MONTHLY REPORTS CAN NOW BE FILLED OUT ONLINE

By Janet S. Flinders, District Secretary

This announcement was made previous to the Mid-Year Conference and was reinforced at the Club Secretary's Training on Friday, Feb 16th. During that time I was ill and continued to be ailing for 3 weeks. I just started feeling better when my husband Skip had some cancer removed just below his right eye. We were blessed that the cancer didn't get into the tear duct nor into his eye. He is recovering and healing and will have another appt on March 30th at the Salt Lake City Veterans Administration.

After this issue is "put to bed", I will be contacting those club secretaries who I have an e-mail address for. If your e-mail address was NOT included in the District Roster printed in the Oct/Nov 2006 issue of the U&I Kiwanian, please contact me for instructions on how to go online to complete your Monthly Reports.

This process will have to begin with your October 2006 report and continue on each month until current. If you are willing to do this, you will NOT have to fill out the Annual Report at the end of the year. It will be compiled for you and the distinguished points will be already counted. Also, you will not have to send a copy to me, because I have total access to the information you put in.

Please remember to add information in the dialog boxes that would normally be on the addendum. The addendum is now defunct and will not be used to add anymore points to clubs that mail in their reports.

For Club Secretaries who do not have their own e-mail address, please talk to a friend or relative who could help you each month to get this information online. It will save you lots of time in the future. A grandchild would be an excellent resource for those of us who didn't grow up with computers and internet service.

The new Bulletin Editor, Gordon Lewis from the Bonneville Kiwanis Club, will need a copy of your club's monthly/weekly newsletters. I will also need to continue to receive them. The following is how to contact Janet Flinders and Gordon Lewis:

THE LITTLE THINGS YOU DO MAKE A BIG DIFFERENCE

By Governor Jim Terry

We just completed our Mid-Year Conference and I wanted to thank all those who attended and especially all those who took part in providing workshops. I hope it was a great leaning opportunity and a great way to meet new friends and see other Kiwanians we have associated with in the past. I enjoyed meeting you all and hope that you are planning to be with us in Idaho Falls August 17-19 with our special guest, Nelson Tucker Kiwanis International President. For those who were there I hope it is alright to repeat myself in a story I told at Mid-Year.

During the Christmas Season there is a movie that has become a Christmas Classic. It's called "It's a Wonderful Life" with James Stewart as George Bailey and Donna Reed as his wife. There is a scene in the movie where George has just jumped off the bridge and Clarence "the 2nd class angel" who's trying to obtain his wings jumps in the river and saves George Bailey. They end up in the bridge keeper's shack and they are trying to get warm. George says to Clarence "I wish I had never been born." Then Clarence gets this idea and George Bailey world changes where he finds out he never had been born and no one knows him in Bedford Falls.

I thought, what would our individual communities be like if Kiwanis never existed, what would the world be like it Kiwanis never existed.

There would be no "Reading Around the World" or any reading projects, no books given to libraries, schools or to children. No "Babycare Cupboard", no food or clothing for infants in local shelters. No Kiwanis sponsored Easter Egg Hunts, no Kiwanis Scholarships, no Kiwanis reading nights for fathers and sons. No K-Kids, Builders Clubs, Key Clubs, Circle K and 200,000 children would have nothing to do. No "Dignity Kits" for abused children who are leaving the hospital, no diapers and supplies sent to orphanages in Mexico, no "Hope Tree Project", no comfort kits for children, No city wide clean up, no goodie boxes for needy families.

No IDD project. 90 Million children annually would be born at risk for iodine deficiency. Over 100 Million dollars would not have been raised in the behalf of children.

I think you get the picture. If we weren't there, our communities and the world would be a different place, but just as George Bailey learned, the little things he did for others made a big difference in the lives of many and so, the little things that our clubs do make a big difference. So when you think that you're not making a difference, when you think why am I taking time out of my busy day to go to Kiwanis or to go to a service project or help out at a funding raising project. Just remember George Bailey.

READING AT RISK

By First Lady Jackie Terry

A few years ago, the National Endowment for the Arts released a report entitled "Reading at Risk". The headline stated: "For the first time in modern history, less than half of the adult population now reads literature." The decline is across all races, all education levels, and all age groups. While this may come as a surprise, the decline is the most pronounced in the college age group. In just 20 years, young adults have declined from being those most likely to read literature to those least likely. The report went on to show that the decline in literary reading strongly correlates to a decline in cultural and civic participation. Literary readers are more than twice as likely as non-literary readers to perform volunteer and charity work…

The report concludes on a rather somber note: "At the current rate of loss, literary reading as a leisure activity will virtually disappear in half a century. [What a terrible thought!] This decline will not be reversed by any one solution. In fact, it will require a number of innovative ones from a number of different groups." I am grateful Kiwanis is one of those groups who is concerned about reading and wants a better future for our children. I strongly believe we are shaped and influenced by the books we read. They actually prepare us to face real crises that we encounter in life.

I want to thank all of you who came to the Mid-Year Conference in Salt Lake City, in February. Because of your participation, I felt it was a success. I especially appreciate those who came to the Reading Workshop. It was good to share ideas and information.

Keep up the great work you are doing with reading programs in your clubs!

- CLUB LEADERSHIP EDUCATION workshops are specifically designed for INCOMING CLUB PRESIDENTS and SECRETARIES; (Those taking office October, 2007), but ANY officer and even any club member may attend. Reservations do need to be made with your Lt Governor.
- These workshops are where the CLUB INFORMATION PACKET FOR 2007-2008 WILL BE ISSUED!
- All workshops will serve as make-ups for any workshops not occurring on that same date, for clubs finding themselves in conflict with the scheduled date for their area. Your Lt. Governor needs to be notified of your circumstances and plans, so that proper arrangements at each location can be made.
- All workshops will begin at 8:30 AM and conclude around 4:00 PM. There will be no-host lunches arranged. Cost will be $ 6-$10.
- Please contact your Lt. Governor by April 13 with YOUR plans, so that we can complete ours! Thank you!

KIWANIS INT'L FOUNDATION ANNUAL CLUB GIFT CAMPAIGN

By Chuck Baker, Int'l Foundation District Chair

Greetings fellow Kiwanians, I am proud of our efforts in donating to the Annual Club Gift Campaign. We are in 7th place with $2.73 per capita. We need $5.00 per capita to make sure we get ten scholarships for the kids. Many clubs have not given, so a real push is needed.

We also have Skip-A-Meal coming, and we hope to increase Hixons to honor our leaders and increase Heritage Society membership by putting the Foundation in our wills.

Kiwanis is streamlining and embarking on a capital campaign (37 million!) to help us help others around the world. Remember the iodine project? Who could forget the impact we have had around the world. The future is very bright --there is much to do. I will bring updates from Kiwanis Int'l on our new projects, when I return from Indy next month. Yours in Kiwanis Service.

ATTENTION ALL KIWANIS CLUB MEMBERS!!

By Janet S. Flinders, District Secretary

Club Elections are coming up and need to be completed by the middle of May. Club Election Reports are due to Kiwanis International, 3636 Woodview Trace, Indianapolis, IN 46268-1168 and the District Office, c/o Janet S. Flinders, 515 Bringhurst Drive, Providence, UT 84332-9439 by June 1, 2007. This is really important!!! The new officers need to be trained (see the Club Leadership Education article for times and places of training throughout the District). If your club elected a Vice-President at your last election, that person will move up the chain of command to either President or President-elect. With one or two members in line for the Presidency, than only the Vice-President needs to be elected. This person will have one or two years to get the feel of the job. Don't you owe it to your club leadership to have them elected and trained no later than District Convention in August 2007. The most important person in club leadership is the Club President!! He can't do it alone, but he is the guiding light in the club. Let's give him enough time to become the great leader he needs to be.

KIWANIS NIGHT AT ENCHANTED SPRINGS RANCH
San Antonio, TX
4 DISTRICTS ARE JOINING FOR DINNER on 4 July 2007

Guests will depart at 5:30 p.m. on Wednesday, July 4th via air-conditioned coaches for a 30-40 minute ride to Enchanted Springs Ranch in the beautiful hill country of Boerne, Texas. Upon arrival we will be greeted by a variety of western entertainment including: gun slingers and stuntmen, trick ropers, cowboys on horseback and musicians. Listen to the lore of Native American Indians. Be sure to bring your camera. There will be a lot of great memories created in our evening at ***Enchanted Springs Ranch***. Take an individual or group photo with Woodrow, a live five-year-old Longhorn steer, using your own camera. Other ranches we visited require you to use their photographer. With the exception of a cash wine and beer bar, there is nothing extra to buy or pay for. We will return to our hotel by around 10:00 p.m.

Get on board tractor-drawn wagons for a beautiful 20 minute trip through 86 acres of rolling hills abounding with scores of wildlife from around the globe. The wagons will run continuously throughout the evening.

Candini, the town illusionist, will stop us in the street or in the Six Gun Saloon or Silver Spur Saloon to entertain us while we stroll around the town and enjoy a wonderful Chuck Wagon BBQ dinner of beef brisket, chicken, sausage, pinto beans, coleslaw, potato salad, bread, rolls, iron skillet corn bread, pickles, onions, jalapenos and peach cobbler. Ice tea and water will also be served.

As the evening continues, enjoy dancing and listening to live western music provided by the ***Drug Store Cowboys***. Show off your Texas two-step or best country line dance moves.

Best of all, you can dine in air-conditioned, air-cooled, or open air facilities. This is an evening of old west exploration and entertainment with authentic cattle drive food prepared in cast iron pots, but with some of the creature comforts needed to assure an enjoyable and comfortable experience. Go to www.enchantedspringsranch.com to view all of the outstanding fun that is in store for you. Once you've decided to join us, call Ralph Benson at 801-225-0446 to make sure a spot can be reserved, then mail a check to 293 North 1000 East, Orem, UT 84097-5004.

Early Bird Registration will be $50.00 for anyone (adult or youth) signed up for the dinner by April 14. Get your reservation early because the prices go up on April 15th. For tickets purchased between April 15 and June 15 the price will be $55.00. Don't expect tickets to be available after June 15, but if so, they will be $60.00.

PRE-CONVENTION TOUR NEEDS MORE PEOPLE!

By Ralph Benson, On-to Convention Chair

Charles Dickens in the beginning of his book, "The Tale of Two Cities", said:

"It was the Best of Times, It was the Worst of Times". (Or words to that effect).
That statement seems to characterized pretty well our situation concerning the activities associated with our International Convention in San Antonio. It is "The Best of Times", so far as the shootout at the Enchanted Springs Ranch is concerned. We have filled our quota of reservations there and are trying to get more space. I will have an announcement on whether or nor we can do so in the near future. I feel confident we will be able to accommodate more people at the "Ranch" activity.

Unfortunately, things are not quite so positive with the pre-convention tour. We need at least 10 more people to make this activity possible. We are still working hard to meet the minimum, but only have until about the 5th of April to make the "GO or STOP" decision.

Immediately after the 5th we will have to make cash deposits to the Air Lines and Hotels. Of course, once the money is paid, there is no getting it back, at least not all of it.
So, we will not risk anyone's money, if there are not enough participating to fill the tour, we will simply send everyone's check back to them. They can then make their personal arrangements to go to convention.

We are sending individual emails and making phone calls to everyone we can think of, but that will probably not get the 10 people we need. If you or anyone you know (Kiwanian or not) would like to join us in this great tour, please contact me immediately at 801-225-0446 or at rralphbenson@msn.com. I will call you back immediately with all the details.

It would be a shame to have to pull the plug on the tour if there are people out there who would like to go, but who have not had information reach them. I would like to make it clear that it is not necessary to go on to the convention in San Antonio in order to join the tour.

Of course, it would be nice to do both, but if your time only allows for the tour (June 26th to July 2nd) and not the convention (July 2nd to 7th), we can get you back to Salt Lake on the 2nd so you can be home for the 4th of July. Of course, what this accomplishes is being able to do the tour including those who cannot go to convention, whereas, without them, we would have to abort the tour. If it appears that I am making a "Last Gasp Appeal", I admit that is true.

Time is short, so the time to act is now.
Believe Me, I appreciate your help!!!

CONV. ELECTIONS, FORUMS SHAPE THE KIWANIS OF TOMORROW

By David B. Williams, Kiwanis Int'l Marketing & Communications Director

The Kiwanis International Convention in San Antonio, Texas, July 3-7, isn't just for leaders. But choosing and developing leadership plays an important role. The International Convention not only chooses leaders, it helps to create them.

First, club delegates will elect the leadership of Kiwanis International for the coming year. Every Kiwanis club in good standing is entitled to two voting delegates. Each club's voting delegates will be helping to set the direction and shape the programs of Kiwanis during 2007-08 and beyond. Delegates will elect the International President, President-Elect, Vice President, and three new International Trustees. The delegates' choices will determine who will lead the International Board during the next three years and which new faces with new ideas will join the Board to guide Kiwanis into the future.

All attending Kiwanians can participate in a wide range of forums designed to help improve their club and develop more effective club leadership. Topics among the 28 planned forums include "How to lead a fun club meeting," "Creating a 'Wow' Kiwanis club," "Marketing Kiwanis," and "How to kill a club."

There will also be special events for 2006-07 and 2007-08 club presidents and lieutenant governors. Anyone running or thinking about running for Governor-elect is encouraged to attend the seminar with Vice President Don Canaday.

This is all in addition to convention entertainment and speakers, plus all the attractions of San Antonio.

Go to www.kiwanis.org/convention/ for a convention registration form and more information about the 2007 Kiwanis International Convention.

Early registration ends April 14, the convention fee will then increase from $150 to $200 for Kiwanians and from $100 to $125 for guests.

GROWING CLUBS CAN EARN DUES REFUND

By David B. Williams, Kiwanis Int'l Marketing & Communications Director

If your club increases membership by 25 percent or more by September 30, you can receive a refund of the International dues paid by those new members.

At the 2006 International Convention, the delegates supported the goal of one million members by adopting the following amendment to International Bylaw Article XXII – Revenue, Section 4:

"If a club achieves a net growth greater than or equal to 25 percent at the end of a given Kiwanis year, the club shall be relieved of any obligation to pay International dues for any club member over and above the club membership of the previous Kiwanis year.

The financial obligations to said member's local club and district, the subscription to Kiwanis Magazine, and the premium payable to defray the cost of insurance prescribed in these bylaws shall remain payable."

The International Board has adopted the following interpretations to implement this new provision.

1. The starting date is September 30, 2006, and the first measurement date is September 30, 2007.

2. The ending membership count in one year will be the beginning membership count in the following year.

3. The refund will be based on the Active members (not Honorary, Senior, or Privileged) in the club as of the measurement dates (September 30) as determined by Kiwanis International and reported to the district offices.

4. Merged clubs are not eligible in the year of merger.

5. Only clubs on Active Status at the end of the measurement year are eligible.

6. Clubs on the following status at the end of the measurement year are not eligible: Charter Suspended Notice, Charter Suspended, Pending Revocation, Charter Revoked, and Charter Suspended by District.

7. All club dues and fees must be paid by the end of the measurement year (September 30) including all new member fees to be eligible.

8. New clubs are eligible in the year organized, using the club's organization date as the start date.

9. All clubs must pay their current year dues by the due date of their respective annual dues billing period (for U.S. and Canadian district clubs) or within 90 days of invoice date (Regions III, IV, and V) to be eligible.

10. Refunds will be sent to eligible clubs within 120 days of the year-end measurement date.

Kiwanis International will determine the method of refund.

International dues are currently US$42 per member for Tier 1 clubs.

Clubs can choose to use the refund as they wish, adding it to their administrative or service accounts or returning it to the new members to reduce the cost of joining Kiwanis.

MINUTES OF THE THIRD OFFICIAL MEETING OF THE 2006-2007 UTAH-IDAHO KIWANIS DISTRICT BOARD OF TRUSTEES OF KIWANIS INTERNATIONAL

UNIVERSITY MARRIOTT, Wakara Way, Salt Lake City, UT
16 February 2007

Meeting was called to order at 1:10pm and the invocation was given by Gov. Jim Terry

Board Members in attendance: Governor Jim Terry, Governor-elect Bill Mullins, Immed. Past Governor Norman Taylor, Secretary Janet Flinders, Treasurer Marv Chamberlain. Lt. Governors: Div 1-Dick Hodson, Div 2-Chuck Baker, Div 3-Jan Torgerson, Div 4-Chuck Humphries, Div 5-Mike Bevan, Div 6-Becky McKinstry, and Div 8-Gene Piland. Unexcused Lt. Governors: Div 7-Lance Lambert, Div 9-Randy Benedict, Div 10-Janet Lunt. Guests: Erland Elmer, Builders Club Administrator & Education/Club Development Chair; Josh Holt, Education & Club Development Chair/International Human & Spiritual Values Chair; Ralph Benson, On-To-International Convention Chair; David Moller, K-Kids Administrator; Peter Van Hook, Key Club Administrator; Lowell Inkley, Dist Foundation & TAG Team (New Club Building Chair for Utah); John Moray, Resolutions Chair; Lori Bergsma, Risk Manager; Brent Hofhines, Key Leader Coordinator for Utah; and Jim Courtright, Kiwanis International Director of Club Development.

Minutes and Secretary Reports were presented by Janet Flinders. Chuck Baker moved; Norman Taylor 2nd; the vote was unanimous.

A request was made to get Ad sizes & prices to the Lt. Governors for them to give to Presidents & post to the District Website. Chuck Humphries moved; Chuck Baker 2nd; the vote was unanimous.

Financials were presented by Marvin Chamberlain. Chuck Humphries moved; Mike Bevan 2nd; the vote was unanimous.

Utah-Idaho District Foundation financials were presented by Marvin Chamberlain as info only. Twenty-two Clubs have donated to the Foundation since October 2006. Note: Orem Golden K has 33 members and 13 have Reed Culp Medals per Ralph Benson.

City of MURRAY
We are proud to support all of the community projects sponsored by Kiwanis

Directors & Officers Liability Policy has been paid and is in full effect.

Lori Bergsma reported that now the District is insured, she can start presenting to the individual clubs about Directors & officers liability. This insurance covers decisions made by the Board.

Since 2000 Utah-Idaho District has had 2 insurance claims: paid $296 for medical in 2001 and a cut on a BBQ for $400. This is really GREAT!!!

Protect yourself and protect your club. Have insurance!

Brent Hofhines – Key Leader for Utah

There is a decline in youth leadership skills right now. Key Leader is trying to change that for kids ages 14-16. Professionals are teaching at Key Leader Weekends on Thurs, Fri & Sat of the retreat which includes both boys and girls. It is scheduled in Idaho at a Church Camp in McCall on August 10-12, 2007. All clubs should think about having students attend.

Southern Utah University is being eyed for next year and will cover from Las Vegas to the middle of the Utah-Idaho Kiwanis District.

Plans are being made to have a Key Leader program for the Wasatch Front.

There is a need for people to serve on committees and clubs to help. A definite commitment from the District Board is needed.

The cost is $160 per student (if a member of Key Club attends, then it is $135), Student Facilitators and Chaperones are $95. A minimum of 60 students is needed for attendance, with 100 maximum attending.

This is self supporting, but might need a little Foundation money for printing of brochures. Derek Schenk will need a little financial help for the Key Leader in Idaho. Utah will need help in 2008

Circle K will have a separate event at a future date.

Advertising should be on the club level. Transportation costs are not included and should be arranged by individuals or Kiwanis Clubs.

Becky McKinstry moved to accept the Key Leader program in the Utah-Idaho District and support it District-wide. Bill Mullins 2nd ; the vote was unanimous.

Norman Taylor suggested the District Foundation give $500 for Key Leader as start-up funds.

Chuck Baker presented the update for the **Annual Club Gift Campaign**. He would like all clubs to donate $5 per member by May 1st, 2007. Lt Governors in every division need to work with their clubs to make this happen.

Gov Terry would also like all clubs to **donate to Kiwanis Int'l Foundation and Utah-Idaho Foundation by May 1st**. There is no reason to be totally stressed in September every year. Please

DISTRICT BOARD OF TRUSTEES MEETING MINUTES CONTINUED

just talk to your clubs and get this done.

A new Utah-Idaho pin of the Bonneville Salt Flats is being sold for $5.00

A pin from Jim Terry about Reading is also $5.00 to the Utah-Idaho Foundation.

Lowell Inkley and the **Utah-Idaho Foundation** are very grateful for the **$24,000 donation from the estate of Ward Hall**. This brings the total in the District Foundation to $182,493.

Congratulations to the following clubs:
Boise Golden K, Bonneville, Caldwell, Capital City, Eagle, Filer, Meridian, Ogden, Pocatello, Preston, Provo, Provo Golden K, Rexburg, St. George, Salt Lake City, Springville, Sugar House, Tremonton, West Valley.

There are still **matching funds available** for Reed Culp Awards. With a donation of $667 the other $333 comes from matching funds. This program may terminate soon.

$5,000 goes out every year to fund the **CKI and Key Club District's scholarships** being matched by Kiwanis Int'l Foundation. Sources of income for these scholarships is: the Krafty- K-Korner Gift Baskets silent auction at Mid-Year Conference and District Convention, any donation from clubs (not Reed Culp Award donations) and the golf Tournament at District Convention. **Governor Norman Taylor has a check for about $5,000 from the District Convention Golf Tournament.**

The District needs more **TAG Team** members from Divisions 4, 6 & 7 and would like another TAG Team member from Div 3. It would be great if the names could be available before the Mid-year conference is over.

Lt. Govs with fairly **new clubs**, please attend these new club's meetings at least once a month to help support the club leadership. New clubs are really struggling. They need a person to be there who is aggressive and will help them take charge.

Membership: 1 million members by 2015. Since the District is down right now, we need to start some new clubs and help the TAG team help the clubs with deficits to recover and grow more.

Bill Mullins: Plans are in the works for a new club in Riverton/Draper, UT area. We have **goals to build 2 new clubs in 2006-2007 and 3 new clubs in 2007-2008**.
We really need to build 3 clubs this year and 4 clubs next year. The need to get started right now is to plan locations.

Bill attended the **Growth Summit** in Dallas/Ft. Worth in January and got excited. We need to more than meet the goals and show positive growth. Since the District is down about 78 people right now, everyone needs to make a personal effort to invite someone to their own club and start getting your own club built up. Small clubs need to build themselves. If we had more TAG Team members, they would be able to help recruit for these small clubs. A fire needs to be built under the leadership of the small club, so they will go out and recruit for their club themselves. Lt Governors need to build fires under the Presidents. Division 6 is having projects and members are bringing people with them to help with the projects and learning about Kiwanis.

Jim Courtright is having a workshop of **New Club Building/Membership Growth** on Saturday.

Governor Jim would like all Lt. Governors to attend this workshop.
Erland Elmer will do a workshop for members (especially club presidents).
Jim Courtright – Kiwanis Int'l says to work with clubs that have at least 20 members and try to build them to 35 members. Need the smaller clubs to volunteer to accept the 6-pack program and help themselves.

Lt Governors need to help each club **develop a growth p**lan and help decide where to build a new club.

Erland – **NO NEW LT Governors** with only 20+ in attendance for **Club Leadership Education**. See the May schedule printed in the last and the next U&I Kiwanian. CLE is designed to help leaders get comfortable with the Leaders' packet from Kiwanis Int'l. Our CLE instructors have been trained well and are doing a very fine job.

Packets will NOT be given out without the person attending the education meeting. CLE is also Maximizing Kiwanis Service, a 7 point concept of improving existing clubs, Becky requested that a CLE team does a mini club training for Elmore County Kiwanis Club. **The key to the clubs is the president**. The president needs to know what he/she is doing and then get the secretary online.

The Capitol Hill Club would like the District to help sponsor the **Babycare Cupboard program**. Clubs need to do their fund-raising whenever the Babycare Cupboard needs more merchandise. If help is needed during this fund-raiser, get Key Clubbers and CKIers to stand

DISTRICT BOARD OF TRUSTEES MEETING MINUTES CONTINUED

outside grocery stores passing out lists of items needed. If more help is needed, then other Kiwanis clubs in the area should step up and help.

Kiwanis One Day is April 7th. This is the day for Global Service Projects.

Governors visits: Div 6 has had their visit and Div 4 is set up. Lt. Govs please set up dates with the Governor for his visit to your division.

Lt. Governor's updates:

Div 1 - Dick Hodson – Short on monthly reports, but doing fine. Orem Gold K is really great. All the clubs are doing well. Timpanogos is getting a Key Club, which will help solidify their members.

Div 2 - Chuck Baker – South Davis County Club is going to weekly meetings and is co-sponsoring a new Key Club (Skyline High School by Bonneville); 5 of 6 clubs were at CLE.

Div 3 - Jan Torgerson – Wasatch-Roy Club just eats lunch and has no program and the Ogden Club is struggling with membership. Annual Club Gift donations are half done.

Div 4 - Chuck Humphries – The Rexburg club has 4 women in their club as of this year. The Tri-fold ad of Bill and Barb Mullins was instrumental in getting women into their clubs.

Div 5 - Mike Bevan – Two struggling clubs: Jerome (has no program) and needs membership growth & Buhl is similar. Both do a lot of service. Twin Falls has just started a new membership drive to help bring up the deficit in membership to a positive. Filer and Rupert are great. Burley was up in membership last year and will do OK.

The Kimberly High School Key Club has a gung-ho president. He then got his Dad to join the Twin Falls Kiwanis Club and now the Key Club is going gangbusters.

Div 6 - Becky McKinstry – 3 clubs are doing a membership drive through the end of March with a mystery dinner at the end. Comfort Kit for Kids packages are being put in the State Foster Care program. Need mini shampoos/conditioners (that you get from hotel stays) donated to go in these kits. A Key Club is being sponsored at Medical Charter School. Holding monthly President's council meetings is working with a general turnout of 9 to 13 at the meetings. By sticking to the agenda and giving door prizes, the attendance has increased. Every club has one or more monthly service projects.

Div 8 - Gene Piland – Salt Lake City & Sugar House clubs have great meetings; Midvale had a new member and a new member transfer, which will help get them more active; West Valley keeps very busy sponsoring service leadership program clubs; Park City Club has had to change their club President. The Park City Key Club wants 25 members to attend Key Club convention and wants the Park City Kiwanis Club to sponsor them money wise. Heber needs to have meetings that aren't so much business and get some interesting speakers, but membership has stabilized now. West Valley has moved their meeting and would like to host the Governor's visit. Five of the six clubs have already donated to the Annual Club Gift Campaign.

Committee updates:

Service Leadership Program Updates:

Dave Moller, K-Kids Administrator - The Rupert Club is sponsoring K-Kids and have been doing service projects. Please e-mail Dave with information on the activities of other K-Kids clubs in the District. A great service project is taking elementary kids to the old folks home to visit for an hour. The K-kids in Park City did a food drive and gathered about 2,000 cans of food. Please send success stories to the U&I Kiwanian. Park City has Key Clubbers running the programs at the K-Kids club. The Sugar House club is the only club sponsoring a K-Kids Club in Salt Lake Valley.

Erland Elmer, Builders Club - Eight clubs have paid their dues with 16 clubs in existence. He needs two assistant administrators for Builders Clubs: one for Magic Valley (Boise) and another in Utah. Erland will tell Kiwanis Moments on Saturday.

Peter Van Hook, Key Club Administrator - Since May 1, 2006, eight Key Clubs have lost their charters. To restart them it will cost $600 each.

Four new clubs have been chartered with a couple more in the pipeline, but not before Key Club District Convention. Only about 2/3 of the Key Clubs have paid dues. The 1/3 cannot attend District Convention until dues are paid. Right now it will cost $100 + paying the past dues. Dues are $10.50 for International and District dues combined. Kiwanis Lt. Governors need to let Kiwanis Club Presidents know that if the Key Club dues are not paid then the Kiwanis Club should pay the dues to keep from having to pay the extra $100 administrative fees to Kiwanis International.

Peter would be glad to give the Lt. Governors & the District Secretary information on which clubs are in arrears.

The Key Club District has set a minimum of 20 students from every division to attend District Convention on 20-22 April 2007 in Salt Lake City, UT. 15 Key Club Divisions x 20 Key Clubbers = 300 attendees.

DISTRICT BOARD OF TRUSTEES MEETING MINUTES CONTINUED

There are sister Key Club districts: West Virginia and Michigan. Utah-Idaho raised just over $8,000 during the Trick or Treat for Unicef. Our Key Clubbers raised more per capita than the other two districts.

Spring Season of Service: Unicef, Read & Lead, March of Dimes and Children's Miracle Network. These are really easy joint service projects.

Overall Key Club International has raised over $600,000 for UNICEF. Last year over $110,000 was raised for March of Dimes.

Norman Taylor, CKI Administrator – CKI is really hurting in the Utah-Idaho District because Kiwanis leaders aren't interested. BYU and USU have not paid their dues yet. They need to get the dues in right now. They need to get students to attend District Convention at Albertson's College in Caldwell, ID and International Convention in Portland, Oregon.

Boise State is building a CKI with the help of Celeste of Meridian Kiwanis. We need more Kiwanians involved to make the program work.

Norman presented Governor Terry with a case to carry his bell and gavel.
Norman also gave Marvin Chamberlain a check for the $1000 seed money for last year's Kiwanis Mid-Year Conference and District Convention and a check for $5,372.32 for proceeds from the District Convention Golf Tournament.

Gene Piland moved that the $5,000 be given to the Utah-Idaho District Foundation, Chuck Baker 2nd. Marvin Chamberlain discussed that in the past the District Convention proceeds refund the seed money and all other monies go to the District, but the $5,000 was raised with the expectation that the excess would go to the Foundation. The vote was unanimous.

Ralph Benson – On-to-Convention – San Antonio, Texas July 3-7, 2007. The pre-convention tour is set and all information will be in the lobby at this conference. 30 people are needed to make this tour work. The District Dinner is at the Enchanted Springs Ranch. There will only be reservations for 30 people and 18 have already signed up.

Gene Piland moved and BeckyMcKinstry 2nd to adjourn. The vote was unanimous.
3:48pm Bill Mullins rang the bell (Note: Governor Terry was excused to pick up the Kiwanis Int'l Trustee at the Salt Lake Airport.

KIWANIS CLUB OF PROVO'S BOOK AND READING PROJECT

By Ralph Benson

During the school year the Kiwanis Club of Provo sponsors and staffs several book and reading sessions in Utah County. The sessions are held in conjunction with the Utah County Mountainland Headstart Program and features the gift of books to about 1,000 children and also reading parties featuring our own professional story teller "Waldo". A.K.A. Gene Nelson who is director of the Provo Public Library and member of our Kiwanis Club of Provo. These photos show one of the sessions at the Headstart campus in south Provo. The Kiwanians allow the children to choose the books they want, and the books are then

"Gift Wrapped" and presented to the children as their very own books. Over the past 7 years the club has sponsored this program, over 3,000 brand new books have been gifted to these children. The Provo Club considers this project as one of it's most rewarding and valuable activities. The project was created and directed by Robert Smead for the first five years, and is now chairmaned by Justein Barber. Fortunately "Waldo" is still with us, thrilling the children with wonderful stories of humor and adventure.

KEY CLUB DISTRICT ANNOUNCEMENT

By Peter Van Hook, District Key Club Administrator

All Kiwanis Clubs who sponsor Key Clubs (that have paid their dues and are on active status) should have heard that the annual Key Club Convention of the Utah-Idaho District will be held 20-22 April 2007 at the Radisson Hotel, Downtown Salt Lake City, UT

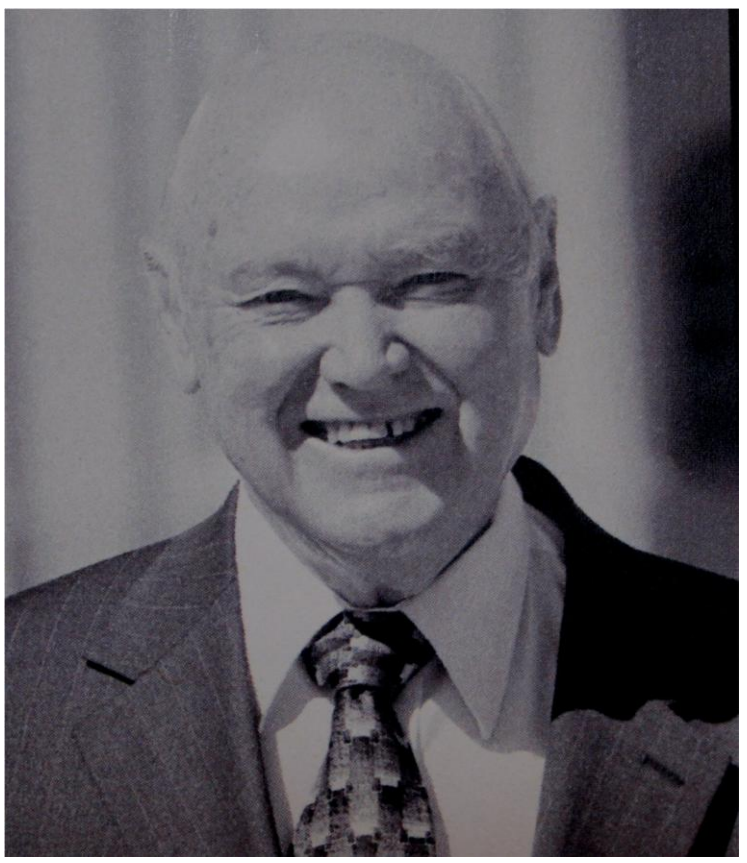
The deadline for reservations is April 4th.

Two groups of students need to attend + any member in good standing who wants to associate with other Key Clubbers from Utah & Idaho:

1. Newly-elected club officers will be trained & receive information about their responsibilities.
2. Sophomores (& where there are four-year high schools, freshman) should be encouraged to attend. These younger Key Clubbers become aware of the mission and value of Key Club International. They become the club and district officers of the future.

Elections will be held for Governor, Secretary, Treasurer and Webmaster & 12 Lt. Governors.

Upcoming events: July 11-15 Key Club Int'l Conv. in Orlando, Florida
Sep 15 Fall Training Rally at Lagoon Park in Farmington, Utah



MAURICE DeCOW

Passed Away January 3, 2007

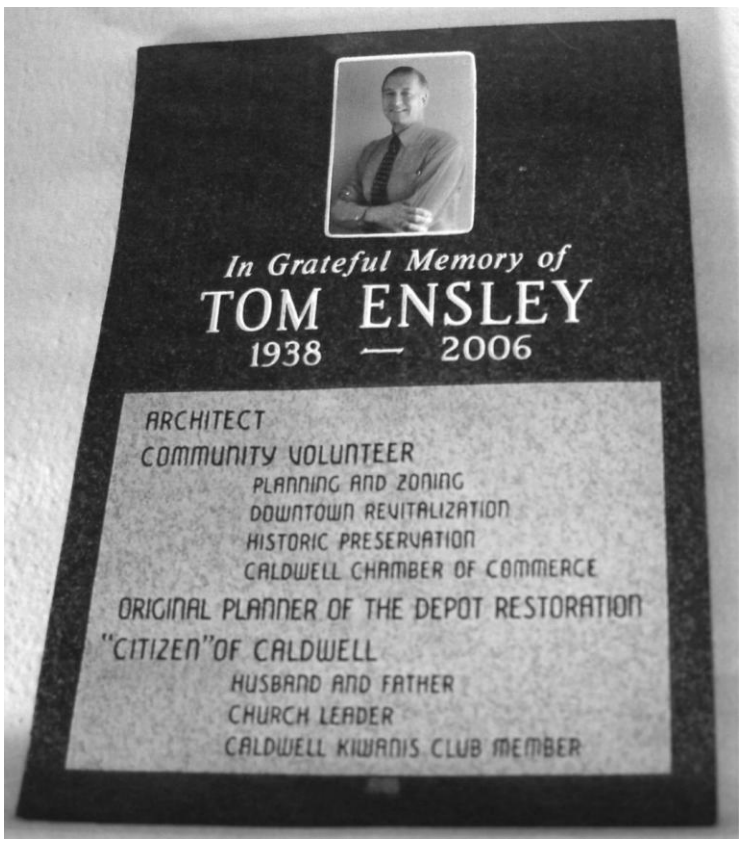
When the South Davis County Kiwanis Club was formed, Maurice DeCow (pronounced DeCoo) stepped up and fulfilled the position of Club Secretary. He was a very good man and a hard worker. He paid attention to detail and kept the club going in the right direction. He had mentioned that he was getting old and wasn't feeling all that well, but kept right on doing his job. Last October he felt that he should step down as club secretary with Kevin Parke taking over.

Maurice will be missed by everyone who knew him and all the people that he came in contact with. He will be remembered by all.

WEISER KIWANIS CLUB HI-LITES

Since 1922 Weiser Kiwanis Club has served the community in many ways. Current projects are the Recycling Center, Christmas Help-Them-To-Hope food and toy boxes for needy families, the area-wide Spring Dance for physically and mentally challenged persons, the community Prayer Breakfast, the June city-wide clean-up, helping at the National Oldtime Fiddlers' Contest and Bingo sessions at the Weiser Senior Center.

Weiser Kiwanis sponsors the Weiser H. S. Key Club, scholarships for Weiser H.S. students and assists the Weiser After-School Program.



Tom Ensley was an all-around worker in Caldwell and will be sorely missed by the Caldwell Kiwanis Club and the community
