A BABY'S HUG

I wanted to share a story that took place around a Thanksgiving, with you folks because it shows how a kindness can change the life of the receiver and the giver.

We were the only family with children in the restaurant. I sat Eric in a highchair and noticed everyone was quietly sitting and talking. Suddenly, Eric squealed with glee and said, "Hi". He wriggled and giggled with merriment. I looked around and saw the source of his merriment. It was a man whose pants were baggy, and his toes poked out of his shoes. His shirt was dirty, and his hair was uncombed and unwashed. We were too far from him to smell, but I was sure he smelled. His hands waved and flapped on loose wrists.

"Hi there, baby. Hi there, big boy. I see ya, buster" the man said to Eric. My husband and I exchanged looks. 'What do we do?' The old geezer was creating a nuisance with my beautiful baby. Our meal came and the man began shouting from across the restaurant, "Do ya patty cake? Do you peek-a-boo? Hey, look he knows peek-a-boo. Nobody thought the old man was cute. He was obviously drunk. We ate in silence; all except for Eric, who was running through his repertoire for the admiring skid row bum who reciprocated with his comments.

We finally finished our meal and headed for the door. The old man was between me and the door. I tried to sidestep him but Eric leaned over my arm, reaching with both arms in a baby's "pick me up" position. Before I could stop him, Eric had propelled himself into the man's arms.

Suddenly a very old smelly man and a very young baby consummated their love and kinship. Eric in an act of total trust, love, and submission laid his tiny head upon the man's ragged shoulder. The man's eyes closed and I saw tears hover beneath his lashes. His aged hands full of grime, pain, and hard labor, cradled my baby's bottom and stroked his back. No two beings have ever loved so deeply for so short a time.

He pried Eric from his chest, lovingly and longingly, as though he were in pain and thanked me for the special gift my baby gave him.

As Kiwanians we serve our Children. As we do so, there are many lessons we can learn from them.

Be excited in your service, enjoy the experience, have fun, and you'll be surprised how much you can grow as a person.

Thank you for what each and every one of you Kiwanians do for our Children.

Governor Barbara Mullins

#### See you in August ####
Compliments of a friend supporting Kiwanis Clubs!

UTAH – IDAHO DISTRICT

The Utah-Idaho District came into existence as of December 16 of the same year. By mutual agreement, ratified by the International Board, the panhandle of Idaho consisting of 10 counties north of the Salmon River was added to the Pacific Northwest District in July of 1925. The Utah-Idaho District’s first convention was in Salt Lake City on December 16, 1920.

At that session, Herbert Van Damn, Jr. was elected governor at a convention in his home city. The first club in the district was Salt Lake City, completed October 10, 1918. The second club was Pocatello, Idaho, on August 5, 1920, and the third club was Boise, Idaho on August 10, 1920.

THE KIWANIS MISSION

Kiwanis empowers communities to improve the world by making lasting differences in the lives of children.

THE KIWANIS VISION

Kiwanis will be a positive influence in communities worldwide – so that one day, all children will wake up in communities that believe in them, nurture them and provide the support they need to thrive.

THE OBJECTS OF KIWANIS

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

Object 1 - To give primacy to the human and spiritual rather than to the material values of life.
Object 2 - To encourage the daily living of the Golden Rule in all human relationships.
Object 3 - To promote the adoption and the application of higher social, business, and professional standards.
Object 4 - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
Object 5 - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
Object 6 - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

OVER 40 YEARS OF FAMILY-OWNED, WASATCH MOUNTAIN GOODNESS.

The Brands You Can Trust

FIND OUR GREAT PRODUCTS AT YOUR LOCAL GROCERY STORE.
Kiwanis is often called a “community service organization.” That’s understandable — every year, thousands of our members do millions of hours of service in their communities.

So, you might be surprised to learn that I don’t care for that term. It’s not because I don’t appreciate service, or the people who do it. And it’s not just because “community service” can have an unfortunate connotation (though it’s undeniably a term people associate with sentences for criminal misdemeanors.)

Ultimately, though, I don’t like the phrase because it sells volunteers short. It can even prevent them from developing a larger vision.

After all, what do people in Kiwanis clubs — and in Rotary clubs, Lions clubs and many others — really do at their best?

They make an impact. And that’s a bigger, more enduring thing.

In fact, it’s why I prefer to think of Kiwanis as a “community impact organization.” If you only think in the short term, the concept of service can be reduced to a task. It’s picking up trash by the side of the road. Or it’s mowing the lawn of an elderly person in the neighborhood. Good things, of course — but also temporary.

For me, this points to an important aspect of leadership: clarity about what people do and why it matters. Kiwanis is a community impact organization because it’s a part of communities’ ongoing improvement. For that reason, it can also be a key part of people’s lives — and from an early age. To sponsor a youth sports league or team, for example, is to be part of the life lessons such participation brings. To teach a child to read and love books is to help create important habits that will be useful for a lifetime.

Kiwanis members know this. Those who support youth programs develop enduring leadership skills. Working with Key Club, for instance, they mentor high school students in ways that will resonate in the years that come after — whether it’s at a university, in military service or in the early years of career and family.

Kiwanians influence the direction of people’s lives. Sometimes they change the trajectory of a life altogether. In the long run, they provide a lasting inspiration — the kind that moves neighborhoods, organizations and communities.

Now that’s true impact.

All human situations have their inconveniences. We feel those of the present but neither see nor feel those of the future; and hence we often make troublesome changes without amendment, and frequently for the worse.

- Benjamin Franklin

Laws alone cannot secure freedom of expression; in order that every man present his views without penalty there must be spirit of tolerance in the entire population.

- Albert Einstein
Daniel Vigneron, Howald, Luxembourg, was elected president and Art Riley, Westminster, Maryland, USA, was elected president-elect of Kiwanis International at the 104th Annual Kiwanis International Convention at Walt Disney Resort® in Orlando. Peter J. Mancuso, North Bellmore, New York, USA, was elected vice president. All begin their new terms on October 1, 2019.

Trustees elected for the United States and Pacific Canada Region are:
- Gary “Coop” Cooper, Fayetteville, North Carolina, USA
- David W. Hurrelbrink, Kansas City, Kansas, USA
- Cathy Szymanski, Erie, Pennsylvania, USA
- Cheng Lian “Lian” from Changkat Jong, Malaysia, was elected during the Asia-Pacific convention in March to represent the Asia-Pacific Region as a Kiwanis International trustee. Cheng Lian passed away June 27. A replacement will be appointed according to the Kiwanis International bylaws.

The Kiwanis International-European Federation held its convention this past month and elected Gunnsteinn Björnsson from Sauðárkrókur, Iceland, to represent the Europe Region.

Delegates approved a Safe Kids resolution proposed by the Kiwanis International Board. The resolution puts into writing something all Kiwanians believe: All children deserve to be safe.

Delegates overwhelmingly approved an amendment to add a nondiscrimination clause, which was revised to include prohibiting discrimination based on age or sex including sexual orientation and gender identity into the Kiwanis International Bylaws. The amendment was submitted by the Kiwanis Club of East Geauga, Ohio, USA.
A second proposed amendment, which was submitted by the Michigan District Board, would have allowed delegates to abstain from voting for the complete number of trustee offices to be filled. The amendment failed.

A new requirement for vice president, submitted by the Kiwanis Club of Venice, Florida, USA, would have required Kiwanis International trustees to have at least a one-year absence from the Kiwanis International Board before subsequently serving in the offices of vice president, president-elect, or president. The amendment failed.

An amendment calling for a new trustee seat for a member under the age of 50, submitted by the Kiwanis Club of Springfield-Downtown, Illinois, USA, was withdrawn. Its purpose was to establish a new seat on the Kiwanis International Board to be held by a person who is age 50 or under at the time of election.

A Family Membership Status amendment, submitted by the Pacific Northwest District and co-sponsored by the New England and Bermuda District Board, the Ohio District Board, the Southwest District Board, the Texas-Oklahoma District Board and the Kiwanis Club of North Brunswick, North Carolina, USA, failed. The amendment would have permanently adopted a new family membership status that provides a 50% discount on Kiwanis International dues and fees for qualifying members.

During the House of Delegates session, Kiwanis International Executive Director Stan Soderstrom challenged convention delegates to think beyond service and consider as well Kiwanis clubs’ long-term impact.

“Service is picking up trash at a park,” Soderstrom said. “Doing a good deed for an elderly person in your neighborhood. These are good things — but temporary things. That’s why I’d like to challenge us to think of Kiwanis not as a community-service organization — but a community impact organization. It’s impact that helps make us a part of people’s lives from an early age.”

Examples of Kiwanis service with impact include:

- Service Leadership Programs where club members mentor kids, serve as examples and help youth develop skills that will last a lifetime. Youth programs also prompt students to begin their own journey of service and impact.
- The Eliminate Project that has reduced by half the number of yearly deaths from MNT since Kiwanis joined the effort in 2010.
- Our Iodine Deficiency Disorders success with 86 percent of the world’s population now having access to iodized table salt, decreasing these disorders among vulnerable populations.

Soderstrom challenged clubs to add magic to their clubs after the 2019 convention at Walt Disney World® Resort. Clubs, he said, should feel the inspiration, imagination and creativity associated with impacting children.

Vigneron has been a member of the Kiwanis Club of Vielsalm in Belgium for more than 32 years. He served twice as club president and once as governor of the Belgium-Luxembourg District. He also served as Kiwanis International-European Federation president and is a former Kiwanis International trustee.

Riley began as a member of Key Club and has continued as a member of the Kiwanis Club of Westminster, Maryland, for 39 years. Additionally, he is a member of the Centennial Internet Club and the Kiwanis Club of State Line, Maryland. Riley’s leadership has been demonstrated as a Key Club lieutenant governor and numerous positions within the Capital District, for which he served as governor in 2007-08.
During his tenure on the Kiwanis International Board, Riley was counselor to 12 Kiwanis districts and traveled to more than 30 districts. Additionally, he and his wife, Vickie, participated in a site visit to Cambodia for The Eliminate Project.

TRUSTEE-ELECT PASSES
Jack Brockley
June 28, 2019

Kiwanis is saddened by the loss of Kiwanis International Trustee-elect Cheng Lian, who passed away June 27. She had been elected at the 2019 Kiwanis Asia-Pacific Convention this past March to start a three-year term on the Kiwanis International Board October 1.

She was a member of the Kiwanis Club of Changkat Jon Perak, Malaysia, where she had served as president and secretary. A 25-year Kiwanian, she also served as president of the Kiwanis Club of Bandaraya Ipoh and as 2012-13 governor, lieutenant governor and treasurer in the Malaysia District. She was a George F. Hixson and a Walter Zeller fellow and a member of the Tablet of Honor.

She was a retired businesswoman. She is survived by two children and two grandchildren.

GENERAL
The purchase of commercial insurance is frequently the first choice as a method for providing financial protection against accidental losses. However, there are a number of alternative methods of protection which can also be used to protect your local club, Kiwanis International and your commercial general liability insurance program from unnecessary lawsuits. The following paragraphs outline several of these alternative methods, each of which is available to Kiwanis International and its member clubs. The guiding principle behind all of these alternatives is the transfer of exposure to loss and/or payment of loss from Kiwanis International and the local club to others, whether they are facility or service providers (property owners, contractors, subcontractors, promoters, performers) or participants.
STANDARD CONTRACT

Clubs frequently use facility and service providers in the course of fundraising and service activities. Such situations can present a substantial exposure to loss. The guiding principle here should be the transfer of loss exposure to the provider of the facilities or the person performing the activity from which the exposure arises. We suggest member clubs consult with a local attorney to develop a standard contract which requires the outside provider of facilities or services to assume all liability arising from the event. The contract or agreement should be in writing and should include the following provisions:

230. A hold-harmless provision whereby the operator/provider/performer agrees to hold Kiwanis International and its member clubs harmless from any and all claims for liability for bodily injury or death resulting from the event, or for damage to property of others which might arise from the event.

2. The operator/provider/performer should be required to furnish the Kiwanis club, as the event sponsor, prior to the event, evidence of liability insurance to cover any claim that might arise, with a combined single limit of not less than US$1 million per occurrence bodily injury and property damage. Such evidence shall be in the form of a standard certificate of insurance.

3. The certificate of insurance issued by the operator/provider/performer should show Kiwanis International and your local club named as additional insureds on the general liability insurance policy.

4. The certificate of insurance should indicate that the insurance covers all premises and operations that will be involved in the event, as well as products liability insurance for any equipment to be furnished or any food products or services sold by the operator during the event.

5. Finally, be certain the certificate indicates that 30 days prior written notice of cancellation or material change in the insurance is provided to Kiwanis International and your club, and that this obligation is a firm obligation of the insurance company issuing the certificate.

HYLANT CERTIFICATES OF INSURANCE

As noted above, it is essential to obtain certificates of insurance when conducting an event that utilizes facilities or services provided by outsiders. These certificates should be reviewed to determine validity, coverage, exclusions and limits of liability. Any deficiencies such as expired coverage and/or exclusion of performed activities and/or insufficient limits of liability may result in Kiwanis International and your club absorbing an unnecessary loss. The bargaining power of Kiwanis International should allow effective contractual transfer through the use of standard contracts and certificates of insurance.

WAIVER OF RESPONSIBILITY

Another method of transferring your exposure to loss is the use of a waiver of responsibility. In consideration for the opportunity to attend or participate in a Kiwanis-sponsored event, the participant/attendee signs a waiver of responsibility form, which constitutes an informed relinquishing of the known legal right to sue Kiwanis International. As a result of the execution of this form, Kiwanis International has had a potential liability and exposure to loss minimized. This approach should be used for any event that involves participants, such as foot races, motor vehicles races of any type, sporting events, air shows, etc.

HOLD-HARMLESS AGREEMENTS

This method is a contractual commitment whereby a facilities/service provider, participant or attendee agrees to hold Kiwanis International and your club harmless, and thus provide payment for losses that occur as a result of activities specified by the contract. The hold-harmless agreement is normally incorporated into the body of a standard contract and/or the waiver of responsibility. When this type of arrangement is used, it is imperative that a certificate of insurance be obtained from the service provider evidencing general liability coverage including contractual liability in order to be certain that the hold-harmless agreement is properly insured.
GENERAL LIABILITY INSURANCE

The purchase of commercial general liability insurance is a prime example of the contractual transfer of liability for payment of losses. In consideration of the premium paid, the insurer is obligated to pay claims on behalf of Kiwanis International after the occurrence of specified losses. This coverage is our primary line of defense, but by using the methods outlined above, we can effectively reduce our potential for loss and thereby prevent our own insurance from being subjected to unnecessary liability insurance claims.

The combined effects of the use of standard contracts that clearly define responsibility/liability, certificates of insurance, waivers of responsibility and hold-harmless agreements aid in the process of shifting exposure/liability from Kiwanis International to the appropriate parties generating the risk. It is equally important that Kiwanians not sign contracts, waivers or hold-harmless agreements that result in the assumption of liability by their club or by Kiwanis International. It is understood that this is not always possible, but as a general rule, such assumptions of liability should be avoided whenever possible. The use of the techniques outlined above will allow the insurance protection afforded to Kiwanis International and its member clubs by the insurer to function properly. As a result, Kiwanis International can proactively control exposure to loss, and thereby control long-term insurance and loss costs.

HOW AND WHEN TO USE THE AFFIRMATION AND LIABILITY RELEASE FORM FOR GENERAL LIABILITY CLAIMS

Since 1972, Kiwanis International has provided a program of general liability insurance for its local clubs and their members. The purpose of this insurance is to protect Kiwanis clubs against claims for bodily injury or property damage caused by the negligence or the wrongful actions of a club member during a Kiwanis activity or event.

However, because of the highly litigious nature of our society, claims have been filed, in the past, against Kiwanis clubs for simple accidents that occur during an event even though the accident was not in any way caused by Kiwanis. Certainly if someone is injured due to the negligence of a Kiwanian, Kiwanis should be held accountable, but frivolous claims have been filed under this insurance for accidents incurred for which no one is to blame.
After many years of study and working with the insurance company to resolve this problem, the Kiwanis Board of Trustees, together with the Kiwanis insurance advisor and legal counsel, is recommending to all local clubs the use of a Waiver of Liability form.

The purpose of this form is to require people to take responsibility for their own actions and to assume the risk of foreseeable injuries when they voluntarily participate in a Kiwanis event. We are requesting that every local club ask each participant in an athletic event to sign a Waiver of Liability. The forms should be retained, on file, by your club for a period of two years following the event. This form is designed to cover participatory events such as:

1. Marathon or 10K races
2. Basketball, football, and various leagues and tournaments
4. Tennis and golf tournaments
5. Baseball leagues and tournaments

Kiwanis has determined that there is a foreseeable risk of injury as a participant (not a spectator) in these types of athletic events and that this risk should not be borne by Kiwanis as sponsor, but by the participant.

**INTERNAL REVENUE SERVICE FILING REQUIREMENTS AND FORMS**

In the United States, Kiwanis clubs must file annually with the Internal Revenue Service (IRS). Below is some information from the IRS on what clubs need to know about their annual filing requirements:

- Small, tax-exempt organizations whose gross receipts normally are US$50,000 or less are required to file the IRS’ electronic postcard Form 990-N.
- Those whose gross receipts normally exceed US$50,000 to US$200,000 are required to file Form 990-EZ.
- Those with gross receipts greater than $200,000 must file Form 990.
- See the IRS Charities & Non-Profits website. This link will include information related to 1) applying for tax-exempt status, 2) filing requirements, 3) how to be reinstated if your club loses its tax-exempt status, 4) search for your tax-exempt status, and 5) resources for tax-exempt organizations.

Other helpful websites when needing to find information on filing an IRS Form 990 or equivalent are:

- National Center for Charitable Statistics (NCCS) (http://nccs.urban.org/). This website allows you to find a Kiwanis Club or other non-profit organization and to view its Form 990. The website also has other resources that you may find helpful.
- Aplos Form 990 Software for Kiwanis clubs (https://www.aplos.com/partners/kiwanis/form990). This website is made available to Kiwanis Clubs by Aplos Software. It is a convenient way for clubs to file their Form 990-N electronically for free for the current year and to file other Form 990 versions at a nominal fee.

Kiwanis International does not maintain records of your club’s IRS history, but you can contact the Kiwanis International Office’s Finance Department by email at finance@kiwanis.org or call +1-800-549-2647, extension 153 or 146, should you have any questions.
ARTHUR “ART” RILEY
KIWANIS CLUB OF WESTMINSTER
KIWANIS INTERNATIONAL VICE PRESIDENT

Arthur “Art” Riley of Westminster, Maryland was elected to a one-year term as president-elect at the 104th Annual Kiwanis International Convention in Orlando, Florida, USA in June 2019.

Art’s dedication to Kiwanis began in 1956 during travel with his father to the International Convention in San Francisco, California. That experience gave him an initial view of the Kiwanis world which resulted in his involvement in many Kiwanis activities. Official service began as a member of Key Club and has continued as a member of the Kiwanis Club of Westminster, Maryland, for 39 years, serving in many leadership positions. Additionally, he is a member of the Centennial Internet Club and the Kiwanis Club of State Line, Maryland. Art’s leadership has been demonstrated as a Key Club lieutenant governor and numerous positions within the Capital District, culminating as governor in 2007-2008.

During his tenure on the Kiwanis International Board, Art has served as counselor to 12 Kiwanis districts and traveled to more than 30 districts. Additionally, Art and his wife, Vickie, participated in a site visit for The Eliminate Project to Cambodia in conjunction with UNICEF. Serving on Board committees has resulted in a passion for recognizing and fulfilling the Kiwanis mission of serving children, strengthening Kiwanis through expanded service and partnership development, improving the Kiwanis image worldwide and expanding international understanding.

For the 2018-19 administrative year, he serves as Chair of the Board of Directors of the Kiwanis Youth Programs Inc., chair of the Board Committee on Public Relations, Image and Marketing, and member of the Executive Committee and Board Committee on Membership and Education. He is also a member of the Board of Trustees of the Kiwanis Children’s Fund.

Professionally, outside of Kiwanis, Art has practiced pharmacy and successfully managed pharmacy practices for more than 45 years. His family pride focuses on his wife Vickie, a past president of the Kiwanis Club of Westminster and retired elementary school teacher, three successful adult children and three grandchildren. Art’s extended family is also involved in Kiwanis in a variety of positions. Other than Kiwanis, Art is involved in many community activities that include lay speaking at his church. This led to publishing a book titled, “At the Foot of the Cross.” Art and Vickie both thoroughly enjoy promoting the image of Kiwanis while meeting new Kiwanians.

BRIAN TENCLINGER, M.S.ED
GLOBAL MEMBERSHIP & EDUCATION MANAGER

Dynamic non-profit association manager and senior level higher education practitioner. Former executive director of a national men’s fraternity noted for growing the organization by 61% and creating signature education programs for undergraduates. 15 years’ experience working in higher education administration as a director and assistant dean. Extensive experience in strategic planning, project management, organizational assessment and auditing, trend and data analysis, fundraising, organization growth, volunteer recruitment, risk and harm assessment, and benchmark analysis. 25 plus years of experience facilitating workshops, presenting keynote addresses, building rapport with staff, and engaging an audience.

Volunteer work as a District Governor for Sigma Phi Epsilon Fraternity, lead facilitator for an international study abroad program, Kiwanis International, and the Children’s Miracle Network.

Independent consultant for fraternity & sorority life assessment projects looking at core competencies and their relationship to the academic mission of the institution. Birkman Method results: genuinely persuasive, insightful, responsive, independent, flexible, enthusiastic. Personal interests include cultural exploration, weightlifting, culinary experiences, and wine. Partially fluent in German and Sign Language.
100th Annual District Convention Registration Form
August 9 – 11, 2019
Crystal Inn Hotel & Suites

For the Kiwanis family of clubs in the United States and Canada, Kiwanis International has an insurance program that provides two policies: commercial general liability and directors and officers insurance. All clubs are automatically covered under both policies. No action is required.

The general liability policy provides coverage for bodily injury and property damage incurred by third parties participating in club events. The provisions apply to most normal liability exposures of Kiwanis-family clubs. The standard commercial general liability policy contains the standard exclusions for this type of insurance.

The directors and officers policy helps cover the impact of any poor decisions made by the club or its board. Examples include employment practices liability (including accusations of discrimination, sexual harassment and wrongful termination), allegations of mismanagement of funds, failure to enforce bylaws and violation of state/provincial and federal bylaws.

YOUR CLUB’S SAFETY COORDINATOR

A club can also help protect its members by making safety and risk management a general part of club operations. One key step is the appointment of a member as club safety coordinator. This person would be involved in all of the club’s event planning, specifically to address participant safety.

Many clubs have members with experience in the insurance industry and/or legal profession. Because of these members’ familiarity with potential club liability, they should receive primary consideration for the position. Kiwanis International suggests the club include the following duties for the safety coordinator:

The role of the safety coordinator

A club safety coordinator is a must. Safety is no accident.
• Understand the general liability and directors and officers insurance program. 
  (Information can be found in the You Are Covered sections of this guide.)

• Take steps to inform your club about the insurance, including:
  - Basics of coverage, including what is and is not covered
  - Why liability insurance is important for the club
  - Involvement in club activities to determine how to eliminate hazards or transfer risk
  - Working with members to ensure that events are hazard-free
  - Reports of any potential claims and details of the incident
  - Education regarding risk management techniques and proper claim handling

RESOURCE MATERIALS

The safety coordinator should consult the Club Insurance Resource Guide. The guide provides information on the insurance program and will help carry out the position’s responsibilities. The guide also is available online at www.KiwanisOne.org/liability.

RISK MANAGEMENT

Risk exists in all Kiwanis-family activities. The safety coordinator should analyze basic risk factors and determine those that can be managed. Club events and activities that present a higher risk—and therefore should be closely monitored—include those in which an outside individual, firm or organization presents the event, furnishes equipment or sells products or services. (Examples: carnivals, circuses, rodeos, sporting events, air shows, and demolition derbies.) For such events, the outside individual or firm involved should assume all liability arising from their activities.

To ensure mutual understanding of this liability, all contracts or agreements should be in writing and include:

• A hold-harmless provision whereby the operator holds Kiwanis and its members harmless as to any and all claims for injury or death and for damage to the property of others which might arise from the event.

• Language stipulating that prior to the event, the operator will provide to Kiwanis evidence of insurance coverage via a certificate of insurance, with a limit of at least US$1 million for bodily injury and property damage, including premises, operations and products exposures. The certificate should name the Kiwanis club and Kiwanis International as additional insureds.

SAFETY MANAGEMENT: USE OF NON-OWNED PREMISES

Nearly all clubs and districts regularly use third-party premises for Kiwanis-family events. The owner may be legally responsible for the safety of its location, but the safety coordinator should look for potential hazards. For example:

• Overcrowding of meeting rooms
• Inadequate or poorly marked fire exits
• Extension cords located to create trip and fall hazards
• Inadequate lighting
• Outdoor locations in which the footing is uneven or hazardous
• Food service that exposes the public to hot cooking or serving equipment
• Insufficient sanitation for food preparation
• Wet flooring

These are common occurrences in many Kiwanis-family activities—but the list is by no means complete. To ensure thoroughness, all premises used should be inspected periodically.

CLAIM REPORTING

All potential claims must be reported to the insurance carrier. The safety coordinator should obtain all details related to the claim. Pertinent details include:

• Date, time and place
• Name and address of injured party or person whose property was damaged
• Extent of injury or damage as it may appear at the time
• Name(s) and address(es) of witness(es)
• A brief statement of circumstances, (e.g., what happened, how it happened)
• Photographs of damage, if possible

All claims should be reported—no matter how minor they may seem. The insurance carrier is the best judge of the merits of claims, and it should have the opportunity to investigate and evaluate each occurrence.

HERE’S A SUMMARY OF ESSENTIAL STEPS FOR THE SAFETY COORDINATOR:
1. Be familiar with the liability insurance program.
2. Educate your club.
3. Be involved in planning of activities and events.
4. Look for potential hazards.
5. Transfer risk to others wherever possible through a hold-harmless agreement, and request insurance certificates to ensure the financial responsibility of the party or firm who agrees to hold Kiwanis harmless.
7. Remember: the insurance is there to protect your club.

Extending your Kiwanis impact

A gift to the Kiwanis Children’s Fund helps children in many places, in many ways. For the Kiwanis family, the Children’s Fund is a way of reaching children through grants, scholarship programs and Kiwanis youth programs.

Kiwanis Children’s Fund Mission statement:
To develop resources that transform the goodwill and vision of Kiwanians into programs that serve the children of the world.

## CERTIFICATION

_____________________________  _______________________________
Club President Signature      Date          Club Secretary Signature  Date

## INSTRUCTIONS

Please don’t wait until the last minute and don’t forget to mail this filled out form to:

Janet S. Flinders, 515 Bringhamurst Drive, Providence, UT 84332-9439

No later than 31 July 2019

## NOTES

1. Delegates may not be certified if their club has any indebtedness to Kiwanis International or the Utah-Idaho Kiwanis District

2. This form does not constitute a convention registration. Use the official registration form to register each delegate. Delegates who are not registered cannot be certified to represent their club in the business session of the Convention.

3. Only Delegates-At-Large will not have to be certified.
Nothing is more important than the safety and well-being of those we serve—and of the Kiwanians who serve them. That’s why Kiwanis International annually presents Youth Protection Week.

Youth Protection Week occurs every September. During the week, all Kiwanis clubs should review the Kiwanis youth protection training and evaluate how well they’re adhering to the Youth Protection Guidelines. It’s particularly important to know the updated policy for criminal history background checks.

Education
Train members on youth protection at that week’s Kiwanis club meeting. After completing the training, you and your club members should be able to:

- Understand the Youth Protection Guidelines.
- Identify troubling behavior or abuse.
- Respond appropriately if a child discloses abuse to you or if you witness troubling behavior.

Visit kiwanis.org/youthprotection to find all of resources to lead a training and much more! Kiwanis members can also access the online version of the training to review it on their own time.

Once the training is completed for the Kiwanis year, the Kiwanis secretary should indicate this on the reporting dashboard.

Your club’s efforts during Youth Protection Week are important to the commitment that all Kiwanians must share. Thank you for protecting young people—and the Kiwanians who work with them. You’re strengthening the Kiwanis family’s continuing status as a leader in building the next generation of service.

ABOUT THE KIWANIS CHILDREN’S FUND

Kids need Kiwanis, and the Kiwanis Children’s Fund helps you reach them—amplifying your impact in communities around the world.

We provide grants for Kiwanis Service Leadership Programs, club and district service projects, disaster relief, and the elimination of maternal and neonatal tetanus as well as iodine deficiency disorders.

We are a trusted partner, staffed by experts. We know how to turn money into something much more meaningful.

Our name
To better reflect our mission of serving children, the Kiwanis International Foundation changed its name to the Kiwanis Children’s Fund in October 2016. Our new name better conveys the purpose of our organization: We serve children. And it describes how: We raise funds to support Kiwanis initiatives.

Our history
It began with 25 silver dollars. That’s the donation that Walter Zeller made in 1940—the first in our history, one year after our foundation had been established.

But there was a larger idea behind Zeller’s gift: Inspire fellow Kiwanians to build on that donation. And they did—with an auction that eventually turned that first contribution into US$625.

Our foundation’s members have been inspiring each other ever since. Today, we are known as the Kiwanis Children’s Fund because we turn your generosity into projects that reach children all over the world. Kiwanis members, clubs and districts have entrusted us with multiple millions of dollars’ worth of assets. These assets provide stability to our work and support us in providing financial assistance that helps Kiwanians serve children, from the U.S. to India to Poland, and many places in between. Maybe even in your hometown.
Kiwanis Children’s Fund Impact

We help make remarkable things happen for kids and communities around the world. Kids need Kiwanis, and the Kiwanis Children's Fund helps you reach them—amplifying your impact in communities around the world. We are a trusted partner, staffed by experts. We know how to turn money into something much more meaningful.

We provide grants for disaster relief, Kiwanis Service Leadership Programs, club and district service projects, and the elimination of maternal and neonatal tetanus as well as iodine deficiency disorders.

Service Leadership Programs

We're helping build a stronger generation of leaders and service volunteers.

You know that the Kiwanis family includes Kiwanis clubs. But it also includes members of every age and ability -- from elementary school students to adults with disabilities. These members are part of Service Leadership Programs. We support the strategic plans and initiatives of Kiwanis’ Service Leadership Programs.

Club and district service projects

We help clubs and districts fulfill the unmet needs of children in their communities. Many communities struggle to meet all the needs of children. We provide grants for Kiwanis-led service projects that focus on health, education and youth leadership development.

Disaster Relief

We make sure that when disaster strikes, the Kiwanis family can respond. Our simple application process makes it easy for clubs or districts to get disaster relief funding promptly. While others are forced to wait for funding and aid, Kiwanis clubs and districts can hit the ground running. They are often part of the community that has been struck — and better able to assess the most urgent needs of children and families affected.

The Eliminate Project

We are eliminating a painful, preventable disease that kills mothers and babies around the world.

In 2010, we teamed up with UNICEF to eliminate maternal and neonatal tetanus (MNT) from the face of the Earth. Once we eliminate MNT in the remaining countries, where thousands of babies still die each year, we will sustain our efforts so that it never returns.

Iodine Deficiency Disorders

We saw a mental health problem that could be prevented, so we did it.

Kiwanis teamed up with UNICEF in 1994 to address the leading preventable cause of mental disabilities — iodine deficiency. To date we’ve helped raise more than US$100 million to give millions of children the chance to live healthy, happy and productive lives. We continue to sustain these efforts worldwide today.
KIWANIS CHILDREN'S FUND SCHOLARSHIPS OPPORTUNITIES
(https://www2.kiwanis.org/childrensfund/impact-and-programs/scholarship-opportunities)

Kiwanis Children’s Fund scholarships are designed to help members of Circle K International and graduating seniors who are members of Key Club International. The Children’s Fund appreciates the generous donors whose dedication to the Kiwanis family, education and community service makes these scholarships possible.

Select a scholarship below to learn more about available awards and eligibility requirements. Scholarship applications for the 2019-20 Kiwanis year will be posted on November 1, 2019. Applications are only accepted online and typically have a due date of February 1.

Important: The Children’s Fund only has information regarding the scholarship awards we disburse. We do not have information on scholarships offered through Kiwanis districts or clubs. If you have questions regarding a scholarship award that is not listed below, contact your school or the person with whom you have previously communicated for additional information.

GEORGE F. HIXSON FELLOWSHIP

In 1983, the Kiwanis Children’s Fund established the George F. Hixson Fellowship. Named for Kiwanis International’s first president, Hixson Fellowships are awarded to donors who give US$1,000 or more to the Children’s Fund.* It’s a way of recognizing people who have contributed significantly to Kiwanis’ history of generosity. In fact, clubs and Kiwanians often give in honor of another person or organization—recognizing others’ help and commitment with a Hixson Fellowship.

Consider making a gift today toward a George F. Hixson Fellowship for yourself or to honor someone else with one.

Become a Diamond Level

If a Hixson Fellow gives, or is recognized by, a second US$1,000 donation, they will receive a diamond pin and a special tab to affix to the lapel pin. Additional US$1,000 gifts are recognized with sequentially numbered tabs to signify the diamond level achieved.

George F. Hixson Fellow Club

Any Kiwanis club in which all dues-paying members are George F. Hixson Fellows will be recognized as a 100% George F. Hixson Fellow Club. Recognition will be based on September 30 certified membership as determined by Kiwanis International. Let the Children’s Fund know if your club is a George F. Hixson Fellow Club.

*This award is available for all unrestricted gifts made to the Kiwanis Children’s Fund within any one-year period. This award is not available for gifts made to other special programs like The Eliminate Project. The award must be requested within one year of completing the gift.
There is no other way to give to so many areas—to touch the lives of so many children and communities—and in so many different ways than by giving a Gift of Today. Gifts of Today come to the Kiwanis Children's Fund from individuals, clubs and other entities. These gifts are the backbone of our organization. Through consistent yearly gifts, one person, one club and one contribution at a time, Kiwanians extend their impact to the children of the world.

The Today Club program honors clubs that achieve a minimum per-member giving level from active dues-paying members during the Kiwanis administrative year, which runs from October 1 through September 30. Gifts of Today from clubs, individuals and other entities to the Kiwanis Children's Fund will be counted in determining per-member giving. The per-member giving level for clubs is based on the September 30 membership certified by Kiwanis International.

Clubs can reach one of these per-member giving levels by making an unrestricted gift to the Children’s Fund. Whether it’s club gifts or individual gifts, any Gift of Today will be counted toward your club’s per-member giving average.

These club recognitions are awarded annually at the end of the Kiwanis year. Eligible clubs will be determined by the Kiwanis Children’s Fund. There are four recognition levels: Blue, Silver, Gold and Diamond. To achieve one of these four levels, clubs must reach the following per-member giving average:

- Blue, US$10
- Silver, US$25
- Gold, US$50
- Diamond, US$100

The Kiwanis Club of Nampa welcomed as guest speaker, District 12 Representative Rick Youngblood. Representative Youngblood discussed his background in private business as well as his career in banking. He explained how his experience as a Highway District Commissioner helped with his transition to a State Representative. The Representative gave the group information with regard to how Bills are introduced and the relationship of committees, Senate, and the House, and the process to becoming law. He provided numbers related to the volume of items, on both sides, that are worked on during the course of the term. Between the House and Senate, a total of 588 bills were considered in only 91 days, which was actually the third longest session of record. Being a native Idahoan has served Representative Youngblood well as he deals with items of transportation, appropriations, and serving as Vice-Chair of the Joint Finance & Appropriations Committee (JFAC).

There is no other way to give to so many areas—to touch the lives of so many children and communities—and in so many different ways than by giving a Gift of Today. Gifts of Today come to the Kiwanis Children’s Fund from individuals, clubs and other entities. These gifts are the backbone of our organization. Through consistent yearly gifts, one person, one club and one contribution at a time, Kiwanians extend their impact to the children of the world.

On Thursday, 4/18, the Kiwanis Club of Nampa was happy to have Jerry Fergusson, owner of Crescent Brewery in Nampa, as guest speaker. Jerry discussed the history of the Crescent Brewery, which takes its name from one of the founding businesses in Nampa. The original Crescent Brewery was built in 1906, opening in 1907. The brewery, and its flagship product Overland Beer, did well until Prohibition. During Prohibition the Crescent Brewery switched to “near beer” products and sarsaparilla to survive. The brewery went back to brewing after the end of Prohibition, in 1933, until closing in 1950. The original brewery building was torn down in 1966. Today, the Crescent Brewery is in a facility located underneath the 16th Ave overpass and has been operating for 10 years. Jerry now boasts 17 beers, which has something for everybody. There is a tap room, outside patio, a kitchen is in the works, and tours are available. There is often live entertainment with everything from bands to comedians…and don’t forget the free popcorn. Jerry is proud to be a family run business, supporting downtown Nampa and he sources as many of his supplies and ingredients as possible locally.

The Kiwanis Club of Nampa sponsored its annual Mayor’s Community Prayer Breakfast today. Ron Price - Founder, President & CEO; Price Associates, served as the Keynote Speaker. Mayor Debbie Kling provided introductions, acknowledgements and greetings to the approximately 150 in attendance. Special music was provided by the RAD Choir, directed by Bette Moore. There were 8 different Pastors or church representatives that offered prayers and blessings. The closing benediction was given by City Councilman and Rev. Rick Hogaboam.

The Kiwanis would also like to recognize the Nampa City Police and Fire Honor Guard for providing the presentation of colors. The Kiwanis Club of Nampa is a service group committed to serving and benefiting our local youth and community.

The Club meets every Thursday for lunch at the Ferdinand Suite, NNU Sports Center. Like minded community members are welcome to join. The Kiwanis Club of Nampa welcomed as guest speaker Peter Crabb, Ph.D., NNU Professor of Finance and Economics. Mr. Crabb discussed a number of issues, including the $22T national debt. He explained the composition of the debt, how inflation can impact it, and even the concept of whether this amount is of consequence or not. He also took questions from the membership and covered items such as Social Security funding and solvency. Also discussed was the US dollar and its role nationally, relative to debt instruments, as well as how dominate the dollar is internationally.

Kiwanis Loyalty Society

Starting October 1, 2013, when an individual, club, corporation, couple, foundation or any other entity makes a gift of any amount and to any area of the Kiwanis Children's Fund two years in a row, they will be recognized for their generosity and become a member of the Loyalty Society.

Consecutive years of giving are counted by administrative year (October 1 to September 30). To maintain membership and reach new recognition levels, donors must make a gift every administrative year without interruption. Unpaid pledges are not included.

Benefits begin when a donor makes a gift for five (5) consecutive years. The benefits vary as donors reach new and important levels in their commitment to the Kiwanis Children's Fund. Gifts received prior to October 1, 2013 receive all their necessary recognition and are appreciated, but unfortunately, they do not fit the guidelines of the program.

There are three levels in the Kiwanis Loyalty Society:

- **Blue, 5–9 years of consecutive giving**
- **Silver, 10–24 years of consecutive giving**
- **Gold, 25 or more years of consecutive giving**

The potential benefits for each level are the following:

- Membership recognition certificate
- Semi-annual society communication
- Annual gift of appreciation
- Website recognition
- Children's Fund events and recognition
- Annual report recognition

Kiwanis CHILDREN'S FUND
Therald C Beckstrand, 88, passed away Saturday, June 8, 2019 in Orem, Utah. Therald was born at home in Meadow, Utah on February 26, 1931 to Joseph Clifton and Laura Swallow Beckstrand. He attended elementary school in Meadow and secondary school at Millard High School in Fillmore, Utah.

After graduating high school one year early, Therald attended BYU for two years, prior to serving a church mission in Hawaii. Following his mission, he married Joan Hardman in the Salt Lake Temple on January 28, 1953. One week after their wedding, Therald reported for duty in the Air Force, where he served in ground radio communications in the Korean Conflict.

Therald earned a B.A. and M.A. degree from BYU. He taught in the Church Education System for 33 years. Following Joan’s death in 1997, Ther ald married Verla Sneddon on June 27, 1998.

Therald loved his Heavenly Father and Savior. He faithfully served in many church callings, including the Bishopric, Stake High Counsel, and Branch Presidency. He also served a mission with his wife, Verla, in Kentucky.

Nothing held more importance to Therald than his testimony and his family. In his final weeks, his singular expressions were of love and gratitude for his family, friends, and Heavenly Father.

Therald is survived by his wife, Verla, sons, Kennan T., Mark Todd (Shelley), Neal Jay (Kristi), and daughter, Pam Beckstrand; eight grandchildren, and six great-grandchildren; Verla’s children: Paula (Jerry) Allred, Lori (Dennis) Stinger, Scott (Patty) Sneddon, Chad (Tamara) Sneddon, Russell (Daresa) Sneddon, 17 grandchildren, 43 great-grandchildren, and one great-great-grandchild. Therald was preceded in death by his parents, four sisters, his wife, Joan, and their son, James Clifton (Jay).

Condolences may be expressed, and a full obituary viewed at SundbergOlpinMortuary.com.

THE PRESIDENT’S CHALLENGE

The President’s Challenge is issued each year by the Kiwanis Children’s Fund president. It challenges district governors, district secretaries, lieutenant governors and the Children’s Fund district chairs to promote and support the Children’s Fund within each club, division and district.

To meet the President’s Challenge during their term, district governors, secretaries and chairs must help their district meet the following criteria. Lieutenant governors must meet the same criteria within their division.

- 50 percent club participation. At least 50 percent of the clubs in the district (or division for lieutenant governors) must make an unrestricted gift to the Children’s Fund.
- A 10 percent increase in giving. Total unrestricted club giving must increase by 10 percent within the district (or division for lieutenant governors). This is based on an average of the previous three administrative years.
- Minimum total giving. For district governors, secretaries and chairs, the district’s total unrestricted club giving must reach a minimum of US$2,000. For lieutenant governors, the division’s total unrestricted club giving must reach a minimum of US$750.

Each year, those who meet the challenge are recognized with a personal gift of appreciation from the Kiwanis Children’s Fund president.

The President’s Challenge does not include planned gifts, gifts to The Eliminate Project, gifts to the disaster relief fund or any other restricted gifts.

If you have a question about the President’s Challenge, contact us at childrensfund@kiwanis.org or 1-800-KIWANIS, ext. 254 (U.S. and Canada) or +1-317-217-6254 (worldwide).

ANNUAL CLUB GIFT CAMPAIGN

Extend your club's impact with a Kiwanis tradition. Each year, the Kiwanis Children’s Fund conducts its Annual Club Gift campaign from October 1 through September 30. Your club's support helps the Kiwanis family serve more children in communities around the world through grants, extending your impact on children's lives.

Your club’s participation in this campaign enables the Children's Fund to provide grants that serve disaster-relief efforts, Service Leadership Programs, The Eliminate Project, club and district service projects, and the sustained elimination of Iodine Deficiency Disorders.

Make your club's gift before January 31 and help Kiwanians reach more children. Your early gift will help the Children's Fund plan and budget for the year, contain fundraising costs and dedicate more time to helping clubs with fundraising, non-profit management and grant applications.

Make your gift

Use our convenient, secure online form to make your Annual Club Gift or download our gift/pledge form and mail your club's gift to: Kiwanis Children's Fund
