The "Growing Healthy Together Program" consists of three groups of two senior citizen volunteers each include members of Lakewood Kiwanis that will visit three preschools each week to share stories and activities with the children. The goal of this program is to create a caring and supportive community of children and adults. Each classroom will receive a set of books in order that teachers may reinforce the concepts that have been presented each week during the 20 minute session. A set of these books has been donated to both branches of Lakewood Public Library. The volunteers from Lakewood Kiwanis who are participating are Andy Killian, Tim Mohr, John Mumma, and Jim Trela.
