SPOTLIGHT ON.....

The all new Lakewood Kiwanis Website is up and on-line.

Those with Internet access should check it out. The site is there for your use as a resource of what's going on in our Kiwanis Club, our Division 14 and the ten clubs in our division including links to the Ohio District of Kiwanis and Kiwanis International and even the Kiwanis Store. The capabilities of the site are almost endless. Your thoughts and suggestions to improve its worth are always welcome.

The website has always proven to provide a resource for our community as well, a way to keep an eye on Lakewood Kiwanis for fundraisers, the pancake breakfasts, spaghetti dinners and of course where our famous hot dogs will be available. It has been and will continue to be *our face to the community*.

Our KCL Website will also continue to be an outlet for all the clubs in our division as a way to, not only keep our members informed of division and division club goings on, but as a way for us to be a part of each other's Kiwanis worlds. Interclubs and the possibility of larger joint fundraisers come to mind.

We will continue to keep the site up to date, useful to Kiwanians and to the communities in our division.

We are open to your comments and suggestions at: lakewood_kiwanis@att.net and don't forget to check out our new website.

A "One Year" perfect attendance tab was awarded to Matt Stack by Lt. Governor Lee

The following two paragraphs of Tom McDonough's opening invocation two weeks ago were:

"We ask for help from on high as we seek to serve. We also remember those who have served to make this a wonderful country to call our own. That includes all who have worn the uniforms of our country and first responders. This includes all who have given their life including the past presidents of the USA.

We give thanks for the food we (are) about to consume and thank the people who prepared it for us. May it strengthen USA as we persist in our endeavors to make Lakewood a great place to live and raise a family."
