President’s Report

Hello all, hope to see everyone fit and well on Thursday morning.

Good to see our international wanderers have returned from Kathmandu.

Last meeting we were visited by Division 7 Lt Governor Gael Thompson who gave us a run down on the Division. I was also very pleased to conduct my first induction. A big welcome to the club to Bruce Davis.

Looking forward to this weeks speaker Steven Neff, speaking on Christmas for those alone.

World events may be yet to put up some hurdles in our lives, but I am sure we can come out better and wiser people.

See you there

Greg

“Children are our most valuable resource.”

Herbert Hoover

LOOKING BEYOND OUR CLUB—Globally

Individually we are one drop, together we are an ocean

- Each year, the Kiwanis family of clubs devote more than 19 million hours to service.
- Kiwanis clubs sponsor adult and youth leadership programs, and conduct more than 152,000 projects.
- Kiwanis clubs raise US$133 million.
- The average Kiwanian impacts the lives of 162 children
- The world is made a better place by Kiwanis.

As Shepparton Sunrisers' we are part of these statistics. See page 13 for our Kiwanis service activities over the last 6 months.

T H E  S U N R I S E R
Guest Speaker Faye Hosie, Executive Manager of GV Hospice Care, Shepparton
Hospice House is located at 102 Balaclava Rd
Shepparton (on Cnr of Wyndham St)

With the growing population of Shepparton and District and the age group needing hospice care, there is an urgent need for extensions and more facilities on the current premises. This is in process. This need is to house more staff and equipment. Social work and counselling along with staff to do administration to support the nursing staff, are some areas of expertise that are being expanded.

Our general perceptions of what hospice care is about need to be changed. Hospice used to be seen as ‘the end of the line’. The nature of the care it now provides is constantly being updated and improving the care and support for the ill and their families. Now people come and go and can be managed over a long time period.

Whilst hospice care services people who are mostly in their 70s, there are children and young adults who also receive care. The emphasis is on ‘people living well’ with their illness and support of carers. As well as symptom management there is a philosophy of helping families and carers to create moments that matter. There is always a way for practical and functional solutions with management of symptoms. In the last year there were 254 referrals, 167 admitted. There are 800 beds for aged care services in the Hospice district. Faye suggested that we need to talk about our dying wishes with family. It’s important to have conversations about our end of life care. Hospice ensure that wishes are granted about dying. Last year, of the Hospice patients twenty nine people died in a hospital acute bed situation out of 129 who died in their place of choice. This is the highest % of all other hospice services in this state. Above Jill Myers presenting our club mug to Faye.  

Geoff Wilson joins two other members who have reached the octogenarian level! Jane helped the occasion along with a cupcake. Two candles is enough at 80!! Geoff celebrated on his birthday the 20th January 2020.

Meeting 781  
March 5th

Induction of new member Bruce Davis.
Sponsored by Felicity Butcher. Photos Livia

Left, the first entrant to arrive. Kiwanians from the Shepparton Sunrisers: Jill Myers, Robyn MacFadyen, Damien Stevens and Betty D’Amore helping out at the MS MegaSwim at Aquamoves on February 15th and 16th. Photos Betty

Vale William (Bill) Craig

Bill passed away on Saturday February 29th 2020. It was a sad day when Australian Kiwanians heard of Bill’s death while in Nepal, especially Betty and Louis—very close long time friends and travelling companions of Bill and Heather. Bill was a true Kiwanian who began as a member of the Shepparton Kiwanis Club when he, Heather and family lived here. He took on many leadership roles at club level and was the Division 7 Lieutenant Governor in 1992-93 and later District Governor in 2001-02. In latter years Bill and Heather belonged to the Melbourne Kiwanis Club and more recently the Geelong Kiwanis Club, close to where they have lived for a number of years in Bannockburn. I am particularly indebted to Bill when he initiated and organised, along with two others, the 2018 Mildura District Convention when I was Governor. His smiling face, commitment, friendship, good humour, sense of fun and generosity will be greatly missed.  

JH
Hi All,

As you know from the last meetings we have been invited to participate in KidsFest at KidsTown. This year it will run for 5 days during the first week of the Easter school holidays. 1500 people a day are expected to attend. Each day will run from 10am to 4pm. We are down to be involved with our "Mad Mud" stall including our mobile mud kitchen on Wed, April 1st and Thurs, April 2nd.

It will be a great opportunity for the public to see Sunrisers in action, promote our goals for “Sprout” and have our tear drop banner flying.

I am looking for the following items:
- childrens' old smocks/shirts that we can use for protection
- kitchen sieve
- little pots/pans
- metal, plastic or wooden spoons
- mixing bowls
- pie tins/cooking pans
- childrens' easels for "Mud" art

I will collect any items at the next meeting.

In the lead up to KidsFest a Monday morning program for pre schoolers is being run from 9am - 1pm. We have been asked if we’d like to trial our Mud Kitchen etc on Monday, March 23rd as part of these promotional activities. Photos from this morning will be used on Facebook and other advertising for KidsFest.

If okayed by the Board, think about participating on this day.

See you all Thursday morning,

Felicity

---

**Will the club be headless next year?**

Think about how you can take up one of the many leadership positions.

AGM by April 30th   See page 7-9 of your club handbook.

---

**REACH UP and STAND UP in 2020**

Don’t rely on others,
Don’t be a leaner;
be a learner and a lifter,
Be a leader. We need you.
SUNRISERS @ KIDSFEST

KidsFest has been running for almost 15 years and has become an annual family favourite activity. This year KidsFest will run over 5 days during the first week of the school holidays. They are expecting around 1500 people per day during the week-long festival. Each day will run from 10 am to 4 pm with lots of activities, workshops, games, art and education for children of all ages. There will be food and market stalls out the front of the park as well as sideshow alley rides. Friday evening will run until 8 pm with performances and a fireworks display. Each day has a $2 entry fee with children under 2 years free.

Each day will have a theme based on the Five Pillars of the Active Living Department. We will be there on the Environment & Community days, Wednesday 1st April and Thursday 2nd April respectively. We will need 3 members: 9-10 am set up, then 10 am – 1 pm, 1pm – 4 pm and 4 – 4:30 pm pack up (probably only needed on Thursday, TBA).

“The MAD MUD”

Our marquee in the Peppercorn Garden behind the Train Station will have all things to get down and dirty!

The mobile mud kitchen

Mud Art

Mud-coloured playdough for making mud people

This will be the ideal opportunity to display our banner, brochures and information about “Sprout” as well as having a great time interacting with families and kids

You too can get down and dirty!

As a prequel to KidsFest, they are running a Monday Morning Program for preschoolers from 9 am – 1 pm on March 23rd. We will need members to set up, pack up after and man the stall.

Organisers would also be grateful if anyone can help with parking or working on the volunteer bbq during the KidsFest week.

I’m hoping for a terrific response on Thursday morning.

Cheers

Felicity
THE JOURNEY, THE CORONAVIRUS

Booked months ago and determined to make it, Betty and Louis with John and I travelled to Nepal on February 25th knowing the threat of COVID-19….and armed. Taking precaution every step of the way we were always on guard.

Left: At Kathmandu airport prepared for the return flight to Bangkok and on to Melbourne. Facial mask, facial wipes, bacterial wipes, hand sanitiser, tissues and extra toilet paper. Stocked up before we left! Expert at cleaning aircraft fittings at our seat.

We flew with Thai Airlines and encountered heat sensor checks at Kathmandu, Bangkok and Melbourne Airports. In retrospect our timing was fortuitous returning safely on March 9th, a week before widespread event cancellations and self quarantine started in earnest.

Our daughter sent us a photo of shelves void of toilet paper and tissues at her Hawthorn supermarket during our first week in Nepal, so realised the panic buying back here.

Left, in front of us at Bangkok airport in line to board for Melbourne was a traveller with 24 rolls of toilet paper, as hand luggage!

Is this where rolls were heading?

NEPAL— a very different and interesting world

The first week we toured Kathmandu, the second we moved hotels to attend the 45th Kiwanis Asia Pacific Education Conference and Convention at the Hyatt Regency, in the west of the city. COVID-19 affected the numbers at the ASPAC Convention, which were well down.

Our home in the first week was in the Thamel tourist district at the Moonlight Hotel, photo below left. This was a real gem. Its friendly and hospitable staff along with a variety of wholesome food and end of day drinks, made the stay most enjoyable. At Right—in the middle is young Khem, a very helpful and friendly waiter who took us under his wing and couldn’t do enough for us. The Nepalese people are a treasure.
Our first week saw day trips with ‘Intrepid Tours’ which immersed us in the local culture and everyday life. It was a packed experience that turned up something of interest and remarkable along every road, laneway and corner.

On our first day in Kathmandu we visited Kirtipur (the city of glory) only 40 mins away. Located in the foothills, it is rich in history and culture and offers an insight into the real Nepal.

It was a Tuesday. We were immersed in the village life at every turn. Traditional Newari architecture is found between colourful new buildings after the 2015 earthquake devastated Nepal. All around is rebuilding activity. The quiet paved laneways hint at a different time, with people going about their daily chores and activities, religious ceremonies and weddings. We encountered three wedding groups during the day. Red, the traditional wedding dress. Hindu and Buddhist temples and in-house restaurants quietly nestle among the homes where village dogs roam or sleep at doorsteps. We saw it all. Top right, children dance in the small local school yard—the school, a basic building overlooks the expanse of Kathmandu in the valley. Second top, women walking to a wedding.

For lunch we were taken into a rudimentary kitchen, come small restaurant, with an earthen floor. Here we found ourselves eating on grass mat flooring, out of bowls of moulded dried leaves, with spicy buffalo, accompanied by an array of hot spicy grains and vegetables. The two hovering cats right of Betty were slipped some of our buffalo and they chewed their way through it as well.

The cooking class at the ‘Seven Women’ centre two days later was quite a different story. It was an engaging learning experience cooking our own lunch the Nepalese way—fresh produce and again with plenty of hot spices. Our 19 year old instructor, a student, was excellent.

Right: With our Intrepid tour guide Bidhya and our finished delicious vegetarian dishes ready to eat.

Pictured left outside the Seven Women centre a week later with other Aussie Kiwanians who we joined for more cooking fun there. More to tell about the remarkable Seven Women Centre at a later date.
1. Asia Pacific Education Conference at the Hyatt Regency Hotel, Kathmandu. Left, Participants from Australia, Nepal, Japan, Taiwan, Philippines Luzon, Philippines South, Malaysia, NZ-South Pacific, International President-elect and Kiwanis International staff.

2. The ASPAC Education Leaders L to R: NZ-South Pacific member and his interpreter from Nepal; Brian Tenclinger (KI Staff leader), Nepal, Philippines South, Australia, Malaysia and Australia.

3. The Australians at ASPAC Back row L to R: Dave Jeffrey & Kathy Hughes (Sydney) John Hyde (Shepparton Sunrisers) Peter Zander (Brighton & District Secretary) Steve Hughes (Sydney) Ken Archer (Newcastle & District Treasurer) Nazreen Hadeen (Sydney) Jeff Hudson (Sydney), Ros Gore & Ashleigh Gore (Adelaide Hills and District Governor). Front L to R: Yvonne Zander (Bus Operators SA), Annette Holmes (Newcastle) Louis D’Amore (Mooroopa), Pauline Gunn (Port Phillip) Jan Hyde (Shepparton Sunrisers & District Education) Betty D’Amore (Shepparton Sunrisers & District KCF) Front: Om (Sydney) Tony Gunn (Port Phillip/District Membership Growth and Kiwanis International Trustee)

4. At the Saturday ASPAC Dinner, Nepal was presented with a banner to signify the granting of DISTRICT STATUS with Kiwanis International. Five years ago they began learning of Kiwanis. Today there are 51 clubs with a goal to grow by 11 next year. Their kids need Kiwanis.

---

### Objects of Kiwanis

- **To give** primacy to the human and spiritual rather than to the material values of life.
- **To encourage** the daily living of the Golden Rule in all human relationships.
- **To promote** the adoption and the application of higher social, business and professional standards.
- **To develop**, by precept and example, a more intelligent, aggressive and serviceable citizenship.
- **To provide**, through Kiwanis Clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities.
- **To co-operate** in creating and maintaining that sound public opinion and high idealism which makes possible the increase in righteousness, justice, patriotism and goodwill.
