WHAT IS THE BOTTOM LINE ...?
Captain Jim Vaughan, 2016 – 2017 Utah – Idaho Kiwanis District Governor

We have all heard this "catch phrase" over the years, and what is the bottom line seems to be the most prevalent in recent times. The company Accountant uses it when addressing the CFO or CEO's question as to how the company is performing. The bottom line there is in the profit / loss figures, and should the firm continue on its' present course of action to improve or adjust the future bottom line. A salesperson may use the phrase as to a final pitch-- a take it or leave it approach: " That's the price, so what is your answer, and how many thing-a-ma-jigs do you want to buy? " The bottom line can kick you into reality too! Using the line as a finality may cost a sale, and upon returning to the office could result in a "carpet dance" in the Sales Manager's suite.

Service organizations, as in the business world, address their own bottom line. They are disguised as goals and strategic plans, but the result is the same. As members of Kiwanis, we are in the children business. The Kiwanis tag-line "Serving the children of the world..." is a phrase that has been around since I joined Kiwanis in 1987. I remember hearing also "Children, Priority One" when I moved to Utah and transferred my membership to the Clearfield Club in 1990. Our main District goal is to serve the children, many that cannot serve themselves, through local programs. Kiwanis International, with the support of local clubs and districts, selects world-wide projects to serve the children, as in the Iodine Deficiency project, and the Eliminate maternal / neonatal tetanus. Many remote parts of the world benefit from these projects, and the recipients we will probably never meet, but we must remember kids are kids, no matter where they call home.

I am proud, and humbled by the trust that has been placed in my hands to act as Governor of the 2016-17 Utah-Idaho Kiwanis District. I feel we have a great team of Officers, Lieutenant Governors', Past Governors' available for counseling, Key Club / CKI /Key Leader Administrators', and Chairpersons' of the various special projects, assembled to conduct our District with integrity and productivity. A successful District also needs the support of its members, and my main goal is to increase membership via the Formula concept, and promote greater interaction throughout the District with Inter-Clubs and convention attendance. Where people gather, the ideas will flow.

Let us go forward, and develop the Utah-Idaho District into one of the best Districts in Kiwanis. We are large in area, and travel throughout the District can be somewhat difficult. However, the benefits of travel to functions can outweigh any difficulty when one remembers what we are expanding our efforts for. Thank you for your service to your communities, and your loyalty to the Kiwanis organization. Together we can experience a positive "Bottom line", and please keep in mind..."It's for the kids..."

In Kiwanis service,

Captain Jim Vaughan
Governor, Utah-Idaho Kiwanis District

JIM VAUGHAN’S BIO...

2016 - 2017 Utah-Idaho District Governor, Captain (ret) James F. "Jim" Vaughan, has been a member of Kiwanis since 1987. Jim joined the Willis, Michigan Kiwanis Club, but 2 years later transferred his membership to the Clearfield, Utah Kiwanis Club due to a job relocation. Jim has been the President of now known as the North Davis, Utah Club 2 2/3 times—he inherited the President position when the then President took a job in Hawaii. Jim has also performed the duties as a Lt. Governor for 2 terms. (Continued on page 4)
The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

Object 1 - To give primacy to the human and spiritual rather than to the material values of life.

Object 2 - To encourage the daily living of the Golden Rule in all human relationships.

Object 3 - To promote the adoption and the application of higher social, business, and professional standards.

Object 4 - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

Object 5 - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

Object 6 - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

The Second Object

To encourage the daily living of the Golden Rule in all human relationships.

The Golden Rule in English is “Do unto others as you would have them do unto you.”

The ways you can illustrate the Second Object include participating in projects, programs and partnerships involving character education, such as those promoted through the Kiwanis Kids Terrific Kids program. We have partnered with some great preferred charities that you can learn more about. You can also honor community heroes who have saved children from harm, and promote active recruitment and enrollment of youth service-minded volunteers.

The Third Object

To promote the adoption and the application of higher social, business, and professional standards.

The ways you can illustrate the Third Object include developing eco-friendly projects with youth groups and promoting the causes supported by Kiwanis foundations.

- Work with Service Leadership Programs or other youth clubs to protect the environment
- Obtain a donation of US$50 or more from private business, payable to Kiwanis International Foundation.
- Obtain a donation of US$50 or more from private business, payable to the District Foundation.
# UTAH – IDAHO KIWANIS DISTRICT FOUNDATION DONATION/CONTRIBUTION FORM

The Reed Culp Medal – Reed Culp medal has been created to honor our Past International President Reed Culp. Reed Culp was a member of the Salt Lake Kiwanis Club and was an active Civic leader. He was a partner and owner with his brothers and later with his sons of Culp & Sons Sheep Co. He was named to the national board of Boys Clubs of America and was appointed to the Salt Lake Mayor’s Committee on Juvenile Delinquency.

Contributions in amounts of $1000 or more, entitle the donor to a very distinctive lapel pin and a medallion depicting the likeness of Reed Culp to be worn on a bright red-colored neck-ribbon.

The only source of funding for the Foundation is through the generosity of its members, Kiwanis Clubs, and other interested persons/corporations. Each year the Foundation makes an appeal to all Kiwanis Clubs to consider a club gift to the foundation. We ask each club to donate $6 per person or $100 whichever is greater. With 100% participation by the clubs the Foundation would be able to award up to five matching scholarships each to Key Club members and Circle K members. The annual campaign is the primary source of income and determines much of the Foundation’s impact, particularly in the area of supporting Kiwanis sponsored programs.

Jim was born in Toledo, Ohio and joined the U.S. Air Force shortly after High School, training as an aircraft refueler. He served in Viet Nam in 1967, and after discharge in 1969, began taking flying lessons. Jim obtained his Commercial, Instrument, and Flight Instructor ratings, and early in his career worked as a flying instructor, repo pilot, business pilot, and then was hired by a cargo company to fly 2 and 4 engine transport aircraft. Jim has flown at least 38 different models of single-engine aircraft, and is licensed to fly as Airline Transport Pilot in 6 large aircraft—the latest is the Airbus 320. Jim has amassed just under 25,000 flying hours, working for 6 airlines, both passenger and cargo. He is retired from airline flying, but still holds a Flight Instructor certificate, being able to teach Private and Instrument pilots, plus the various Ground School courses required by the Federal Aviation Administration.

Jim married Sandy Grimes, on July 19, 1969 as the Apollo 11 crew were orbiting the moon. The next day, Neil Armstrong stepped onto the surface, declaring "...one small step..." Jim teases Sandy their marriage was "...from out of this world..." and this year they will celebrate 47 years together. Sandy, a Kiwanian is the Secretary / Treasurer of the North Davis Club, and is a valuable asset to Jim's success in the airline industry and Kiwanis.

**BIG K, LITTLE K**
Larry Hunter, 2016 – 2017 Governor-Elect

Some people try to distinguish between projects undertaken by Kiwanis International such as the ELIMINATE project and the “PLAN” and local clubs who provide service and raise funds in their local community. A way to delineate the two could be designated Big “K”, little “k”. I trust that none of us make such distinctions. A close examination shows that there is only one “K” and it is the “K” as in Kiwanis International and our local Kiwanis clubs. Indeed, it is the same “K” as appears in Circle “K”, Key Club, K-Kids, etc.

What does that “K” stand for? I would like to suggest three basic principles that at least sound like “K”, even if not conventionally spelled with a “K”: Koncern, Kommunity, and Kooperation. Indeed one can form a sentence using all three of those concepts that illustrate how Kiwanis International and a local Kiwanis club can work together: Kiwanis Koncern for our Kommunity is enhanced by Kooperation between clubs, divisions, districts, and international.

Four examples:

1 – Club A has a large project that will provide its community with a signature celebration. However, it is a smallish club and does not have the people power to accomplish its task. However, an invitation to another club(s) in the area produces more than enough volunteers to complete the task.

2 – A city has a public park program that enlists community volunteers to help keep them clean. A Kiwanis division undertakes the cleaning of a large, well-used park, a project too large for one club; but just right for the Division plus local Key clubbers.

3 – There is a need for a Kiwanis Club in a community not currently being served by Kiwanis. Utilizing materials, techniques and experience received from Kiwanis International, a new club is formed, members recruited and leadership selected.

4 – A world-wide health problem affects small children in dozens of countries which results in an agonizing death for any child affected by the disease. It is a disease that is preventable with an inexpensive inoculation. Kiwanis International has no members that are not individual club members. No individual club is large enough to take on such a task. Cooperation resulted in success in Kiwanis’ community, which is the children of the world.

Obviously the final example gives away the concept, but in truth all four examples are examples of Kiwanis “Koncern” for our “Kommunity” that was taken care of by “Kooperation” here in the Utah Idaho District. Together we are all stronger.

One never thinks that you’ll be on the receiving end of what Kiwanis does. – Carl Mueller
THROUGH THE YEARS IN KIWANIS
By Carter Jones, 2016 – 2017 Utah – Idaho District Vice-Governor

Dear Kiwanians in The Utah/Idaho District:

I Have Been a Member of Kiwanis Since 1981 And Originally Joined Because One of My Clients in The Securities Industry Invited Me to Join. I Thought This Would Be a Great Way to Obtain New Clients for My Business So I Readily Became a Member of the Salt Lake City Club. It Was Not Long Before I Received an Assignment Within the Club to Work On the Social Committee and That Began the Future of Service Within the Club That Just Blossomed from There.

It Was Soon Apparent to Me That Service Was a More Important Objective Within the Club Than Obtaining New Clients and Since That Time I Have Enjoyed the Years of Service to The Community and Young People Within Our Club. My Years as an Officer and Lt. Governor Have Also Taught Me How Different and Valuable Each Individual Club and Club Member Is to The Overall Organization. There Are Many Ideas to Share and Activities to Participate in Together.

I Have Been a Big Fan of All of Our District Governors and Hope to Be Able to Follow in Their Footsteps. I am a Big Supporter of Governor Wes Sine and His Ideas to Find the People to Help Within the Individual Needs of Each Club. Our Salt Lake Club Has founded 2 Key Clubs That Are Functioning Without Sponsors in Our Area and So We Have Had to Start Recruiting New Members to Handle These Clubs.

I Sincerely Hope We Can All Work Together In Obtaining members to Serve With Us And Retain Those People Already In Our Clubs So That We Can Help Those In Need Within Our Communities.

Sincerely,
Carter Jones, Vice Governor

OLD GOVERNORS NEVER DIE, THEY JUST FADE AWAY SERVING KIWANIS AND THE CHILDREN OF UTAH IDAHO
Wes Sine, 2016 – 2017 Utah – Idaho District Immediate Past Governor

It seems impossible that a year has passed since you allowed me to be your governor. It has been a great year. I have had the best Lt Governors that anyone could wish for. Jim Vaughn as Governor Elect has been fantastic as exhibited by a super Convention in Sun Valley. Larry Hunter as the new Governor Elect will be fantastic. Carter Jones will be a great future Governor. The District is in good hands and will flourish in the years to come. There is an electricity in the Clubs of the District that denotes a desire and ability to serve the children of the District. New members are being inducted to help support new Key Clubs, Builders Clubs, K-Kids and Circle K. We are moving. We are serving. We care.

A note of thanks to Kellie Ryan our Secretary. She is fantastic and is the foundation of the District along with our Treasurer Marvin Chamberlain. These Kiwanians are unbelievably supportive of all that goes on.

A word of thanks to our Board of Trustees and their willingness to meet monthly for Kiwanis and the Kids. The wisdom they bring to the District is irreplaceable. The sacrifice is great but the results are stupendous both this year and in the future. They functioned as a true Board carrying their responsibilities with diligence.

The future is bright for the Utah Idaho District. I believe that we will see an increase in membership, an increase in local activities, more schools having the SLP’s (Key Club, K-Kids, Builders Club, and Circle K) along with increased activity in our District Sponsored Hope of America, Freedom Leadership, and Teacher Recognition Awards. Remember Days Inn Richfield will give a one night stay to any teacher receiving a Teacher Appreciation Award in either Idaho or Utah.

If any of you need my help as I become Past Governor, know that I am always available no matter how far I have to travel. Thank you again for your support.

Here is to a new great year lead by Governor Jim Vaughn, Governor Elect Larry Hunter, Vice Governor Carter Jones, a great Board of Trustee made up of dedicated Lt Governors and all those special Kiwanians that fulfill the various administrative office. It is great to be a Kiwanian in the Utah Idaho District.

Growing up doing those Kiwanis Clubs, doing those Cub Scout banquets, doing those church shows, I learned to find that sensibility that most people could laugh at - that all ages and demographics could laugh at. - Jeff Dunham

I've come to believe that each of us has a personal calling that's as unique as a fingerprint - and that the best way to succeed is to discover what you love and then find a way to offer it to others in the form of service, working hard, and also allowing the energy of the universe to lead you.

LET'S RENDEZVOUS. SEE YOU IN THE CITY OF LIGHT!
2017 Kiwanis International Convention
Paris, France
July 13–16, 2017

Two conventions in one
In 2017, Paris will host not only the Kiwanis International convention, but also the Kiwanis International European Federation convention.

In 2017, Paris will host not only the Kiwanis International convention, but also the Kiwanis International European Federation convention (http://www.kiwanis.eu/convention-2017/).

Want to learn more about the federation? Check out the website (http://www.kiwanis.eu/).

The Kiwanis International European Federation will host a gala event on July 14. Get ready to meet Kiwanians from all corners of Europe!

**THINGS TO KNOW BEFORE YOU GO**
Many countries, one currency The euro is the currency in France and in most European countries. That helps simplify currency exchange. Different countries have different designs, so collect them all—they circulate throughout the European Union.

10 hours each way It’s a 10-hour drive from the northernmost part of France to the southernmost, and from the westernmost part of France to the easternmost.
Quick tip: Don’t tip at French restaurants, service is included in the price of your meal. If you’re particularly pleased with service, leave a few coins on the table. The same goes for taxis.

Hi, neighbor! Plan a trip to the beautiful countries and principalities that border metropolitan France: Belgium, Luxembourg, Germany, Switzerland, Italy, Monaco, Andorra and Spain.

Deliciously diverse cuisine Each French region boasts a distinctive cuisine. Wine sauces and snails in Burgundy. Buckwheat crêpes and seafood in Brittany. Sauerkraut dishes in Alsace. Cheese fondue in the Alps. Tomato and garlic-based dishes in Provence. And that’s just to name a few!

Day trips Within a short drive or train ride from Paris, you can experience many different regions of France, such as Normandy, Alsace, and Burgundy. Each has distinct architecture, landscapes, cuisines and traditions.

A few useful French terms
Bonjour (pronounced boh-zhoor) = Hello (during the day)
Merci (pronounced mayr-see) = Thank you
Au revoir (pronounced oh-reh-vwahr) = Goodbye
Où sont les toilettes? (pronounced ooh-soh-lay-twa-let) = Where is the restroom?

The Iron Lady sparkles The Eiffel Tower is the most-visited paid monument in the world. Its 20,000 lights flash during the first five minutes of each hour after nightfall until 2 a.m. in the summer and 1 a.m. in the winter.

Do you know you know French? About 40% of English words come from the French language. Most were introduced after the Battle of Hastings in 1066. The Duke of Normandy (“William The Conqueror”) ruled England for the next 21 years and introduced new vocabulary along the way.

Get there fast The TGV, or Train à Grande Vitesse (High Speed Train), is the fastest way to travel to more than 1,400 destinations in Europe, with record-breaking speeds of up to 320 km/h.

Hang up and slow down Planning to drive in France? Radar speed detectors are everywhere, so drive exactly the speed limit. And don’t use your cell phone while driving that will cost you a lot of euros too. The good news: These measures have resulted in a steady drop in car accidents.

Power conversion France uses 220V. You’ll need a voltage converter and a plug adapter if your country doesn’t use 220V—or if it has different plug and socket types.

Number one France is the world’s top tourist destination, with 83 million foreign tourists annually.

One language French is the official language of France, but regional languages are also spoken, such as Germanic dialects (Alsatian), Celtic languages (Breton), and other Gallo-Roman languages (Langues d’Oïl, Occitan).
THINGS TO KNOW BEFORE YOU GO (Continued)

July 14 Bastille Day, called 14 juillet in French, commemorates the storming of the Bastille—a significant event leading to the French Revolution. In Paris, watch a military parade on the Champs-Élysées, enjoy fireworks set off from the Eiffel Tower and dance through the night.

Phone bill awareness If you’re using a phone with a plan from a country other than France, ask your service provider about costs for using your phone abroad. Some providers offer international packages. Skype may be used on some phones if Wifi is available.

Register for the convention

Attend the 102nd Annual Kiwanis International Convention in Paris, France. The convention will take place July 13–16, 2017 and includes exhibits, education and general sessions at the Paris convention center, located at 2 Place de la Porte Maillot, 75017 Paris, France.

Registration will open in a while, watch for updates!

Book your hotel

One of the benefits of being a Kiwanian: You can book your hotel at preferred rates. The official convention hotels are:

- Hyatt Regency Paris Etoile, which is attached to the convention center. Rate is EUR 190 for a single. Breakfast and tax included. EUR 20 for an extra person.
- Le Méridien Etoile, located across the street from the convention center and fully renovated in 2016. Rate is EUR 199 for a single. Breakfast and tax included. EUR 20 for an extra person.

Booking will start in early 2017.

Note: There will be no shuttles, as the hotels are so close to the convention center.
RECOGNITION ITEMS

People who give to the Kiwanis International Foundation are understandably proud of their support for the mission of Kiwanis International. That’s why we provide items that show our gratitude—and help you show your pride in a way that honors your generosity.

Kiwanis Leadership Society
George F. Hixson Fellowship
For a gift of US$250 or more, recognizing the donor or another individual or group
Tablet of Honor
For a gift of US$2,000 or more, recognizing a group or individual other than the donor

Heritage Society
Founders Circle

Mary and Bo Shafer Legacy Society
For a documented planned gift of US$50,000 or more

* (Honoree may choose Kiwanis "eagle" instead)

DONOR ADVISED FUND

Kiwanians have the capability to make their own grants, for specific purposes that are meaningful to them. A donor advised fund is a permanent, endowed fund that is available through the Kiwanis International Foundation to individual Kiwanians, as well as their families, and Kiwanis organizations.

With a donor advised fund, you make an irrevocable, tax-deductible gift to our foundation, and then recommend grant distributions to qualified charitable organizations.

A donor advised fund is easy to establish. Without the staffing and legal fees, it's also less expensive to set up than a private foundation. And because the fund is housed in the Kiwanis International Foundation, you get the maximum tax deduction available—without the excise taxes and other restrictions imposed on private foundations.

See how you can set up a donor advised fund in four simple steps, and find answers to frequently asked questions. Important documents and applications are also available: individual account application and gift agreement, Group account application and gift agreement, Grant recommendation form.

For more information about donor advised funds, contact the foundation at grants@kiwanis.org or call 1-800-KIWANIS, ext. 155 (U.S. and Canada), or +1-317-217-6155 (worldwide).

PREPARED WHEN DISASTER STRIKES

When disaster strikes, the Kiwanis family is there to help. The Kiwanis International Foundation has already granted nearly US$30,000 to help Kiwanis communities in Louisiana with flood cleanup assistance.

The Louisiana-Mississippi-West Tennessee Kiwanis District received a disaster relief grant to work with local Kiwanians in affected neighborhoods. They are bringing food and water to the families cleaning up their homes in the more devastated areas.

Several clubs in the area also received disaster relief funding during this time of great need. The Kiwanis Club of Northshore, Mandeville used its grant to provide basic necessities for citizens in St. Tammany Parish, Tangipahoa Parish, Livingston Parish and East Baton Rouge Parish. This includes cleaning supplies, first aid supplies, food and water for local families in need during the recovery efforts.

The Kiwanis Club of Metairie Dawn Busters realized there was an urgent need to help newborns after the storm. The club is utilizing disaster relief grants to provide 50 Infant Survival Kits for babies in desperate need of infant formula, clothing, diapers and wipes as the result of the flooding.

Unfortunately, disaster relief is needed year-round throughout the world. Your gift today can help other Kiwanis clubs impact their communities when emergency relief is needed. Make your gift—it’s a simple way to make a big difference. Give online or text “aid” to 50155.
PREFERRED CHARITIES

As Kiwanis International Preferred Charities, partnering organizations commit to providing various in-kind promotion and access benefits. In exchange, organizations are recognized as Kiwanis International Preferred Charities, and Kiwanis will encourage local club support via fundraising and service projects.

Our current Preferred Charities:

Kiwanis International partners with Boys & Girls Clubs of America with a focus on mentoring tomorrow’s leaders. Invite their staff to a club meeting and begin building an impactful relationship. Find your local Boys & Girls Club at bgca.org.

Kiwanis International partners with Boy Scouts of America to ensure boys, young men and women grow in character, citizenship, responsibility and leadership to achieve their greatest potential. Your club can sponsor a local troop and support its projects. Find your troop at scouting.org.

Kiwanis family members participate with Children’s Miracle Network by sponsoring fundraising events and conducting service projects at their local children’s hospitals. Get involved by contacting your local CMN hospital and invite a representative to a club meeting to share ideas and create a partnership. Find your hospital at childrensmiraclenetwork.org.

Kiwanis family members joined forces with UNICEF to virtually eliminate iodine deficiency disorders. Today we collaborate on The Eliminate Project, raising US$110 million to help eliminate maternal and neonatal tetanus from the planet. Continue to stay up to date on this campaign at theeliminateproject.org.

PROMOTIONAL PARTNERS

In exchange for visibility and recognition within Kiwanis-family clubs, Promotional Partners take an active and visible role in driving awareness of the Kiwanis brand and mission. Campaigns can be created by the Promotional Partner, co-created with Kiwanis or tied to an existing Kiwanis program area.

Our current Promotional Partners:

Scholastic Books partners with the Kiwanis Family to promote literacy outreach programs. Discuss with your club members how a reading oasis for your local school can be woven into your signature service projects and discover the wide array of literacy programs.

Up with People is a global education organization focused on bringing the world together through service and music. Kiwanis clubs can engage with Up with People by coordinating service projects, hosting the cast in their homes and sponsoring performances as fundraisers. Find out when Up with People will be in your area at upwithpeople.org.
The adage “a picture is worth a thousand words” has never been as true as it is today. In this multimedia world, images, audio, and video are powerful marketing and public relations tools.

A new way to view Kiwanis videos

Kiwanis International strives to make available to member clubs video and print materials that promote, grow and forward the work of the organization. In some cases, videos may be made available for online viewing, download or as a DVD. Many of our videos, due to file size and costs, will only be made available for online viewing on YouTube.

Any video longer than 10 minutes or larger than 2GB must be broken up into sections in accordance with YouTube’s policy and restrictions. Some videos we have will not be possible to have these conversions since they were received by outside vendors. Those videos (mainly .flvs) will remain .flvs and if necessary be uploaded to YouTube.

Download videos

The videos made available for download in the Google Docs library at www.kiwanisone.org/getvideos will be provided in the .mov format only. This format helps reduce the time and cost associated with producing multiple versions. You can download a free .mov player (compatible with either Mac or PC) here: http://www.apple.com/quicktime/download/

Need a DVD?

If a Kiwanis International video is neither on YouTube or in the Google Docs video download library, then a third option is to request a CD (data file) or DVD (plays in a DVD player). This may incur a cost to cover production and material costs, plus shipping and handling. Please allow a minimum of 2 weeks from initial contact to receipt of video. Please send all requests to videos@kiwanis.org.

Douglas Keith Christensen was called home to his Heavenly Father on August 20, 2016. Doug was born on September 23, 1947, to Keith W. and Vera C. Christensen. He attended Orem High School where he met his sweetheart and eternal companion, Linda Swan. They were married on June 19, 1969, in the Salt Lake City Temple of the Church of Jesus Christ of Latter-day Saints. They were blessed with four children and fourteen grandchildren.

Doug earned his degree in Accounting and Organizational Behavior from Brigham Young University. Following his graduation in 1972, he started as the Business Manager for Auxiliary Services. In 1984, Doug was awarded a Master’s degree in Information and Administrative Management with an emphasis in Organizational Behavior. Over his thirty-eight-year career, he served BYU as Director of Physical Plant, Director of the Capital Needs Analysis Center, and as Administrative Solutions Advocate in the Physical Facilities Division. He retired from BYU in 2011. In 2012, he was recognized with the establishment of the Doug Christensen Faculty Fellowship in the College of Humanities for those “whose sacrifice and efforts to ‘do more with less’ provided for the transfer of a position and budget for teaching and learning.”

He was actively involved in professional associations and recognized worldwide as an industry innovator and leader in the total analysis and management of physical facilities. He served as President of APPA: The Association of Higher Education Facilities Officers, served as a member of the APPA Board of Directors, Dean of the APPA Leadership Academy, and received nearly every award available through the association. He was the first to receive the Rex Dillow Award for outstanding published article, the first Effective and Innovative Practices award recipient for BYU’s CNA Center, the first Award for Excellence awarded to BYU while he was director, the first APPA Fellow, and the first and only recipient of the Distinguished Leadership and Ethics award. By many, he was referred to as “Mr. APPA.”

Doug’s tireless efforts and successes in his professional career were centered on and motivated by his dedication to the mission of BYU and the LDS Church to perpetuate the fusion of gospel learning and applications in a secular environment. He was a devout member of the Church of Jesus Christ of Latter-day Saints and served in numerous leadership callings including the Boy Scouts of America, stake presidencies, bishoprics, high councils, and in each calling he served with the same energy and enthusiasm for which he was known. While serving as Vice President of Assets for the Utah National Parks Council, he was awarded the Silver Beaver. He also served as the president of the Provo Kiwanis Club. His faith was deep and meaningful and he shared his testimony through his humble example and years of selfless service. He had a strong relationship with the Savior that carried him through his many challenges and continually gave him hope.

He had a gravitational personality; people instantly loved him and counted him as a dear friend. With a focus always on others, he believed in and valued each and every relationship that he fostered. He is survived by his wife and eternal companion, Linda, his beloved children, Caryn (Jon) Ashton, Coray (Mindy) Christensen, Camille (Brian) Wengreen, and Cameron (Lori) Christensen, as well as his fourteen grandchildren. He is also survived by his parents, Keith and Vera Christensen, and siblings Ann (Larry) Goodwin, Catherine (Rod) Claward, Lynda (Greg) Baldwin, and Steven (Michelle) Christensen. His memory will live long and his impact will be felt for generations.
