The Ohio District Kiwanis Foundation (ODKF) awards a grant in the amount of \$795.00 to Lakewood Kiwanis for the purchase of a fourth AmTryke by the club.

AmTrykes are therapeutic tricycles for children (and adults) with disabilities.

Grant Committee Chairman Tim Cornelius presents a check to KCL President Jim Trela.

The Foundation has a major focus of fundraising and project support for Kiwanis - Safe and Healthy Kids. Funds are raised from designated and undesignated gifts, the Governor's Project, the annual golf outing, the convention basket room income, license plates, Walk the Magic Mile, etc..

Grants are awarded from this Fund for projects which address the areas of prevention, treatment, or education that helps kids be safe and healthy. In addition grants are awarded for community projects that improve the lives of children and families which focus on Kiwanis marketing or Kiwanis outreach.

The Foundation Board awards \$12,595 in grants to Kiwanis Clubs in support of local community service projects. <http://odkf.org/>

At the top of the front page of this Kiwani-Gram are printed the letters DXXIV indicating this to be the 524th consecutive issue of the Kiwani-Gram - 10 years by the current editor. I must admit it has been an enjoyment for me to put each issue together. During these ten years the Kiwani-Gram has twice been awarded 1st Place in the Ohio District's annual club newsletter competition and 4th Place just this past year.

It's time now to give someone else the opportunity to present a new view to the Kiwani-Gram.

At some point in the coming weeks the last edition of the current Kiwani-Gram will be printed. I'm hoping there will be a new editor and a new Kiwani-Gram at that time.

The KCL Garden has been planted, fertilized, mulched and now needs to be tended to by watering as needed.

During the current HOT spell water is most important. Our resident gardener John Mumma is asking that a weekly schedule be prepared for volunteers to help out. John recommends watering for about a half-hour, a good soaking is needed for the raised flower bed. He'll even supply the 75' hose that is at his home. Give John a call or email to have your name and time on the schedule.

Clarence Lorenz receives his 20 year perfect attendance pin from President Jim Trela.

Karen Karp is president of the Lakewood Dog Park. Karen will be our guest speaker on June 27th.
