## SPOTLIGHT ON.....

Friday of this week we have the opportunity to celebrate a great day in American history by being in the Lakewood Independence Day Parade. **Participants in the parade are asked to be at the corner of Edgewater Drive and Kenneth Avenue at 9:30 A.M. Trucks participating in the parade are asked to be there at 9:15 A.M.** The parade will begin at 10:00 A.M. and proceed from there to Lakewood Park taking approximately two hours.

Beginning long before the parade marchers assemble Lakewood Kiwanis will be on site at Lake Avenue just west of the Lakewood Park entrance and we need your help in setting up for our hot dog sale and Pete's Table fundraiser. There will be grills to unload and fire up along with tents and coolers and all the gear needed to prepare for several hours of fundraising. The need for "helping hands" is great to make the time more fun that work. If you have never participated in a Kiwanis fundraiser now is the time to come out and join in. We will be at the site until approximately 2:00 to 3:00 P.M. If you can help for however long a time, that's great. A sign up sheet will be available at Tuesday's meeting but you can just show up if you did not have the opportunity to sign up earlier. Your help is needed. Friends and family members are welcome to participate also.

**The 2014 "Lakewood Relay for Life"** event is now history, (June 28-29). The KCL was well represented by eight of its members including the following:

Anna Bacho (Team Captain)  
Andrew Bischof  
Mary Burton  
John Craighead  
Ray Goodrich  
Diana MacNamee-Gold  
Tim Mohr  
David Norton

Our goal was to raise \$500.00 for the American Cancer Society research as of this writing the KCL has raised \$715.00 and the Lakewood High School Key Club has raised \$360.

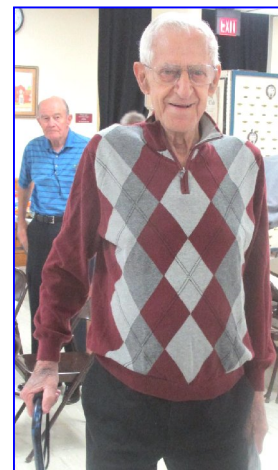

**Well done - with thanks to all!**

**The Lakewood Park Kiwanis Garden** is doing quite well this year and last weeks' rains helped to make it that way, but we all know, at least we hope those heavy rains will not continue throughout the summer. The garden will need added care in weed pulling and watering. John Mumma would appreciate help in keeping it looking great throughout the season. He will even supply a 75 ft. hose if you need one and this year he guarantees the water will be available for watering the garden.

## PROGRAMS/SPEAKERS?

If you have heard or seen an interesting program or speaker and you feel it would be a good fit for our meetings be sure to pass on the information to John Wilson. John seems to have an unlimited supply of great speakers all by himself, but many suggestions can make John's job a lot easier. Thanks to Bruce Giberson who has passed along several very good suggestions to John. They have proven to be very good speakers.
