Spotlight On.....

Our guest speaker today is Cuyahoga County Common Pleas Judge David T. Matia. Judge Matia has presided over the Cuyahoga County's Drug Court since it was initiated in 2008. Over 300 county residents have completed the program.

The Drug Court Mission

"Stop the abuse of alcohol and other drugs and related criminal activity. Drug courts promote recovery through a coordinated response to offenders dependent on alcohol and other drugs. Realization of these goals requires a team approach, including cooperation and collaboration of the judges, prosecutors, defense counsel, probation authorities, other corrections personnel, law enforcement, pretrial services agencies, TASC programs, evaluators, an array of local service providers, and the greater community" - The National Drug Court Model
