ANNUAL ROSTER ISSUE – DO NOT TOSs

ACTION NOT WORDS

Steven Westphal, 2019 – 2020 Utah – Idaho Kiwanis District Governor

My name is Steven Westphal. I was invited to join the Twin Falls Kiwanis Club in 1994 and I have never looked back. I have enjoyed being a part of Kiwanis and I have held many positions over the years. I have been on the Board of Directors several times over the years. I was the President in 2014/2015, Lt Governor 2015/2017, and District Partnership Coordinator 2017 thru 2019. I was awarded the Kiwanian of the Year from our club in 1998. I have been involved in almost all of the community projects with our club thru the years. I have over 20 years of perfect attendance. I have been a board member of the Twin Falls Kiwanis Foundation since it was started over 20 years ago and I’m currently serving as the President. About 5 years ago my very good friend and fellow Kiwanian the late Marvin Chamberlain told me that I would be the governor someday and I said why would I want to do that and he just said in his Marvin way (because I know these things), well Marvin was right and I know that his spirit is here with us.

Thank You Barbara for doing a great job representing Kiwanis as our Governor. You have set a good example for me. Thank You International Vice President Art. For joining us and representing KL. Thank You, Brian [Tenc linger] for being with us and the great training at the District Convention. Thank you all for coming & believing in the vision of Kiwanis to serve the children of the world.

Some of you know that I have been dealing with some medical issues and that I speak differently so here is an update:

This has been the most challenging year of my life. A year ago, August 22, 2018 I was diagnosed with stage 4 cancer. A Squamish cell carcinoma under my tongue. 20 days later I was in the Huntsman Cancer Center here in S.L.C. undergoing a 13-hour surgery to remove my lower jaw and most of my tongue along with 58 lymph nodes. A piece of bone and tissue was removed from my left leg and used to rebuild my jaw. 35 days later by the grace of God, some of the best doctor’s in the country, the care and support of the love of my life, my beautiful wife Cynthia (AKA Never Give Up). My family, friends and a lot of prayers we headed home to heal until I was strong enough for 6 weeks of radiation treatments.

On March 12th of this year after another round of CT scans and more tests I was found to be cancer free. I still have a long way to go but I’m feeling better every day. I hope to have then feeding tube removed soon. I’m still learning how to speak again, that will never be the same, but I am making progress.

I am honored that you have elected me to serve as Governor and I intend to serve with the same kind of determination and positive attitude that I have had in this battle with cancer. I have some ideas and goals that will encourage us to keep moving forward with the Kiwanis Motto of Serving the Children of the World and having fun while we are doing it.

In the words of Kiwanis International President Elect, Daniel Vigneron RES-NON VERBA. Action not Words.

Thank You

Editor’s Note

There were several reasons why the publications for the 2018 – 2019 Kiwanis Year, were delayed in development and release. The decision was made to go with 5 issues for the 2018 – 2019 issue. Skipping the 6th issue (named the August / September issue) has allowed us to get the publications coming as has been the custom for many years.

**THE KIWANIS MISSION**

Kiwanis empowers communities to improve the world by making lasting differences in the lives of children.

**THE KIWANIS VISION**

Kiwanis will be a positive influence in communities worldwide – so that one day, all children will wake up in communities that believe in them, nurture them and provide the support they need to thrive.

**THE OBJECTS OF KIWANIS**

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

Object 1 - To give primacy to the human and spiritual rather than to the material values of life.

Object 2 - To encourage the daily living of the Golden Rule in all human relationships.

Object 3 - To promote the adoption and the application of higher social, business, and professional standards.

Object 4 - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

Object 5 - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

Object 6 - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

**KIDS NEED KIWANIS**

Kids are curious, lovable and hilarious. They are also wild, impatient and vulnerable. Kiwanis is looking out for kids in every corner of the globe with more than 550,000 volunteers who serve their communities through local clubs.

“Through Kiwanis I have the opportunity to be a part of the big picture, positively affecting many lives in small ways.”
- JOANNE F. KIWANIS CLUB OF LONG ISLAND, NEW YORK, USA
We will be going to a slightly different format where everything is held on one day.
More details in the fall.

IN APPRECIATION
AND LOOKING AHEAD ....

My fellow Kiwanians,

It is an honor and privilege for me to be able to put an article in this edition of the U & I Kiwanian.

I want to thank a few folks that make this thing happen. Gordon Lewis and Janet Flinders in particular, who spend countless hours getting this great little paper put together for every publication. They work with our clubs, publicists, the printer and finally, our loyal advertisers. I can’t say THANK YOU enough, to you great advertisers. Please find these folks in your local community. Thank and support them, for supporting us.

I love the U & I Kiwanian for several reasons. Here are just a few: It is a great shopping guide, A vital source of information our District, an awesome place to give and receive information about your club and its activities. We are only part of a handful of Districts, that have anything like this U & I Kiwanian. I have been asked on occasion, that in this day and age of high-speed internet, why we don't just put it on a website and call it good. My answer is and always will be, That I personally like the feel and read, of a paper. Yes, it is kind of “old school” but I, like I think many of you, still like to read a few things, that maybe aren’t on the internet.

For the last few years, I have had the opportunity to serve on the board of our District Foundation and the past two years as the Chair. Many of you may or may not know the role our District Foundation plays. The District Foundation provides funds for our Key Club and Circle K Clubs throughout the District. These funds allow them to hold and attend their own District and International Conventions. We also provide scholarships to eligible applicants. This past March, at the Key Club District Convention, we awarded Seven, One Thousand Dollar Scholarships, to Seven incredible Young Men and Women involved in their local Key Clubs. What a treat it was for me, to read these young folk’s applications and help determine recipients. For those of you who contribute to the District Foundation, Thank you! For those of you who don’t, Shame on you. We ask each member to donate $10.00 annually. That is the equivalent, of a box of donuts. Now $10.00 may not seem like a lot but it sure can go a long way. The bigger the Foundation grows, the more young leaders, we can help create.

As I assume the role of Governor-Elect, I have been given a laundry list of things I need to start working on NOW. As I ponder this list, the greatest, is to start preparations, for the Kiwanis International Convention, to be held June 23rd through June 26th of 2021, in Salt Lake City. Please mark your calendars now. Our District is expected to provide over two hundred volunteers that will be asked to do a myriad of things from acting as greeters at the airport to serving as ushers on the Convention floor. Please, Please, Please, start thinking about this now, and what you would be willing to do, to help.
IN APPRECIATION AND LOOKING AHEAD .... (Continued)

If you have never attended an International Convention, you have no idea of what you have missed. They are simply amazing. International Conventions provide opportunities to meet fellow Kiwanians from around the world. The training workshops are incredible. Just the ability to visit with folks from other clubs and compare notes is a truly gratifying experience.

As I conclude, I want to personally thank Governor Barb Mullins for the past year of leadership she has provided. She is an incredible lady and has worked very hard to continue the great traditions, this great District has. I am excited to work with our incoming Governor, Mr. Steven Westphal and his new board of directors.

Finally, thanks to all of you for being Kiwanians and not just a member of your local Kiwanis Club. Best to all of you as we start this new Kiwanis year.

Utah - Idaho Kiwanis District 2019 – 2020 Governor-Elect

I’D LIKE TO INTRODUCE MYSELF

Mark McBride, Utah – Idaho Kiwanis District 2019 – 2020 Vice-Governor

As the newly elected Utah Idaho District Vice-Governor I’d like to introduce myself. I joined the Idaho Falls Kiwanis Club in 2006 having the desire to continue serving and making an impact in the future of the children of our community. All of my adult life I have worked with children in many capacities as a parent-coach, juvenile division detective, school resource officer. I served in the Idaho Falls Police Department for 38 years; the last five as Chief of Police. As a supervisor on the police department I had the opportunity to implement, participate, and supervisor the DARE program, and many other youth programs.

My leadership experience covered a broad range of responsibilities in the United States Air Force, and Idaho Falls Police Department. I graduated from Idaho State University, FBI National Academy and Northwestern University School of Police Staff and Command. As Chief of Police I was responsible for a $14 million annual budget and 140 employees as well as answered to the Mayor, Council, and 60,000 citizens plus visitors. Having recently retired I continue juggling volunteer time among church, family, community, and Kiwanis.

I have been married to a very special Idaho Girl for 46 years; have seven children, and 31 grandchildren.

As Vice Governor I pledge to continue to serve the children of my community and the Utah Idaho District.

THANKS FOR THE OPPORTUNITY …

Barb Mullins, 2019 – 2020 Immediate Past Governor

I want to thank-you for letting me be your Governor for the 2018 – 2019 Kiwanis year. It was a wonderful and learning experience for me. What a pleasure to meet so many folks in our District who want to help Children.

Everyone of your clubs have been able to reach out in many ways to serve. Our District is diverse and that’s what makes us so great.

Just imagine the number of Children who have been served these last 100 years. The Utah – Idaho District has a lot to be proud of.

Remember, don’t be afraid of change. It can do a club and community good. Envision the future filled with great service and many children with big smiles on their faces. Remember, YOU help put the smiles there.

Keep up the good work and remember to enjoy every moment while you serve the Children of the World.

CREATING AN EVENTS CALENDAR

Your club meetings, service activities and networking events are your best source for engagement with members.

Develop an events calendar that lives on your website. They key is to keep it updated regularly. You want your members to know they can easily find all the details to stay engaged with your club. You can also include a list of upcoming events in your club communications (an email newsletter, for example). This calendar can serve as a source of social media content as well.
EAGLE CLUB ORGANIZATIONAL MEETING

The Eagle Club had their organizational meeting with Larry helping set up their bylaws and getting Officers elected. Pete Dover, President, Jason Pierce, VP, David Sullivan, Treasurer and Leslie Yoest as Secretary. This is a picture of their charter members. Congratulations are certainly in order. Kids need Kiwanis and they're off to a great start in Eagle.

LEARN ABOUT THIRST
by Brittanie Snelders
Key Club District Bulletin Editor

This year our District has teamed up with The Thirst Project to help end the water crisis. Thirst is a nonprofit organization who works with students and schools. They believe that students have the most power to make a social change. They work to empower young people and strive to give them the confidence and resources to change the world. They believe that if we work and team together, then we will be the generation to end the water crisis.

Ending the water crisis will do more than quench thirst. Providing clean water can drop disease and child mortality rates by nearly 90%. Clean water will also help us prevent AIDS and HIV. It is truly amazing just how many problems clean water can solve. Therefore we, as a Key Club District Board, have made Thirst our focus for this year. We have made it our goal to raise $12,000 for thirst. This is the cost of one well, and the cost to bring one community clean safe water for life.

THIRSTY THIRTY
Help us reach our goal of $12,000

In order to reach our district goal, we need participation from all of the K-Family Clubs across Utah-Idaho. But how does your Kiwanis club get involved? THIRSTY THIRTY!

Thirsty Thirty is an easy to follow fundraising strategy that gets everyone involved and spreads the load.

Step 1: In the early part of October, count the number of members in your Kiwanis Club and get an equal number of envelopes.

Step 2: Number your envelopes. For example, if your club has 20 members, number each envelope from 1 until 20.

Step 3: Have each of your members randomly select an envelope. They then have the month of October to raise/donate the amount shown on their envelope.

Step 4: Celebrate your club’s contribution toward providing an entire community with a sustainable source of water and send your raised funds to the Utah-Idaho District. Be sure to include your club's name.

Important Information:
- Calculate your fundraising goal and track your progress.
- Make it a competition. See who can raise/donate the most money and see who can beat the number on their envelope by the greatest dollar amount.
- Make checks payable to Utah-Idaho District Kiwanis Foundation.
- Mail cash or check to:

Meeting: 2nd Thu, 12:15pm @ Joseph Smith Memorial Bldg Mezzanine Floor, 15 East South Temple, SLC and 4th Thurs is a Service Project Website: http://www.slcikiwanis.org/

Kiwanis International enables its youth and adult leaders to serve their communities through its Service Leadership Programs.

SERVICE PROJECTS
Service is at the heart of every Kiwanis club, no matter where in the world it’s located. Each year, Kiwanis members stage nearly 150,000 service projects, devote more than 18.5 million hours of service and raise nearly US$100 million for communities, families and projects.

KIWANIS PARTNERS
To assist our club members, we have partnered with select organizations that can provide products or services at a free or reduced rate to maximize a club’s impact.

CREATE A CLUB VISION STATEMENT
Create a vision statement for your club and identify common goals for the service you pursue. A club’s vision statement reveals where it wants to be in the future, how it will be regarded, and what impact will it have on the community.

MEMBER OUTREACH
Learn more about how to engage potential new members — and how to keep current members feeling motivated and valued.

HOW CAN YOU IMPACT LITERACY?

Did you know that one in six children who do not read proficiently in third grade do not graduate from high school on time?

Scholastic has broadened its scope to offer Read & Lead, a grade level book kit. This kit allows kids to explore specific themes – including the environment, bullying prevention, hunger, literacy and influential people – and complete service projects based on those topics. Read & Lead kits start at US$55 and include a curated selection of books, plus ancillary materials to help kids create appropriate service projects.

Scholastic also provides a unique opportunity to create a Reading Oasis, a safe, comfortable place for kids to read books. A Reading Oasis includes books, bookshelves, a reading-themed rug and additional products to support reading. Scholastic also partners with Kiwanis to offer book ordering and reading certificates for book fairs and warehouse sales.

Check out Scholastic to continue making an impact with literacy in your community. Thank you for all you do for Kiwanis, your community and the children we serve.

Sincerely,
Elizabeth Warren
Corporate relations manager

KIWANIS MOURNS PASSING OF 1984-85 PRESIDENT

Raymond W. Lansford, Kiwanis International’s 1984-85 president, passed away September 9. He was 98.

As president, Lansford adopted the theme “Build Better Lives” and promoted a program called “Uplift Underprivileged Children.”

“Every underprivileged child deserves the opportunity to explore the world, find his own place in it and fully experience all that life has to offer,” he once wrote.

A professor of finance at the University of Missouri, he joined the Columbia, Missouri, Kiwanis Club in October 1959. He climbed the leadership ladder from club president to lieutenant governor to 1974-75 governor of the Missouri-Arkansas District. He was elected to the Kiwanis International Board of Trustees in 1977 and served as a Kiwanis Children’s Fund trustee (then Kiwanis International Foundation) from 1982 to 1984.

“We are grateful for the leadership Ray gave us as Kiwanis International president and within his district,” said Stan Soderstrom, executive director of Kiwanis International. “It’s leaders like Raymond who have made our organization strong and vibrant and encouraged us to always return our focus to children.”

His wife, Beuna, passed away in 2012.

Memorials may be sent to the Raymond and Beuna Lansford Scholarship Fund at the University of Missouri or the Columbia Area Older Adult Ministry. Both may be sent in care of the Memorial Funeral Home, 1217 Business Loop 70 W., Columbia MO 65202.

Cards and letters may be sent to his nephew: John Krieg, P.O. Box 7399, Breckenridge, CO 80424 and Kiwanian and close family friend: Rev. Sally Robinson, 3402 Wakefield Drive, Columbia, MO 65203

IDAHO FALLS CLUB / BONNEVILLE HIGH SCHOOL KEY CLUB AND THE CADY TUCKER RUN

On 20 July 2019, Idaho Falls Kiwanis and Bonneville HS Key club members helped set up and staff water stations for the 8th annual Cady Tucker Run (https://cadyrun.org/) in the Spirit at Freeman Park. Proceeds from this fundraiser go to purchasing AED’s for local school districts.

The Kiwanis club of Nampa welcomed as guest speaker John Vander Woude, Idaho State Representative since 2012, representing District 22. Mr. Vander Woude had also served as Representative for District 21 between 2006 and 2008. He spoke about the 2019 session that ended sine die. How certain Bills were heard, or not taken up, was explained. He also discussed the rules changes that was allowed to expire and how that can have positive and negative consequences – which won’t be addressed until next year. He took questions from the group and addressed an array of topics related to this year’s legislative session.
The Kiwanis Club of Nampa welcomed Brandy Furiani, Development Coordinator for the Pacific Northwest Adult & Teen Challenge. Housed in the former Syringa House in Nampa, this is a faith-based, residential discipleship program with the purpose to restore hope to those who suffer from addiction as well as other serious, life-controlling issues. Ms. Furiani explained at this location they deal with adolescent girls 13-18 years of age. They can support 48 girls in this facility. This is a direct care facility with a Counselor on site. It is tuition based as it does not receive Federal/State tax dollars. They do accept donations and community support. She explained they teach life skills to the girls and also institute a Mentoring/Big Sister approach. After the initial 4 months in the program the parents are able to personally engage and are required to take classes as well. They are free-will participants and not under a secured operation. That being said, there are some that do not complete the program for different reasons – however, they have a 80% success rate.

The Kiwanis Club of Nampa was happy to have Bryan Taylor, Canyon County Prosecuting Attorney, as guest speaker. Mr. Taylor discussed the cases he is seeing that are related to illegal drugs and explained the drug problems we have in our area and state. He discussed marijuana use, how extracts are used, as well as short-term and long-term negative effects. He also explained the relationship between prescription opioids and Heroin abuse. He provided facts about what Heroin is, how people use it, and its health effects. Also discussed was the uptick in deaths coinciding with Americans’ increasing use of drugs like illicit fentanyl. Fentanyl is a pain reliever that is 100 times as strong as morphine and 30 to 50 times more powerful than heroin.

The Kiwanis Club of Nampa had Dr. Kristyn Schelhaas speak to the group last week. Dr. Schelhaas is a Family Medicine Physician and with Primary Health Medical Group. Her discussion related to mental health and issues around that topic. About 1 in 5 adults has a mental illness in any given year. She explained that as estimated 50% of all Americans are diagnosed with a mental illness or disorder at some point in their lifetime. Mental illnesses, such as depression, are the third most common cause of hospitalization in the US for those aged 18-44 years old. Also adults living with serious mental illness die on average 25 years earlier than others. Dr. Schelhaas also explained the impact on preteens/teens/young adults. 50% of all lifetime cases of mental illness start by 14 years of age and 75% by 24. She also gave an array of types of mental illnesses along with risk factors. Also discussed were treatment types of mental illness from therapy/counseling to case management to self help plans.
Mari Ramos, Family Community Resource & Engagement Coordinator for the Nampa School, spoke during the Kiwanis lunch meeting today. She has been with the NSD for 10 years and a Coordinator for 2 years. She discussed the need that exists in our community, especially related to children, and the resources she provides. The initial Family Community Resource center was located at the Snake River elementary school, and now there are five centers total. These centers provide a safe, welcoming place where students and families can come for help. The FCRE’s provide food, clothes, and supplies that the child or family may otherwise not be able to afford. Ms. Ramos discussed some of the partnerships and outreach she has developed. The items these centers provide is largely donated and community support is always welcome.

The Kiwanis Club of Nampa was happy to welcome as guest speaker Luis Granados, Executive Director of Breaking Chain Academy of Development. Mr. Granados described the activity of Breaking Chains. We provide youth with alternatives to the public-school education system. Our mission is to allow youth to study & prepare at their own pace and succeed in requirements. The Academy also provides job skills learning and opportunities for on-the-job skills training. We also educate our youth on the importance of education, dangers of addictions, gangs, etc. We are a non-profit corporation and operate from grants and the support of a generous community. The cost of all 4 GED/HSE exams is $120. As all of the students, now approximately 20, are at-risk and low-income, the community support from individuals and groups is very important to the success of this ongoing program. Students often return to the Academy as mentors for other students.

Breaking Chains Academy is located at 1703 3rd St N., Nampa, ID, 83687, and can be contacted at (208) 250-7959.

Lot’s going on here. The Kiwanis Club of Nampa was happy to have representatives of the Traveling Food Table speak at the Thursday general membership lunch meeting. There are stats included and this related to a story Erin did on March 4, 2019. I don’t want to recreate all of that, and Ana included a lot of good information below.

The Kiwanis Club of Nampa donated $500 each to the Traveling Food Table and the NSD Family Community Resource program.

Fire Captain Jeff Mutchie spoke to the Kiwanis Club of Nampa membership today. Cpt. Mutchie is a career firefighter of 25 years, currently a Captain on C Shift at Station 5 in Nampa. He is also an elite endurance athlete on the Suunto Multisport Team. He described the “why” of what he does as an athlete is a number of reasons. Mutchie cited mental health, goal setting, Challenges: Physical and Mental, the Process, and relationships. As a firefighter he gave some insights into the mental health issues first responders face. He noted first responders have repeated exposure to other peoples worst day. He also explained that more firefighters die by suicide than in the line of duty. The State of Idaho passed a PTSD bill this past session to provide additional support for mental health for first responders. Given the impact of PTSD, finding a healthy outlet is important. Jeff is a Triathlete, which involves a 2.4 mile swim, 112 mile bike ride, and 26.2 (marathon) mile run – 140.6 total miles. He has qualified for the Ironman World Championships #2, October 12th, 2019, in Kailua-Kona, Hawaii. Jeff is married to wife Jean, 21 years, and has a “wonderful” 12 year old daughter.

Councilman Rick Hogaboam was the guest speaker at today’s Kiwanis lunch meeting. The councilman discussed the newly approved Nampa City budget, of approximately $190MM. He also spoke to the components that make up the budget and explained only about 25% of the revenue is from property taxes. Also discussed was amount received from the State of Idaho as Shared Revenue, along with Enterprise Funds and fees. The councilman also touched on some larger state issues and described that though Idaho is somewhere in the 30-35th range in state population, we rank at 19th in infrastructure area/needs. There was discussion related to alternate funding sources such as local option taxes and their uses, as well as what an Auditorium District might provide.

The Kiwanis Club of Nampa welcomed Officer Stu Hobson, Nampa Police Department, as their guest speaker. Officer Hobson has been with the NPD for 21 years, with 19 years being served as a School Resource Officer (SRO). He is currently assigned as the SRO at Ridgevue High School and Birch Elementary School. He is also the NPD Honor Guard Coordinator and Treasurer of the Idaho Peace Officers’ Memorial. As SRO, he said the programs reflect a communities desire for schools to be safe, secure and orderly. The SRO’s represent a proactive strategy designed to bring prevention and intervention into the schools. Officer Hobson explained the SRO role is multifaceted. They provide counseling and teaching to students, staff and community – but aren’t licensed counselors. However, the scope includes a multitude of topics such as laws, juvenile court, bullying, harassment, problem solving, safety and drugs/alcohol. He also stated a main goal is to establish positive relationships and serve as a positive role model.
The Meridian Club provided a total of 150 backpacks (20 were for Eagle schools) filled with school supplies. It’s an awesome project and they work hard at it.
