Does your club take advantage of partnering with others around the community? Developing relationships with others can make your club more connected, relevant and vibrant. Clubs that are connected have more opportunities.

Here’s how your club can start thinking about connecting with more agencies, organizations and businesses:

1. Use research and members’ networks to develop a list of groups that your club might collaborate with. Discuss whether each group is a potential sponsor or partner (or both). Sponsors give cash or in-kind materials or services in exchange for positive public exposure. In a partnership, both of you benefit from supporting each other’s activities with the resources each has available. Consider these questions:

   Based on your current club projects and target populations, who might you approach to ask about partnering with the club?
