PROVIDENCE HOUSE BIRTHDAY WISH LIST
CLICK TO PRINT COMPLETE LIST -

Providence House is a crisis nursery committed to child abuse prevention and family preservation in the Cleveland area by using a two generation approach focused on both the child and their family. Providence House fights to end child abuse and neglect by protecting at-risk children, empowering families in crisis, and building safer communities for every child. We provide immediate protection and basic needs for children newborn through ten years old in a safe home-like environment

There are just two weeks remaining until the Providence House Birthday Party. That still gives you time to bring in your gifts, you don't have to wait until the 18th. There will be a table at the front of the room to drop off your gifts each week. We will also accept cash donations and will make purchases of needed items in your name.

After the terrific year the Cleveland Indians had last year it's difficult not to think about October baseball in April.

Having played 7 games in the 2016 World Series and losing the 7th game by an 8 to 7 score the Cleveland Indians are certain to supply fans with a great season of baseball.

Having been assured of the player's abilities of this year's team by Bob DiBiao at last week's meeting we can be confident of an exciting 2017 baseball season.
