

Skilled Nursing Facilities

A Skilled Nursing Facility (SNF) is a 24-hour medical care facility for individuals (including post surgical) who need skilled or intermediate nursing care. To make the transition most effectively, a prospective resident, the family, and the physician must be involved in the decision-making process.

This list is provided to you as a service of the City of Lakewood, Department of Human Services, Division of Aging. It is up to the individual to interview, negotiate a fee for services and develop a contract for service with the provider. You should choose an agency whose staff is insured and bonded. You may also request references before engaging anyone to provide a service to you. Always ask anyone arriving at your home for identification.

This a partial list of services, it is not intended to be all inclusive. The City of Lakewood cannot recommend or endorse any of the listed providers.
