The Waukesha Noon Kiwanis Club donated $50,000 to the Potawatomi Area Council on June 7 to help pay for renovations of the Kiwanis cabin at Camp Long Lake. Camp Long Lake is a Boy Scouts of America camp near St. Cloud, Wisconsin, used by youth from all over Southeastern Wisconsin.

These renovations will allow the Potawatomi Area Boy Scouts Council to add additional bathroom and shower facilities as well as to retrofit the Kiwanis cabin for accessibility for those with disabilities. The renovations will also allow Camp Long Lake to offer a year-round facility for scouts and camp staff to use during the summer months.

The Waukesha Noon Kiwanis Club is pleased to be able to provide this donation. Club members have a long history of supporting scouting.
It’s time to think about the legacy we are going to leave for the next Kiwanis year. How have our clubs and membership levels progressed? Have we addressed our concerns as a club? Have we reviewed our organization to ensure its sustainability? I have had a fantastic time traveling around the WI-UM District and seeing some of the strides our clubs are making. Although there have been some amazing things happening, some members have shared concerns about the strength of their club.

I am often told that very few members attend meetings, volunteer or accept leadership positions. Statistically, about 20% of members do 80% of the work. To engage more members, involve them (and potential members) in projects so they become hooked on the impact your club is making. Conduct a member orientation process that stresses the importance of membership in the club. Reach out to members who miss your meetings and projects and find out why. Conduct a membership satisfaction survey. This will give you insight from all members on the operation of your club. You may even find a new idea or two that would be beneficial to the future of your club.

I have heard that our communities don’t know what Kiwanis does. Are we not talking about ourselves and the impact we are making? Are we not sharing our Kiwanis story with the community? Do we have projects that don’t address the true needs of the community? Do we have a signature project? We might counter these concerns by ensuring the Kiwanis image is a part of everything we do. Examples would be club shirts to wear during projects or putting the Kiwanis logo on donated park equipment. Clubs should also be taking pride in the things members are accomplishing. Publish the success of your last project or the scholarships you awarded. People like to hear about the positive things happening in our communities.

When we talk about Kiwanis, don’t talk about the organization, talk about the warm fuzzies you get by being a part of Kiwanis. Identify your club’s story and share that with the community. You will find that your club will grow because there will be a tangible feeling associated with membership. Remember to conduct a community service assessment. This will help determine if you are meeting the needs of your community. You may discover a new signature project for your club.

The last concern I want to address is that of new ideas being squashed. In this case, the club may be serving the desires of a few rather than the whole. Trust me… I get it! I myself am a little bit of a different person and it sometimes takes some time to warm up and get used to me. We need to make sure to step out of our comfort zone and nurture all new ideas. Test a few of these ideas every year. You may discover a new idea that will take your club to the next level. Additionally, evaluate your traditional projects each year. You may learn that an adjustment is needed, or perhaps a full-on scrap and start something new. I urge you to try new things. I stepped far out of my comfort zone when I first ran for Governor, and this year as Governor has been a year of pushing myself to try new things for our District and to encourage others to do the same. Boy have we accomplished some great things so far – opening new clubs, developing new awards and setting goals. So much can be accomplished if we just step up and step forward.

We have a few opportunities for you to help strengthen your club and we have incorporated them into this year’s District convention. On Friday, Kiwanis International staff will conduct a club coaching session. We are looking for members who want to become a certified club coach, and we are looking for clubs who want to work with a club coach for the betterment of their club. KDF IS BEGGING FOR BASKETS
By Gail Pachucki, Kiwanis District Foundation

KDF members sure do love seeing tons of raffle baskets at the District Convention in August for the amazing benefit of our Kiwanis District Foundation! Our clubs reap the rewards via scholarships and grants. Many thanks for your ongoing support!

Message from the Governor… continued from page two

going to be a unique experience in which I encourage your club to take part. We have enlisted our Immediate Past International President Jane Erickson and Area Director Brian Tenclinger to present a few workshop sessions on strengthening membership. Building your membership, motivating the middle and rediscovering your community are topics which will be addressed. Participate in these amazing educational opportunities at our District Convention, August 24-26 in La Crosse.

I must reiterate how fortunate I have been this year to witness some amazing things in our District. While our year together only has a few months left, there is still time for us to work together to leave a lasting legacy for our members, our clubs and our District. Let’s push forward and create history together as we enter our second century of Kiwanis in Wisconsin and Upper Michigan.

CLUB COACHING TRAINING AVAILABLE AT THE DISTRICT CONVENTION

Submitted by Ron Schuler, District Leadership Development Coordinator

You are invited to participate in a club coaching session training new coaches, re-certifying our first coaches, and helping clubs on Friday afternoon, August 24, at the District convention. Brian Tenclinger, Kiwanis International Area Director and Manager for Membership Education, will lead the training session with assistance from District Formula team members. Registration information can be found on the ‘Participate’ page of the District web site.

The goal of the District training is to have at least one certified coach in each division of the WI-UM Kiwanis District. Coaches facilitate self-evaluation by club members. They are trained to be good listeners, to focus on club needs as determined by the club members and to inform clubs about the Achieving Club Excellence tools provided by Kiwanis International.

Clubs looking for a coach are also encouraged to participate and can sign up using the same form. The first step to club coaching is to conduct a member survey which is available on the District web site on the ‘Resources’ page under ‘Membership’.

In 2013, Kiwanis International initiated the Formula program to address a decline in Kiwanis membership and the number of clubs. As a result they developed this program for certifying club coaches and club openers. District openers and coaches were certified at two programs in St. Louis in 2014 and 2016. The District Formula team was established and has conducted two District club coach certification programs.

Thirteen Kiwanians in the WI-UM District have received club coach certification training. Kiwanians successfully completing the program are certified for three years. The District needs more coaches to ensure continued success.

DISTRICT SIGNATURE PROJECT NEARS GOAL OF 1,000 DONATED IPADS
Submitted by Lynn Messer, WI-UM Kiwanis District Signature Project Chair

Autism affects approximately 1 in 60 children in the United States. Most of us know families with children whose life is challenged by autism spectrum disorders. The goal of the 2012-2013 Governor’s Project was to furnish iPads, protective cases and software apps to 1,000 children on the spectrum whose families have financial need. The project had the potential to positively affect every community served by a Kiwanis club in our District. The project was so impactful that Kiwanis members voted to make it the District Signature Project at the 2017 WI-UM Kiwanis District Convention.

Five years since the program launched, the District is just six iPads shy of granting 1,000 iPads to children on the spectrum. We have changed the lives of 994 children as I write this. This was a project that some thought was too large to undertake and look at the progress we’ve made! Kiwanis empowers members to pursue creative ways to serve the needs of children through local service projects and fundraising. The District iPad project aligns perfectly with the Kiwanis focus of serving the needs of children.

School is now on summer break. This is a critical time for children on the spectrum to be at home without an iPad of their own if they have had the use of a school-supplied iPad during the school year. I have received many comments from parents that when their child is at home they become very frustrated because they don’t have the support of an iPad to communicate. They have had the use of an iPad at school but they need the assistive technology at home as well.

It is great what so many clubs are doing with the project. We can still do more. Can we set the goal for another 500 or more? Imagine the possibilities!

Lynn Messer can be reached by phone at 920-946-0652 or by email at lmmsr001@gmail.com.

PAST LIEUTENANT GOVERNORS FUND IPAD FOR WAUPACA CHILD
Submitted by Lynn Messer, WI-UM Kiwanis District Signature Project Chair

Funds provided by the Past Wisconsin-Upper Michigan Kiwanis District Lieutenant Governors were recently used to award an iPad to Elijah Vassar from Waupaca. Wautoma Kiwanis Club member Barb Struzynski made the presentation. The Wisconsin-Upper Michigan Kiwanis District Signature Project serves children by awarding iPads, protective cases and software apps to children on the autism spectrum.

Left to right: Mom Danielle Vassar, Wautoma Kiwanis Club member Barb Struzynski, recipient Elijah Vassar, Special Education Teacher Aimee Lusic and Speech and Language Pathologist Renee Harms pose for a photograph after Elijah received his iPad.
In past articles I’ve talked about the five focus areas of the Kiwanis Children’s Fund. I would like to let you know about several opportunities to support the Children’s Fund.

**Club Gifts**

Coming together to give – it’s one of the most powerful ways to show a unified commitment to the Kiwanis mission of serving the children of the world. That’s why the Children’s Fund offers multiple club gift options. Each helps fund the programs that make a difference in your communities and around the world. The Annual Club Gift Campaign is a great way to inspire club members to make a difference today – together – and an opportunity for your club to earn recognition.

**Anniversary Campaign**

On April 7, the Children’s Fund celebrated 79 years of bringing Kiwanians together to help children beyond the reach of a typical club. Your support can be seen in the determined look of a Key Clubber learning to take initiative and lead his or her club. It can be seen in the smile on a child’s face after receiving a new book or a healthy meal. It can be seen in the eyes of a grateful mother, knowing her future children will be protected against a deadly disease.

Come together with thousands of Kiwanians in support of the Children’s Fund. Our collective impact is greater than our impact alone. Consider a gift of $79 in honor of our 79th anniversary and receive a pin for yourself or honor an outstanding club member with the pin.

**Today Club**

There is no other way to give to so many areas – to touch the lives of so many children and communities – and in so many different ways than by giving a Gift of Today.

Gifts of Today come to the Kiwanis Children’s Fund from individuals, clubs and other entities. These gifts are the backbone of our organization. Through consistent yearly gifts, one person, one club and one contribution at a time, Kiwanians extend their impact to the children of the world.

The Today Club program honors clubs that achieve a minimum per-member giving level from active dues-paying members during the Kiwanis administrative year, which runs from October 1 through September 30. Gifts of Today to the Kiwanis Children’s Fund will be counted in determining per-member giving. The per-member giving level for clubs is based on the September 30 membership certified by Kiwanis International.

Clubs can reach one of these levels by making an unrestricted gift to the Children’s Fund: Blue – $10 per member, Silver – $25 per member, Gold – $50 per member or Diamond – $100 per member.

**Individual Gifts**

Individuals can make a one-time gift or make regular donations as part of your annual giving. The Children’s Fund can help you explore your options for planned giving – and for making your generosity a part of your personal legacy. Your donations can be restricted or unrestricted.

**Kids Need Kiwanis.**

Kiwanis Children’s Fund District Chair Bev Burnap can be reached at 715-868-5633 or bjburnap45@gmail.com.
COLLECTIVE EFFORTS EXPAND CLUBS’ ABILITY TO MAKE A DIFFERENCE
Submitted by Rebecca Mattson, Kiwanis Club of Eau Claire

One benefit to being part of Kiwanis is the fact that we are a family. As a family we are far stronger as a team when we work together, not just within our own clubs, but as interclubs. The Kiwanis Club of Eau Claire recently received an e-mail telling us of an individual named Cleneice who, several years ago, had suffered brain trauma as a result of a car accident. She had benefited in the past from time at Camp Wawbeek, but she only had enough funding this year to pay the registration fee of $125, leaving a balance due of just over $700.

In mentioning this to club board members, our Past President Dennis Johnson suggested I reach out to the other Eau Claire Kiwanis clubs and see if they would help us fulfill Cleneice’s dreams of attending the respite camp in July. Within a week of contacting the presidents from area clubs we had enough money pledged to donate $700 towards Cleneice’s week at Camp Wawbeek. Thank you to the Eau Claire Early Risers, Indianhead and Clearwater Kiwanis clubs for teaming with the Kiwanis Club of Eau Claire to make a difference.

We are fortunate to have a wonderful network of clubs in Eau Claire to work together to make a difference. The Clearwater club teams with our club to oversee the Silent Auction at our annual Paul Bunyan Flapjack Feed in September. At this event we will also have the pleasure of working with our sponsored leadership organizations: Robbins K-Kids, South Middle School Builders Club, Memorial Key Club and UWEC Circle K. There is so much strength in our K-family.

We encourage all clubs to continue to connect with one another to make a difference one child at a time.

WESTERN KENOSHA KIWANIS CLUB AWARDS 23RD IPAD
Submitted by Ron Soellner, Western Kenosha Kiwanis Club

The Western Kenosha Kiwanis Club presented an iPad, a protective case and a $100 gift certificate to Jessiah Rupp, a student at Whittier Elementary School. Jessiah’s mother, Tonya Rupp, 4th Grade teacher Kathy Prozansky and 3rd Grade teacher Christine Lawson attended the presentation. The club has awarded 23 iPads to children on the autism spectrum to date in support of the District Signature Project.

SHEBOYGAN FALLS KIWANIANS LEAD EFFORT TO IMPROVE AREA PARKS

Submitted by Karin Oliver-Kreft, Sheboygan Falls Kiwanis Club

In keeping with a mission to improve Sheboygan Falls and the surrounding community, the Sheboygan Falls Kiwanis Club completed installation of a new play structure at Woodview Park. More than 50 volunteers came together to put the new structure in place in May.

“I knew everything was going smoothly when we were able to have the concrete delivered three hours ahead of schedule at 11 a.m.,” said project chair Randy Meyer. Kiwanis members, working with a team from Gerber Leisure, had everything laid out with instructions.

Volunteers add the finishing touches to the playground equipment.

Kiwanians voted to adopt the replacement of aging park equipment as a signature project for the club. A committee of eight Kiwanians started planning for the Woodview Park project a year ago. Club members will repeat this process at additional parks throughout the community, with Kay Meadows Park designated as the next park to review and improve.

More than 50 volunteers helped with the playground project.

BELOIT KIWANIANS CELEBRATE NOON CLUB’S 98TH BIRTHDAY

By Steven Hammill, Kiwanis Club of Beloit - Noon

The Kiwanis Club of Beloit - Noon recently celebrated their 98th birthday by giving back to the youth and community of Beloit. Club members awarded more than $4,000 in community grants with funds raised from peanut day and a pancake day last fall.

John Butchart, Rudy Kaderly, Cindy Laube, Larry Kane, Bob Schendel and Steve Hammill celebrate their club’s 98th birthday.

LAKESIDE KIWANIANS CREATE MEMORIAL FOR CHUCK WESTBY

By Dan Weninger, Fond du Lac Lakeside Kiwanis

Chuck Westby served as Fond du Lac Lakeside Kiwanis Club President and was a George F. Hixson Fellow. He volunteered countless hours at Walleye Weekend. Chuck passed away in 2015 as a result of a drowning accident. Members created a memorial plaque in his honor at Lakeside Park.

Ron Rademann and Jeanne Westby proudly display the memorial plaque.
SNOWSTORM EVELYN DID NOT DETER FOX CITIES KIWANIS KIDZ EXPO
Submitted by Jay Stephany, Appleton Fox Cities Kiwanis Club

Snowstorm Evelyn would not damper the spirits of the Appleton Fox Cities Kiwanis Club as the Second Annual Fox Cities Kidz Expo took place on April 14. While a record 21.2 inches of snow fell outside, fun was still happening inside the Fox Cities Exhibition Center in downtown Appleton. This free event was created as a replacement to a popular family outing called Quarry Quest. The Kiwanis club is now filling a void for families looking for fun on a Saturday in April.

The Kidz Expo included interactive and educational exhibits, a fire truck and police vehicle, fishing pond, STEM activities and areas focused on dinosaurs and geology. With over 50 exhibitors focused on youth and youth programming, mascots roaming about, inflatables and a stage for performances, there were plenty of activities for attendees.

In addition to providing a great family event for the community, the Appleton Fox Cities Kiwanis Club also generated revenue that was reinvested into partner organizations. During the club’s Inspirational Breakfast held on May 18th, Kiwanis had the chance to award $1,000 donation checks to the Building for Kids, Appleton YMCA, WisconSibs, Wisconsin Army Cadets, and Best Friends of Neenah-Menasha in support of our Kidz Expo.

For more information on this year’s event, visit the event website at www.FoxCitiesKidzExpo.com.

OCONOMOWOC BREAKFAST CLUB HONORS HIGH SCHOOL SENIORS
Submitted by Jerry Schneider, Oconomowoc Kiwanis Breakfast Club

The Oconomowoc Kiwanis Breakfast Club held its 53rd annual Kiwanis Hall of Fame awards dinner at Lake Terrace Club House on May 10. In attendance were students, family members, teachers, school officials and Kiwanis members. The awards honor a high school senior from each education department who has displayed excellence and superior performance in citizenship and academics. The teachers gave an account of the recipients’ accomplishments during the presentations.

The Hall of Fame was created by the Oconomowoc High School staff and the Kiwanis Evening Club in May 1966. The Kiwanis Breakfast Club continued the award program in 2003 after the evening club disbanded.
PLATTEVILLE KIWANIS CHICKEN BBQ SUPPORTS READING PROGRAM

By Bev Johansen, Platteville Kiwanis Club

The Platteville Kiwanis Club hosts an annual chicken barbecue on the first Wednesday in June to help fund the “Reach Out and Read” program sponsored by a local hospital and clinic, Southwest Health Care.

The “Reach Out and Read” Program provides age-appropriate books for babies and children from birth through 6 years at the health care clinic. The purpose is to promote a life-long love of reading among children, boosting literacy both for kids and their parents.

Club members served around 500 meals and delivered carry-out meals to two senior apartments in Platteville. Thanks to the support of the Platteville community, the club’s donation this year exceeded $2,000.

KIWANIS CLUB OF DE PERE TO HOST 20TH ANNUAL CHARITY GOLF OUTING

Submitted by Steve Wilmet, Kiwanis Club of De Pere

The Kiwanis Club of De Pere will hold its 20th annual Touscany-Scannell All Service Club Golf Outing on Monday, August 6, 2018 at Mid Vallee Golf Course on Highway 41 in De Pere. The format will be an 18 hole four person scramble.

Registration will open at 9:15 a.m. followed by a shotgun start at 11 a.m. and dinner at 5 p.m. There will be door prizes along with raffle and golf prizes. The cost for golf, cart, dinner, prizes and free beer and soda after golf is $90 per person. Dinner and prizes only is $25.

Proceeds from the outing help fund scholarships for Circle K members at St. Norbert College in De Pere and students attending technical colleges, along with a donation to Ribbon of Hope in support of helping women in their fight against breast cancer. Proceeds are also directed to support the De Pere Kiwanis charitable giving budget which includes the elimination of maternal and neonatal tetanus worldwide and iPads for children on the autism spectrum.

Send checks, payable to De Pere Kiwanis, and reservations by July 27 to Steve Wilmet, 1035 Misty Meadow Cir. #2, De Pere, WI 54115. For more information call Steve Wilmet at 680-9690 or e-mail him at swilmet@new.rr.com.

In the event of cancellation due to inclement weather participants who have paid will receive golf and cart certificates at the dinner.

WHERE IN THE DISTRICT HAVE GUERNSEY AND HOLSTEIN GNOME BEEN?

By Justin Hahn, 2017-2018 WI-UM Kiwanis District Governor

Governor Justin Hahn, Guernsey and Holstein Gnome attended Kiwanis meetings and events in April, May and June and they would love to visit you, too! Invite them to your area, then snap a photo and submit it to the Kiwanews.

Guernsey and Holstein learned a lot at Club Coach training on April 28.

The WUM Circle K District Board welcomed the gnomes to their Spring Fling on April 29.

St. Norbert Circle K joined the gnomes at the De Pere Kiwanis Club meeting on April 30.

Celebrating at the Elm Grove Golden K 35th Anniversary Luncheon on May 4.

Helping the Dodgeville Kiwanis Club induct new members on May 7.

Guernsey and Holstein enjoyed their visit with the Plover Kiwanis Club on May 9.

Our roaming gnomes played Bingo at a Governor’s Project fundraiser on May 16.

Guernsey and Holstein attended Lieutenant Governor training on May 18.

They learned about member engagement at the Burlington Kiwanis meeting on June 11.
