ANNUAL ROSTER ISSUE – DO NOT Toss

Please Note

Due to some unusual circumstances that delayed the release of the first three issues of this years’ U & I Kiwanian issues, this is the first of three issues that will be released and will run simultaneously. We will return to the normal distribution frequency as soon as possible.

THE START OF A NEW KIWANIS YEAR

I would like to share a story with you folks that I shared at our District Convention. It’s called “THE DAFFODIL PRINCIPLE”. When I read this story, I found that it was a great inspiration for me.

One day a daughter took her mother to see a daffodil garden. Not knowing what to expect, she road along on a gravel road and then hiked up into the mountain. When she turned the corner, her breath was taken away with the beautiful sight before her eyes. It looked like someone had taken a great vat of colors and poured it over the mountain slopes. The flowers were planted in majestic, swirling patterns, great ribbons and swaths of deep orange, creamy white, lemon yellow, salmon pink, saffron, and butter yellow. There were 5 acres of these flowers.

While leaving they found a sign on a house on the property. It was entitled “Answers to the Questions I Know You Are Asking”. The first answer was a simple one. “50,000 bulbs” it read.

The second answer was, “One at a time, by one woman, two hands, two feet, and one brain,”

The third answer was, “Began in 1958”.

For the Mother that moment was a life-changing experience. More than 40 years ago, a woman she had never met, decided to change the world in which she lived in, one bulb at a time, year after year.

I do hope you find this story an inspiration for you also. So many times, I think “If only I had started earlier…If only…If only, what I could have accomplished by now. It’s time to get rid of the “If only” regrets and start now to move toward our goals and desires one step at a time. Learning to Love the doing and learning to use the accumulation of time. When we multiply tiny pieces of time with small increments a daily effort, we too will find we can accomplish magnificent things for the Children we serve.

Let’s All Have A Great Kiwanis Year,
Governor Barbara Mullins

UTAH – IDAHO DISTRICT
The Utah-Idaho District came into existence as of December 16 of the same year. By mutual agreement, ratified by the International Board, the panhandle of Idaho consisting of 10 counties north of the Salmon River was added to the Pacific Northwest District in July of 1925. The Utah-Idaho District’s first convention was in Salt Lake City on December 16, 1920.

At that session, Herbert Van Dann, Jr. was elected governor at a convention in his home city. The first club in the district was Salt Lake City, completed October 10, 1918. The second club was Pocatello, Idaho, on August 5, 1920, and the third club was Boise, Idaho on August 10, 1920.

THE OBJECTS OF KIWANIS
The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

Object 1 - To give primacy to the human and spiritual rather than to the material values of life.
Object 2 - To encourage the daily living of the Golden Rule in all human relationships.
Object 3 - To promote the adoption and the application of higher social, business, and professional standards.
Object 4 - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
Object 5 - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
Object 6 - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill

THE KIWANIS MISSION
Kiwanis empowers communities to improve the world by making lasting differences in the lives of children.

THE KIWANIS VISION
Kiwanis will be a positive influence in communities worldwide – so that one day, all children will wake up in communities that believe in them, nurture them and provide the support they need to thrive.

Steven Westphal
2018 -2019 Utah – Idaho District Governor-Elect

I joined The Kiwanis Club of Twin Falls, Idaho in 1994, sponsored by good friend Mark Melni. I was awarded Kiwanian of the year in 1998 by my club. I was the president of the Twin Falls Club, 2014-2015. I,m a past Lieutenant Governor of Idaho Division 5, 2016-2017, I,m currently the Utah Idaho District Partnership Coordinator. I truly enjoy every aspect of Kiwanis and I,m honored to serve.

I have been married to my wife Cynthia for 29 years, we have 2 grown boys, 2 beautiful grandchildren with 2 more on the way. I own my own electrical contracting business and have been in business since 1992 and both our boys work for the business which will become theirs soon.
Fellow Kiwanians,

By way of introduction, my name is Chad Bunn. On August 10th, at our last Annual District Convention, I was elected as Vice Governor of our Utah-Idaho District. I am honored, humbled, and feel it a great privilege.

I joined the Spanish Fork Utah Kiwanis Club in 2001. Since then, I have served two terms as Club President, and two terms as Division 10 Lieutenant Governor and am currently serving as the Chairman of the District Foundation.

I was born and raised in Richmond Utah, a small farming community in Northern Utah. I attended and graduated from Sky View High School and Brigham Young University. I am married to the former Lorie Petersen. We have been married 32 years. We have 2 Daughters, Elisha and McKella, a Son-In-Law, Patrick Rhoades and a Grand Daughter, Josie.

I am very passionate about Kiwanis. By being a member, there are few things that I have been blessed to learn from it over the years.

• Kiwanis has made me more concerned about my Community.
• Kiwanis has helped me to become a better Person and Leader.
• Kiwanis has helped me to become a better Husband and Father.

Kiwanis has done so much for me and now I am so excited to serve you, the members of our Utah-Idaho District, and look forward to giving back.

Larry Hunter
Immediate Past Governor, Utah-Idaho District

 INCLUDED IN THIS ISSUE

Traditionally, the first issue of each Kiwanis year of the U & I Kiwanian includes the District Roster which contains information on who is in the different District leadership positions and their contact information. It also included information on each club in the district. This issue is no different, except you may notice some changes this year. Approved during the annual District Convention were some changes to the District’s Divisions. Several of the Utah Districts were impacted. One division was also eliminated.

On September 19th – 21st, 4 people from Kiwanis International (including the 2017 – 2018 International President were in the Salt Lake City and Utah County areas working on organizing two new clubs (one in Salt Lake County and one in Utah County). The Kiwanis Club of North Utah County was organized as a result of these efforts. Work began to organize a club to replace the one that folded a few years ago in the Midvale, Utah area. As a result of additional efforts that took place February 10 – 13, 2019. The Kiwanis Club of the Canyons was organized on February 13, 2019. Both are in Division 1 and are included in the roster.

“Kids need Kiwanis, and our club members spend many hours each week on service projects, at fundraising events and at club meetings,” said Stan Soderstrom, executive director of Kiwanis International, headquartered in Indianapolis, Ind. “We believe this partnership with Protect America will provide a great benefit at a great price to our members.”

The partner benefit will be available to Kiwanis members in the United States and North America. The security system’s wireless technology allows homeowners to download apps to their smart phones, giving them control and access to the protection system.

MAKE YOUR SIGNATURE PROJECT MEMBERSHIP/PARTNERSHIP FOCUSED

Service is at the heart of all we do in Kiwanis, so signature service projects are the perfect way to expose outsiders and potential club members to our mission and give them a taste of Kiwanis. Signature projects are also a great way to keep current club members engaged and happy. In addition, they give clubs an opportunity to reach out to other groups, nonprofits and companies and form partnerships.

Membership:
One way to make a signature project membership focused is to think about all the various people and groups you’d like to attract to your project and your club. Additionally, think about all the various people and groups that might be naturally attracted to your project. Example: Your club wants to be known for an annual “science is fun” fair. So, start by thinking about the age groups you want to attract and ways you might get them involved. Who do their lives intersect with—teachers, parents, grandparents, coaches, tutors, friends from other clubs? What aspects could you add to your fair that would make it a great experience for these people too? Can you incentivize bringing guests in some way?

Partnerships:
Next think about local and regional companies that use science and hire scientists. Would they benefit from making a great first impression on children whom they might one day wish to hire or on people who might buy their products? Are there science-based clubs like 4-H that might want to be involved? If your club secures funding from these corporate partners, be sure to include signage to recognize their support.

Another way to keep a project membership focused is to provide take-away materials and membership forms somewhere at the event and to staff that area with your most outgoing members.
There are more than 300,000 members of all ages involved in Kiwanis youth programs. Almost all Kiwanis clubs sponsor a Service Leadership Project (SLP) club and do projects with youth. When we work with and mentor youth during projects and activities, their care and welfare are being entrusted to us.

It might be hard to believe that a troubling incident involving a youth and/or club member(s) could happen in any club or community. But there are countless examples in all places, with all types of youth service organizations. Every member has to know how to protect the youth with whom we interact and ourselves.

Kiwanians in particular have good reason to act with the highest standards. As the premier provider of youth service clubs and programs, we need to hold ourselves and our fellow members to the highest standards of conduct and awareness.

These resources outline Kiwanis’ policies related to working with youth and provide training materials to implement a training at your club, division or district event (Visit the above webpage for the links to get these resources):

- Kiwanis Youth Protection Guidelines
- Youth Protection Guidelines training PowerPoint
- Kiwanis Youth Protection Guidelines training guide
- Kiwanis Youth Protection Guidelines training worksheet
- Kiwanis Youth Protection hotline
- Kiwanis Youth Protection Guidelines online training (for Kiwanis members)
- Sample medical release/permission-to-treat form

Nothing is more important than the well-being of those we serve. To help Kiwanians protect youth, Kiwanis International has opened a hotline to report a troubling incident involving a youth and/or club member. The hotline is available in two ways:

Phone: 1-800-KIWANIS, ext. 298
Email: ProtectOurYouthHotline@kiwanis.org

In 2014, the Kiwanis International Board of Trustees approved the addition of Section 9 to Article VIII of the organization’s bylaws—providing direction to clubs regarding “depraved or unacceptable behavior in relation to youth or children.” One new requirement was for a Kiwanis club to report such behavior, and such a club member, to the proper authorities and to Kiwanis International. With the new hotline, Kiwanis is helping ensure that members have a way to do so promptly.

What kinds of behavior should be reported?

- Documented and confirmed inappropriate touching
- Documented and confirmed inappropriate sexual or bullying conversations
- Documented and confirmed behavior that would be considered contributing to the delinquency of a minor (such as alcohol or drugs)
- A felony conviction involving children or youth

It might be hard to believe that such an incident involving a youth or a club member could happen in any club or community. But there are countless examples among all types of youth service organizations. That’s why Kiwanis International provides club members with information and resources regarding youth protection. Find these resources and links to key information at Kiwanis.org/YouthProtection.
Kiwanis International provides Kiwanis education for both the club level and the Division/District Level. To access it online go to https://www.kiwanis.org/clubs/member-resources/training

Since it is at the beginning of a new Kiwanis year, below is listed the training that is available for club leaders:

Club members nominate and elect the club officers and board members who have the talent and determination to guide the club through the year.

A club's board of directors is composed of elected directors and club officers. Most of the business of the club is handled by the board of directors. The board determines the policies and activities of the club, approves the budget and bills to be paid, gives counsel to committees and handles general management of the club.

Each officer position has a set of responsibilities and resources to guide them. Kiwanis International requires club presidents and secretaries complete Club Leadership Education to ensure that club officers are armed with the tools they need to succeed.

This leadership guide (https://www.kiwanis.org/docs/default-source/training/training/guide-leadership-entire-manual-pdf) contains useful information for a variety of division and club leaders. Every Kiwanis club secretary, president and lieutenant governor receives a copy. If other club leaders could use the information in this guide, please feel free to share.

WHAT IS SERVICE LEADERSHIP?

Service Leadership is the powerful force that occurs once a person discovers their heart to serve, answers their call to lead, and summons their courage to engage.

Heart to Serve + Call to Lead + Courage to Engage = Service Leadership

Our Service Leadership Programs are designed to inspire students, as well as adults who live with disabilities, to become engaged members of their communities who work to solve problems and help others through service.

HEART TO SERVE

Service Leadership Programs provide opportunities for individuals to discover their heart to serve and realize that serving others is not just something they do, but it is their way of life. The service club experience helps members accept their own ability to make a difference, enhances their knowledge of their own passions and convictions, and develops their ability to empathize with those in need in their communities.
WHAT IS SERVICE LEADERSHIP? (Continued)

CALL TO LEAD

Service Leadership Programs help members answer their call to lead. Every person has leadership potential and these programs provide a forum for individuals to unlock theirs. Someone with a call to lead decides to step forward when the easier choice might be to stand still. The service club experience helps members accept their own identity as a leader, enhances their knowledge of leadership and develops their ability to transform an idea into purposeful action.

COURAGE TO ENGAGE

Service Leadership Programs are excellent forums for members to summon the courage to engage and decide to live a life of collaboration, not isolation. More than ever before, young people need to develop the capacity to effectively interact with others face-to-face. The service club experience helps members recognize collaboration as a key to success, enhances their knowledge of how to build collaborations to address community needs and develops their ability to build strong human connections through conversation.

Kiwanis Club of Westlake
Press Release

The Kiwanis Club of Westlake is like many in our U&I District, small but mighty!

In the past two years we have had seven of our very active founding members move away. While we struggle to attract new members, we maintain a high dedication with our remaining members to carry out the projects of our club.

The Westlake Kiwanians support a variety of projects, some of which other clubs in our district also support. We give out the Hope of America Awards to two graduating sixth graders from each sixth-grade class in 20 elementary schools in Lehi, Saratoga Springs and Eagle Mountain. Last year we gave out 156 awards. This is a big project and requires organization and coordination on the part of all our members.

We are also involved with Reading is Fundamental. We donate funds to the Mountainland Headstart and our members go there three times a year to read and wrap the books for the children to take home. We also have members who go to Food and Care Coalition once a month and help feed the homeless in the Provo area.

Last year we sponsored two new Key clubs. Lehi High School and Sky Ridge High Schools along with our existing club at Westlake High School have vibrant clubs serving their school communities. We awarded three $500 scholarships to graduates last June. We are hoping to add a club at the new high school when it opens in Eagle Mountain. We have also supported students at Westlake High who participate in HOBY.

One of our most rewarding activities, Weird Science, was started by our resident geek Larry Whiting. Larry also acts as our treasurer. We have purchased science equipment to use for demonstrations and hands on fun. Larry coordinated with science teachers in the fifth and sixth grade to help reinforce the curriculum. We go in with the equipment at the end of a unit and the kids get to work with circuits, magnets, plasma balls, Van de Graaf generators and other tools to reinforce what they learned while having fun. We also take our water balloon catapults to city activities during the summer. They are always a hit. The only drawback seems to be because we are small, we have to be creative in our scheduling as demand for this activity rises.

Another project we are excited about is one at Horizon School. This is the area school for children with special needs. It was brought to the attention of one of our members that the students in wheelchairs needed shade on the playground. We are now gathering information so that we can make a donation to fill this vital need for those children.

As you can see, we are like so many of our clubs. We remain viable by being flexible. This has allowed us to continue to serve our communities in a meaningful way.

Submitted by Robin DePalma, President of the Kiwanis Club of Westlake
February 18, 2019

Dear Kiwanis leader,

Every person can serve their community. Every person can make a positive difference in the lives of others. It’s what we, as Kiwanians, have long believed.

The Board of Trustees asks delegates to codify that belief into our organization’s bylaws and pass the amendment put forth by the Kiwanis Club of East Geauga (Ohio, USA) at the 2019 Kiwanis International Convention at the Walt Disney World® Resort in June.

For 95 years — since 1924 — Kiwanis members have lived by a set of rules called the Objects of Kiwanis. The Third Object specifically states Kiwanis members will promote the adoption and application of higher social, business and professional standards. The amendment proposed by the club supports that. It reads:

*Kiwanis clubs shall not discriminate based upon race, color, creed, national origin, gender, age or sexual orientation when considering membership or during any of their activities or operations and shall conduct business in compliance with local nondiscrimination laws.*

This statement and belief are not new. What would be new is the formal adoption of the principle into our governing documents. We have never been silent on the topic of discrimination. Now, it’s time for us to be able to point to our dedication to inclusivity and our belief that all people can make a positive difference in the lives of children, no matter their race, color, creed, national origin, gender, age or sexual orientation.

In 2008, delegates adopted a resolution that encourages and empowers clubs to create environments that develop and nurture mutual respect for all and to celebrate the inclusiveness of all Kiwanis members. This year, the board asks you to take that commitment one step farther and approve this amendment to our bylaws.

At the business session, we’ll also be voting upon a resolution that demonstrates something we all believe: all children deserve to be safe. In 1915, when Kiwanis started, the members helped an immigrant boy named Walter. Walter’s father had abandoned him in the care of social services. The first Kiwanis members looked out for him and made sure he had what he needed to thrive. This year, the board is asking you to stand with our forefathers and approve this resolution. It reads:

*Whereas, The Kiwanis motto is Serving the Children of the World; and*  
*Whereas, The Kiwanis defining statement includes the phrase, “improving the world one child and one community at a time”; and*  
*Whereas, The Fifth Object of Kiwanis is: “To provide, through Kiwanis clubs, a practical means … to build better communities”; and*  
*Whereas, The Sixth Object of Kiwanis is: “To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill”; therefore,*  

*Resolved, that Kiwanis International stands against violence, neglect, and abuse directed toward children.*

Our unwavering mission of serving the children of the world will never change. It’s a principle held dear to us since the founders of this organization helped Walter thrive, prosper and grow. There are many Walters who still need our help today.

Now is the time to pass both of these proposals.

Your brother in Kiwanis,

Florencio “Poly” Lat  
2018-19 President
Dan McDaniels, President of Nampa Babe Ruth baseball, spoke to the Kiwanis Club of Nampa. Dan reported this youth baseball/softball program involved roughly 500 of Nampa’s youth in 2017. This high quality program is funded through registration fees, community fundraisers, and sponsorships from local businesses and individuals. Nampa Babe Ruth is a non-profit organization (501 C3). The Kiwanis Club of Nampa was happy to be able to present a check to this organization as it matches our mission of supporting youth in our community.

They now employ over 200 in the local community as well as source as much of their product ingredients from local markets as much as possible. She also said that Materne is offering a number of products and flavor mixes which appeal to older kids as well as adults. She described the culture at Materne and said safety is the number one concern, followed closely by quality and freshness of product. The company was started by Daniel Love, his brother John, and step-son Kamron. With annual growth of over 100% year-over-year, they began a search in 2014 for an area to expand to. In 2015 the company began development of a new, state-of-the-art 40,000sf production facility in Nampa, Idaho. The Nampa facility went online in August of 2016 and has already met initial growth forecasts. Today, Mother Earth Brew Co., distributes in nine states and on four continents, year-round.

Sgt. Jason Cantrell, who oversees the Nampa Police Department’s SWAT team, spoke to the Kiwanis Club of Nampa general membership. Sgt. Cantrell has 20 years with the NPD. He explained when the SWAT team can, and cannot, be called out. He said often once the SWAT, and Police presence, is assembled that a suspect will give up peacefully – which is the goal. He also described some of the resources and assets used to help the SWAT team such as use of drones, robots, and canine, to name a few. He also said that the team members have other “primary duties” and are typically called for SWAT duties 20-30 times a year.

Margie Potter, Development Officer, with the Salvation Army spoke to the Kiwanis Club of Nampa. The Kiwanis partner throughout the year with the Salvation Army on a number of different projects. Margie shared how the money raised, and volunteer hours, benefits the families and individuals the Salvation Army is able to help. She explained that .86 of every dollar donated goes right back into the community. She also provided information on how the Salvation Army is helping community members via Rapid Rehousing, the Day Shelter, as well as youth summer-school and camp, to name a few of the programs. Other than Bell Ringing/Kettles, the Gala that will be held on October 2nd is the largest fund raiser of the year and sponsorships of different levels are still available. Margie can be reached at 208-467-6586.

Vicki grew up in Northern Alabama from the age of three, attending SR Butler High School and then on to the University of Alabama in Huntsville. Vicki moved to Tooele, Utah in 1980 where she lived the remainder of her life. Vicki was a successful Realtor in Tooele County for over 30 years and has owned her own brokerage for 22 years; Premier Utah Real Estate. Although Vicki lived in Utah for almost 40 years, she never lost touch with her Southern roots and she loved her “Crimson Tide”.

Vicki lived to serve others and was an amazing example to her family and all who knew her. She touched so many lives and will be remembered for her willingness and desire to always give to others, even when she didn’t have much to give. Vicki adored her grandchildren and not a conversation could be had with her that she didn’t brag about one of them. Vicki was known for her feistiness, determination and great sense of humor. The only activity she loved more than traveling was shopping.

During her lifetime, Vicki spent countless hours serving in her community. She was instrumental in Tooele’s first Women’s Shelter, the Tooele County Children’s Justice Center, Transitional Housing Facility, Community Resource Center, and the New Tooele County Chamber Building. She worked with women with substance abuse at the Tooele County Detention Center for more than 15 years, was a Court Appointed Special Advocate for children. She worked with recovering alcoholics and addicts for the last 22 years. Vicki received numerous awards for her service over the years, including Outstanding Young Women of America, Elks Citizen of the year, Tooele County Chamber of Commerce Lifetime Achievement Award and many more.

Vicki is preceded in death by her parents, many aunts and uncles and close friends. She is survived by her husband, Andy Stetz, her brother, Mickey (Gail) Chandler of Mississippi, her daughter, Andrea (Shannon) and her son, Steven (Tammy); her 9 grandchildren, Gavin(Isabel), Sierra, Gracie, Mia, Gage, Garrett, Bridger, Berek and Hannah; three great-grandchildren, Gabriel, Aurora; two step children, Michael(Kary) Griffith and Stephanie(Doug) George, 9 grandchildren, Chandler, Austin, Bryson, Jamie, Kelli, Dallin, Weston, Chloe, and Alexis; and many other family members spread far and wide.

On September 2, 2018, our community of Caldwell lost one of its most committed and caring citizens, Archie Stradley, Jr. He passed away peacefully on Sunday, September 2, 2018 just a week following his 90th birthday.

Archie was born August 24, 1928 to Archie and Susie McCloud Stradley in Caldwell, Idaho. He was raised and educated in Caldwell graduating from Caldwell High School in 1946. Archie married Virginia Hall on June 8, 1948. They made their home in Caldwell and had two sons, Nick and Craig.

Archie joined the US Army on January 22, 1952 and proudly served his country until his Honorable Discharge on January 22, 1954. He came home to his young family and began working for Les Summers at Summers Office Supply.

Archie was a loyal and devoted employee to Les and after 44 years of working together they remained dear friends. After his “retirement” he went to work as an Ambassador and Funeral Assistant for Dakan Funeral Chapel, a position that he thoroughly enjoyed for the past 20 years; and in his spare time, Archie was renowned for repairing clocks. To say that Archie was involved in his community of Caldwell is truly an understatement. He served on Caldwell Salvation Army board in 1973; was honored by The Idaho Statesman as a “Portrait of a Distinguished Citizen” in 1978; received the Community Involvement Award by Caldwell Mayor Al McCluskey in 1983; was presented the American Institute of Public Service Jefferson Award by Idaho Governor Cecil Andrus in 1991; was honored by Idaho State School & Hospital for “Devoted Service to Handicapped” in 1992; was awarded “Outstanding Volunteer” by Caldwell Chamber of Commerce in 1994; was honored as a “Distinguished Alumni of Caldwell High School” in 1994; was KTVB’s “Sevens Hero” in July of 2001; and was presented the Caldwell Lifetime Achievement Award by Mayor Garrett Nancolas in January of 2006.

Archie joined the Caldwell Kiwanis Club in 1954 and held “Perfect Attendance” for over 62 years. He was named “Kiwanian of the Year” in 1974. He visited as many other clubs as he was able, sharing their fellowship with any Kiwanian that could join him for lunch and always bringing a joke or two.

Archie joined the Caldwell Elks Lodge in 1965 and received the Elk of the Year Award for 1968. He served as Treasurer for 51 years, was Chairman of Caldwell Elks Lodge Scout Troops for 44 years with 68 Eagle Scouts honored in the past 33 years. Archie was honored with Elks Grand Lodge Commendation Awards in 1996 and 1998, was awarded Caldwell Elks Lodge “Outstanding Member” in 1998, “Outstanding Citizen of the Year” in 2000, and the Grand Lodge “Distinguished Citizen Award” that same year. Archie was in charge of the Caldwell Elks Home Care Equipment Loan Program for 53 years, loaning wheelchairs, walkers, crutches, bath benches, etc. at NO CHARGE for it was “Elkdom at Work”. In 2006, he was presented a plaque for the “Wall of Honor” in the Lodge and was honored by Sage Community Resources with the “Dr. Roy Watson Award for Voluntary Service in Assistive Device Lending Program”.

Archie was patriotic to the core. He loved his country as much as his hometown of Caldwell and was Chairman of the Caldwell Elks Annual Veterans Day Ceremony held every year on November 11th 11:00 a.m.

But of all of Archie’s volunteering, the gift of service that he held most dear was being Caldwell’s Santa Claus. He began visiting family homes during the Christmas season 44 years ago and continued those same annual visits for multiple generations. Every fall he would get his Santa suit cleaned and prepare for his visits to over 50 homes, schools, and businesses to listen carefully to over 2000 children’s Christmas wishes during the month of December. The Caldwell Fire Department and Chamber of Commerce recently honored Archie for serving 30 years as their Santa Claus in the Annual Christmas Parade and Open House and he was also given the Men in Top Tier Award in 2014 on behalf of Advocates Against Family Violence as a Thank You for the difference he made in the lives of children in our community.

Archie was deeply honored by the acknowledgements that he received over the years, not because of the recognition, but because he believed in giving to his community. He was a man of integrity, honor, commitment, and kindness. He had a wonderful sense of humor and always had a few jokes to share. Archie also knew that the love and support of his wife Virginia, who passed away in 2008 just two months short of their 60th anniversary, helped make him the man that he was. They enjoyed raising their boys together, attending community events, dancing, playing cards, traveling, and spending time with their children, grandchildren, and many dear friends. To say that Archie will be missed, again is truly an understatement.

Archie is survived by his sons, Nick (Beverly) Stradley of KY and Craig (Linda) Stradley of Caldwell; 5 grandchildren, Joshua Stradley and Jennifer (Danny) Torres all of Caldwell, Abigail (Matt) Ewing and Melissa Stradley all of WA and Kimberly (Russell) Elliott of TX; 7 great-grandchildren; a sister, Bonnie (Gene) Storm of WA; and numerous nieces and nephews.
