THERE CAN BE NO KEENER REVELATION OF A SOCIETY’S SOUL THAN THE WAY IN WHICH IT TREATS ITS CHILDREN.” Nelson Mandela

INTRODUCTION AND THANKS FOR THE SUPPORT

Since I wasn’t given the opportunity to speak at the Richfield Convention, I wanted to thank everyone for their support in writing. I’m excited about being Governor Elect and for the opportunity to work with Governor Larry Hunter and immediate Past Governor Jim Vaughan.

After losing a dear friend, Marvin Chamberlin, and now my oldest brother who passed away a few weeks ago, I have reflected on life. In doing so I came upon a short paragraph I’d like to share with you.

“I used to own a big Buick station wagon that had a 375-horsepower engine. It really zipped over the mountain passes, never losing power. Then I reached a point where I realized I didn’t need that kind of power and I bought a Volkswagen camper. We crept over the mountains and I saw so much more.”(Anne Wilson Schaef).

Other than making me chuckle what does this have to do with Kiwanis? Time is a valuable commodity in our society and donating money for a good cause is a wonderful and important way of providing service to children. Taking the time to actually read to a child, help a young adult with math, or assist with food or games at a carnival, are also ways of providing service for the children but that one-on-one time also fulfills and enriches our own lives.

We all joined Kiwanis for various reasons but let us never forget, “Kids need Kiwanis”, they need us and we need them. No matter how we chose to serve let’s never lose sight of the Children.

Thank You again for this opportunity to serve, Gov. Elect Barbara Mullins.

Larry Hunter, 2017 – 2018 Utah – Idaho District Governor

This is the 103rd year of Kiwanis. It’s message of “Kids Needs Kiwanis” rings clear throughout the countries in which it operates. There are tens of thousands of active dedicated Kiwanis in this country and dozens of others. However, we are faced with sobering membership statistics: Only one year in the past 25 has Kiwanis gained membership. Kiwanis membership worldwide is at its lowest level since 1953. Here in the Utah-Idaho District for the 2016-2017 Kiwanis year, we have fallen short of our goals for membership growth and new clubs. Our modest goal of two new clubs was not obtained. In fact, we lost a club. Our membership is down (not by as many as other districts some would say, as if that were an accomplishment).

So, what do we do? Throw our hands in the air in despair; throw in the towel in defeat; throw up in disgust? No, No and No. But neither do we sit and do nothing, accept the status quo and watch members and clubs disappear around the U.S.

If Kiwanis is going to survive, let alone thrive, we need to act differently than we have in the past. For some of us, merely attending our meetings, and paying our dues is as much a noble work as we can make. However, for many, if not most of us, that will not be sufficient this year and into the future. We need to increase our efforts, participate in service, invite friends, neighbors, colleagues and business associates to attend a meeting. It is not that hard. Not only do kids need Kiwanis, but our communities need service organizations. The government, our churches and our families cannot do everything that is needed. This is a noble work – Rise Up and Build. This year can be your best ever in Kiwanis.
THE UTAH – IDAHO DISTRICT

The Utah District was organized March 24, 1919, at Salt Lake City. Salt Lake City appointed Alexander Eberhardt to act as governor. The Executive Committee of the International Board added Idaho to the territory of the district on November 27, 1920.

The Utah-Idaho District came into existence as of December 16 of the same year. By mutual agreement, ratified by the International Board, the panhandle of Idaho consisting of 10 counties north of the Salmon River was added to the Pacific Northwest District in July of 1925. The Utah-Idaho District’s first convention was in Salt Lake City on December 16, 1920.

At that session, Herbert Van Damn, Jr. was elected governor at a convention in his home city. The first club in the district was Salt Lake City, completed October 10, 1918. The second club was Pocatello, Idaho, on August 5, 1920, and the third club was Boise, Idaho on August 10, 1920.

UTAH – IDAHO DISTRICT

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

Object 1 - To give primacy to the human and spiritual rather than to the material values of life.

Object 2 - To encourage the daily living of the Golden Rule in all human relationships.

Object 3 - To promote the adoption and the application of higher social, business, and professional standards.

Object 4 - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

Object 5 - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

Object 6 - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill

“…I HAVE NOT COME TO BE SERVED, BUT TO SERVE…”

Those words were spoken and recorded almost 2000 years ago, but are even more pertinent today. It goes without saying: one of the main objects for any service organization is to serve their communities. As Kiwanians, our focus is on the youth of the world. Drugs, Crime, Absent Fathers, Hunger and Poverty are just a few of the problems facing our youth, and Kiwanis can offer Hope to those children facing this horrible scourge against society.

I am so proud of how our fellow Americans jumped into action during Hurricane Harvey, using their own property and funds to comfort our neighbors.

The first responders with initially no organization, other than world of mouth, displayed: The Good Old American Can Do Spirit! The Cajun Navy arrive in Texas, as the winds were still swirling, with their own homes in Louisiana in peril to aid in water rescues.

What heroes we have in our midst! The World took notice too, asking our State Department how they could help with money or supplies. If all these folks are not Kiwanians, they should be!

Fortunately, we do not face national disasters often, but the youth or our communities are within our local clubs’ realm every day. Please become even more involved in your club activities, and aspire to greater levels of involvement.

Kiwanis appreciates your ideas and inputs, a willingness to serve, and welcomes your leadership qualities. There is always a need for those willing to step up in the organization – Please continue to serve your Kiwanis District, and the Youth of the World.

In Kiwanis Service,
Captain Jim Vaughan, Immediate Past Governor

HELLO FELLOW UTAH-IDAHO KIWANIANS!!

We all had a great time in Richfield Utah at the convention this year!! 45 were in attendance. New friendships were formed. Knowledge was shared. And we had a great time overall. Thanks so much Past Governor Wesley Sine and the staff at the Days Inn. You were amazing hosts and worked really hard to make sure we were well taken care of at every meal, every session and especially during the banquet. And, that band at the park…wow! Super cool and fun. I’d like to have them at all of our events!!

I’m pretty sure everyone had a really great time! Wish you all could have been there.

I know that attending these conventions can often interfere with family vacations and school schedules, as well as just the fact that most of us are truly busy.

So, we are doing our best to set the date for next year as early as possible. The next annual convention will be held August 9 - 11, 2018 in Twin Falls, Idaho.

Can you? Will You? Plan it?

We’d love to see more of us at convention to share ideas, information and build camaraderie!

Looking forward to seeing all of you very soon…

Best to all of you in this new Kiwanis year,
Kelly Ryan, District Secretary

2018 CONVENTION

The convention will take place June 28–July 1, 2018 and includes exhibits, education and general sessions. All events will take place at the Paris and Bally's hotels. These two separate hotels are connected. Watch for registration to open in early 2018. One of the benefits of being a Kiwanian: You can book your hotel at preferred rates. Details coming soon! The official hotels are the Paris and Bally's hotels, which are connected.
HI fellow Kiwanians,

We want to thank you for honoring us with your convention in Richfield its’ and beautiful National Parks of which it is the gateway. The special tour held Thursday to the Fremont Indian Museum and its many Petroglyphs lead by Richfield Kiwanis Secretary Kathie Gleave was memorable. This is a unique experience was discovered during the building of I-70 Freeway. The tour on Friday, of Fish Lake with its natural beauty was canceled due to a tight training schedule. Kathie Gleave, the Secretary of the Richfield Kiwanis Club was everywhere during the convention making it run smoothly from the Hotel’s side.

On Thursday at noon, the Richfield Club held its weekly meeting to which everyone was invited by the Club. The special speaker was Mayor Dave Ogden who gave us a special glance at the history of the region. He is truly an expert in this area.

It was a great Convention. The weather was delightful and the nights refreshingly cool. It was fun to meet around the pool with our fellow Kiwanians. The barbeque at the Park right across the street from the Hotel was spectacular and the entertainment by the Dirty Boots truly professional.

The Gift Shop featured authentic Indian Jewelry, handmade Stone Jewelry, ceramics, paintings all made by local artists of which the Kiwanians purchased liberally.

The banquet was truly special featuring a T Bone Steak and all the amenities. Tabernacle Choir Member Melou Cline and her children Days of 47 Queen Meran, Ariel, and Isaac gave a fantastic musical production. Melou’s husband Russ Cline is a member of the Bonneville Club.

Everyone who attended the Convention thought this was one of the best Conventions they had attended.

It was great to meet Governor Larry Hunter. He will truly be a great Governor. Thank-you, Jim Vaughn for a great job. Thank-you, District Secretary Kelly Ryan for your fine work at the Convention. It was well organized thanks to your diligent work.

SEE YOU IN AUGUST 2018 at the next UTAH IDAHO KIWANIS CONVENTION which will be held in Idaho. THIS WILL BE A GREAT CONVENTION. MAKE IT A TIME TO BRING THE FAMILY TO ENJOY THE KIWANIS MESSAGE.
Create an amazing playground

Landscape Structures has joined Kiwanis International as a vision partner in order to bring play and playgrounds to communities across the globe. Kiwanis aligns with partners who share their mission and preserve the trust of members and the communities, children and families they serve. Landscape Structures is proud to provide high-quality commercial playground equipment and services that reflect the high degree of integrity that Kiwanis demands. This guide will help Kiwanis clubs create amazing playgrounds that will bring their communities together to play. Contact your local Landscape Structures playground consultant today to find out more at 888.438.6574 or 763.972.5200, or visit playksi.com/Kiwanis.

Partner with community members

As a Kiwanis member, you are likely already involved with a variety of local organizations, schools and connected to community members. If your Kiwanis club is interested in helping create a new playground or updating an existing one, you’ll want to work closely with your current contacts, and develop new relationships to maximize the positive impact and involvement of the community.

Envision the play area

A great playground provides maximum play value and safety for visitors as well as minimizes the lifetime cost of ownership. Ideally, a playground will complement your community’s unique personality and be a destination for years to come. Get started by defining objectives for the play area. Planning an efficient and exciting layout and following recommended design guidelines can help ensure a beautiful playground that is safe, fun and comfortable for all visitors.

Community and user considerations

• What are the ages and abilities of the visitors who will use this play area?
• Are there specific play experiences you would like to include for individuals with special needs?
• How many visitors will typically be playing at once?
• Are there unique historical characteristics, a color scheme or theme you’d like to incorporate?
• What additional amenities, such as shade, benches or restrooms, should be considered?
• Which members of the community could or should be involved in the planning, funding or installation?

Budget considerations

• Start outlining your budget.
• How will funds be secured? Do you need to consider additional fundraising?
• Reach out to potential funding partners.
Analyze the playground site

The characteristics of the site, including both natural and man-made elements, impact the playground design. Work with a landscape architect or directly with your playground consultant to analyze the site and make the most of the design, installation, user satisfaction, aesthetics and maintenance. Start with a blank sheet of paper and begin sketching ideas. Eventually you should obtain a scale drawing of the area from the city or landscape architect. Consider the play area entrance points, existing shade and typical visitor traffic patterns. Draw permanent structures such as paths, walls, fences and landscaping, whether they exist now or you plan to add them. Be sure to allow enough space for visitors to move about, rest and relax, and for new vegetation to expand as it grows.

- Consider the slope and soil conditions of the site for proper drainage.
- Incorporate existing vegetation, especially mature trees, into your design.
- Add landscaping elements and native vegetation that is safe for visitors, especially children and pets.
- Consider climate patterns including wind, temperature, sun angles, and precipitation in the design and orientation of your playground.
- Consider access and amenities such as parking, distance to the play area, seating, bicycle paths, shade and rest areas, restrooms, and security such as emergency telephones and visibility from seating areas and the street.
- Check with local utilities company to locate water, sewer and power lines.

All human actions have one or more of these seven causes: chance, nature, compulsion, habit, reason, passion, and desire.

- Aristotle (384 BC - 322 BC)

We have too many high sounding words, and too few actions that correspond with them.

- Abigail Adams (1744 - 1818), letter to John Adams, 1774

In this theater of man's life, it is reserved only for God and for angels to be lookers-on.

- Sir Francis Bacon (1561 - 1626)
I am still determined to be cheerful and happy, in whatever situation I may be; for I have also learned from experience that the greater part of our happiness or misery depends upon our dispositions, and not upon our circumstances.

- Martha Washington (1732 - 1802)

The greatest discovery of my generation is that a human being can alter his life by altering his attitudes of mind.

- William James (1842 - 1910)
It's delightful to have ambitions. I'm so glad I have such a lot. And there never seems to be any end to them—that's the best of it. Just as soon as you attain to one ambition you see another one glittering higher up still. It does make life so interesting.

- M. Montgomery (1874 - 1942), Anne of Green Gables, 1908
Better playgrounds. 
Better world.®

Since 1971, Landscape Structures has been committed to enhancing children’s lives while honoring the environment. We create innovative playground equipment to inspire children to grow strong bodies and minds so their future remains bright. And to further ensure a better tomorrow, we are sensitive to the environment through manufacturing practices that minimize our impact on the earth. Our goal from day one has been to foster healthy children playing in healthy communities year after year, generation after generation.

Be not afraid of greatness: some men are born great, some achieve greatness and some have greatness thrust upon them.

- William Shakespeare (1564 - 1616), 'Twelfth Night'
The number of books will grow continually, and one can predict that a time will come when it will be almost as difficult to learn anything from books as from the direct study of the whole universe. It will be almost as convenient to search for some bit of truth concealed in nature as it will be to find it hidden away in an immense multitude of bound volumes.

### Notes
- IT = International Trustee
- IVP = International Vice-President
Dean Lee Hadlock, of North Ogden, passed away at home on August 17, 2017, after a battle with idiopathic pulmonary fibrosis (IPF).

Dean was born on April 10, 1940, to LeRoy and Ethel Larson Hadlock in Ogden, Utah. He was an Ogden High graduate and attended Weber State College. He loved his country and served in the United States Air Force. After military service, he worked at the Defense Depot Ogden and Hill Air Force Base. He treasured his associations and was honored to serve in many leadership positions with both the American Legion and Kiwanis International.

Dean married Myrtle Jeppsen on June 20, 1977, and with that marriage gained four children whom he loved. He was an active member of The Church of Jesus Christ of Latter-day Saints. He served two missions with his wife in the Jamaica Kingston and Puerto Rico San Juan Missions.

Dean is survived by his wife; four children: Denise Allen of North Salt Lake; Cary N. (Chelli) Allen of Clinton; Bradley J. (Cheryl) Allen of Harrisville and Vicki (Eric) Clark of Harrisville; 14 grandchildren; and 19 great-grandchildren. He is also survived by his sister, Karleen Bechtel; and niece, Kara Bechtel, both of South Jordan. He was preceded in death by his parents; stepfather, George Noe; and one granddaughter.

In lieu of flowers donations to LDS Humanitarian Fund are suggested.

Carter Evan Jones, Jr., son of Carter Evan Jones, Sr. and Betty Platt Jones, passed away on Thursday, September 14th, one year after being diagnosed with cancer. True to his faithful, dutiful nature, Carter spent his last year serving the Lord and his fellow man as a full time MLS missionary in the S.L.C. South Mission.

Carter was born on February 5, 1943 in N.Y. City, where his father worked for the FBI. He told us that his parents almost named him FIBNY. We'll never know if it's true. Carter's fun personality and gift for making friends served him well, first at East High, then at the U. of U., where he completed his MBA in Finance.

Following his mission to Australia, he found a girl who shared his devotion to God and who loved to laugh as much as he did. Carter and Kathleen Haight were sealed on November 23, 1966 in the Salt Lake Temple. They left for the East coast, where Lt. Jones served in the U.S. Navy for three years. His career of 40 years as a financial counselor began at Merrill Lynch in 1971. This led him to other opportunities: Director of Branches for Boettcher & Co. in Denver and Executive V.P. of sales and marketing for Kemper Securities in Chicago. He returned to S.L.C. to do what he loved most, teaching individuals how to gain financial security.

Carter held many positions in the Church of Jesus Christ of Latter-day Saints, served in three temples as an Ordinance Worker, and completed a third mission with his wife in the Boston Massachusetts Mission from 2012-2014.

He is survived by his wife of 50 years, Kathleen, his three children: Julie (Jared) Ferguson, Dyan (Swen) Sullivan, and Daniel Carter (Shelly) Jones; and his nine grandchildren: Ammon, Carter, Gavin, Seth, Brynne, Aidan, Evan, Elise, and Ian. He is preceded in death by his parents and his sister and brother-in-law, Judith & Dennis Christopherson and many loving aunts, uncles and cousins.

We can't end this synopsis of Carter's life without including his love of sports, especially baseball. He played in the Huntsman Senior Games for 20 years. He was also devoted to Kiwanis, serving as Lt. Governor for 2 years. He established a Key Club at Hamden High School in Connecticut and sponsored the Key Club at Horizonte School in Salt Lake, where he received the Community Partner Award for 2017.

His was a life well lived.

Kids are curious, lovable and hilarious. They are also wild, impatient and vulnerable. Kiwanis is looking out for kids in every corner of the globe with over 600,000 volunteers who serve their communities through local clubs. We are generous with our time. We are creative with our ideas. We are passionate about making a difference. And we have fun along the way.
