

## **2016 Sanford Senior Center Christmas Party**

**The Kiwanis Club of Midland, in conjunction with the Midland Area Community Foundation, sponsored a Senior Christmas Party at the Sanford Senior Center on December 14, 2016. Dawn Powell, the Senior Center Director, did an excellent job coordinating the event!**

**Approximately 140 seniors attended. Activities began at 10:30 a.m. with seniors having cracker and cheese appetizers and fruit punch while listening to Christmas music and songs by Arlyn Willett on an electronic keyboard.**

**This was followed by a wonderful prayer and an amazing meal consisting of: roast beef, mashed potatoes and gravy, green beans, a Christmas salad, a roll and butter and “Red Velvet Cake” for dessert. The meals were served by 10 students from the Meridian Junior High School.**

**The seniors then participated in a 50/50 drawing and for poinsettia plants, hams, gift certificates and general merchandise. The students helped with the gift distribution. A “great” time was had by all!**

**As the seniors departed, they all received a bag of mixed fruit. There were many “Thank You’s” and “Merry Christmas” wishes as they left the building.**
