As the new year begins, please keep in mind the following:

1. Your club must be incorporated. If your incorporation status has expired and has not been renewed, please contact the State of Utah or the State of Idaho for the forms necessary.
2. Club Presidents and Secretaries should have been to Club Leadership Education (CLE). It will be very difficult to be distinguished without this workshop. Contact your Lt. Governor to have a time and place set for this training in your division. It was available at District Convention. Now it must be done within each division or combined divisions.
3. Every club secretary should be filling out the monthly report forms online. Contact Janet Flinders 435-753-3266 or e-mail: uidistrict@hotmail.com.
   - If you do not have internet access, Janet will be more than happy to enter your monthly reports online after receiving them.
4. Club elections must be held in May, so the Club Election Report Form can be filled out by the due date of June 15th.
5. Please send in New Member Information Forms as the new member joins your club. If deletes are necessary, please handle these as they happen. Don’t let all this paperwork build up. New members should begin receiving the Kiwanis Int’l Magazine and the U&I Kiwanian within the first or second month of joining.
6. Kiwanis Advisors to every Service Leadership Program (CKI, Key Club, Builders Club, K-Kids and Aktion Clubs) should attend all the SLP meetings, service projects and fund-raising events. The Faculty Advisor and the SLP members deserve to have Kiwanis personal and financial support.
7. All members are invited to attend the Mid-year Conference 15-16 Feb 2008 in Twin Falls, ID, the Kiwanis Int’l Convention 26-28 Jun 2008 in Orlando, FL, and the Utah-Idaho District Convention 22-24 Aug 2008 in Salt Lake City, UT. Watch the U&I Kiwanian for details to attend these important meetings. Kiwanis is MORE than a community service organization, it is a world-wide organization of volunteers dedicated to changing the world One Child and One Community at a time.
When I went back to Indianapolis for Gov. Elect Training in January of 2007, everyone was asked to write about their Kiwanis moment and then present it to our class of Governors. It was to be a moment, not necessarily when we joined Kiwanis, but when we realized Kiwanis was special to us and we were inspired to dedicate more time and energy toward the program. Dave Curry (our current International President) has chosen the theme of sharing our stories with others for 2007-2008.

Your Kiwanis moment may have come while helping with a service project. Someone or some event might have touched your heart. It might have come during a Kiwanis function when what was said or done inspired you. It could have come when looking into a face of a child or just a thank you from a child. Whatever inspired you, I would like you to think about it and put it down on paper. Put your story somewhere where you can see it daily for the next couple of months, and reflect on your experience and how you felt at the time.

If you haven't experienced a Kiwanis special moment, write about the reasons you joined Kiwanis, using these reasons for your story.

Dave Curry has asked us to share “Our Story”. The first step is to have one, and the second is to share it whenever possible in order to inspire other Kiwanis members and non-members. If you are willing I would like to have some presented at Mid-year conference and have some published in the U & I Kiwanian throughout this year.

I appreciate your vote of confidence during the House of Delegates, and the opportunity to serve you as Governor. There is a lot that will be happening this year and I'm sure you will want to be a part of it. Let's make it a Banner Year.

I want to thank all of you for this grand opportunity Bill and I have to serve the Utah/Idaho District. We were able to attend the San Antonio International Convention. It was wonderful, learning new things and meeting new people from around the world, all with the same purpose, Serving the Children of the World.

At the beginning of a new Kiwanis Year we start a new chapter in our lives of service. I would like to share a quote with you. "How exciting it is to face the blank page of a brand new (Kiwanis) year; knowing it is ours to fill as we choose. We are the ones who choose what we will be, in our smallest daily decisions and our largest hopes and plans. Don't put any limits on what you can achieve, for it is those with motivation and direction, those who are not afraid to dream-and to dream big-who fill the pages of their years most fully.” (author unknown)

We all have different talents and capabilities. You Utah & Idaho Kiwanians have so much talent that you can utilize in your service. "The woods would be very silent if no birds sang except those that sang best" (Henry Vandyke) No matter what your talent or capabilities are, don't be afraid to use them as you fill your "blank pages" of service. "Dream-and dream big" to help our District thrive in service to the children.

Through Kiwanis Dolls We Can Bring Joy and Comfort to Kids
By First Lady, Barbara Mullins

Dear Kiwanians,

While contemplating a First Lady Project for 2007-2008, I reviewed many suggestions. First I’d like to encourage the Clubs who are involved with reading programs to continue that marvelous cause. I realize that time is a valuable commodity so this is a suggestion for a new or different project for your club.

Having worked in the health care system for about 20 years, I was drawn to the Kiwanis Hospital Dolls. The Kiwanis doll was introduced at the Helsingor Kiwanis Convention in ’94. They are body shaped dolls made of plain cotton and stuffed with polyester or cotton and have a Kiwanis label sewn in them. (A way of making more people aware of Kiwanis and I should be getting labels soon.) The dolls are donated to hospitals, or other health care facilities. Each child is allowed to color his or her doll which helps pass the time and helps give the child comfort when facing a fearful, unknown situation. The Dr. can show the child what will be happening to him or her through the doll. (For example, put an oxygen mask on the doll or draw stitches where the child will need them.)

This is a suggestion for a simple service project to children who have to face a strange and frightening experience when injured or sick. Those clubs who chose to participate in this project can receive a banner patch for their club. Your Lt. Governor will receive directions and patterns for the Dolls at our November 17th Board Meeting to share with the Clubs in their Divisions. There will also be more involvement with the dolls at our February Mid-Year Conference.

The service you Kiwanians render to the children of your communities is a wonderful, selfless act.

Thank-You, First Lady Barbara Mullins
I Believe in ...
by Jim Terry, Immediate Past Governor

As my year ends as Governor of the Utah-Idaho District I want to thank all of you for all the things you have done this past year. We have had many success stories this year and many Kiwanians have stepped up. You have made a difference in the lives of children and in your clubs. Jackie and I have enjoyed meeting and visiting with everyone this past year. It has been a great experience and we have made many new friends because of it. At our District Convention on Sunday we had a wonderful Memorial Service where we remembered 24 Kiwanians who had passed away during the last year. I was so impressed as someone from the Club would get up and tell what this person meant to them and to their club. There was laughter and tears and fond memories of projects, of fund raisers, of lunch and of friendships. They were Kiwanians that have left a great legacy to us.

At our Saturday night banquet I mentioned that I believe in many things. Here is what I said:

I believe in Kiwanis.
I believe that Kiwanis is the leading organization building leadership in our youth.
I believe that we can make a difference one child and one community at a time.
I believe in Alex Eberhardt the first governor of the Utah Idaho District in 1920.
I believe in Reed Culp who came from our District to become the Kiwanis International President.
I believe in LeRoy Olson, Dr Blair Ellsworth, Dr. Drew Peterson, George Peterson and Barney Tanner who were International Trustee from our District.
I believe in Richard Bird from the Bonneville Kiwanis Club who is 100 years old and still active in his club, still goes to work and plays golf.
I believe that we must build on the foundation and legacy they have left us. There’s an old saying that “no matter how tall your grandpa is, you’ve got to do your own growing.”
I believe we have a responsibly to be better and to improve upon that legacy. I believe it is time for the new group of Kiwanians to step up and take hold of this legacy. We need to take positions of leadership in the District and for you to make your legacy in this District.
I believe that ordinary people are performing extraordinary work.
I believe we can have 1 million members by 2015 if we all work together bringing in new members and strengthening our clubs.
And lastly I believe in you. I believe you care. I believe you want to make a difference in the life of a child.
Thank you for a wonderful year.

If They'd Ask Me To Join Kiwanis
by Nelson Tucker, 2006 – 2007 Kiwanis Int'l President

If they’d ask me to join Kiwanis, I’d work real hard in service, That makes kids’ lives better, I’d show special love and caring Of Kiwanians working together.
To show how much I care, I’d teach an unwed teenage mother, How to raise her newborn child; Help them to not be so wild.
I’d get the meeting started right, I’d work with teenage gangs, Instead of sitting idly, I could help others just like you.
I’d gladly say the prayer. Yes, if they’d ask me to join Kiwanis, There’s so much that I could do, Instead of sitting idly, I could help others just like you.

As the meeting is called to order, I’d teach an unwed teenage mother, Help others just like you. I’d wear the ‘K’ on my lapel, I’d raise my voice in song, To make the world a better place because of what I did. With pride for all to see, I’d pledge allegiance to our flag, You and I are no different, we both share the same belief.
And show that I belong. And I’d pledge allegiance to our flag. That living by the Kiwanis Objects, we give much needed relief. Everyone I meet could tell, I’d pledge allegiance to our flag. We strive to live by the Golden Rule, believe in our fellow man. What Kiwanis means to me. What Kiwanis means to me. We have faith in our future, that Kiwanis has a plan.
I’d attend every meeting, I’d attend every meeting, A plan to rid our world of famine, grief and strife, And, I’d never be late; To be your friend, perform each task, To give to every human being a better way of life.
I’d have fun with all my friends, Because you see, I’ve been waiting, So, let’s all work together for every boy and girl, The speakers are really great. And no one ever asked!

I AM JUST A KIWANIAN
by Nelson Tucker, 2006 – 2007 Kiwanis Int'l President

I am just a Kiwanian, just like you, you see, I am just a Kiwanian, just like you, you see, I get up every morning to find a new reason to be; I get up every morning to find a new reason to be; To be someone special to a shut-in or a kid, To be someone special to a shut-in or a kid, To make the world a better place because of what I did.
You and I are no different, we both share the same belief, You and I are no different, we both share the same belief, That living by the Kiwanis Objects, we give much needed relief. That living by the Kiwanis Objects, we give much needed relief. We strive to live by the Golden Rule, believe in our fellow man, We strive to live by the Golden Rule, believe in our fellow man, We have faith in our future, that Kiwanis has a plan.
A plan to rid our world of famine, grief and strife, A plan to rid our world of famine, grief and strife, To give to every human being a better way of life. To give to every human being a better way of life. So, let’s all work together for every boy and girl, So, let’s all work together for every boy and girl, The future of Kiwanis is serving the children of our world!
Welcoming Those Around Us

From Governor-Elect Patricia Hansen

Too often as leaders, parents, employers we adopt the point of view that because we are in charge, we are supposed to *get* something from people, time allegiance, work. Good leadership principles teach that when we are in charge, we are the ones who must *give*.

As we become true leaders we improve our interactions with others and learn to serve them, as a result our organization prospers. And as a result of this we will become a 1 million member Kiwanis International Organization.

Today I’m going to offer a principle that will help you make that shift from getting to giving. If you adopt this principle into your Kiwanis leadership and membership, then into your daily life you will be enriched.

So the principle is this… BE WELCOMING. I know you are probably thinking, that’s it? I knew that. Yes…it’s simple…..But it’s not always easy to be welcoming. Everyone wants to be recognized and greeted, to be included and to feel a part of the whole. Think about how you feel when you are welcomed….To feel welcome is wonderful isn’t it? Welcoming is a powerful tool that is so simple it is often overlooked.

I joined Kiwanis in the Rupert Idaho Club to serve the youth of the community. But the thing that kept me coming back was the feeling I felt when I walked into that meeting each week. Each and every time I came to Kiwanis I was greeted with a hearty handshake, a warm hug and a welcome of friendship and fellowship. Without fail several members initiated that greeting. The officers took time out of their meeting preparation to greet me, board members, veteran members and new members alike all took the effort to make me feel welcome. When you receive that kind of support and welcome over and over again, you are hooked. You will do anything for that organization.

When Kiwanis members are welcoming, attendance will increase, recruitment will be easy and the club will prosper. A warm welcome can be a catalyst for changing attitudes, creating enthusiasm and momentum.

Zig Ziglar said, “When you choose to be pleasant and positive in the way you treat others, you have also chosen, in most cases, how you are going to be treated by others.”

When you practice the leadership principle of **Be Welcoming**, you are showing interest in people, in their work and in their lives. We only have one chance to make a good first impression, the way that we welcome members and potential members will have a lasting effect.

Remember to welcome long time volunteers. Retention has direct relationship to the welcome and support shown to both new and veteran members. One small expression of welcome can have long-term benefits. I will be ever grateful for the warm welcome I received in the Rupert Kiwanis Club and for the opportunity I have had to be a welcoming leader.

MINUTES OF THE HOUSE OF DELEGATES
UTAH-IDAHO DISTRICT
OF KIWANIS INTERNATIONAL
At the District Convention in Idaho Falls, Idaho
18 August 2007

Governor Jim Terry welcomed all delegates and guests, especially the Kiwanis International President Nelson Tucker at 4:40pm. He then turned the House over to Laws & Regulations Chair & Past Governor Bob Dempsey to handle the proceedings.

Chuck Humphrey nominated Marvin D. Chamberlain for the office of 2007-2008 District Treasurer with a second by Lowell Inkley; passed. Motion by Gale Waite, seconded by Norman Taylor to close nominations passed. A vote for Marvin Chamberlain was unanimous.

Marvin Chamberlain relinquished his time for an acceptance speech.

Bob Cameron nominated Patricia “Pattie” Hansen for the office of 2007-2008 Governor- elect with a second by Bob Parish; passed. Motion by Bob Amoureux, seconded by Steve Fields to close nominations passed. A vote for Pattie Hansen was unanimous.

Pattie Hansen gave her acceptance speech. She agreed with President Nelson Tucker that the Kiwanis clubs were at the top of the pyramid with the District & Int’l officers at the bottom. Without the clubs there is no Kiwanis. Clubs need to be actively supporting youth. If they are not, then that club needs to rethink why it wants to be a Kiwanis Club. For recruitment and retention, members need to be kind, good and welcoming to ALL club members; not just the new ones, but even the members who have been there a very long time. Everyone needs to feel needed and welcomed.

Lowell Inkley nominated William R. “Bill” Mullins for the office of 2007-2008 Governor of the Utah-Idaho District with a second by John Brown; passed. Motion by Marvin Chamberlain to close nominations with a second by Steve Fields passed. A vote for Bill Mullins was unanimous.

The Utah-Idaho District Board of Trustees at their board meeting on Friday, August 17, 2007 voted to transfer $10,000 from the District Administrative Fund to the District Foundation.

Motion by Chuck Humphrey with a second by Steve Fields to move $10,000 from the Dist. Admin Fund to the Dist. Foundation passed with a unanimous vote.

Motion by Stan Snow with a second by Becky McKinstry to add Janet Flinders and LaMar Anderson to the District Foundation Board of Trustees, passed unanimously.

Marvin Chamberlain submitted the following names to the Delegates as the Foundation board members:

Bob Dempsey, President; LaMar Anderson, Vice-President; Geral Wilde, Secretary; Marvin Chamberlain, Treasurer; and board members: Dave Howard, Merrily Munther and Janet Flinders. A thank you was given to retiring members: R. Ralph Benson and Lowell Inkley.

Announcement that the Silent Auction for Gift Baskets will be open until 6:00pm. Blue tickets for the drawing for the Governor’s quilt and a second quilt donated by Janet Flinders would continue to be sold up until the drawing. All funds will go to the District Foundation.

The following Resolutions were submitted by John Moray, Resolutions Chair, but read by Bob Dempsey and all passed unanimously:
1. The Utah-Idaho District, Kiwanis International, wishes to welcome our International President, Nelson Tucker, and his wife, Elva, to our district and thank them for their valuable assistance to this convention. THANK YOU!

2. The Utah-Idaho District, Kiwanis International, wishes to thank James (Jim) Courtright, International Director of Club Development, for his continued support in our club building efforts. Jim’s presence always adds to our district conventions.

3. The Utah-Idaho District, Kiwanis International, wishes to thank Governor Jim Terry and First Lady Jackie for their organizing this District Convention, partners’ activity, and for their service and leadership to the district.

   We wish to thank the outgoing board of directors/Lt. Governors for their tireless effort this past year in leading and guiding our district and their divisions.

   We wish to thank Gary and Diane Mondell and the Idaho Falls Club for their help with the District Convention.

   We wish to thank those clubs that sponsored inter-clubs.

   We wish to thank our Kiwanis Certified Trainers and all the instructors for the time they have spent in preparation and presentation.

4. The Utah-Idaho District, Kiwanis International, wishes to thank the Red Lion, Idaho Falls, ID for their hospitality and assistance in putting on this 88th Annual District Convention.

   We also wish to thank Melanie Smith, Director of Sales, and Janette Clark, Catering Director, and the Red Lion employees for their work on behalf of the hotel and for their cooperation and assistance to the Utah-Idaho District.

5. In as much as John Moray is not here to make these resolution presentations:

   BE IT THEREFORE RESOLVED: That he be charged with desertion from his post and court-martialed. (There were some nay votes)

6. The Utah-Idaho District, Kiwanis International, wishes to thank Dick Peterson, International Key Leader Director, for his continual support in our Key Leader efforts. Dick’s presence has added to our District Convention.

7. The Utah-Idaho District, Kiwanis International, does hereby adopt the District Strategic Plan for the year 2007-2008. It outlines our goals and plan of action for the coming year in the areas of Communication, Membership, Growth, Education, Service, Finance, and Youth Organizations & Programs.

   George C. Petersen, Jr., Past International Trustee from the Utah-Idaho District was introduced and welcomed.

   With nothing else to come before this august gathering, the House of Delegates was adjourned at 5:37pm.

Elmore County Kiwanis Club has closed. Becky McKinstry moved, Bill Mullins seconded to approve this closure. All voted to accept this closure, except Marvin Chamberlain.

Reports of Missing Monthly Reports and Missing Election Reports were presented by Janet Flinders as information only.

Financial Reports were presented by Marvin Chamberlain:

- The Administrative Fund totaled $81,632.05 with more bills to pay before Sep 30th. The budget is ahead by about $13,000. Motion by Randy and seconded by Norman to approve, passed.
- U&I Kiwanian – Janet: There were problems with the Spectrum Press in West Jordan, UT on two of the three issues of the U&I Kiwanian that they printed. The U&I Kiwanian will now return to the Preston Citizen in Preston, ID to be printed. They communicate well and do a really good job. Still getting quotes on the labeling and mailing.
- Kiwanis Int’l. Foundation Annual Club Gift Campaign - Chuck Baker reported:
  - There are still clubs who have not donated:
    - Div 1: Highland, Pleasant Grove, Price
    - Div 3: Wasatch-Roy/Riverdale
    - Div 4: Bannock, Blackfoot
    - Div 5: Buhl, Burley
    - Div 6: Daybreakers, Kuna
    - Div 7: Santa Clara
    - Div 9: Emmett, Nampa, Payette, Ontario
    - Div 10: Neph
- District Foundation - Lowell Inkley, President reported:
  - Key Club needed $13,000 to be bailed out of the Key Club Convention, which was a huge loss. Peter Van Hook is working on corporate sponsors to help get this money back into the Foundation coffers. The balance is $182,767 and is looking good. Hopefully by the end of this year some Kiwanians will purchase Reed Culp Medals at a discount. By paying $667, an anonymous donor has agreed to pay $333 for the $1,000 to be met. This discount will end on 30 September 2007. It would be wonderful to have $200,000 in the Foundation at 9-30-07.
- New Club Building, Utah - Lowell Inkley reported:
  - They started building a new club in Draper, Utah on 14 August 2007 with some pretty fair success. Jim Courtright, Bill Mullins, Bruce Belliston, Lowell Inkley were the core of recruiters. They have 6 checks in hand, 5 really close and 8 thinking seriously. They need to get more than 30 members because you always lose about 1/3 after the charter night.
  - A Public Relations woman wants the Draper City Youth Council to be a Key Club.
  - High School students from Draper go to three different high schools out of the area. This is Lowell’s fifth new club being built. It is a 6 week process and they will need a lot of help afterwards attending this club’s meetings. They are looking for a club (Bonneville or Salt Lake City) to sponsor this new club.
  - The Nampa Breakfast Club is still in the works. Dave Ferdinand told Jim Terry that they have 14 or 15 members. Governor Jim invited Jim Courtright to help get this club built by September 30th. Randy Benedict would appreciate Jim Courtright’s help the 2nd week of September, which would be 11th, 12th, & 13th. Kuna also needs some revitalizing help. Jim Courtright has put this on his schedule.
  - The Kiwanis Club’s Annual Report form will be on the website by Oct 1st. Janet Flinders will be glad to input all of this year’s monthly reports for any club secretaries that need help with online work. Just call her at 435-753-3266 or e-mail: uidistrict@hotmail.com.

Lt. Governors from these divisions please speak with your clubs to get the Annual Club Gift donations in by 31 August 2007

The OUTREACH PROGRAM – need $150 from each club that doesn’t sponsor a CKI club. They will accept more or less, but really need the money.  
Send check to Utah-Idaho Foundation  
Attn Marvin Chamberlain  
P.O. Box 25  
Twin Falls, ID 83303-0025  
Lt. Governors should talk to all their clubs about this donation.  

Key Club – Peter Van Hook – E-mailed his administrators report. Needs to get hard copies to give to Lt. Governors who haven’t received it on the internet. Kiwanis Lt. Governors need to be actively supporting the Key Club Organization. Most Kiwanis Advisors are not attending Key Club meetings. Many Kiwanis Clubs don’t even have Kiwanis advisors called to visit their Key Clubs.  
The Key Club District needs the help of this board by resolution or other action to have Kiwanis clubs budget for their sponsored Key Clubs. Some Key Clubbers haven’t been able to go to Training Rally, District Convention or Int’l Convention because the sponsoring Kiwanis clubs aren’t helping them with enough funds. Help is needed in getting community grants. Need Kiwanis clubs to donate $1,000 or $2,000 to the Key Club District. Becky suggested an OUTREACH program for Key Club. Peter does not want OUTREACH because most Kiwanis Clubs do sponsor a Key Club or three or four. Kiwanis Clubs need to be trained to budget for the sponsored organizations.  
Randy said Caldwell has budgeted large amounts for sponsored clubs, but found that these Key Clubs were not raising any money for themselves. The Caldwell Club then went to matching funds.  
There is a need for Kiwanis & Faculty Advisors to attend training. They can receive any information they need from Pjvanhook@msn.com.  
Peter would like Kiwanis and Key Club to be a true partnership with more communication. Peter communicates by e-mail, working from 20 to 60 hours per week on Key Club, including all of his vacation days.  
The Key Club District needs specific help in Div 1 (which is Kiwanis’s Div 1, 7, & 10. They haven’t had a KC Lt. Gov in 4 years and no one at District Convention in 8 years. Also need help in the Boise area getting a Lt. Gov in Div 6 B; and Caldwell area getting a Lt. Gov in Div 9.  
Kiwanis Lt. Governors need to attend the Kiwanis clubs in their division and ask questions about the Key Clubs in their division. There is an utter necessity of having an active Kiwanis advisor at every Key Club meeting and every Key Club board meeting.  
Peter asked that all Lt. Governors call their club presidents and ask who the Key Club advisor is at each Key Club.  

Key Leader Administrator – Derek Schenck – Key Club is 100% behind the Key Leader program. It is a 3-day camp to teach leadership, teamwork, communication skills, attitude to students from 8th grade to senior age. The Key Leader Program advertised for Cascade, Idaho was postponed due to extreme lack of registration. Since this is an outgoing board, there will not be a request any monies. There will be a workshop about Key Leader on Saturday. Sponsorships will be accepted to help get needy kids to this program. The next Key Leader Program will be next spring- May 16-17-18, 2008 in Cascade, Idaho  
Dick Peterson is here from Kiwanis Int’l – Lots of people have worked very hard to get Utah-Idaho on board to have a Key Leader Weekend. Kiwanis Int’l is working very tight with Key Club, but many, many attendees are not Key Clubbers. Every Kiwanis club can send kids to Key Leader. Kids do not have to be members of Key Club to attend. Brent Hofhines is working on putting together a Key Leader in Southern Utah.  
Jim Courtright said Key Leader will be the largest happening in the future of Kiwanis. This is without a doubt the greatest future for kids in the world. Kids have returned from Key Leader and requested a Key Club, then a Kiwanis Club must be built. Please get the word out to the Kiwanis clubs to support the Key Leader Program.  
Lt. Governors report:  
Div 2 – Chuck Baker– no big news other than possibly sponsoring a new club in Draper. Chuck will help attend the meetings of this new club.  
Div 4 Chuck Humphrey – 6 clubs in this Division have successful fund-raising. Pocatello had their 40th Pancake Breakfast, raising just under $10,000. Pocatello is having a fund-raising workshop on Saturday for all interested parties. Idaho Falls Club funded the playground equipment in a park for disabled children. Idaho Falls also does a film festival as a service project.  
Jim Terry asked the Idaho Falls club to step up and have a Lt. Governor for 2007-2008.  
Div 5 Mike Bevan - Burley has 7 new members and lost none so far this year. Buhl has gone down a little, but started a program of visiting with business owners and presenting a package to request a member from their business. A Key Clubber in Buhl got a large
PAGE 20

scholarship and excited the Buhl Club. Buhl will have a Lt. Governor next year. Twin Falls is having a few problems because this was the hottest July in history. Jerome stayed the same, but they struggle. Rupert is doing great. They have 2 past governors which gives them a rock to be anchored to. Filer is staying the same, participating and turning in reports on time.

Div 6 – Becky McKinstry has enjoyed being a Lt. Gov. New projects have happened this year: Military appreciation parade (Eagle Club). Comfort Kits for children – backpacks for kids taken from their homes because of meth labs, where they cannot take anything with them because it is toxic. Kuna is doing parenting classes with the school district bringing in licensed professionals. Meals for the Ronald McDonald House by a few clubs. Reading and Math tutoring everyday. President Council Meetings are held monthly with 10-12 in attendance. They meet at Noon for 1 hr 15 min. Becky brings door prizes. Three door prizes every month. Perfect attendance gets a really nice gift basket. If you have a PCM every month, the division becomes stronger.

Div 6 is starting a speaker network and sharing with other clubs in the Division. Gem State had a pancake feed and other clubs helped them. Eagle needed help with the parade.

The Key Clubs are growing. Charter Schools have embraced Key Club with advisors being there every week. We need to get Key Leader registration up for next year.

Will take Dick Rush out to every club before his year starts and will introduce him personally. He will continue the presidents council luncheon meetings.

Div 8 – Rayleen Barnes reported for Gene Piland because Gene just had back surgery.

West Valley Kiwanis hosted the governor’s banquet. All Clubs funded the Annual Club Gift Campaign by May 31st. There are 10 Key Clubs, 2 Builders Clubs, 1 K-Kids Clubs, and 1 CKI.

$4,750 was provided for scholarships with a goal to equal or exceed this funding in the upcoming school year. A larger percentage of elected club officers attended the Club Leadership Education Class with reports of the great value and how wonderful Erland Elmer and other teachers were who conducted this workshop.

All clubs were revisited in July before back surgery, except for the Salt Lake Club. All clubs in Div 8 are active and energized in their meetings and projects. Advisors to the service leadership clubs are especially excited and realize the importance of regular attendance at the service club’s meetings. Recruitment is needed continually and all clubs except one have had new members added this year. There is a concern about declining attendance at club meetings. The Midvale Kiwanis Club is in the process of changing its name to the Midvale and South Valley Kiwanis Club in order to attract new members.

Heber Valley Club fund-raising – took on the City’s concessions and received $12,000 so far. They have worked way too hard and are ready to give it back to the City to get someone else to handle it. This club started out at 56, last year 32 and next year will probably be 20 members. There are 6 steady members in Kiwanis doing all the work.

Div 9 Randy Benedict – Thank you Jim Courtright for your future help to build the Nampa breakfast club. The Division is really spread out. Peggy Sellman from the Nampa Club will be the Lt. Governor 2007-2008 and is extremely excited and full of energy.

Babycare Cupboard – Pat Peterson and Karen Derrick– Made a request to make the Babycare Cupboard a permanent part of the District as an established service project. Received $55,000 from the KI Foundation and distributed it to Kiwanis clubs in the District. Baby supplies in food pantries are greatly needed. Now the Kiwanis clubs need to be on their own by going to the community and having fund- and supplies-raising twice a year.

A scheduled workshop on Saturday with a plan to communicate on a regular basis with those clubs that have started Babycare Cupboards is what the future holds for this project.

Fund-raisers should be for Diapers, Formula, Baby Food, etc for Children in need. Food Pantries and other non-profit groups distribute these supplies. Key Clubbers are great for standing in front of grocery stores and put the bite on patrons a little stronger than Kiwanis club members will do. Eagle Scouts make wonderful projects coordinating these fund-raisers and then doing something to help the entity who is receiving all these supplies. The need for this to be a District Committee is to keep the project from falling by the wayside.

Pat and Karen are willing to be the co-chairs of this Committee and do a face to face communication with the Kiwanis Clubs throughout the District.

Babycare Cupboards are needed in Price, Vernal/Blanding, Nampa, Ogden. The final disbursement of KIF matching funds is December 1st. Let’s put it to good use.

Becky asked that Bill Mullins incorporate this into the YCPO Committee.

Bill Mullins – thank you for your effort especially the Lt. Governors who went out and got their clubs active and involved. Thanks for the Leadership programs and he will work to improve Key Leader and other projects.

Marvin Chamberlain – Are Int'l Convention funds to be distributed to those who did attend? Becky moved Chuck Baker 2nd to distribute the remainder of these funds to all who attended. The vote was unanimous.

Chuck Humphrey brought up the financial statement of the District. There is a significant amount of funds that could be transferred to the Utah-Idaho District Foundation. Chuck Humphrey moves a recommendation to transfer $25,000 from the District Administration Fund to the Utah-Idaho Foundation with a second by Mike Bevan.

Marv amended this to $10,000 with a second by Becky. Discussion – Chuck Humphrey doesn’t understand why we are keeping too much money in the District funds and spoke strongly against this amendment. Marv said he needs more than $8,000 for Convention and bills due and Randy feels we should be more conservative. Randy called the question. The vote on a $10,000 transfer was 8 votes for and 2 votes against.

Jim Terry – A copy of the Strategic Plan was passed out to be perused. Becky moved, Chuck Baker 2nd to adjourn at 4:10pm; approved
MINUTES OF THE FIRST OFFICIAL MEETING OF THE
2007-2008 UTAH-IDAHO DISTRICT BOARD OF TRUSTEES
OF KIWANIS INTERNATIONAL

RED LION HOTEL, Idaho Falls, Idaho
19 August 2007

Welcome by Governor Bill Mullins at 10:35am
Invocation by Barbara Mullins

In Attendance: Governor Bill Mullins, Governor-elect Patricia Hansen, Immediate Past Governor Jim Terry, Secretary Janet Flinders and Treasurer Marvin Chamberlain.

Unexcused: Div 1 Dick Hodson, Div 4 NO ONE ELECTED.

Guests: First Lady Barbara Mullins, Kiwanis International Club Development Manager Jim Courtright, Chuck Baker (Bonneville Club), Utah-Idaho District Foundation President Lowell Inkley and TAG Team for Utah, Skip Flinders, CKI Governor Lauren Delana, and Key Club Governor Keith Cash.

First Lady Barbara Mullins presented the 2007-2008 District Project: She would like every Kiwanis Club and all Service Leadership Programs to make hospital dolls. Patterns and instructions will be sent to every club and to each member of the Board of Trustees. Please make as many of these dolls as you can. Marv moved; Wally seconded with a unanimous vote.

Lowell Inkley reported on the Utah-Idaho District Foundation: Increased $40,570 in assets at 30 June 2007. This included an endowment received of $24,670.23 from an estate. He encouraged each Lt. Governor and all clubs to buy a Reed Culp Medal at a discount until 30 Sep 2007. Through an anonymous giver, the Reed Culp can be purchased with a donation of $667, instead of $1,000. It would be great to honor a past president with this gift or just buy one for yourself. It is tax-deductible. The Foundation provides funds for the Key Club and CKI Administration and scholarships; and funds some of the costs of Key Leader.

The goal of the Foundation is to have $1 million at its core.

Lowell Inkley reported on new club building in Utah: The Draper Club is being built and recruiters are inviting people to join this new club. Draper is in the south of Salt Lake Valley. The teams will need to continue with follow-up for the next six weeks. 25 members are needed to send the request for charter. Right now 6 are paid and 6-8 are close to commitment.

The TAG Team (Together Achieving Growth) is to consist of at least one member in each division plus every member of the District Board. Jim Courtright will train those new members. The following are already members: Bill Mullins, Tooele; Lowell Inkley, Salt Lake City; Bruce Belliston, Provo; Chuck Baker, Bonneville; Bob Parish, Filer; Merrily Munther, Boise; Bob Cameron, Rupert; Patricia Hansen, Twin Falls. Dick Rush moved, Norman 2nd to accept the District Foundation Report. Vote was unanimous.

Dates of the Draper Organization Meetings and Charter Night need to be sent to all members of the District Board.

Marvin Chamberlain presented the New Budget and financial reports. The anticipated income is $58,000 with expenses at $56,625. Patricia moved to leave the budget as it stands, but requires an accounting from each officer for reimbursement (receipts must be submitted). Marv will make a reimbursement form spreadsheet for each to fill out. Marv amended it to set a mileage figure of so many cents per mile. This died for lack of a second.

Marvin moved to increase the Governor’s travel expenses to $1,975.00; Wally seconded; vote was unanimous.

Marv moved to approve the budget as adjusted; Rich seconded; vote was unanimous.

Trying to get Dave Ferdinand to give a back door access to the District Website to get it updated in a timely manner. Get the information to Gordon Lewis, who will keep the website current.

It was moved by Patricia to authorize Marvin Chamberlain to pay bills without board approval; Richard seconded; vote was unanimous.

Chuck Baker reported that the Kiwanis Int’l Annual Club Gift Campaign is at $4.18 per capita. Unless it reaches $5.00 per capita, Key Club and Circle K will both be short one scholarship. About 13 clubs still haven’t donated. All Lt. Governors are encouraged to get the clubs in their divisions to budget and pay the Annual Club Gift by 31 May 2008.

Lauren Delana, CKI District Governor, was grateful for the treat of attending the District Convention. There are now 6 CKI clubs in the District. The goal is for 10 club by 31 May 2008. She is working on the communication lines with CKI, Kiwanis and Key Club; wants to increase productivity in the service area; Kiwanis Clubs must be there for support. The 10 CKI clubs of her goal are: Albertson’s College (Caldwell), Utah State University (Logan), Westminster (Salt Lake City), Brigham Young University (Provo), Utah Valley State University (Orem), University of Utah (Salt Lake City), College of Southern Idaho (Twin Falls), Boise State University (Boise), Brigham Young University Idaho (Rexburg), and Southern Utah University (Cedar City).

Keith Cash, Key Club District Governor, grateful for all Kiwanis does and for all the District Foundation does. His goals are to get a Lt. Governor for each Key Club Division, still missing Lt. Governors for Div 1, 2B, 6B and 9; and needs help getting into the back door of the Key Club Website. The Key Club District Training Rally will be 15 Sep 2007 at Lagoon. Be there by 11:45 am so the training can start by Noon.

Key Leader in Cascade, Idaho was cancelled due to lack of registration. It has been rescheduled for May 2008 in Cascade, Idaho. Advertising will be heavy. The District Foundation will support this program.
Lt. Governor’s reports:

Div 6 – Dick Rush – Enjoyed meeting everyone; wants every Club President and himself to be distinguished members.

Div 3 – Norman Taylor – #1 Goal is to be a distinguished member; will meet each club president and secretary and will visit every club; will schedule President’s Council Meetings for the whole year and will communicate with each pres/sec to let them know what the goals are and what is expected of them for the year.

Div 5 – Wally Studer – Took lots of notes this weekend; PCM’s must happen; needs continuity, discuss problems and successes; his daughter teaches at Burley Jr. High School, so a Builders Club will happen; has helped with the Hailey Club; feels there should be a breakfast club in Twin Falls and a club in Kimberly; Working with the Burley Club to build it up and get it more activated.

Heyburn Girl Wins Top Kiwanis Awards
Article from the Minidoka County News, August 29, 2007

Kolbee Lynn Tibbets was presented two awards from the Kiwanis International President Nelson Tucker at the 2007 Utah – Idaho District Convention.

Kolbee won the Art competition at the international level and also won first place in the essay division. Kolbee is a member of the Heyburn K-Kids sponsored by the Rupert Kiwanis Club. Jolene Toland is the Heyburn K-Kids advisor and Derry Lee Smith is the Kiwanis Club member responsible for school clubs.

This is a great honor for Kolbee. She accepted her awards at the Saturday luncheon in Idaho Falls and read her winning essay to the convention delegates and luncheon attendees.

Growing as a Leader
by Kolbee Lynn Tibbets

President Nelson Tucker stated in the October 2006 KIWANIS magazine, “It’s easier to stay the same than it is to change and be in a position to do more for their community and our world.” I have changed a lot and K-Kids has helped me become a more confident, responsible, respectful, and caring leader.

At the beginning of the year, I was rushing through schedules trying to get everything done. As president of the K-Kids, planning activities was hard and I didn’t have the confidence to talk in front of people - not only was I scared, but I didn’t know how to conduct meetings. Doing K-Kids helped me gain confidence to talk in front of people. Now I have each step in mind when I get up to conduct and I am able to do it well.

When K-Kids started, I organized what we (the presidency) had planned for each meeting or activity, which made it easier to get everything done. Planning the meetings made me responsible because I had to take my own time to plan them. K-Kids made me think about what other people like to do. That took a big part in planning activities.

K-Kids taught me not to worry about just myself. I learned that I have to work as a team - I can’t accomplish very many things by myself. It is not all about me. I have to give other people a chance to take part in conducting and planning. Before K-Kids, I wanted to do everything myself. At the beginning of K-Kids, my presidency and I made a bulletin board showing a service project. Pictures were being taken and I thought I should have gotten the credit. Instead the service project committee had their picture taken in front of the bulletin board. Now I know to let other people have the glory and it is okay.

K-Kids helped me become a respectful and caring leader. In my K-Kids club, there is a little girl who has special needs. That has made me respect handicap kids and help them. K-Kids has opened my eyes to see what is going on in my school and community so that I’ll take action and care about what is happening.

I am very glad that I joined K-Kids because I’m now a better leader with confidence to talk in front of people. I gained the responsibility to accomplish the duties of a K-Kids President. I respect other people, and I have become a caring leader that cares about what is going on in the world around me.

CAPITAL CITY, BOISE CLUB NEWS

From the August 2007 Newsletter

Capital City, Boise Kiwanis Club purchased a bench for the Zoo Boise African exhibit and approved the purchase of advertising to promote awareness of recycling and programs those funds support. 500 lbs of peanuts were purchased for sales at the KCCC BSU Game at Bronco Stadium on Sept 15th.

The Board has approved the sponsorship of a new K-Kids Club at Pioneer Elementary School. They also approved the building of a playhouse to help raise money for Wishing Star, an organization that helps children with serious life threatening diseases or injuries. The Kiwanis Club will team up with a “Command College” class to build this playhouse. There will be everything from handing walls to hanging drapes, so everyone was needed to get this finished before Aug 17th.

NAMPA KIWANIS DONATES BOOKS TO K-2ND GRADE

Hundreds of local grade-school students are receiving free books that they can take home and read with their families.

The Nampa Kiwanis Club donated $1,050 for almost 4,000 books – valued at $33,000 – for delivery to Nampa’s Sherman, Lincoln, Reagan & Snake River elementary schools. These books are courtesy of the Treasure Valley Reading Foundation, which works with publishers & national organizations to provide children with books of their very own.

Students in kindergarten through second-grade at all four schools will each receive three books to take home with them.

Peggy Sellman, president of Nampa Kiwanis & upcoming Lt. Governor of Division 9, said the Kiwanis Club made the donation because of the importance of helping kids learn to read. “If we can help out by giving these kids books,” she said, “it’s just going to make their lives better.”

Scott McDonald, executive director of the Reading Foundation, said the organization, now in its fifth year of existence, has donated $1.8 million in books to local students.

The Foundation aims to get parents to read at least 20 minutes each day with their kids, “from the time they bring the child home from the hospital,” McDonald said.

BUILDING A LEGACY

NEW PLYMOUTH KIWANIS REBUILDS FAIR BOOTH

By Jennifer Colton, Argus Observer

The Payette County Fair has a new New Plymouth Kiwanis Club booth. Kiwanis Club Member & New Plymouth Mayor Scott Moscrip said. “We had just outgrown our old building.” The old building was about 17’ x 30’ with the new booth at 23’ x 36’
