The Pewaukee Kiwanis Club has pledged $100,000 over a period of 20 years to receive the naming rights to the Kiwanis Village Park in Pewaukee, Wisconsin. The funds are to be used for improvements to the park for youth activities and areas.

In 2018, club members donated $15,000 for the purchase of playground equipment. Kiwanians volunteered their time to help install the equipment, saving the club $1,500. Those helping enjoyed beautiful weather during the playground installation and were served lunch after the work was complete.
Well Kiwanians, my time with you as your governor is coming to a close. The new Kiwanis year begins on October 1st. My term as governor will soon be over and Jim Buskel will take the reigns. It has been an incredible year, but let’s not think of it as good-bye, but rather as hello!

I thank every member and club of the Wisconsin-Upper Michigan Kiwanis District for your hard work and efforts in making this a most successful year. We set out on this year with a game plan in mind and we worked towards achieving those goals. We will reach some, and we will fall short on others, but in the end, we have accomplished so much together.

I would like to take a moment and thank you all for your hospitality. I have driven all over this wonderful District this year and I was always met with the warmest welcomes, the biggest smiles and the most awesome enthusiasm to hear what I had to say. From riding a pontoon boat on the lake with Pewaukee, to building a playground at Camp Wawbeek with more than 58 volunteers from around the District, to serving shrimp with Oconomowoc Breakfast, to enjoying the Holiday Madrigal Singers luncheon with Sheboygan Falls, wherever the road took me this year, you all made an impact on my life. This year has been one of the most rewarding years of my life, and that is because of all of you.

Now, like I said, this is not good-bye, but rather hello. What I mean by that is we have made incredible strides this year as an organization. I have seen clubs renew their enthusiasm for Kiwanis in their communities. I have seen clubs make giant leaps in terms of membership and strength. I have seen clubs identify what their story is and what gives them the warm fuzzies, and I have seen clubs step out of their comfort zone and try new things while challenging themselves to move their club forward.

Whatever progress your club has made this year, consider that a hello. You have gained an awakened momentum in these efforts and you must take that momentum and carry your club even further. Take that rediscovered excitement for Kiwanis and keep challenging and growing your club. Use the resources and tools available to you to continue strengthening your club. Carry this momentum with you as we approach the new year together. Let’s crush this next Kiwanis year even more than we have this year.

We have so much to be thankful for and to be proud of and I could not be more thankful and more proud of our efforts together this year. We have made a giant leap forward in terms of membership. We were able to come together and provide an all-accessible playground for Camp Wawbeek. We have seen increased attendance at our District events which results in further training for our clubs and have collectively made Kiwanis more fun and exciting.

If I could leave you with one thing this year, it is to continue to have fun, continue to challenge yourselves and continue to make a bigger impact in your communities. I have loved every moment this past year and I will never forget the amazing experience this has been. Now step into the 2018-2019 Kiwanis year and remember to be a flamingo in a flock of pigeons.

This year’s Wisconsin-Upper Michigan Kiwanis District Convention was an incredible celebration! Members from all over the District gathered August 24, 25 and 26, 2018 as we honored 100 years of service in the WI-UM District. With a ‘Hollywood Awards’ theme, the tone was set for an epic weekend and epic it was. There were 260 Kiwanians and guests representing 72 Kiwanis clubs, making it the District’s largest convention in recent years.

On Friday, the District hosted a Club Coach training that afforded clubs the opportunity to meet with one of our Club Coaches and help identify areas within their clubs that they needed help with strengthening. We also had a chance to meet the candidates that were running for office throughout the weekend.

The District was presented with a Certificate of Commendation from the State of Wisconsin and a thank you letter from the Governor of Michigan, both congratulating Wisconsin-Upper Michigan Kiwanis on 100 years of service. The Riverboat dinner cruise was definitely a highlight of the evening. It might have been misty weather, but the camaraderie and fun were in full force as we floated down the mighty Mississippi in style.

Saturday was a busy day, beginning with the General Service Session where 230 dog toys were made and donated to the local humane society. The dog toys will go home with every dog that gets adopted. We had some pretty incredible workshops after that, including some presented by Kiwanis International Immediate Past President Jane Erickson, Kiwanis International Area Director Brian Tenclinger and Kiwanis International Board Trustee Peter Mancuso. Participants left enlightened and enthused about strengthening their Kiwanis clubs.

At lunch we honored some of our clubs for their efforts over the last year with awards and recognition. We were entertained and amazed by guest speakers including the Key Club Governor Kevin Jacobson, Circle K Governor Zoey Colglazier and Key Club International President Emily Rice. We had the distinct pleasure of being inspired by our Keynote Speaker, Kiwanis International Immediate Past President Jane Erickson.

...continued on page five
Saturday afternoon events continued with gift basket raffles. We received a record number of baskets to raffle and we raised a record amount of money for the Kiwanis District Foundation through the raffles and live auction. We then conducted business during our House of Delegates, which included electing officers for the 2018-2019 Kiwanis year, passing a Bylaws amendment which removed the KC/CK Graduate Program from the list of standing committees, remarks by our Kiwanis International Trustee Peter Mancuso, the first ever State-of-the-District address presented by Governor Justin Hahn and a hearing to discuss new division boundaries.

Saturday evening started with a bang as we enjoyed fun and friends at the cocktail reception which included live Beatles music from the Greg Hall Band. This reception lead directly into dinner where we retired officers, installed new officers and passed the gavel from Governor Justin Hahn to Governor-designate Jim Buskel. Governor Justin gave a moving farewell and thanked everyone for the sense of love and family he felt this year. Lots of emotions were felt and surprise recognitions were given. It was a glorious celebration that concluded the weekend’s events.

We are headed in a great direction in Wisconsin-Upper Michigan and Governor Justin encouraged all clubs to continue to work hard and push for a net membership gain this year. Instead of accepting members wanting to end their Kiwanis experience, take them out for coffee and find out why they don’t want to continue and reinvigorate their Kiwanis spirit!

Since the convention, I have received so many messages from members and clubs that this was the best convention they have ever attended. I urge you now to reserve August 23-25, 2019 for our next District Convention in Brookfield, Wisconsin!

The Kiwanis Children’s Fund serves as the fundraising and grant-making arm of Kiwanis International, a 670,000 member global organization dedicated to serving the children of the world. We accomplish this through our five causes: district and club service projects, the Eliminate Project, Disaster Relief, SLP programs and iodine deficiency disorders elimination and sustainability.

Maternal and Neonatal Tetanus (MNT) Progress
As of July, maternal and neonatal tetanus has been eliminated in Kenya. That leaves only 14 countries at different stages left to eliminate MNT. At our International Convention in Las Vegas a challenge was made to match a $100,000 donation. We raised $170,000. A second challenge went out for another $100,000 for a total of $400,000. Let’s take the challenge to raise the remaining funds and complete Kiwanis International’s pledge to raise $110 million to eliminate MNT.

Club and District Grants
From making sure children have clean clothes and school supplies to offering them opportunities to learn and grow, Kiwanis clubs around the world are making remarkable things happen for kids and communities.

Thanks to your generosity, the Children’s Fund was able to award grants to 13 clubs for their projects. Because of your generosity, clubs were able to:
- Hand out free books and reward kids for reading.
- Build or replace playgrounds.
- Plant, care for and harvest community gardens.
- Build a pavilion.
- Renovate bathrooms.
- Send kids to summer camp who otherwise would never have the experience.
- Conduct classes to help 6- to 11-year-olds with academics, art and music.
- Teach kids to do household chores.
- Provide supplies needed to be successful in school (ranging from basic supplies to white boards and science equipment).
- Hold Key Leader weekends for refugees ages 12-18 to receive an education while waiting for relocation.

We are fast approaching the end of our 2017-2018 administrative year. If your club hasn’t given an annual donation please consider doing so before September 30th so we can continue to help the children of our communities and the world. Please give from the heart. Where else can so small an amount do so much?

The Beaver Dam AM Kiwanis Club hosted a “Princess My Party” fundraising event on August 4, 2018. Members of the club donned costumes to assist the “real” princesses. Guests ages 3 to 8 arrived for tea and crumpets followed by a picture-book reading by the Queen of Hearts with guest participation. When the queen read “Do princesses eat vegetables?,” although the printed answer was “They find them most delectable,” one young guest replied, “My favorite vegetable is cheese pizza.”

Belle, Cinderella and Rapunzel lead the guests in learning Princess manners, songs and dancing. The event ended with each young guest being crowned a princess by hearing “You are good. You are kind. You are a princess.” They each received a princess certificate. All then departed for their own kingdoms and the Beaver Dam AM Kiwanis Club members returned to reality… and everyone lived happily ever after.

Princess My Party’s mission is to host wholesome, family-friendly and budget-friendly events. The organization is often called on to visit schools, churches, hospitals, benefits and charity functions throughout the state. From Princess balls to character playtimes, meet and greets, breakfasts and more, Princess My Party aims to give families the opportunity to make lasting memories.

Princess My Party is a non-profit organization which employs talented children’s entertainers. Their actors work to plan age-appropriate games for your event. The characters wear custom wigs, costumes and accessories to ensure quality and believability. Each actor is trained on makeup techniques, posing, voice acting and more to ensure the highest level of accuracy in portraying each character. The actors are also trained in face painting and balloon twisting to add a special element to your event.

Princess My Party operates within a 100-mile radius of zip 54935. Visit www.princessmyparty.com to learn more.

Submitted by Laura Bertch, Lakeland Area Kiwanis Club

The Lakeland Area Kiwanis Club announced the winners from the Island Art Walk event held on July 14, 2018. The event attracted many talented artists and crafters to the annual show, which draws vendors from as far away as Florida, Texas and surrounding midwestern states. Visitors to the beautiful park setting found metal art, jewelry, painting, wood working, pottery, textiles and much more while listening to live music and enjoying brats and hot dogs from the Kiwanis food booth.

The Kiwanis club appreciates the community’s support and uses this event to raise money for scholarships and youth activities. The club would like to thank the artists, crafters, judges, sponsors and supporters of the event as well as the public who attended the show.

Next year’s Island Art Walk will be held on Saturday, July 13th, 2019. For more information, contact Laura Bertch at macooa@centurytel.net.

GREATER HUDSON KIWANIS PROVIDES BOOKS FOR BACKPACK PROJECT
Submitted by Nancy Dietze, Kiwanis Club of Greater Hudson

The Kiwanis Club of Greater Hudson has teamed up with the Summer Backpack Project in its second year of providing food to needy families in St. Croix County, Wisconsin. The Backpack Project provides food during the school year but recently expanded to a summer schedule of six food disbursements.

The Kiwanis Club provides an array of gently-used books in three age categories (pre-school, elementary and middle school). Every child may choose one to keep as their own each time. There are more than 100 children in this year’s program and each child will have six books to enjoy at the end of the program.

Each book has a label inside that reads “Reading is a window to the world. This book is a gift to you from the Kiwanis Club of Greater Hudson.” The books are donated by members and also purchased from Goodwill on Thursdays when a book costs only $.25. It amazes the club that ‘like new’ books are available at that price.

GREEN BAY-DOWNTOWN CLUB FOCUSES ON MEMBERSHIP INITIATIVES
Submitted by Dal Wood, Kiwanis Club of Green Bay–Downtown

The Kiwanis Club of Green Bay-Downtown, founded in 1917, is one of the oldest clubs in the WI-UM District. At its peak in the 1950s and 1960s it boasted more than 150 members. Recent years have not been kind to the Green Bay club. Recruiting has been difficult, aggravated by a weekly noon-time meeting schedule which doesn’t fit many employed people. During 2017, the club’s 100th anniversary year, active membership declined to about 20 members. Amazingly, those dedicated Kiwanians have maintained all of the club’s long-standing community service activities, including the sponsorship of three large Key Clubs and many other youth-oriented programs.

In 2018, the club adopted a commitment to devote itself to membership growth. This involved an upgrade in meetings, programs and activities, as well as a concerted recruiting effort. Seven new members joined in 2018.

Dal Wood, club president, says this is just the beginning. “We want to serve as a model for other clubs who may be shrinking due to normal attrition and worn-out recruiting methods. We want to prove that, in spite of the well-known obstacles, it still can be done!”

For further information on some of the innovations used to revitalize the Kiwanis Club of Green Bay-Downtown, contact the club at greenbaykiwanis@gmail.com.
KEY CLUB CONVENTION POSITIVELY IMPACTED WI-UM PARTICIPANTS

Submitted by Justice Moore, WI-UM Key Club 2018-2019 District Bulletin Editor

The week of July 2, 2018, I was honored to be one of the Wisconsin Upper-Michigan Key Club members who attended the 75th annual International Key Club Convention in Chicago.

We were afforded opportunities to improve leadership skills with workshops. I attended the ‘A Mission-Driven Career: Think About It!’ workshop. Presenters talked about careers that make differences in their communities.

Our new International Board was elected. Our 2018-2019 president is Emily Rice from the Minnesota-Dakotas District and our new trustee is Lamiya Kudrati from the Florida District.

Governors who obtained distinguished status were Ben Abrahamson, Nyesha Baker, Allison Brehm, Liam Flatley, Kevin Jacobson, Gabriel LeGore, Hana Li, Justice Moore, Megan Stippich, Sophia Sun and Ethan Tapp.

Most importantly, we were able to form bonds with new people from all over the Key Club world through pin-trading, socializing in the lobby and playing card games in the hallways.

I made many memories that I will cherish forever, and I cannot wait to attend next year’s convention in Baltimore.

CHILTON KIWANIS PAYS RESPECTS TO 103-YEAR-OLD MEMBER

Submitted by Jean Van Frachen, Secretary, Kiwanis Club of Chilton

The Kiwanis Club of Chilton lost a dedicated member on June 13, 2018. Angeline Dedering was faithful to Kiwanis. Although she couldn’t assist with many projects, Angeline attended all the meetings and went to every interclub she was asked to attend. She also donated many handmade items for the club’s fundraiser raffles. At 103 years of age, the club believes she was the oldest Kiwanis member. The club surely misses her.
