### COME FLY WITH ME, COME FLY, COME FLY AWAY...

That song I believe, more than any other, brings back fond memories of early airliner travel. Passengers dressed up in their best, strolling onto the tarmac, showing the agent their ticket, and climbing aboard the shiny, gleaming airplane for destinations many folks only dream about. As a former Airline Pilot, I really do not miss the hectic dash through the airport, stopping to buy a Subway or other fast-food meal, briefing the crew, and scrambling to get loaded for hopefully an "on-time departure", only to be number 41 for take-off at the runway in use. I enjoy my now relaxed schedule of flying a smaller, slower airplane and introducing others to the joy of flying. I also enjoy the folks I have met in Kiwanis--it has been a pleasure to be associated with such fine people these last 29 years.

It is no secret we need more members to serve the youth of our District, and the world, and for many weeks I have been trying to come up with an idea to advance our ranks and numbers. Finally, I came upon a plan to not only obtain more members, but to also reward a successful top producing sponsor for their efforts by treating them to a demonstration flight in a light single engine airplane. I am calling the program the UTAH-IDAHO KIWANIS DISTRICT MEMBERSHIP ADVANCEMENT PROJECT. The project will run from January 1, 2017 until close of business on May 12, 2017. Messages containing the rules and parameters should have been e-mailed via the District Lt. Governors', to club Secretaries, but within this issue of the U&I you will also find the information. I must insist strict adherence to the rules, and the sponsor and club secretary will be responsible for an accurate tally of those new members sponsored. The Kiwanian that sponsors the most new members will be awarded the flight. Please refer to the "rules and parameters" listings for additional information.

The target date of the airplane demonstration flight is planned for May 20, 2017, which is a Saturday. The date itself is also a very commemorative event: It was 90 years prior, on May 20, 1927 that Charles Lindbergh departed New York on his epic flight across the Atlantic to Paris! Our flight of course will be subject to weather, logistical, weight and balance constraints, and the strictest observance to Federal Aviation Administration Regulations, to insure a safe enjoyable flight, so the flight date may have to be adjusted per those requirements.

I am a licensed and current Certified Flight Instructor, and I am authorized by the FAA to conduct demonstration and instructional flights in single-engine airplanes. The sponsor will assist me in planning a local flight, at the nearest paved runway airport to their home or pre-arranged location. Prior to flight, we will conduct an extensive preflight of the airplane, and familiarize ourselves with the airport requirements, terrain restrictions, and any restricted airspace to avoid. The flight-time will be about an hour, but at least 2 1/2 hours should be planned to conduct preflight and post briefing/photos. The sponsor will sit in the pilot's seat, and will be allowed to manage the controls, doing mild climbs and descents, turns, and observing ground points for orientation to the airport, and any points of interest in proximity of the flight.

I am pleased to offer this opportunity to a Kiwanian, and I do hope this proposal will be well received. I urge every Kiwanian to participate in this project, and enjoy the hunt for new members into our District!

In Kiwanis service,

Sincerely, Captain Jim Vaughan, Governor

**UTAH – IDAHO DISTRICT**

The Utah District was organized March 24, 1919, at Salt Lake City. Salt Lake City appointed Alexander Eberhardt to act as governor. The Executive Committee of the International Board added Idaho to the territory of the district on November 27, 1920.

The Utah-Idaho District came into existence as of December 16 of the same year. By mutual agreement, ratified by the International Board, the panhandle of Idaho consisting of 10 counties north of the Salmon River was added to the Pacific Northwest District in July of 1925. The Utah-Idaho District’s first convention was in Salt Lake City on December 16, 1920.

At that session, Herbert Van Damn, Jr. was elected governor at a convention in his home city. The first club in the district was Salt Lake City, completed October 10, 1918. The second club was Pocatello, Idaho, on August 5, 1920, and the third club was Boise, Idaho on August 10, 1920

**THE OBJECTS OF KIWANIS**

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

Object 1 - To give primacy to the human and spiritual rather than to the material values of life.

Object 2 - To encourage the daily living of the Golden Rule in all human relationships.

Object 3 - To promote the adoption and the application of higher social, business, and professional standards.

Object 4 - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

Object 5 - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

Object 6 - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

## GOAL SETTING FOR 2017

By Larry Hunter, 2016 – 2017 Utah – Idaho District Governor-Elect

As most of us are aware, January is named for the Roman god Janus who had faces on both sides of his head. This allowed him to look forward and backward. That would be a very handy trait for sports broadcasters, political pundits and parents. It would allow them to second guess to their hearts content since they would already know what to expect. However, for the rest of us who do not have that ability, nor the predilection to second guess others, we are left to look forward and do the best we can to avoid pitfalls. We do not want to live in the past, always lamenting what might have been. Nonetheless, it is good for us to look back sometimes to measure our successes, understand our mistakes and learn from our omissions. The first of the year has traditionally been a time to set goals or resolutions (I use “goals” in this article) for the upcoming weeks and months. It is also an appropriate time to try to assess the recent past in order to help us lay those goals.

Disciplines such as mental therapy and religion encourage us not to dwell on past mistakes. That is wise counsel. However, there is no reason to continue to make the same mistakes. And reviewing past mistakes without dwelling on them helps us to avoid unnecessary problems. Knowing how to learn from past mistakes to build on our knowledge is distinct from allowing those past mistakes to burden and depress us. Three steps to help us look forward and build follow:

### 1. Set a Reasonable Number of Attainable Goals

Five to seven attainable goals are better than 50 you cannot attain. You can always add more later. Specific goals are better than general ones, e.g. lose 10 pounds rather than lose weight.

### 2. Divide Your Life and Your Goals into Areas

For example, family, religion, work, Kiwanis, recreation and then set target dates and intermediate target dates. Make sure to include one goal.

3. If you have had these goals before, (for example weight loss, more productive use of time, etc.) try to decide whether it's worth the effort to attempt that task again. If it is, you must decide if you are serious about doing it. If you are, look at why you failed in the past, then decide what you are willing to do to accomplish the goal. Write the goal down and keep the paper to help you to review and keep up to date with your progress. Check on yourself monthly and if you shared your goal with someone, report to them about your progress.

Let's have a great 2017!

Larry Hunter

and prosper in this Leadership. I have also seen the dedication, as Lt. Governor over Division 8 of the members of each of the 3 clubs in the division as they serve faithfully in their chosen functions. It is exciting to attend the luncheons of each club and witness the excitement and dedication of both leaders and members.

As a Kiwanis organization, we cannot give up on our service. We need new members to help us in all of the responsibilities we undertake to do. We need new members and current members to give time in the service of our fellow men and women and the Children over whom we have stewardship. My personal goal this year is to invite and see join 2 people in my home club and to serve when possible in all club activities.

My hope is that each of us will re-dedicate ourselves to the service we offer to the World in 2017 and that we will commit to increasing our members and attending as many service functions for our clubs as we possibly can.

Sincerely,  
Carter Jones, Vice Governor

### MY FELLOW KIWANIANs:

As We Begin the Year 2017 there are many things we have for which we can be grateful, and many things we have yet to accomplish. As a member of Kiwanis since 1981, it has been my privilege to associate with many fine individuals and leaders in our District. In each case our Leaders have been honorable men and women who have served our mission and goals steadfastly.

Probably the most influencing factor for my continued membership has been the service we perform for Our Fellow Men and Women and for The Children of The World.

Like many of you I have the privilege of working with members of a Key Club in Salt Lake City, Utah. This has been a joy to me personally, to be able to see the youth lead

Every day you may make progress. Every step may be fruitful. Yet there will stretch out before you an ever-lengthening, ever-ascending, ever-improving path. ## THE PERFECT FORMULA

Kiwanis is the perfect formula to serve and save the children of the World. From the International scene to the District to the Division to the individual clubs, Kiwanis is structured to serve and save the children of the World. Internationally we are saving Mothers and their Children in Third World Countries by inoculating them against Tetanus. When through, Kiwanis will be instrumental in saving the lives of 60,000 babies and 30,000 mothers each year. That is astounding when you think about it.

In the District, Division, and the individual Clubs, we amongst other things are teaching children how to fish instead of just giving them fish by giving them the opportunity to serve their schools and communities and learn leadership skills. Let me list the tools we have to accomplish this mission of Love and Concern.

There is the Hope of America Award which allows the teachers to honor those students who show academic skills, moral character, and service to their communities. This award is given to graduates of Elementary Schools. A principal in Backman Elementary School designed this award while a member of the Bonneville Kiwanis Club and is over 50 years old.

Next is the Freedom Leadership award which allows students of Junior High or Middle School to be rewarded for academic skills, moral character and service to their communities. This award is over 50 years old and is now found throughout the Utah Idaho District. The principal of Jordan Jr High was the designer of this award when he was a member of Bonneville Kiwanis.

We also have the Teacher Appreciation Award which is presented to two teachers in each participating School. Days Inn Richfield has agreed to give a one night stay to each teacher in recognition of their sacrifice in teaching our children.

The above awards can be purchased from Bonneville Kiwanis and the contact is Gordon Lewis. Mark Anderson who has chaired these awards for many years has been stricken with cancer and can no longer carry on his duties in this area. We Thank-you Mark for a job well done. The lives you have touched with your dedicated service are as the sands of the sea.

Next, we have the K-Kids program which teaches elementary school students how to be leaders and how to serve others. Our elementary kids are being tempted with drugs and gangs even at this early age. K-Kids will give them an alternative to these negative forces.

Then there is Builders Club. Builders Clubs are for the Middle School or Jr High Youth. They serve their schools and communities and learn how to be Leaders. How to fish. The school advisor is supported by a member of the Kiwanis Club in serving the community.

This is followed by the Key Clubs for the High Schools, again grooming our youth to be leaders. They will take on larger projects in their schools and their communities as they hone their leadership skills. There are 275,000 youth in these organizations around the country. They hold their own Conventions where they meet young people of like mind and skills and make friendships that will guide them for their life to come.

To do all of these projects, we must have more members. Every school in the Utah Idaho District should have the opportunity to participate in these Leadership building programs. We have to have the members to do this. No non-Kiwanian should be safe from a Kiwanian asking them to join a Kiwanis Club to serve the Children of the World. Our Governor has asked us to bring in new members. Let us get behind him and fill our coffers with new members. We should be able to bring in 50 new members each month from our clubs. That is less than 1 new member per club. It is possible. I have brought in one new member in the last month, and have two on the burner. No one is safe from my asking why they don't join Kiwanis after giving them the Kiwanis story. The Children need it and the District needs it.

I love Kiwanis as each of you love Kiwanis. Let us share that joy and love with our friends, family, and acquaintances. See you at the Annual Convention which will be held this year in Richfield Utah, the gateway to Capital Reef, Zions, Bryce, Fish Lake and Fremont Indian State Park. Bring you kids and grandkids for a great time.

Past Governor Wesley Sine

## SAY CHEESE! THE IMPORTANCE OF CLUB WEBSITE PHOTOS

(<http://blog.portalbuzz.com/>)

This blog is part one of a two-part series about photos and your club website.

A simple photo can say so much more than a paragraph of text. The point is made quickly and emotion is conveyed without a single word. After all, “a picture is worth a thousand words.”

Photos can help you to share information, communicate about what your club does, get the attention of potential members and even engage with volunteers join your cause.

Here are 4 tips for using photos on your club website:

1. **Keep it simple** – The old saying says to keep things simple and your club homepage is no exception. Text is good and details are important so that members, potential members and volunteers have the information they need. However, use other pages for the text-heavy information. Keep your homepage visually interesting with updated and relevant photos or images.
2. **Keep it real** – Show real people, real events, and real volunteers. Your readers love to see reality. Real photos help convey the culture of your club. Take photos that capture an emotion. There is a reason why some YouTube videos “go viral”. Most times it’s something interesting, fun or cute. Those videos encapsulate an emotion and they get the viewer to engage with it. So the next time you tell the group to gather up in a lineup for a photo that will look like... a lineup, think about snapping a photo that captures your group in action instead.
3. **Keep it in focus** – Don’t post fuzzy photos. Crisp photos look great on different types and sizes of devices and computers. Enough said.
4. **Fix it** – That’s a great photo of the president, but the back of Larry’s head is showing at the bottom; crop your photo. The snapshot of the members manning the table at the Christmas Tree Lighting shows the members having a great time and serving in the community but it’s very dark; lighten it up. That great photo of your town is tilting to the right; adjust it. Sometimes a photo just needs a little help. Even professional photographers touch up photos. Use a free photo editor like [pixlr.com](http://pixlr.com) to touch up your photos and getting them looking great!

Here are a couple of questions to ask about the photos on your homepage:

Are there any photos on the homepage? If not add one or two.

Are there photos in the news column? Photos or images are a great way to call attention to a news item.

Are the photos updated and relevant?

Could the photos use a little adjustment?

How do YOU feel when you look at the photos on your homepage? Do they capture your club story? If not, take out your camera or your phone and snap a few new shots. Say cheese!

How are you using photos in your club website? We'd love to know your comments and suggestions.

If you don't have a website yet, try the 30-day trial from Portalbuzz. It's FREE!

 **PARTNER CONNECTIONS**  
 A RESOURCE FOR YOU & YOUR CLUB

December 2016

Partner Connections will help you and your club make the most of your Kiwanis membership by highlighting special offers from our partners. Coming to you four times a year, this newsletter features offers available only to Kiwanis club members. Share it with your club, too!

You can opt out at any time by clicking "Unsubscribe" below, but if you do, you'll miss opportunities to work with our partners and find new ways to use their products and services to benefit your club.

**Promoting literacy through play**

Can playgrounds help promote young children's early language development? Landscape Structures is incorporating interactive panels for playgrounds that promote language development in small children.

Partnering with Too Small to Fail's Talking is Teaching: Talk, Read, Sing campaign, LSI now offers conversation prompts that incorporate topics relatable to young children including letters, numbers, feelings, bedtime and more. Parents and caregivers can use the playground panels to prepare children for kindergarten and set them up for success in school and in life. Visit playsli.com or talk with your Landscape Structures playground consultant to find out how your Kiwanis club can create a playground that encourages language-rich interactions between children and their caregivers.

**U.S. Army Kiwanis speakers tour begins again in February**

The U.S. Army wants to meet you and your club members at an upcoming meeting. Army leaders are ready to speak to your club during this year's speakers tour. Your club can learn about our shared values of education and community service. National and regional Army leaders can provide an insider's military perspective and share the Army's education resources and opportunities. Follow the U.S. Army on Facebook and Twitter to learn more about Army opportunities. For more information about the U.S. Army's Speaker Bureau, contact Elizabeth Warren, ewarren@kiwanis.org or 317-217- 6211.

### Entertain, inspire, motivate and rock the house!

The new year provides a new calendar of events, activities and innovation. In addition to sharing cultures and volunteering weekly, Up with People provides specially produced entertainment for conferences, parties, anniversaries and conventions of all sizes around the world. A performance by Up With People can add flair and pizzazz to your events. Learn more (<http://www.upwithpeople.org/sponsors/up-with-people-special-events/>) or contact Chelsey Panchot at [cpanchot@upwithpeople.org](mailto:cpanchot@upwithpeople.org) to discuss your event.

### Kiwanis-BSA Community Organization Award

Kiwanis club members who assist a Boy Scout unit or charter a unit that has active adults can be recognized with the Kiwanis International-BSA Community Organization Award. The award honors registered BSA leaders who are Kiwanians or adults in a unit chartered by a Kiwanis club who render distinguished service to scouting and strengthen the relationship between the two organizations. To be eligible, candidates must have current BSA Youth Protection Training and the recommendation of their local club and Scouting Council. The National BSA will send honorees a certificate and the Community Organization Award square knot for the Scout uniform upon receiving the required nomination materials. Get details of the award, eligibility requirements and the nomination form by contacting Marcos Nava at [Marcos.Nava@scouting.org](mailto:Marcos.Nava@scouting.org).

### Sister Cities gala

Sister Cities International invites Kiwanis members to attend its 2017 Inaugural Gala at the Organization of American States in Washington, D.C. on January 17, 2017. The gala will include diplomats, bipartisan members of Congress, municipal officials and community leaders in celebration of the inauguration of their honorary chairman, the president of the United States. Festivities will include live entertainment, dancing, a buffet and open bar. Get tickets and more information.

### **Boys & Girls Clubs of America**

Boys & Girls Clubs of America and Kiwanis clubs have a common purpose of improving the lives of children. Kiwanis club members have proven to be outstanding community leaders and mentors. Your local Boys & Girls Clubs serve youth who are most in need of mentors. Find your local Boys & Girls Club and ask how you can make a difference in the life of a child as a volunteer mentor!

### **Spread patriotism and pride in your community**

Begin 2017 with a commitment to encourage unity and patriotism in your community. Your club can incorporate the flag into a signature project with Atlas Flag's exclusive flag subscription program. This program provides an opportunity for service and visibility while generating funds for your charitable work.

Join JCI and active citizens around the world in the Peace is Possible campaign, launched to mobilize individuals around the world to create awareness, take action and advocate for peace locally and globally. UTAH – IDAHO KIWANIS DISTRICT FOUNDATION DONATION/CONTRIBUTION FORM

Fill Out and Send with your Donation/Contribution to:

Marvin D. "Marv" CHAMBERLAIN  
P. O. Box 25  
Twin Falls, ID 83303-0025

**The Reed Culp Medal** – Reed Club medal has been created to honor our Past International President Reed Culp. Reed Club was a member of the Salt Lake Kiwanis Club and was an active Civic leader. He was a partner and owner with his brothers and later with his sons of Culp & Sons Sheep Co. He was named to the national board of Boys Clubs of America and was appointed to the Salt Lake Mayor's Committee on Juvenile Delinquency.

Contributions in amounts of \$1000 or more, entitle the donor to a very distinctive lapel pin and a medallion depicting the likeness of Reed Club to be worn on a brightly colored neck-ribbon.

The only source of funding for the Foundation is through the generosity of its members, Kiwanis Clubs, and other interested persons/corporations. Each year the Foundation makes an appeal to all Kiwanis Clubs to consider a club gift to the foundation. We ask each club to donate \$6 per person or \$100 whichever is greater. With 100 % participation by the clubs the Foundation would be able to award up to five matching scholarships each to Key Club members and Circle K members. The annual campaign is the primary source of income and determines much of the Foundation's impact, particularly in the areas of supporting Kiwanis sponsored programs.

**THINGS TO KNOW BEFORE YOU GO**

Many countries, one currency The euro is the currency in France and in most European countries. That helps simplify currency exchange. Different countries have different designs, so collect them all—they circulate throughout the European Union.

10 hours each way It's a 10-hour drive from the northernmost part of France to the southernmost, and from the westernmost part of France to the easternmost.

Quick tip: Don't tip at French restaurants, service is included in the price of your meal. If you're particularly pleased with service, leave a few coins on the table. The same goes for taxis.

Hi, neighbor! Plan a trip to the beautiful countries and principalities that border metropolitan France: Belgium, Luxembourg, Germany, Switzerland, Italy, Monaco, Andorra and Spain.

Deliciously diverse cuisine Each French region boasts a distinctive cuisine. Wine sauces and snails in Burgundy. Buckwheat crêpes and seafood in Brittany. Sauerkraut dishes in Alsace. Cheese fondue in the Alps. Tomato and garlic-based dishes in Provence. And that's just to name a few!

Day trips Within a short drive or train ride from Paris, you can experience many different regions of France, such as Normandy, Alsace, and Burgundy. Each has distinct architecture, landscapes, cuisines and traditions.

A few useful French terms

Bonjour (pronounced boh-zhoor) = Hello (during the day)

Merci (pronounced mayr-see) = Thank you

Au revoir (pronounced oh-reh-vwahr) = Goodbye

Où sont les toilettes? (pronounced ooh-soh-lay-twa-let) = Where is the restroom?

## THINGS TO KNOW BEFORE YOU GO (Continued)

The Iron Lady sparkles The Eiffel Tower is the most-visited paid monument in the world. Its 20,000 lights flash during the first five minutes of each hour after nightfall until 2 a.m. in the summer and 1 a.m. in the winter.

Do you know you know French? About 40% of English words come from the French language. Most were introduced after the Battle of Hastings in 1066. The Duke of Normandy (“William The Conqueror”) ruled England for the next 21 years and introduced new vocabulary along the way.

Get there fast The TGV, or Train à Grande Vitesse (High Speed Train), is the fastest way to travel to more than 1,400 destinations in Europe, with record-breaking speeds of up to 320 km/h.

Hang up and slow down Planning to drive in France? Radar speed detectors are everywhere, so drive exactly the speed limit. And don’t use your cell phone while driving that will cost you a lot of euros too. The good news: These measures have resulted in a steady drop in car accidents.

Power conversion France uses 220V. You’ll need a voltage converter and a plug adapter if your country doesn’t use 220V—or if it has different plug and socket types.

Number one France is the world’s top tourist destination, with 83 million foreign tourists annually.

One language French is the official language of France, but regional languages are also spoken, such as Germanic dialects (Alsatian), Celtic languages (Breton), and other Gallo-Roman languages (Langues d’Oïl, Occitan).

July 14 Bastille Day, called 14 juillet in French, commemorates the storming of the Bastille—a significant event leading to the French Revolution. In Paris, watch a military parade on the Champs-Élysées, enjoy fireworks set off from the Eiffel Tower and dance through the night.

Phone bill awareness If you’re using a phone with a plan from a country other than France, ask your service provider about costs for using your phone abroad. Some providers offer international packages. Skype may be used on some phones if Wifi is available.

**A NOTE FROM BOB PARISH**

Upon accepting another run at being a Club President for the Filer, ID. club, an idea was presented to the Board (and total club) to a year's contest for recruiting new members. I challenged them that they couldn't get more members totally in a year than I could alone. The loser (Club or I) has to buy either a Hixon or a Utah-Idaho medal honoring our District's first and only International President (either costing \$1,000.00) to be presented to one of our members, definitely not myself. The score so far to date is four new members inducted for myself and zero for the rest of the club. Amazingly, the four are ladies of the Filer Methodist Church who have continued the practice of preparing the meals for the club since the club's beginning in 1924. They are Mary Jeanne Elliott, Leader; Marie Webb, Wilva Darlene Harding ; and Eleanor DeKlotz. Needless to say, their participation is most welcome and reverses the past trend of decreasing membership. And important also is some of the members are inviting visitors!! (To be continued).

Happy New Year - Bob Parish

**KIWANIS CHILDREN'S FUND**

**Triumph #1: Kiwanis brings a better tomorrow**

At the Kiwanis Children's Fund, we're especially grateful: In 2016, gifts totaled US\$7,273,432. That's much more than a number. All that generosity...

- Served children in more than 22 communities around the world through grants to Kiwanis clubs—for projects that would otherwise remain beyond their resources.
- Supported grants to Service Leadership Programs, bringing the joy of service and leadership to Kiwanis-family members of all ages and abilities.
- Provided urgent funding for areas crippled by disaster.
- Made life-saving vaccines available to women in remote areas of the world through The Eliminate Project.

**Triumph #2: All over the world the Kiwanis family is making a difference**

Your gift to the Kiwanis Children's Fund can help a club serve its community in Louisiana. It can help a club in Romania. It can even help a club in California serve children in faraway Uganda. Kids need Kiwanis. And the Children's Fund helps you reach them—in Kiwanis districts all over the world.

Thanks to the Kiwanis Club of Timisoara, Romania, more than 200 children with autism spectrum disorder now have access to a "sensory room"—and to the specialists who provide sensory integration therapy. After teaming up with a local non-governmental organization, they got the room up and running—thanks in part to a grant from the Kiwanis Children's Fund. These kids now have a place to relax, learn and explore.

## KIWANIS CHILDREN'S FUND

### Triumph #2: All over the world the Kiwanis family is making a difference (continued)

In August, flooding damaged more than 60 percent of the homes and businesses in Baton Rouge, Louisiana. Kiwanians in New Orleans jumped in to help. Through the "Kiwanis Kares" initiative, they provided 1,000 hot meals and snacks to people in the stricken area. The program was possible because of a disaster-relief grant from the Kiwanis Children's Fund. And the grant was possible because of gifts from people like you.

In 1987, a school was built in Nyamongo, Uganda. For the children there, it represented the promise of education and new social skills. But the school—and much of its promise—sat unfinished for nearly 30 years. Without windows or doors, it remained a shell of a building—until the Kiwanis Club of El Centro, California, became invested. Today the renovations are complete, and the 600 students attend class in a safe, learning-friendly environment.

All over the world, Kiwanians are changing children's lives. Through the Kiwanis Children's Fund, you can help.

### Triumph #3: Members pay it forward

Kids need Kiwanis. And when you give, you help Kiwanians reach them. For example, think about how the Kiwanis Children's Fund supports Kiwanis Service Leadership Programs.

Service Leadership Programs are part of the Kiwanis family—they consist of Key Club International, Circle K International, Aktion Club, Builders Club and K-Kids. Their members are children, young adults and adults with disabilities. They experience the joy of service and learn the importance of leadership. And they expand the impact of Kiwanis in their communities:

- Since 2012, more than 40 percent of Kiwanis Children's Fund grants have supported SLPs.
- In 6,147 communities, SLP clubs perform an average of four service projects per year.
- SLP clubs are responsible for 24,588 life-changing acts per year.

Your gift helps make it all possible. In fact, while members of these programs make the world better in the present, many of them are also the life-changing Kiwanians of the future. So think of your gift as a way of paying it forward—the Kiwanis-family way.

### Triumph #4: Kiwanis is making history

We have even more reason for celebration this holiday season: maternal and neonatal tetanus has been eliminated in Equatorial Guinea. Validation surveys conducted by the World Health Organization confirm that the country is the 41st to eliminate the deadly disease since 2000.

Together, the Kiwanis family is changing the world.

"The commitment and passion that Kiwanians around the world have for The Eliminate Project is an incredible thing to behold," says Caryl M. Stern, U.S. Fund for UNICEF president and chief executive officer. "Thanks to your support, UNICEF and partners are reaching more women with the tetanus vaccine than ever before."

Earlier this year we celebrated similar achievements in Indonesia and Niger. That's great progress—but MNT still threatens millions of lives in 18 countries. Families need us to continue to fulfill pledges quickly, so UNICEF can use those funds to reach those nations. Let's finish the fight! Because when your goal is to change the world, every penny counts.

**Triumph #5: We added it up, and Kiwanis made a BIG difference**

At the Kiwanis Children's Fund, it's also a time to celebrate those whose gifts changed children's lives throughout 2016.

Because those gifts add up to more than just dollars raised. They're at work in more than 22 communities around the world—helping start or grow programs that serve children in need.

This year, more than 3,279 individual and clubs gave to the Children's Fund. And they made it possible for us to provide Kiwanis-family grants that helped Kiwanians help kids. Thanks to donors:

- The Kiwanis Club of Ukiah, California, will help feed more than 4,000 homeless children.
- The Kiwanis Club of Faribault, Minnesota, provided nearly 1,100 backpacks full of school supplies.
- Funding helped the Metairie Dawn Busters, Louisiana, club grow its Rewards for Reading program, which has put more than 1,000,000 books in kids' hands since 2006.
- The Kiwanis Club of Ticonderoga, New York, provided more than 27,500 weekend meals to nearly 150 children.

**THE ORIGINAL TWENTY-NINE DISTRICTS OF  
KIWANIS INTERNATIONAL**

(Continued from last Issue)

**ONTARIO-QUEBEC-MARITIME**

The Ontario-Quebec-Maritime District was organized on September 25, 1918, in Toronto, Ontario. At that time the district boasted four clubs: Hamilton, Toronto, Ottawa, and Montreal. At the first meeting, A.H. Fitzimmons of Ottawa was chosen governor, and he served until October 23, 1919. At that year's convention in Hamilton, Dean C.E. Jeakins of Brantford was elected governor. On October 29, 1920, at a convention in Ottawa, E.J. L'Esperance of Montreal was elected and he served until October 7, 1921. The first club in the district and the first club in Canada was Hamilton, which was completed November 1, 1916. Toronto was the second club completed on June 8, 1917. The first change of name for the district came on December 7, 1927, when Maritime was added making the name the Ontario-Quebec-Maritime District. Later, a request was made of the Board for a change of name to Eastern Canada and the Caribbean District to reflect addition of the Caribbean nations.

**PACIFIC-NORTHWEST**

The Pacific-Northwest District was organized in the fall of 1918 in Tacoma, Washington. Guy E. Kelly was named governor, and he was re-elected at a second meeting in Tacoma to which four clubs sent delegates. The date was January 17, 1919. At a convention in Vancouver, British Columbia, on November 15, Dr. H. W. Riggs was selected to be governor. He served until a third meeting was conducted in Tacoma on November 26 and 27 in 1920, when Charles F. Riddell of Seattle was elected governor. Riddell served until January 1, 1922. Tacoma was the first club in the district and was completed October 8, 1918. Portland was the second club, completed on December 28, 1918, and the third club was Seattle, completed on January 16, 1919. In 1950, steps were taken to add Alaska to the territory of the Pacific-Northwest District.

## THE ORIGINAL TWENTY-NINE DISTRICTS OF KIWANIS INTERNATIONAL

### **PENNSYLVANIA**

The Pennsylvania District was organized in Lancaster on September 25, 1918. There were 13 clubs in the district. P.J. Wilson of Johnstown was elected governor, and he served until October 6, 1919. At Altoona on that date, Ellwood J. Turner of Chester was chosen governor. At the next convention in Harrisburg in October of 1920, James G. Sanderson of Scranton was elected governor, and he was re-elected the next year in Pittsburgh. The first club in the district—and third in all of Kiwanis—was Pittsburgh, completed on January 31, 1916. The second club was Erie completed on August 26, 1916. The third club was Scranton, completed on April 18, 1917.

### **ROCKY MOUNTAIN**

The Rocky Mountain District was organized September 25, 1918, in Denver, as the Colorado District. Denver was the only club at that time and Raymond H. Turner was appointed governor. He served until November 12, 1919, when George O. Wolfe was appointed by the Denver club, which still was the sole Kiwanis club in the area. Wyoming was combined with Colorado to form the Colorado-Wyoming District on November 27, 1920. On February 18, 1921, the first meeting of the Colorado-Wyoming District was conducted at Colorado Springs, and Clem W. Collins of Denver was elected governor. He served until January 1, 1922. At the next convention, in Denver, Wolfe was asked to serve as governor again, and he served through that calendar year. Denver was completed on February 2, 1918. The second club was Pueblo, completed on October 4, 1920, and the third club was Colorado Springs, completed on December 22, 1920.

### **SOUTHWEST**

The Southwest District was organized October 12, 1918, at El Paso, Texas. El Paso, Phoenix, Arizona, and Albuquerque, New Mexico, were the three area clubs in existence. J.W. Kirkpatrick of El Paso was elected governor, and he served until October 6, 1920. No convention was held in 1919. At the second convention in El Paso, Dr. Henry M. Bowers of Albuquerque was elected governor, and he was re-elected at the next convention, in Albuquerque in October of 1921. El Paso was the first club to be completed on March 10, 1917, Phoenix was the second club on May 15, 1917, and the third club was Albuquerque on October 3, 1917.

### **TEXAS-OKLAHOMA**

The Texas-Oklahoma District was organized February 10, 1918, in Tulsa, Oklahoma. Joe A. Gerrity of Dallas was elected governor. At the next district convention in Fort Worth, Texas, in September of 1920, Dick O. Terrell of San Antonio was elected governor. The first club in the district was Dallas, completed February 10, 1917. The second club was Oklahoma City on April 25, 1918, and the third was Tulsa on June 7, 1918.

### **UTAH-IDAHO**

See Page 2

### **WESTERN CANADA**

The Western Canada District originally was organized as the Manitoba District because Winnipeg was the only club in the area at the time. The organization meeting was in Winnipeg on October 9, 1918, and H.B. Andrews was selected as governor. With the establishment of clubs in various surrounding territories, the district name was changed to Middle Provinces and finally to Western Canada at the request of district leaders. Winnipeg hosted another convention, on October 14, 1919, when P.M. Anderson of Regina, Saskatchewan, was elected governor. In Brandon in 1920, Fred W. Hobson was selected, and at Saskatoon in 1921, Dr. V.E. Black of Moose Jaw, Saskatchewan was chosen to be governor. The first club in the district was Winnipeg, completed June 15, 1917. The second club was Brandon on February 7, 1919, and the third was Regina on March 11, 1919.

### **WEST VIRGINIA**

The West Virginia District was organized at a meeting in Huntington on September 2, 1919. Three clubs were organized at the time: Charleston, Wheeling, and Huntington. H.R. Stapp of Charleston was the first governor. On July 17, 1920, when the first convention was held in Charleston, L.N. Frantz of Huntington, was elected governor.

The next convention was conducted in Huntington, and Dr. O.W. Burdats of Wheeling was elected governor. He served until December 31, 1922. The first club in the district was Wheeling, which was completed on September 24, 1918. The second club was Charleston on January 2, 1919, and the third club was Huntington on June 11, 1919.

### **WISCONSIN-UPPER MICHIGAN**

The Wisconsin-Upper Michigan District was organized as the Wisconsin District on September 24, 1918, in Milwaukee, Wisconsin. Six clubs had been organized. E.A. Marthens of Milwaukee was the first governor, and he was re-elected January 24, 1920, at another Milwaukee convention. He served until January 19, 1921. Upper Michigan was joined to Wisconsin to form the Wisconsin-Upper Michigan District by the Executive Committee of the International Board on November 27, 1920. The 1921 convention was January 19-20 in Racine, Wisconsin. John H. Moss was elected governor, and he was re-elected the next year in Green Bay. His term of office was completed August 7, 1923. The first club in the district was Milwaukee, completed October 24, 1916. The second was Madison on February 5, 1917, and the third club was Racine, on March 20, 1917.

**ANNOUNCING NEW SIGNATURE PROJECT AWARD PROGRAM**

You can help shine a light on the life-changing work the clubs in your district are doing through signature projects. This year Kiwanis International is offering a new Signature Project Recognition Program and Contest. The program and contest will help draw attention to the many incredible signature projects Kiwanis clubs are doing around the world to make a difference in communities.

As a reminder, signature projects are service projects, fundraisers or events that:

- Are recurring
- Enhance the Kiwanis brand
- Demonstrate significant impact on the community in terms of monies raised or children served
- Strengthen membership and partnership opportunities

The goal of this contest is to recognize clubs that participate in signature projects to impact their communities and to inspire all clubs to create exciting signature projects.

Here is a great online resource to assist with understanding or planning a signature project. (Signature project toolkit: KiwanisOne > Serve > Service projects > Signature projects > Signature project toolkit)

# DISTRICT RECOGNITION PROGRAM

## ACHIEVEMENT QUALIFICATIONS

- Net gain in membership and achievement of the new club opening goal (based on 300 clubs) established jointly between the 2016–17 Kiwanis International president and the 2016–17 governor before the start of the administrative year.
- Districts that achieve the higher new club opening goal (based on 400 clubs) receive a special citation.

## AWARD RECOGNITION ITEMS

- Presidential letter of recognition
- District governor pin
- District secretary pin
- Kiwanis International convention program listing
- Kiwanis website listing

## PRESENTATION

- To take place during the Kiwanis International convention by the Kiwanis International immediate past president

## SUBMISSION

Club and district secretaries should track their progress towards member, club and district recognition status throughout the year on the secretary [dashboard](#).

Secretaries will receive information on how to submit an application for recognition status in October 2017.

## CHARTERING TOOLKIT: START A SERVICE LEADERSHIP PROGRAM

Start a Kiwanis Service Leadership Program - Chartering toolkit)

When you charter a Service Leadership Program club, you inspire leadership from the start. As new members go through the process of building the club, they share the workload—and the vision. Once you’ve got a sense of the club-building process, you’ll be ready to build your club. Here are the tools you’ll need to get started.
