DO YOU WANT TO HELP YOUR COMMUNITY?

AND HAVE SOME FUN AT THE SAME TIME?

IF SO, PERHAPS THIS IS FOR YOU!

Members (Kiwansians) are citizens who participate in community events and help those in need. We work alongside the disadvantaged, the elderly, the handicapped and the youth of our community - achieving what individuals alone cannot.

THE KIWANIS CLUB OF TEA TREE GULLY

KEY CLUB

We also sponsor service clubs for students at local high school and primary schools - which provides students with opportunities to contribute to their community in meaningful ways and helps expose them to community service ethics.

Additionally we assist the elderly and disadvantaged in a huge variety of different ways, and always by preference look for ways that we can be involved "hands on" in making a difference to the people we are assisting.

Fundraising is mainly via BBQ's at local Bunnings stores, and of course there's plenty of social life!

ELIMINATE

Kiwans eliminating maternal/neonatal tetanus

On a wider scale, Kiwanis in association with UNICEF, has undertaken

a world-wide project to **ELIMINATE** neonatal/maternal tetanus, particularly in third world countries.

Tetanus kills almost 100,000 mothers and babies world wide each year, but can be easily and cheaply prevented with a cheap and safe vaccine and education about safe birthing practices.

Clubs also assist in various other

overseas projects such as supporting orphanages, schools and so on.

Kiwans provides members with many opportunities for personal growth and offers hands-on way to assist the community.

And have a lot of fun doing it!

Our Club was chartered in 1979, and we endeavour to find projects which bring us into direct contact with the people that we help.

Our first major project was to establish the Kiwanis Road Safety Centre at Ridgehaven, and we maintain our involvement with it up to this day.

We also sponsor the Tea Tree Gully Go-getters Aktion Club - this group of young adults with intellectual disabilities have formed their own service club, enabling

them to contribute back to the community, develop new skills and form new friendships.

Additionally, we present Terrific Kids Awards at 8 local primary schools, providing encouragement and providing promoting character development to these young students, and rewarding them for being 'good citizens'.
