KIWANIS GOALS IN 2018

Opportunities for service abound at the end of the year: Veterans Day, Thanksgiving, Christmas, Hanukah, New Years. We use these days to prompt us to reach out to others. However, as Kiwanians, we do not need to and should not wait, to be of service to others for red letter days on the calendar. Ours is a privilege to serve our communities all year. Nonetheless, this time of year traditionally affords us the opportunity to assess our lives in general and, more specifically, our relationships with Kiwanis. To that end, I would ask each of us to accept the following Kiwanis-related goals this Kiwanis year (ends on September 30, 2018). These goals apply to me also and I will report occasionally on my progress.

1. Invite at least 5 people to a Kiwanis event (make the ask).
2. Bring one new member into Kiwanis this year.
3. Be involved in at least 4 club service projects annually.
4. Attend your club meetings at least 70% of the time.
5. Attend Annual, District mid-year training or District Board Meeting (or all three).
7. Participate in at least one new club opening.
8. Serve on a committee or as an officer in your club.

Those may seem like a lot of goals, but as you look at them, you will realize that you have months to complete them and each one is readily attainable. Let me know how you are doing.

Kids Need Kiwanis
Governor Larry Hunter

SHARE A SPECIAL HOLIDAY GIFT THIS YEAR

We belong to an awesome organization, Kiwanis. “Kiwanis inspires and engages men, women, youth, corporations… and communities to make the world a better place for Children to Thrive. Belonging to Kiwanis means being a part of a Massive Force for positive change in the World.” (from KI) The service that we and our clubs do is exciting and important to the lives of the children we serve. Let’s not be selfish, let’s share the opportunity of being a Kiwanis member with our acquaintances, friends, and family.

An invitation to a Kiwanis meeting can open the door to a friend that gives them an opportunity to work with other members and receive the rewards we get from serving children. During this time of year our Clubs do many service activities. Invite someone to enjoy the camaraderie and that “feel good” feeling as we brighten the Children’s Holiday in our communities.

Share the Gift of Service this season. I wish all of you a special Christmas, and a Happy New Year. May you feel the happiness and excitement of the Holidays.

Governor Elect, Barbara Mullins

“I expect to pass through life but once. If therefore, there be any kindness I can show, or any good thing I can do to any fellow being, let me do it now, and not defer or neglect it, as I shall not pass this way again.” - William Penn
THE OBJECTS OF KIWANIS

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

Object 1 - To give primacy to the human and spiritual rather than to the material values of life.

Object 2 - To encourage the daily living of the Golden Rule in all human relationships.

Object 3 - To promote the adoption and the application of higher social, business, and professional standards.

Object 4 - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

Object 5 - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

Object 6 - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.
HOW DOES A CLUB BUILD MEMBERSHIP?
BY ONE MEMBER AT A TIME…

I have heard that question and answer many times over my Kiwanis career. Until I was privileged to have met our Kiwanis International President Jim Rochford in Paris last summer, I just could not grasp the concept of asking someone to sign up and become a Kiwanian. As Jim says in his story in the October / November issue of Kiwanis Magazine, the “why” is easy: get over the why, that “Kiwanis helps children”, and the “ask” is a slam dunk. Jim cites also it helps to have a member application in your hand when you ask! I urge everyone to read the fine article on Jim Rochford and glean Jim’s knowledge for inviting a new person to join your club.

The procedure for Kiwanis International upon receiving an inquiry from someone seeking a Kiwanis Club, perhaps informed by a TV or radio spot, a discarded Kiwanis magazine, a newspaper article mentioning an activity the local Kiwanis Club has conducted, or by some Kiwanian during travel for work or pleasure, encountering a stranger and giving them the 1-800-KIWANIS number or KIWANIS.ORG. Kiwanis International will then forward the persons contact information to the district liaison, designated to make an initial contact to the person. Those receiving that contact information will also forward to any local club Secretary and President in the hometown vicinity, advising them of a potential member. Governor Hunter and I are the Districts initial contact points—Governor Larry and I forward back and forth all inquiries, so there is little chance of losing someone’s contact information. I cannot stress enough that it is also important for the local club Secretary at least, along with the club President, if possible, to coordinate a contact and meeting with a potential member, and ensure there is nothing left to chance in losing the prospects interest. Many clubs meet bi-monthly, so perhaps a special meeting may be required to visit an inquiry and answer questions or concerns.

I must also stress to please keep Governor Larry and me “in the loop” as to the progress of those new member/inquiries, so we may track the success of our efforts. I have fortunately received only a few times, messages from Kiwanis International that certain potential members were not contacted after a few weeks have passed. I now mention in my short welcome note to the inquiry, “…if in a timely manner, you have not received a contact, please advise me…” so that I may research the issue. Computer problems do crop up at times, and e-mails get either misrouted or lost completely, so we must cover all the bases.

I thank you all for your efforts in seeking new members, and please keep in mind, the expenditure of our energy: “It is all for the kids!”

THE KIWANIS MISSION

Kiwanis empowers communities to improve the world by making lasting differences in the lives of children.

THE KIWANIS VISION

Kiwanis will be a positive influence in communities worldwide – so that one day, all children will wake up in communities that believe in them, nurture them and provide the support they need to thrive.

CELEBRATING AND FOSTERING INCLUSIVENESS

In 2008, delegates at the Kiwanis International convention adopted a resolution that encourages and empowers clubs to create environments that develop and nurture mutual respect for all, and to celebrate the inclusiveness of all Kiwanis members. The language reads:

Therefore, be it resolved that the delegates assembled at the 2008 Kiwanis International convention in Orlando, Florida, and all Kiwanis leaders and members to take action to create a culture and club environment that develops and nurtures mutual respect for all and celebrates the inclusiveness of our beloved Kiwanis.

KIWANIS MEMBER DUES

Members of local Kiwanis clubs pay annual membership dues to their club. The dues paid by the member generally go to support their Kiwanis club, the Kiwanis district and Kiwanis International.

The total amount a member pays in dues entirely depends on his or her club and district. Each district sets district dues according to its budgetary needs, as does each club. Some clubs, for example, may set higher dues to account for meals provided during meetings or to cover meeting rental space, while others may set lower dues and leave meals up to the individual member.

Kiwanis International member dues are set at US$52 per year for Tier A; US$34 for Tier B and US$23 for Tier C clubs. Kiwanis International dues do not include US$8 for Kiwanis magazine and US$17 for liability and Directors & Officers Insurance for clubs in the US and Canada.

Please don’t hesitate to contact Member Services at +1-317-875-8755 (worldwide) or 800-KIWANIS (800-549-2647, US and Canada), ext. 411, or email at memberservices@kiwanis.org if you have questions.
KIWANIS TAKE PRIDE IN THEIR COMMUNITIES AND THEIR COUNTRY, SO DOES ATLAS FLAGS. AS A PARTNER OF KIWANIS INTERNATIONAL, ATLAS FLAGS GIVES YOUR CLUB ACCESS TO PRICING AND OPTIONS THAT MAKE IT EFFICIENT AND AFFORDABLE FOR YOUR CLUB TO BECOME IDENTIFIED WITH PATRIOTIC CELEBRATIONS THROUGHOUT YOUR COMMUNITY.

WHAT IS ATLAS FLAGS?

Atlas Flags gives Kiwanis clubs all over the United States a chance to raise funds while spreading American pride. Thanks to our partnership, Kiwanians get substantial discounts on flags and accessories.

Get one-stop access to everything your club needs to launch a program and start generating funds for your community service projects. Plus, get important advantages and assurances from Atlas Flags such as:

- 50% discounts for Kiwanis clubs
- American-made products
- Proven quality (with a workmanship warranty)
- Detailed instructions for installation

WHY IS KIWANIS PARTNERING WITH ATLAS FLAGS?

It’s a natural fit. Kiwanians take a lot of pride in serving their communities and their country. With Atlas Flags, your club has access to products that put service and patriotism in one place.

Many clubs have found the partnership a great way to:

- Lease flags to homeowners and businesses on a subscription basis for patriotic holidays.
- Sell or give away stick flags at festivals, parades and patriotic events.
- Sell flags and flag kits in their community.
- Place flags at local cemeteries on Memorial Day and Veterans Day.
- Commemorate patriotic events with community flag ceremonies.

SIGNATURE PROJECTS, SUBSCRIPTION PROGRAMS

Kiwanis clubs can show their pride, make a difference and generate funds by selling flag subscriptions through Atlas Flags. In fact, it’s a great way to create a signature project for your club.

How does it work? For $25 a year per customer, your Kiwanis club provides and installs the flag or flagpole on the customers’ residential or business property, properly stores it afterward, and then arranges for delivery and pick-up for the next holiday. Need assistance installing and storing the flags? Your club could work with local Key Clubs, Boy Scouts or other youth groups, giving them $1 each time a flag is installed for the customer. These groups earn funds for their own group and provide your club with energy and man-power.

Your club gets a chance for service and visibility on prominent days from spring to fall:

- Memorial Day (last Monday in May)
- Flag Day (June 14)
- Independence Day (July 4)
- Patriot Day (September 11)
- Veterans Day (November 11)

DO YOU KNOW?

With flag subscriptions, clubs in small towns have averaged between $900 to $5,000 in subscriptions at $25 each. That’s $3,000 to $15,000 before expenses.

CONSIDER THIS!

On Memorial Day, a club can post flags on veterans’ graves in a local cemetery. After a week, members can present the flags as keepsakes to the honorees’ family members. It’s a great way to honor veterans and offer memorials.
LEAD BY EXAMPLE

To paraphrase Albert Schweitzer, when it comes to leadership, leading by example is not just the main thing, it’s the only thing! Kiwanis reached an all-time high in membership in 1992–93 at just under 325,000. In the past 25 years, we’ve lost 40 percent of our membership and only had true net growth in one of the past 25 years.

Your 2017–18 class of governors is committed to lead by example as we strive to achieve our goal of opening 409 clubs this year. Carolinas District Governor Mary Jo Brubaker, for example, opened her first club before our convention in Paris this past July. She didn’t stop there, recruiting 30 members and forming another club in just three days.

Texas-Oklahoma District Governor Patrick Schibi paid his way to New York to work with a contingency of the Eye of the Tiger team to open two clubs in the Long Island area. And a third one is in progress. Then he returned home and helped open a club there, and he’s been working diligently on two others.

Kansas District Governor Jane Maxwell helped open two clubs in 2016–17 and continues to work on two more. Her district hasn’t opened many clubs in recent years, but she has many past governors and others who are motivated to open clubs.

Governor Jan Burch helped open all four of the new clubs in the Nebraska-Iowa District this past year. She has identified many sites for new clubs, has trained many people and is well positioned to achieve her goals.

Governor Justin Hahn opened the second club that his Wisconsin-Upper Michigan District formed during The Formula campaign. He hopes to open two other clubs soon. He likely will lead his district to new heights in membership.

I was pleased to join a global team of nearly 60 of Kiwanis’ best club openers this past October as we worked at eight new-club sites in the Chicago, Illinois, suburbs. Kudos to Illinois-Eastern Iowa District Governor Terry Cunefare, the Eye of the Tiger leadership team and The Formula team, which was led by Jim Dooley.

Finders, Minders, Grinders and Binders

The four things we need for a successful business are the same things we need to build a successful Kiwanis club:
• **Finders.** This is the role we must play in constantly identifying new members to enthuse our clubs. Enthusiasm is contagious.

• **Minders.** Once we tell people how good we are, we need a member to take someone under his or her wing and orient them to the activities within the club. This does not have to be the recruiter, but just someone who cares about the club’s longevity.

• **Grinders.** These are the people who chair our service projects and work with our leadership programs. We’re known for our service projects, and this person can help our new members with the club experience.

• **Binders.** On the club level, these are members of the board of directors. They are the glue that holds everything together.

When all four of these roles are working effectively, it makes for a healthy club and equals more service.

**New club blitzes**

We had a great three-day effort in Kannapolis, North Carolina, where we have 30 new members. Many are in their 30s, and include the mayor and three city council members. The schools are eager for our programs. This all started when I had a conversation on a three-hour plane ride with a teacher from that area. She is the new club’s charter vice president and eager to organize our Service Leadership Programs in Kannapolis. Thank you, Pam Allyn!

The Kiwanis International Board is leading by example, going out to three Indiana communities as part of its board retreat this past October. I’ve challenged each board member to make their top priority to go out to the districts they counsel and work shoulder-to-shoulder with their governor to open a club. I’ve asked them to have monthly contact with the governors they counsel.

A successful mini-blitz in Ohio and Kentucky near the Cincinnati area took place in November. The governors, Eye of the Tiger leaders and The Formula team for the districts were involved.

Best wishes to all Kiwanians as we begin 2018. We need to pray for stability in our world, for which Kiwanis can be a major factor. Enjoy time with your family.

Be sure to watch the Rose Parade on January 1 to see many of our top recruiters, openers and governors, who will be riding the Kiwanis float.

Keep leading by example!

Jim Rochford
2017–18 President
Kiwanis International

REFRESH YOUR CLUB’S FACEBOOK PRESENCE

Is your club using its Facebook page effectively? If not, do so ASAP. The social-media platform has a broad reach. Many people wrongly believe that Facebook users are mostly young people but in fact, 56 percent of users are 65 and older.

Make sure your club’s page is current: Post often about ways to engage current and future members through community-service projects and fundraising events. And post photos showing your club involved in service and events that are well-known throughout your community. Highlight the fun your members have!

Bonus: Ready-to-post social-media content (http://www.kiwanis.org/clubs/member-resources/kiwanis-brand-campaign/grassroots/social-posts?_zs=1KHge1&_zl=Q2XL4)

RECOGNIZING POTENTIAL LEADERS IS CRUCIAL TO ENGAGING NEW KIWANIANS

Building leadership
Cultivate leadership potential in everyone
• Invite new members who are “doers.” Encourage them to give input for club activities and empower them to take action.
• Monitor accomplishments. Encourage members who took an active role in the success of a project or fundraiser to continue developing their skills by leading committees or taking on future roles as a club director or officer.
• Appreciate jobs well done. Recognizing members and leaders (http://www2.kiwanis.org/theformula/celebrate-success/creating-a-culture-of-appreciation) for their hard work provides a “paycheck” for their service and often encourages future action.
• Promote mentoring. Encourage members showing interest in a leadership role to shadow the person currently filling the role.

What to look for
Among other things, great leaders are:
• Skilled listeners. They ask the right questions and listen carefully to the responses.
• Problem solvers. They know how to determine the right steps to take and what resources to use to address concerns.
• Passionate advocates. Their commitment to the Kiwanis mission is contagious.
• Visionaries. They inspire others to follow them even when they cannot see the end result.
• Change agents. They provide sufficient stability for the organization to operate while catalyzing transformation.
• Master communicators. They tell stories in a compelling and interesting way.
• Do-ers. They’re action-oriented, focusing on taking initiative and leading.

Prepare leaders for success
People are more willing to commit—and become better leaders—when they know the expectations of the position. Here are some keys for helping them:
• Establish a club culture. Set expectations for club leaders by setting them for the club itself—so people know they’ll be supported with training and education, recognized for their achievements and encouraged to work toward success.
• Develop a multi-year strategic plan. When the club has goals, people know how to work toward success.
• Provide orientation and training. Prepare people for their specific positions. A number of educational resources are available from Kiwanis International:
  - Club leader tools (http://www2.kiwanis.org/kiwanisone/lead/club-leaders)
  - Club leadership education (http://www2.kiwanis.org/kiwanisone/learn/club-leadership-education)
  - Webinars (http://www2.kiwanis.org/theformula/what-s-your-formula/video-resources/tutorial-video-archive)

Kids need Kiwanis

Your club changes children’s lives because of the collective goodwill of each member. The same change happens on a larger scale when clubs give to the Kiwanis Children’s Fund.

This year alone, club gifts changed the lives of Key Clubbers by supporting Breakthrough (https://vimeo.com/222740743) — a new “service-immersion” program that made a difference in Miami, Florida. To see how a gift helps transform the Kiwanis family’s vision into real impact, take a look at this video.

Large-scale projects like these are possible only when you join Kiwanis clubs worldwide in supporting the Children’s Fund. Help Kiwanians change more kids’ lives in the coming year — by making an annual club gift before January 31, 2018.

With a club gift of US$500 or more, your club will even be invited to a special Kiwanis Children’s Fund V.I.P. area at the Kiwanis International Convention in Las Vegas in June 2018.

Kids need Kiwanis. Help Kiwanians reach them. Make your annual club gift to the Children’s Fund — and combine your impact with thousands of Kiwanis clubs around the world.

Sincerely,

Ann Updegraff Spleth, CFRE
Chief Operating Officer
BECOME AN EXPERT ON KIWANIS

Attend the Las Vegas convention to engage and exchange with fellow Kiwanians, and to gather tools you will use once you're back with your club. And make sure your club has a voice: Vote for the future leaders of Kiwanis and weigh in on proposed amendments. The convention will take place June 28–July 1, 2018, and include exhibits, education and general sessions. All events will take place at the Paris and Bally's hotels, which are connected. For more information, visit the convention website (http://www.kiwanis.org/convention/2018).

If you plan to be a delegate for your club, fill out the certificate of election of club delegates and alternates to the Kiwanis International convention (http://www.kiwanis.org/docs/default-source/training/governance/form_certificate-of-election_pdf.pdf).

Kiwanis conventions aren't all about business. Experience inspiring speakers and entertainers, and purchase tickets for additional meal and fellowship events. Of course, fellowship is foremost during the convention. Come meet old friends and make new ones in Las Vegas!

Mission statement:
To assist Kiwanis International in serving the children of the world.

Extending your Kiwanis impact
A gift to the Kiwanis Children's Fund helps children in many places, in many ways. For the Kiwanis family, the Children's Fund is a way of reaching children through grants, scholarship programs and Kiwanis youth programs.

Since 1940, the Kiwanis Children’s Fund has helped Kiwanians extend their impact—in their own hometowns and around the world. We do this by developing resources that transform the goodwill and vision of Kiwanians into programs that serve the children of the world. One of the ways we make it happen is our Club Grant program.

For the Children’s Fund, a grant does more than fill a funding gap. It’s a collaboration. Grant funding helps address an unmet need of children through a project that provides long-term benefits sustained by a club. Clubs interested in applying for a grant should review the program material carefully to learn about the Kiwanis Children’s Fund as a potential funding partner.

The Guide to Club Grants
Successfully applying for a club grant requires thoughtful preparation and thorough attention to the program’s criteria. The keys to preparing a successful grant application can be found in our Guide to Club Grants. This document walks you through each step of the grant process—providing instructions, detailed background information, important dates, helpful tips and links to additional resources.

Eligibility and requirements
Grant-funded projects must have a strong Kiwanis identity—and the Kiwanis club’s significant hands-on involvement. Projects must also support activities addressing at least one of the following Children’s Fund cause areas: health, education and youth leadership development. Complete eligibility requirements are outlined in the Guide to Club Grants.
Important dates

For June 1 funding decisions:
Submit LOI any time before February 1
If approved, submit full application by April 1

For October 1 funding decisions:
Submit LOI any time before June 1
If approved, submit full application by August 1

For January 1 funding decisions:
Submit LOI any time before September 1
If approved, submit full application by November 1

Disaster Relief Grant program

Program overview
When disaster strikes, the Kiwanis family is there to help. So is the Kiwanis Children’s Fund—with disaster relief grants to help Kiwanis clubs and districts meet crucial, immediate needs.

Grants are designed to support Kiwanis-led relief efforts to meet the most urgent needs of victims immediately following natural disasters. Natural disasters include earthquakes, flooding caused by excessive rains, monsoons, hurricanes, tornadoes, typhoons, wildfires and other similar disasters.

Immediate needs
The disaster relief grant is for Kiwanis-family clubs and districts interested in addressing the immediate needs of disaster victims in the wake of a natural disaster. Kiwanis must lead the project or relief effort and may not hand over funding to another agency, group or organization.

The types of activities eligible for funding are hands-on projects in which Kiwanians purchase and distribute basic necessities such as:

- Food
- Bottled water
- Clothing/blankets
- First aid supplies
- Cleaning supplies
- Toiletries

How to apply
Disaster relief requests must detail the Kiwanis club or district’s plan of action for providing immediate aid to disaster victims. Be sure to specify what items will be purchased with grant funds.

Grant requests should be sent to grants@kiwanis.org and include all of the following information:

- Name of district or club requesting funding
- District or club K-Number
- Amount requested (up to US$5,000)
- Detailed description of how grant funds will be used

Clubs and districts should determine the most pressing needs in the affected area in order to maximize the use of funds. This grant is not available to address long-term needs that may include building or rebuilding homes and replacing personal and household items.

For more information about our disaster relief program, email grants@kiwanis.org or call 1-800-KIWANIS, ext. 234 (U.S. and Canada), or +1-317-217-6234 (worldwide).

DONATIONS, SUPPLIES CONTINUE TO POUR INTO TEXAS COMMUNITIES DEVASTATED BY HURRICANE HARVEY

Steven Hadt | Sep 08, 2017

Kregel, the chair of the Kiwanis Texas-Oklahoma District's disaster relief efforts, continues buying supplies with the money donated to help victims of Hurricane Harvey.

"They opened 12 envelopes in the district office yesterday, and there were US$12,000 in donations," Kregel said. "I want Kiwanians to know every dime we're getting is getting spent. We aren't holding anything back. We're working with the Salvation Army and United Way. They're giving me a shopping list of what they need. Kiwanis is helping in a very big way."

In the first days after the hurricane came onshore and dumped tons of water on Southeast Texas, Kregel focused the district's efforts on getting personal-hygiene and comfort items to people living in emergency shelters. Nearly two weeks after the disaster, he's working on getting cleaning supplies, trash bags, facemasks and gloves to the affected areas.
DONATIONS, SUPPLIES CONTINUE TO POUR INTO TEXAS
(Continued)

"We're reaching people right where they are," Kregel said. "We're making a big
difference because of the support of Kiwanians around the world."

Kregel sends one truck and trailer every day from northern Texas to one of the four
distribution points he set up for Kiwanis clubs in the communities affected by the
disaster. Clubs load the supplies into their cars and take them where they are
working.

"We're not FEMA. We're not the Red Cross. But we are making a
difference," Kregel said. "People are going to remember Kiwanis for the rest of their
lives."

VIDEOS ABOUT STRENGTHENING YOUR CLUB
Kiwanis > The Formula > What’s your formula? > Video resources > Strengthening your club
RETAINING MEMBERS

Strong, healthy clubs have members who are engaged, excited and happy to share their experience with others. Help your fellow club members be those kinds of Kiwanians—whether they’re new to Kiwanis or longstanding members.

Get new members engaged

New members join because they want to belong to something meaningful—and they want to know that their involvement is important. Help them feel valued and appreciated from day one.

• Assign a mentor. Mentors can answer questions, serve as a familiar face and help connect new members with interesting service opportunities.

• Host a new-member orientation. Welcome new members with a new-member orientation—within the first two weeks. It’s an opportunity to provide them with a better understanding about your Kiwanis club and learn about their interests and skills. Follow this orientation outline and use this presentation and script to help you cover everything.

• Conduct an induction ceremony. Members only get inducted once—so make it memorable. Help other Kiwanians get to know the new member by including details about their life and interests in your introduction. This is also a good opportunity to show your appreciation to the sponsoring member. A suggested script for your club’s induction ceremony can be found in the Leadership guide.

• Show them they’re needed. Assigning a new member to a committee can also help to engage special talents and interests. Alternatively, giving new members a simple task connected to a meeting or project can help them feel like part of the team. If they miss a meeting, follow up and let them know you noticed.

• Ask for their feedback. After new members are inducted, you might consider asking some of them to meet casually with some board members. A new person’s input can provide a new perspective. A few months later, you might take the time to survey them to get a better sense of how they feel about the club.

Don’t forget to reMEMBER

It’s true of newer and more longstanding members alike: Kiwanis clubs often lose members who don’t feel engaged in club activities and just drift away. Is this happening in your club? Make an effort to find out why and to re-engage them.

• Review the club roster to identify members who have become inactive.

• Assign club members to contact “missing” members.

• Contact members by phone or with a personal visit to tell them what’s happening and invite to the next event.

• Conduct a fun meeting to celebrate the club’s members and accomplishments.
Communities change constantly. People move. Families grow. New organizations arrive. The best Kiwanis clubs evolve with the times.

Kiwanis clubs change too as new members and leaders offer new ideas and visions of how Kiwanis can support the community’s needs. Community surveys help your club learn about its service impact, partnership opportunities and possibilities for expansion. Scheduling surveys annually keeps the club’s service relevant and helps evolution feel natural.

To get started, download the Rediscovering your community tool. It will walk you through the steps of conducting a helpful survey.

Step 1: Create contact lists

Brainstorm to identify community members who could provide the most useful information. These individuals may be partners or business and community leaders—anyone whose opinion will help your club understand where members’ hearts and hands are most needed.

Step 2: Identify team members

Put together small teams to conduct interviews. Look for members who are eager to learn and comfortable interviewing people.

Step 3: Schedule and conduct interviews

Ask about the community’s needs. What makes the community great? Where could it use improvement? How can Kiwanis help?

Step 4: Debrief and reflect

How can your club make itself even stronger and more relevant? Collect the input from the interviews and discuss ideas for potential new service projects or fundraisers, partnerships or sponsorships and even potential new members at the next membership committee meeting.
CREATING PUBLIC AWARENESS

No one shares your club’s stories like members of your own club. Start sharing your news—using the tools and advice available in the Public relations toolkit for club strengthening.

The resources in this toolkit are designed to help you publicize and market your club’s activities and service projects in a professional and well-branded way. By doing so, you can help build awareness and understanding of the ways Kiwanis improves the lives of children and youth, locally and globally. The toolkit offers tips and tricks for publicizing your club's activities, whether it's a first for your club or a tried-and-tested project you’ve been doing for years. It will help you:

- Determine who to pitch a story to
- Learn how to approach the media with an intriguing story
- Prepare for and conduct interviews

Additional resources you can find on the Promote your club section of KiwanisOne.org include:

TIPS AND TOOLS FOR INVITING OTHERS

Kiwanis > The Formula > Strengthen your club > Tips and tools for inviting others

Around the world, Kiwanis clubs make their communities better through more than 6 million hours of service each year. Every member represents 36 hours that improve lives every year. Think about what could happen if we all shared our Kiwanis stories—and inspired others to become a part of our movement to improve the world.

In addition to their hearts and hands, new members can bring new ideas, leadership and enthusiasm. Here are some tips for inspiring more people to join your Kiwanis club.

Share your story

You don’t need to know everything about Kiwanis. You just need to start with what it means to you—and then share that story, connecting on a personal level about addressing community needs.
TIPS AND TOOLS FOR INVITING OTHERS (Continued)

After all, 74% of members joined a Kiwanis club because someone invited them—and for 48% of them, it was a friend or relative.

Your club can also host an open house or special guest day, or invite the community to take part in your Kiwanis One Day event or other club projects. Need ideas of who to invite?

- Follow up with people you met while doing a community survey.
- Conduct a roster analysis.
- Make a prospect list with a few simple prompts.

When you’re ready to invite them, we have resources to help you prepare for their visit.

Talk about your impact

Your club is making a positive impact in the community. Does the community know? If you don’t tell them, who will?

Regular communication about your activities will lead you to the name recognition your club deserves—and help attract more members. Posting pictures on your club’s Facebook page, updating your club’s website, using community calendars and sending press releases to local newspapers all help create awareness.

Keep members for the long run

When new members join, help them feel valued.

- Assign a mentor.
- Provide them with orientation.
- Get them involved early.
- Keep in touch with their ideas and opinions—survey them often.

For members who have become inactive, don’t forget to reMEMBER.

Of course, inviting or retaining members sometimes requires a little flexibility. Consider creating a club satellite to reach out to a different group of members or offering corporate memberships.

HOSTING AN OPEN HOUSE

When you love your club, you’ll want to share that experience and invite others to be part of it.

One organized way of sharing Kiwanis with others is to hold a membership drive. A membership drive focuses the club’s efforts on inviting potential members to an event planned just for them. Three simple steps will help your club become stronger this year.

To get started, download the Hosting an open house tool. The tool will provide you tips and advice for completing these three steps:

Step 1: Prepare

Two months before the proposed event date, put your team together. Look for people who are committed to making the club bigger and better.

Now is also the time to plan for success by preparing or ordering brochures from the Kiwanis Family Store.

Six weeks before the event, you’ll want to think about the date, location and theme of the meeting. It’s also a good time to start to plan your meeting agenda.

Step 2: Invite

You can conduct a roster analysis or check a chamber of commerce list for ideas of who to invite. However, the people most likely to join are members’ colleagues, friends and family. Give them at least three weeks to respond to an invitation, but also ask that any member who refers a guest follow up with a personal invitation as the date gets closer.

On the big day, focus on hospitality. Make your guests feel welcome and focus on sharing your club’s impact and the fun you have.

Step 3: Follow up

A week after the event, touch base with all of your guests to encourage them to join. Plan a new-member orientation and installation to help new members feel special and involved.
Your one-minute speech

A guide to engaging new members, sponsors and partners

What’s the best way to attract new people to your Kiwanis club? By grabbing their interest—and respecting their time. Put together a “one-minute speech” by thinking of answers to a few simple questions.

Why my club?
Think about what you love most about your club—and your community. Consider how the two matter to each other.

What’s our community impact?
Pick the service project that makes you proudest of your club. And think of a young person—or group—your club has mentored.

How do we make an impact?
By working together with people in our community who care. More hearts and more hands mean more opportunities for service and partnership.

Other tips
Nothing attracts a new member like a happy member. Be sure to:
• Practice your speech.
• Listen to the other person.
• Maintain eye contact.
• Smile and speak firmly.
• Most important of all: Invite him or her to a meeting or service project.

Now it’s your turn!
On the reverse side, we’ve left some room for you to create your own one-minute speech to promote your Kiwanis club.

Think about this: Kiwanis clubs enrich their communities with six million hours of service each year. Think about what could happen if we shared our stories—and inspired others.

Here’s where you come in: Every community needs a Kiwanis club. And every club needs Kiwanians. The Formula is your chance to shape the future of your club, your community...and the Kiwanis family.
