Kiwanis hasn’t stopped doing service. We need to look for new ways to serve. We are our community’s leaders. One of the biggest ways we can serve right now is by connecting with others, especially those who are alone.

Here is a list of ideas from your fellow Kiwanians:

- Give blood.
- Call a Kiwanian! Start a call tree and reach out to your members, especially those who don’t use computers.
- Fill someone’s bird feeder.
- Deliver dog food/cat food to your humane society (you can even order online and have it delivered).
- Mail letters. Get out those photos, make a note on them and send them to someone.
- Clean your neighborhood as you go on walks (be sure to wear gloves).
- Clean a senior’s yard.
- Write that novel.
- Check with the school you have been reading for. Do a Facebook live reading for the kiddos.
- Medford Kiwanis is having a Laws of Life contest, asking 8th grade students to write a story about someone who is important in their life.
- Brighten someone’s day.
- Run errands for those who can’t do their own such as getting their groceries.
- Give to the food pantry.
- Interclub! Check when other clubs are meeting virtually and join them.
- Find out who in your community needs help and connect with them.
- Have a fundraiser within your club and ask members to give to a selected charity.

WE MAY BE HOME, BUT WE ARE NOT HOME ALONE...LET US KIWANIS ON!

By Roger Krogstad, DVM, 2019-2020 WI-UM Kiwanis District Governor

Kiwanis International and your WI-UM District are still ‘open for business’. We are adapting to the same rules and restrictions imposed by current conditions as are you and your clubs. Your membership and dedication to Kiwanis are extremely important in these challenging times. Let us ‘Kiwanis on’.

Many clubs have already begun meeting online using the Zoom virtual meeting app in support of each other and to make plans for the future. For some, this after a canceled major fundraiser or service project. To keep things in focus, our Kiwanis International Trustee, Ron Smith, told me last year at the District Convention “Roger, Kiwanis is not meetings, it is service.” So now what can we do? Are you ready to take on these new challenges?

This edition of the Kiwanews is being mailed to all 3,500 plus members to tell you that Kiwanis cares for you and we stand with you. Additionally, Kiwanis International is providing much supportive information to the District for us to share with our clubs and members. Much of that information is being provided in this publication.

There is still much for Kiwanians to do for kids and your communities. Are you ready to adapt? I, as many of you, are in that 70-plus higher-risk age group. We, however, are also in that 25-plus year Kiwanis membership group who are the historical foundation for our clubs. We are ready to go to work on Kiwanis service from our homes. Past Kiwanis International President Jane Erickson said recently of the situation “we may be home, but we are not home alone.” We have each other in our Kiwanis family.

2019-2020 WI-UM Kiwanis District Governor Roger Krogstad can be reached by phone at 715-207-2720 or by email at krog4kiwanis@gmail.com.

DISTRICT AIMS TO SUPPORT YOU!

By John Collins, 2016-2017 WI-UM District Governor

Do you need any information about Kiwanis?
Would you like to explore new ideas for your club?
Are you seeking ways to connect with members?
Would ideas for new service projects intrigue you?
If the answer is yes to any of these questions, then simply ask and we’ll do our best to help!

Visit the Kiwanis District website at www.wiumkiwanis.org for contact information for officers, staff and programs. Make our District website your one-stop resource!

KIWANIS DISTRICT CONVENTION

We are optimistic that the WI-UM District Convention planned for August 21-23 in Madison will happen. Much is dependent on the direction of the Covid-19 Pandemic and social distancing guidelines.

“Team Kiwanis” will be the theme highlighting our Badger and Packer sports teams. Educational and informational seminars as well as leadership training will be offered. Watch for the next edition of the Kiwanews for an update. We are keeping our fingers crossed but the safety of our members is our priority.
A MESSAGE OF HOPE FOR OUR BELOVED KIWANIS FAMILY MEMBERS
Submitted by Jean Long Manteufel, 2019-2020 WI-UM Kiwanis District Governor-elect

Our goal with this newsletter is to reach every member of our Kiwanis family. We love Kiwanis and want you to know that we are here for you.

• Your community: Your Kiwanis leadership and ideas are needed now more than ever. This is your club’s chance to shine!
• We Can: Instead of cancelling meetings, service and fundraisers, start with “We Can”. Ask yourself if there is another way you can carry on your event, even if it is in a different version.
• Meetings: How can you still connect? We joined for the fellowship and service. Keep it going.
• Fun: Remember to put some fun into your meetings. Maybe, start it with “My 1-1-1”: one good thing, one thing you need help with, and one thing you are looking forward to.
• Sponsored programs: Reach out to your Key Clubs. They are still making plans for the future. So is Circle K. On April 25th, Circle K is holding their Spring Fling. This year, it will be virtual. They will be inviting us all to join them for the fun. They haven’t cancelled it; they are just finding ways to work around it. What a breath of fresh air they are! Tune in.

Governor-elect Jean Long Manteufel wants everyone to know that Kiwanis loves you and that we are here for you!

• Service: You may be surprised at what new ideas you can come up with to continue serving others.

Share our Kiwanis fellowship – with your club and with anyone you can. We are all in this together.

2019-2020 WI-UM Kiwanis District Governor-elect Jean Long Manteufel can be reached by phone at 920-585-7769 or by email at jean@longmoving.com.

You are Essential to Kiwanis …continued from page one

• Do you remember at Christmas time, when your club would adopt a family? Contact a senior community and ask them for a person who is lonely, then adopt a senior. Become pen pals. Call them. Connect.
• Seniors, the phone works both ways. Call the family and talk with your kids.
• Schedule a time to talk to the grandkids. Their exhausted parents will appreciate the break.

Let your community see Kiwanis in action!

SPREADING THE LOVE IN DARBOY

Darboy Kiwanian John Schultz reports that the club is making 400 yard signs to share the encouraging message that Kindness is not Cancelled!

KINDNESS is not CANCELLED!

2019-2020 WI-UM Kiwanis District Governor-elect Jean Long Manteufel can be reached by phone at 920-585-7769 or by email at jean@longmoving.com.
TECH ADVOCATE NEEDED!
Kiwanis International has free websites for all clubs! Before we can offer this to clubs in our WI-UM District, we need someone (or more) to learn the ropes and be the go-to person for clubs who would like to use the website. Without tech advocates, we can’t offer this to our members. Do you have the technical skills to step up and help? There will be training from Kiwanis International via GoToMeeting. Please contact Jean Long Manteufel at 920-585-7769 or jean@longmoving.com for more information or to volunteer as a tech advocate.

NEW ASHWABENON CLUB MEETS VIRTUALLY TO PLAN CHARTER
Submitted by Dale Vannes, District M&E Co-chair
The newest club in our District is the Ashwaubenon Kiwanis Club. They were recently organized and are in the planning stages for their charter night as well as several other efforts they want to implement. Club members want to be in touch with others and meet any way they can so they are holding virtual meetings. Embrace Ashwaubenon’s passion for venturing forward with new technology by planning your virtual meetings today!

WI-UM KIWANIS DISTRICT LT. GOVERNORS ARE HERE TO HELP YOU
Submitted by Tim Lubinsky, Division 9 Lt. Governor

Club officers, please utilize your division’s Lt. Governor. The primary responsibility of a Lt. Governor is to act as a liaison between a Kiwanis club and the District governor, District appointees and committee chairs. Lt. Governors have held club offices such as vice president, president-elect and president. They have experienced what you are now going through. Please feel that you are being supported and have access to information to continuously improve your club.

Two tools the District offers to support clubs are the WI-UM Kiwanis District website (www.wiiumkiwanis.org) and the Kiwanews. Club officers should know how to use the menu on the District website. The club secretary should be able to use the District dashboard. The Kiwanews tells you who other clubs are in your division, important Kiwanis dates and who all the District officers and chairpersons are, along with contact numbers.

If these tools do not provide a satisfactory answer to your questions or concerns, please contact your Lt. Governor. He or she will help you. If they don’t have an answer to your questions, they will seek one and get back to you. Lt. Governors are available to do more than install club officers and directors. Please schedule your Lt. Governor to visit your club and present a program. Lt. Governors can also make recommendations like bringing in a club coach or having the Membership and Engagement team come to present ideas. Make an effort to stay acquainted with your Lt. Governor, by email or phone. We are here for you!

SUPPORT KIDS ON THE SPECTRUM DURING AUTISM AWARENESS MONTH

Submitted by Mike Hipple, Division 10 Lt. Governor

April is autism awareness month! A family with a child on the autism spectrum might need speech, behavioral or occupational therapy. Bills can be expensive if families don’t have insurance. Non-profit organizations such as ACT today, an organization that pays for therapies, sensory toys like a ball pit or trampoline, iPads or equipment like a fence to keep their child safe, are seeking funding. The Kiwanis Autism Project is our District’s signature project. It focuses on providing iPads and related apps to children on the autism spectrum from families with financial need.

If your club is looking for things to help with during this pandemic, why not do a fundraiser at home by calling up your family and friends and asking them for a donation. They donated or went to a fundraiser before, why not now? I bet that your club might be able to donate $50 to $500 or more to an autism-focused non-profit or to our District signature project. These programs are life saving for these families. To give you an idea, behavioral therapy could cost $300 an hour. Remember to have fun doing this. Happy autism awareness month everyone!

APPLETON-FOX CITIES CLUB AWARDS IPAD TO A YOUNG BOY ON THE AUTISM SPECTRUM

Submitted by Jean Long Manteufel, 2019-2020 WI-UM Kiwanis District Governor-elect

With schools currently shuttered, some children who normally have access to an iPad or other technology at school to facilitate communication are trying to manage without it at home. Now, more than ever, children on the autism spectrum may need an iPad and communication apps to help them during this “safer at home” period.

On Thursday, April 3, the Appleton-Fox Cities Kiwanis Club awarded an iPad to a child on the autism spectrum. The parents of our new friend were excited to receive the iPad as well as the Proloquo2Go app. They are currently learning all the wonderful things the iPad has to offer to help their son become more verbal when at home.
