A group of graduates, well established in their careers, were talking at a reunion and decided to go visit their old university professor, now retired. During their visit, the conversation turned to complaints about stress in their work and lives. Offering his guests hot chocolate, the professor went into the kitchen and returned with a large pot of hot chocolate and an assortment of cups - porcelain, glass, crystal, some plain looking, some expensive, some exquisite - telling them to help themselves to the hot chocolate.

When they all had a cup of hot chocolate in hand, the professor said: 'Notice that all the nice looking, expensive cups were taken, leaving behind the plain and cheap ones. While it is normal for you to want only the best for yourselves, that is the source of your problems and stress. The cup that you're drinking from adds nothing to the quality of the hot chocolate. In most cases it is just more expensive and in some cases even hides what we drink. What all of you really wanted was hot chocolate, not the cup; but you consciously went for the best cups... And then you began eyeing each others cups.

Now consider this: Life is the hot chocolate; your job, money and position in society are the cups. They are tools we use and enjoy to help us serve the children. Sometimes we spend so much time concentrating on as a Kiwanian? Do you let

Kiwanis service to children is the hot chocolate. The meeting, the music, awards, positions, the fundraisers and community service… and all of the other “things” we do in Kiwanis are the cups. They are tools we use and enjoy to help us serve the children. Sometimes we spend so much time concentrating on the “things” that we forget the children. Take a minute right now to look at your Kiwanis activities and expectations. What are the “things” that you find yourself concentrating on as a Kiwanian? Do you let “things” get in the way of service to the children? If you think you need to make some changes, do it today. Do it for the children.

And enjoy your hot chocolate.
Growth for Service
Pattie Hansen, Utah-Idaho District Governor

As I sat in the Installation Dinner at Annual Convention on the evening of the 23rd in Salt Lake City two things stood out above the many thoughts circling my head; one: that I was following the leadership example of truly great Kiwanians, and two: that I really care about the success of the Kiwanis in our District.

Throughout my business career and during my Kiwanis membership I have learned a lot about leadership, specifically servant leadership. Servant leadership is about relationships. It’s about serving people not an organization. Whether we lead in Kiwanis as district or club officers, committee chairmen or whatever capacity… we serve people and ultimately we serve the kids. While we serve, we have the opportunity to work with the most amazing group of individuals I have ever had the privilege of knowing, Kiwanians. The rich relationships and fellowship that Kiwanis provides each of us cannot help but make us better individuals and leaders. When I think of the leaders that I have known in my life and those who have impacted me the greatest for good, I do not have to look outside of Kiwanis to find most of them. I serve Kiwanis today because of the great men and women who have brilliantly and energetically led clubs, divisions and the Utah Idaho District Kiwanis before me. Their example of servant leadership and their commitment is what makes me want to serve Kiwanis as well.

The Utah Idaho District is here to serve the clubs. When clubs are weak, the entire district is weak. When the district is weak, clubs do not receive the support they need to succeed. As district leaders it is our job to provide you with resources, training and support that you need to be successful, energized clubs who serve children in your communities. I pledge my support to you in any capacity that will help you in your Kiwanis experience. Let’s all focus on the most important area of Kiwanis: the club. If we work to make our clubs the best that they can be, we will have members who are motivated and energized, communities that are stronger and youth programs that are successful. Great members make great clubs, and great clubs build strong communities as they serve children.

Growth for Service, you will hear it often from me in the coming year. We have enough members to do the things we are doing now, but we do not have enough members to do the things that need to be done. We currently have more members leaving the majority of our clubs than we have coming into them. It is time to take a look at your club members experience and see what can be done about making your Kiwanis Club the organization in your community that everyone want to join. Talk to the members, talk to prospective members, do not be afraid to make changes that bring your club into the spotlight in your community as the must do organization. Service to children and youth is an attractive motivator to folks to join an organization. If your club does not sponsor a K-Kids Club, Builders Club and Key-Club, there are children in your community who are missing out on leadership and service opportunities that only you can give to them.

As your servant leader, I am here for you. Please do not hesitate to contact me for support as you serve the children in your town. My email addresses is: utahidahogov@live.com.

Thank for all that you do for Kiwanis, for your clubs and for the children.

Yours in Kiwanis Service,
Pattie

Share your vision of what’s truly important…what you want and need your team to achieve. Don’t just recite the organization’s vision – that’s great for the annual report, but employees need to know what’s in your head. It should be a clear explanation of what your team’s results can and should be…and how you see that happening.

In 100 years, it won’t matter what house you lived in, what car you drove, or even what your clothes looked like.
What will matter is that you made a difference in the life of a child.
- Dr. Forest E. Witcraft
LET US NOT FORGET OUR PEOPLE,
AND BE KIND, THOUGHTFUL, AND COURTEOUS
Brent Ashworth, Utah – Idaho District

I recently had the blessing of looking into the excited eyes of a young grandchild who wanted me to read her a story. As the reading finished, she asked me to read her another story and then another. Although not yet able to read herself, she already has the spark of learning in her soul.

In our Provo Kiwanis Club and throughout our Utah-Idaho District, we have many grandpas and grandmas who are ready, willing and able to read to a child. We also have Kiwanians who spend many hours helping both children and their parents and community members in many worthy efforts without seeking any personal glory or reward other than the desire to be of genuine service.

Service is its own reward. Kiwanis members and clubs throughout our district and, indeed, the world know and practice it in many ways. Perhaps my favorite poet, Emily Dickinson, said it best,

If I can stop one heart from breaking,
I shall not live in vain;
If I can ease one life the aching,
Or cool one pain,
Or help one fainting robin
Unto his nest again,
I shall not live in vain.

In conjunction with our service, are we treating each other as Kiwanians with kindness? A famous Japanese proverb says “One kind word can warm three winter months”. Mark Twain, my favorite novelist, once said he was good for another two months after receiving a good compliment. Are we acknowledging those who serve us in our clubs? We should make it a point never to leave one of our meetings without genuinely complimenting at least one fellow Kiwanian for something which would otherwise probably go unnoticed. May I also suggest that our compliments are not empty ones, but are followed by action. As one of our pioneers of flight, Wilbur Wright, once put it, “A parrot talks much but flies little”.

It has been said that kindness is a language the deaf can hear and the dumb can understand. As we assist with our various duties in our clubs, a smile goes a long way to encourage members to want to return week after week, even if the programs are good. Our nation's grandpa, Benjamin Franklin, said, “A cheerful face is nearly as good for an invalid as healthy weather”. He also said, "Any fool can criticize, condemn and complain--and most fools do”.

So, as we encourage our members to want to continue to attend and build our clubs with new members, let's not forget our people skills and be kind, thoughtful and courteous to one another. Let us also continue to read that child a story and help others in need. Emerson reminds us, “It is one of the most beautiful compensations of this life that no man can sincerely try to help another without helping himself”. The same can be said of us as Kiwanians as we build our clubs.

Please feel free to call on me at any time I can be of help. I am honored to serve as your governor-elect.

MANY THANKS
Immediate Past Governor Bill and First Lady Barbara

As our year as Governor and First Lady has come to a close, we have reflected back on all our old and new Kiwanis friends throughout the Utah/Idaho District and around the world. Many thanks for the opportunities we've had while being Governor and First Lady. This past year has given us many rewarding and special experiences. We have been impressed with all the good works you do. Once again we'd like to share with you what Past International President, Dave Curry, shared with us:

KIWANIS PRIDE
We have to make Kiwanis proud of our efforts, whether they are:
*Fundraising for good causes, money can be the root of great good.
*Hands on service especially regarding our efforts for helping our youth.
*Sponsoring others so that their lives are in balance, we don't know when someone else is ready to heed the call of service.
We have a glorious future linked to a glorious past.
What we do matters in the lives of others.
What our leadership does, matters in fulfilling our mission.
What each club does is significant in its community.

We do hope you realize the impact that all of you Great Kiwanians have made and will make to the children in your communities. Thank You again and keep up the good work as you touch the lives of the children from around the world.
KIWANIS, BOYS & GIRLS CLUBS PARTNER TO BENEFIT CHILDREN

Recognizing that no single organization can provide remedy to the needs of children worldwide, Kiwanis International has joined in a memorandum of understanding with Boys & Girls Clubs of America to foster, nurture, and establish a legacy of serving children, a cornerstone mission for both organizations.

Dave Curry, president of Kiwanis International, and Rick Goings, board chair for Boys & Girls Clubs of America, said the partnership "provides great promise for children in communities across the United States."

Under the terms of the memorandum of understanding, Boys & Girls Clubs would encourage its 4,000 clubs in the United States and other nations to:

- Invite Kiwanis members to visit and possibly meet in Boys & Girls Club facilities
- Explore opportunities for joint projects with Kiwanis family members
- Invite Key Club and Circle K members to volunteer in Boys & Girls Club activities, especially education, sports, and recreation programs
- Invite Kiwanis members to serve as judges in the Youth of the Year contest
- Invite interested and qualified Kiwanis members to become board members of the local Boys & Girls Club

Kiwanis International would encourage its nearly 8,000 clubs around the world to:

- Visit the local Boys & Girls Club
- Become a sponsor of the Youth of the Year program
- Host Boys & Girls Club speakers (including Youth of the Year recipients)
- Invite club staff, board members, and volunteers to consider Kiwanis membership
- Access opportunities for service at or through the Boys & Girls Club

Additionally, Boys & Girls Clubs and Kiwanis members plan to attend and take part in major events such as conventions, large district meetings, training and educational meetings, and other appropriate meetings. Said Curry and Goings, the partnership brings together two powerful forces to provide to young people:

- A safe place to learn and grow
- Ongoing relationships with caring, adult professionals
- Life-enhancing programs and character development experiences
- Hope and opportunity

Discussions are ongoing to define the details of the relationship, but Kiwanis club leaders are encouraged, if they do not already have a relationship with local Boys & Girls Clubs, to begin talking and visiting with local Boys & Girls Club leaders to explore opportunities to work together to benefit area children. To find a Boys & Girls Club in your area, please visit: http://www.bgca.org/clubs/

KIWANIS RISK MANAGEMENT CORNER

Lori L. Bergsma – District Risk Manager

Certificates of Insurance

As all of you know, clubs have the ability to issue their own certificates of insurance in those instances where they are ONLY evidencing coverage to a third party. Clubs are prohibited from modifying certificates (i.e. changing effective dates, carrier names, limits of coverage, etc…) as well as adding any additional insured language in the description of operations box near the bottom of the form.

Recently, the Hylant Insurance Group representing Kiwanis International insurance coverage received a copy of a certificate issued by a club for an event that is to start this month and wrap up next year (September 2009). The club member responsible for organizing the event had masked over the original effective dates (November to November) on the certificate and typed in September to September effective dates.

Needless to say, what this individual did was wrong!

My point in writing is to remind the clubs that under no circumstances are they to alter effective/expiration dates, policy numbers, or anything else on the certificate. Clubs are ONLY allowed to enter the following information on a certificate—

- Date certificate is being issued
- Kiwanis Club Name, contact person, and complete mailing address
- Certificate holder name, contact person and complete mailing address
- Type of event, dates of event, location where event is being held.

Referring the certificate of insurance packet itself,(Sent to each club secretary) I would like to quote the following—"Any Certificate of Insurance which is altered beyond this will be considered NULL AND VOID!"

This is something that all of us must take very seriously! Your help in appointing a Safety Coordinator responsible for this within your club is very much appreciated.

Another Reminder: Directors and Officer insurance renewals and applications to purchase this coverage in addition to the provided general liability from Kiwanis International will be mailed to the clubs from Hylant shortly for the November 1 effective date.

Our training at the District conference was well attended. Thank you for your willingness to serve in Kiwanis and please feel free to call Adam at Hylant with questions at (317) 817-5139 or email me at lori@balancedrockinsurance.com.
I came across the other day an old article around 1994 about a speaker who was the vice-president of Kiwanis International. In fact, this article may have been referring to his talk to the Utah-Idaho District of Kiwanis but I don’t know, since it did not give the name of the person or the location of the talk. Let me just quote a few things in the article about this unnamed person.

He had been introduced to the audience as the owner of a successful business in Illinois, and a respected leader in his community who had now risen to fill one of the highest offices in the international service group. He told of his birth as a twin in a small industrial city nestled in the granite mountains of Vermont. His immigrant parents had come there from northern Italy to work in the granite quarries, but after a serious injury his father moved the family to a small truck farm.

When his twin sons were only 3, the despondent father, who had become an alcoholic, took his own life, leaving his wife who spoke no English to care for a 7-year-old daughter and the twins.

Unable to take care of the farm, the mother moved her family into a nearby city, but could only afford a small home near a river and on the other side of the railroad tracks. During these years, of the great Depression, times were hard, and often there was little or no food. Vagrants frequented the railroad yards, and often would break into the home, causing the children to run and hide from them.

Shortly after the family moved into the home the area experienced one of the worst floods in Vermont’s history and the home was destroyed along with its meager contents. No one helped the struggling family. They were left alone to cope with life.

The twin brothers were old enough to pull a wagon they sold soft drinks and chocolate milk to the workmen in the granite quarries. Often older boys chased them away, broke the bottles, and called them derogatory Italian names. During the winter months they sold candy bars in the offices and work areas near the quarries.

On the day before the twins were to celebrate their 12th birthday anniversary they decided to sell some candy bars to get enough money for a small birthday celebration. It was winter, and there had been considerable snow. As the boys started to cross the railroad tracks one of them slipped and before he could get up was run over by a moving train and killed. “No one will ever know the trauma of that accident that killed my brother,” the speaker quietly said.

The newspaper in the city carried the story with the headline, “Twin Killed in Train Accident.” A man came to their home and because the mother could speak no English she called her son to find out what the man wanted.

He explained that he was the Boy Scout leader of one of the local troops. He had read about the accident and wanted the young man to join the Scout troop. After listening to the man, the young boy told him he couldn’t afford to join because he didn’t even have enough for the 5 cents dues.

The Scout leader persisted and said not to worry about the dues or other costs because he would take care of them. He just wanted him to come and be with other boys.

Shaking and frightened, the young recruit went with the man to the meeting, and found friendship and people who cared. "My 12th birthday was the first time in my life that I felt somebody cared about me," he said.

He stayed in the Scout troop, even though he had to work at three jobs while going to high school. As he spoke he said he had been registered in Scouting now for 50 years and was most grateful for what the Boy Scouts of America had done for him.

He told of finishing high school, being drafted into the military during World War II, of his marriage, settling down in his wife’s home town in Illinois, developing his business, rearing his family, and serving in various Scouting positions.

And yet, he said, he harbors one regret. He never took the time to write a letter of gratitude to the man who came to his humble home and cared enough to invite him to join a Scout troop.

"In the next 24 hours," he said to his audience, "take 10 minutes to write a grateful note to the person or persons who may have helped you. It could be one of the most gratifying notes you have ever written."

I think that is good counsel for us today. Whether it be through Scouting, Kiwanis, or in some other way, we should take the time and thank those who have reached out to us. May we also be the person reaching out to help a child who is in need and give our support to those organizations that sponsor programs that help children.

KIWANIS INTERNATIONAL FOUNDATION ESTABLISHES LINDA CANADAY SCHOLARSHIP FUND

Acting on a request from Don Canaday, Kiwanis International President-designate, the Kiwanis International Foundation is establishing a scholarship fund to honor his beloved wife, Linda Canaday, who died recently of complications from surgery.

Linda Canaday was a former teacher and, along with her husband, associated with Kiwanis for many years. Donations will help fund scholarships for Key Club students.

“I can think of nothing that would honor Linda more than a fund such as this,” said Don Canaday. “Through this tribute, her love of children, shown through her teaching and her committed and caring compassion for children through Kiwanis will live on.”

To donate, please send check or money order to The Linda Canaday Scholarship Fund, care of the Kiwanis International Foundation, 3636 Woodview Trace, Indianapolis, IN 46268. Or for information, please call, toll free: 1-800-549-2647 (U.S. and Canada Only)

36-55 members:
Provo
56 & over:
Caldwell
Welcome by Governor Bill Mullins at 1:38pm

In attendance were: Governor Bill Mullins, Governor-elect Pattie Hansen, Immediate Past Governor Jim Terry, Secretary Janet Flinders, and Treasurer Marvin Chamberlain.

Guests: Kiwanis Int’l Trustee from Belgium: Robert vande Rievie; Past Governor & Resolutions Chair: John Moray; CKI Assistant Administrator: Karl Greenwood; Key Leader Administrator: Derek Schenck; Past Governor & Int’l Foundation Chair: LaMar Anderson; Website Manager/District Newsletter Editor: Gordon Lewis; Past Governor & District Foundation President Bob Dempsay; Candidate for Governor-elect Brent F. Ashworth.

Invocation by Wally Studer.

Minutes – Janet Flinders. Marvin moved, Peggy 2nd to accept minutes from the 3rd Board Meeting held in Twin Falls, ID and the 4th Board Meeting held in Orlando, FL. Vote was unanimous.

List of Missing Monthly Reports, Missing Annual Club Election Reports and Clubs who have not yet begun reporting online were presented to the Lt. Governors for help getting these reports in.

Treasurer’s Report – Marvin Chamberlain. Jim Terry moved, Wally Studer 2nd – unanimous. Allowance/Mileage checks are written and were presented to those in attendance.

Dennis Brown CPA does the District’s financial review. Pattie Hansen moved to keep him as the District CPA, Dick Rush 2nd – unanimous.

US Bank account had more money than needed. Stan Snow moved to transfer $20,000 from a non-interest bearing account into a Money Market account, Wally Studer 2nd – unanimous.

Division of remaining International Convention Budget was moved by Wally Studer to split remaining funds among those board members who attended, Janet Flinders 2nd – unanimous.

International Foundation report – LaMar Anderson – Last report from the Kiwanis Int’l Foundation on 15 Aug showed $4.47 per capita – $8,422.60 has been donated from the Utah-Idaho District so far. The District goal is $6.00 per capita. International requires $5.00 per capita to get scholarships. LaMar sent e-mails to all Lt. Governors and other District Board Members. He will be calling every club president who hasn’t yet donated to the Annual Club Gift Campaign. The total number of matching scholarships received from Kiwanis Int’l Foundation will be decided by the per capita donated. $5.00 per capita will bring back 5 Key Club matching Scholarships and 5 Circle K matching Scholarships. The goal is to receive 6 for Key Club and 6 for Circle K. Gene Piland would like Lt. Governors to contact a couple of club members in the clubs in their divisions who have not donated and talk about the Annual Club Gift Campaign, so they can bring it up to their clubs. Patti suggested that a letter to the clubs about the things that they are supposed to budget during the year should be sent. Sometimes it just takes a little education for clubs to know about all the donations they need to make each year.

Governor Bill suggested that the Lt. Governors should present these donation requests at the Club Board Meeting that they are required to attend when the club budget is decided for the year.

Marvin sent out a letter of monies due last year and received back quite a bit of response. District Foundation Report – Bob Dempsay. The District Foundation gets money from clubs, individuals and the district. The following clubs have donated to the District Foundation during 2007-2008: Bonneville, Capital City Boise, Cedar City, Elmore County, Highland, Logan, Nampa, Ogden, Provo, Rexburg, St. George, Santa Clara, Timpanogos, Tooele and Twin Falls. These donations totaled $6,018.54. 50 clubs in the District don’t seem to care about kids outside of their own club or area. Our focus has to be larger than our own community. Wally Studer endorsed his final allowance/mileage check back to the District to be divided among the clubs in Div 5 to bring their donations up to $6.00 per capita with the balance to the District Foundation.

Bob Dempsey stated that he doesn’t care if anybody likes him or not; Lt. Governors get money from the District and aren’t earning it.

New Club Building – Lowell Inkley. A workshop will be taught on Saturday about new club building in the District.

Service Leadership –

CKI – Norman Taylor. He doubled his staff this year with the appointment of Karl Greenwood. Karl will keep the CKI District updated with his computer skills. Norman just returned from CKI International Convention in Denver, CO. There was a young lady from England attending from the College of Idaho who wants CKI in England. Norman will give her contact information to Robert vande Rievre, so he can help her with building CKI in England. CKI clubs are doing individual service projects. Utah Valley College is doing Babycare Cupboard with the Capitol Hill Kiwanis Club. Capital City, Boise Kiwanis Club is helping to build a CKI at Boise State. A Kiwanis Club in Nampa is needed to step up to
build a CKI there. Westminster College in Salt Lake City is on its way back up. There are people working at Dixie College in St. George to build a CKI Club there. All support given has been appreciated. Thank you very much. Karl Greenwood is the CKI Assistant Administrator – He is a past CKI alumni and member of the Orem Kiwanis Club.

Key Leader – Derek Schenck. May 2008 Key Leader took place in Cascade, ID with 56 students, 10 chapersones, Dick Peterson from Kiwanis In’t! and Amy White from Hawaii. The Key Leader Camp was a great success. Derek expected a train wreck somewhere and was surprised it didn’t happen. They taught Communication, Leadership Skills, had the Ropes Course and Zip Line set up. SUCCESS STORY: 8 STUDENTS CAME FROM A CHARTER SCHOOL. The principal of that school has called Derek and wants a Key Club in his charter school. There is a huge need to get more kids into Builders Club and Key Club. Attendees were 13–18 years old from Private and Public Schools with 2 kids being home schooled. It was a 3-day success. It brought more attention to Kiwanis. This program is in Mexico and Europe. Patty attended and Peggy Sellman’s daughter wants to attend again. A BIG THANK YOU to all the clubs who supported Key Leader. More support will be needed for next year. Key Leader Camp will be the same weekend in May 2009. Jim Terry and Pattie Hansen both congratulated Derek on the fine job he has done for the last 2 years. Wally Studer also attended. There is a new Builders Club in Div 5. They sent the advisor to Key Leader. He took a student with him who has been to many other leadership training meetings, but said this was the best he had ever attended. Dick Rush said a Mom of a Key Leader attendee has joined Kiwanis.

A busload of students came from Twin Falls to Cascade with the bus ride being donated. Transportation costs need to be worked into the budget, but Kiwanis Clubs should support the kids they send.

A Key Leader needs to happen in Utah, but a really good site coordinator is desperately needed.

International Trustee Robert vande Rieviere was introduced along with Brent Ashworth who is running for Governor-elect.

Lt. Governor reports:

Div 1 – Dick Hodson was not in attendance.

Div 2 – Mark Anderson had a pretty good year, thanks to Lowell Inkley building a club in South Salt Lake Valley. The new club is growing and doing well. More inter-club meetings have been happening. Some clubs have lost an awful lot of members, but are trying to turn it around.

Div 3 – Norman Taylor had a hard time – no division council meetings, but he is working with each individual club. Needs to make it happen next year. The Ogden and North Ogden clubs have grown some. Wasatch-Roy/Riverdale club sponsors a Key Club at Roy High School with only 6 Kiwanis members in their club. There is lots of work to do, but it is going well.

Div 4 – Has NO Lt. Governor – Jim Terry has been filling in. They had a great governor’s banquet last week. There is a Lt. Governor for next year. The Blackfoot Kiwanis Club Secretary has gone blind and needs someone to replace him, but can’t seem to find anyone interested.

Div 5 – Wally Studer had a pretty good year individually. Club leadership councils don’t work. Had one and 3 clubs showed up. Cheryl Juntunen is the new Lt. Governor and is looking toward doing telephone-communication meetings and will try other new ways to meet. Wally worked very hard on Key Leader. He felt like the Lt. Governor’s job turned into a collection agency. He did get all the clubs to contribute to the Annual Club Gift Campaign, but needs to know how to get the clubs to send money to outside sources? It would be nice to be able to do everything, but only so much can get done. Jim Terry appreciated Wally’s support with leadership training in Div 4.

Div 6 – Dick Rush had a very active year. Had 11 leadership meetings so far. Asked the club presidents to cancel one meeting and only have 11 instead of 12. They asked him to change the date, so they could still have the meeting. Frankie Marler is the incoming Lt. Governor and will do a terrific job. She is an extremely committed Kiwanian.

Daybreakers-Meridian Club is going to close their door. The President and Secretary are both dual members of the Capital City Boise club and have tried to keep this club going. It just isn’t happening. All the members will transfer to another Kiwanis Club. Whether Meridian or Eagle, he doesn’t know. Kuna just got a new member and has a president who is a Doctor. He is committed to making the club work. Eagle has changed location and is making it work, too. They are having a Secretary training for Sep 6th with Div 6 and 9. When Daybreakers closes, Dick needs to pick up the banner, gong and anything else with the Kiwanis symbol on it. Also, get two checks closing their checking/savings account. This money will be disbursed. Annual Club Gift Campaign, CKI Outreach and the balance to the District Foundation. They don’t know if they will close Oct 1st or Sep 30th.

Div 7 – Stan Snow. Had Keith Parke lined up to be the Lt. Governor-elect, but has quit to take a job in Las Vegas, NV. The new Lt. Governor-elect is Pat Creamer from Cedar City. Dani Katwyk is the new secretary of the Cedar City Kiwanis Club. Cedar City club will not travel to St. George for training because of the gas expense. St. George is doing well. All clubs have contributed to the Annual Club Gift Campaign!!! Stan will send a
check for $50 for the ACG and $50 for the District Foundation. Santa Clara is bringing in two new members.

Div 8 – Gene Piland. Visited five of the six clubs. Small clubs have been inducting new members. West Valley has felt tremendous pride to be the sponsor of a new Builders Club. Park City club took a major hit in membership because of inactivity and non-dues paying members, but are still very committed to supporting youth. Rayleen Barnes at Heber Valley club has also taken a big hit of member loss.

Div 9 – Peggy Sellman. Can’t get anyone to attend President’s Council meetings. She will try to get secretaries to meet as least a couple of times a year. They have an awesome time when they can get together and do learn a lot. Nampa is excited to be online reporting. Peggy will attend the club board meetings to get the Annual Club Gift as a line item on each clubs’ budget.

Div 10 – Dick Foote was not in attendance.

Robert vandi Rieviere is from Belgium. 105 miles is the size of the country. There are 4,000 members in their district. He is a rookie at Kiwanis Int’l because this is his 1st year on the Int’l Board. Kiwanis Int’l President-designate Don Canaday sends his best wishes. Janet Flanders picked him up on Tuesday from the Salt Lake Airport. He is having a wonderful time and has visited the Logan Kiwanis Club and the Heber Valley Kiwanis Club. This District is down 3% in membership, so he has already been counseling Peggy and talking about goals and accomplishing them. He will speak to anyone personally and will be glad to do all he can to help everyone in the Utah-Idaho District. He paid his own way when he came to the United States in February to attend Mid-year Conferences at Texas/Oklahoma, Missouri/Arkansas and Cal-Nev-Ha, so he could understand better what is happening in the US. Very please to be here and will ask Kiwanis Int’l to let him continue as the Utah-Idaho counselor next year too!! Thank you for welcoming him so completely.

Governor Mullins thanked him for being here.

Lowell Inkley will help any Lt. Governor who wants to build a club very shortly. Patti said she is still looking for a new club builder in Idaho and someone to help here.

Governor Bills comments: Kiwanis is a global organization of volunteers. We have volunteers in this room. Club Presidents are volunteers. We cannot force anyone to do anything, but we CAN ask. He wants everyone in this room to know that he is indeed grateful for the support of the District Board and District Chairpersons. A lot was accomplished with those who accepted positions. Thank you for coming here and giving comments. It is what builds Kiwanis. We accept the good and work on the bad. He loves each and every one in attendance and appreciates the effort that has been put forth. Hopefully next year will be an even better. With every hole played in the Golf Tournament this morning, Patti and Bill were able to hit the ball a little farther each time they hit the ball. We are blessed with the people who are in this organization. You will win just because you have done what you have.

Wally Studer left right after this meeting, but presented Governor-elect Patti with a necklace that says “All Hail the Queen”. Stan moved and Jim 2nd to adjourn at 3:37pm. Unanimous.

In attendance: International Trustee Robert Vande Rieviere, Governor Patti Hansen, Governor-elect Brent Ashworth, Immediate Past Governor Bill Mullin, Secretary Bob Dempsey, Treasurer Marvin Chamberlain

Lt. Governors in attendance: Michael Gordon division 1, John Brown division 2, Norman Taylor division 3, Cheryl Juntunen division 5, Frankie Marler division 6, Rayleen Barnes division 8, Peggy Sellman division 9, Chuck Rasmussen division 10.

Guests: Karl Greenwood Circle K. Administrator, Lamar Anderson, Kiwanis International Foundation,

Welcome by Governor Patti Hansen at 2:30 p.m., Sunday August 24.

Invocation by Governor-elect Brent Ashworth.

Patti introduced our International Counselor, Robert Vande Rieviere. Following are some of his comments.

He has enjoyed his time at this convention and is impressed with the officers of the district. He talked about personal organization for each officer as they serve out their duties this coming year and will send a template on what he did and how he managed his life while the Governor of the Belgium district. His goal for the district during the next year is one new member per club, for a total of 62 new members by the end of the year. We need to have a strategic plan in place so that we can see where we want to be in the next few years. Clubs need to re-look their budgets for what are today priorities and examine them to see if these are the priorities that fit today's community. One thing that the clubs need to do is to brainstorm with a club assessment and a community assessment.

One thing he noticed about the convention was the lack of attendance. We need more clubs present and more members present in our conventions. This convention had 18 clubs and somewhere around 40 delegates and a total of about 85 attendees. We need to plan ahead for next year to make the convention more attractive and more appealing to the membership.

Following comments are from Immediate Past Governor Bill Mullin.

He feels that Patti is enthusiastic and energetic and willing to serve and will be a great Governor. We need to support her by offering suggestions, doing our own jobs well and be willing to accept new challenges and new changes. We should all remember that the Lt. Governors are the link between the district officers and the clubs. Lt. Governors need to meet with the clubs and pass information they have from the district to the clubs and also from the clubs to the districts.

Following comments are from Governor Patti Hansen
She is very appreciative to have Robert Vande Rieviere here as our International Counselor and will attempt to get him assigned to our district for the next two years.

The convention next year will be on August 21-23 in Burley Idaho. Division 5 will be helping in the convention set up and planning with Rupert club member Diane Newman as convention chair. The same format as used at this convention with trainings sessions and workshops will be used at that convention.

There will be two mid year conferences, called leadership conferences this coming year. On March 22 the conference will be a held in Salt Lake City at the Marriott
Hotel. This will take place at the same time that the Key Club leadership training is scheduled here. We hope to train all the new officers and Lt. Governors in the Utah area at this midyear conference. The mid year conference for Idaho will be held April 11, 2008 in Twin Falls and the same training will be available. The district board meeting will be held at one of these meetings on the day before the conference starts.

The November board meeting will be held in Tremonton Utah on November 22. Brent Ashworth and Patti will be working together on these conventions so that we will have a seamless joining of the two administrative years. Peter Van Hook is designated as Key Club Administrator because of work constraints and a present a replacement has not been found. During the interim a Key Club steering committee involving Elsa Bennett and her son from Boise and other district Kiwanians will help coordinate the Key Club activities until a new Administrator is selected. Hopefully we will fund a new key club administrator by the November board meeting.

On club growth she felt that it was unwise to build new clubs at the expense of ignoring the existing clubs that need to be stronger. A better approach would be to build up the existing clubs. She has set a district goal of two net members per club. This will add one hundred and twenty four new members or a 6% growth in the district.

In addition to this each Lt. Governor should attempt to find a community in their division that can support a new club. Some of the criteria to consider would be school district place to set up sponsored youth clubs and a generalized population that can be involved in new service projects. She challenged each Lt. Governor to set a goal of recruiting one new member in the next three months. She feels that the next three months are critical to set the tone for the rest of the year.

We also need to concentrate more effort in working on clubs under 15 members. These clubs need to be brought closer to charter strength so that they can provide more service to the community and also to avoid burnout of the leadership.

A Key leader Administrator for Utah needs to be found. We have an excellent Administrator in Idaho and needs someone to work hand in glove with him to establish the same program in Utah. The Key Leader camp at Cascade last May brought more than sixty young adults together for team building and leadership training. A successful camp should have between 60 and 80 attendees.

Patti's new e-mail address for this coming year is utahidahogovernor@live.com.

Each Lt. Governor should look for two goals that they can report on in the November board meeting. These should involve activities at the division club level and work in coordination with the division Council meeting with all clubs in attendance. Brent has been asked to compile information that is available for distribution to Kiwanians clubs and others that can help people get involved in reading. We need to develop a reporting system for the Lt. Governors that tracks activities that they do during each month. This would include division Council visits, sponsoring new members, clubs visited, service projects worked on and the goals that they set and if they've been accomplished.

Following comments are from district secretary Bob Dempsey.

Bob presented an agenda for the upcoming board meetings that detailed how the board agenda will be structured. Items will be divided into three classifications; consent items, action items and information items. We are requesting that all information that will be discussed at the board meeting, including reports and anything relevant, be submitted to the district secretary two weeks prior to the board meeting so that they can be transmitted to all other board members. This will allow all attendees to be aware of what will be discussed so when they arrive at a board meeting they are ready to solve problems instead of read reports.

Achievement criteria for distinguished clubs and distinguish Lt. Governors will be distributed at the November board meeting. Brent will attempt to get to each Lt. Governor a list of the club presidents and secretaries in the next two weeks so that they will know who they’re contact points are a club. This may be a problem because so many clubs have not sent in the club election reports.

Following comments were from district treasurer Marvin Chamberlain.

Marvin presented the 2008-2009 budget and explained in detail the income items and the expenditure items. After discussion a motion was made by Brent Ashworth and seconded by John Brown to accept the budget as presented. Upon voice vote the budget was approved unanimously.

Marvin then explained the year-to-date financials and the impact that the economic losses have had on investments. He stated that he felt that the district should have one year of income in reserve to cover any bad times. A motion to accept the financial report was made by Cheryl Juntunen and seconded by Rayleen Barnes. On a voice vote the motion passed unanimously.

Marvin then asked for approval to continue to use US Bank and Putnam as financial depositaries. Motion was made by Cheryl Juntunen and seconded by Rayleen Barnes for approval of this arrangement. This motion passed unanimously.

John Brown made a motion which was seconded by Bill Mullin to have Marvin pay the bills as they come due and report at the next board meeting the financial status of the district. This motion was also approved unanimously. Marvin’s e-mail address is marvin@magiclink.com.

Report forms were discussed that will be requested from all district officers detailing district activities done during that time frame, preferably on a monthly basis. These reports should be submitted to Governor Patti Hansen with a copy to Marvin Chamberlain. Patti will use the information for keeping track of the progress that occurs in the district and Marvin will use the information for making quarterly distributions to the district officers. In their report the Lt. Governors will report activities which would include visits to clubs and Council meetings, governor’s visits and any knowledge they have about club activities in their division.

LaMar Anderson, Kiwanis International Foundation chair explained the district responsibility to Kiwanis International for the annual club gift campaign. Our district goal for this campaign is six dollars per member to be transmitted to Kiwanis International. Lamar will send a report to the members of the board on a monthly basis. The funds from the annual gift campaign are used to award scholarships to Circle K members and Key Club members. Contributions of six dollars per member from the district will result in six Circle K scholarships and six Key Club scholarships. Send your e-mail addresses to Lamar to receive this information.

John asked about Hixon’s contributions and if those could count as a gift campaign contribution. The policy is that these are not part of the gift campaign. Basically all the Hixon money is used to fund the corpus of the Kiwanis International Foundation.

Bob Dempsey, president of the Utah-Idaho District Foundation gave the report on the district matching fund program for Key Clubs and Circle K scholarships. The goal of the district foundation is to receive the same amount of funds that are sent to the Kiwanis International Foundation. The district foundation matches the scholarships that are transmitted and received from KIF and the funds that we receive are used to make this matching contribution. The district foundation is also requested clubs that do not sponsor a Circle K club to make a contribution to CKI outreach of $150 per club. He also indicated that the Reed Culp medal, which is similar to the Hixon, is used to fund the corpus of the district foundation.

New key club building was discussed and as stated above the attention this year will be on strengthening existing clubs but each Lt. Governor needs to determine if there is a site in their division that can support a new Kiwanian club.
In the other items of business the amount of income from quilt sales because all the tickets have not been turned in and that some of the funds that have been received are comingled with income received from the pins and other contributions. The gift baskets sales at the convention go to the district foundation for use in their youth projects. The gift baskets raised over $1400. The money from the gift baskets and the funds from the quilts and pins all go to the District foundation for support of the district youth projects.

Additional questions were made concerning the dues structure and how you can spend the dues. It was made clear that clubs need to have two distinct funds, one of these administrative and one of these service funds. Funds received from public service projects must be used for community activities. Funds from dues and internal activities of the club are used for administrative purposes.

Bob stated that he would send a copy of the district bylaws to each board member on his next transmittal.

Another discussion was held about members that don’t pay their dues and when they should be removed from the roster. Consensus was that they should be removed before year end and that the clubs members that are paying their dues should not support the delinquent member. One of the clubs stated that they use the sponsor of these members to contact them to bring their dues up to date. Another club uses friends of that member to help them be aware of their dues requirement. Other clubs have used a discounted structure that relieves some of the requirements such as meals from those members that are struggling to make their dues payment.

Chuck Rasmussen in division 10 was selected to be the replacement Lt. Governor for Dick Foote and was wondering what his status was as a Lt. Governor. Patti stated that she would contact division 10 club presidents and take an electronic poll of their support and determine his status through that poll. This same situation applied to Michael Gordon of division 1.

There being no other business to come before the board a motion was made and unanimously accepted to adjourn at 3:05 P.M.

MINUTES OF THE UTAH-IDAHO DISTRICT FOUNDATION FRIDAY, AUGUST 22, 2008 UNIVERSITY PARK MARRIOTT HOTEL, SALT LAKE CITY, UTAH

Minutes of the Utah-Idaho District Foundation held Friday, August 22, 2008, at the University Park Marriott Hotel in Salt Lake City, Utah, at 4:00 P.M. President Bob Dempsay conducted the meeting. Members present: J. LaMar Anderson, Marvin Chamberlain, Bob Dempsay, Janet Flinders, Geral Wilde. Absent: David Howard and Merrily Munther. Others present: Derek Schenck.

Prayer by LaMar Anderson.

Minutes of the February 15, 2008 meeting were reviewed and approved on motion by Marvin, seconded by Janet, and passed. Marvin Chamberlain gave the financial report as of August 20, 2008. The report listed assets of $173,008.23. Income for the period of October 2007 to August 2008 was $20,914.99; expenses for the period of $13,893.00. There was an unrealized loss of $29,969.72. Moved by Janet to accept the financial report, second by LaMar, passed.

The election of officers for this Board was held:

   President      Bob Dempsay
   Vice President LaMar Anderson
   Secretary      Janet Flinders

Two new board members were recommended: Jim Terry, Rexburg & Gene Piland, Park City. Geral moved and Marvin 2nd, passed.

Geral Wilde and Merrily Munther’s terms expired and neither are seeking re-election.

Only 12 clubs have donated to the District Foundation. Marvin will send banner patches to these contributing clubs. It was suggested for Marvin to bill clubs for this contribution and Outreach for CKI.

Wayne Russell of Capitol Hill Kiwanis Club has received a new Reed Culp medal.

Derek Schenck has requested $1,000 for Key Leader for the 2009 Key Leader Camp. Marvin moved to keep the same budget for 2008-2009 except for $2,000 for Key Leader, Janet seconded, passed.

Meeting adjourned at 4:55 P.M.

MINUTES OF THE HOUSE OF DELEGATES 23 AUGUST 2008 UTAH-IDAHO DISTRICT CONVENTION AT THE UNIVERSITY PARK MARRIOTT IN SALT LAKE CITY, UT

Governor Bill Nullins called the House of Delegates to order at 4:30 P.M. and welcomed all delegates and guests.

Janet Flinders gave the statistical report:

18 Clubs are represented; 30 Members and 11 At-Large with a total of 41 Delegates in attendance.

Ralph Benson nominated Brent F. Ashworth for 2008-2009 Governor-elect. Lowell R. Inkley 2nd the nomination. Brent F. Ashworth accepted the nomination saying:

“We are here to help kids. When my son was hit by a car, the first person to call me was the Provo Kiwanis Club President. Kiwanis always gave selfless service.”

Since there were no more nominations from the floor, Margaret Cameron closed nominations. LaMar Anderson asked to suspend the rules and cast a unanimous vote for Brent F. Ashworth. Ralph Benson 2nd.

Bob Parish nominated Patricia Ann “Pattie” Hansen for 2008-2009 Governor. Bob Cameron 2nd the nomination. Pattie asked to withhold remarks until after the vote. Marvin Chamberlain moved to close nominations, 2nd by Steven Fields. Unanimous. LaMar Anderson asked to suspend the rules and cast a unanimous vote for Patricia Ann “Pattie” Hansen. Chuck Humphrey 2nd.

Pattie Hansen accepted the unanimous vote saying:

“I considered changing my name to Bob, since there are already three Bobbs who are Past Governors from Division 5. Training & experiences have been incredible. Teamwork is the key. Met Jane Erickson at the Kansas District convention. We all dream of every child being healthy and happy. Let’s dream big this coming year.”
Bob Dempsay, President of the Utah-Idaho District Convention presented the names of R. Gene Piland from Park City, UT and Jim Terry from Rexburg, ID for three year terms on the Foundation Board of Trustees. Moved by David Tish and 2nd by Steven Fields, unanimous.

Pattie Hansen moved to nominate Marvin Chamberlain for District Treasurer; Bob Parish 2nd. Lowell Inkley moved to close nominations. Chuck Humphrey moved to make it look like we voted unanimously for Marvin; Karl Greenwood 2nd, vote was unanimous. Marvin accepted the position and stated “Treasurer involves a great deal of trust. Thank you for trusting me. I will do my best.”

Pattie Hansen appointed Bob Dempsay as Utah-Idaho District Secretary for 2008-2009.

John Moray, District Resolutions Chair presented the following Resolutions, which all passed unanimously:

#1 – The Utah-Idaho District, Kiwanis Int’l, wishes to welcome and thank our Kiwanis Int’l Trustee, Robert vande Rieviere for attending our Annual District Convention and contributing immeasurably to its success. He is from the Belgium District, Kiwanis club of Tielt.

#2 – The Utah-Idaho District of Kiwanis Int’l wishes to thank Governor Bill Mullins and First Lady Barbara for their organizing this district convention, partners’ activity, and for their service and leadership to the district. Thanks Barbara for implements and introducing the district to the Hospital Dolls. A big thanks to members and clubs that participated in the project.

#3 – The Utah-Idaho District, Kiwanis Int’l, wishes to thank Janet Flinders for her tireless service as our district secretary. During her tenure as secretary, she was also the editor for the U&I Kiwanian for six years. Janet is a distinguished member of our district having served as governor 2001-2002. She is an active member of the Kiwanis Club of Logan. The Utah-Idaho district wishes to thank Skip Flinders for the support he has given Janet during her years of service. THANKS JANET AND SKIP.

#4 – The Utah-Idaho District thanks the outgoing board of directors, Lt. Governors, for their work in their divisions and committee chairmen for their tireless effort this past year in leading and guiding our district. A big thanks to the convention committee: Governor Bill, First Lady Barbara, Lowell Inkley and Rayleen Barnes. We thank those clubs that sponsored inter-clubs during this convention. We thank our Kiwanis Certified Trainers and all the instructors for the time they have spent in preparation and presentation. We thank all the Kiwanians who serviced as District Administrators and all advisors from the individual clubs. They are the key to the success of these clubs because they represent Kiwanis directly. Without them the Kiwanis influence and ideals would not be a part of these young people’s lives.

#5 – The Utah-Idaho District, Kiwanis Int’l, wishes to thank Lowell Inkley, New Club Building chairman for Utah, and all those who helped him build the Kiwanis Club of South Valley. It is through the dedication of members that new clubs are built.

#6 – The Utah-Idaho District, Kiwanis Int’l, wishes to thank the University Park Marriott Hotel, Salt Lake City, UT, for their hospitality and assistance during this Annual District Convention. We also wish to thank Scot and Tina in the catering department and other hotel employees for their work, cooperation and assistance to the Utah-Idaho District.

#7 – The Utah-Idaho District, Kiwanis Int’l, wishes to thank Cindy Hollar and the UPS store in Tooele, Utah for printing the convention programs at no cost to the district.

#8 – The Utah-Idaho District, Kiwanis Int’l., wishes to thank James (Jim) Courtright, Int’l Director of Club Development, for his continued support in our club building efforts. Jim’s presence always adds to our district conventions.

#9 – In as much as we wish to furnish scholarship money within our district to match the scholarship money given to us by Kiwanis Int’l, BE IT THEREFORE RESOLVED: That each club in the Utah-Idaho District will donate $6.00 per capita to the Int’l Foundation and $6.00 per capita to the District Foundation. In order to maintain CKI and to help it grow, BE IT RESOLVED that any Kiwanis club not sponsoring a CKI club will donate $150.00 per club to the CKI Outreach program. (Submitted by Marvin Chamberlain, District Treasurer and Bob Dempsay, President, Utah-Idaho District Foundation)

Lowell Inkley moved, Chuck Humphrey 2nd to adjourn the House of Delegates. Unanimous.

CORRECTION TO INFORMATION RECEIVED REGARDING
GETTING EIN NUMBERS FOR KIWANIS YOUTH CLUBS

This past year the IRS changed their reporting requirements related to EIN numbers and 990 filings and since our original communication on the matter an issue has come up regarding EIN procurement for some of our Key Clubs and CKI clubs. We previously communicated that all Kiwanis, CKI & Key Clubs had to get an EIN and file a 990, this was incorrect with respect to the youth clubs.

If the Key Club or CKI club has its deposits and disbursements (its financial records) controlled by the school in school accounts, such as extracurricular accounts, then the club does not have to apply for an EIN, does not have to report the EIN to Kiwanis and be a part of the group exemption filing, and does not have to file any of the related IRS tax returns – in particular, the new Form 990-N which must be filed by tax-exempt organizations with gross receipts of $25,000 or less.

Communication to all CKI and Key Club administrators was sent on 12 Sep 2008. But, for those clubs who do not receive this communication, please make sure the Key Clubs and CKI clubs that your club sponsors know about this change.

ALL Kiwanis clubs must file a 990 in one form or another (depending on total receipts). Clubs with total receipts under $25,000 have not had to do this in the past but must do it now. If a club goes three years without filing, they will lose their tax-exempt status, so we need to make sure everyone files.

990s are due four and a half months after the club’s year-end (which is Sep 30th), so everyone must file no later than February 15th.
Thomas Leland Pierce

RUPERT, IDAHO - Thomas Leland Pierce, age 86, passed away July 31, 2008.

Pierce was born March 30, 1922, to Durward Leland Romayne and Georgie Eleanor Pierce in Taylorsville, Calif. He graduated from high school in Susanville, Calif. He then served in the Army Air Corps in Africa and Europe as a radioman in C46 and C47 aircraft at the rank of staff sergeant. After World War II, Tom earned a bachelor's degree in music at San Jose State on the GI Bill.

Tom married Verna Fay Donaldson on May 24, 1941, in Reno, Nev. He lost Verna due to illness in 1964. Tom later married Margaret Helen (Davidson) Morehouse on March 19, 1965, in Rupert. Through the years, Tom and his family made their home in Taylorsville, Susanville, San Jose, and Tulelake, Calif.; and in Rupert and Boise, Idaho. He was the first band instructor at Minico High School in Rupert, was one of the original homesteaders on the north side of Rupert, and retired from a long career as a State Farm Insurance agent, also in Rupert.

Tom was the first director of the Snake River Flats Barbershop Music group and sang in several barbershop quartets, directed the church choir at the United Methodist Church in Rupert, played trombone in the Magic Valley Philharmonic Orchestra, trained and rode his horses, loved to hunt, fish, do leatherworking and make saddles, arrange music and spend time with his pets. He was also a 54-year member of the Rupert Kiwanis Club serving as club President in 1965.

He loved family gatherings, music and being outdoors on his tractor. He loved to tell stories about growing up in Susanville, living at Tulelake, World War II experience in Northern Africa, and hunting with his sons and his friends.

Tom is survived by his wife, Margaret Pierce of Boise; children, Ron and Roxanna Pierce of Shoshone, Lynn (Pierce) Andrew of Boise, Scott Pierce of McCall, Marilyn (Morehouse) and Mike Endsley of Rupert, Scott and Tammy Morehouse of Boise, Gay (Morehouse) and Kevin McAllister of Boise; 19 grandchildren; 25 great-grandchildren; sister, Berthaee and Clyde Larsen of Sacramento, Calif.; sisters-in-law, Elva Long and Billie Pierce; and numerous nieces and nephews. Tom was preceded in death by his parents, Durward and Georgie Pierce; his first wife, Verna Pierce; his first brother, Myrl Pierce; three brothers-in-law and two sisters-in-law.

CELL PHONE INFORMATION

Cell phone companies are charging $1.00 to $1.75 or more for 411 Information calls. Since no one carries a telephone directory in their vehicle, they get away with it.

When you need to use the 411 Information option, simply dial 1(800) FREE 411 or 1-800-373-3411; you will incur no charge. This works on your home telephone as well.

If you enter this number into your cell phone you will always have a way to get a phone number, if you need one. http://www.snopes.com/inboxer/nothing/free411.asp

Spanish Fork Utah Kiwanis Club and Key Club raised over $19,000 at the Fiesta Days Rodeo running 3 concession stands for 4 nights during the July 24th holiday in Spanish Fork. This fundraiser will allow the club to run their entire program for the 2008-2009 Kiwanis year.

KIWANIS 30TH ANNIVERSARY FEST TO BENEFIT PRESENTATION SCHOOL FOUNDATION

Allston-Brighton – The Allston-Brighton Kiwanis Club invites the community to dance to the oldies with them as they celebrate their 30th anniversary on Saturday, Sept. 27, at the Hyatt Regency Hotel in Cambridge.

Kiwanis, a not-for-profit organization whose motto is “serving the children of the world,” have chosen this occasion to raise funds for the Presentation School Foundation.

The foundation’s building was purchased from the Archdiocese of Boston by members of the community less than a year ago and renovations should begin in early fall, said foundation Chairman Kevin Carragee.

“We are very pleased that the Kiwanis Club is organizing this event, and that they care deeply about families and children,” he said.

In March, the foundation teamed up with WGBH, Little Sprouts and the YMCA to develop an Urban Early Education Initiative as well as a community center, which they hope will anchor local families and attract new ones, said Carragee.

In the recent past, funds raised by the Allston-Brighton Kiwanis Club have gone toward local organizations such as the Franciscan Children’s Hospital at Kennedy Day School and the Fishing Academy. Kiwanis Club President David Hill said that the club members shared a unanimous opinion that the foundation was a very worthwhile cause to support.

Kiwanis International began in 1915 in Detroit, Mich., as a business-networking group and soon after turned service-oriented, according to its Web site.

Bill Margolin of the West End House camp is an original member of the Allston-Brighton Kiwanis Club, which formed in 1978. He said that the group actually existed in Allston-Brighton in the 1950s and 1960s, but around the time that the Massachusetts Turnpike was built, the group dissolved.

As the club’s roots suggest, members of the Kiwanis are primarily local business proprietors, but anyone is invited to join. The once all-male club, much like the Lions or Rotary clubs, is now a mixed-gender community, he said.

Though Margolin admits a variety of technological distractions, be it video games, television, etc., have waned participation in community service, he said there has been a renewed energy and a revival of the club over the past year.

“The purpose hasn’t changed, but the means has a bit,’ said Margolin.

In the past, the club has had pancake breakfasts and Las Vegas nights to raise money, but they keep trying to think of new ideas to bring more people together, he said. Their first Kiwanis Star talent show, an “American Idol”-themed competition, was well received earlier this year in the new WGBH theater, and they plan to have a second on Feb. 6, 2009.

This Sunday, Kiwanis Star winner Elena Crowley will sing her cabaret stylings for the Kiwanis on the St. Elizabeth’s Hospital float in the Brighton Allston Bicentennial Parade, following the Brian Honan 5-K Road Race.
