ABOUT THE KIWANIS CLUB OF WASHINGTON, D.C.

Chartered in 1917, this still vibrant and important Washington club will celebrate 100 years of community service in 2017. With members from all over the DC metropolitan area, ranging in age from 23 to 95, we develop and manage programs that reach out to children and the elderly in need. We have a long tradition of fellowship among our members from summer picnics to restaurant socials.

Our Club will enable you to make new friends, network with business leaders and give back to your community. Throughout our years as a service club we have established and run programs that help less fortunate children and adults in our community. We currently host and fund a youth leadership scholarship program for DC public and charter high school students, organize events at a low-income senior center, coordinate a holiday party at River Terrace Elementary School, and run a Back-to-School Carnival with a local youth organization. We have many other events throughout the year that bring smiles to the faces of those disadvantaged in our community.

Join our Club as we plan and implement projects that serve our community, and enjoy meeting old and new friends.

Annual Dues:

Annual membership dues are necessary to help cover the club's administrative costs. Dues are \$75 for the member's first two years and \$175 thereafter. If the member is active for more than 25 years, dues decrease to \$100 annually.
