AGREEMENT REGARDING RESPONSIBILITY/PARADE RULES

Every Parade Participant shall abide by all rules and policies established for the parade.

I, the undersigned authorized group representative, on behalf of the Parade Participant named on this application (“participant”) hereby agree that participant, and all persons directly or indirectly associated with its participation in the Kiwanis Club of Greater Ouachita 2019 Christmas Parade, will abide by all rules and/or policies established by the Kiwanis Club of Greater Ouachita, Louisiana, (“Kiwanis”) as a requirement for our participation, particularly the following:

There must be no less than three adults on foot to each side of each trailer or float using an appropriate crowd restraint (poles or rope) in order to prevent parade onlookers and others along the parade route from approaching the trailer or float within an unsafe distance, and to provide for the general safety of the onlookers and others along the parade route, as well as to provide for the supervision and safety of those on the trailer or float;

No throwing of anything by those sitting in the front seat of any vehicle. Not by the driver, not by any of the passengers. This will be enforced.

Floats must have railings or posts so that riders can grab them for balance, particularly when the vehicle starts or stops.

Drivers will be sobriety tested by local law enforcement officers prior to the start of the parade. Each Driver will receive a wrist band upon successful completion. Drivers will not be switched prior to the start of the parade. No one may be a Driver without being tested and having a wristband.

Riders must throw out into the crowd, and not to the side of their float. Children should be instructed to throw away from the float. This is a safety issue for all involved.

Drivers must be alert, and must keep pace with the parade. There will be no stopping or getting off of floats during parade. Gaps in the parade are a safety issue.

I further agree, on behalf of the participant, that there will be adequate adult supervision of all minor children, and that all participants have been made aware of the importance of all parade rules and overall parade safety for themselves, other participants, and spectators during the parade.
