INDIANAPOLIS, IN – Children in communities across the world have the opportunity to thrive, prosper and grow because of the 18.5 million hours of community service donated annually by Kiwanis members. On International Volunteer Day, Monday, Dec. 5, Kiwanis International recognizes the contribution from our members who are improving the lives of children. "Kiwani clubs make a positive difference in the community," said Jane Erickson, 2016-17 Kiwanis International president. "We want to make sure every child has the opportunity to be happy, healthy, safe and loved. Kiwanians serve the children of the world."

Pictured are the gifts presented to Providence House during our birthday celebrating 36 years of their service to the Cuyahoga County Community. See our Facebook page for additional photos.

Both of these ladies came to us from Providence House to help us celebrate the 36th Birthday of the opening of Providence. Thanks to DeDe Gold the tables were decorated and games played and these ladies joined in all activities before the singing of Happy Birthday and cutting the cake.

Last year Providence House cared for a total of 326 children with 98% of them being reunited with their parents. Providence is able to provide 24 hour care for 30 children at a time. It takes 20 dedicated individuals to provide this care. Over 400 volunteers are utilized to support their effort each year. The work includes working with and counseling parents as well as children in order to have united families. Volunteers receive 50 hours training before they are permitted to care for the children. .

We are scheduled to mulch and clean up at **Malachi House** on Saturday, May 13th. We will meet at 9:00 AM at the Malachi House, 2810 Clinton Ave. . DeDe will have the mulch in bags. Please bring your rakes and tools. We will mark the daffodils locations with tongue depressors, so we know where they are for our fall planting of another 500 daffodil bulbs. Please help spread the word...."many hands make for light work".
