Friday August 21: The Annual Convention kicks off early Friday morning with a 9 hole-golf scramble, District level Board Meetings and rolls into a fun-packed Kiwanis "Family Fun Day" on the Beautiful Snake River with service projects, family fun games and a BBQ. In the evening join Gov-Elect and Mrs. Brent Ashworth for a hospitality reception at the convention hotel.

Saturday August 22: Join Governor Pattie in a breakfast buffet as we start early for a day packed full of workshops to ramp up "Growth for Service" in clubs and divisions, enjoy a special lunch highlighting local Kiwanis Youth and an address from our International Counselor. The fun continues with daytime activities for guests and spouses of convention attendees and for the members: club-building and improving workshops, panels and discussions, new ideas and old friends...in the afternoon the House of Delegates gets busy...AND THEN... let's celebrate Gov Pattie's year as it closes and as we welcome in a "new" Governor to the District with a dinner banquet and dance.

Sunday August 23: Lt Governor's host a light breakfast, all are invited to attend a Memorial Service honoring Kiwanis members who are no longer with us, and we close out a wonderful Kiwanis time spent together learning, laughing, growing, serving and remembering.

LEADERSHIP IN DIFFICULT TIMES

Leadership is always important, but it is especially critical during a crisis or when things are tough. As the world struggles thru challenging financial times, now is the time for Kiwanis leaders to step into the gap and provide strong leadership to their clubs and members. Finding creative ways to retain your members who have lost their jobs, finding new ways to grow when others are hunkering down to ride out the storm, or starting a new club for young professionals in your town are all ways you can demonstrate strong leadership. There are lots of other ways as well, so I would love to hear what you think our Kiwanis leaders can do to lead our clubs at this time.
When friends and family ask me why I give so much of my time and resources to Kiwanis here is what I tell them: Kiwanis is more than just an organization to me, Kiwanis is a way of life.

When I joined Kiwanis in 1989, I joined to become a part of an organized group that provided community service. Little did I know that the far-reaching effects of Kiwanis would touch my life in ways that I never imagined. In my course of Kiwanis service through two clubs, Rupert and Twin Falls, I have met and served with the most wonderful group of men and women. Without exception, each member that I have met exemplifies qualities of leadership and service that I admire and have learned from. That experience alone is extraordinary and priceless to me. But the reason for this special Governor's Project is not the growth experience I have had making friends and serving with adult Kiwanis Members. It is much more....it follows the defining statement of Kiwanis.

"Kiwanis is a global organization of volunteers dedicated to changing the world, one child and one community at a time."

My heart in Kiwanis is for the kids. Kids and young adults both within the Kiwanis family and those without. Wherever there is a Kiwanis Club, lives of children are touched and enhanced. Leaders are developed, compassion for others is instilled and the whole community is strengthened. Wherever there are kids, Kiwanis is needed. Kiwanis are ordinary people performing extraordinary work through guidance and example... developing future leaders. Every day, Kiwanians are making a better world for children by organizing youth programs, building playgrounds, tutoring, and performing countless projects to help kids.

I believe that every child in Idaho and Utah deserve the opportunity to be a part of the Kiwanis family. I dream that every child would have books to read, mentors to look up to, opportunities to develop as leaders and to serve their community. I dream that all of our children would be happy and safe. I believe that as Kiwanis members we can make that happen.

Governor’s Project 2009 is an invitation to you to join with me in supporting the kids and young adults in the Utah Idaho District by showing your support with an individual donation to the UI District Foundation. The foundation supports scholarships and leadership development for children, youth and young adults in clubs, divisions and the district. The foundation assists with costs of youth and leaders who are excelling in leadership opportunities on an international level. The foundation needs your support to carry out their efforts. Club support will continue to maintain district expenses and support to youth programs. Your individual support is also critical.

I invite you all, each of you, to become a part of Governors Project - "For the Children"-2009. By showing your support in any way you can, in any amount, you will become an important part in insuring the future of Kiwanis support to children. As a member of "For the Children", your name will be listed in an honor role printed in the District U&I-Kiwanian newsletter and you will receive special recognition at the Annual Convention in August. Your donation today will insure that Kiwanis Utah Idaho District will grow to serve the children we have not yet begun to reach. Will you join me in making a difference for the children? Will you?

Yours in Kiwanis Service,
Governor Pattie

In general, the purchase of commercial insurance is frequently the first choice as a method for providing financial protection against accidental losses. However, there are also a number of alternative methods for protection which can be used to protect your local club, Kiwanis International and your Comprehensive General Liability Insurance Program from unnecessary lawsuits.

The following alternative methods of protection are available to Kiwanis International and its member clubs:

- Standard Contracts
- Certificates of Insurance
- Waiver of Responsibility
- Hold Harmless Agreements

The guiding principal behind all of these alternatives is the transfer of exposure to loss and/or payment of loss from Kiwanis International and the local club to others, whether they are or service providers (property owners, contractors, subcontractors, promoters, performers) or participants.

The purchase of Kiwanis Comprehensive General Liability insurance is a prime example of the contractual transfer of liability for payment of losses. In consideration of the premium paid, the insurer is obligated to pay claims on behalf of Kiwanis International after the occurrence of specified losses. This coverage is our primary line of defense, but by using transfer of risk, we can effectively reduce our potential for loss and thereby prevent our own insurance from being subjected to unnecessary liability insurance claims.

Thank you for all your service to Kiwanis and if you have any questions about this or need more information, please feel free to call Hylant Group at 800.442.7475 x7179 or email me at lori@balancedrockinsurance.com.

**LIABILITY INSURANCE FEE INCREASES; NEW RISK MANAGEMENT RESOURCES ONLINE**

The liability insurance fee for members has bumped up to US$12 from US$11.90. The 10-cent per member increase reflects the new annual amount for general liability insurance. For details on the coverage, download the You Are Covered handout, which can also be found in the General Liability Risk Management Packet that was sent to all US and Canadian club secretaries in November. It explains who is covered, the limits of liability, and more.

Additional resources for risk management are available on www.KiwanisOne.org on the Risk Management page.

Dear Utah-Idaho Kiwanians and Friends,

This next calendar year, the Utah-Idaho District of Circle K International turns 50 years old! We will be celebrating at our next annual convention in the spring of 2010. We would like to piece together as much memorabilia and gather names of alumni to formulate the best District history we can between now and then. We extend an invitation to each of you to rummage through your attics or your memories and submit any photos, artifacts, names of former officers and alumni, contact information, trivia, or anything you might feel would contribute to our history and celebration. We hope to celebrate our achievements and memories with as many alumni and friends of Utah-Idaho Circle K over the years as we can find, so every little bit helps! Please contact myself with any information and resources you would like to contribute to our investigation and celebration!

Yours in service and in friendship,

ANNUAL CLUB GIFT CAMPAIGN UPDATE

By LaMar Anderson, District International Foundation Chair

The March 15th annual club gift update from the Kiwanis International Foundation was just posted. As of March 15th, Utah-Idaho Kiwanis Clubs had donated $6,723.00 ($3.85 per capita) to the 2008-2009 campaign. This total for our district is up $90 ($0.05 per capita) from the last report but we slipped one place in the per-member ranking.

On a per-member donation basis, Kansas district ranked 1st ($5.14), Indiana district ranked 2nd ($4.73), Southwest district ranked 3rd ($4.55), Capital district ranked 4th ($4.18), Malaysia district ranked 5th ($3.99), Illinois-Eastern Iowa district ranked 6th ($3.92), New Jersey district ranked 7th ($3.86), UTAH-IDAHO and Florida districts tied for 8th place ($3.86), Alabama district ranked 10th ($3.73), Louisiana-Mississippi-Tennessee district ranked 11th ($3.61) and Georgia district ranked 12th ($3.60).
Attached is the updated list of Utah-Idaho clubs with their contributions to the 2008-2009 Kiwanis International Foundation's annual club gift campaign. Please copy this list and share it with clubs in your division. Remember that the Utah-Idaho District goal is a $6 per member donation to both the International Foundation and our own district foundation. Please encourage those clubs which have yet to contribute to send in their checks as soon as possible. Hopefully we can reach the $5 per member contribution level by the time of June's International Convention and the $6 per member goal by the time of the Utah-Idaho district convention.

Thanks for all your help!

LaMar Anderson, District International Foundation chairman

THE UNCHANGING OBJECTS OF KIWANIS

By Jim Terry, District Human and Spiritual Values Chair

To start off with I would like to remind Kiwanians of the six permanent Objects of Kiwanis International that were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

- To give primacy to the human and spiritual rather than to the material values of life.
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption and the application of higher social, business, and professional standards.
- To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

When I reread those again I stopped at the word permanent and pondered what that meant. The dictionary says 1. Existing perpetually; everlasting. 2. intended to exist or function for a long, indefinite period without regards to unforeseeable conditions.

I again pondered everlasting and indefinite without regards to unforeseeable conditions. The objects of Kiwanis are unchanging. We will not change them. No matter what others may say or do. Kiwanians will always have these objects no matter what the world may think or how they say they are old fashioned and have no place in the world today. I pay particular attention to the first object which is to give primacy to the human and spiritual things. This was really brought home to me at the District Convention in Salt Lake. We had combined our convention with Key Club. It was a touching moment to me to read along with the Key Clubbers their pledge: “I pledge, on my honor, to uphold the Objects of Key Club International; to build my home, school and community; to serve my nation and God; and combat all forces which tend to undermine these institutions.” This is Kiwanis at its best, supporting and working with these young adults. Helping them fulfill their pledge is part of meeting our object of giving primacy to the human and spiritual things. This was really brought home to me at the District Convention in Salt Lake. Helping them fulfill their pledge is part of meeting our object of giving primacy to the human and spiritual rather than to the material values of life. Their motto of “Caring, Our Way of Life” should be a central theme in all of our clubs. As we go about doing well in our clubs I’m reminded of what C.S. Lewis said: “Love is unselfishly choosing for another's highest good.

From: FIFTEEN IDEAS FOR A GREAT YEAR
AS A CLUB PRESIDENT
David Curry, Kiwanis International Past-President

Set Goals for Milestones. You will be more excited to reach a milestone than an incremental increase. For example, “having a club size of 70 members” is a more exciting goal than having an increase in 3% in membership.

Learn to Turn Your M’s Upside Down. Turn your Me’s into We’s. Instead of “My year”, this is our year. This little communication tool will go far in presenting a team feeling instead of “my year syndrome”.

Focus, Focus, Focus. One of my favorite sayings is “If you chase two rabbits, both will escape”. Although concerned with many things as a club officer, we need to focus on one major item at a time to achieve success.

Perservere, Perservere, Perservere. A significant difference between Distinguished Club Presidents and others, it that they often all start with a bang, but a Distinguished President usually continues to lead during the “middle months.” When everyone thinks no one is listening – February, March, and April are keys to your success!

Give New Folks A Chance to Lead. Newcomers and club leaders? They can be just as excited as anyone else, and they are not usually as “burned out” as some leaders that have been around a while.

Do Twice As Much Yourself. It’s too hard to convince others to do more than you are willing to do. Do you want an average of everyone putting in 3 hours on a project? Then you should promise to spend 6 and tell them so!

If we take care of the moments, the years will take care of themselves.

THREE NEW SPEAKERS ADDED TO CONVENTION LINEUP

Along with new details added to the schedule for the 2009 Kiwanis International Convention in Nashville, Tennessee, three speakers round out the highlights for days one and two.

Dynamic comedian Judson Laipply will grace the stage for the opening session to share his wit and wisdom about change, teams and setting goals. Attendees can expect a performance of his wildly popular (more than 10 million views on the Web) The Evolution of Dance.

Headlining day two’s Leadership Luncheon will be business coach and consultant Jeff Wolf. He will present tips to help leaders clarify their purpose, set goals and stay focused. Wolf, who co-authored the book Roadmap to Success with management gurus Ken Blanchard and Stephen Covey, knows what it takes to make successful leaders.

Last but not least, a featured workshop has been added to day three featuring Kent Keith, author and CEO of the Greenleaf Center for Servant Leadership. He will talk to Kiwanians about the universal importance of service and meaningful lives.

OPEN THE JUNK DRAWER

The Junk Drawer – a Kiwanis International staff blog – is exactly what you’d expect from the name. Helpful gadgets, that missing “thing” you didn’t know you needed, and some long-lost treasures that may surprise you.

The blog will feature insights from staffers telling the Kiwanis story from an insider’s perspective, along with tech tips, do-it-yourself tidbits, etc. Curious? Take a peek at www.KiwanisOne.org/junkdrawerblog.
THE KEY TO GROWTH CAN BE SIMPLE

Since the beginning of the 1-2-3 You Hold the Key program, more than 12,000 people have joined Kiwanis. The 2008-09 program has begun and again acknowledges members who, between June 1, 2008, and June 1, 2009, successfully introduce new members to Kiwanis service and fellowship.

Recruit one member and receive a bronze key lapel pin. Recruit a second member and receive a silver pin. Find more details at www.kiwanisone.org/123.

CLUBS HAVE NEW ELECTION OPTIONS

Kiwanis clubs can take advantage of two new election options, a result of amendments adopted at the 93rd Annual Kiwanis International Convention last June. The new options include:

1. Any and all club officers now may be elected to either one- or two-year terms, as determined by each club.

2. Clubs now may use electronic balloting methods to elect officers.

A mind troubled by doubt cannot focus on the course to victory.
Arthur Golden, Memoirs of a Geisha
WHAT SHOULD BE CENTER STAGE?

Kiwanis is looking for the best stories of service and leadership to share with the world on its new storytelling site, Center Stage.

Has your club built a school in Africa? Donated a wing to a new children’s hospital? Provided books to hundreds of children in need? Saved a child’s life?

Your club's efforts to help children are the stories people remember. The stories people want to tell again and again. They're the stories that motivate others to make a positive change. To help a child. To join Kiwanis.

If you have a story worthy of Center Stage, tell us about it.

WHAT MAKES A GREAT STORY?

Kiwanis International is looking for great Kiwanis stories to share with the world. Stories that tug at your heart. Make you want to run out right now and change the world.

Stories are what we remember when talking to friends. We share our stories. We tell them over and over again. Stories are the fabric of our lives, woven together to make us who we are. And it’s a great Kiwanis story that will motivate people to do more, to make a difference—or to join Kiwanis.

But there’s a problem. Kiwanis International only knows those great stories if you share them.

Examples of great stories:

• A Kiwanis club involved not only in funding a school in Ecuador, but whose members actually travel to Ecuador to lay the bricks.
• A club that sponsors ill children and plays an active role in their recuperation with visits, fun trips and parties, etc.
• A club that provides housing for teachers in Africa—so that the teachers can live closer to the school where they teach and don’t have to walk miles every day for work.
• A club that sponsors at-risk children at a summer camp—at no cost—so they can experience the joy and pleasure of just being kids.
• A club that not only sponsors a library—but helps build one—then has its members show up each week to read to the children who visit.

Here’s how you can help:

• Send us your ideas for stories. We don’t need written articles—just an idea to start with.
• Think hard about your idea. Is it a story you'd tell over and over again? Does it make you want to do more? Do you think it would make someone else want to join Kiwanis?
• Try to come up with stories that impacted children or a child in a big way. Fundraisers are great, but hands-on service that was life-changing to a child is even better.

Other ways to share your stories:

• Tell your club’s best stories in your club bulletin.
• Share your club’s best stories with your district bulletin editor
• Send news releases to local media about your club’s best projects—these are what turn into the best stories.
• E-mail us your story ideas for possible use in Kiwanis magazine and on Center Stage!

Those who know how to win are much more numerous than those who know how to make proper use of their victories.

Polybius (205 BC - 118 BC), History
The Blaine County Recreation District and the Hailey Club sponsored the 8th Annual Snow Box Derby at Rotarun Ski Hill, on Sunday, February 22. This is the 4th time the little Hailey Club has been involved. This event was primarily designed for the kids, but has recently allowed an adult and business class to compete. There were over 50 entries this year. The proceeds go back to the Rotarun Ski Hill for operations and equipment and scholarships for the kids. The contestants hike up the bunny hill and individually slide down the hill for time. The Snow Boxes can only be constructed of cardboard, glue and tape. No metal is allowed. The event is a takeoff on the Soap Box Derby. Everyone is a winner. For the 1st time this year the Hailey Kiwanis Club gave a “Spirit Award Trophy” to the kid contestant that tried the hardest.

KIWANIS CLUB PROMOTES MEMBERSHIP

The Kiwanis board of directors recently invited several guests to join their club. Eighteen guests and spouses then came to a special membership presentation. Bert Timpson, chairman of the event, told guests about the service provided by Kiwanis to the youth of Spanish Fork and Salem. Over $10,000 will go towards youth programs during the current Kiwanis year. President Eugene Colledge conducted the meeting and discussed the benefits of the club. Deloris Nelson led the music, Steve Wilson led the pledge, and Clyde Nielsen gave the prayer. A delicious meal was enjoyed by the group. Board member Gordon Lowe is not in the picture.

MEMBERSHIP ROUNDUP

The Spanish Fork Utah club recently held a successful “Membership Roundup”. Potential members were invited to a special dinner and then told of the benefits of Kiwanis and of the local projects Kiwanis were involved with. As a result, five new members joined the club and several others said they would.
In an earlier U&I Kiwanian issue I mentioned that the district website would soon be getting a new look. Kiwanis International has assisted with the basic graphical work for the site. I recently received this work and soon I will begin making switch to the new look. The new design will allow for more content some of the pages like the home page. The picture below will give you an idea of how it will look.

KIWANIS CLUB OF SUGARHOUSE AND BOYS AND GIRLS CLUBS OF SALT LAKE CITY

It is with great pleasure that we read in the Kiwanis Magazine of a recent partnership agreement between Kiwanis International and the Boys and Girls Clubs of America.

We have been involved continuously with the Boys and Girls Clubs of America program since 1968, for forty years!!

We are therefore delighted, and proud, to provide the accompanying brochure from the Boys and Girls Clubs of Greater Salt Lake, which celebrates its Fortieth Anniversary. They are celebrating during an eight-month period from October 2008 until May 2009.

You will note that the Kiwanis Club of Sugar House, Salt Lake City, founded the Sugar House unit of the Boys Club of Salt Lake; the official date was October 11, 1968. Obviously, the Sugar House unit eventually became the Boys and Girls Clubs of Greater Salt Lake, which also now includes units in Tooele and Park City, Utah, as well as three units in Salt Lake City itself, including the Sugar House unit. Mr. Gill Houghton was Boys Club Board Chairman, and also President of our Kiwanis Club at the time.

Notable historic points:

Three Sugar House Kiwanis Members have served as Chairman of the Greater Salt Lake Board of Directors. One member who has served two terms is Judge (ret) David B. Dee, who is still active on their Board, and has served on their Board almost continuously since the founding of the B&G Clubs. Judge Dee is also a Kiwanis Legion of Honor Member (48 years), and is still active in our club, though he is in frail health. These men were also Presidents of the Sugar House Kiwanis Club; and sometimes in the early years, they served in both positions simultaneously.
SUGARHOUSE CLUB & BOYS AND GIRLS CLUBS (CONTINUED)

We have always had at least one Kiwanian who has served on the Boys and Girls Clubs board. Today, besides Judge Dee, there is another member of our club who also serves on the Boys and Girls Club Board: our Secretary John E. Cameron, jr. Other members have served variously as Board Members, one for more than 10 years as the B&G Clubs Treasurer; one of our members’ sons has served on the Boys and Girls Clubs board, as well as two years as Chairman: Kery Oldroyd, son of our member Dee Oldroyd, (who was our president in 1970-71). Dee is also a Legion of Honor member of our club (46 years) and also an active member today.

Our Kiwanis Club has supported a Christmas Dinner in the early part of December, each year since 1968. This past December 11, 2008, we served 260 Sugar House Boys and Girls Club members, their parent(s), and siblings. In recent years (some 10 or 15, we think), we have also provided a Santa Claus for the younger children. Small gifts have been given, and this year we presented each young child a book (donated by Volunteers of America). Sixty-five books were given this year. The turkeys were donated by our club President and our local Albertson’s grocery; and prepared by our regular caterer, Western Foods/Red Onion Catering. The Sugar House Kiwanis Club and its families donated and prepared the remainder of the food in the Sugar House unit kitchen, and served the dinner. A similar story can be told for each year of the past 40!

All of the senior Service Leadership Programs that our Kiwanis Club sponsors: Highland and Skyline High School Key Clubs, and Westminster College’s Circle K Club; find a way to do some specific project with the Sugar House Unit each year, whether it’s helping with a “Day (or Evening) in the Park,” a Halloween event, or some other appropriate Boys and Girls Club activity. On January 31, 2009, the Circle K Club of Westminster College will host a Health Fair at Rose Park Elementary School for the Capitol West Unit of the Boys & Girls Club.

Our Kiwanis Club has asked the B&G Sugar House Unit Area Manager to nominate families to participate in our annual “Shop for a Child” program, which we started in the mid-1980’s. This past Christmas Season, we shopped for 38 children in 20 families (all of whom are members of the Sugar House Unit); spending $125 per child; mostly on clothing and toys. In most cases, this effort provided gifts for children who may not have had much, if any, of a normal Christmas. In this program, we do not shop with the children, but with the parent(s); so that the gifts come from the parents to the children on Christmas Day. Again, we were ably assisted by representatives of all of our senior Service Leadership Clubs, with an aggregate of 20 of them helping 22 of us, and the 20 parents who were there! Wal-Mart was a bit overwhelmed!

The Boys and Girls Clubs of Greater Salt Lake are members of the Boys and Girls Clubs of America. There are also other Boys and Girls Clubs in our area not associated with the Greater Salt Lake group, but who are still members of the national organization. A few of these also have Kiwanis support from other Kiwanis Clubs, and all are members of the Utah Boys and Girls Club Alliance.

Our Kiwanis Club has also found a way, nearly every year that we know of, to support the Boys and Girls Clubs of Greater Salt Lake in the following ways:

We have tutored club members.

We read to the Day Care kids once per month during the school year, and give the kids a book each time we read, for their home libraries. These books are also donated by Volunteers of America. Because it is day care, we take credit for Young Children, Priority One! involvement for the kids under six.

We have also provided adult support and presence at things like “Evening in the Park.”

We are the primary sponsors of the Boys and Girls Clubs of Greater Salt Lake “Youth of the Year” program. We have done this program as the primary sponsor for the past two years.

We have traditionally made the Unit/Area Director for Sugar House, of the Boys and Girls Clubs of Greater Salt Lake, a member of our club, at least during their tenure at the Sugar House Unit. If they move on but stay with the B&G Clubs of GSL, we make them Honorary Members.

Back in 1968, the aforementioned Judge Dee did the legal work, pro bono, to establish the Boys Club of Sugar House as a private, non-profit corporation in the State of Utah.

Even now, the aforementioned John Cameron, who is a commercial building contractor, has helped us, as well as providing his own donated support, and that of fellow contractors and subcontractors, to do minor construction and repair work at the Sugar House unit, at cost or below. Notable is the upgrade of the kitchen to commercial status.
Judge thyself with the judgment of sincerity, and thou will judge others with the judgment of charity.

Time is the coin of your life. It is the only coin you have, and only you can determine how it will be spent. Be careful lest you let other people spend it for you.
