\$75 Gift Certificate for Computer service, clean up, repairs, or labor from Eagle Technologies

(limit one per customer, expiration 12/31/18)

This certificate is good for any labor-based services that Eagle Technologies provides. Eagle is able to work on any brand of computer. Whether you have viruses or other problems with your computer, things can be cleaned up and the damage repaired. Called the “Oil Change”, the process includes many things beyond virus removal; removing other infections and spyware, diagnosing and fixing Windows issues and errors, disk clean-up, system re-organization and optimization, installation of updates, and much more. We also evaluate for computer upgrades, like adding more memory, to help create the best performance. While the Oil Change is pretty famous, it’s important to note that Eagle also works on Apple computers. This certificate is good for labor only, but please know that Eagle sells desktops and laptops and items related. (limit one per customer)
