wife, Emily; sons Robert (Cynthia), Calvin, and Dean Russell; daughters Lora (Jim) Sorensen, Cathy (Chris) Goss, and Claire (Kim) Jones, 17 grandchildren, and 3 great-grandchildren, and many more friends.
