Gift Certificate for Clean and Check Up of your Residential Furnace/Air Conditioning System from Peters Heating and Air Conditioning

(Twice a year service – One in the Spring and One in the Fall)

We are here for you, even when your system is functioning properly, and we want to keep it that way. That's why we offer convenient and affordable maintenance plans to help you prevent the need for costly repairs during the summer when your air conditioner is an absolute necessity. Our service techs will inspect your unit to check for any problem areas, and will also clean your system, including the cabinet and coils, to ensure that it is operating at max efficiency. After all, an efficient system costs less to operate!
