

There were 18 members and 3 guests present when President Suzanne Rusnak opened the meeting at 6:30 P.M. at Buca Di Beppo.

We were in the smaller room in the back which is always a tough place to have a meeting but Suzanne did a great job working through it. She truly takes control of the room like the teacher she used to be and makes it work.

We would have sang Happy Birthday to Scott Goggin but he wasn't present. We did congratulate Rick Grane on his Kiwanis Anniversary he joined in June of 2008 so Rick has been a Kiwanian for 10 years.

Tonights guest speaker was Carmine Stewart and her friend Alfreda Barnes. She spoke on Genealogy. She handed out pedigree charts for members to fill out and instructed people on how to fill them out. Unfortunately I had to leave early but it looked like an extremely interesting program.
